QUESTIONS AND ANSWERS

What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for the 2016 annual meeting of shareholders (the “Annual Meeting”) of Seritage Growth Properties, a Maryland real estate investment trust (“Seritage,” “the Company,” “our company,” “we,” “our,” or “us”) include the Notice of Annual Meeting, this proxy statement, our 2015 Annual Report on Form 10-K and a proxy card or voting instruction form.

A proxy statement is a document that U.S. Securities and Exchange Commission (“SEC”) regulations require us to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is the legal designation of another person to cast the votes entitled to be cast by the holder of the shares. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting. These two officers are Benjamin Schall and Matthew Fernand.

The form of proxy and this proxy statement have been approved by our Board of Trustees (“Board”) and are being provided to shareholders by its authority. These materials were first made available or sent to you on April 4, 2016.

What am I voting on at the Annual Meeting?

At the Annual Meeting, our shareholders are asked to consider and vote upon:

- the election of David S. Fawer and Thomas M. Steinberg as Class I trustees, each to hold office until the 2019 annual meeting of shareholders and until his successor is duly elected and qualifies (see page 12);
 - the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2016 (see page 31); and
 - any other business that may properly come before the Annual Meeting or any postponement or adjournment thereof.
- What does it mean to vote by proxy?

It means that you give someone else the right to vote your shares in accordance with your instructions. In this way, you ensure that your vote will be counted even if you are unable to attend the Annual Meeting. If you give your proxy but do not include specific instructions on how to vote, the individuals named as proxies will vote your shares as follows:

- FOR** the election of the Board’s nominees for trustee; and
- FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2016.

Table of Contents

Who is entitled to vote?

Only holders of our Class A common shares of beneficial interest (“Class A Shares”) and Class B common shares of beneficial interest (“Class B Shares”) at the close of business on March 28, 2016 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. The holder of each Class A Share and each Class B Share outstanding is entitled to one vote. There were 25,668,442 Class A Shares and 1,589,020 Class B Shares outstanding on the Record Date.

How do I cast my vote?

If you hold your shares directly in your own name, you are a “registered shareholder” (sometimes referred to as a “record shareholder”) and may vote in person at the Annual Meeting or you can complete and submit a proxy through the Internet, by telephone or by mail. If your shares are registered in the name of a broker or other nominee, you are a “street-name shareholder” and will receive instructions from your broker or other nominee describing how to vote your shares.

How do I vote by telephone or through the Internet?

If you are a registered shareholder, you may vote by telephone or through the Internet following the instructions on the proxy card. If you are a street-name shareholder, your broker or other nominee has provided information for you to use in directing your broker or nominee how to vote your shares.

Who will count the vote?

A representative of Computershare Trust Company, N.A., an independent tabulator, will count the vote and act as the inspector of election.

Can I change my vote after I have voted?

A subsequent vote by any means will change your prior vote. For example, if you voted by telephone, a subsequent Internet vote will change your vote. If you are a registered shareholder and wish to change your vote by mail, you may do so by requesting, in writing, a proxy card from the Corporate Secretary at Seritage Growth Properties, 489 Fifth Avenue 18th Floor, New York, NY 10017, Attn: Corporate Secretary. The last vote received prior to the Annual Meeting will be the one counted. If you are a registered shareholder, you may also change your vote by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not, by itself, change a prior vote. Street-name shareholders wishing to change their votes after returning voting instructions to their broker or other nominee should contact the broker or nominee directly.

Can I revoke a proxy?

Yes, registered shareholders may revoke a properly executed proxy at any time before it is exercised by submitting a letter addressed to and received by the Corporate Secretary at the address listed in the answer to the previous question. Street-name shareholders cannot revoke

Table of Contents

their proxies in person at the Annual Meeting because the actual registered shareholders, the brokers or other nominees, will not be present. Street-name shareholders wishing to revoke their proxy after returning voting instructions to their broker or other nominee should contact the broker or nominee directly.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. For all copies of proxy materials, please provide voting instructions for all proxy cards and voting instruction forms that you receive. We encourage you to register all your accounts in the same name and address. Registered shareholders may contact our transfer agent, Computershare Trust Company, N.A., at 211 Quality Circle, Suite 210, College Station, TX 77845 (1-866-455-9772). Street-name shareholders holding shares through a broker or other nominee should contact their broker or nominee and request consolidation of their accounts.

What constitutes a quorum?

The holders of a majority of the outstanding shares entitled to vote, in person or represented by proxy at Annual Meeting, constitutes a quorum. A quorum is necessary to conduct the Annual Meeting.

How many votes are needed to approve each of the proposals?

Item 1: At least seventy-five percent of all the votes entitled to be cast at a meeting of shareholders at which a quorum is present shall be required to elect a trustee. In the event that an incumbent trustee does not receive a sufficient percentage of votes entitled to be cast for election, he or she will continue to serve on the Board of Trustees until a successor is duly elected and qualifies.

Item 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm requires the affirmative vote of a majority of votes cast in person or represented by proxy at the Annual Meeting.

What is the effect of an abstention?

Abstentions occur when a shareholder is present in person or by proxy at the Annual Meeting, but fails to vote. Abstentions will be counted for purposes of determining whether a quorum is present at the Annual Meeting so long as the shareholder is present in person or represented by proxy. An abstention with respect to the election of a trustee will have the same effect as a vote against that trustee. An abstention with respect to the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm will not have an effect on the outcome of the proposal.

How will votes be counted on shares held through brokers?

If you hold shares beneficially in street name and submit a properly executed proxy, but do not provide your broker with voting instructions on a matter on which the broker is not permitted to vote without instructions from the beneficial owner, your shares represent “broker

Table of Contents

non-votes.” Brokers are not entitled to vote on the election of trustees unless they receive voting instructions from the beneficial owner. Broker non-votes will be counted for purposes of determining whether a quorum is present at the Annual Meeting. A broker non-vote will have the same effect as a vote against a trustee (Item 1). However, because broker non-votes are not considered votes cast on a proposal broker non-votes, if any, will not affect the outcome of the proposal to ratify the appoint of Deloitte & Touche LLP as our independent registered public accounting firm (Item 2).

Who may attend the Annual Meeting?

Any shareholder as of the Record Date or their duly authorized proxies may attend the Annual Meeting. Seating and registration will begin at 9:30 a.m.

An admission ticket (or other proof of share ownership) and some form of government-issued photo identification (such as a valid driver’s license or passport) will be required for admission to the Annual Meeting. Only shareholders who own Seritage shares as of the close of business on March 28, 2016 will be entitled to attend the Annual Meeting. An admission ticket will serve as verification of your ownership. If you are a registered shareholder, an admission ticket is attached to your proxy card. Each shareholder may be asked to present valid picture identification (for example, a driver’s license or passport). If you are a street-name shareholder, you will need to bring a copy of a brokerage statement, proxy or letter from the broker or other nominee confirming ownership of Seritage shares as of the Record Date. If you are a street-name shareholder and wish to vote at the Annual Meeting you will need to obtain a “legal proxy” from your bank or broker, which may take several days. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Can I access future annual meeting materials through the Internet rather than receiving them by mail?

Yes. *Registered shareholders* can sign up for electronic delivery at www.envisionreports.com/srg. If you vote through the Internet, you can also sign up for electronic delivery. Just follow the instructions that appear after you finish voting. You will receive an e-mail next year containing our 2016 Annual Report on Form 10-K and the proxy statement for our 2016 annual meeting. *Street-name shareholders* may also have the opportunity to receive copies of these documents electronically. Please check the information provided in the proxy materials mailed to you by your broker or other nominee regarding the availability of this service. This procedure reduces the printing costs and fees our company incurs in connection with the solicitation of proxies.

How are proxies solicited and what is the cost?

Seritage will bear the cost of soliciting proxies by or on behalf of our Board. In addition to solicitation through the mail, proxies may be solicited in person or by telephone or electronic communication by our trustees, officers and employees, none of whom will receive additional compensation for these services. We have engaged Georgeson LLC (“Georgeson”) to distribute and solicit proxies on our behalf and will pay Georgeson a fee of \$10,000, plus reimbursement of reasonable out-of-pocket expenses, for these services.

Table of Contents

What is “householding”?

Seritage has adopted a procedure called “householding,” which has been approved by the SEC. Under this procedure, shareholders of record who have the same address and last name will receive a single set of proxy materials, unless one or more of these shareholders notifies the company that they wish to continue receiving individual copies. Shareholders who participate in householding will continue to receive separate proxy cards. This procedure can result in significant savings to our company by reducing printing and postage costs.

If you wish to receive separate copies of future notices, annual reports and proxy statements, please call the Company at (212) 355-7800 or write to: Corporate Secretary, Seritage Growth Properties, 489 Fifth Avenue 18th Floor, New York, NY 10017. The Company will deliver the requested documents to you promptly upon your request.

Any shareholders of record who share the same address and currently receive multiple copies of proxy materials who wish to receive only one copy of these materials per household in the future may contact the Corporate Secretary of the Company at the address or telephone number listed above. If you hold your shares through a broker, bank or other nominee, please contact your broker, bank, or other nominee to request information about householding.

How do I revoke my consent to the householding program?

If you are a holder of record and share an address and last name with one or more other holders of record, and you wish to continue to receive separate annual reports, proxy statements and other disclosure documents, you may revoke your consent by writing to Corporate Secretary, Seritage Growth Properties, 489 Fifth Avenue 18th Floor, New York, NY 10017. You may also revoke your consent by contacting the Company at (212) 355-7800. You will be removed from the householding program within 30 days of receipt of the revocation of your consent.

A number of brokerage firms have instituted householding. If you hold your shares in street-name, please contact your bank, broker or other holder of record to request information about householding.

CORPORATE GOVERNANCE

Corporate Governance Practices

Our Board is committed to effective corporate governance. The Board has approved and adopted Corporate Governance Guidelines that provide the framework for governance of our company. The Nominating and Corporate Governance Committee reviews and assesses the Corporate Governance Guidelines annually and recommends changes to the Board as appropriate. The Corporate Governance Guidelines, along with the charters of Board committees and our Code of Business Conduct and Ethics are available on our website at www.seritage.com on our Investor Relations page under the heading “Governance Documents.” (We are not including the information contained on, or available through, our website as a part of, or incorporating such information by reference into, this Proxy Statement.)

Among other things, the Corporate Governance Guidelines provide that:

- A majority of the members of the Board must be independent trustees;
- Independent trustees are to meet regularly, at least twice a year, in executive session without management present;
- The Board and its committees have the power to engage, at the Company’s expense, independent legal, financial or other advisors as deemed necessary, without consulting or obtaining the approval of the Company’s officers in advance; and
- The Board conducts an annual evaluation to assess whether it and its committees are functioning effectively.

Trustee Independence

Based on the review and recommendation by the Nominating and Corporate Governance Committee, the Board analyzed the independence of each trustee. In making its independence determinations, the Board considers transactions, relationships and arrangements between Seritage and entities with which trustees are associated as executive officers, trustees and trustees. When these transactions, relationships and arrangements exist, they are in the ordinary course of business and are of a type customary for a real estate company such as Seritage.

As a result of this review, the Board affirmatively determined that the following trustees meet the standards of independence under our Corporate Governance Guidelines and the applicable NYSE listing rules, including that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment:

David S. Fawer

Kenneth T. Lombard

John T. McClain

Table of Contents

Thomas M. Steinberg

The Board has also determined that all members of the Audit Committee meet additional, heightened independence criteria applicable to audit committee members under the NYSE listing rules. The Board has further determined that John T. McClain, the chair of the Audit Committee, David S. Fawer and Kenneth T. Lombard are “audit committee financial experts,” as defined in Item 407(d)(5) of Regulation S-K promulgated by the SEC.

The Board has also determined that the members of the Compensation Committee other than Mr. Lampert meet independence criteria applicable to compensation committee members under the NYSE listing rules. Mr. Lampert serves on the Compensation Committee pursuant to a one-year exemption under NYSE rules for recently listed companies.

Risk Management

Consistent with our leadership structure, our Chief Executive Officer and other members of senior management are responsible for the identification, assessment and management of risks that could affect the Company, and the Board provides oversight in connection with these efforts. The Board’s oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of the Audit Committee and the Compensation Committee below and in the charters of the Audit Committee and the Compensation Committee. The full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company, including our Chief Financial Officer and our General Counsel.

Public Policy Matters

We are committed to ethical business conduct and expect our trustees, officers and employees to act with integrity and to conduct themselves and our business in a way that protects our reputation for fairness and honesty. Consistent with these principles, we have established policies and practices in our Code of Business Conduct and Ethics with respect to political contributions and other public policy matters.

We encourage our employees to be active in the political and civic life of their communities. Trustees, officers and employees acting in their individual capacities may not give the impression that they are speaking on our behalf or representing the Company in such activities. In addition, no trustee or employee is permitted to make, authorize or permit any unlawful contributions, expenditure or use of the Company’s funds or property for political purposes. Trustees and employees must not give anything of value to government officials if this could be interpreted as an attempt to curry favor on behalf of the Company.

Table of Contents**The board of trustees**

Board Membership

The Nominating and Corporate Governance Committee of our Board of Trustees is responsible for reviewing the qualifications and independence of members of the Board and its various committees on a periodic basis, as well as the composition of the Board as a whole. This assessment includes members' qualification as independent and their economic interest in the Company through meaningful share ownership, as well as consideration of diversity, skills and experience in relation to the needs of the Board. Trustee nominees will be recommended to the Board by the Nominating and Corporate Governance Committee in accordance with the policies and principles in its charter. The ultimate responsibility for selection of trustee nominees resides with the Board of Trustees.

While the Company does not have a formal diversity policy, the Board considers diversity in identifying trustee nominees. The Board and the Nominating and Governance Committee believe that it is important that our trustees represent diverse viewpoints. In addition to diversity of experience, the Nominating and Corporate Governance Committee seeks trustee candidates with a broad diversity of professions, skills and backgrounds.

The Board met 3 times during fiscal year 2015. All of the trustees attended every Board meeting and every meeting of the committees on which they served. Our Corporate Governance Guidelines provide that trustees are expected to attend the annual meeting of shareholders.

Committees of the Board of Trustees

The Board has standing Audit, Compensation, and Nominating and Corporate Governance Committees. All members of the Audit, Compensation, and Nominating and Corporate Governance Committees are independent (other than Mr. Lampert), as defined in the NYSE listing rules.

The table below reflects the current membership of each committee and the number of meetings held by each committee in fiscal year 2015.

Communications with the Board of Trustees

You may contact any non-employee trustee, or the entire Board, at any time, subject to the exceptions described below. Your communication should be sent to the Seritage Growth Properties Board of Trustees — c/o Corporate Secretary, Seritage Growth Properties, 489 Fifth Avenue 18th Floor, New York, NY 10017. Communications are distributed to the Board, a committee of the Board, or any Board member as appropriate, depending on the facts and circumstances outlined in the communication. Certain items that are unrelated to the duties and responsibilities of the Board will be excluded, such as new product suggestions, resumes and other job inquiries, surveys and business solicitations or advertisements.

Board Leadership Structure

The Board has no policy that mandates the separation of the offices of Chairman of the Board and Chief Executive Officer. Under our Corporate Governance Guidelines, the Board believes that it is in the best interest of the Company to make such a determination at the time that it elects a new Chairman of the Board or Chief Executive Officer. The Board believes this determination should be made based on the Company's best interests in light of the circumstances at the time. Taking these considerations into account, the Board has concluded that the separation of the roles of Chairman and Chief Executive Officer best serves the interests of shareholders and the Company at this time. Currently, Mr. Lampert is the Chairman of the Board. The Board believes it is important to maintain flexibility as to the Board's leadership structure, but firmly supports maintaining a non-management trustee in a leadership role at all times, whether as non-executive Chairman or Lead Independent Trustee.

Nomination of Trustee Candidates

The Nominating and Corporate Governance Committee considers candidates proposed by shareholders and evaluates them using the same criteria as for other candidates. The Nominating and Corporate Governance Committee will, when appropriate, actively seek individuals qualified to become Board members, and solicit input on trustee candidates from a variety of sources, including current Trustees. As a matter of course, the Committee will evaluate a candidate's qualifications and review all proposed nominees for the Board of Trustees, including those proposed by shareholders, in accordance with its charter and our Corporate Governance Guidelines. This will include a review of the person's qualifications and independence, economic interest in the Company through meaningful share ownership, as well as consideration of diversity, age, skills and experience in the context of the needs of the Board. While the Committee has the ability to retain a third party to assist in the nomination process, the Company did not pay a fee to any third party to identify or assist in identifying or evaluating potential nominees in fiscal year 2015.

Trustee nominees recommended by the Nominating and Corporate Governance Committee are expected to be committed to representing the long-term interests of our shareholders. The Committee believes that it is important to align the interests of trustees with those of our shareholders, and therefore expects that each non-employee trustee acquire, by the

Table of Contents

third anniversary of his or her election, a number of Seritage Class A Shares with a cost at least equal to the annual retainer of each trustee in effect on the date when the trustee first becomes a member of the Board. Board members should possess a high degree of integrity and have broad knowledge, experience and mature judgment. In addition to a meaningful economic commitment to our company as expressed in share ownership, trustees and nominees should have predominately business backgrounds, have experience at policy-making levels in business, and bring a diverse set of business experiences and perspectives to the Board.

Any recommendation by our shareholders should include any supporting material the shareholder(s) considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our trustees if elected. All recommendations for nomination received by the Corporate Secretary will be presented to the Nominating and Corporate Governance Committee for its consideration. See “Communications with the Board of Trustees” on page 10 for more information.

Table of Contents

ITEM 1. ELECTION OF TRUSTEES

Item 1 is the election of two Class 1 trustee nominees to our Board. If elected, the two nominees will serve until the 2019 annual meeting of shareholders, and until their successors are duly elected and qualify. The persons named in the proxy card (the “proxies”) will vote **FOR** the election of all of the nominees listed below, unless otherwise instructed.

The number of Trustees constituting the entire Board of Trustees is currently fixed at six. Our declaration of trust provides that our trustees are divided into three classes. One class of trustees is elected at each annual meeting of shareholders to serve until the third succeeding annual meeting of shareholders and until their respective successors have been duly elected and qualify. The proxies may not vote for the election of more than two nominees for Trustee at the Annual Meeting.

The Board of Trustees expects all nominees to be available for election. If any nominee should become unavailable to serve as a trustee for any reason prior to the Annual Meeting, the Board may substitute another person as a nominee. In that case, your shares will be voted for that other person.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” ELECTION OF THE TWO NOMINEES FOR TRUSTEE.

The biographies of each of the nominees below contain information regarding the person’s service as a trustee, business experience, trustee or director positions held currently or at any time during the last five years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the Nominating and Corporate Governance Committee and the Board to determine that the person should serve as a trustee for the Company.

David S. Fawer
Trustee since 2015

David S. Fawer, age 47, served as Vice Chairman of OneWest Bank N.A. until August 2015, where he developed and managed all aspects of the commercial real estate businesses and served as Secretary to the Board of Directors of IMB HoldCo (the holding company of OneWest Bank). Prior to joining OneWest Bank in March of 2009, he was Managing Director / Partner at Dune Capital where he led commercial real estate finance efforts and Managing Director / Partner at Dune Real Estate Partners. Mr. Fawer has over 20 years of experience in the field of commercial real estate finance, including lending, real estate equity investing, and risk management, which qualifies him to serve as a trustee of the Company.

Thomas M. Steinberg
Trustee since 2015

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Review And Approval Of Transactions With Related Persons

The Company's Audit Committee charter requires that the Audit Committee review and approve all related party transactions required to be disclosed pursuant to SEC rules and applicable NYSE rules. With respect to each related-party transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the transaction is on terms that are no less favorable to the Company than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction.

Our Relationship with Sears Holdings

On June 11, 2015 Sears Holdings effected a rights offering (the "Rights Offering") to Sears Holdings stockholders to purchase common shares of Seritage in order to fund, in part, the \$2.7 billion acquisition by Seritage of 234 of Sears Holdings' owned properties and one of its ground leased properties, and its 50% interests in three joint ventures (collectively, the "Transaction"). The Rights Offering ended on July 2, 2015 and the Company's Class A common shares were listed on the New York Stock Exchange on July 6, 2015. On July 7, 2015, the Company completed the Transaction with Sears Holdings and commenced operations.

Since the Transaction, the Company has operated as an independent public company. However, one of our trustees, Edward S. Lampert, and entities affiliated with him, together as a group currently beneficially own significant portions of both Sears Holdings' outstanding common stock and equity in Seritage Growth Properties, L.P., a Delaware limited partnership ("Operating Partnership"). Seritage is the sole general partner of Operating Partnership. In addition, Sears Holdings is our largest tenant. Accordingly, Sears Holdings is considered a related party.

In connection with the Transaction, we entered into certain agreements with Sears Holdings or its subsidiaries to effect the Transaction and to provide a framework for our relationship with Sears Holdings after the separation. The following is a summary of the terms of the material agreements that we have entered into with Sears Holdings or its subsidiaries. The summary of the agreements is qualified in its entirety by reference to the full text of the applicable agreements filed as exhibits to our SEC reports.

The Master Lease

Many of our properties and the space therein are leased under a master lease (the "Master Lease") to subsidiaries of Sears Holdings. The Master Lease is generally a triple net lease with respect to all space which is leased thereunder to Sears Holdings, subject to proportionate sharing by Sears Holdings of repair and maintenance charges and other costs and expenses. The Master Lease has an initial term of 10 years. The Master Lease contains certain provisions that are designed to optimize the utilization of its subject properties and provide a certain degree of flexibility to the parties over the lifetime of the Master Lease, including providing the Company with the right to recapture and re-lease specified space governed by the Master Lease. The Master Lease also provides for certain rights of Sears Holdings to terminate the Master Lease

Table of Contents

with respect to properties that cease to be profitable for operation by Sears Holdings, subject to limitations as set forth in the Master Lease.

Subscription, Distribution and Purchase and Sale Agreement

Through the Subscription, Distribution and Purchase and Sale Agreement, Sears Holdings subscribed for rights to acquire Seritage common shares and distributed such subscription rights to its stockholders. The Subscription, Distribution and Purchase and Sale Agreement also provided for the sale of properties and joint venture interests (both directly and indirectly) to Operating Partnership for an aggregate purchase price of approximately \$2,677.3 million. The Subscription, Distribution and Purchase and Sale Agreement allocated responsibility for liabilities relating to the acquired properties between Seritage and Sears Holdings subject to the provisions of the Master Lease. It also contains indemnification obligations between Seritage and Sears Holdings.

Transition Services Agreement

Pursuant to the Transition Services Agreement, Sears Holdings Management Corporation (“SHMC”), a wholly owned subsidiary of Sears Holdings, provides certain limited services to us during the period from the closing of the transaction with Sears Holdings in July 2015 through the 18-month anniversary of the closing, unless we terminate a service as described below. The services provided to us by SHMC include specified facilities management, accounting, treasury, tax, information technology, risk management, human resources and related support services. Under the terms of the Transition Services Agreement, the scope and level of the facilities management services is substantially consistent with the scope and level of the services provided in connection with the operation of the acquired properties by Sears Holdings prior to the closing of the transaction. We pay SHMC a specified fee for each of these services during the term of the Transition Services Agreement. The scope and level of other services provided is in the nature of limited support services. SHMC does not provide us with any business managerial services or direct any of our business, financial or strategic policies or decisions.

We have the option to terminate each of the services provided under the Transition Services Agreement at any time with at least 60 days’ prior written notice, and SHMC also has the option to terminate the services under certain circumstances. The liability of SHMC under the Transition Services Agreement for the services it provides is generally limited. The Company has substantially completed the transfer of all support functions initially provided by Sears Holdings under the Transition Services Agreement.

ESL Exchange Agreement

Seritage, Operating Partnership and ESL Investments, Inc. and its affiliates, including Edward S. Lampert (collectively, “ESL”) entered into an exchange agreement (the “ESL Exchange Agreement”) pursuant to which ESL exchanged subscription rights that, if exercised, would have resulted in ESL receiving in excess of 3.1% of the Seritage common shares, together with an amount of cash equal to the aggregate amount ESL would have paid had it exercised such subscription rights in the rights offering plus the value of the Seritage non-economic shares, for Seritage non-economic shares having 5.4% of the voting power of Seritage but not entitled to

Table of Contents

dividends or distributions and Operating Partnership units. ESL, which holds all of the Seritage non-economic shares, has agreed with us that upon any sale or other transfer to a non-affiliate of any of its Operating Partnership units, it will surrender to Seritage a pro rata portion of the Seritage non-economic shares that it holds prior to the sale or other transfer, whereupon the surrendered Seritage non-economic shares will be cancelled and the aggregate voting power of ESL in Seritage will be proportionately reduced.

Partnership Agreement of Operating Partnership

The partnership agreement of Operating Partnership provides holders of Operating Partnership units (other than Seritage and entities controlled by it) approval rights over certain change of control transactions involving Seritage or Operating Partnership, sales of all or substantially all of the assets of Operating Partnership and waivers to the excess share provisions in the declaration of trust of Seritage until after the first six continuous months in which ESL holds less than 40% of the economic interests of Seritage and Operating Partnership on a consolidated basis. In addition, the partnership agreement provides such holders (other than Seritage and entities controlled by it) approval rights over certain modifications to the partnership agreement, withdrawal or succession of Seritage as general partner of Operating Partnership, tax elections and certain other matters at all times. In addition, ESL has the right to acquire additional Operating Partnership units to allow it to maintain its relative ownership interest in Operating Partnership if Operating Partnership issues additional units to Seritage. In addition, the partnership agreement of Operating Partnership provides holders of Operating Partnership units (other than Seritage and entities controlled by it) the right to cause Operating Partnership to redeem each of their Operating Partnership units in exchange for cash or, at the election of Seritage, common shares of Seritage on a one-for-one basis. The partnership agreement of Operating Partnership also permits ESL to transfer its Operating Partnership units to one or more underwriters to be exchanged for Seritage common shares in connection with certain dispositions in order to achieve the same effect as would occur if ESL were to exchange its Operating Partnership units for Seritage common shares, which may be limited under the ownership restrictions set forth in the Seritage declaration of trust, and then dispose of those shares in an underwritten offering.

Registration Rights Agreement with ESL

We entered into a registration rights agreement with ESL (the "Registration Rights Agreement"). The Registration Rights Agreement provides for, among other things, demand registration rights and piggyback registration rights for ESL. Pursuant to the Registration Rights Agreement and the partnership agreement of Operating Partnership, if ESL proposes to engage in an offering, it may transfer Operating Partnership units to an underwriter to be exchanged for Seritage common shares before they are sold in the offering. We are also required to indemnify ESL against losses suffered by it or certain other persons based upon any untrue statement or alleged untrue statement of any material fact contained in any registration statement, related prospectus, preliminary prospectus or free writing prospectus, or the omission or alleged omission to state therein a material fact required to be stated therein, necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, except to the extent based upon information furnished in writing by ESL specifically for use therein.

Schall, Dickman and Fernand sign-on equity awards with a target value equal to \$2 million, \$125,000 and \$175,000, respectively (with the number of shares subject to such award calculated based on the price per Seritage common share in the Rights Offering for Mr. Schall and the closing market price on the date of grant for Messrs. Dickman and Fernand). Although each NEO's applicable employment agreement provided that the sign-on time-based equity award would be granted in the form of RSUs, at the time of grant, each NEO and Seritage agreed that the grants would be made in the form of restricted shares. 25% of Mr. Schall's sign-on time-based restricted shares vested on July 7, 2015 and the remaining sign-on time-based restricted shares will vest 25% on each of July 7, 2016, July 7, 2017 and July 7, 2018. For Messrs. Dickman and Fernand, the sign-on time-based restricted shares will vest in three equal annual installments on August 13, 2016, August 13, 2017 and August 13, 2018.

Sign-On Equity Awards - Performance-Based. Pursuant to the terms of each NEO's applicable employment agreement, Seritage granted Messrs. Schall, Dickman and Fernand sign-on performance-based equity awards with a target value equal to \$3 million, \$125,000 and \$175,000, respectively (with the number of shares subject to such award calculated based on the Seritage common share in the Rights Offering for Mr. Schall and the closing market price on the date of grant for Messrs. Dickman and Fernand), which will be earned over the performance period beginning on July 1, 2015 and ending on June 30, 2018, subject to the achievement of performance goals. Although each NEO's applicable employment agreement provided that the sign-on performance-based equity award would be granted in the form of RSUs, at the time of grant, each NEO and Seritage agreed that the grants would be made in the form of restricted shares. The awards were granted in July 2015 for Mr. Schall and August 2015 for Messrs. Dickman and Fernand, and the performance goals were determined by the Compensation Committee in December 2015. The applicable performance goals include square footage activity, incremental yield on development costs and the accomplishment of other strategic Seritage initiatives. Upon the achievement of threshold, target or maximum performance, the number of restricted shares earned will be 50%, 100% or 150%, respectively (with linear interpolation of the percentage payout for performance between threshold and target or between target and maximum). The sign-on performance-based restricted shares are subject to additional service-based vesting, such that (1) 50% of Mr. Schall's earned restricted shares (if any) shall vest on May 4, 2018 and 50% shall vest on May 4, 2019, subject to continued employment through the applicable vesting date and (2) 50% of Messrs. Dickman's and Fernand's earned restricted shares (if any) shall vest on the date that the Compensation Committee determines the achievement of applicable performance and 50% shall vest on July 1, 2019, in each case, subject to continued employment through the applicable vesting date. The awards may vest prior to the

applicable vesting dates in connection with certain terminations of employment as described below in the description of each NEO's applicable employment agreement.

Annual Equity Awards – Benjamin Schall. Pursuant to the terms of the Schall employment agreement, Mr. Schall received an annual equity award grant in respect of 2015 at the same time as his sign-on equity award grant, which consisted of (1) time-based RSUs with a target value of \$637,500 that will vest in three equal installments on July 7, 2016, July 7, 2017 and July 7, 2018, and (2) performance-based restricted shares with a target value of \$637,500 that will vest based on the achievement of performance metrics over the period beginning January 1, 2016 and ending December 31, 2018. Mr. Schall's annual performance-based restricted share award was granted in July 2015 and the performance metrics with respect to Mr. Schall's performance-based restricted shares were set in March 2016 and are substantially similar to those described above under "*Sign-On Equity Awards – Performance-Based.*" Upon the achievement of threshold, target or maximum performance, the number of shares subject to such award that are earned will be 50%, 150% or 265%, respectively (with linear interpolation of the percentage payout for performance between threshold and target or between target and maximum). At the time of grant, Seritage and Mr. Schall agreed that with respect to his 2015 annual equity awards, (1) in lieu of performance-based RSUs, Mr. Schall would receive performance-based restricted shares and (2) the number of time-based RSUs and performance-based restricted shares subject to his 2015 annual equity award would be calculated by dividing the aggregate value of the award by the price per Seritage common share in the Rights Offering.

Annual Equity Awards – Brian Dickman and Matthew E. Fernand. On March 18, 2016, Seritage granted annual equity awards to Messrs. Dickman and Fernand. The terms and conditions of such equity awards were consistent with the terms of each NEO's applicable employment agreement, which provided for an annual equity grant with a guaranteed minimum target value of \$318,750 and \$200,000 for Messrs. Dickman and Fernand, respectively. 50% of the award was granted in the form of time-based RSUs that will vest in three equal installments on March 18, 2017, March 18, 2018 and March 18, 2019. 50% of the award was granted in the form of performance-based RSUs which will be earned over the performance period beginning on January 1, 2016 and ending on December 31, 2018, subject to the achievement of performance goals (which are substantially similar to those described above under "*Sign-On Equity Awards – Performance-Based.*"). The annual performance-based RSUs are further subject to time-based vesting, such that 50% of the NEO's earned RSUs (if any) shall vest on the date that the Compensation Committee determines the achievement of applicable performance and 50% shall vest on January 1, 2020, in each case, subject to continued employment through the applicable vesting date (other than in connection with certain terminations of employment). These awards are not reflected in the compensation tables included above because they were not granted during 2015.

Change in Control Vesting. In connection with a change in control of Seritage, the time-based and performance-based restricted shares and RSUs granted to Messrs. Dickman and Fernand will vest in accordance with the terms and conditions of the 2015 Plan. The 2015 Plan provides that any non-vested award will fully vest in the event of either (1) the failure by the purchasing business entity to assume or continue Seritage's rights and obligations under each award outstanding immediately prior to the change in control, or to substitute for each outstanding award a substantially equivalent award; or (2) the award holder's termination of employment

within twelve (12) months following a change in control on account of a termination by Seritage (or any acquiror) for any reason other than cause (as such term is defined in and determined under the applicable individual agreement) or on account of an award holder's resignation for good reason (if an individual agreement contains a definition of good reason). The treatment of the Mr. Schall's sign-on and annual equity awards upon a change in control is described under "—Schall Employment Agreement—*Change in Control*."

2015 Annual Bonuses

Pursuant to each NEO's employment agreement, with respect to 2015, Messrs. Schall, Dickman and Fernand were each eligible to receive a guaranteed minimum annual cash bonus, without proration, equal to \$1,062,500, \$318,750 and \$300,000, respectively. The actual annual bonuses granted to Messrs. Schall, Dickman and Fernand in respect of 2015 were equal to the applicable guaranteed minimum annual bonus for each NEO.

Schall Employment Agreement

Term. On April 17, 2015, Seritage entered into an employment agreement with Mr. Schall, which provides for a three-year term, subject to automatic renewal for additional one-year terms, unless either party provides no less than 120 days' notice prior to the expiration of the applicable term or the agreement is terminated as contemplated therein.

Annual Compensation. The Schall employment agreement provides for an annual base salary of \$850,000 and an annual cash bonus of between 50% and 175% of base salary if threshold performance goals are achieved, with a target of 125% of base salary. The employment agreement also provides for an annual equity award grant with an aggregate target value equal to 150% of base salary, of which 50% will be a number of RSUs that vest ratably over three years and 50% will be a number of performance-based RSUs ("PRSUs") that is subject to adjustment based on performance goals and will vest at the end of the performance period established for such grant by the Compensation Committee. If threshold performance goals are achieved, the number of annual PRSUs earned will range from 50% to 265% of the number of annual PRSUs granted, with 150% for target performance and 265% for maximum performance.

Termination due to Death or Disability. Upon a termination of employment due to death or disability, Mr. Schall is entitled to: (1) a prorated annual bonus for the year of termination, calculated based on actual performance through the date of termination and (2) full vesting of Mr. Schall's sign-on and annual equity awards; provided that performance for any outstanding performance-based equity awards will be based on actual performance through the date of termination.

Termination without Cause; Resignation with Good Reason. Upon a termination by Seritage without cause or a resignation with good reason, prior to a change in control, Mr. Schall is entitled to (1) a prorated annual bonus for the year of termination, based on actual performance through the date of termination; (2) salary continuation in an amount equal to two times the sum of base salary and target annual bonus in effect as of the date of termination, payable over 24 months; (3) 18 months of welfare benefits continuation including subsidized COBRA coverage; (4) full vesting of his sign-on equity awards; (5) prorated vesting of any outstanding annual

Table of Contents

equity awards; and (6) 12 months of outplacement services. Performance for any outstanding performance-based equity awards that vest will be based on actual performance through the date of termination.

Change in Control. Upon a change in control, with respect to any Schall sign-on and annual equity awards that are performance-based as to which the performance period has not yet ended, the Compensation Committee will calculate performance based on actual performance through the date of the change in control. If the successor entity does not assume, convert or replace Mr. Schall's unvested and outstanding Schall sign-on or annual equity awards with equity traded on the NYSE or NASDAQ, such awards will vest in full. Otherwise, such awards will continue to vest in accordance with their terms (except that the performance conditions will no longer apply).

If Mr. Schall's employment is terminated by Seritage without cause or he resigns with good reason, during the 12 months following a change in control, Mr. Schall is entitled to the same benefits as if he had experienced a qualifying termination prior to a change in control, except that (1) the prorated annual bonus is measured based on performance through the date of the change in control; (2) the cash severance multiplier for salary continuation is three and such amount is paid in a lump sum; and (3) all outstanding annual equity awards vest in full.

In the event that payments or benefits owed to Mr. Schall constitute "parachute payments" (within the meaning of Section 280G of the Internal Revenue Code of 1986 (the "Code")) and would be subject to the excise tax imposed by Section 4999 of the Code, such payments or benefits will be reduced to an amount that does not result in the imposition of such excise tax, but only if such reduction results in Mr. Schall receiving a higher net-after-tax amount than he would have absent such reduction.

Restrictive Covenants. Mr. Schall is subject to a perpetual confidentiality covenant and, during his employment with Seritage and for 12 months immediately thereafter, a non-solicitation covenant. For the 12 month period immediately following his termination of employment, Mr. Schall is also subject to a non-competition covenant which prohibits him from rendering services to certain Seritage competitors specified in the employment agreement.

Forfeiture Provisions. If Mr. Schall violates the non-compete by becoming employed by a specified competitor or, in certain circumstances, Mr. Schall engages in conduct constituting cause under the employment agreement, the COBRA subsidy will terminate and Mr. Schall is required to reimburse Seritage for salary continuation payments (or, following a change in control, for the lump-sum cash severance payment).

Dickman Employment Agreement

Term. On July 6, 2015, Seritage entered into an employment agreement with Brian Dickman, Chief Financial Officer and Executive Vice President of Seritage, which will remain in effect indefinitely, unless otherwise terminated.

Annual Compensation. Mr. Dickman's employment agreement provides for an annual base salary of \$425,000 and an annual cash bonus with a target of 75% of base salary and a maximum of 100% of base salary. The employment agreement also provides for an annual equity award

grant covering either Seritage common shares or limited partnership interests in the Operating Partnership. The agreement also provides that this annual equity award grant will have a target aggregate target value equal to 75% of Mr. Dickman's annual base salary and a maximum aggregate target value equal to 125% of Mr. Dickman's annual base salary. 50% of the annual equity grant will consist of time-based RSUs and 50% will consist of performance-based RSUs, in each case, subject to the terms and conditions established by the Compensation Committee.

Sign-on Bonus. Pursuant to his employment agreement, in 2015, Mr. Dickman received a one-time cash sign-on bonus of \$250,000. In the event of a termination by Seritage for cause or a resignation by Mr. Dickman without good reason during the 12 months following his start date, the sign-on bonus must be repaid immediately.

Termination due to Death or Disability. Upon a termination of employment due to death or disability, Mr. Dickman is entitled to (1) a prorated annual bonus for the year of termination, based on actual performance for the full year of termination and (2) vesting of his sign-on and annual equity awards; provided that the vesting in respect of any performance-based equity awards shall be based on performance through the date of termination. In the case of disability, Mr. Dickman is also entitled to 12 months of subsidized COBRA coverage.

Termination Without Cause; Resignation with Good Reason. Upon a termination by Seritage without cause or resignation by Mr. Dickman with good reason, Mr. Dickman shall be entitled to (1) base salary continuation for 12 months; (2) a prorated annual bonus for the year of termination, based on actual performance for the full year of termination; (3) 12 months of subsidized COBRA coverage; (4) vesting of the sign-on equity awards; and (5) prorated vesting of annual equity awards. Performance for any performance-based equity awards that vest as a result of such termination will be determined based on actual performance through the date of termination.

Housing and Relocation Expenses. Mr. Dickman will be provided with corporate housing in New York for an agreed-upon period. Upon permanent relocation, Mr. Dickman will be reimbursed for relocation expenses in accordance with Seritage's policy.

Restrictive Covenants. During his employment with Seritage and for 12 months thereafter, Mr. Dickman is subject to non-competition and non-solicitation covenants. Mr. Dickman is also subject to a perpetual confidentiality covenant.

Fernand Employment Agreement

Term. On May 15, 2015, Seritage entered into an employment agreement with Matthew Fernand, General Counsel, Executive Vice President and Secretary of Seritage, which will remain in effect indefinitely, unless otherwise terminated.

Annual Compensation. Mr. Fernand's employment agreement provides for an annual base salary of \$400,000, and an annual cash bonus with a target of 75% of base salary and maximum of 100% of base salary. The employment agreement also provides for an annual target equity award grant covering either Seritage common shares or limited partnership interests in the Operating Partnership. The agreement also provides that this annual equity award grant will have a target aggregate value equal to 50% of Mr. Fernand's annual base salary and a maximum aggregate

value equal to 100% of Mr. Fernand's base salary. 50% of the annual equity grant will consist of time-based RSUs and 50% will consist of performance-based RSUs, in each case, subject to the terms and conditions established by the Compensation Committee.

Sign-on Bonus. Pursuant to his employment agreement, in 2015, Mr. Fernand received a one-time cash sign-on bonus of \$150,000. In the event of a termination by Seritage for cause or a resignation by Mr. Fernand without good reason during the 12 months following his start date, the sign-on bonus must be repaid immediately.

Termination due to Death or Disability. Upon a termination of employment due to death or disability, Mr. Fernand is entitled to (1) a prorated annual bonus for the year of termination, based on actual performance for the full year of termination; and (2) vesting of his sign-on and annual equity awards; provided that the vesting in respect of any performance-based equity awards shall be based on performance through the date of termination. In the case of disability, Mr. Fernand is also entitled to 12 months of subsidized COBRA coverage.

Termination Without Cause; Resignation with Good Reason. Upon a termination by Seritage without cause or a resignation by Mr. Fernand with good reason, Mr. Fernand shall be entitled to (1) base salary continuation for 12 months; (2) a prorated annual bonus for the year of termination, based on actual performance for the full year of termination; (3) 12 months of subsidized COBRA coverage; (4) full vesting of his sign-on equity awards; and (5) prorated vesting of any outstanding annual equity award grants. Performance for any performance-based equity awards that vest as a result of such termination will be determined based on actual performance through the date of termination

Restrictive Covenants. During his employment with Seritage and for 12 months thereafter, Mr. Fernand is subject to non-competition and non-solicitation covenants. Mr. Fernand is also subject to a perpetual confidentiality covenant.
