SECTION 5. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company represents and warrants to, and covenants with, the Purchaser as follows:

5.1 ORGANIZATION AND QUALIFICATION. The Company is a company duly organized and validly existing under the laws of the State of Israel and the Company is qualified or authorized to do business as a foreign company in each jurisdiction in which such qualification or authorization is required, except where failure to so qualify or be authorized would not have a Material Adverse Effect (as defined herein). The Company's subsidiaries (each a "SUBSIDIARY" and collectively the "SUBSIDIARIES") are listed on EXHIBIT 5.1 to this Agreement. Each Subsidiary is a direct or indirect wholly owned subsidiary of the Company. Each Subsidiary is duly organized, validly existing and (where the concept of "good standing" is applicable) in good standing under the laws of its jurisdiction of incorporation and is qualified or authorized to do business in each jurisdiction in which qualification or authorization is required, except where failure to so qualify or be authorized would not have a Material Adverse Effect.

5.2 REPORTING COMPANY; FORM F-3. The Company is not an "ineligible issuer" (as defined in Rule 405 promulgated under the Securities Act) and, provided none of the Purchasers is deemed to be an underwriter with respect to any Shares or Warrant Shares, is currently eligible to register the Shares and the Warrant Shares (as defined below) for resale by the Purchaser on a registration statement on Form F-3 under the Securities Act. The Company is subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "EXCHANGE ACT"), and has filed all reports required thereby in the 12-month period immediately preceding the date hereof (the "SEC FILINGS"). Provided that (i) none of the Purchasers is deemed to be an underwriter with respect to any Shares or Warrant Shares and (ii) the Purchaser provides to the Company all information about the Purchaser that is required to be included in a registration statement on Form F-3 for the resale of the Shares and the Warrant Shares (upon issuance thereof) by the Purchaser, to the Company's knowledge, there currently exist no facts or circumstances (including without limitation any required approvals or waivers or any circumstances that may delay or prevent the obtaining of accountant's consents) that reasonably could be expected to prohibit or delay the preparation and filing of a registration statement on Form F-3 that will be available for the resale of the Shares and the Warrant Shares (upon issuance thereof) by the Purchaser. Simultaneously herewith, the Purchaser is delivering to the Company the Registration Statement Questionnaire attached hereto as part of APPENDIX I, which has been duly executed by the Purchaser.

5.3 AUTHORIZED SHARE CAPITAL. As of the date hereof, the Company has 4,688,671 duly authorized and validly issued and outstanding ordinary

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

shares; except as set forth in EXHIBIT 5.3(I), the issued and outstanding Ordinary Shares have been duly authorized and validly issued, are fully paid and nonassessable, have been issued in compliance with all federal and state securities laws, were not issued in violation of or subject to any preemptive rights or other rights to subscribe for or purchase securities (other than any such rights that were waived or have expired), and conform in all material respects to the description thereof contained in the Company's Annual Report on Form 20-F for the year ended December 31, 2005, filed with the US Securities and Exchange Commission (the "COMMISSION") on April 21, 2006, as amended on May 16, 2006 (the "2005 20-F"). Except as set forth on EXHIBIT 5.3(II) to this Agreement, as of March 31, 2006 there were no outstanding options to purchase, or any preemptive rights or other rights to subscribe for or to purchase, any securities or obligations convertible into, or any contracts or commitments to issue or sell, Ordinary Shares or any such options, rights, convertible securities or obligations. The Company has reserved from its duly authorized share capital the maximum number of Ordinary Shares issuable pursuant to exercise of the Warrants (the "WARRANT SHARES"). With respect to each of the Subsidiaries, (i) all the issued and outstanding shares of such Subsidiary's capital stock have been duly authorized and validly issued, are fully paid and nonassessable, have been issued in compliance with all applicable federal and state securities laws, were not issued in violation of or subject to any preemptive rights or other rights to subscribe for or purchase securities (other than such rights that were waived or expired) and are owned, directly or indirectly, by the Company, and (ii) there are no outstanding options to purchase, or any preemptive rights or other rights to subscribe for or to purchase, any securities or obligations convertible into, or any contracts or commitments to issue or sell, shares of such Subsidiary's capital stock or any such options, rights, convertible securities or obligations.

5.4 ISSUANCE, SALE AND DELIVERY OF THE SECURITIES. The Shares and the Warrants Shares have been duly authorized and, when issued, delivered and paid for in the manner set forth in this Agreement or, with respect to the Warrant Shares, the warrant to be dated as of the Closing Date in the form of EXHIBIT 5.4 (the "WARRANT"), will be validly issued, fully paid and nonassessable, and the Shares and Warrant Shares (upon issuance thereof) will conform in all material respects to the description of the Ordinary Shares set forth in the 2005 20-F. No preemptive rights or other rights to subscribe for or purchase any Ordinary Shares exist with respect to the issuance and sale by the Company of the Securities pursuant to this Agreement or the issuance by the Company of the Warrant Shares upon exercise of the Warrants. No shareholder of the Company nor any other person has any right (which has not been waived or has not expired by reason of lapse of time following notification of the Company's intention to file the Registration Statement) to require the Company to register the sale of any share capital of the Company owned by such shareholder under the Registration Statement. No further approval or authority of the shareholders or the Board of Directors of the Company will be required for the issuance and sale of the Securities to be sold by the Company as contemplated herein. The issuance and sale of the Securities hereunder will not obligate the Company to issue Ordinary Shares or other securities to any other person or entity (other than the Other Purchasers pursuant to the terms of the Agreements) and will not result in the adjustment of the exercise, conversion, exchange or reset price of any outstanding security. The Company does not have outstanding stockholder purchase rights or "poison pill" or any similar arrangement in effect giving any person or entity the right to purchase any equity interest in the Company upon the occurrence of certain events.

5.5 DUE EXECUTION, DELIVERY AND PERFORMANCE OF THE AGREEMENTS. The Company has full legal right, power and authority to enter into this Agreement and the Warrants (collectively, the "TRANSACTION DOCUMENTS"), to issue and sell the Securities as contemplated hereby and perform the transactions contemplated hereby and by the other Transaction Documents. Each of the Transaction Documents has been duly authorized, executed and delivered by the Company. Each of the Transaction Documents constitutes a legal, valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application relating to or affecting the enforcement of creditors' rights and the application of equitable principles relating to the availability of remedies, and except as rights to indemnity or contribution, including but not limited to, indemnification provisions set forth in Section 8.3 of this Agreement may be limited by federal or state securities law or the public policy underlying such laws. The execution and performance of each of the Transaction Documents, the issuance and sale of the Securities and the consummation of the transactions contemplated hereby and thereby will not violate or conflict with any provision of the Memorandum of Association or Articles of Association of the Company or the organizational documents of any Subsidiary, will not result in the creation of any lien, charge, security interest or encumbrance upon any assets of the Company or any Subsidiary pursuant to the terms or provisions of, or will not conflict with, result in the breach or violation of, or constitute, either by itself or upon notice or the passage of time or both, a default under (i) any agreement, mortgage, deed of trust, lease, franchise, license, indenture, permit or other instrument to which any of the Company or any Subsidiary is a party or by which any of the Company or any Subsidiary or their respective properties may be bound or affected and in each case that would have a Material Adverse Effect or (ii) any statute or any authorization, judgment, decree, order, rule or regulation of any court or any regulatory body, administrative agency or other governmental agency or body applicable to the Company or any Subsidiary or any of their respective properties (other than any non-material conflict, breach, violation or default). Except as set forth in EXHIBIT 5.5, no consent, approval, authorization or other order of any court, regulatory body, administrative agency or other governmental agency or body or other person or entity is required for the execution and delivery of the Transaction Documents, the issuance and sale of the Securities or the consummation of the transactions contemplated hereby and thereby, except for compliance with the Blue Sky laws and federal securities laws to the extent applicable to the offering of the Securities. For the purposes of this Agreement the term "MATERIAL ADVERSE EFFECT" shall mean a material adverse effect on, or a material adverse change in, (i) the condition (financial or otherwise), properties, business, results of operations, assets, liabilities or prospects of the Company and its Subsidiaries, taken as a whole, (ii) the enforceability of the Transaction Documents or (iii) the Company's ability to perform its obligations under the Transaction Documents. The Company has taken all action necessary to exempt (i) the issuance and sale of the Securities (including the issuance of the Warrant Shares upon due exercise of the Warrants), and (ii) the other transactions contemplated by the Transaction Documents from the provisions of any shareholder rights plan or other "poison pill" arrangement, any anti-takeover, business combination or control share law or statute binding on the Company or to which the Company or any of its assets and properties may be subject and any provision of the Company's Memorandum of Association or Articles of Association that is or could reasonably be expected to become applicable to the Purchaser as a result of the transactions contemplated hereby, including without limitation, the issuance of the Securities and the ownership, disposition

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

or voting of the Securities by the Purchaser or the exercise of any right granted to the Purchaser pursuant to this Agreement or the other Transaction Documents.

5.8 CONTRACTS. The material contracts to which the Company is a party that are filed pursuant to the Securities Act or the Exchange Act with the Commission by the Company have been duly and validly authorized, executed and delivered by the Company or any Subsidiary, as the case may be, and constitute the legal, valid and binding agreements of the Company or such Subsidiary, as the case may be, enforceable by and against them in accordance with their respective terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws relating to enforcement of creditors' rights generally, and general equitable principles relating to the availability of remedies, and except as rights to indemnity or contribution may be limited by federal or state securities laws and the public policy underlying such laws.

7

5.9 NO ACTIONS. There are no legal or governmental actions, suits or proceedings pending or, to the Company's knowledge, threatened against the Company or any Subsidiary before or by any court, regulatory body or administrative agency or any other governmental agency or body, domestic, or foreign, which actions, suits or proceedings, individually or in the aggregate, would, if determined adversely to the Company or the Subsidiary party thereto, reasonably be expected to have a Material Adverse Effect; and no labor disturbance by the employees of the Company exists or, to the Company's knowledge, is imminent, that is reasonably expected to have a Material Adverse Effect. Neither the Company nor any Subsidiary is a party

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

to or subject to the provisions of any injunction, judgment, decree or order of any court, regulatory body, administrative agency or other governmental agency or body, other than by being a party to settlements of previously initiated claims, none of which was material.

5.10 PROPERTIES. The Company and each Subsidiary has good and marketable title to all the properties and assets described as owned by it in the consolidated financial statements included in the 2005 20-F, free and clear of all liens, mortgages, pledges, or encumbrances of any kind except (i) those, if any, reflected in such consolidated financial statements, or (ii) those that are not material in amount and do not adversely affect the use made and proposed to be made of such property by the Company or its Subsidiaries. The Company and each Subsidiary holds its leased properties under valid and binding leases. Each of the Company and any Subsidiary owns or leases all such properties as are necessary to its operations as now conducted.

5.11 NO MATERIAL CHANGE. 8

5.12 INTELLECTUAL PROPERTY. The Company and each Subsidiary owns or has obtained valid and enforceable licenses for or other rights to use the inventions, patent applications, patents, trademarks (both registered and unregistered), trade names, copyrights and trade secrets necessary for the conduct of its respective business as currently conducted (collectively, the "INTELLECTUAL PROPERTY"). To the Company's knowledge, there are no third parties who have any ownership rights to any Intellectual Property that is owned by or has been licensed to the Company or any Subsidiary or with respect to which the Company or any Subsidiary has other rights of use, for the products described in the 2005 20-F, which rights would (i) preclude the Company or any Subsidiary from conducting its business as currently conducted (except where such rights permit the grantor thereof to terminate such rights) and (ii) be reasonably expected to result in a Material Adverse Effect, except for the ownership rights of the owners of the Intellectual Property licensed or optioned by the Company or any Subsidiary. To the Company's knowledge, there are currently no sales of any products that would constitute an infringement by third parties of any Intellectual Property owned or licensed by the Company or any Subsidiary or with respect to which the Company or any Subsidiary has other rights of

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

use, which infringement would have a Material Adverse Effect. There is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others against the Company or any Subsidiary challenging the rights of the Company or any Subsidiary in or to any Intellectual Property owned or licensed by the Company or any Subsidiary or with respect to which the Company or any Subsidiary has other rights of use, other than claims which could not reasonably be expected to result in a Material Adverse Effect. There is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others against the Company or any Subsidiary challenging the validity or scope of any Intellectual Property owned or licensed by the Company or any Subsidiary or with respect to which the Company or any Subsidiary has other rights of use, other than non-material actions, suits, proceedings and claims. There is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others against the Company or any Subsidiary that the Company or any of its Subsidiaries infringes or otherwise violates any patent, trademark, copyright, trade secret or other proprietary right of others, other than non-material actions, suits, proceedings and claims.

5.13 COMPLIANCE. Neither the Company nor any of its Subsidiaries have been advised that they are not conducting business in compliance with all applicable laws, rules and regulations of the jurisdictions in which they are conducting business, including, without limitation, all applicable local, state and federal environmental laws and regulations, except where failure to be so in compliance has not had, and would not reasonably be expected to have a Material Adverse Effect, individually or in the aggregate.

5.14 TAXES. Except as set forth on EXHIBIT 5.14, since January 1, 2004 the Company and each Subsidiary has filed on a timely basis (giving effect to extensions) all federal, state, local and foreign tax returns and has paid or accrued all taxes shown as due thereon, and none of the Company or any Subsidiary has knowledge of a tax deficiency that has been or might be asserted or threatened against it that, if determined adversely, would be reasonably expected to result in a Material Adverse Effect, individually or in the aggregate. All tax liabilities required under the instructions to the Form 20-F to be reflected on the Company's financial statements were so reflected on the Company's financial statements constituting part of the 2005 20-F.

9

5.15 TRANSFER TAXES. All stock transfer or other taxes (other than income taxes) that are required to be paid in connection with the sale and transfer of the Securities to be sold to the Purchaser hereunder will have been or will be fully paid or provided for by the Company on such dates on which the relevant payments are required to be made and all laws imposing such taxes will have been or will be fully complied with on such dates on which such compliance is required.

5.16 INVESTMENT COMPANY. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations of the Commission promulgated thereunder.

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

with the offering and initial sale of the Securities other than any presentation provided by the Company to potential investors. The Company has not in the past nor will it hereafter take any action independent of the Placement Agent to sell, offer for sale or solicit offers to buy any securities of the Company that could result in the initial sale of the Securities hereunder not being exempt from the registration requirements of Section 5 of the Securities Act.

5.18 INSURANCE. The Company maintains insurance underwritten by insurers of recognized financial responsibility, of the types and in the amounts that the Company reasonably believes is adequate for its business, including, but not limited to, insurance covering all real and personal property owned or leased by the Company against theft, damage, destruction, acts of vandalism and all other risks customarily insured against, with such deductibles as are customary for companies in the same or similar business, all of which insurance is in full force and effect.

8.1 REGISTRATION PROCEDURES AND EXPENSES. The Company shall:

21

(a) as soon as practicable, but in no event later than ten (10) Business Days following the Closing Date (the "FILING DATE"), prepare and file with the Commission a registration statement on Form F-3 (the "REGISTRATION STATEMENT") relating to the resale of the Shares, the Warrant Shares and the shares issuable upon exercise of the Placement Agent Warrants (as defined below) (the "PLACEMENT AGENT WARRANT SHARES" and, together with the Shares and the Warrant Shares, the "REGISTRABLE SECURITIES") by the Purchaser, the Other Purchasers and the Placement Agent from time to time on the Nasdaq Capital Market or the facilities of any national securities exchange on which the Ordinary Shares are then traded, provided that if any Purchaser does not provide to the Company, not later than two Business Days after the Closing Date, all information about the Purchaser required to be included in the Registration Statement, the Company may include the Registrable Securities of such Purchaser, after receipt from such Purchaser of all such required information, in an amendment to the Registration Statement rather than in the originally filed Registration Statement. Subject to any comments of the Commission, such Registration Statement shall include the Plan of Distribution attached hereto as EXHIBIT A;

(b) use its commercially reasonable efforts, subject to receipt of necessary information from the Purchasers, to cause the Commission to declare the Registration Statement effective no later than 60 days after the Closing Date (such date, the "REQUIRED EFFECTIVE DATE"), provided, however, that in the event the Registration Statement or any document incorporated therein by reference receives any review by the Commission, the Required Effective Date will be 105 days after the Closing Date;

(c) maintain the effectiveness of the Registration Statement and promptly prepare and file with the Commission such amendments and supplements to the Registration Statement and the Prospectus as may be necessary to keep the Registration Statement effective until the earlier of (i) two years after the effective date of the Registration Statement, (ii) such time as all of the Registrable Securities have been sold pursuant to the Registration Statement, or (iii) the date on which the Shares may be resold by the Purchasers without registration by reason of Rule 144(k) under the Securities Act or any other rule of similar effect (the "EFFECTIVENESS PERIOD");

(d) provide copies to and permit counsel designated by the Purchaser to review each Registration Statement and all amendments and supplements thereto no fewer than four (4) Business Days prior to their filing with the Commission and not file any document to which such counsel reasonably objects, provided that if such counsel does not object or provide comments in writing to any such Registration Statement, amendment or supplement thereto within three (3) Business Days after delivery thereof to such counsel, such counsel shall be deemed to have no objections or comments to such Registration Statement, amendment and supplement thereto;

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

(e) furnish to the Purchaser and its legal counsel (i) promptly after the same is prepared and publicly distributed, filed with the Commission, or received by the Company (but not later than two (2) Business Days after the filing date, receipt date or sending date, as the case may be) one (1) copy of any Registration Statement and any amendment thereto, each preliminary prospectus and prospectus and each amendment or supplement thereto, and each letter written by or on behalf of the Company to the Commission or the staff of the Commission, and each item of correspondence from the Commission or the staff of the Commission, in each case relating to such Registration Statement (other than any portion of any thereof which contains information for which the Company has sought confidential treatment), and (ii) such number of copies of a prospectus, including a preliminary prospectus, and all amendments and supplements thereto and such other documents as the Purchaser may reasonably request in order to facilitate the disposition of the Registrable Securities owned by the Purchaser;

22

(f) use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness and, (ii) if such order is issued, obtain the withdrawal of any such order at the earliest possible moment;

(g) prior to any public offering of Registrable Securities, use commercially reasonable efforts to register or qualify or cooperate with the Purchaser and its counsel in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or blue sky laws of such jurisdictions requested by the Purchaser and do any and all other commercially reasonable acts or things necessary or advisable to enable the distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this clause (g), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this clause (g), or (iii) file a general consent to service of process in any such jurisdiction;

(h) immediately notify the Purchaser, at any time prior to the end of the Effectiveness Period, upon discovery that, or upon the happening of any event as a result of which, the Prospectus includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly prepare, file with the Commission and furnish to such holder a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; and

(i) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the Commission under the Securities Act and the Exchange Act, including, without limitation, Rule 172 under the Securities Act, file any final Prospectus, including any supplement or amendment thereof, with the Commission pursuant to Rule 424 under the Securities Act, promptly inform the Purchaser in writing if, at any time during the Effectiveness Period, the Company does not satisfy the

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

conditions specified in Rule 172 and, as a result thereof, the Purchaser is required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder; and make available to its security holders, as soon as reasonably practicable, but not later than the Availability Date (as defined below), an earnings statement covering a period of at least twelve (12) months, beginning after the effective date of each Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act, including Rule 158 promulgated thereunder (for the purpose of this clause (i), "AVAILABILITY DATE" means such date on which the Company shall be required, either pursuant to the rules relating to the filing by the Company of its annual report or for purposes of maintaining the effectiveness of the Registration Statement, as the case may be, to file with the Commission its audited financial statements for the relevant fiscal year ending after the effective date of such Registration Statement).

23

(j) With a view to making available to the Purchaser the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the Commission that may at any time permit the Purchaser to sell Registrable Securities to the public without registration, the Company covenants and agrees to use best reasonable efforts to: (i) make and keep public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) such date as all of the Registrable Securities may be resold pursuant to Rule 144(k) or any other rule of similar effect or (B) such date as all of the Registrable Securities shall have been resold; (ii) file with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act; and (iii) furnish to the Purchaser upon request, as long as the Purchaser owns any Registrable Securities, (A) a written statement by the Company that it has complied with the reporting requirements of the Exchange Act, (B) a copy of the Company's most recent Annual Report on Form 20-F or Report on Form 6-K, and (C) such other information as may be reasonably requested in order to avail the Purchaser of any rule or regulation of the Commission that permits the selling of any such Registrable Securities without registration.

(k) bear all expenses in connection with the procedures in paragraphs (a) through (j) of this Section 8.1 and the registration of the Registrable Securities pursuant to the Registration Statement, other than fees and expenses, if any, of counsel or other advisers to the Purchaser or the Other Purchasers or underwriting discounts, brokerage fees and commissions incurred by the Purchaser or the Other Purchasers, if any in connection with the offering of the Shares pursuant to the Registration Statement;

(l) file a Form D with respect to the Shares as required under Regulation D and, upon request, to provide a copy thereof to the Placement Agent promptly after filing; and

(m) issue a press release describing the transactions contemplated by this Agreement on or promptly after (i) the date hereof and (ii) the Closing Date.

The Company understands that the Purchaser disclaims being an underwriter, but the Purchaser being deemed an underwriter shall not relieve the Company of

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

any obligations it has hereunder. A questionnaire related to the Registration Statement to be completed by the Purchaser is attached hereto as APPENDIX I.

8.2 TRANSFER OF SECURITIES AFTER REGISTRATION. The Purchaser agrees that it will not effect any disposition of the Securities or its right to purchase the Securities that would constitute a sale within the meaning of the Securities Act or pursuant to any applicable state securities laws, except as permitted by law.

8.3 INDEMNIFICATION. For the purpose of this Section 8.3:

(i) the term "PURCHASER/AFFILIATE" shall mean any affiliates of the Purchaser, including a transferee who is an affiliate of the Purchaser, and any person who controls the Purchaser or any affiliate of the Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act; and

24

(ii) the term "REGISTRATION STATEMENT" shall include any preliminary prospectus, final prospectus, exhibit, supplement or amendment included in or relating to, and any document incorporated by reference in, the Registration Statement referred to in Section 8.1.

(a) The Company agrees to indemnify and hold harmless the Purchaser, each Purchaser/Affiliate and each broker or underwriter engaged by such Purchaser to sell any Securities on such Shareholder's behalf, against any losses, claims, damages, liabilities or expenses, joint or several, to which the Purchaser, any Purchaser/Affiliate and each such broker or underwriter may become subject (including in settlement of any litigation, if such settlement is effected with the written consent of the Company) insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based upon (i) any inaccuracy in the representations and warranties of the Company contained in this Agreement and the other Transaction Documents, or any failure of the Company to perform its obligations hereunder or thereunder or (ii) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, including the prospectus, financial statements and schedules, and all other documents filed as a part thereof or incorporated by reference therein, as amended at the time of effectiveness of the Registration Statement, including any information deemed to be a part thereof as of the time of effectiveness pursuant to paragraph (b) of Rule 430A, or pursuant to Rule 434, of the Rules and Regulations, or the prospectus, in the form first filed with the Commission pursuant to Rule 424(b) of the Regulations, or filed as part of the Registration Statement at the time of effectiveness if no Rule 424(b) filing is required (the "PROSPECTUS"), or any subsequent amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state in any of them a material fact required to be stated therein or necessary to make the statements in the Registration Statement or any amendment or supplement thereto not misleading or in the Prospectus or any amendment or supplement thereto not misleading (in the case of a Prospectus only, in light of the circumstances under which they were made); and will reimburse each Purchaser, each Purchaser/Affiliate and each such broker or underwriter for any legal and other expenses as such expenses are reasonably incurred by such Purchaser, Purchaser/Affiliate or broker or underwriter in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability,

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

expense or action; PROVIDED, HOWEVER, that the Company will not be liable for amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, and the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon (i) an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Prospectus or any amendment or supplement thereto in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Purchaser expressly for use therein or the Plan of Distribution attached hereto as EXHIBIT A, or (ii) the failure of such Purchaser to comply with the covenants and agreements contained in Section 8.2 of this Purchase Agreement respecting the sale of the Securities or any Warrant Shares or (iii) the inaccuracy of any representation or warranty made by such Purchaser herein.

25

(b) Each Purchaser will severally, but not jointly, indemnify and hold harmless the Company, each of its directors, officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages, liabilities or expenses to which the Company, each of its directors, officers who signed the Registration Statement or controlling person may become subject (including in settlement of any litigation, but only if such settlement is effected with the written consent of such Purchaser) insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based upon (i) any failure to comply with the covenants and agreements contained in this Purchase Agreement respecting the sale of the Shares or (ii) the inaccuracy of any representation or warranty made by such Purchaser herein or (iii) any untrue or alleged untrue statement of any material fact contained in the Registration Statement, the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements in the Registration Statement or any amendment or supplement thereto not misleading or in the Prospectus or any amendment or supplement thereto not misleading in the light of the circumstances under which they were made, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Purchaser expressly for use therein or the Plan of Distribution attached hereto as EXHIBIT A; and will reimburse the Company, each of its directors, officers who signed the Registration Statement or controlling person for any legal and other expense reasonably incurred by the Company, each of its directors, officers who signed the Registration Statement or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that each Purchaser's aggregate liability under this Section 8 shall not exceed the amount of proceeds received by such Purchaser from the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Promptly after receipt by an indemnified party under this Section

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

8.3 of notice of the threat or commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8.3, promptly notify the indemnifying party in writing thereof and provide to the indemnifying party copies of all written documents relating to such threatened or commenced action, but the omission to notify the indemnifying party will not relieve it from any liability that it may have to any indemnified party for contribution or otherwise under the indemnity agreement contained in this Section 8.3 to the extent it is not prejudiced as a result of such failure. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it may wish, jointly with all other indemnifying parties similarly notified, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; PROVIDED, HOWEVER, if the defendants in any such action include both the indemnified party and the indemnifying party, and the indemnified party shall have reasonably concluded that there may be a conflict of interest between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8.3 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed such counsel in connection with the assumption of legal defenses in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, reasonably satisfactory to such indemnifying party, representing all of the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of action, in each of which cases the reasonable fees and expenses of counsel for the indemnified party shall be at the expense of the indemnifying party. The indemnifying party shall not be liable for any settlement of any action without its written consent, which consent shall not be unreasonably withheld.

26

(d) If the indemnification provided for in this Section 8.3 is required by its terms but is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party under paragraphs (a), (b) or (c) of this Section 8.3 in respect to any losses, claims, damages, liabilities or expenses referred to herein, then each applicable indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of any losses, claims, damages, liabilities or expenses referred to herein in such proportion as is appropriate to reflect the relative fault of the Company and the Purchaser in connection with the statements or omissions or inaccuracies in the representations and warranties in this Agreement that resulted in such losses, claims, damages, liabilities or expenses, as well as any other

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

relevant equitable considerations. The relative fault of the Company on the one hand and each Purchaser on the other shall be determined by reference to, among other things, whether the untrue or alleged statement of a material fact or the omission or alleged omission to state a material fact or the inaccurate or the alleged inaccurate representation and/or warranty relates to information supplied by the Company or by such Purchaser and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in paragraph (c) of this Section 8.3, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in paragraph (c) of this Section 8.3 with respect to the notice of the threat or commencement of any threat or action shall apply if a claim for contribution is to be made under this paragraph (d); PROVIDED, HOWEVER, that no additional notice shall be required with respect to any threat or action for which notice has been given under paragraph (c) for purposes of indemnification. The Company and the Purchaser agree that it would not be just and equitable if contribution pursuant to this Section 8.3 were determined solely by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this paragraph. Notwithstanding the provisions of this Section 8.3, no Purchaser shall be required to contribute any amount in excess of the amount by which the difference between the amount such Purchaser paid for the Securities that were sold pursuant to the Registration Statement and the amount received by such Purchaser from such sale exceeds the amount of any damages that such Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Purchasers' obligations to contribute pursuant to this Section 8.3 are several and not joint.

27

8.4 DELAY IN FILING OR EFFECTIVENESS OF REGISTRATION STATEMENT. If the Registration Statement is not filed by the Company with the Commission on or prior to the Filing Date, then for each day following the Filing Date, until but excluding the date the Registration Statement is filed, or if the Registration Statement is not declared effective by the Commission by the Required Effective Date, then for each day following the Required Effective Date, until but excluding the date the Commission declares the Registration Statement effective, the Company shall, for each such day, pay the Purchaser with respect to any such failure, as liquidated damages and not as a penalty, an amount equal to 0.0333% of the purchase price paid by such Purchaser for its Securities pursuant to this Agreement; and for any such day, such payment shall be made no later than the first Business Day of the calendar month next succeeding the month in which such day occurs. If the Purchaser shall be prohibited from selling Registrable Securities under the Registration Statement as a result of a suspension of more than thirty (30) consecutive days or sixty (60) days in any 12-month period (a "SUSPENSION"), then for each day on which a Suspension is in effect that exceeds the maximum allowed period for a Suspension or Suspensions, but not including any day on which a Suspension is lifted, the Company shall pay the Purchaser, as liquidated damages and not as a penalty, an amount equal

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

to 0.0333% of the purchase price paid by such Purchaser for its Securities pursuant to this Agreement for each such day, and such payment shall be made no later than the first Business Day of the calendar month next succeeding the month in which such day occurs. For purposes of this Section 8.4, a Suspension shall be deemed lifted on the date that notice that the Suspension has been lifted is delivered to the Purchaser pursuant to Section 9 of this Agreement. Any payments made pursuant to this Section 8.4 shall not preclude the Purchaser from pursuing any equitable remedy for such events. Notwithstanding the foregoing provisions, in no event shall the Company be obligated to pay any liquidated damages pursuant to this Section 8.4 (i) to more than one Purchaser in respect of the same Securities for the same period of time or (ii) in an aggregate amount greater than 10% of the proceeds received by it from the Purchaser for the Shares. The payment of any liquidated damages shall be made to the Purchaser in cash.

SECTION 9. BROKER'S FEE. The Purchaser acknowledges that the Company intends to pay to the Placement Agent a fee and issue to the Placement Agent warrants (the "PLACEMENT AGENT WARRANTS") in respect of the sale of the Securities to the Purchaser. The Purchaser and the Company agree that the Purchaser shall not be responsible for such fee and that the Company will indemnify and hold harmless the Purchaser and each Purchaser/Affiliate against any losses, claims, damages, liabilities or expenses, joint or several, to which such Purchaser or Purchaser/Affiliate may become subject with respect to such fee. Each of the parties hereto represents that, on the basis of any actions and agreements by it, there are no other brokers or finders entitled to compensation in connection with the sale of the Securities to the Purchaser.

28

This Agreement is to be construed in accordance with and governed by the internal laws of the State of New York without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of New York to the rights and duties of the parties. Each of the Company and the Purchaser submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement and the transactions contemplated hereby. EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS AGREEMENT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.

30

SECTION 19. PARTIES. This Agreement is made solely for the benefit of and is binding upon the Purchaser and the Company and to the extent provided in Section 8.3, any person controlling the Company or the Purchaser, the officers and directors of the Company, and their respective executors, administrators, successors and assigns and subject to the provisions of Section 8.3, no other person shall acquire or have any right under or by virtue of this Agreement, PROVIDED, that the Purchaser and the Company hereby agree that the Placement Agent is an intended third party beneficiary of, and is entitled to rely upon, the representations of the Company made in this Agreement. The term "successor and assigns" shall not include any subsequent purchaser, as such purchaser, of the Securities sold to the Purchaser pursuant to this Agreement.

varying prices determined at the time of sale, or at negotiated prices.

The selling shareholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the ordinary shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;

- short sales effected after the date the registration statement of which this Prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the selling shareholders to sell a specified number of such ordinary shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The selling shareholders may, from time to time, pledge or grant a security interest in some or all of the ordinary shares owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the ordinary shares, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The selling shareholders also may transfer the ordinary shares in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

11

In connection with the sale of ordinary shares or interests therein, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the ordinary shares in the course of hedging the positions they assume. The selling shareholders may also sell ordinary shares short and deliver these securities to close out their short positions, or loan or pledge ordinary shares to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of ordinary shares offered by this prospectus, which ordinary shares such

broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling shareholders from the sale of ordinary shares offered by them will be the purchase price of the ordinary shares less discounts or commissions, if any. Each of the selling shareholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of ordinary shares to be made directly or through agents. We will not receive any of the proceeds from this offering. Upon any exercise of the warrants by payment of cash, however, we will receive the exercise price of the warrants.

The selling shareholders also may resell all or a portion of the ordinary shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

The selling shareholders and any underwriters, broker-dealers or agents that participate in the sale of ordinary shares or interests therein may be "underwriters" within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the ordinary shares may be underwriting discounts and commissions under the Securities Act. Selling shareholders who are "underwriters" within the meaning of Section 2(11) of the Securities Act will be subject to any applicable prospectus delivery requirements of the Securities Act.

To the extent required, the ordinary shares to be sold, the names of the selling shareholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the ordinary shares may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states ordinary shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

12

We have advised the selling shareholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of ordinary shares in the market and to the activities of the selling shareholders and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling shareholders for the purpose of satisfying any applicable prospectus delivery requirements of the Securities Act. The selling shareholders may indemnify any broker-dealer that participates in transactions involving the sale of the ordinary shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the selling shareholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the ordinary shares offered by this prospectus.

THIS WARRANT IS ONE OF A SERIES OF SIMILAR WARRANTS ISSUED PURSUANT TO, AND CAPITALIZED TERMS USED AND NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS SET FORTH IN, THAT CERTAIN PURCHASE AGREEMENT (THE "PURCHASE AGREEMENT"), DATED MAY 18, 2006, BETWEEN THE COMPANY AND THE PURCHASERS SIGNATORY THERETO.

1. TITLE TO WARRANT. Prior to the Termination Date and subject to compliance with applicable laws and Section 7 of this Warrant, this Warrant and all rights hereunder are transferable, in whole or in part, at the office or agency of the Company by the Holder in person or by duly authorized attorney, upon surrender of this Warrant together with the Assignment Form annexed hereto properly endorsed. Any transfer of the Warrant may only be consummated in compliance with all applicable securities laws.

2. AUTHORIZATION OF SHARES. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

3. EXERCISE OF WARRANT.

(a) Exercise of the purchase rights represented by this Warrant may be made at any time or times on or after the Initial Exercise Date and on or before the Termination Date by the surrender of this Warrant and the Notice of Exercise Form annexed hereto duly executed, at the office of the Company's wholly-owned U.S. subsidiary, VocalTec Communications, Inc., at 1732 Southampton Drive Carrollton, TX 75007 (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of such Holder appearing on the books of the Company) and upon payment of the Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or by means of a cashless exercise pursuant to Section 3(c), the Holder shall be entitled to receive a certificate for the number of Warrant Shares so purchased. At 5:00 P.M., New York City time on the Termination Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value, regardless of whether this Warrant shall be returned to the Company. Certificates for shares purchased hereunder shall be delivered to the Holder within three (3) Business Days after the date on which this Warrant shall have been exercised as aforesaid. This Warrant shall be deemed to have been exercised and such certificate or certificates shall be deemed to have been issued, and the Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised by payment to the Company of the Exercise Price and all taxes required to be paid by the Holder, if any, pursuant to Section 5 prior to the issuance of such shares, have been paid. If, in connection with the exercise of this Warrant, a Holder shall make a sale or transfer of Warrant Shares either (x) pursuant to Rule 144(k) under the Securities Act or (y) pursuant to a registration statement, and in each case shall have delivered to the Company (1) this Warrant, (2) either (A) a representation letter in customary form that Rule 144(k) applies to the Warrant Shares or (B) a written statement by the Holder that such Holder has sold the Warrant Shares represented hereby in accordance with the Plan of Distribution contained in the registration statement; (3) in the event clause (2)(B) above is applicable, confirmation from the Company that sales are permitted under the registration statement at that time; and (4) in the event clause (2)(B) above is applicable and the Company has previously notified the Holder in writing that the Company does not satisfy the conditions specified in Rule 172 under the Securities Act, confirmation from the Holder that it has complied with any prospectus delivery requirement in connection with such sale (the date on which the Company receives all of the items listed in clauses (1), (2), (3) and (4) being the "SHARE DELIVERY DATE") and (1) the Company shall fail to deliver or cause to be delivered to such Holder a certificate representing such Warrant Shares that is free from all restrictive or other legends by the third trading day following the Share Delivery Date and (2) following such third trading day after the Share Delivery Date and prior to the time such Warrant Shares are received free from restrictive legends, the Holder, or any third party on behalf of

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

such Holder or for the Holder's account, purchases (in an open market transaction or otherwise) Ordinary Shares to deliver in satisfaction of a sale by the Holder of such Warrant Shares (a "Buy-In"), then the Company shall pay in cash to the Holder (for costs incurred either directly by such Holder or on behalf of a third party) the amount by which the total purchase price paid for Ordinary Shares as a result of the Buy-In (including brokerage commissions, if any) exceeds the proceeds received by such Holder as a result of the sale to which such Buy-In relates. The Holder shall provide the Company written evidence with respect to the amounts payable to the Holder in respect of the Buy-In.

2

(b) If this Warrant shall have been exercised in part, the Company shall, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to Holder a new Warrant evidencing the rights of Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant. Each new warrant evidencing the Warrant so transferred shall bear the restrictive legend set forth herein.

(c) If at any time after the Initial Exercise Date the Registration Statement ceases to be effective or is unavailable for resales of Warrant Shares for any reason, this Warrant may also be exercised by, or, if this Warrant is not exercised by the Holder prior to the Termination Date, then on the Termination Date this Warrant will be exercised by, means of a "cashless exercise" in which the Holder shall be entitled to receive a certificate for the number of Warrant Shares equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

- (A) = the closing price of the Ordinary Shares on the Nasdaq Capital Market or any other stock exchange on which the Ordinary Shares shall then be listed on the Business Day immediately preceding the date of such election;
- (B) = the Exercise Price of the Warrants, as may be adjusted hereunder; and
- (X) = the total number of Ordinary Shares covered by this Warrant for which the Holder has surrendered purchase rights at such time for cashless exercise (including both shares to be issued to the Holder and shares as to which the purchase rights are to be canceled as payment therefor).

4. NO FRACTIONAL SHARES OR SCRIP. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which Holder would otherwise be entitled to purchase upon such exercise, the Company shall pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price.

3

5. CHARGES, TAXES AND EXPENSES. Issuance of certificates for Warrant Shares

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such certificate, all of which taxes and expenses shall be paid by the Company, and such certificates shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrant in a name other than that of the Holder and the Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof; and further provided, however, that in the event certificates for Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder; and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto.

6. CLOSING OF BOOKS. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

7. TRANSFER, DIVISION AND COMBINATION.

(a) Subject to compliance with any applicable securities laws and the conditions set forth in Section 1 hereof and to the provisions of Section 8.2 of the Purchase Agreement, this Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the office of the Company's wholly-owned U.S. subsidiary, VocalTec Communications, Inc., at 1732 Southhampton Drive Carrollton, TX 75007, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. The acceptance of the new Warrant by the assignee thereof shall be deemed the acceptance by such assignee of all of the rights and obligations of a holder of a Warrant, and such assignee shall be subject to the terms and conditions of the Purchase Agreement, including, without limitation, the restrictions on transfer set forth in the Purchase Agreement. A Warrant, if properly assigned, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued. Each new warrant evidencing the Warrant so transferred shall bear the restrictive legend set forth herein to the extent required under applicable securities laws.

(b) This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company's wholly-owned U.S. subsidiary, VocalTec Communications, Inc., at 1732 Southhampton Drive Carrollton, TX 75007, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 7(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. Each new warrant evidencing the Warrant so transferred shall bear the restrictive legend set forth herein to the extent required under applicable securities laws.

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

(c) The Company shall prepare, issue and deliver at its own expense (other than transfer taxes) the new Warrant or Warrants under this Section 7.

(d) The Company agrees to maintain, at its aforesaid office, books for the registration of transfer of the Warrants.

8. NO RIGHTS AS SHAREHOLDER UNTIL EXERCISE. This Warrant does not entitle the Holder to any voting rights or other rights as a shareholder of the Company prior to the exercise hereof. Upon the surrender of this Warrant and the payment of the aggregate Exercise Price (or by means of a cashless exercise), the Warrant Shares so purchased shall be and be deemed to be issued to such Holder as the record owner of such shares as of the close of business on the later of the date of such surrender or payment.

9. LOSS, THEFT, DESTRUCTION OR MUTILATION OF WARRANT. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

10. SATURDAYS, SUNDAYS, HOLIDAYS, ETC. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a Saturday, Sunday or a legal holiday, then such action may be taken or such right may be exercised on the next succeeding day not a Saturday, Sunday or legal holiday.

11. ADJUSTMENTS OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The number and kind of securities purchasable upon the exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time upon the happening of any of the following. In case the Company shall (i) pay a dividend in Ordinary Shares or make a distribution in Ordinary Shares to holders of its outstanding Ordinary Shares, (ii) subdivide its outstanding Ordinary Shares into a greater number of shares, (iii) combine its outstanding Ordinary Shares into a smaller number of Ordinary Shares, or (iv) issue any shares of its capital stock in a reclassification of the Ordinary Shares, then the number of Warrant Shares purchasable upon exercise of this Warrant immediately prior thereto shall be adjusted so that the Holder shall be entitled to receive the kind and number of Warrant Shares or other securities of the Company which it would have owned or have been entitled to receive had such Warrant been exercised in advance thereof. Upon each such adjustment of the kind and number of Warrant Shares or other securities of the Company which are purchasable hereunder, the Holder shall thereafter be entitled to purchase the number of Warrant Shares or other securities resulting from such adjustment at an Exercise Price per Warrant Share or other security obtained by multiplying the Exercise Price in effect immediately prior to such adjustment by the number of Warrant Shares purchasable pursuant hereto immediately prior to such adjustment and dividing by the number of Warrant Shares or other securities of the Company resulting from such adjustment. An adjustment made pursuant to this paragraph shall become effective immediately after the effective date of such event retroactive to the record date, if any, for such event; provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, any such adjustment shall become effective as of the time of actual payment of such dividends or distribution.

All calculations under this Section 11 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of Ordinary Shares outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Ordinary Shares.

Notwithstanding any provision of this Section 11, no adjustment of the Exercise Price shall be required if such adjustment is less than \$0.01; provided, however, that any adjustments which by reason of this Section 11 are not required to be made shall be carried forward and taken into account for purposes of any subsequent adjustment.

12. REORGANIZATION, RECLASSIFICATION, MERGER, CONSOLIDATION OR DISPOSITION OF ASSETS. In case the Company shall reorganize its capital, reclassify its capital stock, consolidate or merge with or into another corporation (where the Company is not the surviving corporation or where there is a change in or distribution with respect to the Ordinary Shares of the Company), or sell, transfer or otherwise dispose of all or substantially all its property, assets or business to another corporation and, pursuant to the terms of such reorganization, reclassification, merger, consolidation or disposition of assets, ordinary shares of the successor or acquiring corporation, or any cash, shares of stock or other securities or property of any nature whatsoever (including warrants or other subscription or purchase rights), in addition to or in lieu of ordinary shares of the successor or acquiring corporation ("OTHER PROPERTY"), are to be received by or distributed to the holders of Ordinary Shares of the Company, then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the number of ordinary shares of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and Other Property receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a holder of the number of ordinary shares for which this Warrant is exercisable immediately prior to such event. For purposes of this Section 12, "ordinary shares of the successor or acquiring corporation" shall include capital stock of such corporation of any class which is not preferred as to dividends or assets over any other class of stock of such corporation and which is not subject to redemption and shall also include any evidences of indebtedness, shares of stock or other securities which are convertible into or exchangeable for any such stock, either immediately or upon the arrival of a specified date or the happening of a specified event and any warrants or other rights to subscribe for or purchase any such stock. The foregoing provisions of this Section 12 shall similarly apply to successive reorganizations, reclassifications, mergers, consolidations or disposition of assets.

13. VOLUNTARY ADJUSTMENT BY THE COMPANY. The Company may at any time during the term of this Warrant reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.

14. NOTICE OF ADJUSTMENT. Whenever the number of Warrant Shares or number

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

or kind of securities or other property purchasable upon the exercise of this Warrant or the Exercise Price is adjusted, as herein provided, the Company shall give notice thereof to the Holder, which notice shall state the number of Warrant Shares (and other securities or property) purchasable upon the exercise of this Warrant and the Exercise Price of such Warrant Shares (and other securities or property) after such adjustment, setting forth a brief statement of the facts requiring such adjustment and setting forth the computation by which such adjustment was made.

15. NOTICE OF CORPORATE ACTION. If at any time:

(a) the Company shall take a record of the holders of its Ordinary Shares for the purpose of entitling them to receive a dividend or other distribution, or any right to subscribe for or purchase any evidences of its indebtedness, any shares of stock of any class or any other securities or property, or to receive any other right, or

(b) there shall be any capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company or any consolidation or merger of the Company with, or any sale, transfer or other disposition of all or substantially all the property, assets or business of the Company to, another corporation, or

(c) there shall be a voluntary or involuntary dissolution, liquidation or winding up of the Company;

then, in any one or more of such cases, the Company shall give the Holder (i) at least 20 days' prior written notice of the date on which a record date shall be selected for such dividend, distribution or right or for determining rights to vote in respect of any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, liquidation or winding up, and (ii) in the case of any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, dissolution, liquidation or winding up, at least 20 days' prior written notice of the date when the same shall take place; provided, however, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice. Such notice in accordance with the foregoing clause also shall specify (i) the date on which any such record is to be taken for the purpose of such dividend, distribution or right, the date on which the holders of Ordinary Shares shall be entitled to any such dividend, distribution or right, and the amount and character thereof, and (ii) the date on which any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, dissolution, liquidation or winding up is to take place and the time, if any such time is to be fixed, as of which the holders of Ordinary Shares shall be entitled to exchange their Ordinary Shares for securities or other property deliverable upon such disposition, dissolution, liquidation or winding up. Each such written notice shall be sufficiently given if addressed to Holder at the last address of Holder appearing on the books of the Company and delivered in accordance with Section 17(d).

16. AUTHORIZED SHARES. The Company covenants that during the period the Warrant is outstanding, it will reserve from its authorized and unissued Ordinary Shares a sufficient number of Ordinary Shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of

Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form 6-K

executing stock certificates to execute and issue the necessary certificates for the Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the stock market upon which the Ordinary Shares may be listed.

The Company shall not by any action, including, without limitation, amending its articles of association or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, intentionally avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be reasonably necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (a) not increase the par value of any Warrant Shares above the amount payable therefor upon exercise of the Warrant immediately prior to such increase in par value (except for an increase that will result solely from a reverse split of all of the issued and outstanding Ordinary Shares), (b) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant, and (c) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction over the Company as may be necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions therefor, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction over the Company.

17. MISCELLANEOUS.

(a) GOVERNING LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL. This Warrant shall constitute a contract under the laws of New York. This Warrant shall be governed by, and construed in accordance with, the internal laws of the State of New York, without reference to the choice of law provisions thereof. The Company and, by accepting this Warrant, the Holder, each irrevocably submits to the exclusive jurisdiction of the courts of the State of New York located in New York County and the United States District Court for the Southern District of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Warrant and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto anywhere in the world by the same methods as are specified for the giving of notices under this Warrant. The Company and, by accepting this Warrant, the Holder, each irrevocably consents to the jurisdiction of any such court in any such suit, action or proceeding and to the laying of venue in such court. The Company and, by accepting this Warrant, the Holder, each irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. EACH OF THE COMPANY AND, BY ITS ACCEPTANCE HEREOF, THE HOLDER HEREBY WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS WARRANT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.

(b) RESTRICTIONS. The exercise of the Warrant shall constitute the re-affirmation by the Holder thereof that the representations set forth in Sections 6.1, 6.2, 6.4, 6.5, 6.6 and 6.7 of the Purchase Agreement are true at the time of exercise; provided that for purposes of such reconfirmation, the words "the number of Shares and Warrants set forth in Section 2 above (and will acquire the Warrant Shares upon exercise of the Warrants)" in clause (ii) of Section 6.1 of the Purchase Agreement shall be deemed to be replaced with the words "the Warrant Shares issued upon exercise of the Warrant".

(c) NON-WAIVER AND EXPENSES. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice Holder's rights, powers or remedies, notwithstanding all rights hereunder terminate on the Termination Date. If the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

(d) NOTICES. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement; PROVIDED, that upon any permitted assignment of this Warrant, the assignee shall promptly provide the Company with its contact information.

(e) LIMITATION OF LIABILITY. No provision hereof, in the absence of any affirmative action by Holder to exercise this Warrant or purchase Warrant Shares, and no enumeration herein of the rights or privileges of Holder, shall give rise to any liability of Holder for the purchase price of any Ordinary Shares or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

(f) REMEDIES. Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

(g) SUCCESSORS AND ASSIGNS. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of all Holders from time to time of this Warrant and shall be enforceable by any such Holder or holder of Warrant Shares.

(h) AMENDMENT. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

(i) SEVERABILITY. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.
