PROXY STATEMENT

2011 ANNUAL GENERAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to the holders of ordinary shares, NIS 0.01 nominal value (the "Ordinary Shares" or "Shares"), of Camtek Ltd. ("We", "Camtek" or the "Company") in connection with the solicitation by the Board of Directors of proxies for use at the 2011 Annual General Meeting of Shareholders (the "Annual General Meeting" or the "Meeting"), or at any adjournment thereof, pursuant to the accompanying Notice of 2011 Annual General Meeting of Shareholders. The Meeting will be held on Monday, October 24, 2011 at 11:00 a.m. (Israel time), at the offices of Shibolet & Co., at the Museum Tower, 4 Berkowitz St., Tel-Aviv, Israel.

This Proxy Statement and the enclosed proxy card are being mailed to shareholders on or about September 27, 2011.

PURPOSE OF THE ANNUAL GENERAL MEETING

It is proposed that at the Annual General Meeting, resolutions be adopted as follows: (A) to amend the Articles of Association of the Company, as described in this Proxy Statement; (B) subject to the approval of item A above, to amend the letter of indemnification to be granted by the Company to each of its present and future directors and officers, as described in this Proxy Statement; (C) to re-approve the terms of employment of, and compensation to be paid to, the Company's director and Executive Vice President, Business & Strategy, Mr. Yotam Stern, who holds a controlling interest in the Company; (D) to approve the grant of options to the Company's Active Chairman of the Board, Mr. Rafi Amit, and to the Company's director and Executive Vice President, Business & Strategy, Mr. Yotam Stern - who both hold a controlling interest in the Company - pursuant to the Company's 2003 Share Option Plan; (E) to re-elect three directors to serve on the Board of Directors of the Company until the conclusion of the 2012 annual general meeting of shareholders; (F) to re-appoint Somekh Chaikin, a member firm of KPMG International, and Raveh Ravid, as the Company's joint independent auditors until the conclusion of the 2012 annual general meeting of shareholders and to authorize the Company's Board of Directors to set the annual compensation of the independent auditors, at the Audit Committee's recommendation, in accordance with the volume and nature of their services; and (G) additionally, at the Meeting, the shareholders will be provided with the opportunity to receive and consider the auditors' report and the audited consolidated financial statements for the year ended December 31, 2010 (this item will not involve a vote of the shareholders).

RECORD DATE AND VOTING RIGHTS

Only holders of record of Ordinary Shares at the close of business on September 26, 2011, the record date for determining those shareholders eligible to vote at the Meeting, will be entitled to notice of and to vote in person or by proxy at the Meeting and any adjournments or postponements thereof. At such time, each issued and outstanding Ordinary Share will be entitled to one vote upon each of the matters to be presented at the Meeting.

PROXY PROCEDURE

A form of proxy for use at the Meeting and a return envelope for the proxy are also enclosed. Shareholders may revoke the authority granted by their execution of proxies at any time before the effective exercise thereof by filing with the Company a written notice of revocation or duly executed proxy bearing a later date, or by voting in person at the Meeting. However, if a shareholder attends the Meeting and does not elect to vote in person, his/her proxy will not be revoked. If specification is made by a shareholder on the form of proxy, the Shares represented thereby will be voted in accordance with such specification. The failure to make a specification will be treated as a non-vote, which would be in essence a vote "against" any proposal that requires a majority of the quorum to approve such proposal. On all matters considered at the Meeting, abstentions will be treated as neither a vote "for" nor "against" the matter, although they will be counted in determining if a quorum is present at the Meeting.

Proxies for use at the Meeting are being solicited by the Board of Directors of the Company. Proxies are being mailed to shareholders on or about September 27, 2011, and will be solicited chiefly by mail; however, certain officers, directors, employees and agents of the Company, none of whom will receive additional compensation therefore, may solicit proxies by telephone, email or other personal contact. The Company will bear the cost for the solicitation of the proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of Shares.

QUORUM

The presence of two or more shareholders who hold in the aggregate at least 33 1/3% of the voting rights of the Company, present in person or by proxy and entitled to vote, within one half an hour from the time specified for the commencement of the Meeting, will constitute a quorum at the Meeting. If a quorum is not present within one half hour of the time specified for the commencement of the Meeting, the Meeting will be adjourned for one week to the same day, the same hour and the same place, or to a later date if so specified in the notice of the Annual General Meeting. If a quorum is not present within one half hour from the time set for the commencement of the adjourned Meeting, the Meeting will take place regardless of whether a quorum is present.

SECURITY OWNERSHIP BY CERTAIN
BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of September 1, 2011, the number of shares beneficially owned by (i) all shareholders known to the Company to own beneficially more than 5% of the Company's issued and outstanding Shares, and (ii) all directors and officers as a group.

As of the date of this Proxy Statement, the total number of options held by the persons included in the above table that are currently exercisable or exercisable within 60 days as of September 1, 2011, is 222,113.
- (2) Mr. Amit directly owns 47,310 of our ordinary shares. In addition, as a result of a voting agreement relating to a majority of Prioritech's voting equity, Mr. Amit may be deemed to control Prioritech. As a result, Mr. Amit may be deemed to beneficially own the shares of the Company held by Prioritech. Mr. Amit disclaims beneficial ownership of such shares.
- (3) Mr. Stern directly owns 107,300 of our ordinary shares. In addition, as a result of a voting agreement relating to a majority of Prioritech's voting equity, Mr. Stern may be deemed to control Prioritech. As a result, Mr. Stern may be deemed to beneficially own the shares of the Company held by Prioritech. Mr. Stern disclaims beneficial ownership of such shares.
- (4) Includes Messrs. Amit's and Stern's interest in ordinary shares beneficially owned by Prioritech. Our directors and executive officers as a group directly own 307,258 of our ordinary shares (and 222,113 options which have vested or will vest within 60 days of September 1, 2011). Each of our directors and executive officers, other than Messrs. Amit and Stern, beneficially owns less than 1% of our outstanding ordinary shares (including options held by each such person which have vested or will vest within 60 days of September 1, 2011) and have therefore not been listed separately.

ITEM A

AMENDMENT OF THE COMPANY'S ARTICLES OF ASSOCIATION

Pursuant to recent amendments to the Israeli Companies Law of 5759-1999 (the "Companies Law") and the Israeli Securities Law of 5728-1968 (the "Securities Law"), the Israeli Securities Authority is authorized to impose administrative sanctions against companies like ours and their officers and directors for certain violations of the Securities Law or the Companies Law; and the Companies Law provides that companies like ours may indemnify their officers and directors and purchase an insurance policy to cover certain liabilities, if provisions for that purpose are included in their articles of association.

The sanctions discussed in the Companies Law and the Securities Law include, inter alia, monetary sanctions and obligations to pay compensation for damages suffered by the injured persons.

The Company's Board of Directors believes that approval of such amendment to the Articles of Association is in the best interests of the Company, as it sets the legal corporate framework that will allow us to continue to be able to indemnify and insure our officers and directors to the full extent permitted by law, in accordance with the aforementioned recent amendments. Such indemnification and insurance will assist us in attracting and retaining highly qualified directors and officers who, through their efforts and expertise, can make a significant contribution to our success.

Other amendments we propose align certain requirements, including, inter alia, procedural requirements with respect to meetings of the Company's Board of Directors, to the Companies Law, pursuant to Amendment No. 16, which has recently come into effect.

The Company's Board of Directors approved, subject to the approval of the Company's shareholders, the amendments to the Company's Articles of Association (the "Articles") as set forth in Annex A hereto (marked to show the extent of the proposed amendments).

At the Meeting, shareholders will be asked to approve the amendments to the Articles as set forth in Annex A concerning, among others:

Amendment of certain procedural and other requirements, including with respect to meetings of the Company's Board of Directors, pursuant to Amendment No. 16 to the Companies Law; and

Inclusion and amendment to the Articles authorizing the Company, among other matters, to indemnify its officers and directors for and to insure them against: (i) reasonable litigation expenses, including attorney's fees, incurred in connection with a financial sanction; (ii) monetary liability imposed in favor of injured parties in administrative procedures under the Securities Law; and (iii) expenses, including reasonable litigation expenses and legal fees, incurred in relation to a proceeding instituted pursuant to the provisions of Chapter H'3 ("Imposition of Financial Sanctions by the Israeli Securities Authority"), Chapter H'4 ("Imposition of Administrative Enforcement Measures by the Administrative Enforcement Committee") or Chapter I'1 ("Arrangement for the Avoidance of taking or Cessation of Proceedings, subject to Conditions") of the Securities Law.

As a general rule, the Companies Law provides that the affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, is required to approve the amendment to the Articles. However, according to a specific provision of the Companies law, in a public company where an office holder is also a controlling shareholder, as such term is defined in the Companies Law, a resolution to include in a company's articles of association provisions allowing exemption, indemnification and insurance of office holders, requires, in addition to the majority required for amending the articles of association, the approval of the shareholders by the following special majority, in order for such resolution to be effective with respect to officers and directors who are deemed to be controlling shareholders: (i) at least 50% of the shares held by shareholders who do not have a personal interest in the matter, that are present, in person or by proxy, and voting at the Meeting, or (ii) the total number of Shares held by shareholders who do not have a personal interest in the matter and who vote against this proposal represent not more than 2% of all the voting rights in the Company. As a result of a voting agreement signed between shareholders of our parent company, Priortech Ltd. ("Priortech"), both Mr. Amit and Mr. Stern control Priortech and hence may be deemed controlling shareholders of the Company, as such term is defined in the Companies Law.

Under the Companies Law, a "personal interest" of a shareholder excludes an interest arising solely from the ownership of shares in the Company, but includes a personal interest of any of the following: (i) the shareholder's spouse or other family members; (ii) a corporation in which the shareholder (or a family member of the shareholder) holds directly or indirectly at least 5% of the equity; (iii) a corporation in which the shareholder (or a family member of the shareholder) is a director or chief executive officer; or (iv) a corporation in which the shareholder (or a family member of the shareholder) has the right to appoint at least one director or the chief executive officer. Pursuant to the Companies Law, in case a person is voting by proxy on behalf of another person, "personal interest" includes a personal interest of either the proxy holder or the shareholder granting the proxy, whether or not the proxy holder has discretion as to how to vote. If you do not have a personal interest in this matter, you may assume that using the form of proxy enclosed will not create a personal interest. All shareholders are required to indicate either on the enclosed proxy card or, if present in person at the Meeting, prior to voting, whether or not they have a personal interest in this matter.

It is proposed that at the Meeting the following resolution be adopted:

“RESOLVED, that the Articles of Association of the Company be amended as set forth in Annex A to the Notice and Proxy Statement dated September 27, 2011; and that the Company may restate the Articles of Association of the Company in accordance with such amendment.”

The Board of Directors recommends a vote FOR the approval of the proposed resolution.

ITEM B

AMENDMENT OF THE LETTER OF INDEMNIFICATION TO BE GRANTED TO THE COMPANY'S PRESENT AND FUTURE OFFICERS AND DIRECTORS

Subject to the approval by our shareholders of the amendments to the Articles, the Company's Board of Directors and Audit Committee approved, subject to the approval of the Company's shareholders, amendment of the Company's indemnification letters to be granted to each of the Company's present and future directors and officers. These revisions would extend the indemnification and insurance of our officers and directors against certain liabilities, imposed under the Companies Law and the Securities Law, including under recent amendments thereto, as discussed in item A above.

Under the Companies Law, the grant of the letter of indemnification to each of our officers and directors must be approved by our Audit Committee and our Board of Directors, and – with respect to our directors only – also by our shareholders. Further, the grant of letter of indemnification to officers and directors who hold a controlling interest in us requires the approval of the Audit Committee and Board of Directors, followed by shareholders' approval by special majority.

Our Audit Committee and Board of Directors believe that approval of the amendment of the letter of indemnification is in the best interests of the Company as it will enable the Company to attract and retain highly qualified directors and officers who, through their efforts and expertise, can make a significant contribution to the Company's success.

Provided that the amendments to our Articles, as detailed under item A above, are approved at the Meeting, shareholders will be asked to approve the amendment of the letter of indemnification to be granted to each of the Company's present and future officers and directors, in the form attached as Annex B hereto (marked to show the extent of the proposed amendments in respect of the current letter of indemnification). This form of letter of indemnification will replace the current form of letter of indemnification that was adopted by the Company's shareholders on March 9, 2000.

Hence, if the proposal under item A above is approved but the proposal under this item B is not approved, the letter of indemnification in the form attached as Annex B may be granted to each of the Company's present and future officers (but not to our directors), while the indemnification rights of our directors shall continue to be governed by the current letter of indemnification, previously approved by the shareholders on March 9, 2000.

The letter of indemnification, as proposed to be amended in the form attached as Annex B, provides, among other matters, indemnification of the Company's officers and directors for: (i) reasonable litigation expenses, including attorney's fees, incurred as a result of an investigation or proceeding instituted by a competent authority, which concluded without the filing of an indictment and without the imposition of any financial liability in lieu of criminal proceedings, or which concluded without the filing of an indictment but with the imposition of a financial liability in lieu of criminal proceedings concerning a criminal offense that does not require proof of criminal intent or in connection with a financial sanction (the phrases "proceeding concluded without the filing of an indictment" and "financial liability in lieu of criminal proceeding" shall have the meaning ascribed to such phrases in section 260(a)(1a) of the Companies Law); (ii) monetary liability imposed in favor of injured parties in administrative procedures under the Securities Law; and (iii) expenses, including reasonable litigation expenses and legal fees, incurred in relation to a proceeding instituted pursuant to the provisions of Chapter H'3 ("Imposition of Financial Sanctions by the Israeli Securities Authority"), Chapter H'4 ("Imposition of Administrative Enforcement Measures by the Administrative Enforcement Committee") or Chapter I'1 ("Arrangement for the Avoidance of taking or Cessation of Proceedings, subject to Conditions") of the Securities Law.

The Company's Audit Committee and Board of Directors further determined that the indemnification undertaking is limited to those events which are foreseeable in light of the Company's activities at the time such undertaking is granted, and that the total aggregate indemnification amount that the Company is obligated to pay to all of its directors and officers, for all matters and circumstances described in the letter of indemnification, as proposed to be amended in the form attached as Annex B, shall not exceed an amount equal to twenty five percent (25%) of the shareholders' equity at the time of the indemnification. Such maximum indemnification amount shall be in addition to and exclusive of any amounts paid under the Company's D&O Insurance Policy, as shall be in effect from time to time.

The letter of indemnification will continue to provide our directors and officers with an exemption from any liability for damages caused as a result of a breach of their duty of care to the Company, to the fullest extent permitted by law.

The letter of indemnification is intended to complement the indemnity protection available under applicable law and any policies of insurance the Company may maintain.

As a general rule, the Companies Law provides that the affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, is required to approve the amendment to the letter of indemnification. However, according to a specific provision of the Companies Law, in order for such resolution to be effective with respect to officers and directors who are deemed to be controlling shareholders, such vote shall also include (i) at least 50% of the shares held by shareholders who do not have a personal interest in the matter, that are present, in person or by proxy, and voting at the Meeting, or (ii) the total number of Shares held by shareholders who do not have a personal interest in the matter and who vote against this proposal represent not more than 2% of all the voting rights in the Company. As a result of a voting agreement signed between shareholders of Priortech, both Mr. Amit and Mr. Stern control Priortech and hence may be deemed controlling shareholders of the Company, as such term is defined in the Companies Law. Hence, the aforementioned special majority is required in order for the Company to be able to grant the amended letter of indemnification to each of them.

For clarification, unless both items A and B are approved by special majority, the indemnification rights of Messrs. Amit and Stern shall continue to be governed by the current letter of indemnification, previously approved by the shareholders on March 9, 2000. If both items A and B are approved by special majority, Messrs. Amit and Stern shall be entitled to receive the new form letter of indemnification.

It is proposed that at the Meeting, subject to the approval of item A above, the following resolution be adopted:

“RESOLVED, that the Company's letter of indemnification be amended as set forth in Annex B to the Notice and Proxy Statement dated September 27, 2011; and that the Company shall grant such letter of indemnification to each of the Company's present and future directors.”

The Board of Directors recommends a vote FOR the approval of the proposed resolution.

ITEM C

REAPPROVAL OF THE TERMS OF EMPLOYMENT OF, AND COMPENSATION TO BE PAID TO, THE COMPANY'S DIRECTOR AND EXECUTIVE VICE PRESIDENT, BUSINESS & STRATEGY, MR. YOTAM STERN, WHO HOLDS A CONTROLLING INTEREST IN THE COMPANY

Under a previously approved employment structure, Mr. Yotam Stern acts for the Company as Executive Vice President – Business & Strategy on a 60% time basis, while his annual salary is set at \$85,000. Mr. Stern is also entitled to receive a yearly bonus in a sum of up to \$72,000. The entitlement and amount of the yearly bonus shall be set by the Company's Compensation Committee at the end of each calendar year in accordance with the Company's achievements measured against criteria determined annually by the Compensation Committee.

Pursuant to a certain amendment included in Amendment No. 16 to the Companies Law, which became effective mid May 2011 (the "Effective Date"), all transactions of the Company concerning the terms of employment of controlling shareholders, who also serve as officers of the Company, must be determined not less frequent than every three years. Nevertheless, according to a transitional provision, such transactions already approved by the shareholders prior to the Effective Date will be considered approved until the latest of: (1) mid November 2011, being the end of six months following the Effective Date; or (2) the first annual general meeting of shareholders held after the Effective Date; or (3) the end of three years following the date of prior approval of the transaction. As Mr. Stern is deemed, together with others, to control us, and considering the fact that his terms of employment were last approved by our shareholders in May 2005, in accordance with the above-mentioned transitional provision, his terms of employment should be re-approved by the shareholders by mid November and therefore, are brought before shareholders in the Meeting.

For clarification, all of Mr. Stern's employment terms will remain in effect in accordance with the current Employment Agreement between Mr. Stern and the Company, including changes as abovementioned, which were previously approved by our Shareholders in May 2005, to be effective as of September 1, 2004.

The Companies Law provides that the compensation of directors, whether as directors, officers or consultants, requires the approval of the Audit Committee and Board of Directors, followed by shareholders' approval, in that order. This includes cash compensation as well as compensation in other forms.

In accordance with the provisions of the Companies Law, the Company's Audit Committee and Board of Directors (with Mr. Stern and Mr. Amit, who is also deemed to control us as a result of his control, together with Mt. Stern and others, of Priortech, not participating) resolved to reapprove the current employment and compensation structure for Mr. Stern going forward, for a term of three years, subject to the approval of the Company's Annual General Meeting.

As Mr. Stern holds a controlling interest in the Company, the Companies Law requires a special shareholders' vote for approval of his compensation: the affirmative vote of holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, which shall also include (i) at least 50% of the shares held by shareholders who do not have a personal interest in the matter, that are present, in person or by proxy, and voting at the Meeting, or (ii) the total number of shares held by Shareholders who do not have a personal interest in the matter and who vote against this proposal represent not more than 2% of the voting rights in the Company.

It is proposed that at the Meeting, the following resolution be adopted:

“RESOLVED, that the current employment and compensation structure of our Vice President Business & Strategy, Mr. Yotam Stern, be re-approved.”

The Board of Directors recommends a vote FOR the re-approval of the employment and compensation structure for Mr. Stern. As Mr. Stern has a personal interest in the foregoing proposed resolution, Mr. Stern has refrained from making a recommendation with respect to such resolution.

ITEM D

APPROVAL OF THE GRANT OF OPTIONS TO THE COMPANY'S ACTIVE
CHAIRMAN OF THE BOARD, MR. RAFI AMIT, AND TO THE COMPANY'S
DIRECTOR AND EXECUTIVE VICE PRESIDENT, BUSINESS & STRATEGY, MR.
YOTAM STERN – WHO BOTH HOLD A CONTROLLING INTEREST IN THE
COMPANY – PURSUANT TO THE COMPANY'S 2003 SHARE OPTION PLAN

On October 28, 2003, the Company adopted the 2003 Share Option Plan for the grant of options, each of which imparts the right to an Ordinary Share of the Company, to its selected employees, officers, directors and consultants of the Company.

Mr. Rafi Amit is Camtek's Active Chairman of the Board. Mr. Yotam Stern serves as our director as well as our Executive Vice President, Business & Strategy. As a result of a voting agreement signed between shareholders of Priortech, both Mr. Amit and Mr. Stern control Priortech and hence may be deemed controlling shareholders of the Company, as such term is defined in the Companies Law.

The Companies Law provides that the compensation of directors, whether as directors, officers or consultants, requires the approval of the Audit Committee and Board of Directors, followed by shareholders' approval, in that order. This includes compensation in the form of options.

The Company's Audit Committee and Board of Directors have approved in separate resolutions, each dated January 23, 2011, subject to the ratification and approval of the shareholders, the grant of 50,000 options to Mr. Rafi Amit and the grant of 30,000 options to Mr. Yotam Stern, effective as of the date of such resolutions, i.e. January 23, 2011 (the "Grant Date"), pursuant to the Company's 2003 Share Option Plan, with: (i) an exercise price of \$3.76 per each option, being the closing price of the Share on the Nasdaq Stock Market on the date immediately preceding the resolutions' date (January 22, 2011); and (ii) a vesting period of four years, 1/2 to vest on the second anniversary of the Grant Date, and each 1/8 of the remaining options to vest at the end of each 3 subsequent months following the second anniversary of the Grant Date. Both the Audit Committee and Board of Directors have taken into consideration, when resolving to grant the options to Messrs. Amit and Stern, subject to shareholders' approval, the fact that the Company did not grant options and/or restricted stock units (RSUs) to either of them for many years. Further, the proposed numbers of options are in line with the numbers of options approved by the Company for grant to other senior members of the Company's management.

As both Mr. Amit and Mr. Stern hold a controlling interest in the Company, the Companies Law requires a special shareholders' vote for approval of their grant of options: the affirmative vote of holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, which shall also include (i) at least 50% of the shares held by shareholders who do not have a personal interest in the matter, that are present, in person or by proxy, and voting at the Meeting, or (ii) the total number of shares held by Shareholders who do not have a personal interest in the matter and who vote against this proposal represent not more than 2% of the voting rights in the Company.

It is proposed that at the Meeting, the following resolution be adopted:

"RESOLVED, that the grant of 50,000 and 30,000 options to Messrs. Rafi Amit and Yotam Stern, respectively, be approved, effective as of January 23, 2011, pursuant to the Company's 2003 Share Option Plan, as approved by the Audit Committee and the Board of Directors pursuant to their respective resolutions dated January 23, 2011."

ITEM E

RE-ELECTION OF DIRECTORS

Pursuant to the Articles, the Board of Directors shall consist of no less than five (5) and no more than ten (10) directors. The number of directors who presently serve as members of the Board of Directors is five.

Of the five directors, three directors are considered independent directors under the Nasdaq Marketplace Rules ("Nasdaq Rules"), two of whom were re-elected to serve another three year term as external directors, as required under the Companies Law, at the 2009 annual general meeting of shareholders. Further, under the Companies Law, our Board of Directors is required to determine the minimum number of directors who must have "accounting and financial expertise" (as such term is defined in regulations promulgated under the Companies Law). Our Board of Directors has determined that it will include at least two directors who have such "accounting and financial expertise". Our Board of Directors has determined that Mr. Rafi Amit, Mr. Yotam Stern, Mr. Eran Bendoly and Ms. Gabriela Heller have the requisite "accounting and financial expertise".

Directors of the Company, who are not appointed to serve as external directors under the Companies Law, commence serving upon their appointment by our shareholders and until the conclusion of the next annual general meeting of shareholders.

The three directors of the Company who are not external directors are nominated for reelection to the Board of Directors, following the recommendation of such nominees to the Board by the Company's independent directors in accordance with Nasdaq Rules (Mr. Eran Bendoly, one of the three nominees, is considered an independent director under the Nasdaq Rules and did not participate in the recommendation with respect to his nomination). The following is a brief biography of the three, based upon the records of the Company and information furnished to it by them:

Rafi Amit is serving as our Active Chairman of the Board of Directors since August 2010. Mr. Amit has served as our Chief Executive Officer from January 1998 until August 2010 and has served as Chairman of the Board of Directors since 1987 and until April 2009. Since 1981, Mr. Amit has also served as the President and director of Priortech and has been the Chairman of the Board of Directors of Priortech since 1988. The Company has received declarations from all three nominees, confirming their qualifications under the Companies Law to be elected as directors of the Company.

In the event that any of the nominees is unable to serve, the proxies will be voted for the election of such other person as shall be determined by the persons named in the proxy for such purpose, in accordance with their best judgment. The Company is not aware of any reason why any of the nominees, if elected, would be unable to serve as a director. The Company does not have any understanding or agreement with respect to the future election of any of the nominees.

The Companies Law provides that the compensation of directors, whether as directors, officers or consultants, requires the approval of the Audit Committee and Board of Directors, followed by shareholders' approval, in that order. Our directors, who are not external directors (within the meaning of the Companies Law), receive compensation as provided in regulations adopted under the Companies Law, except that Messrs. Rafi Amit and Yotam Stern do not receive any additional compensation for their service as our directors. Our Audit Committee and Board of Directors have determined, in separate resolutions adopted in 2008, that the payment of a director's fee to all of our directors, who are not external directors, currently serving or who will be serving as directors from time to time, will be equal to the fixed statutory amount set forth in the Companies Regulations (Rules regarding Compensation and Expenses of an External Director) – 2000. As said fixed statutory amount does not exceed the maximum amount set forth in the above-mentioned regulations, such resolutions were exempt from shareholders' approval, in accordance with the Israeli Companies Regulations (Relief from Related Party Transactions) – 2000.

The affirmative vote of the holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, is required to re-elect Messrs. Rafi Amit, Yotam Stern and Eran Bendoly to the Board of Directors of the Company.

It is proposed that at the Meeting, the following resolution be adopted:

“RESOLVED, that Mr. Rafi Amit, Mr. Yotam Stern and Mr. Eran Bendoly shall be re-elected to the Board of Directors of the Company, each of them for a term ending on the conclusion of the Annual General Meeting of 2012.”

The Board of Directors recommends a vote FOR the approval of the proposed resolution.

ITEM F

RE-APPOINTMENT OF INDEPENDENT AUDITORS

The Companies Law and the Articles provide that a certified accountant be appointed as an independent auditor of the Company at the annual general meeting of the shareholders of the Company, and that the independent auditor serves in this position until the conclusion of the following annual general meeting, or until such later time as determined at the annual general meeting, provided that the auditor shall serve no longer than until the end of the third annual general meeting after the annual general meeting in which such auditor was appointed. An independent auditor who has completed a period of appointment as aforesaid may be reappointed. The Company may appoint several auditors to conduct the audit jointly. In the event the position of an auditor has become vacant and the Company does not have an additional auditor, the Board of Directors shall convene a special meeting of shareholders as soon as possible to appoint an auditor.

The Audit Committee recommends the reappointment of Somekh Chaikin, a member firm of KPMG International, and Raveh Ravid as joint independent auditors of the Company until immediately following the next annual general meeting of shareholders. Somekh Chaikin, a member firm of KPMG International, was first appointed as the Company's independent auditor at the 2006 annual general meeting of shareholders. Raveh Ravid was first appointed as the Company's independent auditor at the 2010 annual general meeting of shareholders (instead of the Company's former auditor, Baker Tilly, Horowitz Idan Goldstein Sabo Tevet). Although the two firms will serve as joint auditors, Somekh Chaikin, a member firm of KPMG International, will be a sole auditor for all SEC filings and reporting.

The following is the aggregate amount of fees paid by the Company to its principal auditor, Somekh Chaikin, for its services to the Company for the fiscal year ended December 31, 2010:

Audit fees..... \$230,000.

The affirmative vote of holders of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter, is necessary for the reappointment of Somekh Chaikin and Raveh Ravid as joint independent auditors of the Company, and for authorizing the Board of Directors, following the Audit Committee's recommendation, to determine the auditors' fees for the term of their appointment.

It is proposed that at the Meeting, the following resolution be adopted:

“RESOLVED, (i) to re-appoint Somekh Chaikin, a member firm of KPMG International, and Raveh Ravid, as joint independent auditors of the Company until the conclusion of the 2012 annual general meeting of shareholders, while Somekh Chaikin will be a sole auditor for all SEC filings and reporting; and (ii) to authorize the Board of Directors of the Company to determine the fees for Somekh Chaikin and Raveh Ravid, at the Audit Committee's recommendation, for the term of their appointment, according to the nature and volume of their services.”

The Board of Directors recommends a vote FOR the approval of the proposed resolution.
