Press Release

Eltek Has Supplied \$1.6 Million Orders to a Strategic Customer

The orders were supplied in 2016.

The Company's scaled-up manufacturing process supports high volume production of technologically advanced solutions.

PETACH-TIKVA, Israel, September 20, 2016 - Eltek Ltd. (NASDAQ: ELTK), a global manufacturer and supplier of technologically advanced solutions in the field of Printed Circuit Boards(PCBs), announced today that since January 2016 it has supplied approximately US\$ 1.6 million of technologically advanced solutions to a strategic customer. The customer selected Eltek because of its capability to produce high performance and reliable solutions. These orders are in addition to \$300,000 of such PCBs supplied to this customer in the fourth quarter of 2015.

Mr. Yitzhak Nissan, Chairman of the Board and Chief Executive Officer, commented: "Eltek developed an advanced technological manufacturing process that allowed us to win these orders. This solution uses complex processes, including vias copper filling and meticulous testing to ensure the high quality and reliability of the PCBs. Eltek is now able to support a large volume of this type of technologically advanced orders. Having been chosen by a leading customer to supply these orders confirms Eltek's competitive advantages. We are confident that our ability to offer top grade solutions to companies with complicated technological requirements will lead to additional high-end orders in the future," Mr. Nissan concluded.
