

Item 2.02. Results of Operations and Financial Condition.

As further discussed in Item 8.01 below, on April 17, 2017, Cardiovascular Systems, Inc. (the “Company”) issued a press release regarding a voluntary recall action, including an expected charge of \$1.5 million to be incurred in the third quarter of fiscal 2017, reflecting its current estimate of the costs associated with the action. The Company indicated that the recall and related charge do not have an adverse effect on third quarter revenue and net loss guidance provided by the Company on January 25, 2017.

Item 8.01. Other Events.

On April 17, 2017, the Company issued a press release announcing a voluntary recall of its 7-10014 Saline Infusion Pump. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
