Businesses outlined for disposal

Appendix 2 Businesses outlined for disposal

To comply with EC State Aid requirements the Group agreed to make a series of divestments by the end of 2013: the disposal of RBS Insurance, Global Merchant Services and its interest in RBS Sempra Commodities JV. The Group also agreed to dispose of its RBS England and Wales and NatWest Scotland branch-based businesses, along with certain SME and corporate activities across the UK ('UK branch-based businesses'). The disposals of Global Merchant Services and RBS Sempra Commodities JV businesses have now effectively been completed.

The sale of the Group's UK branch-based businesses to Santander UK plc continues to make good progress and is expected to substantially complete in the fourth quarter of 2012, subject to regulatory approvals and other conditions.

The disposal of RBS Insurance, the base case plan for which is by way of a public flotation, is targeted to commence in the second half of 2012, subject to market conditions. External advisors have been appointed to assist the Group with the disposal and the process of separation is proceeding on plan. In the meantime, the business continues to be managed and reported as a separate core division.

The table below shows total income and operating profit of RBS Insurance and the UK branch-based businesses.

Asset Protection Scheme

Appendix 4 Asset Protection Scheme

Covered assets: roll forward to 31 December 2011

The Group has paid Asset Protection Scheme (APS) premiums totalling £2,225 million (£125 million in 2011, £700 million in 2010 and £1,400 million in 2009). From 31 December 2011, premiums of £125 million are payable quarterly until the earlier of 2099 and the date the Group leaves the Scheme.

The table below shows the movement in covered assets.

	Covered amount £bn
Covered assets at 31 December 2010	194.7
Disposals	(4.1)
Maturities, amortisation and early repayments	(33.2)
Effect of foreign currency movements and other adjustments	(1.6)
Covered assets at 30 September 2011	155.8
Disposals	(1.2)
Maturities, amortisation and early repayments	(9.2)
Withdrawals	(12.4)
Effect of foreign currency movements and other adjustments	(1.2)
Covered assets at 31 December 2011	131.8

Key points

- The reduction in covered assets was due to run-off of the portfolio, disposals, early repayments and maturing loans.

- The Group continues to take advantage of market conditions and execute sales from a number of its portfolios.
- During the last quarter of 2011, the Group withdrew £12.4 billion of covered assets with a lower than average risk profile from the APS.

Credit impairments and write-downs

The table below analyses the credit impairment provision (adjusted for write-downs) and adjustments to par value (including available-for-sale reserves) relating to covered assets.

	31 December 2011 £m	30 September 2011 £m	31 December 2010 £m
Loans and advances	20,586	20,407	18,033
Debt securities	10,703	11,079	11,747
Derivatives	3,056	3,023	2,043
	34,345	34,509	31,823
Core	7,626	8,061	6,646
Non-Core	26,719	26,448	25,177
	34,345	34,509	31,823

Key points

- The increase in Non-Core impairments of £1.5 billion accounted for the majority of the increase in credit impairments and write-downs in 2011.
- The increase in Core is largely accounted for by impairments offset by asset withdrawals.

Divisional reorganisation

Divisional reorganisation

Organisational change

In January 2012, the Group announced changes to its wholesale banking operations in light of a changed market and regulatory environment. The changes will see the reorganisation of the Group's wholesale businesses into 'Markets' and 'International Banking' and the exit and downsizing of selected activities. The changes will ensure the wholesale businesses continue to deliver against the Group's strategy.

The changes will include an exit from cash equities, corporate brokering, equity capital markets and mergers and acquisitions businesses. Significant reductions in balance sheet, funding requirements and cost base in the remaining wholesale businesses will be implemented.

Existing GBM and GTS divisions will be reorganised as follows:

- The 'Markets' business will maintain its focus on fixed income, with strong positions in debt capital raising, securitisation, risk management, foreign exchange and rates. It will serve the corporate and institutional clients of all Group businesses
- GBM's corporate banking business will combine with the international businesses of our GTS arm into a new 'International Banking' unit and provide clients with a 'one-stop shop' access to the Group's debt financing, risk management and payments services. This international corporate business will be self-funded through its stable corporate deposit base.
- The domestic small and mid-size corporates currently served within GTS will be managed within RBS's domestic corporate banking businesses in the UK, Ireland (Ulster Bank) and the US (US Retail and Commercial).

Our wholesale business will be retaining its international footprint to ensure that it can serve our customers' needs globally. We believe, that despite current challenges to the sector, wholesale banking services can play a central role in supporting cross border trade and capital flows, financing requirements and risk management and we remain committed to this business.

Going forward the Group will comprise the following segments:

- Retail and Commercial
 - UK Retail
 - UK Corporate
 - Wealth
 - US Retail and Commercial
 - Ulster Bank
 - International Banking
- Markets
- RBS Insurance
- Group Centre
- Core
- Non-Core

Revised allocation of Group Treasury costs

The Group is also refining the way that Group Treasury costs are allocated. It is in the process of revising prior period information to reflect these changes and further details will be published ahead of the Group's Q1 2012 Interim Management Statement.
