Item 5. Other

Effective August 14, 2003, we entered into an amendment to our existing senior credit facility. A copy of the amendment is filed as exhibit 99.1 hereto.

The amendment, among other things, (i) increases the portion of the facility available for letters of credit from \$175 million to \$250 million, (ii) increases the portion of the facility available for borrowings by one of our Canadian subsidiaries from \$75 million to \$100 million, (iii) gives us greater flexibility to make acquisitions, (iv) allows us to make certain internal organizational changes to facilitate tax planning and (v) allows us to exclude, up to specified limits, charges related to store closings for purposes of calculating certain ratios. The amendment does not change the overall size of the facility, the applicable interest rates or the financial covenants (except to permit the exclusion of certain charges as described above).
