Captaris, Inc. ( Captaris ) and its wholly-owned subsidiary MediaTel Corporation (Delaware) ( MediaTel ) entered into an asset purchase agreement dated September 15, 2003 to sell the assets of MediaLinq, an outsourced division of Captaris operated by MediaTel, to Xpedite Systems, Inc. ( Xpedite ). MediaLinq provides outsourced e-document delivery services, primarily consisting of a broadcast fax and permission e-mail service, and including permission and e-mail delivery, fax broadcast, fax merge, fax on demand, MortgageExpress, Travel Express, WebLinq, and MediaLinqClient services. Under the terms of the asset purchase agreement among Captaris, MediaTel and Xpedite, the purchase price paid by Xpedite is \$15 million, subject to a post-closing net working capital adjustment, and the assumption of certain liabilities. The terms of the asset purchase agreement and the purchase price were determined by negotiations between the parties.

Concurrent with the sale transaction, Captaris and Xpedite also entered into license and reseller agreements under which Captaris will license its fax to mail technology to Xpedite in return for minimum compensation of \$2 million over a three-year period, and the parties will cooperate in providing mutual resale opportunities for each other's products and services.

Prior to these transactions, there were no material relationships between Xpedite and Captaris or between Xpedite and any of Captaris' affiliates, directors or officers, or any associate of any such director or officer.

Copies of the asset purchase agreement and the press release announcing the transactions are filed as Exhibits 2.1 and 99.1, respectively, to this Report on Form 8-K.
