**IMPORTANT NOTICE TO
ALL MONY STOCKHOLDERS**

February 6, 2004

In just a few short weeks, MONY stockholders will meet to vote on the proposed merger with AXA Financial, Inc.

If the merger is completed, you will receive \$31.00 in cash for each of your MONY shares - a 25.3% premium to MONY's average closing stock price over the one year period ending on the date of the merger's announcement.

MONY believes that: **(1) the \$31.00 per share merger price represents full and fair value for MONY stockholders and (2) if the merger is not approved, the market price of MONY common stock is likely to decline.**

Your Board of Directors and management believe the merger with AXA Financial is in your best interests. Therefore, we ask that you take the time to vote your shares today.

Your vote is extremely important, regardless of how many shares you own. **If you have not already done so, please complete, sign and date your WHITE proxy voting FOR adoption of the merger and mail it promptly, using the postage-paid return envelope provided.** Time is short, so please act today.

***** CAUTION *****

Edgar Filing: MONY GROUP INC - Form DEFA14A

A handful of investors, including a Wall Street hedge fund manager called Highfields, have criticized the AXA Financial merger. In essence, these investors were hoping for a better offer. **Yet, more than four months after the merger with AXA Financial was first announced, no other offer or realistic alternative for MONY has emerged.**

Last week, Highfields issued a letter to MONY stockholders in the form of a press release criticizing the proposed AXA Financial transaction. We urge you to remember that, unlike your Board of Directors, hedge funds like Highfields have no legal obligation to look out for your interests.

Criticism of the AXA Financial merger proposal is, in our opinion, misguided and ignores all of the important reasons to support the merger. **WE URGE YOU NOT TO SIGN OR RETURN ANY OF THE DOCUMENTS SENT TO YOU BY HEDGE FUND MANAGERS LIKE HIGHFIELDS.**

PLEASE VOTE TODAY

Your Board of Directors remains unanimous in its conviction that AXA Financial's \$31.00 per share cash offer represents full and fair value for your shares. **We urge you to sign, date and mail your enclosed WHITE proxy card voting FOR adoption of the merger proposal today.** Please remember that a failure to vote or an abstention will have the same effect as a vote against the merger proposal.

Forward-looking statements are subject to many risks and uncertainties. Actual results could differ materially from those anticipated by forward-looking statements due to a number of important factors including the following: satisfaction of the closing conditions set forth in the merger agreement among MONY, AXA Financial, Inc., and AIMA Acquisition Co., including approval of MONY's shareholders and regulatory approvals; a significant delay in the expected completion of the contemplated merger; MONY could experience losses, including venture capital losses; MONY could be subjected to further downgrades by rating agencies of our senior debt ratings and the claims-paying and financial-strength ratings of our insurance subsidiaries; MONY could be required to take a goodwill impairment charge relating to its investment in Advest if the market deteriorates; MONY could have to accelerate amortization of deferred policy acquisition costs if market conditions deteriorate; MONY could be required to recognize in its earnings other than temporary impairment charges on its investments in fixed maturity and equity securities held by it; MONY could have to write off investments in certain securities if the issuers' financial condition deteriorates; recent improvements in the equities markets may not be sustained into the future; actual death-claim experience could differ from MONY's mortality assumptions; MONY could have liability from as-yet-unknown litigation and claims; larger settlements or judgments than we anticipate could result in pending cases due to unforeseen developments; and changes in laws, including tax laws, could affect the demand for MONY's products.
