AGILE SOFTWARE CORPORATION

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 8:00, a.m. on September 21, 2004

General

The enclosed proxy is solicited by the Board of Directors of Agile Software Corporation (the Company or Agile) for use at the Annual Meeting of Stockholders of the Company to be held at 8:00 a.m., Pacific Time, on September 21, 2004, at the Company's offices at 6373 San Ignacio Avenue, San Jose, CA 95119-1200, and at any adjournment or postponement thereof.

This Proxy Statement and the accompanying proxy card are first being mailed to the stockholders of the Company on or about August 17, 2004.

Outstanding Securities and Voting Rights

Only holders of record of the Company's common stock, par value \$0.001 per share (the Common Stock), at the close of business on July 30, 2004, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, the Company had 52,514,420 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of Common Stock present in person or represented by proxy constitutes a quorum for the transaction of business at the Annual Meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Proxy Voting

Shares that are properly voted via the Internet or by telephone or for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted FOR the election of each of the nominees to the Board named herein, and FOR the ratification of the appointment of the Company's independent auditors. It is not expected that any matters other than the election of Directors and the ratification of the appointment of the Company's independent auditors will be brought before the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

Voting by Telephone or Internet

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares of Common Stock are represented by certificates or book entries in your name

Table of Contents

so that you appear as a stockholder on the records of the Company's stock transfer agent, Equiserve, a proxy card for voting those shares will be included with this Proxy Statement. By following the instructions on your proxy card, you may vote those shares either via the Internet at www.eproxyvote.com/agil or by telephone, within the United States and Canada only, by calling 1-877-PRX-VOTE (1-877-779-8683). Voting via the Internet or by telephone is the most cost effective method of voting and assists the Company in reducing postage and proxy tabulation costs. Alternatively, you may vote those shares by completing, signing, and returning the proxy card in the enclosed envelope.

If you own shares in street name, meaning that your shares of Common Stock are held by a bank or brokerage firm, you may instead receive a voting instruction form with this Proxy Statement that you may use to instruct your bank or brokerage firm how to vote your shares. As with a proxy card, you may vote your shares by completing, signing, and returning the voting instruction form in the envelope provided. Alternatively, if your bank or brokerage firm has arranged for Internet or telephonic voting of shares, you may vote by following the instructions for using those services on the voting instruction form. If your bank or brokerage firm uses ADP Investor Communication Services, you may vote your shares via the Internet at www.proxyvote.com or by calling the telephone number on your voting instruction form.

Attendance and Voting at the Annual Meeting

If you own Common Stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card, via the Internet or by telephone. If you own Common Stock in street name, you may attend the Annual Meeting but in order to vote your shares at the meeting you must obtain a legal proxy from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to learn how to obtain a legal proxy. We encourage you to vote your shares in advance of the Annual Meeting by one of the methods described above, even if you plan on attending the Annual Meeting. If you have already voted prior to the meeting, you may nevertheless change or revoke your vote at the Annual Meeting in the manner described below.

Revocation

If you own Common Stock of record you may revoke a previously granted proxy at any time before it is voted by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any stockholder owning Common Stock in street name may change or revoke previously given voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

We have a classified Board of Directors consisting of two Class I directors, two Class II directors and two Class III directors, who will serve until the annual meetings of stockholders to be held in 2006, 2004 and 2005, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting dates.

The terms of the Class II directors will expire on the date of the 2004 annual meeting. Accordingly, at the meeting two persons are to be elected to serve as Class II directors of the Board of Directors. Management's nominees for election by the stockholders to those two positions are the current Class II members of the Board of Directors, Ms. Nancy Schoendorf and Mr. Ronald E. F. Codd. If elected, the nominees will serve as directors until our annual meeting of stockholders in 2007 and until their successors are elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as we may designate.

Vote Required and Recommendation of the Board of Directors

If a quorum is present and voting, the two nominees for Class II director receiving the highest number of votes will be elected as Class II directors. Abstentions and broker non-votes have no effect on the vote.

The Board of Directors recommends a vote FOR the nominees named below. Unless marked otherwise, proxies received will be voted FOR election of these nominees.

Board Meetings and Committees

The Board meets regularly during the year and holds special meetings and acts by unanimous written consent whenever circumstances require. The Board of Directors held six meetings and took action by unanimous written consent two times during the fiscal year ended April 30, 2004. All Directors attended at least 75% of the aggregate of the meetings of the Board and committees of which they were members.

The Board has established an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. The Committees are responsible to the full Board. The functions performed by these Committees, which are set forth in more detail in their charters, are summarized below.

Table of Contents

Audit Committee. The members of the Audit Committee are Ronald E. F. Codd, Chair, Klaus-Dieter Laidig and Nancy Schoendorf. Each of the members of the Audit Committee are independent for purposes of the Nasdaq Marketplace Rules as they apply to audit committee members. Mr. Codd is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission. The functions of the Audit Committee include retaining our independent auditors, reviewing their independence, reviewing and approving the planned scope of our annual audit, reviewing and approving any fee arrangements with our auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing our critical accounting policies and reviewing and approving any related party transactions. The Audit Committee held 12 meetings during the fiscal year ended April 30, 2004.

Compensation Committee. The members of the Compensation Committee are Nancy Schoendorf, Chair and Paul Wahl. Each of the members of the Compensation Committee is independent for purposes of the Nasdaq Marketplace Rules. The Compensation Committee sets the salary and bonus earned by the Chief Executive Officer, reviews and approves salary and bonus levels for other executive officers and is responsible for administering our stock option plans including granting stock options to officers and directors of the Company. The Compensation Committee held six meetings and took action by unanimous written consent three times during the fiscal year ended April 30, 2004.

Nominating and Governance Committee. The members of the Nominating and Governance Committee are Gareth Chang, Chair, Ronald E. F. Codd and Klaus-Dieter Laidig. Each of the members of the Nominating and Governance Committee is independent for purposes of the Nasdaq Marketplace Rules. The Nominating and Governance Committee considers qualified candidates for appointment and nomination for election to the Board of Directors and makes recommendations concerning such candidates, develops corporate governance principles for recommendation to the Board of Directors and oversees the regular evaluation of our directors and management. The Nominating and Governance Committee held two meetings during the fiscal year ended April 30, 2004.

Director Nominations

Stockholders may nominate one or more persons for election as directors at a meeting only if timely notice of such nomination(s) has been given in writing to our Secretary in accordance with our Bylaws. The complete description of the requirements for stockholder nomination of director candidates is contained in the Bylaws. In summary, assuming (i) we held an annual meeting the previous year and (ii) the date of the next meeting is within 30 days of the date of the meeting for the previous year, a stockholder desiring to nominate one or more candidates for election at the next annual meeting must submit written notice of such nomination to the Corporate Secretary at least 120 days in advance of the one year anniversary of the date that we released our proxy statement in connection with the annual meeting held in the previous year. For our annual meeting in the year 2005, we must receive this notice on or before April 19, 2005. You can obtain a copy of the full text of the Bylaw provision by writing to the Corporate Secretary, 6373 San Ignacio Avenue, San Jose, CA 95119-1200.

The Nominating and Governance Committee will consider any nominee proposed by stockholders. The Nominating and Governance Committee has not established any minimum criteria for service as a director, and may consider such factors as it may deem to be in the best interests of Agile and its stockholders. The Nominating and Governance Committee does, however, believe it appropriate for at least one member of the Board of Directors to meet the criteria for an audit committee financial expert as defined by SEC rules, and that a majority of the members of the Board of Directors should meet the definition of independent director under the Nasdaq rules. The Nominating and Governance Committee has also generally felt it was appropriate for the CEO to participate as a member of the Board of Directors. The Nominating and Governance Committee will evaluate whether the nominee's skills are complementary to the existing Board members' skills, and the Board's needs for operational, management, financial, international, technological or other expertise.

Table of Contents

Stockholders nominating candidates for election as directors are also required to provide the following information with respect to their nominees:

the stockholder's name and address;

a representation that the stockholder is a stockholder of record on the date of the nomination;

a representation that the stockholder intends to appear in person or by proxy at the annual meeting to nominate the person(s) specified in the notice;

a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder;

any other information relating to each nominee that would be required to be disclosed in a proxy statement filed pursuant to the SEC's proxy rules; and

the consent of each nominee to serve as a director if so elected.

The Board of Directors has not determined whether it needs to adopt any formal policies with respect to the consideration by the Nominating and Governance Committee of recommendations by stockholders of director candidates. Evaluation of any such recommendations is the responsibility of the Nominating and Governance Committee under its charter. In the event of any stockholder recommendations, the Nominating and Governance Committee would evaluate the person recommended in the same manner as other persons considered by that committee. After reviewing the materials submitted by a stockholder, if the Nominating and Governance Committee believes that the person merits additional consideration, the Committee (or individual members) would interview the potential nominee and conduct appropriate reference checks. The Nominating and Governance Committee would then determine whether to recommend to the Board of Directors that the Board nominate and recommend election of such person at the next annual meeting.

If any member of the Board of Directors is not interested in continuing to serve or if the Board of Directors determines that there is a need for directors with different skills or perspectives, the members of the Board of Directors are polled to determine if they know of potential candidates meeting these criteria. We have not required the services of third parties to identify potential nominees, although we reserve the right to retain a search firm in the future, if necessary.

Communications with Directors

Agile stockholders who want to communicate with the Board or any individual Director can write to:

Agile Software Corporation

Attention: Corporate Secretary

Edgar Filing: AGILE SOFTWARE CORP - Form DEF 14A

6373 San Ignacio Avenue

San Jose, CA 95119-1200

Your letter should indicate that you are an Agile stockholder. Depending on the subject matter, management will:

Forward the communication to the Director or Directors to whom it is addressed;

Attempt to handle the inquiry directly, for example where it is a request for information about the company or it is a stock-related matter; or

Not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

Table of Contents**Director Attendance at Annual Meetings**

Agile encourages, but does not require, its board members to attend the annual stockholders meeting. Last year, Bryan Stolle attended the annual stockholders meeting. We expect that at least a majority of our directors will attend the 2004 annual stockholders meeting.

Committee Charters and Other Corporate Governance Materials

The Board has adopted a charter for each of the committees described above. The Board has also adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors. The Code of Business Conduct and Ethics is available on our website at www.agile.com/corporate/legal. We intend to disclose future amendments to our Code of Business Conduct and Ethics, as well as any waivers thereof, on our website to the extent permissible by the rules and regulations of the SEC and any exchange upon which our stock may be listed. Please note that the information on our website is not incorporated by reference in this Proxy Statement.

Director Compensation

Our directors do not receive any cash compensation for their services as directors but are reimbursed for reasonable travel expenses incurred in attending meetings of the Board of Directors. In addition, since May 1, 2003, board members are compensated for their committee participation. Board members serving on our Board committees are compensated on an annual retainer (paid quarterly) for the committee and role as set forth below:

<u>Committee</u>	<u>Chairman</u>	<u>Committee Member</u>
Audit	\$ 50,000	\$ 20,000
Compensation	\$ 20,000	\$ 10,000
Nominating and Governance	\$ 20,000	\$ 10,000

Our directors are eligible to participate in our 1995 Stock Option Plan, and employee-directors are able to participate in our 1995 Stock Option Plan, 1999 Employee Stock Purchase Plan, and 401(k) plan. Options granted to our non-employee directors are not intended to qualify as incentive stock options under the Internal Revenue Code. Each of our non-employee directors are automatically granted an option to purchase 100,000 shares of our Common Stock upon initial election to the Board of Directors. Each non-employee director that has served as a director for at least six months as of May 1 of each year is automatically granted, on May 1 of each year, an option to purchase 25,000 shares of our Common Stock. All options granted automatically to our non-employee directors have an exercise price per share equal to the fair market value of a share of our Common Stock on the date of grant. Initial option grants vest in 48 equal monthly installments beginning on the date of grant. Annual option grants vest monthly, in 12 equal monthly installments beginning 37 months after the date of grant. All non-employee director options automatically vest in full upon a change-in-control of Agile. A director whose service ceases for any reason may exercise the vested portion of any options within 12 months following such termination. All options granted to non-employee directors expire 10 years following the date of grant.

During the fiscal year ended April 30, 2004, we granted options to purchase 100,000 shares of our Common Stock to each of Messrs. Chang and Codd, and options to purchase 25,000 shares of our Common Stock to each of Messrs. Laidig and Wahl and to Ms. Schoendorf.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

Stock Option Plans

Options granted to our employees, including our executive officers, under our 1995 Stock Option Plan and our 2000 Nonstatutory Stock Option Plan provide for 18 months of accelerated vesting upon a change-in-control event in which the employee is involuntarily terminated within 18 months after the change-in-control, as defined by the individual's stock option agreement. Options granted to any employee under each of our option plans prior to April 2001, and options granted to certain of our executive officers after such date, become exercisable and vested in full upon a change-in-control event in which the employee is involuntarily terminated within 18 months after the change-in-control. All options so accelerated remain exercisable for the lesser of the remaining term of the option or one year after the effective date of the involuntary termination. In addition, vesting of all outstanding options will accelerate in full upon a change-in-control unless the successor corporation assumes the option or replaces it with a cash incentive program that preserves for the option holder the excess of the underlying shares' value at the time of the transaction over the exercise price, with payment to be made over the same vesting schedule.

Executive Retention and Severance Plan

We maintain the Executive Retention and Severance Plan (the "ERSP"), which provides certain severance and other benefits in connection with a Change-in-Control (as defined below) to our officers and key employees designated by the Board or the Compensation Committee. At present, the ERSP covers all our executive officers and certain key employees. The ERSP may not be terminated or amended in any way without a supplemental written agreement between any affected participant and Agile.

Under the ERSP, a Change-in-Control means the occurrence of any of the following: (i) any person, entity or group becomes the beneficial owner of 50% or more of either our then outstanding Common Stock or the combined voting power of our then outstanding securities entitled to vote generally in the election of directors; or (ii) we are party to a merger or consolidation, which results in the holders of our voting securities outstanding immediately prior thereto failing to retain immediately after such merger or consolidation direct or indirect beneficial ownership of more than 50% of the total combined voting power of the securities entitled to vote generally in the election of our directors or in the surviving entity outstanding immediately after such merger or consolidation; or (iii) the sale or disposition of all or substantially all of our assets or consummation of any transaction having similar effect (other than a sale or disposition to one or more of our subsidiaries); or (iv) a change in the composition of our Board within any consecutive two-year period as a result of which fewer than a majority of the directors are Incumbent Directors (as defined in the ERSP).

If, during the applicable Change-in-Control Period (as described below), a participant's employment is terminated other than for Cause (as defined in the ERSP) or by the participant for Good Reason (as defined in the ERSP), any such terminations of employment being referred to as a Termination upon a Change-in-Control, then, provided that the participant executes a prescribed release of claims against us, the participant will be entitled to certain payments and benefits described below, in addition to all compensation and benefits earned by the participant through the date of the participant's termination of employment. The applicable Change-in-Control Period commences on the consummation of a Change-in-Control and ends on the date which is 18 months following the Change-in-Control.

On a Termination upon a Change-in-Control, an ERSP participant will receive a lump sum cash severance payment in an amount equal to the sum of (x) one-half of the participant's annual base salary immediately prior to termination or, if higher, immediately prior to the Change-in-Control, plus (y) one-half of the greatest of (1) the aggregate of all bonuses earned by the participant for the fiscal year immediately preceding the fiscal year of the Change-in-Control, (2) the aggregate of all bonuses earned by the participant for the fiscal year immediately

preceding the fiscal year of the participant's Termination Upon a Change-in-Control, or (3) the aggregate of all

Table of Contents

annual bonuses that would be earned by the participant at the targeted annual rate (assuming attainment of 100% of all applicable performance goals) for the fiscal year of the participant's Termination Upon a Change-in-Control.

Following a participant's Termination upon Change-in-Control, the ERSP also provides that we will provide the participant with continued health and other group insurance benefits for the participant's benefit period after the participant's Termination upon Change-in-Control. The participant will also be indemnified by us to the fullest extent permitted under applicable law, as set forth in the ERSP. In addition, if any payment or benefit received or to be received by any participant pursuant to the ERSP or otherwise (Payments) would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then the ERSP provides that compensation and benefits payable upon a Change-in-Control will be determined in a manner that produces the greatest after-tax benefit for the employee. Accordingly, in some instances a small reduction in payments may be made to an amount just below the safe harbor threshold in order to produce a greater after-tax benefit to the executive by avoiding the payment of the excise tax on the value of the benefits.

The ESRP does not alter the treatment of options under our existing stock option plans. For a discussion of the treatment of options under existing plans in the event of a change in control, see Stock Option Plans above.

The ERSP provides that all participants will continue to abide by the terms of the confidentiality and/or proprietary rights agreement between the participant and us. In addition, following a participant's Termination upon a Change-in-Control, for a period equal to a participant's benefit period, the participant may not solicit or offer employment to any of our employees.

P R O P O S A L N O . 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee of the Board of Directors of Agile has selected PricewaterhouseCoopers LLP as independent auditors to audit the consolidated financial statements of Agile for the fiscal year ending April 30, 2005. PricewaterhouseCoopers LLP has acted in such capacity since our incorporation in 1995. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

The following table sets forth the aggregate fees billed to Agile for the fiscal years ended April 30, 2003 and 2004 by PricewaterhouseCoopers LLP:

	Fiscal 2003	Fiscal 2004
	<u> </u>	<u> </u>
Audit Fees (1)	\$ 287,000	\$ 477,000
Audit-Related Fees (2)	\$ 56,000	\$ 267,000
Tax Fees (3)	\$ 102,000	\$ 157,000

- (1) Audit Fees consist of fees billed for professional services rendered for the audit of our consolidated annual financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by PricewaterhouseCoopers LLP in connection with statutory and regulatory filings or engagements, and annual or other periodic reports at international locations. The substantial increase in Audit Fees during fiscal 2004 was primarily a result of post-acquisition audit services rendered with respect to Eigner US Inc. which we acquired in August 2003.

Table of Contents

- (2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees. This category includes fees related to accounting consultations and due diligence in connection with acquisitions, including our acquisition of Eigner and consultations concerning financial accounting and reporting standards, including Sarbanes-Oxley compliance. The increase in audit-related fees from fiscal 2003 to fiscal 2004 is primarily due to the work performed in connection with our acquisition of Eigner US Inc. in August 2003.
- (3) Tax Fees consist of fees billed for professional services rendered for tax compliance, tax advice and tax planning (domestic and international). These services include assistance regarding federal, state and international tax compliance, acquisitions and international tax planning, and preparation of federal, state and foreign tax returns.
- (4) We did not engage PricewaterhouseCoopers LLP or pay or incur fees for fiscal 2003 or 2004 for services other than those reported in the categories above.

Audit Committee Pre-Approval Policies and Procedures

Representatives of PricewaterhouseCoopers LLP normally attend each meeting of the Audit Committee of the Board of Directors. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by PricewaterhouseCoopers LLP as well as the fees charged by PricewaterhouseCoopers LLP for such services. All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of the performance of such services on the auditors' independence. The Audit Committee has considered the role of PricewaterhouseCoopers LLP in providing its audit, audit-related and non-audit services to Agile and has concluded that such services are compatible with PricewaterhouseCoopers' independence as Agile's auditors.

Vote Required and Board of Directors Recommendation

Although neither our Bylaws, nor other applicable documents nor law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors, the Board of Directors has determined to submit the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. In the event that the stockholders do not approve the selection of PricewaterhouseCoopers LLP, the Board of Directors will reconsider whether or not to retain PricewaterhouseCoopers LLP, and will review its future selection of auditors. Approval of this proposal requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal at the annual meeting, as well as the presence of a quorum representing a majority of all outstanding shares of Common Stock of the Company, either in person or by proxy. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

The Board of Directors unanimously recommends a vote FOR the appointment of PricewaterhouseCoopers LLP as our independent auditors for the fiscal year ending April 30, 2005.

These amounts represent certain hypothetical gains based on assumed rates of appreciation, based on SEC rules, and do not represent Agile's estimate or projection of future prices of Agile common stock. Material Features of the 2000 Plan

As of April 30, 2004, we had reserved 19,500,000 shares of Common Stock for issuance under the 2000 Plan. The 2000 Plan is administered by the Compensation Committee and provides for the grant of nonstatutory stock options and stock awards to employees (excluding officers and directors) and consultants at exercise or purchase prices determined by the Compensation Committee. Options granted under the 2000 Plan

Edgar Filing: AGILE SOFTWARE CORP - Form DEF 14A

generally have a 10-year term and vest at the rate of 20% of the shares on the first anniversary of the date of grant and 1/60th of the shares monthly thereafter.

Options granted under the 2000 Plan provide for 18 months of accelerated vesting upon a change-in-control event in which the optionee is involuntarily terminated within 18 months after the change-in-control, as defined

by the individual's stock option agreement. Options granted to certain of our executive officers become exercisable and vested in full upon a change-in-control event in which the employee is involuntarily terminated within 18 months after the change-in-control. All options so accelerated remain exercisable for the lesser of the remaining term of the option or one year after the effective date of the involuntary termination. In addition, vesting of all outstanding options will accelerate in full upon a change-in-control unless the successor corporation assumes the option or replaces it with a cash incentive program that preserves for the option holder the excess of the underlying shares' value at the time of the transaction over the exercise price, with payment to be made over the same vesting schedule.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the fiscal year ended April 30, 2004, we were not a party to any transaction or series of transactions involving \$60,000 or more and in which any director, executive officer or holder of more than 5% of our capital stock had a material interest, other than (i) the Executive Severance and Retention Plan described under "Employment Contracts, Termination of Employment and Change-in-Control Arrangements" above and (ii) amounts paid to an aircraft charter company indirectly owned by Mr. Stolle as described below.

We have entered into indemnity agreements with certain employees, officers and directors that provide, among other things, that we will indemnify such employee, officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as an employee, officer, director or other agent with us, and otherwise to the fullest extent permitted under Delaware law and our Bylaws.

We have used and reimbursed an aircraft charter company operating an aircraft that is indirectly owned by Mr. Bryan Stolle, our Chairman and Chief Executive Officer, and his spouse. The total amount paid to the charter company for the use of the aircraft during the fiscal year ended April 30, 2004 was approximately \$140,000.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than 10% of our Common Stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and greater-than-10% stockholders were complied with.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors administers Agile's executive compensation program. In this regard, the role of the Compensation Committee, which is comprised entirely of outside, non-employee directors, is to review and approve salaries and other compensation of Agile's executive officers and determine the performance-based compensation of its executive officers. The Compensation Committee also reviews and approves various other compensation policies and matters for Agile, and administers its stock option plans, including the review and approval of stock option grants to the executive officers. Limited authority to grant stock options to non-officer employees has been delegated to Mr. Stolle. The members of the Compensation Committee during the fiscal year ended April 30, 2004 were Ms. Schoendorf and Mr. Wahl.

General Compensation Philosophy

Agile's general compensation philosophy is that total compensation should vary with its performance in attaining financial and non-financial objectives, and that any long-term incentive compensation should be closely aligned with the interests of the stockholders. Agile has a performance-based compensation program in which the majority of its employees not compensated on a commission basis are eligible to participate. Total cash compensation for the majority of Agile employees, including its executive officers, consists of the following components:

Base salary; and

A variable cash component that is based on performance objectives.

In addition to encouraging stock ownership by granting stock options, Agile further encourages its employees to own Agile stock through a tax-qualified employee stock purchase plan, which is generally available to all employees. This plan allows participants to buy Agile stock at a discount to the market price with up to 10% of their salary and bonuses, subject to limits on the number and value of shares an individual may purchase.

Setting Executive Compensation

The goal of Agile's executive officer compensation policy is to attract, retain and reward executive officers who contribute to Agile's success, to align executive officer compensation with its performance and to motivate executive officers to achieve its business objectives. In setting the base salary and performance-based compensation targets for executive officers, the Compensation Committee reviews information relating to executive compensation of U.S.-based companies that it considers generally comparable to Agile. While no specific formula is used to set pay in relation to this market data, executive officer base salaries generally are slightly below the average salaries for similar positions in comparable companies. However, when Agile's business groups meet or exceed certain predetermined financial and non-financial goals, amounts paid under its performance-based compensation programs may lead to total cash compensation levels that are higher than the average salaries for such comparable positions.

The Compensation Committee has considered the provisions of Section 162(m) of the Internal Revenue Code and related Treasury Department regulations, which restrict the deductibility of compensation paid to Agile's chief executive officer and each of the four other most highly

Edgar Filing: AGILE SOFTWARE CORP - Form DEF 14A

compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any such officer in any year and does not qualify for an exception under the statute or regulations. Income from options granted under Agile's stockholder-approved stock options would generally qualify for an exemption from these restrictions so long as the options are granted by a committee whose members are non-employee directors and have an exercise price not less than the fair market value of the shares on the date of grant. The Compensation Committee expects that these requirements will generally be satisfied to the extent consistent with Agile's compensation objectives. The Compensation Committee does not believe that, in general, other components of Agile's compensation will be likely to exceed \$1,000,000 for any executive officer in the foreseeable future and therefore concluded that no further action with respect to qualifying such compensation for deductibility was necessary at this time. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for deductibility in full. The Compensation Committee's policy is to qualify Agile's executive compensation for deductibility under applicable tax laws to the extent consistent with its compensation objectives.

Table of Contents

Base Salary

The Compensation Committee reviews the history of and proposals for the compensation package of each of Agile's executive officers, including base salary and performance-based compensation components. In accordance with Agile's compensation philosophy that total cash compensation should vary with its performance as a company, the Compensation Committee establishes base salaries of Agile executive officers at levels which the Compensation Committee believes are below the average base salaries of executives in similar positions at companies considered to be comparable to Agile, making a large part of each executive officer's total compensation dependent on his or her performance as measured through its performance-based compensation programs.

Performance-Based Compensation

Executive Officer Performance-Based Compensation. In May 2003, the Compensation Committee established individual performance-based compensation targets ranging from \$60,000 to \$250,000 for each of the executive officers. Performance-based compensation is awarded based on four elements, each having a 25% weighting, and include a revenue goal, a profit goal, a customer satisfaction goal, and the executive officer's individual performance and achievement of personal goals. During the fiscal year ended April 30, 2004, the Compensation Committee awarded bonuses ranging between 75% and 100% of each executive officer's individual performance-based compensation target, adjusted for the amount of time the executive officer was an employee of Agile during the fiscal year.

Stock Options. The Compensation Committee strongly believes that equity ownership by executive officers provides incentives to build stockholder value and aligns the interests of executive officers with those of the stockholders, and therefore makes periodic grants of stock options under the 1995 Stock Option Plan. The size of an option grant to an executive officer has generally been determined with reference to similarly sized technology companies in Agile's geographical area, the responsibilities and expected future contributions of the executive officer and previous grants to that officer, as well as recruitment and retention considerations. In the fiscal year ended April 30, 2004, the Compensation Committee granted the following stock options to executive officers: an option to purchase 450,000 shares granted to Mr. Stolle; an option to purchase 250,000 shares granted to Mr. Fulcher; two options to purchase a total of 120,000 shares granted to Ms. Aver; and an option to purchase 50,000 shares granted to Mr. Wong. See *Options Granted in Last Fiscal Year*.

Chief Executive Compensation

Mr. Stolle's compensation as Chief Executive Officer for the fiscal year ended April 30, 2004 was established by the Compensation Committee in May 2003 in accordance with the guidelines described above. For the fiscal year ended April 30, 2004 Mr. Stolle's salary was \$250,000. In addition, Mr. Stolle has earned performance based compensation in the amount of \$266,500 including a one-time bonus in the amount of \$92,000 for the year ended April 30, 2004. Mr. Stolle was granted an option to purchase 450,000 shares of Agile Common Stock at an exercise price of \$11.05 per share, vesting in equal monthly installments over a period of thirty months beginning April 1, 2004. Under the terms of the options granted to Mr. Stolle, if he is terminated without cause during the eighteen months following a change-in-control of Agile, then vesting of the option will accelerate by 18 months. During the fiscal year ended April 30, 2002, we established a company travel plan for Mr. Stolle, wherein amounts otherwise payable to him may be irrevocably allocated to pay company-approved travel expenses in excess of those covered by Agile's travel policy (the *Travel Plan*). During the fiscal year ended April 30, 2004, the amount of \$130,000 in salary and \$234,500 in bonuses were attributable to amounts that otherwise would have been paid to Mr. Stolle in the fiscal year but were allocated to the *Travel Plan*.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees Agile's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including internal control systems. Our independent auditor, PricewaterhouseCoopers LLP is responsible for expressing an opinion as to the conformity of our audited financial statements with generally accepted accounting principles.

The Audit Committee consists of three directors each of whom, in the judgment of the Board, is an independent director as defined in the listing standards for The Nasdaq Stock Market. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors. A copy of this charter is attached to this Proxy Statement as Appendix A. The Audit Committee held 12 meetings during Fiscal 2004.

The Committee has discussed and reviewed with the auditors all matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Committee has met with PricewaterhouseCoopers LLP, with and without management present, to discuss the overall scope and plans for PricewaterhouseCoopers LLP's audit, the results of its examinations, its evaluations of Agile's internal controls and the overall quality of its accounting and financial reporting. The Audit Committee also discussed with PriceWaterhouseCoopers LLP their judgements as to the substance and clarity, not just the acceptability, of the Company's accounting principles and financial statement disclosures.

The Audit Committee has received from the auditors a formal written statement describing all relationships between the auditors and Agile that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), discussed with the auditors any relationships that may impact their objectivity and independence, and has satisfied itself as to the auditors' independence.

Based on the review and discussions referred to above, the committee recommended to the Board of Directors that Agile's audited financial statements be included in Agile's Annual Report on Form 10-K for the fiscal year ended April 30, 2004. The Audit Committee and the Board of Directors also selected, subject to stockholder approval, the selection of PriceWaterhouseCoopers LLP as Agile's independent accountants for Fiscal 2005.
