ITEM 8.01 OTHER EVENTS

On August 26, 2004 we announced financial results for our second quarter ended July 31, 2004.

We added approximately 288,000 total subscriptions in the second quarter, more than triple the number we added in same quarter of last year. In the past twelve months, our total installed base has more than doubled to approximately 1.9 million. Of the 288,000 net new subscriptions added in the quarter, approximately 225,000 are DIRECTV with TiVo subscriptions, or about four times the number of DIRECTV with TiVo subscriptions added in the same quarter of last year. New TiVo-Owned subscription additions in the quarter were approximately 63,000, an 85% increase compared to the same quarter of last year.

Net revenues for the second quarter were \$39.8 million. Of this amount, service revenues increased 77% to \$24.3 million, compared with \$13.8 million for the same quarter last year. Net loss for the quarter was \$(10.8) million, or \$(0.13) per share, compared to a net loss of \$(4.4) million, or \$(0.07) per share, for the three months ended July 31, 2003. The increase in net loss and net loss per share for the quarter reflects our previously announced investment in subscription acquisition activities to accelerate sub growth during fiscal year 2005.

Forward-Looking Statements

This release contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements relate to, among other things, TiVo's business, services, business development, strategy, subscriptions, and future earnings and financial results. Forward-looking statements generally can be identified by the use of forward-looking terminology such as, believe, expect, may, will, intend, estimate, continue, or similar expressions or the negative of those terms or expressions. Such statements involve risks and uncertainties, which could cause actual results to vary materially from those expressed in or indicated by the forward-looking statements. Factors that may cause actual results to differ materially include delays in development, competitive service offerings and lack of market acceptance, as well as the other potential factors described under "Factors That May Affect Future Operating Results" in the Company's public reports filed with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2004, and the Quarterly Report on Form 10-Q for the quarter ended April 30, 2004. We caution you not to place undue reliance on forward-looking statements, which reflect an analysis only and speak only as of the date hereof. TiVo disclaims any obligation to update these forward-looking statements.
