The Interim Remaining Offered Shares shall be the difference between the aggregate number of Offered Shares and the aggregate number of Offered Shares estimated by the Rights Offering Coordinators to have been subscribed for at such time on the basis of the most recent figures transmitted to them by the other Portuguese financial intermediaries in the Rights Offering. Promptly upon receipt by the Underwriters of the Interim Notice, the Underwriters will submit to the Company a notice of their respective subscriptions (the **Interim Subscription Notice**) substantially in the form set forth in Annex B. The Interim Subscription Notice will confirm for each Underwriter its relevant subscription for the respective number of the Interim Remaining Offered Shares set out in such Interim Subscription Notice for each Underwriter, which shall be equal to the number of the Interim Remaining

Offered Shares times the percentage (expressed as a decimal) set forth opposite the name of each Underwriter (each such number, the **Interim Underwriter's Subscription**), *provided, however* that if an Interim Subscription Notice is not delivered to the Company or a Relevant Underwriter's Subscription (as defined below) is not submitted with respect to an Underwriter on the Subscription Date, the provisions of Section 9 will apply.

- (h) The Company shall use reasonable endeavors not later than two hours after the Rights Offering Coordinators have informed the Company of the final number of Remaining Offered Shares (the **Remaining Offered Shares**), as determined by the Rights Offering Coordinators, to notify the Underwriters in writing (the **Determination Notice**) of such number (such date, the **Determination Date**). The Determination Date is expected to occur two Business Days following the Subscription Date.
- (i) If all the Offered Shares are subscribed for pursuant to the exercise of Rights, including the Oversubscription Rights, in the Rights Offering, the obligation of the Underwriters to subscribe for the Remaining Offered Shares under this Agreement shall thereupon terminate upon the receipt by the Company of the aggregate Subscription Price for such Offered Shares without prejudice to the Underwriters' rights under subsection (b) hereof.
- (j) Promptly upon receipt of the Determination Notice, the Underwriters will submit to the Company a subscription confirmation order (the **Subscription Confirmation Order**) substantially in the form set forth in Annex C. The Subscription Confirmation Order will confirm for each Underwriter its relevant subscription for the respective number of the Remaining Offered Shares set out in the Subscription Confirmation Order for each Underwriter, which shall be equal to the number of the Remaining Offered Shares times the percentage (expressed as a decimal) set forth opposite the name of each Underwriter in Schedule I hereto (each such number, the **Relevant Underwriter's Subscription**).
- (k) The Relevant Underwriter's Subscriptions mentioned in the Subscription Confirmation Order shall be final and binding on the Company for all purposes and shall be considered as irrevocable subscriptions for such number of Remaining Offered Shares by each of the Underwriters or if a Relevant Underwriter's Subscription is not confirmed with respect to an Underwriter on the Determination Notice the provisions of Section 9 shall apply.
- (l) Simultaneously with submitting the Subscription Confirmation Order, each of the Underwriters shall deposit with a bank account opened in the name of the Company (the **Blocked Accounts**) an amount equal to the respective Relevant Underwriter's Subscription multiplied by the Subscription Price with respect to the number of Remaining Offered Shares subscribed for through each such Underwriter and shall promptly notify the Company thereof in writing (such notification being included in the Subscription Confirmation Order); provided that if any Underwriter fails to deposit an amount equal to its Relevant Underwriter's Subscription multiplied by the Subscription Price in accordance with the foregoing, the Underwriters that have so deposited shall deposit an amount equal to the amount owed by the non-depositing Underwriter pro rata to the percentages set forth in Schedule I hereto (subject to adjustment pursuant to Section 9 hereof) up to an amount corresponding to the aggregate subscription price for one-eleventh of the aggregate number of all the Offered Shares.
- (m) The Company agrees that it will not be able to transfer or withdraw, or direct the transfer of or payment from, the funds deposited by the respective Underwriters in the Blocked Accounts before confirmation by such Underwriters of receipt by them or their respective Nominee Subscribers of their respective Relevant Underwriter's

Subscription (as defined below) on the Delivery Date (as defined below). Each of the parties hereto agrees that any interest earned on the funds on deposit in the Blocked Accounts shall accrue (i) prior to the Settlement Date, to the benefit of the Underwriters in accordance with the percentage set forth opposite the name of each Underwriter in Schedule I hereto (subject to adjustment in accordance with Section 9 hereof) and (ii) as of and following the Settlement Date, to the benefit of the Company. In the event that this Agreement is terminated at a time following the deposit of funds representing the Relevant Underwriter's Subscriptions with the Blocked Accounts, but before delivery to each of the Underwriters or Nominee Subscribers of their respective Relevant Underwriter's Subscription, the Underwriters may withdraw such funds from the Blocked Accounts immediately following the termination of the Agreement.

- (n) As soon as practicable following confirmation by the CVM that settlement may occur, and in any event no later than the third Business Day following the Determination Date, unless all parties hereto agree otherwise, the Underwriters shall transfer the funds deposited in the Blocked Accounts to a designated deposit account or accounts with the Settlement Agent in satisfaction of their obligations under subsection (a) hereof; following such transfer, on the same day, the Settlement Agent will transfer the Subscription Price to a bank account designated by the Company for payment in of aggregate subscription amount in respect of the Remaining Offered Shares (such date called the **Settlement Date**). Promptly upon receipt of such amount, the Company will transfer an amount equal to the Commitment Fees, the Management Commission and Selling Commission and, if any, the Incentive Fee expenses and applicable taxes to a bank account so designated by the Joint Global Coordinators in accordance with, and in satisfaction of its obligations under subsections (b), (c) and (d) hereof.
 - (o) The subscription for the Remaining Offered Shares made by the Underwriters in the Subscription Confirmation Order in accordance with this Section 2 is governed by, and assisted with the right of substitution under, Portuguese law (*cláusula para pessoa a nomear*) which right of substitution can be exercised in favor of one or more final institutional investors (each the **Nominee Subscriber**) as defined in article 30 of the Portuguese Securities Code (*Código dos Valores Mobiliários*) prior to 17:00 hours Lisbon time on the Determination Date and, once exercised, has retroactive effects to the Subscription Date, provided that (i) the exercise of the rights of substitution shall be made by notice in writing to the Company substantially in the form of Annex D hereto (the **Substitution Notice**) prior to 17:00 hours Lisbon time on the Determination Date; (ii) the pro rata amounts of the payments made by the Underwriters are deemed to have been made for and on behalf of the Nominee Subscribers in respect of whom each substitution is being effected; and (iii) in order to be valid, the Substitution Notice shall be accompanied by a declaration of ratification from the Nominee Subscriber in the form of Annex E.
3. After the Subscription Date, the several Underwriters propose to offer the Remaining Offered Shares for sale upon the terms and conditions set forth in this Agreement. Any resale of the Remaining Offered Shares by the Underwriters or any sub-underwriters appointed by the Underwriters will be for their own account and not on behalf of the Company or any Shareholders. In the process of procuring final subscribers or of reselling Offered Shares under the terms of this Agreement, the Underwriters shall conduct the allocations in consultation with the Company.
4. (a) Issuance of the Remaining Offered Shares by the Company will be made by means of an execution of a notarial deed which shall be subsequently registered with the Commercial Registry (such execution of a notarial deed called the **Issuance**). The Company, after receiving any relevant information it has reasonably requested from

the Underwriters in connection with the Issuance, including (without limitation) (i) the name and book-entry account details of an authorized financial intermediary for each of the Nominee Subscribers, as well as copies of the relevant Substitution Notices and declarations of ratification and (ii) evidence of the deposit of funds in the Blocked Accounts pursuant to clause (i) above, shall use its best efforts to ensure that Issuance occurs on the Determination Date. In the event that Issuance does not occur on the Determination Date, the Company shall use its best efforts to ensure that Issuance occurs no later than the Settlement Date.

- (b) The Company shall deliver the Remaining Offered Shares to an account or accounts of the Underwriters or Nominee Subscribers specified in the relevant Substitution Notices, within the clearance and settlement system of the CVM (the **Delivery Date**). The Company shall use its best commercial efforts to cause the Delivery Date to be no later than (i) the Settlement Date, in the event that Issuance occurs on the Determination Date, or (ii) the Business Day immediately following the Settlement Date, in the event that Issuance occurs on the Settlement Date, *provided however*, that in the event that the Company has complied with such best commercial efforts obligation, the Company shall not be liable for any delay in the Delivery Date. The Company shall use its best commercial efforts to cause the Offered Shares to be duly admitted to listing and trading on Euronext Lisbon and the Offered ADSs on the New York Stock Exchange on the Business Day immediately following the Delivery Date.

It is understood and agreed by the parties hereto that no delivery or transfer of Offered Shares to be subscribed for hereunder on the Settlement Date shall be effective until and unless payment therefor has been made pursuant hereto.

- (c) With respect to the Offered Shares to be delivered to Nominee Subscribers hereunder on the Delivery Date, the Underwriters, in the Substitution Notice, will designate a portion thereof to be locally delivered on behalf of investors to local custodians in Portugal participating in the CVM (any reference herein to Offered Shares to be delivered by local delivery shall be deemed to refer to Offered Shares as to which such a designation has been made) and, if so agreed with the Company, another portion thereof to be delivered in the form of ADSs, to The Depository Trust Company (**DTC**). Furthermore, if so agreed with the Company, with respect to all or a portion of the Offered Shares to be issued hereunder on the Issuance Date, the Joint Global Coordinators, on behalf of the several Underwriters, may elect to have Offered ADSs delivered and paid for hereunder in lieu of, and in satisfaction of, the Company's obligation to offer to the several Underwriters, and the several Underwriters' obligations to subscribe for the Offered Shares. Notice of such election shall be given by the Joint Global Coordinators to the Company by 9:00 a.m. (London time) on the Business Day preceding the Issuance Date, or such later time as the Company may agree (the **Notification Time**).

The Offered Shares to be delivered to each of the Underwriters hereunder on the Delivery Date and, if an election has been made in accordance with the preceding paragraph, the Offered ADSs to be subscribed for by each Underwriter on the Delivery Date, shall be delivered by or on behalf of the Company, as described in the next succeeding paragraph, against payment in euro by or on behalf of the several Underwriters of the aggregate Subscription Price in accordance with Section 2 above.

Closing will occur on the day on which Issuance occurs (the

Closing Date). In particular, the Closing Date will be (i) the Determination Date, in the event that Issuance occurs on the Determination Date, or (ii) the Settlement Date, in the event that Issuance occurs on the Settlement Date. As used in this Agreement, **Business Day** shall mean each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in Lisbon, New York City and London are generally authorized or obligated by law or executive order to close.

- (xv) prior to the Delivery Date, and except as required by law, (A) not to disclose in any roadshow or other marketing exercise undertaken in connection with the Rights Offering any information not otherwise disclosed in the Disclosure Documents which is material in relation to the business, operations or financial condition of the Company and its subsidiaries, taken as a whole, or material in the context of the Rights Offering and (B) not to make any press announcement or other public disclosure of a fact, event or other occurrence that has a material impact on the business, operations or financial condition of the Company without prior consultation with the Joint Global Coordinators.

6. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Offered Shares and Offered ADSs under the Securities Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, the ADS Registration Statement, any 462(b) Registration Statement, the Disclosure Documents and amendments and supplements thereto and any mailing and delivering of copies thereof to the Underwriters and dealers; (ii) all fees, taxes and expenses in connection with the listing of the Offered Shares on Euronext Lisbon and of the Offered ADSs on the New York Stock Exchange and the registration of the Rights Offering with the CMVM, including but not limited to, the CMVM registration fee and CMVM required legal publications; (iii) all fees, taxes and expenses in connection with the execution of the Rights Offering, included but not limited to, printing and mailing of the Portuguese Offering Circular, execution and delivery of the subscription forms and other related expenses; (iv) all costs, fees and expenses arising as a result of the deposit by the Company of the Shares with the Depositary and the issuance and delivery of the Offered ADSs by the Depositary; (v) all expenses and taxes payable by the Company arising as a result of the delivery of the Offered Shares and Offered ADSs, if any, by the Company, including any Portuguese income, capital gains, withholding, value-added, transfer, registration, documentary, stamp or other tax or duty; (vi) the fees and expenses (including fees and disbursements of counsel), if any, of the Depositary and any custodian appointed under the Deposit Agreement, other than the fees and expenses to be paid by holders of ADSs (other than the Underwriters) in connection with the initial subscription for Offered ADSs; (vii) the fees and expenses of the Authorized Agent (as hereinafter defined); (viii) the cost of preparing share certificates, if any, and ADRs (if any); (ix) the cost and charges of any transfer agent or registrar; and (x) all other costs and expenses incident to the performance of the Company's obligations hereunder, including roadshows and other related marketing and publicity expenses, that are not otherwise specifically provided for in this Section 6. It is understood, however, that the Company shall not bear the cost of any other matters not directly relating to the sale and subscription for the Offered Shares and the Offered ADSs pursuant to this Agreement and that, except as provided in this Section 6 and Sections 8 and 11 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, and stock transfer taxes on resale (or, if not resold, on the subscription for) of any of the Offered Shares or Offered ADSs by them, except that the Company will pay the Joint Global Coordinators for the account of the several Underwriters all of their reasonable costs and expenses, including the fees of their counsel, and stock transfer taxes on resale (or, if not resold, on the subscription) of any of the Offered Shares or Offered ADSs by them.

7. The obligations of the Underwriters hereunder, as to the Offered Shares or the Offered ADSs to be delivered on the Delivery Date, shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company applicable according to Section 1 of this Agreement are, at and as of the date hereof, the Pricing Date, the Determination Date and the Closing Date true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed and the following additional conditions as at the Closing Date, provided, however, that condition (k) below shall be satisfied on both the Determination Date and the Closing Date:
- (a) The International Offering Circular shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the rules and regulations under the Securities Act and in accordance with subsection 5(a) hereof; no stop order suspending the effectiveness of the Registration Statement or the ADS Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; all requests for additional information on the part of the Commission shall have been complied with to your reasonable satisfaction; and the Rights Offering and the Portuguese Offering Circular shall conform in all respects to the requirements of Portuguese law and the rules and regulations of the CMVM;
 - (b) Shearman & Sterling LLP, U.S. counsel for the Underwriters, shall have furnished to you such opinion or opinions, dated the Closing Date, with respect to such matters as you may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;
 - (c) Uría & Menéndez, Portuguese counsel for the Underwriters, shall have furnished to you an opinion dated the Closing Date and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;
 - (d) Cleary, Gottlieb, Steen & Hamilton LLP, U.S. counsel for the Company, shall have furnished to you their written opinion or opinions, dated the Closing Date, substantially in the form of Annex F hereto;
 - (e) Morais Leitão, J. Galvão Teles & Associados, Portuguese counsel for the Company shall have furnished to you their opinion, dated the Closing Date, substantially in the form of Annex G hereto;
 - (f) Patterson, Belknap, Webb & Tyler, U.S. counsel for the Depositary, shall have furnished to you their written opinion, dated the Closing Date, in form and substance satisfactory to you, substantially in the form of Annex H hereto;
 - (g) The Head of Legal Office at the Company shall have furnished to you his written opinion, dated the Closing Date, in form and substance satisfactory to you, substantially in the form of Annex J hereto;
 - (h) On the date of the International Offering Circular, at 9:30 a.m., New York City time, on the effective date of any post-effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also on the Closing Date, PricewaterhouseCoopers shall have furnished to you a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, to the effect set forth in Annex I hereto;
 - (i) The Company shall have furnished or caused to be furnished to you on the Closing Date certificates of officers of the Company satisfactory to you as to the accuracy of the representations and warranties of the Company set out in the provisions of Section 1 hereof at and as of the Pricing Date, the Determination Date and the Closing Date, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Closing Date, and as to such other matters as you may reasonably request;

- (j) The Depository shall have furnished or caused to be furnished to you on the Closing Date certificates satisfactory to you evidencing the deposit with it of the Shares being so deposited against issuance of the Offered ADSs to be delivered by the Company on the Delivery Date, and the issuance and delivery of the Offered ADSs pursuant to the Deposit Agreement; and
 - (k) There are no conditions required to be satisfied or waived for the completion of the transactions contemplated in the agreements relating to the acquisition by the Company of an additional interest in the share capital of Hidroeléctrica del Cantábrico S.A. (the **Acquisition Agreements**) that are considered material to the Rights Offering in the reasonable judgment of the Joint Global Coordinators and have not been satisfied as of the Closing Date. The Acquisition Agreements have not been terminated and the Company has not given notice of its intention to terminate the Acquisition Agreements.
8. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, to which such Underwriter may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Offering Circular, or Registration Statement, the ADS Registration Statement or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, and will reimburse each Underwriter for any legal or other expenses incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Offering Circular, Registration Statement, ADS Registration Statement or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by any Underwriter expressly for use therein; and *provided further* that the Company shall not be liable to any Underwriter under this subsection with respect to any International Offering Circular to the extent that any such loss, claim, damage or liability to any Underwriter results from the fact that such Underwriter sold Offered Shares to a person as to whom it shall be established that there was not sent or given, at or prior to the written confirmation of such sale, a copy of the International Offering Circular as then amended or supplemented in any case where delivery thereof is required by the Securities Act, if the Company has previously furnished copies thereof to such Underwriter in the quantities requested by such Underwriter and the loss, claim, damage or liability of such Underwriter results from an untrue statement or omission of a material fact contained in the International Offering Circular which was identified in writing as such to such Underwriter and corrected in the International Offering Circular as amended or supplemented.
- (b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Offering Circular, Registration Statement, the ADS Registration Statement or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission

to state therein a material fact required to be stated therein or necessary to make the statements therein; in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Offering Circular, Registration Statement, the ADS Registration Statement or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through you expressly for use therein, and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

- (c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.
- (d) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the Offered Shares subscribed for under this Agreement (before deducting expenses) received by

the Company bear to the total underwriting discounts and commissions received by the Underwriters with respect to the Offered Shares subscribed for under this Agreement, in each case as set forth in the table on the cover page of the International Offering Circular. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

- (e) The obligations of the Company under this Section 8 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, that controls any Underwriter within the meaning of the Securities Act; and the obligations of the Underwriters under this Section 8 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of Company) and to each person, if any, that controls the Company within the meaning of the Securities Act.
9. (a) If any Underwriter shall default in its obligation to subscribe for the Offered Shares that it has agreed to procure subscribers for or itself to hereunder and the aggregate number of such Shares that remain unsubscribed for does not exceed one-eleventh of the aggregate number of all of the Offered Shares, then the Company shall have the right to require each non-defaulting Underwriter to subscribe for the number of Offered Shares that such Underwriter agreed to subscribe for hereunder and, in addition, to require each non-defaulting Underwriter to subscribe for its pro rata share (based on the number of Offered Shares that such Underwriter agreed to subscribe for hereunder) of the Shares of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.
- (b) If, after giving effect to any arrangements for the subscription for the Offered Shares of a defaulting Underwriter or Underwriters as provided in subsection (a) above, the aggregate number of Offered Shares with respect to which such default occurs exceeds one-eleventh of the aggregate number of all of the Offered Shares to be subscribed for, you may, in your discretion, arrange for you or another party or other

parties to subscribe for such Offered Shares on the terms contained herein. If within 24 hours after the Subscription Date, you do not arrange for the subscription of such Offered Shares, then the Company shall be entitled to a further period of 24 hours within which to procure another party or other parties satisfactory to you to subscribe for such Offered Shares on such terms. Notwithstanding the foregoing, neither the Company nor the non-defaulting Underwriter shall have the right to postpone the Settlement Date in the event of a default by an Underwriter in its obligation to subscribe or pay for the Remaining Offered Shares. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Offered Shares.

- (c) If, after giving effect to any arrangements for the subscription for the Offered Shares of a defaulting Underwriter or Underwriters by you and the Company as provided in subsection (b) above, the aggregate number of such Shares which remains unsubscribed for exceeds one-eleventh of the aggregate number of all of the Offered Shares to be subscribed for, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 8 hereof, but nothing herein shall relieve a defaulting Underwriter from liability for its default.
- 10. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or any officer or director or controlling person of the Company and shall survive delivery of and payment for the Offered Shares.
- 11. If this Agreement shall be terminated pursuant to Section 9 hereof, the Company shall then be under no liability to any Underwriter except as provided in Sections 2(b), 6 and 8 hereof, but if for any other reason any Offered Shares are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Joint Global Coordinators for reasonable out-of-pocket expenses, but the Company shall then be under no further liability to any Underwriter in respect of the Offered Shares not so delivered except as provided in Sections 6 and 8 hereof. In the event that this Agreement is terminated following the transfer of funds representing the Relevant Underwriter's Subscriptions into the Blocked Accounts on the Determination Date, but before the Closing Date, such funds will be released to the Joint Global Coordinators as soon as practicable following the termination of the Agreement.
- 12. (a) The obligation of the Underwriters under Section 2(f) to execute the Pricing Supplement on the Pricing Date, shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company applicable according to Section 1 of this Agreement are at and as of the Pricing Date, true and correct and to the following additional conditions as at the Pricing Date:

 - (i) (a) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included in the Disclosure Documents any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Disclosure Documents, and (b) since the respective dates as of which information is given in the Disclosure Documents there shall not have been any change in the share capital or increase in long-term debt of the Company or any of its subsidiaries or any

change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders equity or results of operations of the Company and its subsidiaries, taken as a whole, otherwise than as set forth or contemplated in the Disclosure Documents, the effect of which, in any such case described in clause (a) or (b) of this paragraph, is to make it in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, impracticable or inadvisable to proceed with the Rights Offering or the delivery of the Offered Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Disclosure Documents; or

(ii) On or after the date of this Agreement there shall not have occurred any of the following: (a) a suspension or material limitation in trading in securities generally on the New York Stock Exchange, Euronext Lisbon or the London Stock Exchange; (b) a suspension or material limitation in trading in the Company's securities on the New York Stock Exchange or Euronext Lisbon; (c) a general moratorium on commercial banking activities in New York, Lisbon or London declared by the relevant authorities; (d) the outbreak or escalation of hostilities involving the United States, Portugal or the United Kingdom or the declaration of war or a national or international calamity, crisis or emergency by the United States, Portugal or United Kingdom, if the effect of any such event in clauses (a), (b) (c) or (d), in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, makes it impracticable or inadvisable to proceed with the Rights Offering or the delivery of the Offered Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Disclosure Documents; or (e) the occurrence of any change in the existing financial, political or economic conditions in the United States, Portugal, the United Kingdom or elsewhere that, in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, would materially and adversely affect the financial markets or the market for the Shares and other equity securities.

(b) At any time at and following the Pricing Date and at or prior to the Closing Date, the Joint Global Coordinators may terminate this Agreement by notice to the Company if:

(i) (a) Either the Company or any of its subsidiaries shall have sustained since the date of the latest audited financial statements included in the Disclosure Documents any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Disclosure Documents, and (b) since the respective dates as of which information is given in the Disclosure Documents there shall have been any change in the share capital or increase in long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders equity or results of operations of the Company and its subsidiaries, taken as a whole, otherwise than as set forth or contemplated in the Disclosure Documents, the effect of which, in any such case described in clause (a) or (b) of this paragraph, is to make it in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, impracticable or inadvisable to proceed

with the Rights Offering or the delivery of the Offered Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Disclosure Documents; or

- (ii) On or after the Pricing Date and at or prior to the Closing Date, there shall have occurred any of the following: (a) a suspension or material limitation in trading in securities generally on the New York Stock Exchange, Euronext Lisbon or the London Stock Exchange; (b) a suspension or material limitation in trading in the Company's securities on the New York Stock Exchange or Euronext Lisbon; (c) a general moratorium on commercial banking activities in New York, Lisbon or London declared by the relevant authorities; (d) the outbreak or escalation of hostilities involving the United States, Portugal or the United Kingdom or the declaration of war or a national or international calamity, crisis or emergency by the United States, Portugal or United Kingdom, if the effect of any such event in clauses (a), (b) (c) or (d), in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, makes it impracticable or inadvisable to proceed with the Rights Offering or the delivery of the Offered Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Disclosure Documents, provided, however, that unless such event occurs in whole or in part after a point in time 72 hours immediately prior to the Determination Date, in which case the Joint Global Coordinators may exercise such judgment at any time, the Joint Global Coordinators shall not exercise such judgment in respect of terminating this Agreement until after 48 hours after the commencement of any such event; or (e) the occurrence of any change in the existing financial, political or economic conditions in the United States, Portugal, the United Kingdom or elsewhere that, in the judgment of the majority of the Joint Global Coordinators, following consultation with the Company to the extent practicable under the events and circumstances at the time, would materially and adversely affect the financial markets or the market for the Shares and other equity securities.
 - (c) If this Agreement is terminated pursuant to this Section 12 or Section 13(a), such termination shall be without liability of any party to any other party, except to the extent provided in Sections 2(b) and 6. Notwithstanding such termination, the respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect.
 - (d) For the avoidance of doubt and notwithstanding any other provision in this Agreement, termination of this Agreement shall in no way prevent the Company from proceeding with the Rights Offering.
13. (a) The Joint Global Coordinators may terminate this Agreement if the Settlement Date shall not have occurred, or the board of directors and shareholders of the Company shall not have passed all resolutions and taken all actions, in form and substance reasonably satisfactory to the Joint Global Coordinators, necessary for the Rights Offering to be completed as contemplated by the Disclosure Documents and this Agreement by December 31, 2004 (or such other date as the Company and the Joint Global Coordinators may agree).
- (b) Subject to the provisions of subsection 2(b) hereof, this Agreement will be terminated immediately, should the Company give notice of its intention to not complete or to terminate the Acquisition Agreements, or such agreements be terminated. Should this

Agreement be terminated pursuant to this Section 13, such termination shall be without liability of any party to any other party, except to the extent provided in Sections 2(b) and 6. Notwithstanding such termination, the respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect. For the avoidance of doubt and notwithstanding any other provision in this Agreement, termination of this Agreement under this Section 13 shall in no way prevent the Company from proceeding with the Rights Offering.

14. In all dealings hereunder, you shall act on behalf of each of the Underwriters and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by you jointly.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the addresses which appear on page 1; if to the Company shall be delivered or sent by mail, telex or facsimile transmission to Praça Marquês de Pombal, 12, 1250-162 Lisbon, Portugal; Attention: Secretary. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

15. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 8 and 10 hereof, the officers and directors of the Company and each person that controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No subscriber for of any of the Offered Shares from any Underwriter shall be deemed a successor or assign merely by reason of such subscription. The Underwriters may delegate their duties and assign their rights as they may select to any of their respective affiliates.

16. Each of the parties hereto irrevocably (i) agrees that any legal suit, action or proceeding against the Company brought by any Underwriter or by any person that controls any Underwriter arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in any federal or state court of competent jurisdiction in the City of New York or the State of New York, respectively, (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding and (iii) submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Each of the parties irrevocably waives any immunity to jurisdiction to which it may otherwise be entitled or become entitled (including sovereign immunity, immunity to pre-judgment attachment, post-judgment attachment and execution) in any legal suit, action or proceeding against it arising out of or based on this Agreement or the transactions contemplated hereby which is instituted in any federal or state court of competent jurisdiction in the City of New York or the State of New York, respectively, or in any competent court in Portugal. Nothing in this clause limits the right of any of the Joint Global Coordinators to bring proceedings against the Company: (a) in any court of competent jurisdiction or (b) concurrently in more than one court of competent jurisdiction, in case any legal suit, action or proceeding arising out of or in connection with this agreement is brought against such Joint Global Coordinator before such court or courts. The Company has appointed CT Corporation System, New York, New York, as its authorized agent (the **Authorized Agent**) upon whom process may be served in any such action arising out of or based on this Agreement or the transactions contemplated hereby which may be instituted in any such court in the City of New York or the State of New York by any Underwriter, and the Company expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. The Company represents and warrants that the Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the

filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company shall be deemed, in every respect, effective service of process upon the Company.

The Company may terminate the services of the Authorized Agent at any time, *provided, however*, that the Company hereby agrees to maintain an agent with all of the rights and obligations of the Authorized Agent in place at all times during the period beginning on the date of this Agreement and ending on the sixth anniversary thereof and *provided further* that no such termination shall be effective, unless the Company provides 20 days' written notice of such termination and of its appointment of a substitute agent to the Joint Global Coordinators, on behalf of the Underwriters and to each of the other parties to this Agreement.

17. In respect of any judgment or order given or made for any amount due hereunder that is expressed and paid in a currency (the **judgment currency**) other than United States dollars, the Company will indemnify each Underwriter against any loss incurred by such Underwriter as a result of any variation as between (i) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (ii) the rate of exchange at which an Underwriter is able to purchase United States dollars with the amount of the judgment currency actually received by such Underwriter. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term *rate of exchange* shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into United States dollars.
18. Time shall be of the essence of this Agreement.
19. **This Agreement shall be governed by and construed in accordance with the laws of the State of New York.**
20. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us ten counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement among each of the Underwriters and the Company. It is understood that your acceptance of this letter on behalf of each of the Underwriters is pursuant to the authority set forth in a form of Agreement among Underwriting Syndicates, the form of which shall be submitted to the Company for examination upon request, but without warranty on your part as to the authority of the signers thereof.

Very truly yours,

U.S. counsel for the Company

Banco Comercial Português, S.A.

as Underwriters

Ladies and Gentlemen:

We have acted as United States counsel to EDP Electricidade de Portugal, S.A., a corporation organized under the laws of the Republic of Portugal (the Company), in connection with the Company's offering pursuant to a registration statement on Form F-3 (No. 333-117209) of ordinary shares, nominal value 1 each (the Shares), or American Depositary Shares (to be issued pursuant to a deposit agreement dated as of June 16, 1997 among the Company, Citibank, N.A., as Depositary, and the registered holders and beneficial owners from time to time of American Depositary Receipts issued thereunder, as amended by Amendment No. 1 to such agreement dated as of September 8, 2000) (the ADSs), and together with the Shares, the Securities) pursuant to an offering of rights exercisable for the Shares or the ADSs. Such registration statement, as amended when it became effective, but excluding the documents incorporated by reference therein, is herein called the Registration Statement; the related prospectus dated July 7, 2004, as first filed with the Securities and Exchange Commission (the Commission), but excluding the documents incorporated by reference therein, is herein called the Base Prospectus; the prospectus supplement dated [date], as first filed with the Commission pursuant to Rule 424(b)(5) under the Securities Act of 1933, as amended (the Securities Act), but excluding the documents incorporated by reference therein, is herein called the Prospectus Supplement; and the Base Prospectus and the Prospectus Supplement together are herein called the Prospectus. This letter is furnished pursuant to Section 7(d) of the underwriting agreement dated [date], 2004 between the Company and the several underwriters named in Schedule I thereto (the Underwriters).

Because the primary purpose of our professional engagement was not to establish or confirm factual matters or financial or accounting information, and because many determinations involved in the preparation of the Registration Statement and the Prospectus and the documents incorporated by reference therein are of a wholly or partially non-legal character or relate to legal matters outside the scope of our opinion letter to you of even date herewith, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement or the Prospectus or the documents incorporated by reference therein (except to the extent expressly set forth in numbered paragraph 3 of our opinion letter to you of even date herewith) and we make no representation that we have independently verified the accuracy, completeness or fairness of such statements (except as aforesaid).

However, in the course of our acting as United States counsel to the Company in connection with its preparation of the Registration Statement and the Prospectus, we participated in conferences and telephone conversations with representatives of the Company, representatives of Portuguese counsel to the Company, representatives of the independent public accountants for the Company, your representatives and representatives of your counsel, during which conferences and conversations the contents of the Registration Statement and the Prospectus, portions of certain of the documents incorporated by reference therein, and related matters were discussed, and we reviewed certain corporate records and documents furnished to us by the Company.

Based on our participation in such conferences and conversations and our review of such records and documents as described above, our understanding of the U.S. federal securities laws and the experience we have gained in our practice thereunder, we advise you that:

(a) The Registration Statement (except the financial statements and schedules and other financial data included therein, as to which we express no view), at the time it became effective, and the Prospectus (except as aforesaid), as of the date thereof, appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the rules and regulations thereunder. In addition, we do not know of any contracts or other documents of a character required to be filed as exhibits to the Registration Statement or required to be described in the Registration Statement or the Prospectus that are not filed or described as required.

(b) No information has come to our attention that causes us to believe that the Registration Statement, including the documents incorporated by reference therein (except the financial statements and schedules and other financial data included therein, as to which we express no view), at the time it became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) No information has come to our attention that causes us to believe that the Prospectus, including the documents incorporated by reference therein (except the financial statements and schedules and other financial data included therein, as to which we express no view), as of the date thereof or hereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

We confirm to you that (based solely upon a telephonic confirmation from a representative of the Commission) the Registration Statement is effective under the Securities Act and, to the best of our knowledge, no stop order with respect thereto has been issued, and no proceeding for that purpose has been instituted or threatened, by the Commission.

We are furnishing this letter to you, as Underwriters, solely for your benefit in your capacity as such in connection with the offering of the Securities. This letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose. We assume no obligation to advise you, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the views expressed herein.

Ladies and Gentlemen:

We have acted as United States counsel to EDP Electricidade de Portugal, S.A., a corporation organized under the laws of the Republic of Portugal (the Company), in connection with the Company's offering pursuant to a registration statement on Form F-3 (No. 333-117209) of ordinary shares, nominal value 1 each (the Shares), or American Depositary Shares (to be issued pursuant to a deposit agreement dated as of June 16, 1997 among the Company, Citibank, N.A., as Depositary, and the registered holders and beneficial owners from time to time of American Depositary Receipts (the ADRs) issued thereunder, as amended by Amendment No. 1 to such agreement dated as of September 8, 2000 (the Deposit Agreement)) (the ADSs, and together with the Shares, the Securities) pursuant to an offering of rights exercisable for the Securities. Such registration statement, as amended when it became effective, but excluding the documents incorporated by reference therein, is herein called the Registration Statement; the related prospectus dated July 7, 2004, as first filed with the Securities and Exchange Commission (the Commission), but excluding the documents incorporated by reference therein, is herein called the Base Prospectus; the prospectus supplement dated [date], as first filed with the Commission pursuant to Rule 424(b)(5) under the Securities Act of 1933, as amended (the Securities Act), but excluding the documents incorporated by reference therein, is herein called the Prospectus Supplement; and the Base Prospectus and the Prospectus Supplement together are herein called the Prospectus. This opinion letter is furnished pursuant to Section 7(d) of the underwriting agreement dated [date], 2004 (the Underwriting Agreement) between the Company and the several underwriters named in Schedule I thereto (the Underwriters).

In arriving at the opinions expressed below, we have reviewed the following documents:

- (a) an executed copy of the Underwriting Agreement;
- (b) the Registration Statement and the documents incorporated by reference therein;
- (c) the Prospectus and the documents incorporated by reference therein;
- (d) an executed copy of the Deposit Agreement;
- (e) the form of the ADRs; and
- (f) the documents delivered to you by the Company at the closing pursuant to the Underwriting Agreement.

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of the Company and such other instruments and other certificates of public officials, officers and representatives of the Company and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified (i) the accuracy as to factual matters of each document we have reviewed (including, without limitation, the accuracy of the representations and warranties of the Company in the Underwriting Agreement) and (ii) that the ADRs conform to the form thereof that we have reviewed.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that:

1. The Underwriting Agreement has been duly executed and delivered by the Company.

2. The Deposit Agreement has been duly executed and delivered by the Company and is a valid, binding and enforceable agreement of the Company.

3. The statements set forth under the heading "Description of American Depositary Receipts" in the Prospectus, insofar as such statements purport to summarize certain provisions of the ADRs and the Deposit Agreement, provide a fair summary of such provisions, and the statements made in the Prospectus (by incorporation by reference) under the heading "Taxation - United States Tax Considerations", insofar as such statements purport to summarize certain federal income tax laws of the United States, constitute a fair summary of the principal U.S. federal income tax consequences of an investment in the Securities.

4. Upon due issuance by the Depositary of the ADRs against deposit of the Shares to be deposited by the Company in respect thereof in accordance with the provisions of the Deposit Agreement, such ADRs with respect to such Shares will be duly and validly issued and the person(s) in whose name(s) the ADRs are registered will be entitled to the rights specified therein and in the Deposit Agreement.

5. The issuance and sale of the Securities to the Underwriters pursuant to the Underwriting Agreement do not, and the performance by the Company of its obligations in the Underwriting Agreement and the Deposit Agreement will not, (a) require any consent, approval, authorization, registration or qualification of or with any governmental authority of the United States or the State of New York that in our experience normally would be applicable to general business entities with respect to such issuance, sale or performance, except such as have been obtained or effected under the Securities Act and the Securities Exchange Act of 1934, as amended, (but we express no opinion relating to any state securities

or Blue Sky laws), or (b) result in a violation of any United States federal or New York State law or published rule or regulation that in our experience is normally applicable to general business entities with respect to such issuance, sale or performance (but we express no opinion relating to the U.S. federal securities laws or any state securities or Blue Sky laws).

6. Under the laws of the State of New York relating to submission to jurisdiction, the Company, pursuant to Section [16] of the Underwriting Agreement, has (i) validly and irrevocably submitted to the personal jurisdiction of any New York State or U.S. federal court in any action arising out of or related to the Underwriting Agreement, (ii) to the fullest extent permitted by law, validly and irrevocably waived any objection to the venue of a proceeding in any such court, and (iii) validly appointed CT Corporation System, New York, New York, as its initial authorized agent for the purpose described in Section [16] of the Underwriting Agreement; and service of process effected in the manner set forth in Section [16] of the Underwriting Agreement will be effective to confer valid personal jurisdiction over the Company in any such action.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of the Company, (a) we have assumed that the Company and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to the Company regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities with respect to such agreement or obligation), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity, and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

With respect to Section [16] of the Underwriting Agreement, we express no opinion as to the subject matter jurisdiction of any U.S. federal court to adjudicate any action relating to the Underwriting Agreement where jurisdiction based on diversity of citizenship under 28 U.S.C. §1332 does not exist. We also note that the enforceability of the waiver of immunities by the Company set forth in Section [16] of the Underwriting Agreement is subject to the limitations imposed by the Foreign Sovereign Immunities Act of 1976, and we note the designation in Section [16] of the Underwriting Agreement of the U.S. federal courts sitting in the City of New York or the State of New York as the venue for actions or proceedings relating to the Underwriting Agreement is (notwithstanding the waiver in Section [16]) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. §1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such an action or proceeding.

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We are furnishing this opinion letter to you, as Underwriters, solely for your benefit in your capacity as such in connection with the offering of the Securities. This opinion letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose. We assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

Dear Sirs,

1. We have acted as external Portuguese counsel to EDP Electricidade de Portugal, S.A. We are rendering this opinion pursuant to clause [•] of the Underwriting Agreement dated [•] (the **Agreement**) among the Company and the Underwriters. 4. In our examination of all such agreements, documents, certificates and instruments and in giving this opinion we have, among other things, assumed:
- (i) the genuineness of all signatures on all documents or on the originals thereof, the authenticity and completeness of all agreements, documents, certificates and instruments submitted to us as originals, the conformity with the originals of all agreements, documents, certificates and instruments submitted to us as copies, faxes or specimen and the authenticity of the originals of such latter agreements, documents, certificates and instruments and the veracity of the statements contained therein;
 - (ii) the power, capacity (corporate and other) and authority of all parties (other than the Company) to enter into the Agreement and to perform their respective obligations thereunder, the legal capacity and authority, when necessary, of all individuals who have signed or will sign documents or have given or will give confirmations on which we have expressed reliance (including those individuals acting on the Company's behalf) and that the Agreement and all other agreements and documents relating thereto have been or will be (where appropriate) duly authorised, executed and delivered by all parties thereto other than the Company and create valid and legally binding obligations for all such parties as a matter of applicable law, if other than Portuguese law;
 - (iii) that each party to the Agreement (other than the Company) is duly incorporated and organised, validly existing and in good standing (where such concept is legally relevant to its capacity) under the laws of its jurisdiction of incorporation and of the jurisdiction of its place of business;
 - (iv) the due compliance with all matters (including, without limitation, the obtaining of the necessary consents, licenses, approvals and authorisations, the making of the necessary filings, lodgements, registrations and notifications and the payment of stamp duties and other taxes) under any law other than that of Portugal as may relate to: (a) the Agreement and the Offered Shares issued, (b) the creation, issuance and distribution of the Offered Shares, (c) the lawful execution of the Agreement, (d) the parties hereto (including the Company) or other persons affected thereby, (e) the performance or enforcement of the Agreement and the Offered Shares by or against the parties (including the Company) or such other persons, (f) the distribution of the Prospectus and other offer documents from time to time or (g) the creation of valid and legally binding obligations of all parties to the Agreement and the Offered Shares (including the Company) enforceable against such parties in accordance with their respective terms;

- (v) that any obligations under the Agreement and the Offered Shares which are to be performed in any jurisdiction outside Portugal will not be illegal or contrary to the public policy under the laws of such jurisdiction;
 - (vi) that under the laws of New York to which they are expressed to be subject, and under all other relevant laws (other than those of Portugal):
 - (a) the choice of New York law to govern the Agreement is a valid and binding selection;
 - (b) the Agreement constitutes and will at all times constitute valid and legally binding obligations of all parties thereto (including the Company) enforceable against them in accordance with their respective terms;
 - (vii) that none of the Agreement, the Prospectus or the Offered Shares or any of the transactions contemplated thereby (whether individually or seen as a whole) are or will result in a breach of the laws (including, for the avoidance of doubt, tax laws) of New York or of such other relevant laws (other than those of Portugal), or are intended to avoid the applicability or the consequences of such laws in a manner that is not permitted under such laws;
 - (viii) that the issue of Offered Shares, the distribution of the Prospectus any circulars, documents or information relating to the Company and/or the Offered Shares and any and all invitations, offers, offer advertisements, publications and other documents, sales and deliveries of Offered Shares have been and will continue to be made in conformity with the provisions of the Portuguese Prospectus and, in particular, that no person to whom Rights are granted by Portuguese law is restricted from exercising them other than merely by laws other than Portuguese law applicable to such person;
 - (ix) that all parties are deemed resident in the jurisdiction indicated in the Agreement and entered into the Agreement to which they are expressed to be a party for bona fide commercial reasons and on arm's length terms;
 - (x) that there are no supplemental terms and conditions agreed between the parties to the Agreement that could affect or qualify our opinion as set out herein;
 - (xi) that each party to the Agreement has executed each such document in the form of the execution copy which we have examined; and
 - (xii) that the Agreement does not, as expressed in the Portuguese Prospectus approved by *Comissão do Mercado de Valores Mobiliários*, constitute any of the contracts referred to in articles 339° and 340° of the Portuguese Securities Code.
5. The Agreement is expressed to be governed by the laws of New York. We are not qualified to assess the exact meaning and consequences of the terms of the Agreement under such laws and we have made no investigation of the laws of New York as a basis

for the opinion expressed hereinafter and do not express or imply any opinion thereon. Accordingly, our view of the Agreement has been limited to the terms thereof as they appear on the face thereof, without the reference to the general body of New York law incorporated into or made applicable to the Agreement by the choice of law clause contained therein. Furthermore, we have not, in respect of the Agreement, investigated the contents of any non-Portuguese norms, rules of conduct, laws or regulations referred to in such agreements, including, without limitation, statutes or regulations applicable in the United States of America.

6. We express no opinion:

- (i) on any law other than the laws of Portugal in force and as interpreted at the date hereof;
- (ii) except as explicitly stated below, on international law, including (without limitation) the rules of or issued under or by any bi- or multi-lateral treaty or treaty organisation (unless implemented into the laws of Portugal), or on any anti-trust laws;
- (iii) with regard to the effect of any systems of law (other than the laws of Portugal) even in cases where, under Portuguese law, any foreign laws falls to be applied and we assume that any applicable law (other than Portuguese law) would not affect or qualify our opinion as set out below; or
- (iv) on any commercial, accounting or other non-legal matter or on the factual ability of the Company to meet its financial or other obligations under the Agreement.

7. Other than expressly stated herein, we have not been concerned with investigating or verifying the accuracy of any facts, representations or warranties set out in the Agreement and the Prospectus. To the extent that the accuracy of such facts, representations and warranties not so investigated or verified and of any facts stated in any of the documents listed above is relevant to the contents of this opinion, we have assumed that such facts, representations and warranties were true and accurate when made and remain true and accurate. Other than to review the documents listed above, we have not examined any contracts, instruments or other documents entered into by or affecting the Company or any corporate records of the Company and we have not undertaken any factual investigations or made any other searches or enquiries concerning the Company and have otherwise assumed that, since the date of the Commercial Registration Certificate referred to above (or before, if unregistered) the Company's shareholders have not passed a shareholders' resolution approving a voluntary winding-up of the Company or approving a statutory merger (*fusão*) or division (*cisão*) (as non surviving entity) and that no petition has been presented to a court for the bankruptcy (*falência*), dissolution (*dissolução*) or moratorium of payments of the Company, and that no receiver, trustee, administrator or similar officer has been appointed in respect of the Company or any of its assets.

8. Where an assumption is stated to be made in this opinion, we have not made any investigation with respect to the matters that are the subject of such assumption and we express no view as to such matters.

9. For purposes of our opinion in paragraph (v) below we relied upon the Board Resolutions (as defined below) in its current form and that they would not be amended nor modified. Our opinion in paragraph (ix) below is subject, among other things mentioned in the opinion itself, to (a) the general principle that a judgment of competent court will occur prior to enforcement, (b) the nature and kind of legal remedies awarded by a court decision prior to a judicial enforcement procedure, (c) Portuguese legal requirements and limitations, including those having regard to enforcement in kind, (d) the effect of bankruptcy, insolvency, moratorium, fraudulent conveyance, reorganisation, suspension of payments or similar laws affecting creditors' rights and court decisions with respect thereto, competence of the courts, procedural requirements and recognition of foreign judgements, (e) the rights of debtors, and limitations on the enforcement of a creditor's remedies under applicable law.
10. Based upon and subject to the foregoing, and subject to any factual matters, documents or events not disclosed to us by the parties concerned, having regard to such legal considerations as we deem relevant, as of the date hereof and subject to the limitations and qualifications herein contained, it is our opinion that:
- (i) the Company and the Significant Subsidiaries are registered as limited liability companies (*sociedades anónimas*) duly incorporated and validly existing under the laws of Portugal, no mention being made in the certificates of the Commercial Registry Office referred to in this opinion to any steps having been taken for their winding up or for limiting their power or authority to conduct their respective business as described in the Disclosure Documents;
 - (ii) according to the Shareholders Registration Books, all of the shares of the Significant Subsidiaries are held by the Company, there being registered in such books no liens or encumbrances (*ónus ou garantias*) on such shares.
 - (iii) the Company is not entitled to any immunity on the basis of sovereignty or otherwise in respect of the obligations under the Agreement and, except as disclosed in the Disclosure Documents, namely in respect of assets that are part of the public domain (*domínio público do Estado*) or held under concession of public service, its assets are available for satisfaction of the Company's liabilities;
 - (iv) the Company has an issued share capital which conforms to the description thereof in the Disclosure Documents; all of the issued shares of capital stock of the Company have been registered as duly issued, fully paid and non-assessable; nothing in the Commercial Registration Certificate indicates any deficiency or illegality of any past issuance, authorisation or offer of the issued shares which constitute the current share capital of the Company and there is no registration in the Commercial Registration Certificate in respect of the issue of securities convertible or exchangeable for shares of the Company or of warrants to subscribe or purchase shares of the Company;
 - (v) the Board of Directors of the Company has, according to the [•] certificate referred to above, duly and validly adopted on [•] a resolution (the Board of Directors Resolution) authorising the increase of euro [•] in the Company's share capital to which the Rights Offering refers, following the powers granted to the Board of Directors by article [•] of the Company's by-laws; the Board of Directors' Resolution has received the prior favourable opinion of the Audit

Board which opinion have been confirmed by the [●] certificate mentioned above; pre-emption subscription rights (the Rights) have duly and validly arisen in accordance with the articles of association of the Company and the provisions of Portuguese law as a legally automatic effect of any resolution of capital increase for cash; the statements on the contents of the Rights set forth in the Prospectus under the caption *Modalidades da Oferta* , *Direitos de Preferência* , the Rights Offering , [Underwriting , Validity of Securities and Regulation], insofar as such description constitutes a summary of certain legal matters referred to therein, fairly summarise the matters disclosed therein;

- (vi) the offering of the Offered Shares to which the Rights refer (*Oferta Pública de Subscrição*) has been approved and registered by the *Comissão do Mercado de Valores Mobiliários* (CMVM), which registration, according to article 118, paragraph 3., of the Portuguese Securities Code (*Código dos Valores Mobiliários*) is grounded on the legality of the offering; based on such registration and the corporate approvals mentioned above, the Company had right and authority to offer for subscription the Offered Shares which amount is to be determined on the Determination Date;

- (vii) the Offered Shares are, as shares in a *sociedade anónima*, by nature transferable under Portuguese law, and other than described in the Prospectus there are no restrictions generally imposed by Portuguese law on subsequent transfers of the Offered Shares; upon due issuance as referred to below, the Offered Shares will conform to in all material respects, and entitle the holders thereof to the rights summarised in, the description of the Shares in the Prospectus under the captions *Direitos Atribuídos* and Description of Ordinary Shares insofar as they purport to summarise certain provisions of law or corporate documents of the Company referred to therein; all of the issued shares of capital stock of the Company (excluding the Offered Shares) are registered as fully paid and are non-assessable;

- (viii) dividends and other similar distributions declared and payable on the shares of capital stock of the Company may, under the current laws and regulations of Portugal, be paid by the Company to the registered holders thereof in euros that, subject to withholding tax as referred in this opinion and summarised in the Prospectus, may be freely transferred out of Portugal; other than withholding tax or other taxes which are summarised in the Prospectus, such dividends and other distributions are not subject to withholding or other taxes under the current laws and regulations of Portugal; the statements set forth in the Prospectus, under the caption Regime Fiscal and Taxation-Portuguese Taxation in respect of ordinary shares, ADSs and of dividends and other distributions, insofar as such statements constitute summaries of certain legal matters referred to therein, fairly summarise in all material respects the legal matters disclosed therein;

- (ix) insofar as Portuguese law may be applicable, the Agreement, the Registration Statement [and the ADS Registration Statement] have been duly authorized and executed by the Company; assuming that the Agreement constitutes a valid and legally binding agreement in accordance with its terms under New York law, to the extent it is expressed or deemed to be governed by such law, and due authorization, execution and delivery by the Underwriters, such Agreement, under Portuguese law, will constitute a legally valid and binding agreement of the

Company in accordance with its terms and subject to mandatory provisions of law, including without limitation, those referred to below, and the obligations arising from it are enforceable in Portugal in accordance with Portuguese legal requirements and limitations, including those with respect to enforcement in kind, bankruptcy, insolvency, fraudulent transfer, suspension of payments or other laws referred to below or relating to or affecting creditors' rights, competence of the courts, procedural requirements and recognition of foreign judgements;

- (x) no Government Authorization or other similar authorisations from public bodies in Portugal is required for (A) the execution and distribution by the Company of the Prospectus, (B) the execution and delivery by the Company of the Agreement and the Deposit Agreement, (C) the [deposit] of the Offered Shares with the Depositary and the issuance of the ADRs evidencing the ADS in respect thereof and (D) the subscription as described in the Prospectus, by the Underwriters (or the subscription by subscribers procured by the Underwriters who are institutional investors as defined in the Portuguese Securities Code (*Código dos Valores Mobiliários*)) of the Remaining Offered Shares in the manner contemplated by the Agreement, except such Government Authorizations or other similar authorisations from public bodies which have been duly obtained and are in force and effect, in particular the above referred registration by *Comissão do Mercado de Valores Mobiliários*;
- (xi) upon (a) subscription and payment for the Offered Shares; (b) execution of a notarial deed of issuance of such shares; (c) registration of the Offered Shares with the relevant Commercial Registry Office and certain publicity and related formalities; (d) inscription in book-entry securities accounts within the system of *Central de Valores Mobiliários*; and (e) admission to listing and trading, having been duly completed in accordance with relevant legal and regulatory provisions, no Government Authorization or other similar authorisations from public bodies in Portugal is required for the Offered Shares to be duly issued and listed on Euronext Lisbon and for the ADS to be listed on the New York Exchange;
- (xii) subject to and in accordance with the above, in themselves, the offering and the issue of the Offered Shares by the Company, the execution, delivery and compliance by the Company with all of its obligations under the Agreement and the consummation by the Company of the transactions therein contemplated, do not conflict with or violate the provisions of the by-laws of the Company or the laws of Portugal of general applicability;
- (xiii) the choice of laws of New York as the governing law of the Agreement can legally be effected under the Portuguese rules on conflicts of law on the basis and within the scope of and subject to the limitations arising out of the 1980 Rome Convention on the Law Applicable to Contractual Obligations, subject, in particular, in an action brought before a Portuguese court, to the party or parties specifically pleading and proving the laws of New York; subject to the above, New York law would be applied by such court in matters concerning the interpretation, substance and form of such agreement, except that a Portuguese court would not apply New York law if such law is considered to be contrary to Portuguese public policy (*ordem pública internacional portuguesa*), or Portuguese norms of immediate application, and that, under the Portuguese rules on conflicts of law, certain matters such as those relating to personal status, e.g. capacity, are excluded from the choice of law;

- (xiv) the submission by the Company under the Agreement to the jurisdiction of the courts of New York is valid and binding under Portuguese law, within the limits established in the relevant provisions of Portuguese law; service of process effected in the manner set forth in the Agreement, assuming its validity under New York law, will be valid and effective on the Company;
- (xv) a final judgment obtained in a New York court arising out of or in relation to the obligations of the Company under the Agreement is legally capable of recognition in Portugal, subject to fulfilment of applicable prerequisites and recognition procedures (with respect, in particular, to authenticity, *res judicata*, competency, litis pendency, service of process, non violation of Portuguese public policy (*ordem pública internacional portuguesa*) and Portuguese conflict of laws rules); according to our belief, the indemnification and contribution provisions contained in the Agreement if such Agreement were governed by Portuguese law, would not contravene the principles which have already been qualified by Portuguese courts as public policy in Portugal; the statements set forth in the International Prospectus under the caption Enforcement of Civil Liabilities insofar as such description constitutes a summary of certain legal matters referred to therein, fairly summarise the matters disclosed therein;
- (xvi) other than as described in the Prospectus or in relation to any fees or commissions that may be paid to an authorized financial intermediary in connection with the Rights Offering and any stamp tax applicable to such fees and commissions, no stamp or other issuance or transfer taxes or duties and no capital gains, income, withholding or other taxes are payable to Portugal or any political subdivision or taxing authority thereof or therein by the Underwriters in connection with (A) the issue and delivery of the Offered Shares by the Company pursuant to the exercise of Rights, (B) the issue and delivery by the Company to the Underwriters of the Remaining Offered Shares in accordance with the terms of the Agreement and in the manner contemplated by the Prospectus and (C) the [deposit] with the Depositary of Offered Shares against the issuance of ADR evidencing the ADS;
- (xvii) according to our belief, being a substitution with retroactive effects under Portuguese Civil Code provisions, the issue of Offered Shares to Nominee Subscribers in the manner contemplated in the Agreement would qualify as a primary subscription and therefore would not be subject to transfer taxes, although we cannot, in the absence of known precedent, express opinion on this subject;
- (xviii) according to the registration granted by *Comissão do Mercado de Valores Mobiliários* to the Portuguese Prospectus, which registration is unconditional, the Portuguese Prospectus complies as to form, as well as to the structure and organisation of its contents, in all material respects with the requirements of the laws of Portugal and Euronext Lisbon; and
- (xix) in order to ensure the legality, validity, enforceability or admissibility in evidence of the Agreement, it is not necessary that any document be filed, recorded or enrolled with any governmental agency or public authority or other body of Portugal; a documentary stamp duty on agreements executed outside Portugal

(which is at present euro 5 per each agreement) is payable in Portugal and must be paid before an agreement is presented in Portugal for any legal purposes (including before an agreement is brought before a Portuguese court in any proceeding);

(xx) the Decree-Law nr. [●] and the Council of Ministers Resolutions have been published in the Republic official newspaper (*Diário da República*) as having been validly adopted by the Republic, therefore being in force and effect.

(xxi) the performance by the Company of the Agreement or the issue of the Offered Shares will not (except as disclosed in the Disclosure Documents) result in a violation of any of the terms or provisions of, or constitute a default under, any mortgage, loan agreement, financial lease or other financial agreement of which such counsel has knowledge to which the Company or any of its Significant Subsidiaries, as the case may be, is a party or by which the Company or any of its Significant Subsidiaries, as the case may be, is bound, except for such violations or defaults that would not have, individually or in the aggregate, [a material adverse effect on the transactions contemplated by the Agreement or the financial condition or results of operations of the Company and its Significant Subsidiaries. discuss basis for this opinion.]

11. This opinion expressed above is subject to the following qualifications:

A. The terms enforceable , legal , valid , binding and any combination thereof, where used above, mean that the obligations assumed by the relevant party under the relevant document are of a type which Portuguese law generally recognises or enforces; they do not mean that these obligations will necessarily be enforced in all circumstances in accordance with their terms; in particular, enforcement before the courts of Portugal will in any event be subject to:

- (i) the degree to which the relevant obligations are enforceable under their governing law (if other than Portuguese law);
- (ii) the nature of the remedies available in such courts (and nothing in this opinion must be taken as indicating that specific performance or injunctive relief would be available as remedies for the enforcement of such obligations);
- (iii) the acceptance by such courts of jurisdiction;
- (iv) the availability of defences such as, without limitation, set-off (unless validly waived), fraud, duress, misrepresentation, undue influence, force majeure, *exceptio non adimpleti contractus*, error, abatement and counter-claim; and
- (v) the mandatory provisions of Portuguese law as referred to in this opinion;
- (vi) the provisions of any applicable bankruptcy, insolvency, liquidation, reorganisation, moratorium and other similar laws of general application relating to or affecting generally the enforcement of creditors' rights and remedies, from time to time.

B. Our opinions set forth in paragraphs (●) and (●) are limited to authorisations, consents or approvals or filings or registrations with or other acts of any court,

governmental agency or body of Portugal which, in our experience, are normally applicable to transactions of the type provided for in the Agreement and the Offered Shares.

- C. The concept of delivery of a document is not known or required under the laws of Portugal to render a document valid, legally binding and enforceable.
- D. In issuing this opinion we do not assume any obligation to notify or to inform of any development subsequent to its date that might render its content untrue or inaccurate in whole or in part at such time.

12. This opinion:

- (i) expresses and describes Portuguese legal concepts in English and not in their original Portuguese terms; consequently, this opinion is issued and may only be relied upon on the express condition that it shall be governed by and that all words and expressions used herein shall be construed and interpreted in accordance with the laws of Portugal;
- (ii) is strictly limited to the matters set forth herein and no opinion may be inferred or implied beyond that expressly state herein and in particular but without limitation we have not investigated or verified statements of fact or the reasonableness of any statements of opinion contained in the Prospectus;
- (iii) is furnished by us, as Portuguese counsel to the Company, to the Underwriters pursuant to the request contained in the Agreement. Except as expressly approved by us in writing this opinion may not be disclosed or delivered to or relied upon by any other person, it being understood that it is given as of the date hereof and may not be relied upon as of any later date.

Very truly yours,

By and on behalf of Morais Leitão, Galvão Teles, Soares da Silva & Associados

as representatives of the several underwriters (the Underwriters), named in Schedule I to the Underwriting Agreement dated [____], 2004

Ladies and Gentlemen:

Edgar Filing: EDP ENERGIAS DE PORTUGAL SA - Form 6-K

[*Non-US version:* We report to you in accordance with our letter of engagement dated [_____, 2004].] We have audited the consolidated financial statements of EDP - Electricidade de Portugal, S.A. (the Company) and subsidiaries as of December 31, 2003, and for the three years ended December 31, 2003, included in the Company's annual report on Form 20-F for the year ended December 31, 2003 (the Form 20-F), incorporated by reference in the [registration statement (No. 333-117209) including a base prospectus on Form F-3 filed by the Company under the Securities Act of 1933 (the Act) on July 7, 2004; our report with respect thereto is also incorporated by reference in such registration statement. Such registration statement on Form F-3, including the Prospectus Supplement dated [_____] [Letter date], 2004, and any other documents incorporated by reference therein, is herein referred to as the Registration Statement.

In connection with the Registration Statement:

1. We are independent certified public accountants with respect to the Company within the meaning of the Act and the applicable rules and regulations thereunder adopted by the Securities and Exchange Commission (SEC).

I-1

2. In our opinion, the consolidated financial statements audited by us and incorporated by reference in the Registration Statement comply as to form in all material respects with the applicable accounting requirements of the Act and the Securities Exchange Act of 1934 and the related rules and regulations adopted by the SEC.
3. We have not audited any financial statements of the Company as of any date or for any period subsequent to December 31, 2003; although we have conducted an audit for the year ended December 31, 2003, the purpose (and therefore the scope) of such audit was to enable us to express our opinion on the consolidated financial statements as of December 31, 2003 and for the year then ended, but not on the financial statements for any interim period within such year. Therefore, we are unable to and do not express any opinion on the unaudited condensed consolidated balance sheet as of June 30, 2004; the unaudited condensed consolidated statements of income, of cash flows and of changes in stockholders' equity for the six month periods ended June 30, 2004 and 2003 included in the Company's periodic report on Form 6-K for the six months ended June 30, 2004, incorporated by reference in the Registration Statement or on the financial position, results of operations or cash flows as of any date or for any period subsequent to December 31, 2003.
4. For purposes of this letter, we have read the minutes of the 2004 meetings of the stockholders, the Board of Directors and the Audit Committee of the Company and its subsidiaries as set forth in the minute books at [_____] [Cutoff Date], 2004, officials of the Company having advised us that the minutes of all such meetings through that date were set forth therein (except for the minutes of the [_____] meeting which were not approved in final form, for which drafts were provided to us; officials of the Company have represented that such drafts include all substantive actions taken at such meeting), and have carried out other procedures to **[cut-off date; a maximum of 5 calendar days before date of delivery of the letter]**, 2004 (our work did not extend to the period from **[cut-off + 1]** to **[delivery date]** [Letter Date], 2004 inclusive) as follows:
 - (i) With respect to the six month periods ended June 30, 2004 and 2003, we have:
 - (i) performed the procedures specified by the American Institute of Certified Public Accountants for a review of interim financial information as described in SAS No. 100, Interim Financial Information, on the unaudited condensed consolidated balance sheet as of June 30, 2004, and unaudited condensed consolidated statements of income, of cash flows and of changes in stockholders' equity for the six month period ended June 30, 2004 and 2003 incorporated by reference in the Registration Statement; and
 - (ii) inquired of certain officials of the Company who have responsibility for financial and accounting matters whether the unaudited consolidated condensed financial statements referred to under (a)(i) above comply as to form in all material respects with the applicable accounting requirements of the Act and the related rules and regulations adopted by the SEC.

- (ii) With respect to the period from July 1, 2004 to [July/August] 31, 2004, we have:
- (i) read the unaudited consolidated financial information of the Company and the subsidiaries for [July] of both 2003 and 2004 furnished to us by the Company, officials of the Company having advised us that no such financial information as of any date or for any period subsequent to [July] 31, 2004 were available. The financial information for [July] of both 2003 and 2004 is incomplete in that it omits the [statements of cash flows and other disclosures]; and
 - (ii) inquired of certain officials of the Company who have responsibility for financial and accounting matters as to whether the unaudited financial information referred to under 4(b)(i) above are stated on a basis substantially consistent with that of the audited financial statements incorporated by reference in the Registration Statement.

The foregoing procedures do not constitute an audit made in accordance with generally accepted auditing standards. Also, they would not necessarily reveal matters of significance with respect to the comments in the following paragraph. Accordingly, we made no representations as to the sufficiency of the foregoing procedures for your purposes.

5. Nothing came to our attention as a result of the foregoing procedures, however, that caused us to believe that:
- (i) Any material modifications should be made to the unaudited condensed consolidated financial statements described in 4(a)(i), incorporated by reference in the Registration Statement, for them to be in conformity with generally accepted accounting principles
 - (ii) The unaudited condensed consolidated financial statements described in 4(a)(i) above do not comply as to form in all material respects with the applicable accounting requirements of the Act and the related rules and regulations adopted by the SEC.
 - (ii) at [July/August] 31, 2004 there was any change in the capital stock, increase in long-term debt or any decreases in consolidated net current assets (working capital) of the Company and subsidiaries consolidated as compared with amounts shown in the June 30, 2004 unaudited condensed consolidated balance sheet incorporated by reference in the Registration Statement or (ii) for the period from July 1, 2004 to [July/August] 31, 2004, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales except in all instances for changes, increases or decreases which the Registration Statement discloses have occurred or may occur.
6. As mentioned in 4(b), Company officials have advised us that no consolidated financial data as of any date or for any period subsequent to [July/August] 31, 2004 are available; accordingly, the procedures carried out by us with respect to changes in financial statement items after [July/August] 31, 2004 have, of necessity, been even more limited than those with respect to the periods referred to in 4. We have inquired

of certain officials of the Company who have responsibility for financial and accounting matters as to whether (i) at **[cut-off date to be no greater than 135 days after 30 June]** there was any change in the capital stock, increase in long-term debt or decreases in consolidated net current assets (working capital) of the Company and subsidiaries consolidated as compared with amounts shown on the June 30, 2004 condensed consolidated balance sheet incorporated by reference in the Registration Statement; or (ii) for the period from July 1, 2004 to **[cut-off date to be no greater than 135 days after 30 June]**, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales.

On the basis of these inquiries and our reading of the minutes as described in 4, nothing came to our attention that caused us to believe that there was any such change, increase or decrease, except in all instances for changes, increases or decreases which the Registration Statement discloses have occurred or may occur.

7. For purposes of this letter, we have also read the items identified by you on the attached copy of the prospectus forming part of the Registration Statement and have performed the and have performed the procedures enumerated in Exhibit A. 1 Compared amounts with the corresponding amounts in the Company's audited consolidated financial statements for the applicable period incorporated by reference in the Registration Statement and found them to be in agreement, after giving effect to rounding, if applicable. As applicable, we make no representation as to the reasons set forth in the Registration Statement for any increase or decrease in the amounts or percentages;

2 Recomputed amounts or percentages from amounts in the Company's audited consolidated financial statements for the applicable period incorporated by reference in the Registration Statement and found them to be in agreement after giving effect to rounding, if applicable.. As applicable, we make no representation as to the reasons set forth in the Registration Statement for any increase or decrease in the amounts or percentages;

3 Compared the amount with the corresponding amount included in the Company's accounting records and found it to be in agreement after giving effect to rounding, if applicable.. As applicable, we make no representation as to the reasons set forth in the Registration Statement for any increase or decrease in the amounts or percentages;

4 - Compared the amount to a corresponding amount in the unaudited interim consolidated financial statements of the Company incorporated by reference in the Registration Statement and found such amount to be in agreement (after giving effect to rounding, if applicable). However, where applicable we make no comment with respect to reason given for changes between periods.

5 - Compared the amount, ratio or percentage, as appropriate, to a schedule prepared by the Company from its accounting records and found such amount to be in agreement. We (a) compared the amounts on the schedule to corresponding amounts appearing in the accounting records and found such

amounts to be in agreement and (b) determined that the schedule was mathematically correct. However, we make no representation as to the appropriateness of the exchange rate used or the reasons set forth in the Registration Statement for any increase or decrease in the amounts or percentages.

8. Our audit of the financial statements for the periods referred to in the introductory paragraph of this letter comprised audit tests and procedures deemed necessary for the purpose of expressing an opinion on the financial statements taken as a whole. For none of the periods referred to therein, or any other period did we perform audit tests for the purpose of expressing an opinion on individual balances of accounts or summaries of selected transactions such as those enumerated above, and accordingly, we express no opinion thereon. 9. It should be understood that we make no representations regarding questions of legal interpretation or regarding the sufficiency for your purposes of the procedures enumerated in the preceding paragraphs; also, such procedures would not necessarily reveal any material misstatement of the amounts or percentages listed above.
