Item 1.01 Entry into a Material Definitive Agreement

At its meeting held on February 8, 2006, the HEI Compensation Committee (the Committee) took the following actions with respect to prospective awards under annual and long-term incentive plans for its Named Executive Officers, Robert F. Clarke, Chairman, President & Chief Executive Officer (CEO) of HEI; Constance H. Lau, President & CEO of American Savings Bank, F.S.B. (ASB); T. Michael May, President & CEO of Hawaiian Electric Company, Inc. (HECO); Eric K. Yeaman, Financial Vice President, Treasurer and Chief Financial Officer of HEI; and Patricia Uyehara Wong, Vice President-Administration and Corporate Secretary of HEI.

2006 Executive Incentive Compensation Plan

The Committee established the 2006 Executive Incentive Compensation Plan (EICP) financial and other operational measures for the Named Executive Officers. Mr. Clarke has an earnings per share goal (weighted 50%), a total return to shareholders goal (weighted 35%) and two operational goals related to the subsidiary companies (weighted 7.5% each). Mr. Yeaman has an earnings per share goal (weighted 50%), a total return to shareholders goal (weighted 25%) and one operational goal (weighted 25%). Ms. Wong has an earnings per share goal (weighted 50%), a total return to shareholders goal (weighted 25%) and one operational goal (weighted 25%). Mr. May has a consolidated utility net income goal (weighted 45%), a consolidated utility capital expenditures goal (weighted 10%) and five utility operational goals (weighted a total of 45%). Ms. Lau has an ASB net income goal (weighted 35%), an ASB return on assets goal (weighted 35%) and one operational goal (weighted 30%).

The EICP has a minimum financial performance threshold linked to earnings per share or net income (based on whether the measurement is at the Company or subsidiary level) which must be achieved before a bonus can be considered. The current minimum, target and maximum award level ranges differ for each of the Named Executive Officers and are based on a November 2005 competitive assessment undertaken by the Committee's independent compensation consultant. Compensation for executive officers of the various companies are based on competitive references drawn from compensation surveys and are weighted as follows:

holding company - other electric utilities (25%), other financial institutions (25%), and general industry (50%)

electric utilities - other electric utilities (100%)

financial institution - other financial institutions (100%).

The prospective awards under the EICP for each of the Named Executive Officers currently range from 22.5% to 42.5%, from 45% to 85%, and from 90% to 170%, for the minimum, target, and maximum awards, respectively, of the midpoint of the executive salary grade ranges at the end of the year, but in any event not in excess of \$2 million. Potential payouts if all goals are met at the target level are currently estimated as follows: Mr. Clarke, \$625,600; Ms. Lau, \$394,550; Mr. May, \$330,600; Mr. Yeaman, \$191,500 and Ms. Wong, \$130,500.

2006- 2008 Long-Term Incentive Plan

The Committee established the financial measures for the 2006-2008 long-term incentive plan (LTIP) for the Named Executive Officers. All awards under the LTIP will be paid 60% in cash and 40% in HEI Common Stock. The LTIP goals are based on achieving financial criteria established by the Committee for a three-year period. A new three-year performance period starts each year.

For Mr. Clarke, Mr. Yeaman and Ms. Wong, there are two goals: (1) HEI return on average common equity goal (weighted 60%) and (2) total return to shareholders goal (weighted 40%). The return on average common equity goal is based on HEI's 3-year return on average common equity. The total return to shareholder goal is based on HEI's percentile position compared to a peer group. Mr. May has three LTIP goals: (1) HECO consolidated return on average common equity goal (weighted 40%), (2) HECO consolidated net income goal (weighted 40%) and (3) the total return to shareholders goal (weighted 20%). Ms. Lau also has three LTIP goals: (1) ASB return on average common equity (weighted 40%), (2) ASB net income (weighted 40%) and (3) the total return to shareholders goal (weighted 20%).

The prospective awards under the LTIP for each of the Named Executive Officers currently range from 30% to 65%, from 60% to 130%, and from 120% to 260%, for the minimum, target, and maximum awards, respectively, of the midpoint of the executive salary grade ranges projected to the end of the performance period, but in any event not in excess of \$2.5 million. Potential payouts if all goals are met at the target level are currently estimated as follows: Mr. Clarke, \$1,004,900; Ms. Lau, \$510,400; Mr. May, \$463,200; Mr. Yeaman, \$241,200, and Ms. Wong, \$183,000.
