(b) Pro forma financial information

This Current Report on Form 8-K/A of Cabot Oil & Gas Corporation amends the Company's Current Report on Form 8-K filed on October 5, 2006. This Amendment is being filed solely to correct the pro forma condensed consolidated statements of operations for the twelve months ended December 31, 2005 and the six months ended June 30, 2006 contained in Exhibit 99.2 to the initial 8-K filing. The pro forma condensed consolidated statements of operations contained in Exhibit 99.2 to the initial 8-K filing included incorrect pro forma adjustments and pro forma results for operating revenues and the taxes other than income component of operating expenses, as well as resulting income tax expense, income before income taxes and net income from continuing operations. The pro forma condensed consolidated statements of operations contained in Exhibit 99.2 to this Amendment correct the calculation of revenues and production tax expense related to the properties that were sold. There are no other changes to the initial 8-K filing or the exhibits thereto. The unaudited pro forma condensed consolidated financial statements contained in Exhibit 99.2 to this Amendment supersede in their entirety the unaudited pro forma condensed consolidated financial statements contained in Exhibit 99.2 in the initial 8-K filing.

The unaudited pro forma condensed consolidated financial statements giving effect to the disposition of its offshore and certain south Louisiana properties as of June 30, 2006 and for the twelve months ended December 31, 2005 and the six months ended June 30, 2006 are filed as Exhibit 99.2 and incorporated by reference herein.
