PROPOSAL TWO PROPOSAL TO AMEND THE COMPANY S ARTICLES

OF INCORPORATION, AS AMENDED, TO REVISE THE ARTICLE

PERTAINING TO SHAREHOLDER APPROVAL

The Board of Directors recommends approval of an amendment to the Company s Articles of Incorporation, as amended, to revise the Article pertaining to shareholder approval.

Background

Article Eighth of the Company s Articles of Incorporation currently states that, except as provided elsewhere in the Company s Articles, any amendment to the Articles, any merger or share exchange to which the Company is a party or sale, lease, or exchange of all or substantially all of the Corporation s assets and property other than in the usual and regular course of business, and reclassification of securities or recapitalization of the Company must be approved by the affirmative vote of a majority of the shares outstanding and entitled to vote at a shareholders meeting.

The Amendment

The proposed amendment will add a proviso to Article Eighth eliminating the requirement of a shareholder vote in those circumstances where the Virginia Stock Corporation Act otherwise permits the Board of Directors to take action without a shareholder vote. The amendment will therefore allow the Company s Board of Directors to engage in transactions that Virginia law generally permits without requiring shareholder approval.

If the Articles are amended as proposed, shareholder approval would not be required for the Company to enter into certain merger transactions in particular, mergers with subsidiaries under Virginia Code Section 13.1-719 where the Company owns at least 90% of the voting power of the subsidiary and holding company mergers under Virginia Code Section 13.1-719.1.

The exact terms of the amendment described in this Proposal are set forth in Appendix A to this Proxy Statement, with additions indicated by underlining. The amendment does not contain any deletions.

Reasons for the Amendment

The proposed amendment increases the flexibility of the Company to make changes to its internal structure without the cost and expense of a shareholder vote. The Company is currently considering a holding company merger transaction in accordance with Virginia Code Section 13.1-719.1. This statute allows a corporation to merge with an indirect wholly-owned subsidiary and, as a result, cause a direct wholly-owned subsidiary of the Company to become the holding company of the Company. Holding company mergers are permitted without shareholder approval because of legal requirements that protect shareholder rights, including the following requirements:

that the outstanding shares of the Company be converted into equivalent shares of the new holding company;

that the articles and by-laws of the new holding company and the Company be substantively identical; and

that the directors of the Company become the directors of the new holding company.

The purpose of such a transaction in the Company's case would be to create an intermediate operating company between the publicly traded parent company and the Company's operating subsidiaries. This intermediate holding company would facilitate the provision of common administrative services to the Company's operating subsidiaries and would not affect the day to day operations of the Company. If the proposed amendment is approved, the Company expects to complete the holding company merger transaction in the second half of 2007, after completing all desired due diligence and obtaining any appropriate consents. Accordingly, the Board of Directors, upon recommendation of the Corporate Governance Committee, has determined that it is appropriate to propose this amendment to the shareholders.

Vote Required

To become effective, the amendment described in this Proposal must be approved by the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the meeting.

Procedure for Effecting Amendment

If the amendment described in this Proposal is approved by the shareholders, then immediately following such approval, the officers of the Company will be directed to file the amendment with the Virginia State Corporation Commission. The proposed amendment will become effective at the time of the filing with the Virginia State Corporation Commission.

The Board of Directors recommends that the shareholders vote FOR Proposal Two.

**PROPOSAL THREE RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

Ernst & Young LLP (Ernst & Young), independent registered public accountants, served as the Company s independent auditors during the fiscal year ended December 31, 2006, and the Audit Committee has selected them to serve as the Company s independent auditors for the current fiscal year. Services provided to the Company by Ernst & Young for the 2006 fiscal year are described in Audit Information-Fees of Independent Registered Public Accountants on page 51 of this Proxy Statement. Representatives of Ernst & Young will be present at the meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Although shareholder ratification is not required by the Company s Bylaws or otherwise, the Board of Directors is requesting that shareholders ratify the selection of Ernst & Young as the Company s independent registered public accountants to make an examination of the financial statements of the Company for the 2007 fiscal year. If shareholders do not ratify the selection of Ernst & Young at the meeting, the Audit Committee will consider the vote in making its selection of the Company s independent auditors for the 2008 fiscal year. However, because of the expense and difficulty in changing independent auditors after the beginning of a year, the Audit Committee does not expect to make a change in the appointment of auditors for the 2007 fiscal year unless the Audit Committee finds other reasons for making a change.

A majority of the votes cast by holders of Common Stock is required for the ratification of the appointment of Ernst & Young as the Company s independent registered public accountants for the 2007 fiscal year.

The Board of Directors recommends that the shareholders vote FOR Proposal Three.

² The total number of shares of Common Stock shown in the table includes 17,392 shares held for certain directors and executive officers in the 401(k) Plan as of December 31, 2006, 1,835 shares held for certain directors and executive officers in the Employee Stock Purchase Plan and 208,500 shares that directors and executive officers have the right to acquire through the exercise of stock options within 60 days following December 31, 2006. The number of shares also includes 57,884 shares of the Company's Common Stock held in fiduciary capacities. Such shares held in fiduciary capacities may be deemed to be beneficially owned by the rules of the Securities and Exchange Commission, but inclusion of the shares in the table does not constitute admission of beneficial ownership.

³ The amounts reported in this column are deferred stock units held as of December 31, 2006 by (i) non-employee directors under the Company's Outside Directors Deferral Plan, also referred to as the ODDP and (ii) executive officers under the Company's Executive Voluntary Deferral Plan, also referred to as the EVDP. Each deferred stock unit represents a hypothetical share of the Company's Common Stock, fluctuates in value with the market price of such stock and is payable only in shares of the Company's Common Stock.

^{3a} The amount reported reflects 8,500 deferred stock units in the EVDP and 2,686 deferred stock units in the ODDP, which were acquired by Mr. Chandler as a non-employee director prior to his commencement of employment with the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that we disclose late filings of reports of stock ownership by LandAmerica Financial Group directors, executive officers and persons who own more than 10% of the Company's Common Stock. Because of the complexity of the reporting rules, the Company has assumed certain responsibilities for filing compliance and has instituted procedures to assist officers and directors with these obligations.

Charles H. Foster, Jr. inadvertently did not report the vesting of cash units in connection with his retirement occurring on December 22, 2006 until January 31, 2007. Other than this late filing, to our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, we believe that the other applicable Section 16(a) filing requirements were satisfied for transactions that occurred in 2006.

GOVERNANCE OF THE COMPANY

The Board of Directors directs the management of the business and affairs of the Company in accordance with the Virginia Stock Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chairman and the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. Our corporate governance practices are summarized below.

Where to Find Corporate Governance Information

The Board of Directors has adopted Corporate Governance Guidelines, Board Committee charters, a Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers. All of these documents are available on our web page: [www.landam.com/Corporate Governance](http://www.landam.com/Corporate%20Governance). Copies of these documents are also available in print form to any shareholder at no charge by sending a written request to the Secretary of the Company, 5600 Cox Road, Glen Allen, Virginia 23060.

Corporate Governance Guidelines

The Corporate Governance Guidelines set forth the practices of the Board of Directors with respect to director qualifications, director responsibilities, the lead director, director access to management and independent advisors, director compensation, director orientation and continuing education, management evaluation and succession, and evaluation of the performance of the Board of Directors.

Independence

The Board of Directors in its business judgment has determined that the following 10 of its 13 members are independent in compliance with the New York Stock Exchange listing standards: Gale K. Caruso, Michael Dinkins, John P. McCann, Dianne M. Neal, Robert F. Norfleet, Jr., Robert T. Skunda, Julious P. Smith, Jr., Thomas G. Snead, Jr., Eugene P. Trani and Marshall B. Wishnack. In reaching this conclusion, the Board of Directors considered that the Company and its subsidiaries conduct business and have other relationships with organizations of which certain members of the Board of Directors or members of their immediate families are or were directors or officers. Consistent with the New York Stock Exchange listing standards, our Corporate Governance Guidelines establish categorical standards under which a director will not be considered to have a material relationship with us if:

during each of the current fiscal year and three most recent fiscal years, neither the director nor any immediate family member of the director received more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided that such compensation is not contingent on continued service);

during each of the current fiscal year and three most recent fiscal years, the director is not, and was not an executive officer or an employee, or whose immediate family member is not, or was not, an executive officer of another company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, exceeded the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues; or

the director serves as an executive officer of a charitable organization to which during each of the three preceding fiscal years the Company made charitable contributions that did not exceed the greater of \$1,000,000 or 2% of such charitable organization's consolidated gross revenues.

None of our non-management directors, their immediate family members, or organizations in which they are a partner, shareholder or officer, are engaged in relationships with us not meeting the categorical standards set forth above. The Corporate Governance Committee also considered all relevant facts and circumstances in making an independence determination, and, in the course of its determination regarding independence, it considered the following transactions, relationships and arrangements:

the fact that Julious P. Smith, Jr. is a principal in the Williams Mullen law firm, which acts as our primary outside counsel;

the fact that Michael Dinkins is Executive Vice President and Chief Financial Officer of Hilb, Rogal and Hobbs Company, a company which acts as our primary insurance broker and on whose Board of Directors our Chairman and Chief Executive Officer sits;

the fact that Eugene P. Trani is the President of Virginia Commonwealth University (VCU) and other directors serve in various capacities on Boards within VCU and we made an immaterial contribution to VCU's Business School.

The Corporate Governance Committee concluded that such relationships did not affect such directors' independence and were not required to be disclosed under Item 404(a) of Regulation S-K.

Codes of Ethics

The Board of Directors has approved a Code of Business Conduct and Ethics for directors, officers and employees of the Company and each of its subsidiaries and controlled affiliates and a Code of Ethics for Senior Financial Officers for the Chairman and Chief Executive Officer and principal financial officers. The Codes address such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading.

Board and Committee Meeting Attendance

In 2006, there were eleven meetings of the Board of Directors. No directors attended fewer than 75% of the total aggregate number of meetings of the Board of Directors and of the committees on which he or she served.

Lead Director and Executive Sessions

In 2006, the Board of Directors determined to appoint a Lead Director to be responsible for ensuring that the Board of Directors operates independently of management and to provide directors with a leadership contact independent from the Chairman and Chief Executive Officer. The Corporate Governance Guidelines provide that the Lead Director shall be appointed annually from among the independent directors. The initial lead director is Eugene P. Trani, who is Chairman of the Corporate Governance Committee.

The Lead Director serves as chairman for executive sessions where non-management directors meet on an informal basis. These executive sessions are scheduled either before or after each regularly scheduled Board of Directors meeting. At least once a year the Board of Directors schedules an executive session including only independent directors.

The Lead Director is also responsible for chairing meetings when the Chairman and Chief Executive Officer is absent or when it is deemed inappropriate for the Chairman and Chief Executive Officer to preside over the meeting. The Lead Director also acts as a liaison between the Board of Directors and the Chairman and Chief Executive Officer and among Committee chairs and senior management. The Lead Director also participates in setting the agendas for meetings of the Board of Directors and ensures that directors receive on a timely basis the reports, background materials and other resources necessary to enable them to carry out their responsibilities. The Lead Director also may make recommendations regarding consultants for the Board of Directors and perform other duties as requested by the Board of Directors or any of its Committees.

Communications with Directors

Any director may be contacted by writing to him or her c/o the Secretary of the Company at the address set forth above. Communications to the non-management directors as a group may be sent to the Lead Director c/o the Secretary of the Company at the same address. We promptly forward, without screening other than normal security procedures for all our mail, all correspondence to the indicated director or directors.

Committees of the Board

The standing committees of the Board of Directors are the Executive Committee, the Audit Committee, the Executive Compensation Committee, the Corporate Governance Committee, the Investment Funds Committee and the Finance Committee.

Executive Committee

The Executive Committee has the authority to act for the Board of Directors on most matters during the intervals between Board of Directors meetings. The members of the Executive Committee are Messrs. Chandler (Chairman), Dinkins, McCann, Snead, Wishnack and Trani. The Committee did not meet in 2006.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling the oversight responsibility of the Board of Directors to the shareholders relating to the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the internal audit function. The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Committee operates under a written charter last amended by the Board of Directors in October 2006.

The members of the Audit Committee are Messrs. Snead (Chairman), Dinkins, Norfleet and Skunda and Mmes. Caruso and Neal, all of whom the Board of Directors in its business judgment has determined are independent as defined by regulations of the Securities and Exchange Commission and the New York Stock Exchange listing standards. The Board of Directors also has determined that all of the Committee members are financially literate as defined by the New York Stock Exchange listing standards and that Mr. Dinkins qualifies as an audit committee financial expert as defined by regulations of the Securities and Exchange Commission.

The Audit Committee met eight times in 2006. For additional information regarding the Committee, see [Audit Information](#) [Report of Audit Committee](#) on page 53 of this Proxy Statement.

Executive Compensation Committee

The Executive Compensation Committee performs the responsibilities of the Board of Directors relating to compensation of the Company's executives. The Committee's responsibilities include

reviewing and approving corporate goals and objectives relevant to compensation of the Company's Named Executive Officers (NEOs);

evaluating and determining compensation for the Chairman and Chief Executive Officer (CEO), reviewing and approving the compensation of the other NEOs and reviewing compensation paid to the Company's members of senior management, other than the NEOs;

reviewing and discussing with senior management the Company's Compensation Discussion and Analysis and providing the Compensation Committee Report;

making recommendations to the Board of Directors with respect to annual and long-term incentive compensation plans and equity-based plans and administering the Company's equity-based, deferral and other compensation plans, including review of significant changes in the Company's other benefit plans;

reviewing and approving the terms of employment, termination, severance and change of control agreements or any other compensation arrangements with the Company's executive officers;

reviewing with the assistance of corporate personnel or independent consultants, the impact of tax, accounting and regulatory requirements on executive compensation, reviewing on a periodic basis significant trends, developments and alternatives in executive compensation and evaluating competitive market analyses of the Company's overall executive compensation program and its components; and

monitoring compliance with the Company's target stock ownership program for executives.

The processes and procedures for the consideration and determination of executive compensation, the extent to which the Executive Compensation Committee delegates its authority and the role of executive officers in the compensation process are set forth in detail in the Company's Compensation Discussion and Analysis on page 18 of this Proxy Statement. The Committee operates under a written charter last amended by the Board of Directors in December 2006.

The Executive Compensation Committee retains the services of a consulting firm, Mercer Human Resource Consulting (Mercer), to advise the Executive Compensation Committee on the Company's executive compensation program. During 2006, Mercer furnished the Executive Compensation Committee with calculations pertaining to the Company's issuance of equity to its executive officers, compensation competitiveness data and trend information, executive compensation assessment information for each of the NEOs and related advisory services.

The members of the Executive Compensation Committee are Messrs. Wishnack (Chairman), Snead and Trani, all of whom the Board of Directors in its business judgment has determined are independent as defined by the New York Stock Exchange listing standards. The Committee met five times in 2006. For additional information regarding the Committee, see "Compensation Discussion and Analysis" on page 18 of this Proxy Statement.

Corporate Governance Committee

The Corporate Governance Committee makes recommendations to the Board of Directors concerning corporate governance practices, persons qualified to become members of the Board of Directors and the form and amount of compensation to be paid to directors. The Committee acts as the Company's nominating committee. The Committee operates under a written charter last amended by the Board of Directors in October 2006.

The members of the Corporate Governance Committee are Messrs. Trani (Chairman), Norfleet, Skunda and Wishnack and Ms. Caruso, all of whom the Board of Directors in its business judgment has determined are independent as defined by the New York Stock Exchange listing standards. The Committee met four times in 2006.

Shareholders entitled to vote for the election of directors may submit candidates for consideration by the Corporate Governance Committee if we, the Company, receive timely written notice, in proper form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the Committee. To be timely for the 2008 annual meeting, the notice must be received within the time frame set forth in *Proposals for 2008 Annual Meeting* on page 53 of this Proxy Statement. To be in proper form, the notice must include each nominee's written consent to be named as a nominee and to serve, if elected, and information about the shareholder making the nomination and the person nominated for election. These requirements are more fully described in Section 3.4 of the Company's Bylaws, a printed copy of which is available to any shareholder at no cost upon written request to the Secretary of the Company at the address set forth above under *Where to Find Corporate Governance Information* on page 12 of this Proxy Statement.

The Corporate Governance Committee considers, at a minimum, the following factors in recommending to the Board of Directors potential new directors, or the continued service of existing directors:

The characteristics described in the Corporate Governance Guidelines (*i.e.*, knowledge of business and financial affairs, an understanding of the Company's business and the complexities of a large publicly-traded company in today's business environment, personal qualities of integrity and judgment, educational background and business or professional experience);

Whether the member/potential member assists in achieving a mix of Board of Directors members that represent a diversity of background and experience;

Whether the member/potential member is subject to a disqualifying factor as described in the Corporate Governance Guidelines (*e.g.*, relationships with competitors or recent previous employment with the Company);

Whether an existing member has reached retirement age;

The member's/potential member's independence;

Whether the member/potential member would be considered an audit committee financial expert or financially literate under Securities and Exchange Commission regulations and New York Stock Exchange listing standards;

The extent of the member's/potential member's business experience, technical expertise, or specialized skills or experience; and

Any factors related to the ability and willingness of a new member to serve, or an existing member to continue his or her service. Under our process for selecting new candidates for the Board of Directors, the Chairman and Chief Executive Officer, the Corporate Governance Committee or other members of the Board of Directors identify the need to add a new member with specific qualifications or to fill a vacancy on the Board of Directors. The Chairman of the Corporate Governance Committee initiates a search, working with staff support and seeking input from members of the Board of Directors and senior management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy criteria and otherwise qualify for membership on the Board of Directors is presented to the Corporate Governance Committee. A determination is made as to whether Corporate Governance Committee members or other members of the Board of Directors have relationships with preferred candidates and can initiate contacts. The Chairman and Chief Executive Officer and at least one member of the Corporate Governance Committee interview prospective candidate or candidates. The Corporate Governance Committee meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval by the full Board of Directors. Ms. Neal is the only nominee for director who is not an executive officer or director standing for re-election. Ms. Neal is recommended as a nominee by the Board of Directors, including the non-management directors and the Chairman and Chief Executive Officer. During fiscal year 2006, in connection with the election of a new director to the Board of Directors, we engaged a third party search firm to identify, evaluate, interview and introduce potential candidates to the Corporate Governance Committee.

Investment Funds Committee

The Investment Funds Committee establishes the investment policy and monitors the performance of pension and portfolio investments of the Company and its subsidiaries. The members of the Investment Funds Committee are Messrs. McCann (Chairman), Foster and Smith and Mmes. Alpert, Caruso and Neal. The Committee met four times in 2006.

Finance Committee

The Finance Committee advises the Board of Directors with respect to financing needs, capital structure, significant mergers and acquisitions and other financial matters. The members of the Finance Committee are Messrs. Dinkins (Chairman), Foster, McCann and Smith and Ms. Alpert. The Committee met six times in 2006.

Annual Meeting Attendance

We encourage members of the Board of Directors to attend the annual meeting of shareholders. All of the directors attended the 2006 annual meeting of shareholders, except for Mr. Wishnack.

TOTAL			3,525,780

¹ Amounts exclude any securities to be issued upon exercise of outstanding options, warrants and rights.

² We have two equity compensation plans – the EVDP and the ODDP that are not presented in this table. No options, warrants or rights are granted under either plan. Under each plan, participants may elect to defer compensation in deferred stock units that represent a hypothetical share of the Company's Common Stock. The deferred stock units are paid out in shares of Common Stock. Each plan includes a feature under which we may credit additional deferred stock units to participants. The maximum amounts of shares of Common Stock that the Company can issue under the EVDP and the ODDP are 800,000 and 100,000, respectively. On December 31, 2006, there were 225,037 deferred stock units under the EVDP and 61,978 deferred stock units under the ODDP credited to the participants' deferred stock unit accounts under such plans.

³ The 2000 Stock Incentive Plan permits grants of stock options and stock appreciation rights and awards of Common Stock, restricted stock and/or phantom stock. The 2000 Stock Incentive Plan currently authorizes the issuance of 3,600,000 shares of Common Stock for grants and awards. The 2000 Stock Incentive Plan does not limit, however, the amount of phantom stock (designated as cash units) we can award as long as it is payable only in cash.

⁴ No options, warrants or rights are granted under the LandAmerica Financial Group, Inc. Executive Officer Incentive Plan.

⁵ We have no equity compensation plans that have not been approved by the shareholders.

Certain Relationships and Related Transactions

In 2006, the Board of Directors adopted a Related Person Transactions Policy specifying our policies and procedures for the review, approval or ratification of any related person transaction. The Board of Directors further amended the policy in February, 2007. Under the policy, Related Person means any director or executive officer of the Company, any nominee for director of the Company, any shareholder who beneficially owns more than 5% of the Company's common stock, any immediate family member of any of the foregoing persons, and any entity in which any of the foregoing persons has, or will have, a direct or indirect material interest. A Related Person Transaction means any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships, between the Company, as a participant, and a Related Person in which the amount involved exceeds \$120,000 and in which the Related Person has, or will have, a direct or indirect material interest. The Audit Committee of the Board of Directors has responsibility for applying the policy and making determinations under the policy. The Audit Committee then reports determinations under the policy to the Board of Directors. If presented with the situation, we would submit a Related Person Transaction to our shareholders for approval in the circumstances required by Rule 312.03(b) of the New York Stock Exchange Listed Company Manual.

At the first regularly scheduled Audit Committee meeting of each fiscal year, management shall present for approval any proposed or continuing Related Person Transactions for that calendar year. In order to consider a Related Person Transaction, the Audit Committee evaluates the following information:

the Related Person's name and relationship to the Company;

the facts and circumstances of the proposed transaction;

the aggregate dollar amount involved in the transaction or, in the case of indebtedness, information regarding the principal amount of the debt, interest rate, repayment and other material terms;

the Related Person's interest in the transaction with the Company, including the Related Person's position or relationship with, or ownership in, a firm, corporation or other entity that is a party to, or has an interest in, the transaction;

the benefits to the Company of the proposed transaction and, if applicable, the terms and availability of comparable products and services from unrelated third parties; and

any other information regarding the Related Person Transaction or the Related Person that is material to the Audit Committee's determination.

Under the policy, any Related Person Transaction shall be approved or ratified only if the Audit Committee determines that, based on the facts and circumstances known to the Committee at the time of approval, the Related Person Transaction serves our best interests and our shareholders or the transaction is on terms reasonably comparable to those that could be obtained in arm's length dealings with an unrelated third party. The Audit Committee may establish, as appropriate, guidelines and directives for management to follow with respect to a Related Person Transaction. At each subsequently scheduled meeting, management shall update the Audit Committee as to any material changes in the transactions previously approved and shall seek approval of any further proposed Related Person Transactions. The Audit Committee shall review and approve any material change to a previously approved Related Person Transaction. A Related Person Transaction is approved or ratified if it receives the affirmative vote of a majority of the disinterested directors on the Audit Committee. No member of the Audit Committee participates in any review, approval or ratification of any Related Person Transaction with respect to which such member or any of his or her immediate family members is a Related Person.

During fiscal year 2006, we did not have any Transactions with related persons within the meaning of Item 404(a) of Regulation S-K or our Related Person Transaction Policy.

Pre-Approved Services

The Audit Committee's Charter provides for pre-approval of audit, audit-related and tax services to be performed by the independent auditors. All such services, as described above, were pre-approved by the Audit Committee, which concluded that the provision by Ernst & Young of the services not related to the annual audit and quarterly review of the Company's financial statements was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The Charter also authorizes the Audit Committee to delegate to one or more of its members pre-approval authority with respect to permitted services. The decisions of any Audit Committee member to whom pre-approval authority is delegated must be presented to the full Audit Committee at its next scheduled meeting.

Report of the Audit Committee

The Audit Committee is composed of six directors, each of whom meets the independence and experience requirements for Audit Committee members set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, the rules and regulations of the New York Stock Exchange and applicable law. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee reviews its charter at least annually and revises it as necessary to ensure compliance with current regulatory requirements.

performing an independent audit of the Company's consolidated financial statements and the Company's internal control over financial reporting;

the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company; and

In this context, the Audit Committee has met and held discussions with management and Ernst & Young LLP, the Company's independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements for the year ended December 31, 2006 were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee has reviewed and discussed these consolidated financial statements with management and Ernst & Young LLP, including the scope of the independent registered public accounting firm's responsibilities, critical accounting policies and practices used and significant financial reporting issues and judgments made in connection with the preparation of such financial statements.

The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has also received the written disclosures and the letter from Ernst & Young LLP relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young LLP the firm's independence from the Company.

In addition, the Audit Committee has discussed with management its assessment of the effectiveness of internal control over financial reporting and has discussed with Ernst & Young LLP its opinion as to both the effectiveness of the Company's internal control over financial reporting and management's assessment thereof.

Based upon its discussions with management and Ernst & Young LLP and its review of the representations of management and the report of Ernst & Young LLP to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.
