Item 7.01 Regulation FD Disclosure.

On April 12, 2007, we announced to our team members that our Board of Directors has taken the following actions with respect to our U.S. benefit plans:

We have amended our Dun & Bradstreet Corporation Retirement Account (the U.S. Qualified Plan) effective June 30, 2007. Any pension benefit that has been accrued through such date under the U.S. Qualified Plan will be frozen at its then current value and no additional benefits, other than interest on such amounts, will accrue under the U.S. Qualified Plan. All non-vested U.S. Qualified Plan participants who are actively employed as of June 30, 2007 will be immediately vested on July 1, 2007.

We have amended our 401(k) Plan (the 401(k) Plan) effective July 1, 2007 to increase the Company match formula from 50% to 100% of a team member s contributions and to increase the maximum match to seven percent (7%), from six percent (6), of such team member s eligible compensation.

Such changes to the U.S. Qualified Plan and 401(k) Plan will not have an impact on our 2007 financial guidance.

On an annualized net basis, we believe that these actions will not have a material impact on our operating income and will result in a decrease to our cash flow from operating activities of approximately \$11.0 million to \$13.0 million, primarily as a result of the increased match under the 401(k) Plan.
