Disclaimer

This document has been prepared by BHP Billiton Limited and BHP Billiton Plc ("BHP Billiton") and comprises the written material in connection with BHP Billiton's offers for Rio Tinto Limited and Rio Tinto plc ("Rio Tinto"). By reviewing/attending this presentation you agree to be bound by the terms and conditions of the offer. The directors of BHP Billiton accept responsibility for the information contained in this presentation. Having taken all reasonable care, the directors believe that the information contained in this presentation is, to the best of the knowledge and belief of the directors of BHP Billiton, in accordance with the requirements of the law to affect its import.

Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes any representation as to, and accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in this presentation. To the extent permitted by law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person is responsible for any loss howsoever arising, directly or indirectly, from any use of this information or its contents or otherwise. This presentation is for information purposes only and does not constitute or form part of any offer or invitation to acquire, sell or dispose of, or any offer to sell or otherwise dispose of, purchase or subscribe for, any securities, nor does it constitute investment advice, nor is it to be distributed from the basis of, or be relied on in connection with, any contract or investment decision, nor does it constitute a recommendation or any vote or approval in any jurisdiction, nor shall there be any

sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification

under

the

securities

laws

of

any

such

jurisdiction

(or

under

an

exemption

from

such

requirements).

No

offering

of

securities

shall

be

made

into

the

United

States

except pursuant to registration under the US Securities Act of 1933, as amended, or an exemption therefrom.

Neither this presentation nor any copy of it may be taken or transmitted or distributed or redistributed (directly or indirectly) in any jurisdiction

may

be

restricted
by
law
and
persons
into
whose
possession
this
document
comes
should
inform
themselves
about,
and
observe,
any
such
restrictions.

Information about Rio Tinto is based on public information which has not been independently verified.

This presentation is directed only at persons who (i) are persons falling within Article 49(2)(a) to (d) ("high net worth companies") or (ii) are persons falling within Article 19(5) of the Order or (iii) are outside the United Kingdom (all such persons being referred to as "relevant persons") or relied on by persons who are not relevant persons.

Certain statements in this presentation are forward-looking statements. The forward-looking statements include statements regarding the cost and timing of development projects, future production volumes, increases in production and infrastructure capacity, the identification of additional mineral Reserves and

Resources
and
project
lives
and,
without
limitation,
other
statements
typically
containing
words
such
as
"intends",
"expects",
"anticipates",
"targets",
"plans",
"estimates"

and words of similar import. These forward-looking statements speak only as at the date of this presentation. These statements and, by their nature, are subject to a number of known and unknown risks and uncertainties that could cause actual results, performance or achievements expressed or implied by such forward-looking statements. The

numerous
assumptions
regarding
BHP
Billiton's
present
and
future
business
strategies
and
the
environments
in
which
BHP
Billiton
and
Rio
Tinto
will
operate
in
the
future
and
such assumptions may or may not prove to be correct.

There are a number of factors that could cause actual results or performance to differ materially from those expressed or implied in the forward-looking statements.

Factors that could cause actual results or performance to differ materially from those described in the forward-looking statements include:

the businesses of BHP Billiton and Rio Tinto and to realise expected synergies from that combination, the presence of a competitive proposal

in
relation
to
Rio Tinto, satisfaction of any conditions to any proposed transaction, including the receipt of required regulatory and anti-trust
proposed transaction, the successful completion of any transaction, as well as additional factors such as changes in global, poli
regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or dispositions and the
Additional risks and factors that could cause BHP Billiton results to differ materially from those described in the forward-look
with the US Securities and Exchange Commission (the "SEC"), including BHP Billiton's Annual Report on Form 20-F for the
filings
with
the
SEC,
including
Rio
Tinto's
Annual
Report
on
Form
20-F
for
the
fiscal
year-ended
December
31,
2007,
which
are
available
at
the
SEC's
website
(<http://www.sec.gov>). Other unknown or unpredictable factors could cause actual results to differ materially from those in the
opinions
expressed
in
this
presentation
are

Summary of the offer for Rio Tinto

BHP Billiton has made a pre-conditional offer for Rio Tinto, it will be capable of acceptance by shareholders following regulatory approvals and posting of offer documents

The offer is being made direct to the shareholders of Rio Tinto

Rio Tinto shareholders are being offered 3.4 BHP Billiton shares for every Rio Tinto share held

The 3.4:1 offer represents a 45%

(a)

premium

The offer is conditional on more than 50% acceptances of the publicly held shares in each of Rio Tinto plc and Rio Tinto Ltd

BHP Billiton has conducted global roadshows speaking to the major shareholders of BHP Billiton and Rio Tinto which has confirmed that shareholders have a clear understanding of the industrial logic of the deal

BHP Billiton believes this offer is compelling for Rio Tinto shareholders, and value enhancing for BHP Billiton shareholders

and it makes even more sense if you own both

Notes:

a)

Based on the volume weighted average market capitalisation of Rio Tinto and BHP Billiton for the month prior to BHP Billiton the Rio Tinto Board on 1-Nov-2007.

Conclusion

Strength, stability and growth

BHP Billiton on a standalone basis has a bright future

The core strategy remains unchanged

Focused on producing volumes from low cost assets

A combination of BHP Billiton and Rio Tinto can generate substantial additional

value

for

shareholders

we

are

a

natural

fit

In addition to the synergies, combining the two would create a company that is:

Unique in character;

Capable of delivering superior returns for its shareholders; and

An Australian champion on the global stage

BHP

Billiton

believes

the

terms

of

the

Rio

Tinto

offer

reflect

a

good

deal

for
both companies
shareholders

The
process
has
a
long
time
to
run

an
offer
document
is
not
expected
to
be posted to shareholders until late 2008
