Village Bank & Trust Financial Corp.
Form 425
August 12, 2008

Filed by Village Bank and Financial Trust Corp.

Pursuant to Rule 425 under the Securities Act of 1933

Subject Company: River City Bank

The following is a letter that was mailed to River City Bank shareholders on August 12, 2008.

To Our Shareholders:

On behalf of our dedicated Board of Directors, officers, and staff, we are pleased to report that River City Bank made significant progress in 2007. The Bank continued to experience strong balance sheet growth and grew core business lines with resounding success. Net interest income was exceptionally strong, while we held growth in non-interest expense in check. Given the difficult economic times that began in 2007, and the continued stress in financial markets resulting from the downturn in the residential housing market and related trade industries, we clearly are faced with difficult challenges for the foreseeable future.

For 2007, asset growth was realized primarily from loan demand during the year. The Bank increased outstanding loans from \$59.3 million at December 31, 2006 to \$94.8 million at December 31, 2007, an increase of 59.9%. Our loan growth demonstrates management's continued commitment to originate loans in the Central Virginia marketplace, utilizing a resilient local economy with dynamic funding sources to maintain loan volumes as a high percentage of total assets and deposits.

The Bank recorded total deposits at December 31, 2007 of \$104.5 million, compared to total deposits of \$70.5 million at December 31, 2006, an increase of 48.2%. Growth occurred in each of the Bank's deposit categories. At December 31, 2007, total transaction deposit accounts amounted to \$20.4 million compared to \$16.5 million at December 31, 2006, an increase of 23.0%. For the same comparative period, non-transaction accounts grew from \$53.9 million as of December 31, 2006 to \$84.2 million at December 31, 2007, an increase of 55.9%. The increase in deposits is attributed to the Bank's numerous marketing initiatives implemented during the year, as well as aggressively pursuing deposits in the Bank's trade area to fund hardy loan demand.

The Bank recorded net losses of \$(438,230) and \$(287,469) for the years ended December 31, 2007 and 2006, respectively. Basic and diluted earnings per share for 2007 amounted to \$(0.24), compared to \$(0.16) for the year ended December 31, 2006. For 2007, outstanding loan balances grew considerably above budget projections. Conversely, the growth in loans had a material impact to our profit and loss statement due to the need for increasing our allowance for possible loan loss. The Bank also carried an impaired loan for the first six months of the year, and in resolving the loan deficiency through foreclosure and auction of property securing the debt, the Bank took a charge to our loan loss reserve of approximately \$200,000 in the second half of the year. For 2007, the Bank expensed \$565,000 for its provision for possible loan loss, compared to \$210,000 in 2006.

Edgar Filing: Village Bank & Trust Financial Corp. - Form 425

The Bank's net interest income increased from \$2,887,949 for the twelve-month period ended December 31, 2006 to \$3,651,365 for the period ended December 31, 2007, an increase of \$763,416, or 26.4%. Net interest income increased despite a decrease in the Bank's net interest margin, which decreased 54 basis points from 4.02% for the twelve months ended December 31, 2006 to 3.48% for the year ended December 31, 2007.

Non-interest income increased from \$284,369 for the period ended December 31, 2006 to \$362,980 for the period ended December 31, 2007, an increase of 27.6%. The increase is primarily attributable to fees derived from increased mortgage origination volume, as well as revenue from the Bank's investment in a title insurance company.

For 2008, the Bank has continued to realize strong balance sheet growth, with net loans increasing \$15.2 million, or 15.9%, from December 31, 2007 to June 30, 2008. For the same comparative period, total deposits increased \$17.2 million, or 16.5%, in the first half of 2008. Overall, the Bank has realized total asset growth of \$20.1 million to \$142.7 million, which represents an increase of 17.1% in the first six months of the year. On an unaudited basis, the Bank is very pleased to report that it has generated its first two consecutive quarterly profits, with six-month net income realized of \$121,139 through June 30, 2008. This compares favorably to a net loss realized of \$(226,359) for the six-month period ended June 30, 2007.

As you may be aware, River City Bank entered into a definitive merger agreement with Village Bank and Trust Financial Corp. and Village Bank whereby the Bank will merge with and into Village Bank in a transaction valued at approximately \$20.2 million, payable in cash and common stock. Under terms of the merger agreement, which was approved by the Board of Directors of both companies, shareholders of River City Bank will be entitled to receive for each share of its common stock owned \$11.00 in cash or one share of Village Bank and Trust Financial Corp. common stock, subject to proration of 20% cash and 80% common stock, if either cash or common stock is oversubscribed.

With the impending merger of our institution with Village Bank announced in March, and currently projected for completion in the fourth quarter of 2008, our Board of Directors is encouraged by the Bank's year-to-date results and excited about our future prospects as a combined entity with Village Bank. We believe the merger will be accretive to future earnings, creating a strongly capitalized company operating fifteen branch offices in the greater Richmond metropolitan area, with total assets under management of approximately \$540 million and a staff of nearly 200 employees. We believe the merger will create the premiere Richmond-area based community bank. Given numerous beneficial dynamics of the transaction, the merger should give us the ability to compete more aggressively, provide greater services to our customers, and return an enhanced long-term value to our shareholders.

The joint proxy statement/prospectus included with this letter more fully explains our impending merger with Village Bank and Trust Corporation, and answers questions you may have concerning why we believe this merger is good for you as a shareholder. We would encourage you to study the attached information that calls for a vote by you, our shareholders, at our special meeting on September 30, 2008 to approve the merger. Your Board of Directors and management recommend that you vote affirmatively for this merger.

In closing, we thank you for your continuing support and patronage of our Bank. We have made exceptional strides as a publicly traded commercial banking enterprise since our organization in early 2003, and believe our future looks even stronger with our proposed merger with Village Bank. We welcome your comments, and look forward to seeing you at our special meeting on September 30.

Sincerely,

William D. Stegeman
President & CEO

Chairman of the Board
