Item 1.01. Entry into a Material Definitive Agreement.

On September 11, 2008, Computer Software Innovations, Inc. (the Company) and RBC Bank (USA) (the Bank) entered into a modification (the Modification) of the Company's revolving credit facility (the Credit Facility). The Modification temporarily increases the Credit Facility from \$7.0 million to \$8.0 million, and increases availability by increasing the amount of inventory includable in the Credit Facility's borrowing base from \$1,000,000 to \$2,000,000. These changes are effective for the period beginning September 11, 2008 through November 15, 2008. The Modification is filed as Exhibit 10.1 and incorporated herein by reference.

The most significant portion of the Company's revenues are generated from the kindergarten through 1st grade market (K-12). School activities are reduced during summer months and many of these K-12 customers' budgets run from July to June. Traditionally, these customers have increased technology implementations in the summer months, and as the regular school season commences. The Credit Facility was temporarily increased to support the seasonal peak and working capital needs of the Company related to the schools' technology buying and implementation patterns.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-balance Sheet Arrangement of a Registrant.

The disclosure contained in Item 1.01 above is incorporated herein by reference. The Modification has the effect of increasing the Company's potential direct financial obligations under the Credit Facility from \$7.0 million to \$8.0 million.

The Credit Facility is a facility under which we may borrow, repay and then re-borrow. Advances and repayments occur daily under the Credit Facility, reflecting cash receipts and the Company's working capital needs. Set forth below is the outstanding balance as of specific dates through September 11, 2008. The balances presented reflect aggregate advances and pay downs which the Company deems material, or significant. Such information through August 11, 2008 was previously disclosed in our Form 10-Q filed with the SEC on August 14, 2008.

August 12, 2008	4,154,000

- A. Borrower has made and issued to Bank its promissory note (Note) in the original principal amount and dated as indicated on **Attachment 1** attached hereto.
- B. If so indicated on **Attachment 1**, the Note is secured and the security is generally as described on **Attachment 1**.
- C. The Note, any security documents described on **Attachment 1** and any other loan and security documents that are outstanding with respect to the extension of credit evidenced by the Note, even if not listed on **Attachment 1**, are hereinafter collectively referred to as the Contract and the Contract is hereby incorporated herein as a part of this Modification Agreement.
- D. Bank and Borrower mutually desire to modify the provisions of the Contract in the manner hereinafter set out, it being specifically understood and agreed that, except as herein modified, the terms and provisions of the Contract and the individual instruments, documents and agreements that make up the Contract shall remain unchanged and the Contract, as herein modified, shall continue in full force and effect as therein and herein written.

NOW, THEREFORE, Bank and Borrower, in consideration of the premises and the sum of One Dollar (\$1.00) to each in hand paid by the other, receipt and sufficiency of which are hereby acknowledged by each, do hereby agree as follows:

Section 1. Modification. The Contract shall be, and the same is, modified in the manner set forth in **Attachment 2**.

Section 2. Effect of Modification. Nothing contained in this Modification Agreement shall in any way impair the security now held for the indebtedness evidenced by the Contract or the lien priority thereof, nor waive, annul, vary or affect any provision, condition, covenant and agreement contained in the Contract, nor affect or impair any rights, powers and remedies under the Contract, except as herein specifically modified to do any one or more of the foregoing. If any provision in this Modification Agreement shall be interpreted or applied by a court or other tribunal with personal and subject matter jurisdiction over the parties hereto and the Contract, as modified, so as to impair the security now held for the indebtedness or lien priority thereof, or do any one or more of any of the foregoing, such provision shall be ineffective to the extent it causes an impairment of such security or the lien priority thereof or causes any of such other consequences, or the application thereof shall be in a manner and to an extent which does not impair such security or the lien priority thereof, or result in the occurrence of any of the other consequences. This Modification Agreement does not extend the expiration dates or enlarge the terms of any property, physical damage, credit and any other insurance written in connection with or financed by said Contract.

Section 3. Financing Statements. Borrower irrevocably authorizes Bank to file such financing statements and amendments thereof as may be necessary to protect, in Bank's opinion, Bank's security interests and liens and, to the extent Bank deems necessary or appropriate, to sign the name of Borrower with the same force and effect as if signed by Borrower and to make public in financing statements and other public filings such information regarding Borrower as Bank deems necessary or appropriate, including, without limitation, federal tax identification numbers, social security numbers and other identifying information.

Section 4. Usury. Bank does not intend to and shall not reserve, charge and collect interest, fees and charges under the Contract, as herein modified, in excess of the maximum rates and amounts permitted by applicable law. If any interest, fees and charges are reserved, charged and collected in excess of the maximum rates and amounts, it shall be construed as a mutual mistake, appropriate adjustments shall be made by Bank and to the extent paid, the excess shall be returned to the person making such a payment.

Section 5. Documentary Stamps, etc. To the extent not prohibited by law and notwithstanding who is liable for payment of the taxes and fees, Borrower shall pay, on Bank's demand, all intangible taxes, documentary stamp taxes, excise taxes and other similar taxes assessed, charged and required to be paid in connection with this Modification Agreement, and any future extension, renewal and modification of the Contract, or assessed, charged and required to be paid in connection with any of the loan documents which make up the Contract.

Section 6. Costs and Expenses. All of the costs and expenses incurred by Bank in connection with this Modification Agreement shall be paid by Borrower upon the request of and at the time of demand for payment thereof made by Bank on Borrower. As used herein, costs and expenses include, without limitation, reasonable attorneys' fees and fees of legal assistants, and reasonable fees of accountants, engineers, surveyors, appraisers and other professionals or experts and all references to attorneys' fees or fees of legal assistants, or fees of accountants, engineers, surveyors, appraisers or other professionals or experts shall mean reasonable fees.
