PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

OF CHROMADEx CORPORATION

TO BE HELD MAY 13, 2009

INFORMATION ABOUT THE ANNUAL MEETING

This proxy statement contains information related to the annual meeting of ChromaDex Corporation, a Delaware corporation ("ChromaDex", the Company, we, us, or our) which will be held on Wednesday, May 13, 2009 at our headquarters located at 10005 Muirlands Blvd., Suite G, Irvine, California 92618, or at any adjournment or postponement thereof.

What is the purpose of the annual meeting?

At the annual meeting, stockholders will consider and vote upon the following matters:

to elect seven directors to our Board of Directors;

to ratify the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending January 2, 2010; and

to transact any other business that may properly come before the annual meeting.

We sent you these proxy materials because our Board of Directors is requesting that you allow your shares of our common stock to be represented at the meeting by the proxyholders named in the enclosed proxy card. This proxy statement contains information that we are required to provide you under the rules of the Securities and Exchange Commission (the "SEC"), and that is designed to assist you in voting your shares. We began mailing these proxy materials on or about April 16, 2009 to all stockholders of record at the close of business on April 8, 2009.

Who is entitled to vote at the annual meeting?

Holders of record of our common stock at the close of business on April 8, 2009 are entitled to vote at the annual meeting. As of April 8, 2009, there were 28,838,216 shares of our common stock outstanding. Stockholders are entitled to cast one vote per share on each matter presented for consideration and action at the annual meeting.

Your vote is important. Stockholders can vote in person at the annual meeting or by proxy. If you vote by proxy, the individuals named on the proxy card as representatives will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted for or against the other proposals.

What votes are needed to hold the annual meeting?

Edgar Filing: ChromaDex Corp. - Form DEF 14A

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the annual meeting. If you have returned a valid proxy or attend the meeting in person, your outstanding shares of common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the annual meeting. Votes cast by proxy or in person at the annual meeting will be tabulated by the inspectors of election appointed for the annual meeting who will also determine whether or not a quorum is present. For purposes of determining whether a quorum is present, abstentions and broker non-votes, if any, will be counted as present.

Table of Contents

How does the Board of Directors recommend that I vote on the proposals?

If no instructions are indicated on your valid proxy, the proxyholders will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote:

FOR each of the nominees for director listed in this proxy statement;

FOR the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending January 2, 2010.

With respect to any other matter that properly comes before the meeting or any adjournment or postponement thereof, the proxyholders will vote as recommended by the Board, or if no recommendation is given, in their own discretion.

If my shares are held in street name by my broker, will my broker vote my shares for me?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have discretion to vote these shares on routine matters but not on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum but are not counted for determining the number of votes cast for or against a proposal. Your broker will have discretionary authority to vote your shares on the proposal to elect directors (Proposal No. 1), and the ratification of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending January 2, 2010 (Proposal No. 2), which are routine matters.

Can I change my vote after I have mailed my signed proxy card?

There are three ways in which you can change your vote before your proxy is voted at the annual meeting. First, you can send our secretary a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy card, dated a later date than the first proxy card. Third, you can attend the annual meeting and vote in person. Your attendance at the annual meeting will not, however, by itself revoke your proxy. If you hold your shares in street name and have instructed your broker, bank or other nominee to vote your shares, you must follow directions received from your broker, bank or other nominee to change those instructions.

What vote is required to approve each proposal?

Directors are elected by a plurality of the votes present in person or represented by proxy. This means that the seven individuals nominated for election to the Board who receive the most votes will be elected. Ratification of McGladrey & Pullen, LLP as our independent registered public accounting firm and approval of any other proposals to be brought before the annual meeting, require the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote on the subject matter.

What is the effect of abstentions and broker non-votes and how may I vote my shares?

Election of Directors. The election of directors is a routine matter for brokers that hold their clients' shares in street name. If a quorum is present and voting, the seven nominees receiving the highest number of votes will be elected to the Board of Directors. Abstentions will not be counted in the election of directors. You may vote For all nominees, Withhold your vote from all nominees, or vote For one or more nominees and Withhold your vote from the other nominees.

Ratification of the appointment of McGladrey & Pullen, LLP as independent registered public accounting firm. The ratification of the appointment of an independent registered public accounting firm is a routine matter for brokers that hold their clients' shares in street name. Abstentions will have the same effect as a negative vote. You may vote For, Against or Abstain from voting on the proposal of ratifying our independent registered accounting firm.

CORPORATE GOVERNANCE

Director Independence

Under the NASDAQ Stock Market Marketplace Rules, a director will only qualify as an independent director if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that each of Stephen Block, Reid Dabney, Hugh Dunkerley and Mark Germain has no material relationship with our Company and is independent within the independence requirements of Marketplace Rule 4350(d)(2) of the NASDAQ Stock Market, Inc. Frank L. Jaksch Jr. does not meet the aforementioned independence standards because he is the Chief Executive Officer of our Company, Thomas C. Varvaro does not meet the independence standards because he is the Chief Financial Officer of our Company, and Kevin Jaksch does not meet the independence standards because he is a family member of Frank L. Jaksch Jr., who is the Chief Executive Officer of our Company.

Board Committees

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Other committees may be established by the Board from time to time. Following is a description of each of the committees and their composition.

Audit Committee. Our Audit Committee currently consists of three directors: Messrs. Reid Dabney (chairman), Mark S. Germain and Stephen Block. The Board has determined that:

Mr. Reid Dabney qualifies as an audit committee financial expert, as defined by the SEC in Item 407(d)(5) of Regulation S-K; and

all members of the Audit Committee (i) are independent under the independence requirements of Marketplace Rule 4350(d)(2) of the NASDAQ Stock Market, Inc., (ii) meet the criteria for independence as set forth in the Securities Exchange Act of 1934, as amended (the Exchange Act), (iii) have not participated in the preparation of our financial statements at any time during the past three years and (iv) are financially literate and have accounting and finance experience.

The Audit Committee is governed by a charter, which was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. Among other things, the charter calls upon the Audit Committee to:

oversee our auditing, accounting and control functions, including having primary responsibility for our financial reporting process;

monitor the integrity of our financial statements to ensure the balance, transparency and integrity of published financial information;

monitor our outside auditors' independence, qualifications and performance;

monitor our compliance with legal and regulatory requirements; and

monitor the effectiveness of our internal controls and risk management system.

It is not the duty of the Audit Committee to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Our management is responsible for preparing our financial statements, and our independent registered public accounting firm is responsible for auditing those financial statements. Our Audit Committee does, however, consult with management and our independent registered public accounting firm prior to the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. In addition, the Audit

Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of our independent registered public accounting firm and approving professional services provided by them. The Audit Committee held three meetings during 2008.

Compensation Committee. Our Compensation Committee consists of three members: Messrs. Stephen Block (chairman), Frank L. Jaksch Jr. and Kevin Jaksch. The Board has determined that:

Stephen Block qualifies as an independent member under the independence requirements of Marketplace Rule 4350(d)(2) of the NASDAQ Stock Market, Inc.;

all members of the Compensation Committee qualify as non-employee directors under Exchange Act Rule 16b-3 other than Frank L. Jaksch Jr.; and

all members of the Compensation Committee qualify as outside directors under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) other than Frank L. Jaksch Jr.

The Compensation Committee is governed by a charter, which was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. Among other things, our Compensation Committee determines the compensation of the Chief Executive Officer (with Mr. Jaksch recusing himself), reviews and approves compensation for all other executive officers as presented by the Chief Executive Officer, reviews and makes recommendations with respect to incentive compensation plans and equity-based plans, and provides oversight and guidance for compensation and benefit programs for all of our employees. The Compensation Committee does not use the services of any external consultant in determining either executive or director compensation. The Compensation Committee held four meetings during 2008.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of three members: Messrs. Thomas C. Varvaro (chairman), Hugh Dunkerley and Stephen Block. The Board has determined that all members of the Nominating and Corporate Governance Committee, other than Mr. Varvaro, qualify as independent under the independence requirements of Marketplace Rule 4350(d)(2) of the NASDAQ Stock Market, Inc. The Nominating and Corporate Governance Committee is governed by a charter that was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. Among other things, our Nominating and Corporate Governance Committee identifies individuals qualified to become Board members and recommends to the Board the nominees for election to the Board. The Nominating and Corporate Governance Committee did not meet during 2008.

Code of Conduct

The Board has established a corporate Code of Conduct which qualifies as a code of ethics as defined by Item 406 of Regulation S-K of the Exchange Act. Among other matters, the Code of Conduct is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the Code of Conduct to appropriate persons identified in the code; and

Edgar Filing: ChromaDex Corp. - Form DEF 14A

accountability for adherence to the Code of Conduct.

Waivers to the Code of Conduct may be granted only by the Board. In the event that the Board grants any waivers of the elements listed above to any of our officers, we expect to announce the waiver within five business days on a Current Report on Form 8-K.

Public Availability of Corporate Governance Documents

Our key corporate governance documents, including our Code of Conduct and the charters of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are:

available on our corporate website; and

available in print to any stockholder who requests them from our corporate secretary.

Director Attendance

The Board held five meetings during 2008. Each director attended at least 75% of the aggregate of the Board meetings and the committees on which he served.

Board Qualification and Selection Process

The Nominating and Corporate Governance Committee does not have a specific written policy or process regarding the nominations of directors, nor does it maintain minimum standards for director nominees. The Nominating and Corporate Governance Committee will consider persons recommended by stockholders for nomination for election as directors. The Nominating and Corporate Governance Committee will consider and evaluate a director candidate recommended by a stockholder in the same manner as a committee-recommended nominee. Stockholders wishing to recommend director candidates must follow the prior notice requirements as described under **Stockholder Proposals** on page 19 of this proxy statement.

Stockholders interested in communicating with the Board or to specified individual directors may do so in writing to ChromaDex Corporation, 10005 Muirlands Blvd. Suite G, Irvine, CA. 92618; Attn: Thomas C. Varvaro, Secretary. These communications will be forwarded to the appropriate director or directors.

Employment and Consulting Agreements

The material terms of employment agreements with the Named Executives Officers previously entered into by ChromaDex are described below.

Employment Agreement with Frank L. Jaksch Jr.

ChromaDex entered into a two-year employment agreement dated April 14, 2008 with Frank L. Jaksch Jr., its Chief Executive Officer. Pursuant to this agreement, Mr. Jaksch is entitled to receive a minimum base salary of \$150,000 per year, subject to certain milestones. One of the milestones provided that, following the Merger, Mr. Jaksch would be entitled to a base salary of \$175,000. The Merger occurred on June 20, 2008, as a result of which Mr. Jaksch's base salary was increased to \$175,000 per year. Mr. Jaksch's current salary is \$175,000 per year. Mr. Jaksch is also eligible for discretionary bonuses as determined by our Board of Directors. See "Change of Control of the Company" below for additional information about the Merger.

Pursuant to his employment agreement, Mr. Jaksch is eligible to be granted stock options for purchase of our shares at the sole discretion of our Board of Directors. Mr. Jaksch is also entitled to receive the standard benefits generally available to other members of senior management.

In the event Mr. Jaksch's employment with us is terminated voluntarily by Mr. Jaksch, he will be entitled to any accrued but unpaid base salary and any stock vested through the date of his termination. In addition, if Mr. Jaksch leaves the Company for Good Reason (as defined in his employment agreement) he will also be entitled to severance (as set forth in the employment agreement), whatever bonus he would have been entitled to for the year in which such termination occurs, and he will be deemed to have been employed for the entirety of such year. As used herein, "Good Reason" means any of the following: (A) the assignment of duties materially inconsistent with those of other employees in similar employment positions, and Mr. Jaksch provides written notice to ChromaDex within 60 days of such assignment that such duties are materially inconsistent with those duties of such similarly-situated employees and ChromaDex fails to release Mr. Jaksch from his obligation to perform such inconsistent duties and to re-assign Mr. Jaksch to his customary duties within 20 business days after ChromaDex's receipt of such notice; or (B) if, without the consent of Mr. Jaksch, Mr. Jaksch's normal place of work is or becomes situated more than 50 linear miles from Mr. Jaksch's personal residence as of the effective date of his employment agreement, or (C) a failure by ChromaDex to comply with any other material provision of the employment agreement which has not been cured within 60 days after notice of such noncompliance has been given by Mr. Jaksch to ChromaDex, or if such failure is not capable of being cured in such time, a cure shall not have been diligently pursued by ChromaDex within such 60 day period. Severance will then consist of 16 weeks of paid salary, unless Mr. Jaksch signs a release, in which case he will receive compensation equal to the lesser of the remainder of the term of the agreement, or 12 months paid salary.

In the event Mr. Jaksch's employment terminates as a result of his death or disability, he, or his estate, as the case may be, will be entitled to his accrued but unpaid base salary, stock vested through the date of his termination and, notwithstanding any policy of ChromaDex to the contrary, any bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place. At the option of the Board, Mr. Jaksch's bonus will be either prorated or paid in full to him, or his estate, as the case may be, at the time he would have received such bonus had he remained an employee of ChromaDex.

In the event that Mr. Jaksch is terminated by us for good reason (as defined in his employment agreement), he will only be entitled to his accrued but unpaid base salary, and any stock vested through the date of his termination.

In the event that Mr. Jaksch is terminated due to a Cessation of Business (as defined in his employment agreement), Mr. Jaksch will be entitled to a lump sum payment of base salary and continuation of health benefits until the earlier of the remainder of the term of the agreement or nine months from the date of termination.

Severance will then consist of 16 weeks of paid salary, unless Mr. Varvaro signs a release, in which case he will receive compensation equal to the lesser of the remainder of his agreement or 12 months paid salary.

In the event Mr. Varvaro is terminated as a result of his death or disability he will be entitled to his accrued but unpaid base salary, stock vested through the date of his termination and, notwithstanding any policy of ChromaDex to the contrary, any bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place at the option of the Board. AUDIT COMMITTEE REPORT

The Audit Committee reviews our financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process. Our independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management our audited consolidated financial statements for the fiscal year ended January 3, 2009 and the notes thereto. It has discussed with McGladrey & Pullen LLP, our independent registered public accounting firm for the 2008 fiscal year, the matters required to be discussed by Statement of Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee also received the written disclosures and the letter from McGladrey & Pullen LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding McGladrey & Pullen's communications by the Audit Committee concerning independence and discussed with McGladrey & Pullen LLP their independence from us. Based on such review and discussions, the Audit Committee recommended to the Board that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 3, 2009 and be filed with the SEC.

Table of Contents**PROPOSAL NO. 2:****RATIFICATION OF MCGLADREY & PULLEN LLP****AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

McGladrey & Pullen LLP (McGladrey & Pullen) has been engaged by the Audit Committee to act in such capacity for the fiscal year ending January 2, 2010. Although it is not required to do so, our Board of Directors is asking our stockholders to ratify the Audit Committee's selection of McGladrey & Pullen. If our stockholders do not ratify the selection of McGladrey & Pullen, another independent registered public accounting firm will be considered by our Audit Committee. Even if the selection is ratified by our stockholders, the Audit Committee may in its discretion change the appointment at any time during the year, if it determines that such a change would be in the best interests of our company and its stockholders. Representatives of McGladrey & Pullen are expected to be available via telephone for, but not present at, the annual meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

On June 20, 2008, by action of our Board of Directors, effective upon consummation of the Merger, we dismissed Moore & Associates Chartered as our independent accountants. Moore & Associates Chartered had previously been engaged as the principal accountant to audit Cody's financial statements prior to the Merger. The reason for the dismissal of Moore & Associates Chartered was that, following the consummation of the Merger on June 20, 2008, (i) the former stockholders of ChromaDex, Inc. owned a significant amount of the outstanding shares of our capital stock and (ii) our primary business became the business previously conducted by ChromaDex, Inc. The independent registered public accountant of ChromaDex, Inc. was the firm of McGladrey & Pullen, which has been engaged as ChromaDex's accounting firm since 2004. We believed that it was in our best interest to have McGladrey & Pullen continue to work with our business, and we therefore retained McGladrey & Pullen our new principal independent registered accounting firm, effective as of June 20, 2008. McGladrey & Pullen is located at 20 North Martingale Rd., Ste 500, Schaumburg, IL 60173-2419.

The report of Moore & Associates Chartered on the financial statements of Cody for and during the fiscal year ending November 30, 2007, and the transition report covering the period dated December 1, 2007 through December 29, 2007 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the report was qualified as to Cody's ability to continue as a going concern.

From the date of their initial engagement through June 20, 2008, there were no disagreements with Moore & Associates Chartered on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Moore & Associates Chartered would have caused it to make reference to the matter in connection with its reports.

Through June 20, 2008 Cody did not consult McGladrey regarding either: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K.

Policy for Pre-Approval of Independent Auditor Services

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditor. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the specific service or category of service and is generally subject to a specific budget. The independent auditor and management are required to periodically communicate to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

Vote Required

The affirmative vote of a majority of the shares of our common stock represented at the meeting and entitled to vote is necessary to ratify the appointment of McGladrey & Pullen as our independent registered public accounting firm.

The Board recommends that you vote FOR the ratification of McGladrey & Pullen as independent registered public accounting firm for the fiscal year ending January 2, 2010.

Stockholder Proposals

In accordance with SEC rules, if a stockholder wishes to have a proposal printed in the proxy statement to be used in connection with our next annual meeting of stockholders, such proposal must be received by Thomas C. Varvaro, Secretary, at the address above prior to December 17, 2009 in order to be included in our proxy statement and form of proxy relating to that meeting. For any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding paragraph) but is instead sought to be presented directly at next year's annual meeting, SEC rules permit management to vote proxies in its discretion if (a) we receive notice of the proposal before the close of business on March 2, 2010 and advise stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on the matter, or (b) does not receive notice of the proposal prior the close of business on March 2, 2010.

In addition, stockholders may present proposals, which are proper subjects for consideration at an Annual Meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the stockholder must comply with the procedures specified in our Bylaws. Our Bylaws require that, for other business to be properly brought before an annual meeting by a stockholder, we must have received written notice thereof not less than 60 nor more than 90 days prior to the annual meeting (or, if less than 70 days notice or other public disclosure of the date of the annual meeting is given, not later than 10 days after the earlier of the date notice was mailed or public disclosure of the date was made). The notice must set forth (a) a brief description of

the business proposed to be brought before the annual meeting, (b) the stockholder's name and address, (c) the number of shares beneficially owned by such stockholder as of the date of the stockholder's notice, and (d) any financial interest of such stockholder in the proposal. Similar information is required with respect to any other stockholder, known by the stockholder giving notice, supporting the proposal. Any proposals we do not receive in accordance with the above standards may not be presented at the 2010 Annual Meeting of stockholders.

If the proposal includes the nomination of a person to become a director, the nomination is required to contain certain information about both the nominee and the stockholder making the nomination as set forth in our bylaws. In addition, the notice of nomination must include information regarding the recommended candidate relevant to a determination of whether the recommended candidate would be considered independent under Rule 10A-3 under the Exchange Act, or, alternatively, a statement that the recommended candidate would not be independent. A nomination which does not comply with the above requirements will not be considered.

OTHER BUSINESS

The Board knows of no other matters that are likely to come before the meeting. If any such matters should properly come before the meeting, however, it is intended that the persons named in the accompanying form of proxy will vote such proxy in accordance with their best judgment on such matters.
