**Item 1. Security and Issuer**

This Amendment No. 5 (this Amendment No. 5) to the Statement on Schedule 13D amends and supplements the statement on Schedule 13D filed on March 12, 2008 (the Original 13D), as amended by Amendment No. 1 thereto filed on March 20, 2008 (Amendment No. 1), Amendment No. 2 thereto filed on June 20, 2008 (Amendment No. 2), Amendment No. 3 thereto filed on December 8, 2008 (Amendment No. 3), Amendment No. 4 thereto filed on March 5, 2009 (Amendment No. 4), and, together with the Original 13D and Amendment No. 5, the Schedule 13D, by Gores Radio Holdings, LLC, a Delaware limited liability company (Gores Radio) and The Gores Group, LLC, a Delaware limited liability company (The Gores Group) and, together with Gores Radio, the Gores Entities or Reporting Persons and together with certain of the affiliates of the Reporting Persons, Gores) and relates to the common stock, par value \$0.01 per share (the Common Stock), of Westwood One, Inc., a Delaware corporation (the Issuer). The address of the principal executive office of the Issuer is 40 West 57th Street, 5th Floor, New York, New York 10019.

Except as specifically provided herein, this Amendment No. 5 does not modify any of the information previously reported on the Original 13D or Amendments Nos. 1 through 4. Capitalized terms used but not otherwise defined in this Amendment No. 5 shall have the meanings ascribed to them in the Original 13D or Amendments Nos. 1 through 4, as applicable.

**Item 3. Source and Amount of Funds or Other Consideration**

Item 3 is amended and restated in its entirety to read as follows:

The purchases of all securities of the Issuer by Gores Radio described in this Schedule 13D were financed with cash on hand from contributions of members of Gores Radio. All such contributions were in the ordinary course and pursuant to investor commitments to Gores Radio. The responses to Item 4 are incorporated herein by reference.

**Item 4. Purpose of Transaction**

Item 4 is amended and restated in its entirety to read as follows:

**2008 Transactions**

In accordance with the terms of a Purchase Agreement, dated February 25, 2008, between the Issuer and Gores Radio (the 2008 Purchase Agreement), the Issuer sold to Gores Radio for the purpose of Gores Radio investing in the Issuer (i) on March 3, 2008, 7,142,857 shares of Common Stock for a per share purchase price of \$1.75, (ii) on March 19, 2008, an additional 7,142,857 shares of Common Stock for a per share purchase price of \$1.75 and (iii) on June 19, 2008, 75,000 shares of 7.50% Series A Convertible Preferred Stock (the Series A Preferred Stock), for a per share purchase price of \$1,000. In connection with the sale of the Series A Preferred Stock, the Issuer also issued to Gores Radio four-year warrants (the Warrants) (issued in three tranches at exercise prices of \$5.00, \$6.00 and \$7.00/share, respectively) to purchase 10,000,000 shares of Common Stock in the aggregate, which Warrants are exercisable at any time prior to their expiration date (June 19, 2012).

**2009 Transactions**

On April 23, 2009, the Issuer consummated a restructuring of its capital structure (the Restructuring). In connection therewith:

Gores Radio purchased at a discount to par \$5.0 million aggregate principal amount of the Issuer's 5.26% Series B Senior Guaranteed Notes due November 30, 2012 (the Series B Notes), from a holder of the Series B Notes and approximately \$17.6 million aggregate principal amount of loans from certain lenders under the Issuer's Credit Agreement, dated as of March 3, 2004, as amended, among the Issuer and the lenders party thereto, in their respective capacities as lenders, and agents or other representatives (the Previous Credit Agreement).

Gores Radio and the Issuer entered into a Purchase Agreement (the Equity Purchase Agreement ), pursuant to which Gores Radio (i) exchanged all of the Series A Preferred Stock for 75,000 shares of the Issuer's 7.50% Series A-1 Convertible Preferred Stock, par value \$0.01 per share (the Series A-1 Preferred Stock ) and (ii) purchased 25,000 shares of the Issuer's 8.0% Series B Convertible Preferred Stock, par value \$0.01 per share (the Series B Preferred Stock ) and, together with the Series A-1 Preferred Stock, the Preferred Stock ) for a per share purchase price of \$1,000 and an aggregate purchase price of \$25.0 million.

Holders (the Previous Holders ) of the Issuer's then outstanding 4.64% Series A Senior Guaranteed Notes due November 30, 2009 and Series B Notes (collectively, the Previous Notes ) and lenders (the Previous Lenders ) and, together with the Previous Holders, the Previous Debt Holders ) under the Previous Credit Agreement, entered into a Securities Purchase Agreement (the Debt Purchase Agreement ). Pursuant to the Debt Purchase Agreement, in consideration for releasing all of their respective claims under the Previous Notes and the Previous Credit Agreement, the Previous Debt Holders collectively received (1) \$117.5 million of new senior secured notes (the New Senior Notes ), maturing July 15, 2012; (2) 34,962 shares of Series B Preferred Stock; and (3) a one-time cash payment of \$25.0 million. As a result of the consummation of the transactions contemplated by the Debt Purchase Agreement, Gores Radio, in its capacity as a Previous Debt Holder, received approximately \$10.8 million aggregate principal amount of New Senior Notes, 3,201 additional shares of Series B Preferred Stock and approximately \$2.3 million.

Certain affiliates of Gores Radio provided up to \$45 million of additional credit support for the Issuer, including by guaranteeing indebtedness incurred by the Issuer under a Credit Agreement (the Credit Agreement ) entered into on April 23, 2009 by the Issuer and Wells Fargo Foothill, LLC, as the arranger, administrative agent and initial lender. The Credit Agreement provides the Issuer with a \$15.0 million revolving line of credit on a senior unsecured basis and a \$20.0 million unsecured subordinated term loan.

Gores Radio acquired control of the Issuer's Board of Directors (the Board ) by appointing three nominees to fill vacancies created by the retirement of directors pursuant to the provisions of the Equity Purchase Agreement.

Gores Radio entered into an Investor Rights Agreement (the Investor Rights Agreement ) with the Issuer and the other holders of the Series B Preferred Stock (the Original Investor Stockholders ). Pursuant to the Investor Rights Agreement, as long as the Original Investor Stockholders in the aggregate hold at least 60% of the Common Stock (including the Preferred Stock on an as-converted basis) that they owned immediately after giving effect to the Restructuring, the Issuer agreed to nominate one nominee designated by such holders for election to the Issuer's Board. Gores Radio has agreed to vote in favor of any such nominee that is reasonably acceptable to Gores Radio. In addition, as part of the Investor Rights Agreement, the Original Investor Stockholders were granted certain pre-emptive rights, tag-along rights, and piggyback registration rights and became subject to certain drag-along obligations. Additionally, each of the parties to the Investor Rights Agreement (other than the Issuer) agreed to vote in favor of the Charter Amendment. Such parties hold voting securities representing substantially more than 75% of the Issuer's outstanding Common Stock in the aggregate (including Preferred Stock on an as-converted basis),

The Issuer adopted Amended and Restated By-Laws to replace the Issuer's previous By-Laws. The Amended and Restated By-Laws were adopted to, among other things, remove a provision in the Issuer's previous By-Laws that required at least one-third of the Issuer's Board to be independent and also add advance notice provisions relating to stockholder proposals.

The Issuer agreed to call a special meeting of stockholders to seek approval of an amendment to its certificate of incorporation that, among other things, would increase the number of authorized shares of Common Stock to a number of shares sufficient to permit conversion of all of the outstanding Preferred Stock, effect a reverse stock split and delete Article Sixteenth of the certificate of incorporation that sets forth higher approval thresholds than those required under the Delaware General Corporation Law with respect to certain amendments of the certificate of incorporation (the Charter Amendment ).

Gores Radio agreed to cancel the Warrants upon the effectiveness of the Charter Amendment.

The Reporting Persons consider the shares of Common Stock and the Preferred Stock that each beneficially owns an investment made in the ordinary course of their respective businesses. The Reporting Persons review on a continuing basis the investment in the Issuer. Based on such review, one or more of the Reporting Persons may acquire, or cause to be acquired, additional securities of the Issuer, dispose of, or cause to be disposed (including, without limitation, through an extraordinary corporate transaction, such as a merger, reorganization or liquidation, or through a public offering upon exercise of registration rights), such securities at any time or formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, the Issuer's business, financial condition and operating results, general market and industry conditions or other factors.

The descriptions herein of the 2008 Purchase Agreement, Equity Purchase Agreement, Investor Rights Agreement and Debt Purchase Agreement are qualified in their entirety by reference to such agreements, copies of which are filed as Exhibit 1 to the Original 13D and Exhibits 6,7 and 8 to this Amendment No. 5, respectively, and which are specifically incorporated herein by reference in their entirety.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to securities of the Issuer.**

Item 6 of the Schedule 13D is hereby amended and restated in its entirety as follows:

The assets held by the Gores Entities, including the Common Stock and Preferred Stock, may be pledged from time to time in the ordinary course as collateral security for existing indebtedness of the Gores Entities. No such activity is expected to have any effect on the beneficial ownership of the Common Stock or Preferred Stock.

The responses to Item 2, Item 3 and Item 4 are incorporated herein by reference.

In connection with the transactions described in the Schedule 13D, Gores Radio entered into (i) the 2008 Purchase Agreement, (ii) the Equity Purchase Agreement, (iii) the Debt Purchase Agreement, (iv) the Investor Rights Agreement and (v) the Registration Rights Agreement (as defined below) as amended by the Registration Rights Amendment (as defined below), certain provisions of which are described in Item 4 or are described below.

#### *Equity Purchase Agreement*

The Equity Purchase Agreement contains customary representations and warranties that, subject to certain exceptions, generally survive for two years from the Closing Date. The Issuer has agreed to indemnify Gores Radio (and its affiliated parties) for: (1) any breach of any of the representations, warranties or covenants made by the Issuer in the Purchase Agreement or (2) any action or proceeding brought in connection with the Transactions, subject to certain exceptions.

In addition, the Equity Purchase Agreement contains a 35-day market check period (the Market Check Period) which will end on May 28, 2009. During the Market Check Period, the Company may, subject to certain limitations, enter into a definitive agreement with a party other than Gores providing for the acquisition of: (1) 100% of all classes of the Company's equity securities or (2) 100% of the Company's assets. Any such alternative proposal would have to be determined by the Issuer's Board (excluding those members of the Board designated by Gores) to be more favorable to the holders of the Common Stock than the transactions contemplated by the Equity Purchase Agreement and would have to include a Superior Alternative Proposal Payment (as defined in the Equity Purchase Agreement) to Gores and provide for the termination of Gores guarantees and credit support in favor of the Issuer.

### *Registration Rights Agreement*

As part of the 2008 Purchase Agreement, Gores Radio entered into a registration rights agreement (the Registration Rights Agreement ) with the Issuer. In connection with the Restructuring, Gores Radio entered into an amendment of the Registration Rights Agreement (the Registration Rights Amendment ). As amended, the Registration Rights Agreement provides Gores Radio with shelf, demand and piggy-back registration rights with respect to the resale of the shares of the Common Stock owned by Gores Radio and its affiliates (including shares issuable upon conversion of the Preferred Stock or exercise of the Warrants).

### *Series A Certificate*

On April 23, 2009, the Issuer filed the Certificate of Designations of the Series A-1 Preferred Stock (the Series A-1 Certificate ), certain features of which are described below.

### Dividends/Ranking

Holders of the Series A-1 Preferred Stock will be entitled to receive dividends at a rate of 7.50% per annum, compounded quarterly, which will be added to the Liquidation Preference (initially equal to \$1,065 per share, subject to adjustment as described below). The Series A-1 Preferred Stock ranks pari passu with the Series B Preferred Stock. If the Series A-1 Preferred Stock remains outstanding after June 19, 2013, the dividend rate will increase to 15.00% per annum. Holders of the Series A-1 Preferred Stock will also be entitled to receive dividends declared or paid on the Common Stock, on an as-converted basis.

### Conversion

The Series A-1 Preferred Stock is convertible at the option of the holders, at any time and from time to time, into a number of shares of Common Stock by dividing (x) (1) if on or prior to October 22, 2009, \$1,065 multiplied by the number of shares of Series A-1 Preferred Stock to be converted as of the conversion date or (2) if after October 23, 2009, the Liquidation Preference of the shares of Series A-1 Preferred Stock to be converted as of the conversion date by (y) the conversion price in effect at the close of business on the conversion date, initially \$0.3601. Notwithstanding the foregoing, if the number of shares of Common Stock issuable with respect to all shares of Series A-1 Preferred Stock and Series B Preferred Stock surrendered for conversion on any date exceeds the Maximum Authorized Amount (as defined in the Series A-1 Certificate) on such date, each holder thereof may only convert the number of shares of Series A-1 Preferred Stock so that the total number of shares of Common Stock so issuable to such holder is no greater than such holder's Pro Rata Portion (as defined in the Series A-1 Certificate).

On the first date on which there are a number of authorized and unissued shares of Common Stock under the Issuer's certificate of incorporation sufficient to permit conversion of all of the then outstanding shares of Series B Preferred Stock and Series A-1 Preferred Stock, each outstanding share of Series A-1 Preferred Stock will automatically be converted (simultaneously with the conversion of each outstanding share of Series B Preferred Stock) without any further action by Issuer or its stockholders based on the conversion price then in effect.

### Redemption

After March 19, 2013, the Issuer has the sole option to redeem the Series A-1 Preferred Stock at any time. However, according to the terms of the Series B Preferred Stock as set forth in the Series B Certificate (as defined below), the Issuer may not redeem any shares of the Series A-1 Preferred Stock unless it concurrently offers to redeem the same proportion (based on Liquidation Preference) of the Series B Preferred Stock on the same terms and conditions and at the same time. If the Series A-1 Preferred Stock remains outstanding after December 19, 2013, the Liquidation Preference per share will increase by 50%.

### Special Approval Rights

As long as Gores holds at least 50% of the Series A-1 Preferred Stock originally issued, the approval by the holders of a majority of the outstanding shares of Series A-1 Preferred Stock is required for the Company to take certain significant corporate actions, including, without limitation, approval of the Company's annual budget (including any material variances therefrom), the hiring of a Chief Executive Officer, the issuance of additional shares of capital stock (subject to certain exceptions), the declaration of dividends and share repurchases (subject to certain exceptions), annual capital expenditures in excess of \$15.0 million, incurrence of indebtedness above certain thresholds and, until

December 19, 2013, mergers, consolidations and substantial asset sale transactions.

*Series B Certificate*

On April 23, 2009, the Issuer filed the Certificate of Designations of the Series B Preferred Stock (the Series B Certificate ), certain features of which are described below.

Dividends/Ranking

Holders of the Series B Preferred Stock will be entitled to receive dividends at a rate of 8.0% per annum, compounded quarterly, which will be added to the Liquidation Preference (initially equal to \$1,000 per share). The Series B Preferred Stock ranks pari passu with the Series A-1 Preferred Stock. If the Series B Preferred Stock remains outstanding after June 19, 2013, the dividend rate will increase to 15.00% per annum. Holders of the Series A-1 Preferred Stock will also be entitled to receive dividends declared or paid on the Common Stock on an as-converted basis.

Conversion

The Series B Preferred Stock is convertible at the option of the holders, at any time and from time to time, into a number of shares of Common Stock by dividing (x) (1) if on or prior to October 22, 2009, \$1,000 multiplied by the number of shares of Series B Preferred Stock to be converted as of the conversion date or (2) if after October 23, 2009, the Liquidation Preference of the shares of Series B Preferred Stock to be converted as of the conversion date by (y) the conversion price in effect at the close of business on the conversion date, initially \$0.03443 (subject to the limitation set forth above with respect to a holder's Pro Rata Portion). Notwithstanding the foregoing, if the number of shares of Common Stock issuable with respect to all shares of Series A-1 Preferred Stock and Series B Preferred Stock surrendered for conversion on any date exceeds the Maximum Authorized Amount (as defined in the Series B Certificate) on such date, each holder thereof may only convert the number of shares of Series B Preferred Stock so that the total number of shares of Common Stock so issuable to such holder is no greater than such holder's Pro Rata Portion (as defined in the Series B Certificate).

On the first date on which there are a number of unissued shares of Common Stock authorized under the Issuer's certificate of incorporation sufficient to permit conversion of all of the then outstanding shares of Series A-1 Preferred Stock and Series B Preferred Stock, each outstanding share of Series B Preferred Stock will automatically be converted (simultaneously with the conversion of each outstanding share of Series A-1 Preferred Stock) without any further action by Issuer or its stockholders based on the conversion price then in effect.

Redemption

If the Issuer redeems any shares of the Series A-1 Preferred Stock, it must concurrently offer to redeem the same proportion (based on Liquidation Preference) of the Series B Preferred Stock on the same terms and conditions and at the same time.

The descriptions herein of the Equity Purchase Agreement, Registration Rights Agreement, Registration Rights Amendment, Series A Certificate and Series B Certificate, are qualified in their entirety by reference to such agreements, copies of which are filed as Exhibit 6 to this Amendment No. 5, Exhibit 2 to the Original 13D and Exhibits 9, 10 and 11 to this Amendment No 5, respectively, and which are specifically incorporated herein by reference in their entirety.
