PROXY STATEMENT

2009 ANNUAL MEETING OF STOCKHOLDERS

to be held Wednesday, May 27, 2009

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did you send me this Proxy Statement and Proxy Card?

We sent you this Proxy Statement and the enclosed Proxy Card because you own shares of Common Stock of First California Financial Group, Inc., or First California or the Company. Your proxy is being solicited by the Board of Directors of First California. This Proxy Statement provides you with information that will help you cast your vote at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed Proxy Card.

When you sign the Proxy Card, you appoint each of John W. Birchfield, and Thomas Tignino, directors of First California, as your representatives at the Annual Meeting (that is, your proxies). Mr. Birchfield and Mr. Tignino will vote your shares at the Annual Meeting, as you have instructed them on your Proxy Card(s). If an issue comes up for vote at the Annual Meeting that is not on the Proxy Card, Mr. Birchfield or Mr. Tignino will vote your shares, under your proxy, in accordance with his judgment.

We first mailed this Proxy Statement, the attached Notice of Annual Meeting and the enclosed Proxy Card on or about May 1, 2009 to all stockholders entitled to vote. Stockholders who owned Common Stock on April 17, 2009 (the record date) are entitled to vote. On the record date, there were 11,633,288 shares of Common Stock outstanding.

We have enclosed our 2008 Annual Report on Form 10-K filed with the Securities and Exchange Commission. The 2008 Form 10-K is not to be considered part of the soliciting materials.

What am I voting on?

We ask you to vote on the following proposals:

1. To elect 10 directors.
2. To ratify the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009.
3. To approve a non-binding advisory proposal on the Company's executive compensation.

At the time this Proxy Statement was printed, we knew of no other matters to be acted on by the stockholders at the Annual Meeting.

How do I vote?

You may vote by mail

Edgar Filing: First California Financial Group, Inc. - Form DEF 14A

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign and date the enclosed Proxy Card and return it promptly in the envelope provided. If you mark your voting instructions on the Proxy Card, your shares will be voted as you instruct. If you return a signed Proxy Card but do not provide voting instructions, your shares will be voted FOR the election of the nominees for directors identified in this Proxy Statement, FOR the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009, and FOR the non-binding advisory proposal on the Company's executive compensation.

Table of Contents

You may vote in person at the Annual Meeting

You may attend the Annual Meeting and vote in person. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting. Otherwise, we cannot count your votes.

May I revoke my proxy?

If you have returned your signed Proxy Card, you may revoke it at any time before it is exercised. You may revoke your Proxy Card in any one of three ways:

You may send in another Proxy Card with a later date;

You may notify First California Financial Group, Inc.'s Secretary in writing before the Annual Meeting that you have revoked your proxy; or

You may vote in person at the Annual Meeting.

How will shares I hold in street name be voted?

If you hold your shares in street name (that is, through a bank, broker or other nominee), you should receive a proxy from your bank or brokerage firm asking you how you want to vote your shares. If you do not, you may contact such bank or brokerage firm in whose name your shares are registered and obtain a proxy from them. Please refer to the information in the materials provided by your bank or brokerage firm for an explanation of how to change or revoke your vote and of the effect of not indicating a vote.

We encourage you to provide instructions to your brokerage firm by voting your proxy. This ensures your shares will be voted at the Annual Meeting.

What does it mean if I receive more than one Proxy Card?

If you have more than one account at the transfer agent and/or with stockbrokers, you will receive separate Proxy Cards for each account. Please sign and return all Proxy Cards to ensure that all your shares are voted.

How many votes may be cast at the Annual Meeting?

Based on the number of shares of Common Stock outstanding on the record date, up to 11,633,288 votes may be cast on any matter, subject to cumulative voting for directors.

How many shares do you need to hold the Annual Meeting (what are the quorum requirements)?

Shares representing a majority of our outstanding shares of Common Stock on the record date of April 17, 2009 must be present in person or by proxy at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. Accordingly, a quorum for our Annual Meeting is 5,816,645 votes.

Shares are counted as present at the Annual Meeting if the stockholder either:

is present at the meeting, or

Edgar Filing: First California Financial Group, Inc. - Form DEF 14A

has properly submitted a Proxy Card.

How many votes do I have?

You have one vote for each share of our Common Stock. In the election of directors, you are permitted to cumulate your votes.

Table of Contents

What is cumulative voting ?

Cumulative voting is a manner of voting in the election of directors in which each stockholder is entitled to a total number of votes equal to the number of directors to be elected multiplied by the number of votes the stockholder would have on a single matter. The number of votes a stockholder has on a single matter is the number of shares of Common Stock held by the stockholder on the record date. For example, if you hold 1,000 shares of Common Stock you are entitled to 10,000 total votes in the election of directors (10 the number of directors multiplied by one vote per share of Common Stock, or 10,000 votes). You may use all of your votes for one nominee, or may distribute your votes among two or more nominees as you see fit.

Mr. Birchfield and Mr. Tignino (your proxies) may, in their discretion, cumulate votes with respect to the election of directors for shares with respect to which they have proxies.

How many votes are required for each of the proposals?

Proposal 1: Election of Directors

Directors must be elected by a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. If you do not vote for a particular nominee, or you withhold authority to vote for a particular nominee on your Proxy Card, your vote will not count either FOR or AGAINST the nominee.

Proposal 2: Ratification of appointment of Moss Adams LLP

An affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to ratify the appointment of Moss Adams LLP as our independent registered public accounting firm.

Proposal 3: Non-binding advisory proposal on the Company's executive compensation

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote.

What are the Board's recommendations on how to vote my shares?

The Board of Directors recommends a vote:

FOR election as directors the 10 nominees named herein

FOR the approval of the non-binding advisory proposal on the Company's executive compensation

FOR ratification of the selection of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009

How are abstentions and broker non-votes treated?

Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for purposes of determining the presence of a quorum.

Proposal 1: Election of Directors

Assuming that a quorum is present at the Annual Meeting, abstentions and broker non-votes have no effect on the election of directors.

Proposal 2: Ratification of appointment of Moss Adams LLP

Edgar Filing: First California Financial Group, Inc. - Form DEF 14A

Assuming that a quorum is present at the Annual Meeting, abstentions will have the same effect as votes against such proposal, and broker non-votes will not be counted as votes cast and will have no effect on the voting of this proposal.

Table of Contents

Proposal 3: Non-binding advisory proposal on the Company's executive compensation

Assuming that a quorum is present at the Annual Meeting, abstentions will have the same effect as votes against such proposal, and broker non-votes will not be counted as votes cast and will have no effect on the voting of this proposal.

Who will pay for the cost of this proxy solicitation?

We pay to distribute and solicit proxies and we reimburse brokers, nominees, fiduciaries and other custodians reasonable fees and expenses for forwarding proxy materials to stockholders. Our directors, officers and regular employees may solicit proxies in person, through mail, by telephone or through other means. We do not pay those individuals additional compensation for soliciting proxies.

CORPORATE GOVERNANCE; BOARD COMMITTEES

Director Independence

First California has identified as independent directors the following individuals currently serving on its Board of Directors: directors Aldridge, Benson, Birchfield, Cohen, Gipson, Hile, Hubenette, Roberts and Tignino. In making this determination, First California applied Rule 4200(a)(15) of the Nasdaq Marketplace Rules. First California's Board of Directors has an audit committee and compensation committee. It did not have a nominating committee until March 2009. Prior to such time, the entire Board effectively functioned as a nominating committee. First California has determined that the independent directors identified above also qualify as independent members of its audit, compensation and governance and nominating committees and fulfill the independence requirements in connection with the nomination of directors in accordance with Rule 4350 of the Nasdaq Marketplace Rules. Mr. Kum is also a member of the Board of Directors of First California but, as the president and chief executive officer of First California, he is not independent.

In making these determinations of independence, First California considered applicable Nasdaq Marketplace Rules and, with respect to members of its audit committee, SEC rules. In addition, with respect to Messrs. Hile and Benson, First California considered employment relationships with affiliates of First California's largest stockholders.

Board and Board Committees; Meetings

The Board of Directors met 15 times during fiscal year 2008. All directors attended at least 75% of all meetings of the Board of Directors and Board Committees on which he or she served in 2008.

The following information is provided regarding certain standing Committees of the Board of Directors during 2008.

Audit Committee

The Audit Committee of the Board of Directors was formed on March 12, 2007 upon completion of the Mergers. The Audit Committee's current charter was approved by the Board of Directors on January 28, 2009. The Audit Committee charter is available on our website at www.fcalgroup.com. The Audit Committee consists of directors Birchfield (Chair), Cohen, Gipson, Roberts and Tignino. The Board of Directors has determined that all of the members of the Audit Committee are independent in accordance with applicable Nasdaq Marketplace Rules and SEC rules. The Board of Directors has also determined that Thomas Tignino is an audit committee financial expert as that term is defined in SEC Regulation S-K.

First California's Audit Committee is responsible for providing assistance to the Board of Directors in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance function, as well as those of First California's subsidiaries.

The Audit Committee held nine meetings during 2008.

Compensation Committee

The Compensation Committee of the Board of Directors was formed on March 12, 2007 upon completion of the Mergers. The Compensation Committee's current charter was approved by the Board of Directors on December 17, 2008. The Compensation Committee charter is available on our website at www.fcalgroup.com. The members of the Compensation Committee are: directors Aldridge, Benson (Chair), Hile, Hubenette and

Table of Contents

Roberts, none of whom are executive officers of First California. The Board of Directors has determined that all members of the Compensation Committee are independent under the listing standards of the Nasdaq Stock Market, Inc.

The Compensation Committee recommends to the Board of Directors all elements of compensation for the executive officers and exercises the Board of Directors' authority with respect to the implementation and administration of the executive compensation programs and policies of First California. The Compensation Committee also administers the restricted stock and stock option plans of First California. The Compensation Committee retained Amalfi Consulting, LLC as its independent compensation consultant for 2008 to advise on all matters related to compensation and general compensation programs and to improve the links between executive and senior officer compensation and performance. Additionally, the Compensation Committee consults with C. G. Kum, First California's President and Chief Executive Officer, on compensation matters.

The Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Compensation Committee.

The Compensation Committee held five meetings during 2008.

Governance and Nominating Committee

The Governance and Nominating Committee (the GNC) of the Board of Directors was formed in March 2009. Accordingly, the Board of Directors did not have a standing nominating committee during 2008. The members of the GNC are: directors Cohen, Hubenette (Chair), Roberts and Tignino, none of whom are executive officers of First California. The Board of Directors has determined that all members of the GNC are independent under the listing standards of the Nasdaq Stock Market, Inc.

Nominations Process

The GNC considers and develops governance standards for First California and establishes the requirements and qualifications for members of the Board. The GNC, in consultation with the Chief Executive Officer and the Chairman, also recommends candidates for nomination and election to the Board of Directors of First California and to the Board of Directors of First California Bank. The GNC operates under a charter which was approved by the Board of Directors on March 18, 2009, a copy of which is attached hereto as Appendix A.

In identifying and recommending nominees for positions on the Board of Directors, the GNC places primary emphasis on the criteria set forth under Selection of Directors Criteria in our Corporate Governance Guidelines, namely: (1) personal qualities and characteristics, accomplishments and professional reputation; (2) current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business; (3) ability and willingness to commit adequate time to Board and committee matters; (4) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company; (5) diversity of viewpoints, backgrounds and experience; and (6) the ability and skill set required and other relevant experience.

The GNC does not set specific, minimum qualifications that nominees must meet in order for the GNC to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of First California and the composition of the Board of Directors. Members of the GNC may seek input from other members of the Board in identifying possible candidates, and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates.

First California's by-laws state that nominations for the election of individuals to the Board of Directors may be made by the Board of Directors or by any holder of our voting stock. Nominations, other than those made

Table of Contents

by the Board of Directors, must be made in writing. If a stockholder wishes to make such nominations, notice must be received by the Corporate Secretary of First California no less than 90 nor more than 120 days prior to the first anniversary date of the Annual Meeting for the preceding year. Any stockholders wishing to make a nomination to the Board of Directors must deliver a statement in writing setting forth the name of the person or persons to be nominated, the number and class of all shares of each class of our stock owned by each proposed nominee, as reported to the nominating stockholders by such nominee(s), the information regarding each such nominee required by paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the Securities and Exchange Commission, each such nominee's signed consent to serve as a director of the Company if elected, and the nominating stockholders' name and address and the number and class of all shares of each class of First California's stock owned by the nominating stockholder. The Board may require any proposed nominee to furnish such other information as the Board may reasonably require to determine whether the proposed nominee(s) would be considered independent under the various rules and standards applicable to First California. If nominations to the Board of Directors are not made as outlined above, the Chairman of the meeting may disregard the nominations and instruct the inspectors of election to disregard all votes cast for such nominees.

Until immediately after the close of the 2009 annual meeting of stockholders, our Board of Directors will consist of 10 directors, five of whom are former directors of FCB Bancorp and five of whom are former directors of National Mercantile. In the event the number of directors is increased or decreased, the Board of Directors will nominate candidates so as to cause the ratio of former National Mercantile directors to former FCB directors to equal one. A special majority of the Board of Directors consisting of at least three-quarters of the members of the Board and a majority of both former FCB Bancorp and former National Mercantile directors serving at the time may determine that this nomination process will not apply to any one or more directorships.

Director Attendance at Annual Meetings

The Board's policy regarding director attendance at annual meetings of stockholders is that directors are required to attend. First California does not reimburse directors for expenses related to attendance at annual meetings of stockholders.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company engaged the independent registered public accounting firm of Moss Adams LLP as our principal independent auditor to audit our financial statements for the fiscal years ended December 31, 2007 and 2008, and the Board of Directors, upon recommendation of its Audit Committee, has ratified the appointment of Moss Adams LLP to serve as its independent auditor for the fiscal year ending December 31, 2009. Representatives of Moss Adams LLP will be present at the Annual Meeting to answer questions and will have the opportunity to make a statement if they desire to do so.

We are asking our stockholders to ratify the appointment of Moss Adams LLP as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the appointment of Moss Adams LLP to our stockholders for ratification because we value our stockholders' views on the Company's independent auditor and as a matter of good corporate practice. In the event that our stockholders fail to ratify the appointment, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent auditor, subject to ratification by the Board, at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The Board of Directors unanimously recommends a vote FOR the ratification of the selection of Moss Adams LLP as its independent registered public accounting firm for the fiscal year ending December 31, 2009.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent First California Financial Group, Inc. specifically incorporates this Report by reference therein.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission.

Management is responsible for First California Financial Group, Inc.'s (the Company's) financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accountants are responsible for auditing those financial statements.

The Audit Committee's responsibility is to monitor and review these processes and procedures. The Audit Committee has relied on the information provided and on the representations made by management regarding the effectiveness of internal control over financial reporting, that the financial statements have been prepared with integrity and objectivity and that such financial statements have been prepared in conformity with generally accepted accounting principles. The Audit Committee also relies on the opinions of the independent public accountants on the consolidated financial statements and the effectiveness of internal controls over financial reporting. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, its consultations and discussions with management and the independent public accountants do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that our Company's independent accountants are in fact independent.

The Audit Committee met and discussed with the independent public accountants the matters required to be discussed by Statements on Accounting Standards (SAS) No. 61, as currently in effect. In addition, the Audit Committee has discussed with the independent public accountants their independence from the Company and has received the written letter from the independent public accountants as required by Public Company Accounting Oversight Board (PCAOB) Rule 3526 (Communication with Audit Committees Concerning Independence) and the SEC.

The Audit Committee also met and discussed with the independent public accountants issues related to the overall scope and objectives of the audit, the Company's internal controls and critical accounting policies, and the specific results of the audit. Management was present at all or some part of each of these meetings. Lastly, the Audit Committee met with management and discussed the engagement of Moss Adams LLP as the Company's independent public accountants.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year 2008 filed with the Securities and Exchange Commission.

The recently-enacted American Recovery and Reinvestment Act of 2009 (ARRA) requires the Company, during the period in which any obligation arising from the Company's participation in the Troubled Asset Relief Program Capital Purchase Program (TARP-CPP) remains outstanding, to submit to the Company's stockholders a non-binding vote on the compensation of the Company's executive officers, as described in the section entitled Executive Compensation below, including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this Proxy Statement.

This proposal, commonly known as a say-on-pay proposal , gives the Company's stockholders the opportunity to endorse or not endorse the Company's executive pay program. Accordingly, stockholders of the Company are being asked to approve the following resolution:

RESOLVED, that the stockholders of First California Financial Group, Inc. hereby approve the compensation of executive officers as described under the heading Executive Compensation, including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure, in this Proxy Statement.

This vote shall not be binding on the Board of Directors and will not be construed as overruling a decision by the Board nor create or imply any additional fiduciary duty by the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, stockholders may vote FOR the resolution, AGAINST the resolution or ABSTAIN from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting. On this matter, abstentions will have no effect on the voting. The Board of Directors believes that the compensation practices of the Company are designed to accomplish the objectives of the Compensation Committee's compensation philosophy, and are appropriately aligned to the long-term success of the Company and the interests of its stockholders.

In connection with the Company's participation in TARP-CPP, the Company's named executive officers have entered into written agreements with the Company pursuant to which they have agreed to certain modifications to compensation, bonus, incentive and other benefit plans, arrangements, agreements, including golden parachute, severance and employment agreements (Benefit Plans). The modification to the Benefit Plans are intended to comply with the requirements for executive compensation set forth in the Emergency Economic Stabilization Act of 2008 (EESA) pursuant to which TARP-CPP was authorized. These agreements modify Benefit Plans in the following ways: (i) the payment of golden parachutes to the named executive officers is prohibited; (ii) any bonus and incentive compensation paid to a named executive officer is subject to recovery or clawback by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria; and (iii) compensation incentives for named executive officers to take unnecessary and excessive risks that threaten the value of the Company are prohibited.

In addition, EESA, as subsequently amended by ARRA in February 2009, imposes additional limitations on executive compensation which will apply for so long as any obligation arising from the Company's participation in TARP-CPP remains outstanding. Prior to the enactment of ARRA, however, the Treasury issued guidelines clarifying the executive compensation limitations in EESA (the Treasury Guidelines). To the extent the Treasury Guidelines conflict with the express provisions of EESA, as now amended by ARRA, the provisions of ARRA shall control. The following are some key features of the new executive compensation restrictions in ARRA:

ARRA prohibits bonus and similar payments to top employees. ARRA prohibits the payment of any bonus, retention award, or incentive compensation to the Company's most highly-compensated employee for so long as any obligation arising from the Company's participation in TARP-CPP remains outstanding. The prohibition does not apply to bonuses payable pursuant to employment agreements in effect prior to February 11, 2009. ARRA does not explain how to identify the most highly-compensated employee and does not define incentive compensation. The Treasury Guidelines do not contain a similar limit on bonuses. Instead, the Treasury Guidelines impose a \$500,000 annual compensation cap for a company's senior executive officers, but allows the cap to be waived for all companies other than those receiving exceptional assistance. The Company has not received exceptional assistance, as this term is used in the Treasury Guidelines. Waiver under the Treasury Guidelines is conditioned on the Company's full disclosure of compensation and allowing shareholders a non-binding say-on-pay vote.

Limited amount of restricted stock excluded from bonus prohibition. Long-term restricted stock is excluded from ARRA's bonus prohibition, but only to the extent the value of the stock does not exceed one-third of the total amount of annual compensation of the employee receiving the stock, the

Table of Contents

stock does not fully vest until after all TARP-CPP-related obligations have been satisfied, and any other conditions which the Treasury may specify have been met. The Treasury Guidelines also exempt an unlimited amount of restricted stock from the \$500,000 annual compensation cap described above. Neither ARRA nor the Treasury Guidelines explain how to value various items, such as equity compensation, indirect compensation such as benefits and taxes, when assessing this limit.

Shareholder say-on-pay vote required. ARRA requires every company receiving TARP-CPP assistance to permit a non-binding shareholder vote to approve the compensation of executives as disclosed in the Company's Proxy Statement. The Treasury Guidelines contain a similar requirement but only for companies receiving exceptional assistance. ARRA directs the SEC to adopt regulations within 1 year to implement say-on-pay. The Company has included a say-on-pay proposal as Proposal 2 in this Proxy Statement.

Stricter restrictions on golden parachute payments. EESA generally limited golden parachute payments to senior executives to three times the executives' base compensation. ARRA prohibits any payment to a senior executive officer or any of the next five most highly-compensated employees upon termination of employment for any reason for as long as any TARP-CPP-related obligations remain outstanding. For all companies other than companies receiving exceptional assistance, the Treasury Guidelines limit golden parachute payments to 1 time base compensation and only apply the limit to the senior executive officers.

Broader bonus clawback requirements. EESA required TARP-CPP-participating companies to recover any bonus or other incentive payment paid to a senior executive officer on the basis of materially inaccurate financial or other performance criteria. ARRA extends this recovery requirement to the next 20 most highly-compensated employees in addition to the senior executive officers. This extension is consistent with the Treasury Guidelines.

Prohibition on compensation plans that encourage earnings manipulation. ARRA prohibits TARP-CPP participants from implementing any compensation plan that would encourage manipulation of the reported earnings to enhance the compensation of any of its employees. The Treasury Guidelines do not contain a similar requirement.

Board compensation committee required. ARRA requires TARP-CPP participants to establish a board compensation committee and requires the committee to meet at least semiannually to discuss and evaluate employee compensation plans in light of an assessment of any risk to us posed by such plans. The Treasury Guidelines do not contain a similar requirement.

New reporting and certification requirements. ARRA requires the CEO and CFO of any publicly-traded CPP-participating company to provide a written certification of compliance with the executive compensation restrictions in ARRA in the Company's annual filings with the SEC (i.e. in its Annual Report on Form 10-K or Proxy Statement). The Treasury Guidelines require reporting and certification as well but do not detail how the reporting and certification are to be accomplished. On February 26, 2009, the SEC issued written guidance confirming that this requirement is currently not in effect and will become effective following the issuance of Treasury guidelines establishing the compensation and corporate governance standards under ARRA.

Policy on luxury expenditures. ARRA requires each TARP-CPP-participating company to implement a company-wide policy regarding excessive or luxury expenditures, including excessive expenditures on entertainment or events, office and facility renovations, aviation or other transportation services. This is consistent with the Treasury Guidelines which contain a similar requirement.

Treasury review of prior payments. ARRA directs the Treasury to review bonuses, retention awards and other compensation paid to the senior executive officers and the next 20 most highly-compensated employees of each company receiving TARP-CPP assistance before ARRA was enacted, and to seek to negotiate with the TARP-CPP recipient and affected employees for reimbursement if it finds any such payments were inconsistent with TARP-CPP or otherwise in conflict with the public interest.

Table of Contents

In addition to the above requirements, ARRA adopts and continues two requirements from EESA essentially unchanged:

\$500,000 annual deduction limit. Like EESA, ARRA prohibits TARP-CPP participants from deducting annual compensation paid to senior executive officers in excess of \$500,000. The Treasury Guidelines, in contrast, contain the \$500,000 annual compensation cap for senior executives described above (which may be waived by all companies other than those receiving exceptional assistance) but do not specifically address the deduction limit.

No excessive risks. Like EESA, ARRA requires the Treasury Department to implement limits on compensation that exclude incentives for senior executive officers of a TARP-CPP-participating company to take unnecessary and excessive risks that threaten the value of the company for as long as any TARP-CPP-related obligation remains outstanding. The Treasury Department implemented this directive under EESA by requiring periodic compensation committee review and certification of the risk characteristics of a company's incentive compensation arrangements, and presumably these same review and certification requirements would apply going forward under ARRA. ARRA requires that the compensation committee perform such a review at least semi-annually.

ARRA requires both the Treasury and the SEC to issue rules to implement these new executive compensation restrictions.

Many aspects of the foregoing restrictions will not be clear until the Treasury and the SEC publish new rules.

The foregoing restrictions imposed by ARRA implement many, but not all, of the restrictions of the Treasury Guidelines. At the present time, the Treasury has not announced whether it intends to publish rules to implement the aspects of the Treasury Guidelines that were not addressed by ARRA.

The Company has already implemented the prior requirements of EESA. The Compensation Committee will consider the new limits on executive compensation of ARRA, the Treasury Guidelines (to the extent they apply to the Company), and any forthcoming regulations. When the Treasury publishes such regulations, the Compensation Committee promptly will make appropriate changes to the Company's executive compensation program.

Employment Arrangements with C. G. Kum

The following is a description of all written employment arrangements between the Company and C. G. Kum. All such written agreements entered into prior to June 2006 were assumed by First California in connection with the Mergers.

Salary Continuation Agreement with C. G. Kum. In March 2003, First California Bank entered into a salary continuation agreement with Mr. Kum, which was subsequently amended in December 2008. Upon retirement at or after age 65 for reasons other than death, the agreement provides for a maximum annual benefit of \$160,471 paid in equal monthly installments, which will be paid over the lesser of 17 years or such shorter period of time based upon the number of years that Mr. Kum is employed by the Bank prior to normal retirement. If Mr. Kum leaves the Bank's employ by virtue of early voluntary retirement (prior to attaining age 65) or is terminated for cause (as defined in the agreement), he will not be eligible for a benefit under the agreement. In the event Mr. Kum leaves the Company's employ by virtue of death (either prior or subsequent to retirement), involuntary termination (without cause), disability or, under certain circumstances, a change in control, he will receive partial benefits under the agreement. The amount to be paid under the agreement to Mr. Kum in the event of early involuntary termination is determined based on the year in which termination occurs, and is to be paid in one lump sum by the Company within 30 days following the termination of employment. Upon Mr. Kum's termination of employment due to disability, Mr. Kum will receive a specified amount determined based on the year in which the disability occurs, which is to be paid as an annual benefit for a period of 17 years. Upon a

change in control, followed within 12 months by Mr. Kum's termination of employment for reasons other than death, disability or retirement, Mr. Kum will receive a lump sum amount of \$1,488,723 within 30 days following the termination of employment.

The salary continuation agreement is an unfunded arrangement, which means that Mr. Kum has no rights under the agreement beyond those of a general creditor of the Company, and there are no specific assets set aside by the Company in connection with the establishment of the agreement. The salary continuation agreement is not an employment contract. While receiving benefits under the agreement, Mr. Kum may not serve as an employee, officer or director of, or serve as a consultant or advisor to, any financial institution that has its headquarters or any branch office within the County of Ventura or the County of Santa Barbara, California.

Split Dollar Agreement with C. G. Kum. First California Bank also entered into split-dollar life insurance agreements with Mr. Kum in March 2003, which was subsequently amended in December 2008. In connection with that agreement, First California Bank acquired life insurance policies with respect to Mr. Kum. Pursuant to the terms of that agreement, the Company owns the insurance policy, is entitled to the cash value of the policy and is responsible for paying the associated premiums. Upon Mr. Kum's death while employed by the Company, or after termination of employment by reason of retirement at age 65 or subsequent to a change-in-control, a beneficiary designated by Mr. Kum is entitled to receive \$1.5 million of the total proceeds, with the Company entitled to the balance. The Bank paid an aggregate premium in 2002 amounting to \$1.4 million for this policy.

Employment Agreement with C. G. Kum. Concurrently with execution of the Merger Agreement on June 15, 2006, First California and Mr. Kum entered into an employment agreement that provides that Mr. Kum would serve First California as Chief Executive Officer commencing with the closing of the Mergers. Pursuant to the employment agreement, Mr. Kum receives an annual base salary of \$375,000 (subject to review and increase commencing in 2008) and a bonus based on First California's net earnings, with the total bonus not to exceed 150% of the base salary. Additionally, Mr. Kum was granted an option to purchase 100,000 shares of First California Common Stock on Mr. Kum's start date with an exercise price equal to the fair market value on the date of grant. Either First California or Mr. Kum may terminate his employment at any time with or without cause (as defined in the employment agreement). If First California terminates his employment without cause, Mr. Kum will be entitled to 18 months of health insurance coverage and severance, as follows: (1) if the termination is on or before March 1, 2009, the severance will be twice his then current salary; (2) if the termination is after March 1, 2009, the severance will be 50% of his then current salary if at least 70% of the Board members vote for such termination; if less than 70% of the Board members vote for such termination, the severance will be 150% of his then current salary plus 150% of the average of his bonuses for the two preceding years. If within 18 months following a change in control, Mr. Kum's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreement), Mr. Kum will receive the greater of two times his then current salary or 2.99 times his average salary and bonus over the prior five years, provided that in no event can the payment exceed the golden parachute limitation under Section 280G of the Internal Revenue Code.

Employment Arrangements for Romolo Santarosa

The following is a description of all written employment arrangements between the Company and Romolo Santarosa. All such written agreements entered into prior to June 2006 were assumed by First California in connection with the Mergers.

Salary Continuation Agreement with Romolo Santarosa. In May 2006, First California Bank entered into a salary continuation agreement with Mr. Santarosa, which was subsequently amended in December 2008. Upon retirement at or after age 65 for reasons other than death, the agreement provides for an annual benefit of \$85,000, which will be paid over the lesser of 15 years or such shorter period of time based upon the number of years that Mr. Santarosa is employed by the Bank prior to normal retirement. If Mr. Santarosa leaves the Company's employ by virtue of early voluntary retirement (prior to attaining age 65) or is terminated for cause (as defined in the agreement), he will not be eligible for a benefit under the agreement. In the event

Mr. Santarosa leaves the Company's employ by virtue of death (either prior or subsequent to retirement), involuntary termination (without cause), disability or, under certain circumstances, a change in control, he will receive partial benefits under the agreement. The amount to be paid under the agreement to Mr. Santarosa in the event of early involuntary termination is determined based on the year in which termination occurs, and is to be paid in one lump sum by the Company within 30 days following the termination of employment. Upon Mr. Santarosa's termination of employment due to disability, Mr. Santarosa will receive a specified amount determined based on the year in which the disability occurs, which is to be paid as an annual benefit for a period of 15 years. Upon a change in control, followed within 12 months by Mr. Santarosa's termination of employment for reasons other than death, disability or retirement, Mr. Santarosa will receive a lump sum amount of \$792,660 within 30 days following the termination of employment.

The salary continuation agreement is an unfunded arrangement, which means that Mr. Santarosa has no rights under the agreement beyond those of a general creditor of the Company, and there are no specified assets set aside by the Company in connection with the establishment of the agreement. The salary continuation agreement is not an employment contract. While receiving benefits under the agreement, Mr. Santarosa may not serve as an employee, officer or director of, or serve as a consultant or advisor to, any financial institution that has its headquarters or any branch office within the County of Ventura or the County of Santa Barbara, California.

Split Dollar Agreement with Romolo Santarosa. First California Bank also entered into split-dollar life insurance agreements with Mr. Santarosa in July 2003 and May 2006, which was subsequently amended in December 2008. In connection with these agreements, First California Bank acquired life insurance policies with respect to Mr. Santarosa. Pursuant to the terms of those agreements, the Company owns the insurance policies, is entitled to the cash value of the policies and is responsible for paying the associated premiums. Pursuant to the terms of one of the split-dollar life insurance agreements, upon Mr. Santarosa's death while employed by the Company, or after termination of employment by reason of retirement at age 65 or subsequent to a change-in-control, a beneficiary designated by Mr. Santarosa is entitled to receive \$850,000 of the total proceeds, with the Company entitled to the balance. Under the other split-dollar life insurance agreement, a beneficiary designated by Mr. Santarosa will receive \$400,000 upon Mr. Santarosa's death while employed by the Company, with a reduced death benefit upon termination of Mr. Santarosa's employment with the Company by any reason other than disability. The Bank paid aggregate premiums in 2002 and 2006 amounting to \$673,000 for these policies.

Description of Stock Incentive Plans

The following is a description of First California's stock incentive plans for which stock options and restricted stock granted under such plans were outstanding at December 31, 2008. All awards that have been issued during 2008 have been issued pursuant to the First California 2007 Omnibus Equity Incentive Plan.

First California 2007 Omnibus Equity Incentive Plan

In June 2007, the Board of Directors and the Company's stockholders approved the First California 2007 Omnibus Equity Incentive Plan, or First California Plan. The First California Plan authorizes the issuance of awards for up to 1,000,000 shares of the Company's Common Stock in the form of incentive stock options, non-statutory stock options, stock appreciation rights, restricted stock, restricted stock units and other stock-based awards. The First California Plan is administered and interpreted by the Compensation Committee. The Compensation Committee selects the officers and other employees to receive awards, determines the types of awards and number of shares to be awarded to them and sets the terms, conditions and provisions of the awards consistent with the terms of the First California Plan. The Compensation Committee may establish rules for the administration of the First California Plan. All actions, interpretations and determinations made by the Compensation Committee shall be final and conclusive and binding.

At December 31, 2008, outstanding awards under the First California Plan consisted of both stock options and restricted stock. Restricted stock granted to non-employee directors vests over three years in three equal annual installments. Restricted stock granted to employees generally vests over five years in five equal annual installments. Stock options granted to Key Persons (as defined in the First California Plan) may be either incentive stock options, or ISOs, under the provisions of Section 422 of the Internal Revenue Code, or the Code, or options that are not subject to the provisions of Section 422 of the Code, or Nonqualified Options. Options entitle the recipient to purchase shares of Common Stock at the exercise price specified in the award agreement. The Compensation Committee at its discretion determines the number of option shares, the term of the option, the exercise price, vesting schedule and any other terms and conditions. The exercise price per share of Common Stock covered by an option will not be less than the fair market value of a share of Common Stock on the date of grant. The Compensation Committee will determine the periods during which the options will be exercisable. However, no ISO will be exercisable more than 10 years after the date of grant. The Compensation Committee may impose restrictions, as it deems advisable on the shares acquired pursuant to the exercise of an option, including but not limited to requiring the recipient to hold the shares acquired pursuant to the exercise for a specified period of time.

The Board or the Compensation Committee may amend or terminate the First California Plan, provided that no amendment that requires stockholder approval under Delaware law, the listing requirements of The Nasdaq Stock Market, Inc., or in order for the First California Plan to continue to comply with Rule 16b-3 of the Securities Exchange Act of 1934, as amended, or Section 162(m) of the Code shall be effective unless it is approved by the requisite vote of stockholders. No amendment shall adversely affect any of the rights of any holder of any award without the holder's consent. Absent such early termination by the Board or the Compensation Committee, the First California Plan will terminate in 2017.

At December 31, 2008, the number of shares of Common Stock to be issued upon exercise of outstanding options granted pursuant to the First California Plan was 140,000 shares, and the number of shares of Common Stock remaining available for future issuance under the First California Plan was 831,099 shares. At December 31, 2008, the number of shares of Common Stock issued as restricted stock awards granted under these plans and not yet vested was 26,812.

First California Financial Group, Inc. Amended 1996 NMB Stock Incentive Plan (formerly known as the National Mercantile Bancorp Amended 1996 Stock Incentive Plan)

The National Mercantile Bancorp Amended 1996 Stock Incentive Plan, or the 1996 Plan, as amended on June 6, 2002 and which terminated in April 2005, was assumed by First California in connection with the Mergers and renamed the First California Financial Group, Inc. Amended 1996 NMB Stock Incentive Plan. The 1996 Plan provided for the grant of either incentive stock options or non-qualified stock options covering up to an aggregate of 835,638 shares of National Mercantile common stock. FCB 2005 Stock Option Plan. At the effective time of the Mergers, each outstanding option to purchase shares of FCB Bancorp common stock, vested or unvested, was converted into an option to acquire a number of shares of First California Common Stock equal to the product of (i) the number of shares of FCB Bancorp common stock subject to the FCB Bancorp Plan immediately prior to the effective time and (ii) the exchange ratio of 1.7904 at an exercise price per share adjusted by the exchange ratio.

At December 31, 2008, the number of shares of Common Stock issuable upon exercise of outstanding options granted pursuant to the FCB Bancorp Plan was 337,256 shares, and the number of shares of Common Stock remaining available for future issuance under the FCB Bancorp Plan was 96,196 shares. The FCB Bancorp Plan will terminate on May 19, 2015. The Company does not intend to issue any additional awards pursuant to this plan.

Non-Qualified Deferred Compensation

National Mercantile Deferred Compensation Plan

Prior to the Mergers, National Mercantile's Deferred Compensation Plan sought to provide specified benefits to a select group of management or highly compensated employees who contributed materially to the growth, development and future business of the company. The plan allowed eligible participants to select a certain amount of their annual compensation to be set aside in an interest-bearing account at an annual rate equal to prime plus 150 basis points with a maximum rate of 9% and a minimum rate of 5%. Upon the participant's termination of employment and subject to a six month delay in distributions under Internal Revenue Code Section 409A, National Mercantile would pay the participant the sum of all amounts and interest accrued in monthly installments for up to five years or in one lump sum payment, to be selected by the participant. If,

Table of Contents

however, the participant was terminated for cause, all interest accrued would be eliminated and the participant would receive only the amount of compensation deferred. We suspended participation and contributions to this plan in 2007.

Description of Non-equity Incentive Plan

The Company awards annual cash incentive bonuses to certain of its employees, including the named executive officers, under the Company's incentive compensation program. In paying annual cash bonuses, the Company seeks to align the compensation of the named executive officers and other employees with performance. Accordingly, the payment of the annual cash bonus depends on the achievement of the Company's net profit target, as approved by the Board of Directors for a given year. The Board of Directors sets the net profit target after taking into account, among other things, expected growth in loans, deposits and total assets. Under the incentive compensation program, an employee in good standing is eligible to receive a bonus calculated as a percentage of salary and as a percentage of net profit for the chief executive officer. A threshold cash bonus amount occurs when the Company achieves 85% of the net profit goal with an upper limit of 115%. The threshold cash bonus amount is deducted from the net profit goal before measuring the percentage achievement. The Board of Directors, under the incentive compensation program, has the discretion to award a lower cash bonus than may have been received in respect of any particular year. The payment of annual cash bonuses generally occurs in March of each year in respect of achievements of the prior fiscal year.

Compensation of Directors

First California's non-employee directors are paid for attendance at Board meetings at the rate of \$18,000 per year. In addition, the Chairman of the Board receives an additional \$16,000 per year. The Company's non-employee directors are paid for attendance at Audit Committee, Loan Committee, Balance Sheet Committee and Compensation Committee meetings at the rate of \$7,000 per year for each respective committee. The Chairman of the Audit Committee receives an additional \$7,000 per year and the Chairs of the other Board committees receive an additional \$5,000 per year. The designated financial expert on the Audit Committee receives an additional \$2,000 per year.

In July 2006, First California Bank entered into split-dollar life insurance agreements with Richard Aldridge and John Birchfield in connection with which First California Bank purchased life insurance policies for such directors. Pursuant to the terms of those agreements, First California Bank owns the life insurance policies, is entitled to the cash value of the policies and is responsible for paying the associated premiums. Under the plan, a beneficiary designated by the director is entitled to receive \$250,000 of the total proceeds upon the director's death, with First California Bank entitled to the balance. Certain Relationships and Related Transactions

There are no existing or proposed material transactions between the Company and any of our directors, executive officers or beneficial owners of 5% or more of our Common Stock, or the immediate family or associates of any of the foregoing persons exceeding \$120,000 between January 1, 2007 and December 31, 2008, except as indicated below.

As of December 31, 2008, deposits of related parties held by the Company amounted to approximately \$1,649,000. As of December 31, 2008, there was one extension of credit to our directors, officers or principal shareholders, or their associates.
