the entity resulting from such transaction (including, without limitation, an entity which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries), (ii) no Organization (excluding any entity resulting from such transaction or any Benefit Plan of the Company or such entity resulting from such transaction) beneficially owns, directly or indirectly, 50% or more of the combined voting power of the then outstanding voting securities of such entity and (iii) at least a majority of the members of the board of directors or similar board of the entity resulting from such transaction were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such transaction; or (D) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company. For purposes of the foregoing: **Benefit Plan** means any employee benefit plan, including any related trust; **Board** means the Board of Directors of the Company; **Exchange Act** means the Securities Exchange Act of 1934, as amended; and **Organization** means any individual, entity or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act).

(e) **Executive** means each employee of the Company specifically designated by the Compensation Committee (or an individual specifically appointed by the Compensation Committee to make such determination) as eligible to participate in this Plan, provided such individual holds the position of Vice President or above in the Company, or is otherwise identified as an essential employee by the Compensation Committee.

(f) **Good Reason** means (i) material reduction in Executive's base salary, benefits, duties or responsibilities; or (ii) relocation of Executive's principal office, without his/her consent, to a location more than thirty (30) miles from its location on the day prior to the Change in Control.

(g) **Person** means an individual, a corporation, an association, a partnership, an estate, a trust and any other entity or organization, other than the Company or any of its Affiliates.

(h) **Products** mean all products planned, researched, developed, under development, tested, manufactured, sold, licensed, leased or otherwise distributed or put into use by the Company or any of its Affiliates, together with all services provided or planned by the Company or any of its Affiliates, during Executive's employment.

2. Change of Control.

(a) If a Change of Control occurs, on the date of such Change in Control, fifty-percent (50%) of any stock options or shares of restricted stock of the Company previously granted or issued to the Executive that are outstanding and unvested as of the date of the Change

in Control shall become vested, exercisable and, in the case of shares of restricted stock, no longer subject to forfeiture., provided that Executive is employed by the Company on the date of such Change in Control.

(b) If a Change of Control occurs and, within eighteen (18) months following such Change of Control, the Company terminates Executive's employment other than for Cause, or such Executive terminates his/her employment for Good Reason, then the Company shall, until the conclusion of a period of twelve (12) months following the effective date of such termination, and subject to Executive's continued compliance with this Plan and the Participation Agreement: (A) continue to pay Executive his/her base salary at the rate in effect on the date of termination; (B) continue to make payments to Executive under the Company's then Executive incentive plan, if such a plan exists on the date of termination; and, (C) continue to contribute to the premium cost of Executive's participation in the Company's group medical and dental insurance plans at the same rate that it contributes for active employees, provided that Executive is entitled to continue such participation under applicable law and plan terms, and provided further that Executive pays his/her portion of the premium cost by payroll deduction. The payment(s) described in subparagraph (B) above shall be equal to the higher of (x) Executive's target incentive bonus or (y) the actual incentive bonus paid to Executive, if any, under the Company's Executive incentive plan for the last full fiscal year preceding the year in which Executive's employment is terminated, and shall be pro-rated for any period less than a full year. In addition, in the event the Company terminates Executive's employment other than for Cause, or Executive terminates his/her employment for Good Reason within eighteen (18) months following a Change of Control, then (I) any outstanding unvested options granted or issued to the Executive as of the date of the Change in Control shall become vested and shall be exercisable for ninety (90) days following termination of the Executive's employment, (II) any shares of unvested restricted stock of the Company granted or issued to the Executive as of the date of the Change in Control shall become vested and no longer subject to forfeiture, and (III) the Company will provide Executive with outplacement assistance through a firm of its choice at a cost not to exceed \$10,000.

(c) All payments required to be made by the Company hereunder to Executive or his/her dependents, beneficiaries, or estate will be reduced by any tax, payroll deductions or other amounts required to be withheld by the Company under applicable law.

(d) Payment(s) by the Company and contributions to the cost of Executive's continued participation in the Company's group health and dental plans that may be due Executive under Section 2(b) shall constitute the entire obligation of the Company to Executive. (e) Except for medical and dental insurance coverage continued pursuant to Section 2(b), benefits shall terminate pursuant to the terms of the applicable benefit plans based on the date of termination of Executive's employment without regard to any continuation of base salary or other payment to Executive following such date of termination.

(f) The obligation of the Company to make payments to or on behalf of Executive under Section 2(b) is expressly conditioned upon Executive's continued full performance of obligations under the Plan and Executive's Participation Agreement. Executive recognizes that, except as expressly provided in Section 2(b), no compensation is earned by, or in any way owing to, Executive after termination of employment.

(g) To the extent any payment hereunder shall be required to be delayed until six months following separation from service to comply with the specific employee rules of Section 409A of the Internal Revenue Code, it shall be delayed (but not more than is required to comply with such rules).

3. Amendment. This Plan may be amended, modified or terminated by the Compensation Committee of the Board of Directors in sole discretion, provided that any such amendment, modification or termination shall not be effective with respect to any Executive that has executed a Participation Agreement, except to the extent such Executive has agreed in writing to be bound by such amendment, modification or termination.

4. Governing Law. This Plan shall be construed and enforced under and be governed in all respects by the laws of the Commonwealth of Massachusetts, without regard to the conflict of laws principles thereof.

Adopted by Compensation Committee June 10, 2009

CHANGE OF CONTROL PLAN

Participation Agreement

Executive signing below, hereby wishes to participate in the Executive Change of Control Plan of the Company, dated June 2, 2005 (the Plan). In order for Executive to participate in the Plan, Executive must agree to the restrictions on his/her activities during and after his/her employment as provided in this Participation Agreement. Any capitalized terms used in this Participation Agreement and not defined shall have the meaning set forth in the Plan. By signing below, the Company and Executive agree as follows:

1. Participation in the Plan. Executive shall be entitled to participate in the Plan on the terms and condition provided for in the Plan and this Participation Agreement, as the same may be amended from time to time.

2. Non-competition. While Executive is employed by the Company and for the greater of (i) twelve (12) months after his/her employment terminates or (ii) the period during which Executive is receiving payments under the Plan (the Non-Competition Period), Executive shall not, directly or indirectly, whether as owner, partner, investor, consultant, agent, employee, co-venturer or otherwise, compete with the Company or any of its Affiliates or undertake any planning for any business competitive with the Company or any of its Affiliates. Specifically, but without limiting the foregoing, Executive agrees not to engage in any manner in any activity that is directly or indirectly competitive with the business of the Company or any of its Affiliates as conducted or under consideration at any time during Executive s employment. Restricted activity includes without limitation accepting employment or a consulting position with any Person who is, or at any time within twelve (12) months prior to termination of Executive s employment has been, a competitor or a customer of the Company or any of its Affiliates. For the purposes of this Section 2, the business of the Company and its Affiliates shall include all Products and Executive s undertaking shall encompass all items, products and services that may be used in substitution for Products. The foregoing shall not prohibit Executive s passive ownership of two percent (2%) or less of the equity securities of any publicly traded company. Executive agrees that, during his/her employment with the Company or any Affiliate of the Company, he/she will not undertake any outside activity, whether or not competitive with the business of the Company or its Affiliates, that could reasonably give rise to a conflict of interest or otherwise interfere with his/her duties and obligations to the Company or any of its Affiliates.

3. Non-solicitation. Executive further agrees that while he/she is employed by the Company or any Affiliate of the Company and thereafter during the Non-Competition Period, Executive will not hire or attempt to hire any employee of the Company or any of its Affiliates, assist in such hiring by any Person, encourage any such employee to terminate his or her relationship with the Company or any of its Affiliates, or solicit or encourage any customer or vendor of the Company or any of its Affiliates to terminate its relationship with them, or, in the case of a customer, to conduct with any Person any business or activity which such customer conducts or could conduct with the Company or any of its Affiliates.

4. Conflicting Agreements. Executive hereby represents and warrants that the execution of this Participation Agreement, participation in the Plan and the performance of his/her obligations hereunder will not breach or be in conflict with any other agreement to which Executive is a party or is bound. In addition, except where specifically provided in the Plan or this Participation Agreement, nothing in the Plan or this Participation Agreement is intended to replace, amend or modify any other agreement between the Company and Executive, and to the extent such other agreements contain similar provisions to those provided for in this Participation Agreement, such provisions shall be in addition to the provisions provided herein and shall remain in effect.

5. Notification Requirement. Until the conclusion of the Non-Competition Period Executive shall give notice to the Company of each new business activity he/she plans to undertake, at least twenty-one (21) days prior to beginning any such activity. Such notice shall state the name and address of the Person for whom such activity is undertaken and the nature of Executive's business relationship(s) and position(s) with such Person. Executive shall provide the Company with such other pertinent information concerning such business activity as the Company may reasonably request in order to determine Executive's continued compliance with this Participation Agreement and the Plan.

6. Enforcement of Covenants. Executive acknowledges that he/she has carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed upon his/her pursuant to the Plan and this Participation Agreement. Executive agrees that said restraints are necessary for the reasonable and proper protection of the Company and its Affiliates and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area. Executive further acknowledges that, were he/she to breach any of his/her covenants contained in the Plan or Participation Agreement, the damage to the Company would be irreparable. Executive therefore agrees that the Company, in addition to any other remedies available to it, shall be entitled to preliminary and permanent injunctive relief against any breach or threatened breach by Executive of any of said covenants, without having to post bond. The parties further agree that, in the event that any provision of Sections 4 hereof shall be determined by any court of competent jurisdiction to be unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, such provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law.

7. General. This Participation Agreement may be amended or modified by execution of an amendment signed by Executive and the Company. This Participation Agreement and the Plan shall be construed and enforced under and be governed in all respects by the laws of the Commonwealth of Massachusetts, without regard to the conflict of laws principles thereof.

IN WITNESS WHEREOF, this Participation Agreement has been executed as a sealed instrument by the Company, by its duly authorized representative, and by Executive, as of [INSERT DATE].

RESTRICTED STOCK AWARD AGREEMENT INCORPORATED TERMS AND CONDITIONS

ANTIGENICS INC. (the Company) agrees to grant to Stockholder the shares of the Company's common stock (Common Stock) on the following terms and conditions:

1. Grant Under Plan. This stock award is made pursuant to and is governed by the Company's 2009 Equity Incentive Plan (the Plan) and, unless the context otherwise requires, terms used herein shall have the same meaning as in the Plan. This stock award does not set forth all of the terms and conditions of the Plan, which are incorporated herein by reference. The Board administers the Plan and its determinations regarding the operation of the Plan are final and binding.

2. Award of Stock. The Company hereby grants to Stockholder the Shares specified on the cover page of this agreement. The Company will promptly issue a certificate or certificates registered in the Stockholder's name representing the Shares.

3. Vesting if Business Relationship Continues.

(a) Vesting Schedule. If the Stockholder has continuously maintained a Business Relationship with the Company through the vesting dates specified on the cover page hereof, Unvested Shares shall become Vested Shares (or shall vest) on such dates in an amount equal to the number of shares set in accordance with the vesting schedule specified on the cover page. Unvested Shares shall be subject to forfeiture provisions described in Section 6 unless and until they become Vested Shares. Unvested Shares are subject to the restrictions on transfer contained herein. Subject to Section 5, Vested Shares are freely transferable. If the Stockholder's Business Relationship with the Company ceases, voluntarily or involuntarily, with or without cause, for any reason or no reason, no Unvested Shares shall become Vested Shares thereafter under any circumstances with respect to the Stockholder. Business Relationship means service to the Company or its successor in the capacity of an employee, officer, director or consultant. Any determination under this agreement as to the status of a Business Relationship or other matters referred to above shall be made in good faith by the Board of Directors of the Company. The Board of Directors, in its discretion, may accelerate the vesting or all or a portion of the Unvested Shares.

(b) Certain Terminations of Business Relationship. For purposes hereof, employment shall not be considered as having terminated during any leave of absence if such leave of absence has been approved in writing by the Company. For purposes hereof, a termination of employment followed by another Business Relationship shall not be deemed a termination of the Business Relationship. This agreement shall not be affected by any change of employment within or among the Company and its Subsidiaries so long as the Stockholder continuously remains an employee of the Company or any Subsidiary.

4. Restrictions on Transfer of Unvested Shares; Forfeiture to the Company. The Stockholder may not sell, assign, transfer, pledge, encumber or dispose of (Transfer) all or any of his or her Unvested Shares or any interest therein except to the Company pursuant to this Section 4.

Upon the termination of the Stockholder's Business Relationship, the Stockholder shall forfeit to the Company, without any payment or other consideration, all Unvested Shares (the Forfeited Shares). The forfeiture of the Forfeited Shares shall take place automatically upon termination of the Stockholder's Business Relationship. Upon termination of the Stockholder's Business Relationship, the Company shall automatically become the legal and beneficial owner of the Shares being forfeited and all rights and interests therein or relating thereto, and the Company shall have the right to retain and transfer to its own name or cancel the number of Shares being forfeited to the Company.

Notwithstanding the foregoing, a Stockholder may transfer any or all Unvested Shares by court order, in which event each such transferee shall be bound by all of the provisions of this agreement to the same extent as if such transferee were the Stockholder.

5. Securities Laws Restrictions. The Company may defer the issuance of the Shares or prohibit the transfer thereof until they have been duly listed upon any national securities exchange or automated quotation system on which the Company's Common Stock may then be listed or quoted or at any time a registration statement under the Securities Act of 1933, as amended, or any successor statute (the Securities Act) with respect to said Shares shall not be in effect. In addition, the Company may impose such other restrictions that counsel for the Company shall consider necessary to comply with any law applicable to the issuance of such shares by the Company. The certificates representing the Shares purchased may contain such legends and stop transfer restrictions as counsel for the Company shall deem necessary to comply with any applicable law. If any Shares are held in book-entry form, the Company may take such steps as it deems necessary or appropriate to record and manifest the restrictions applicable to such Shares.

6. Certain Tax Matters. If the Company in its discretion determines that it is obligated to withhold any tax in connection with the transfer of, or the lapse of restrictions on, the Shares, the Stockholder hereby agrees that the Company may withhold from the Stockholder's wages or other remuneration the appropriate amount of tax. Such withholding may also be effected by any other means that may be acceptable to the Company in its discretion, including by the delivery of previously acquired Common Stock or Shares acquired hereunder, or by the withholding of amounts from any payment hereunder. The Stockholder further agrees that, if the Company does not withhold an amount from the Stockholder's wages or other remuneration sufficient to satisfy the withholding obligation of the Company, the Stockholder will make reimbursement on demand, in cash, for the amount underwithheld.

The Stockholder represents that he or she has received tax advice from his or her own personal tax advisor on the tax consequences of the receipt of the Shares. The Stockholder understands the tax consequences of filing (and not filing) a Section 83(b) election under the Internal Revenue Code of 1986, as amended (the Code). The filing of a Section 83(b) election is the Stockholder's responsibility.

7. Arbitration. Any dispute, controversy, or claim arising out of, in connection with, or relating to the performance of this agreement or its termination shall be settled by arbitration in the Commonwealth of Massachusetts, pursuant to the rules then obtaining of the American Arbitration Association. Any award shall be final, binding and conclusive upon the parties and a judgment rendered thereon may be entered in any court having jurisdiction thereof.
