RELEVANT FACT

Edgar Filing: BRASIL TELECOM SA - Form 425

Tele Norte Leste Participações S.A. (TNL), Telemar Norte Leste S.A. (Telemar), Coari Participações S.A. (Coari), Brasil Telecom Participações S.A. (BrTP), Brasil Telecom S.A. (BrTO) and Invitel S.A. (Invitel), in compliance with CVM Instruction No. 358/02 and pursuant to CVM Instruction No. 319/99, following the Relevant Facts disclosed on April 25, 2008 and January 8, 2009, inform their shareholders and the market of the following:

I) Corporate Reorganization

Following the Relevant Fact disclosed on April 25, 2008 and the conclusion of Public Offerings to Purchase common shares due to sale of control of BrTP and BrTO, Telemar, in order to simplify the control structure of BrTP and BrTO, intends to implement a corporate reorganization announced in that Relevant Fact, that will result in the concentration of the shareholder base of BrTP and BrTO into Telemar (the Corporate Reorganization). Telemar intends to implement the first phase of the Corporate Reorganization (the Intermediate Corporate Reorganization) as soon as practicable. The purpose of the Intermediate Corporate Reorganization is to consolidate some intermediate companies, indirectly controlled by Telemar, that directly or indirectly control BrTP and BrTO.

The Intermediate Corporate Reorganization will include the following steps, which will all occur on the same date (the Mergers):

- (i) the merger of Invitel into its subsidiary, Solpart Participações S.A. (Solpart), which will incorporate Invitel's shareholders' equity into Solpart and result in the dissolution of Invitel;
- (ii) the merger of Invitel into its subsidiary, Copart 1 Participações S.A. (Copart 1), which will incorporate Solpart's shareholders' equity into Copart 1 and result in the dissolution of Solpart;
- (iii) the merger of Copart 1 into BrTP, which will incorporate Copart 1's shareholders' equity into BrTP, with no increase to BrTP's capital stock, through which Coari, which will hold all shares of Copart 1, will receive shares of BrTP in exchange for its shares of Copart 1, which will cease to exist; and
- (iv) the merger of Copart 2 Participações S.A. (Copart 2) into BrTO, which will incorporate Copart 2's shareholders' equity into BrTO, with no increase to BrTO's capital stock, through which Coari, which holds all shares of Copart 2, will receive shares of BrTO in exchange for its shares of Copart 2, which will cease to exist.

Pursuant to Law No. 6,404/76 (the Brazilian Corporation Law), the Mergers will be submitted to the shareholders of Invitel, Solpart, Copart 1, BrTP, Copart 2 and BrTO, at their respective General Shareholders Meetings to be held on July 31, 2009.

The Mergers will not increase the capital stock of the respective acquiring companies, change the number of shares into which the capital stock of BrTP and BrTO is divided, or change the number of shares of BrTP or BrTO held directly or indirectly by Telemar, because: (i) the shareholders' equity of the companies that will be merged into BrTP and BrTO consist of investments in BrTP and BrTO and, other than the shares of BrTP and BrTO, the net assets of the respective acquired companies will be used to establish capital reserves of BrTP and BrTO; and (ii) Coari, as sole shareholder of Copart 1 and Copart 2, will receive a number of common and preferred shares of BrTP identical to the number held by Invitel and Copart 1, and a number of common and preferred shares of BrTO identical to the number held by Copart 2.

Therefore, the Mergers will neither impact the shareholdings of minority shareholders of BrTP and BrTO nor change the rights granted by their common and preferred shares of BrTP and BrTO.

The exchange ratios in the mergers of Copart 1 and Copart 2 into BrTP and BrTO, respectively, mentioned in items IV.3 and V.3 below will not affect exchange ratios of BrTP and BrTO shares into Telemar shares, as disclosed in the Relevant Fact of April 25, 2008, and will not represent a dilution in the equity interests of shareholders of BrTP or BrTO.

The goodwill originally recorded at Copart 1, the goodwill resulting from the merger of Solpart into Copart 1 and the goodwill resulting from the merger of Invitel into Solpart are a result of Copart 1's purchase of all shares of Invitel and 35.52% of shares of BrTP, and total R\$8,235,520,378.00 (eight billion, two hundred and thirty five million, five hundred and twenty thousand three hundred and seventy eight *reais*). The registration of goodwill is based on the appreciation of fixed assets and on BrTO's rights under its concession to provide fixed-line services (*Serviço Telefônico Fixo Comutado*). As a result of the merger of Copart 1 into BrTP, this goodwill will be amortized by BrTP, pursuant to current tax law and accounting rules, but will not create a tax advantage in the first phase of the corporate reorganization.

The goodwill recorded at Copart 2 as a result of the purchase of 10.62% of the shares of BrTO, in the amount of R\$ 737,664,439.11 (seven hundred and thirty-seven million, six hundred and sixty-four thousand, four hundred and thirty-nine *reais* and eleven *centavos*), is based on the appreciation of fixed assets and on BrTO's rights under its concession to provide fixed-line services (*Serviço Telefônico Fixo Comutado*). As a result of the merger of Copart 2 into BrTO, this goodwill will be amortized by BrTO, pursuant to current tax law and accounting rules, and will generate a tax advantage.

The special goodwill reserve to be recorded by BrTO, pursuant to Paragraph 1 of Article 6 of CVM Instruction No. 319/99 as a result of the merger of Copart 2 into BrTO, will be applied in favor of all shareholders, pursuant to Paragraph 2 of Article 6 of CVM Instruction No. 319/99.

II) Corporate Structure before and after the Mergers

III) Merger of Invitel into Solpart and Merger of Solpart into Copart 1

The merger of Invitel into Solpart and the merger of Solpart into Copart 1 will neither increase the capital stock nor change the number of shares included in the capital stock of Copart 1. Since there are no minority shareholders of either Invitel or Solpart, the managements of Invitel and Solpart understand that the provisions of Article 264 of Brazilian Corporation Law are not applicable to these transactions.

IV) Merger of Copart 1 into BrTP (Merger of Copart 1)

IV.1. Purpose, Benefits and Justification of the Merger of Copart 1. Pursuant to the Relevant Fact disclosed on April 25, 2008, the Merger of Copart 1 represents an intermediate steps in the Corporate Reorganization, the purpose of which is to simplify the control structure of BrTP and BrTO, concentrating the shareholder base of BrTP and BrTO into Telemar and strengthening Telemar and BrTO.

IV.2. Previous Corporate Acts and Negotiations. In addition to the transactions and acts mentioned in the Relevant Facts disclosed on April 25, 2008 and January 8, 2009, BrTP's Board of Directors, in a meeting held on July 10, 2009, approved the execution of the Protocol of Merger and Justification in connection with the Merger of Copart 1, as well as the valuation reports and other documents related thereto, and the submission of the Merger of Copart 1 to the decision of the shareholders' meeting of BrTP.

IV.3.3. Reason under which the Merger of Copart 1 is Considered Equitable for the Shareholders. The share exchange ratio in the Merger of Copart 1 is fair and equal considering that (i) Coari will receive the same number of shares of BrTP as will be held by Copart 1 immediately prior to the Merger of Copart 1, and the capital stock and number of shares of BrTP will not be changed; and (ii) Copart 1's net assets to be incorporated into BrTP's capital reserve is positive, as shown in the valuation report of Copart 1's net worth.

The shares issued by BrTP and held by Copart 1 will be cancelled and substituted by an equal number of shares issued by BrTP, which will be subscribed by Copart 1's management for the account of its sole shareholder. BrTP does not hold shares issued by Copart 1.

IV.8. Withdrawal Rights. Since, pursuant to Article 137 of the Brazilian Corporation Law, only shareholders of Copart 1 are ensured withdrawal rights in the Merger of Copart 1, and considering that in the General Shareholders Meeting of Copart 1, which shall decide whether to approve the Merger of Copart 1, Copart 1 will have a sole shareholder, whose vote will approve the Merger of Copart 1, there will be no dissenting shareholder using withdrawal rights in the Merger of Copart 1.
