We have elected to provide access to our proxy materials for the 2009 annual meeting over the Internet under the notice and access rules of the Securities and Exchange Commission (SEC). The Notice also includes instructions on how to request a paper copy of the annual meeting materials, should you wish to do so.

Your vote is important. Please review the instructions on each of your voting options described in this proxy statement as well as in the Notice.

Proxy Statement for Annual Meeting of Stockholders

DECEMBER 10, 2009

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: Our board of directors is making these materials available to you on the Internet, or, upon your request, is delivering printed proxy materials to you, in connection with the solicitation of proxies for use at Maxim's 2009 annual meeting of stockholders, which will take place on December 10, 2009 at 10 a.m. Pacific Time, at our Event Center located at 433 N. Mathilda Avenue, Sunnyvale, California 94086. As a stockholder holding shares of our common stock on October 15, 2009 (the record date), you are invited to attend the annual meeting and requested to vote on the proposals described in this proxy statement.

As of the record date, 305,443,410 shares of Maxim's common stock were issued and outstanding.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of our directors and most highly paid executive officers, and certain other information required to be provided by the rules and regulations of the Securities and Exchange Commission (the SEC).

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?

A: In accordance with rules recently adopted by the SEC, we may now furnish proxy materials, including this proxy statement and our 2009 Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. On or about October 29, 2009, we are mailing the notice of the Internet Availability of Proxy Materials (the Notice) to our stockholders (except those stockholders who previously requested electronic or paper delivery of proxy materials), which includes instructions as to how stockholders may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials provided in the Notice.

Q: How do I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

View our proxy materials for the annual meeting on the Internet and vote online; and

If desired, instruct us to send our future proxy materials to you electronically by email or by mail.

Q: I share an address with another stockholder and we only received one copy of the Notice and/or other proxy materials. How may I obtain a separate copy?

A: Under the procedure approved by the SEC called householding, if you have the same address and last name as another stockholder and do not participate in electronic delivery of proxy materials, you may receive only one copy of the Notice, or, if applicable, one copy of any other proxy materials, until you instruct us otherwise. Please note that you will still be able to access the proxy materials on the Internet and vote your shares separately.

If you received a single copy of the Notice or other proxy materials as a result of householding and you would like to have separate copies of such materials mailed to you, please submit your request either by calling the number provided below or mailing a written request to the address provided below:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

(408) 470-5606

We will promptly mail a separate copy of this proxy statement upon our receipt of such request. Please note that if you want to receive a paper copy of this proxy statement or other proxy materials, you should follow the instructions included in the Notice.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

the election of seven directors;

the ratification of the appointment of Deloitte & Touche LLP as Maxim's independent registered public accounting firm for the fiscal year ending June 26, 2010;

the ratification and approval of an amendment to Maxim's 2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares;

the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire; and

the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

In addition, we will consider any other items of business that properly come before the annual meeting.

Q: What are the requirements for admission to the meeting?

A: Only stockholders holding shares of Maxim's common stock as of the record date or their proxy holders and Maxim's guests may attend the meeting. Admission to the meeting will be on a first-come, first-served basis. Registration and seating will begin at 9:30 a.m. (Pacific Time). Cameras and other video or audio recording devices will not be permitted at the meeting.

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. If you hold your shares as a beneficial owner through a brokerage firm, bank, broker-dealer, trustee or nominee, you will need to ask your brokerage firm, bank, broker-dealer, trustee or nominee for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement (reflecting your share ownership as of October 15, 2009, the record date) with you to the meeting. We can use that to verify your ownership of shares of our common stock and admit you to the meeting. However, as discussed more fully under the heading "What is the difference between holding shares as a stockholder of record and as a beneficial owner?", beneficial owners will not be able to vote their shares at the annual meeting without a legal proxy.

Q: *How does the board of directors recommend that I vote?*

A: Our board of directors recommends that you vote your shares (1) FOR the election of each of the nominees to the board of directors, (2) FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2010 fiscal year, (3) FOR the ratification and approval of an amendment to Maxim's 2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares, (4) FOR the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire, and (5) FOR the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

Q: *How many votes do I have?*

A: For each proposal to be voted on, you have one vote for each share of Maxim's common stock you own as of the record date.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Many Maxim stockholders hold their shares through a broker or other nominees rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, Computershare, as of the record date, you are considered, with respect to those shares, the *stockholder of record*, and the Notice was sent directly to you by Maxim. As the *stockholder of record*, you have the right to grant your voting proxy directly to Maxim or to vote in person at the annual meeting. If you requested to receive printed proxy materials, Maxim has enclosed or sent a proxy card for you to use. You may also vote on the Internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the annual meeting?", or by completing and mailing the proxy card if you requested a printed copy of the proxy materials.

Beneficial Owner: If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or other similar organization, like the vast majority of our stockholders, you are considered the *beneficial owner* of shares held in *street name*, and the Notice was forwarded to you by that organization. As the beneficial owner, you have the right to direct your brokerage firm, bank, broker-dealer or trustee how to vote your shares, and you are also invited to attend the annual meeting. Since a *beneficial owner* is not the *stockholder of record*, you may not vote your shares in person at the annual meeting unless you obtain a legal proxy from the brokerage firm, bank, broker-dealer, trust or other similar organization that holds your shares giving you the right to vote the shares at the meeting. If you do not wish to vote in person or you will not be attending the annual meeting, you may vote by proxy. You may vote by proxy over the Internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the annual meeting?"

Q: *How can I vote my shares in person at the annual meeting?*

A: Shares held in your name as the stockholder of record may be voted by you in person at the annual meeting. Shares held beneficially in street name may be voted by you in person at the annual meeting only if you obtain a legal proxy from the brokerage firm, bank, broker-dealer, trustee or nominee that holds your shares giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the annual meeting. If you are a stockholder of record, you may vote by proxy. You may vote by proxy over the Internet or by telephone by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you may also vote by mail pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy over the Internet or by telephone by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you may also vote by mail by following the voting instruction card provided to you by your brokerage firm, bank, broker-dealer, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the taking of the vote at the annual meeting. If you are a stockholder of record, you may change your vote by (1) delivering to Maxim's Corporate Secretary at 120 San Gabriel Drive, Sunnyvale, California 94086 a written notice of revocation or a duly executed proxy bearing a date subsequent to your original proxy prior to the date of the annual meeting, or (2) attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your brokerage firm, bank, broker-dealer, trustee or nominee following the instructions they provided, or, if you have obtained a legal proxy from your brokerage firm, bank, broker-dealer, trustee or nominee giving you the right to vote your shares, by attending the annual meeting and voting in person.

Q: What happens if I deliver a signed proxy without specifying how my shares should be voted?

A: If you sign and deliver your proxy without instructions and do not later revoke the proxy, the proxy will be voted FOR the slate of nominees to the board of directors described in this proxy statement and FOR Proposals No. 2, No. 3, No. 4 and No. 5. As to any other matter that may properly come before the annual meeting, the proxy will be voted according to the judgment of the proxy holders.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. An independent tabulator, not Maxim, will count the votes, and your vote will not be disclosed either within Maxim or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the results and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to Maxim management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The quorum requirement for holding the annual meeting and transacting business is that holders of a majority of the voting power of the issued and outstanding common stock of Maxim as of the record date must be present in person or represented by proxy. Both abstentions and broker non-votes (described below) are counted for the purpose of determining the presence of a quorum.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the seven nominees receiving the highest number of affirmative FOR votes at the annual meeting will be elected.

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

The affirmative FOR vote of a majority of the votes cast on the proposal is required to approve (1) the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending June 26, 2010, (2) the ratification and approval of an amendment to Maxim s

2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares, (3) the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire, and (4) the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for executive officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

Q: What are my voting choices?

A: In the election of directors, you may vote FOR or WITHHOLD with regards to all or some of the nominees. Votes WITHHOLD with respect to the election of directors will be counted for purposes of determining the presence or absence of a quorum at the annual meeting but will have no other legal effect upon election of directors, as the election of a director only requires a plurality of affirmative FOR votes. For the other items of business, you may vote FOR, AGAINST or ABSTAIN. If you elect to ABSTAIN, the abstention has the same effect as a vote AGAINST.

Q: What is the effect of broker non-votes and abstentions?

A: If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Abstentions are considered votes cast and thus have the same effect as votes against the matter. However, in the election of directors, the vote WITHHOLD will have no effect on the outcome as such election only requires a plurality of affirmative FOR votes.

Q: Is cumulative voting permitted for the election of directors?

A: Yes. You may cumulate your votes for the election of directors. You are entitled to as many votes as equals the number of directors to be elected multiplied by the number of shares held by you, and you may cast all such votes for a single director or distribute such votes among as many candidates who have been properly nominated as you see fit. Please note that the proxy holders may exercise discretionary authority to cumulate votes and to allocate such votes among the seven nominees recommended by the board of directors.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the five specific items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Mark Casper and Bruce Kiddoo, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of the nominees described in this proxy statement is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the board of directors.

Q: Who will serve as inspector of elections?

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

- A:** The inspector of elections will be a representative from Broadridge Financial Services. Broadridge Financial Services will tabulate the votes in connection with the annual meeting.

Q: *Who will bear the cost of soliciting votes for the annual meeting?*

A: Maxim will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our common stock.

Q: *Where can I find the voting results of the annual meeting?*

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our Quarterly Report on Form 10-Q for the quarter ending December 26, 2009.

Q: *What is the deadline for submission of stockholder proposals for consideration at the 2010 annual meeting?*

A: For proposals other than nomination of director candidates: Pursuant to the SEC Rule 14a-8(e) promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), a stockholder proposal will be considered for inclusion in our proxy materials for the 2010 annual meeting only if the Corporate Secretary of Maxim receives the proposal by no later than July 1, 2010.

Pursuant to the SEC Rule 14a-4 and 14a-5 promulgated under the Exchange Act, a stockholder proposal for consideration before the 2010 annual meeting that is not intended to be included in our proxy materials for the 2010 annual meeting will be considered timely only if the Corporate Secretary of Maxim receives notice of such stockholder proposal by no later than September 14, 2010. If the Corporate Secretary is not notified of such proposal on or before September 14, 2010, then Maxim's proxy holders will be permitted to use their discretionary voting authority to vote on such proposal if such proposal is raised at the 2010 annual meeting.

Proposals should be addressed to:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement.

Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (1) pursuant to Maxim's proxy materials with respect to such meeting, (2) brought by, or at the direction of, our board of directors, or (3) brought by a stockholder of Maxim who is a stockholder of record entitled to vote at the annual meeting who has timely delivered written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2010 annual meeting of stockholders, our Corporate Secretary must receive the written notice, prepared in accordance with our bylaws, at our principal executive offices:

not later than the close of business on September 14, 2010, and

not earlier than the close of business on August 13, 2010.

In the event that we hold our 2010 annual meeting of stockholders more than 30 days before or 60 days after the one-year anniversary date of the 2009 annual meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received not later than the close of business on the earlier of the following two dates:

the 90th day prior to the 2010 annual meeting, or

the 10th day following the day on which public announcement of the meeting date is made (either in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by Maxim with the SEC).

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting takes any action contrary to the representations made in his or her notice to Maxim's Corporate Secretary, or if such representations contain an untrue statement of a material fact or omit a material fact, we are not required to present the proposal for a vote at such meeting.

For nomination of director candidates: Stockholders may propose nominees to be eligible for election as directors at the 2010 annual meeting in accordance with the provisions of our bylaws. To properly nominate such a candidate, a stockholder must deliver written notice, prepared in accordance with our bylaws, to Maxim's Corporate Secretary prior to the deadlines set forth above for stockholder proposals. Prior to submitting a nomination, stockholders should take care to note all deadlines under the SEC Rules and Maxim bylaws described above.

Nominations should be addressed to:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

If a stockholder who has notified us of his or her intention to nominate a director candidate at an annual meeting takes any action contrary to the representations made in his or her notice to Maxim Corporate Secretary, or if such representations contain an untrue statement of a material fact or omit a material fact, we are not required to present the nomination at such meeting. For further information on requirements for director nominations by stockholders, please see our bylaws and the section entitled "Nominations of Director Candidates by Stockholders" in this proxy statement.

Copy of Bylaw Provisions: A copy of our bylaws can be found in the Corporate Governance section of Maxim's corporate website at <http://www.maxim-ic.com/company/investor/governance>. Board of Directors Structure and Committee Composition

Currently, there are seven members of the board of directors, consisting of B. Kipling Hagopian, Tunc Doluca, James R. Bergman, Joseph R. Bronson, Robert E. Grady, William D. Watkins and A. R. Frank Wazzan. Mr. Hagopian is the Chairman of the board of directors.

Our board of directors has the following three standing committees: (1) an Audit Committee, (2) a Compensation Committee, and (3) a Nominating and Governance Committee. Each of the committees operates under a written charter adopted by the board of directors. All of the committee charters are available in our Corporate Governance section of our website at <http://www.maxim-ic.com/company/investor/governance>. During fiscal year 2009, the board of directors held eight (8) meetings and acted by written consent 11 times. During fiscal year 2009, each director attended at least 75% of all meetings of the board of directors and applicable committee meetings. While not mandatory, we strongly encourage our directors to attend our annual meeting of stockholders. All of our directors attended the 2008 annual meeting of stockholders.

Independence of the Board of Directors

Our board of directors has determined that, with the exception of Mr. Doluca, Maxim's Chief Executive Officer, all of its members during fiscal year 2009 were, and currently are, independent directors as that term is defined in the Marketplace Rules of The NASDAQ Stock Market (NASDAQ), including for the purposes of the Audit Committee composition requirements. Such independence definition includes a series of objective tests, including that the director not be an employee of Maxim and not be engaged in certain types of business transactions or dealings with Maxim. In addition, as further required by the NASDAQ rules, the board of directors has made a subjective determination that no relationships exist between Maxim and each director which, in the opinion of the board of directors, would interfere with the exercise of independent judgment in carrying out his responsibilities as director. The independent directors meet regularly in executive session, without members of management present.

Audit Committee and Audit Committee Financial Expert

The Audit Committee, which has been established in accordance with Section 3(a)(58)(A) of the Exchange Act, is currently comprised of Messrs. Bergman, Bronson and Watkins, each of whom is independent within the meaning of the NASDAQ director independence standards as currently in effect. Since October 2008, Mr. Bronson has been the Chairman of the Audit Committee. Prior to Mr. Bronson's appointment as Chairman of the Audit Committee, Mr. Bergman served as Chairman of the Audit Committee since March 1, 2007. The board of directors has determined that Mr. Bronson is an audit committee financial expert as defined under the rules of the SEC. The Audit Committee has a written charter adopted on June 8, 2000 and most recently amended on April 6, 2007 and on August 24, 2009. The Audit Committee held eight (8) meetings and acted by written consent one (1) time during fiscal year 2009, and each member of the Audit Committee attended at least 75% of these meetings.

The Audit Committee oversees the accounting, financial reporting and audit processes of Maxim's financial statements. In accordance with the Audit Committee Charter, the Audit Committee appoints Maxim's independent registered public accounting firm and is primarily responsible for approving the services performed by Maxim's independent auditors and for reviewing and evaluating Maxim's accounting principles and its system of internal controls.

Compensation Committee and Equity Grant Subcommittee

The Compensation Committee is currently comprised of Messrs. Bergman, Grady and Wazzan, each of whom is independent within the meaning of the NASDAQ director independence standards as currently in effect. Since March 2007, Mr. Wazzan has been the Chairman of the Compensation Committee. Among other tasks, the Compensation Committee (1) annually reviews and approves corporate goals and objectives relevant to the

compensation of the Chief Executive Officer and annually reviews and evaluates Maxim's Chief Executive Officer against such approved goals and objectives, (2) in consultation with the Chief Executive Officer, reviews and approves the compensation of our officers, (3) administers our 1996 Stock Incentive Plan and 2008 ESP Plan, (4) makes recommendations to the board of directors with respect to compensation of our directors and committee members, (5) prepares the Compensation Discussion and Analysis and issues the Compensation Committee Report in accordance with the regulations of the SEC to be included in Maxim's proxy statement or annual report on Form 10-K, and (6) performs such functions regarding compensation as the board of directors may delegate. The Compensation Committee held seven (7) meetings and acted by written consent five (5) times during fiscal year 2009 and each member of the Compensation Committee attended at least 75% of these meetings.

Pursuant to its charter, on June 30, 2007, the Compensation Committee established a two-person sub-committee that is comprised of two directors on the Compensation Committee, which sub-committee is referred to as the Equity Grant Sub-Committee. The Equity Grant Sub-Committee's purpose is to make equity awards under Maxim's Equity Award Grant Policy. The Equity Grant Sub-Committee held nine (9) meetings during fiscal year 2009 and each member of the Equity Grant Sub-Committee attended at least 75% of such meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the Governance Committee) is currently comprised of Messrs. Grady and Hagopian, each of whom is independent within the meaning of the NASDAQ director independence standards, as currently in effect. Since October 2008, Mr. Grady has been the Chairman of the Governance Committee. Among other tasks, the Governance Committee assists the board of directors by identifying and recommending prospective director candidates, developing and recommending to the board of directors the governance principles applicable to Maxim and overseeing the evaluation of the board of directors and the board of directors' evaluation of management.

The Governance Committee is responsible for regularly assessing the appropriate size of the board of directors and whether any vacancies on the board of directors are expected, due to retirement or otherwise. In the event of any anticipated vacancy, the Governance Committee has the policy of considering all bona fide candidates from all relevant sources, including the contacts of current directors, professional search firms, stockholders and other persons. The Governance Committee held one (1) meeting during fiscal year 2009 and each member of the Governance Committee attended such meeting.

In reviewing potential candidates for the board of directors, the Governance Committee considers the individual's experience in the semiconductor industry, the general business or other experience of the candidate, the needs of Maxim for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of Maxim, as well as numerous other subjective criteria. While the board has not established specific minimum qualifications for director candidates, the board of directors believes that such candidates must contribute to the goal of maintaining a board that is (1) independent, (2) of high integrity, (3) composed of directors with qualifications that increase the effectiveness of the board of directors and (4) compliant with the requirements of applicable rules of NASDAQ and the SEC.

Nominations of Director Candidates by Stockholders

Maxim stockholders may nominate a director candidate (1) at any annual meeting of stockholders in accordance with our bylaws, the procedure for which is more fully set forth in the Questions and Answers section of this proxy statement under the heading "What is the deadline for submission of stockholder proposals for consideration at the 2009 annual meeting?", (2) at any special meeting of stockholders in accordance with our bylaws, and (3) by submitting their recommendations to the Governance Committee in accordance with our Corporate Governance Guidelines.

Maxim's Corporate Governance Guidelines, together with Maxim's Certificate of Incorporation, bylaws and charters of committees of the board of directors, form the framework for the corporate governance of Maxim. Maxim's Corporate Governance Guidelines are available in the Corporate Governance section of Maxim's website at <http://www.maxim-ic.com/company/investor/governance>. Pursuant to our Corporate Governance Guidelines, our board of directors will consider all bona fide director candidates nominated by stockholders of Maxim.

More specifically, the board of directors has established the following procedures by which stockholders may submit nominations of director candidates for consideration by the Governance Committee and the board of directors:

To nominate a director candidate for consideration by the Governance Committee, a stockholder must have held at least 100,000 shares of Maxim for at least twelve (12) consecutive months leading up to the date of the recommendation and must notify the Governance Committee by writing to the General Counsel of Maxim.

The nominating stockholder's notice shall set forth the following information:

Stockholder recommendations to the Governance Committee or the board of directors should be sent to:

General Counsel

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

For purposes of nominating a director candidate to be considered at an annual meeting, it is unnecessary to send recommendations to the board of directors or the Governance Committee. Instead, a stockholder wishing to nominate a director candidate at an annual meeting must follow the procedures set forth in our bylaws, including providing written notice prepared in accordance with our bylaws to Maxim's Corporate Secretary. For more detailed information on nomination requirements at an annual meeting, please see the Questions and Answers section of this proxy statement under the heading "What is the deadline for submission of stockholder proposals for consideration at the 2010 annual meeting?"

Equity Grant Date Policy

The Board of Directors has adopted a specific procedure in the granting of equity awards to our officers, directors and employees, as set for in the Company's Equity Award Grant Policy effective June 4, 2007 (the "Equity Policy"). The Equity Policy can be located on the Company's Website at http://www.maxim-ic.com/company/investor/governance/pdfs/equity_award_grant_policy.pdf. Under the Equity Policy, equity awards may only be granted by our board of directors or the Compensation Committee of the Board of Directors, as well as a 2-person subcommittee of the Compensation Committee (the "Equity Grant Subcommittee"), at a duly noticed meeting. Equity awards may not be granted by action by unanimous written consent in lieu of a meeting. In addition, while not required, it is the Company's practice to invite its Chief Executive Officer and the Company's independent registered public accounting firm (the "Auditors") to each meeting of the board of directors or Compensation Committee (or Equity Grant Subcommittee) at which equity awards are granted. In fiscal year 2009, our Corporate Secretary and the Auditors, in the capacity as an independent observer, attended every meeting of the

Compensation Committee (or Equity Grant Subcommittee) at which equity awards were granted. The grant date for an equity award is the date on which any of the above-listed granting bodies meets and approves the equity award. The exercise price for all stock options will be no less than the closing sales price of Maxim common stock as reported by the Nasdaq Global Select Market on the grant date.

We follow the following specific procedures with respect to the grant of equity awards that are contained in the Equity Policy:

New Hire Grants; Special Recognition/Promotional Equity Grants: Equity awards to newly hired non-officer employees or awards for special recognition to existing non-officer employees are made on the first Tuesday of the month (or the succeeding month) after the date on which the individual commences employment with us or following the special recognition event. Equity awards to newly hired officers or awards for special recognition are made on the first Tuesday of the month (or a succeeding month) after the date on which the individual commences employment with us or following the special recognition event that is during an open trading window under our Insider Trading Policy.

Annual Equity Grants: Annual equity grants to employees and officers are made during an open trading window under our Insider Trading Policy.

Equity Awards to Directors: Equity awards are made to incumbent non-employee directors upon their re-election to the board of directors at the annual meeting of stockholders. Equity awards to newly appointed non-employee directors are made on the first Tuesday of the month (or a succeeding month) after the date on which the individual is appointed to the board of directors that is during an open trading window under our Insider Trading Policy.

Compensation Committee Interlocks and Insider Participation

No member of Maxim's Compensation Committee is, or ever has been, an executive officer or employee of Maxim or any of its subsidiaries. No interlocking relationship exists, or during fiscal year 2009 existed, between Maxim's board of directors or Compensation Committee and the board of directors or compensation committee of any other company.

Outside Advisors

Our board of directors and each of its committees may retain outside advisors and consultants of their choosing at Maxim's expense. The board of directors need not obtain management's consent to retain outside advisors.

Board Effectiveness

Our board of directors performs an annual self-assessment to evaluate its effectiveness in fulfilling its obligations. For fiscal year 2009, this assessment was held in February 2009 and September 2009.

Communication between Stockholders and Directors

Maxim's board of directors currently does not have a formal process for stockholders to send communications to the board of directors. Nevertheless, steps are taken to ensure that the views of stockholders are heard by the board of directors or individual directors, as applicable, and that appropriate responses are provided to stockholders on a timely basis. The board of directors does not recommend that formal communication procedures be adopted at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the board of directors. However, stockholders wishing to formally communicate with the board of directors may send communications directly to B. Kipling Hagopian, Chairman of the board of directors, c/o Maxim Integrated Products, Inc., 120 San Gabriel Drive, Sunnyvale, California 94086.

PROPOSAL NO. 3

RATIFICATION AND APPROVAL OF AMENDMENTS TO MAXIM'S 2008 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE BY 2,000,000 SHARES AND TO MAKE OTHER ADMINISTRATIVE CHANGES

At the 2009 annual meeting, stockholders will be asked to ratify and approve an amendment to Maxim's 2008 Employee Stock Purchase Plan (the 2008 ESP Plan) to increase the maximum number of shares of Maxim common stock that may be purchased under the ESP Plan by an additional 2,000,000 shares. The 2008 ESP Plan was originally approved by the board of directors in October 2008 and then ratified by stockholders on December 15, 2008. The amendment to the 2008 ESP Plan to increase the maximum number of shares that may be purchased by 2,000,000 shares was approved by Maxim's board of directors in September 2009.

Prior to the effectiveness of the proposed amendment, a total of 4,000,000 shares of Maxim common stock had been reserved for issuance under the 2008 ESP Plan. As of October 1, 2009, approximately 3,533,799 shares were available for purchase under the 2008 ESP Plan. Maxim anticipates that, based on the number of shares currently authorized under the 2008 ESP Plan, approximately 1,100,000 shares will remain available for purchase under the 2008 ESP Plan at the end of its fiscal year 2010 (June 26, 2010) based upon current assumptions regarding employee participation levels.

The board of directors has approved, subject to stockholder ratification and approval, amendments to increase the maximum number of shares of Maxim Common Stock reserved under the 2008 ESP Plan by 2,000,000 shares to a total of 6,000,000 shares and to make other administrative changes. The primary administrative change is to give the administrator the authority to utilize an automatic reset feature to re-enroll participants in new Offer Periods in the event the fair market value of our common stock on a Purchase Date is less than the fair market value on the Offer Date.

The closing price of Maxim's common stock on October 1, 2009 was \$17.28 per share.

Maxim believes that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time. Maxim further believes that the attraction, retention and motivation of highly qualified personnel are essential to Maxim's continued growth and success and that incentive plans, such as the 2008 ESP Plan, are necessary for Maxim to remain competitive in its compensation practices. In addition, Maxim believes that the 2008 ESP Plan (and other equity incentive programs) are an effective way to assure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders.

The benefits to be received by Maxim's employees and officers pursuant to the 2008 ESP Plan are not determinable at this time.

Required Vote

Ratification and approval of the amendments to increase the number of shares reserved under the 2008 ESP Plan and to make other administrative changes requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 2008 ESP Plan approved by the board of directors and the purpose of the 2008 ESP Plan is set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 3.

Recommendation

Our board of directors recommends a vote FOR the ratification and approval of the amendments to Maxim's 2008 Employee Stock Purchase Plan.

The following summary of certain provisions of the 2008 ESP Plan is qualified in its entirety by reference to the 2008 ESP Plan, a copy of which is attached as Appendix A to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 2008 ESP Plan.

Summary of Material Features of the 2008 ESP Plan

Eligible Employees

All employees of Maxim and its subsidiaries designated by the committee appointed by the board of directors to administer the 2008 ESP Plan (the Committee) will be eligible to participate in the 2008 ESP Plan. However, the Committee may exclude from participation (1) a group of certain highly compensated employees, (2) employees who have been employed by Maxim or any subsidiary for less than two years, (3) employees whose customary employment is for not more than five months in any calendar year, and (4) employees who customarily work 20 hours per week or less.

Notwithstanding the foregoing, no employee shall be eligible for participation under the 2008 ESP Plan if, immediately after such grant, that employee would own stock possessing 5% or more of the total combined voting power or value of all classes of stock of Maxim or of any affiliate of Maxim (including any stock which such employee may purchase under all outstanding rights and options). In addition, no employee will be permitted to purchase stock under all employee stock participation plans, including the 2008 ESP Plan, of Maxim and its affiliates (x) at a rate which in the aggregate exceeds \$25,000 of the fair market value of such stock (determined under Section 423 of the Code at the time the right is granted) for any calendar year in which the right is outstanding at any time or (y) 1,600 shares of stock in an offering period, whichever is less.

Participation

The Committee has the power from time to time to grant or provide for the grant of rights to purchase stock of Maxim under the 2008 ESP Plan to eligible employees (an Offer) on a date or dates (the Offer Date(s)) identified in the 2008 ESP Plan. Each Offer will be in such form and will contain such terms and conditions as the Committee deems appropriate, except that each Offer must include the substance of the required provisions of the 2008 ESP Plan, which are described below. Each Offer will be outstanding for approximately 12 months (the Offer Period) and there will be overlapping Offer Periods.

An eligible employee becomes a participant in an Offer by delivering written enrollment form to Maxim, within the time specified in each Offer, authorizing payroll deductions of up to a maximum percentage of 25% of his or her Eligible Compensation (as defined in the 2008 ESP Plan) during the Offer Period. All payroll deductions made for a participant are credited to his or her account under the 2008 ESP Plan and are deposited with the general funds of Maxim. The purchase price of the shares is accumulated by payroll deductions (or direct payments, if permitted) over the Offer Period. At any time during the Offer Period, a participant may terminate his or her payroll deductions, but a participant may not increase, reduce or begin such payroll deductions after the beginning of any Offer Period.

Purchase of Stock

The purchase dates will occur on the last business day immediately preceding the last Saturday in May and November (each a Purchase Date). On each Purchase Date, the balance in each participant's account will be applied to the purchase of whole shares of stock of Maxim. No fractional shares shall be issued upon the exercise of rights granted under the 2008 ESP Plan. The amount remaining in each participant's account after the purchase of shares that is less than the amount required to purchase one share of stock on the last Purchase Date

of a Offer Period shall be held in each such participant's account for the purchase of shares during the next Offer Period under the 2008 ESP Plan, unless such participant withdraws from the next Offer or is no longer eligible to be granted rights under the 2008 ESP Plan, in which case such amount is distributed to the participant after the Purchase Date, without interest.

Purchase Price

The purchase price per share of stock acquired pursuant to the 2008 ESP Plan will be the lesser of: (1) 85% of the fair market value per share of such stock on the Offer Date and (2) 85% of the fair market value per share of such stock on the Purchase Date.

Withdrawal

A participant may withdraw from an Offer by terminating his or her payroll deductions and by delivering to Maxim a written notice of withdrawal from the Offer. Such withdrawal may be elected within a certain period of time prior to the end of the applicable Offer Period. Upon any withdrawal from an Offer by the employee, Maxim will distribute to the employee his or her accumulated payroll deductions (reduced for prior purchases) without interest, and such employee's interest in the Offer will be automatically terminated. Upon such withdrawal from an Offer, the employee is not entitled to participate again in such Offer and the employee may not be able to participate in the 2008 ESP Plan for such period of time as determined by the Committee. Any such employee participating in a new Offer after his or her withdrawal from an Offer will be required to timely submit a new enrollment form.

Termination of Employment

Rights granted pursuant to any Offer under the 2008 ESP Plan shall terminate immediately upon cessation of an employee's employment for any reason, and Maxim shall promptly distribute to such employee all of his or her accumulated payroll deductions (reduced for prior purchases), without interest.

No transferability

Rights granted under the 2008 ESP Plan are not transferable by a participating employee other than by will or the laws of descent and distribution and are exercisable during such participating employee's lifetime only by him or her.

Adjustments upon Changes in Stock or Change in Control

If (1) Maxim shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of Maxim or its subsidiaries or a transaction similar thereto, (2) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of Maxim, or any distribution to holders of Maxim common stock other than cash dividends, shall occur or (3) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the number or kind of shares, or both, which thereafter may be sold under the 2008 ESP Plan, then the Committee may take any necessary actions to preserve to the participating employees' rights substantially proportionate to the rights existing prior to such event. Such actions may include, without limitation, adjustments in the number and kind of shares subject to the 2008 ESP Plan and the purchase price of such shares under the 2008 ESP Plan.

Notwithstanding any other provision of the 2008 ESP Plan, if Maxim's common stock ceases to be listed or traded, as applicable, on a national stock exchange or over-the-counter market (the "Triggering Event"), then, in the discretion of the Committee, (1) the balance in the participating employee's payroll account not yet invested may be refunded to the participating employee, and such participating employee will have no further rights or benefits under the 2008 ESP Plan, (2) an amount equal to the product of the fair market value of a share on the

date of the Triggering Event multiplied by the number of shares such participating employee would have been able to purchase with the balance of his or her payroll account on the date of such Triggering Event may be paid to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the 2008 ESP Plan, or (3) the 2008 ESP Plan may be continued.

Amendment, Suspension and Termination of the 2008 ESP Plan.

The board of directors may at any time and for any reason amend, suspend or terminate the 2008 ESP Plan. However, any amendment of the 2008 ESP Plan shall require stockholder approval if such approval would be required under applicable law or regulation.

Federal Income Tax Consequences.

The following summarizes only the federal income tax consequences of participation under the 2008 ESP Plan based upon federal income tax laws in effect on the date of this proxy statement. This summary does not purport to be complete, and does not discuss any non-U.S., state or local tax consequences. In addition, the discussion does not address tax consequences which may vary with, or are contingent on, a participant's individual circumstances. Each participant in the 2008 ESP Plan is strongly urged to consult with his or her tax advisor regarding participation in the 2008 ESP Plan.

The 2008 ESP Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code (except to comply with applicable foreign or local law). Under these provisions, no income will be taxable to a participant at the time of grant of the option or purchase of shares. Amounts deducted from a participant's pay under the 2008 ESP Plan are part of the employee's regular compensation and remain subject to federal, state and local income and employment withholding taxes.

Upon disposition of the shares, the participant will generally be subject to tax, the amount of which will depend upon the participant's holding period. If the participant disposes of his or her shares more than two years after the date of option grant and more than one year after the purchase of the shares, the lesser of (1) 15% of the fair market value of the shares on the date the option was granted or (2) the excess (or zero if there is no excess) of the fair market value of the shares on the date of the disposition of the shares over the purchase price will be treated as ordinary income, and any further gain will be treated as long-term capital gain. If the participant disposes of the shares before the expiration of these holding periods, the excess of the fair market value of the shares on the exercise date over the purchase price will be treated as ordinary income, and any further gain or loss on such disposition will be long-term or short-term capital gain or loss, depending on the holding period.

There currently is no income tax withholding required upon the purchase or disposition of the shares by a participant. However, in the future, a participant may be subject to employment tax withholding (e.g., Social Security and Medicare) at the time of purchase. The United States Internal Revenue Service issued proposed regulations which, if adopted, would subject a participant to withholding for Social Security and Medicare (not including income tax) at the time of purchase based upon the difference between the fair market value of the shares on the date of purchase and the purchase price of the shares. These proposed regulations, if adopted, would be effective only for purchases made under the 2008 ESP Plan two years after the regulations are issued in final form.

Maxim is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income reported by participants upon disposition of shares within two years from date of grant or within one tax year of the date of purchase. Maxim is required to report to the United States Internal Revenue Service any ordinary income recognized by a participant as a result of a disposition if such information is available to Maxim. In the future, Maxim may be required to withhold (from a participant's salary) the amount due as taxes on such ordinary income.

PROPOSAL NO. 4

RATIFICATION AND APPROVAL OF AN AMENDMENT TO MAXIM S 1996 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE BY 6,000,000 SHARES AND TO PERMIT THE COMPANY TO EXTEND THE MAXIMUM TERM OF STOCK OPTIONS IN LIMITED SITUATIONS

At the 2009 annual meeting, stockholders will be asked to ratify and approve an amendment to Maxim s 1996 Stock Incentive Plan (the 1996 Equity Plan) to (1) increase the maximum number of shares of Maxim common stock that may be purchased under the 1996 Equity Plan by an additional 6,000,000 shares and (2) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire. The amendment to the 1996 Equity Plan to increase the number of shares that may be purchased by 6,000,000 shares was approved by the board of directors in September 2009.

Prior to the effectiveness of the proposed amendment, a total of 100,100,000 shares of Maxim common stock had been reserved for issuance under the 1996 Equity Plan. As of October 7, 2009, approximately 16,300,375 shares were available for purchase under the 1996 Equity Plan. Maxim anticipates that approximately 5,500,000 shares will remain available for purchase under the 1996 Equity Plan at the end of its fiscal year 2010 (June 26, 2010) based upon current assumptions regarding the Company s planned annual focal equity award, new employee awards, promotion awards, and awards to employees from acquisitions to be granted during fiscal 2010. These awards will be a combination of stock options and restricted stock units. As required by our 1996 Equity Plan, each restricted stock unit (granted with an exercise price less than the fair market value of our common stock) is counted against the share reserve as two (2) shares for every one (1) share subject to such award.

The Company currently performs employee reviews and pays performance bonuses in September of each year but makes its annual focal equity award in November or December of each year. Starting in 2010, Maxim seeks to consolidate these processes and make its annual focal equity award to employees closer to the time of, or as part of the employee performance review process in September of each year, and Maxim is seeking your approval for additional 6,000,000 shares of its common stock to permit to Maxim to make this award starting in September 2010 or shortly thereafter.

Maxim is also seeking the authority to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire. Allowing such extension would help protect employees against losing the benefit of their stock options despite their hard work and protect Maxim from having to compensate such loss with cash. We believe that this additional protective measure will benefit both the option holders and Maxim. The maximum period of time any such option may be extended is up to thirty (30) days following the date on which applicable securities laws no longer prohibit the issuance of common stock upon exercise of stock options.

The board of directors has approved, subject to stockholder ratification and approval, an amendment to (1) increase the maximum number of shares of Maxim common stock reserved under the 1996 Equity Plan by 6,000,000 shares to a total of 106,100,000 shares, and (2) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire.

The closing price of Maxim s common stock on October 1, 2009 was \$17.28 per share.

Maxim believes that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time. Maxim further believes that the attraction, retention and motivation of highly qualified personnel are essential to

Maxim's continued growth and success and that incentive plans, such as the 1996 Equity Plan, are necessary for Maxim to remain competitive in its compensation practices. In addition, Maxim believes that the 1996 Equity Plan (and other equity incentive programs) are an effective way to assure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders.

The benefits to be received by Maxim's employees and officers pursuant to the 1996 Equity Plan are not determinable at this time.

Required Vote

Ratification and approval of the amendment to (1) increase the number of shares reserved under the 1996 Equity Plan and (2) permit Maxim to extend the term of an option beyond 10-years from the date of grant in the event applicable securities laws prohibit the issuance of common stock upon exercise of stock options at the time the options would otherwise expire requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 1996 Equity Plan approved by the board of directors and the purpose of the 1996 Equity Plan is set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 4.

Recommendation

Our board of directors recommends a vote FOR the amendment to of Maxim's 1996 Stock Incentive Plan as described herein.

The following summary of certain provisions of the 1996 Equity Plan is qualified in its entirety by reference to the 1996 Equity Plan, a copy of which is attached as Appendix B to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 1996 Equity Plan.

Summary of Material Features of the 1996 Equity Plan

The following paragraphs provide a summary of the principal features of the 1996 Equity Plan and its operation. The following summary is qualified in its entirety by reference to the 1996 Equity Plan as set forth in *Appendix B*. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 1996 Equity Plan.

Purpose. The purpose of the 1996 Equity Plan is to increase stockholder value, which is accomplished largely as a result of the Company's successful, on-going equity compensation program. The Company believes that Maxim's long-term commitment to employee ownership of Maxim stock has significantly contributed both to successful recruiting and retention of employees. The Company also strongly believes that the employee ownership of Maxim is largely responsible for Maxim's success.

Types of Awards. The 1996 Equity Plan provides for the grant of the following types of incentive awards: (1) stock options; (2) restricted stock units, and (3) restricted stock, which are hereinafter referred to individually as an Award. Those who will be eligible for Awards under the 1996 Equity Plan include employees, directors and consultants who provide services to the Company and its parent and subsidiary companies.

Number of Shares of Common Stock Available Under the 1996 Equity Plan. If stockholders approve Proposal 4, a total of 106,100,000 shares of the Company's common stock will be reserved for issuance under the 1996 Equity Plan. Any shares subject to awards of restricted stock units and restricted stock granted with an exercise price less than the fair market value on the date of grant will be counted against the share reserve as two (2) shares for every one (1) share subject to such award. Further, to the extent that a share that was subject to an award that counted as two (2) shares against the 1996 Equity Plan reserve pursuant to the preceding sentence is recycled back into the 1996 Equity Plan, the 1996 Equity Plan will be credited with two (2) shares that will thereafter be available for issuance under the 1996 Equity Plan.

If we experience a stock split, reverse stock split, stock dividend, spin-off, combination or reclassification of our shares, or any other change or increase or decrease in the number of issued shares effected without our receipt of consideration (except for certain conversions of convertible securities) appropriate adjustments will be made, subject to any required action by the Company's stockholders, to the number of shares available for issuance under the 1996 Equity Plan, the number of shares covered by each outstanding Award, the price per share covered by each outstanding Award, and the numerical per-person share limits for each type of Award, as appropriate to reflect the stock dividend or other change.

Maxim common stock covered by the 1996 Equity Plan may be either authorized but unissued shares or treasury shares. If there is a lapse, expiration, termination or cancellation of any Award granted under the 1996 Equity Plan without the issuance of shares or payment of cash thereunder, or if shares are issued under any Award under the 1996 Equity Plan and thereafter are reacquired by the Company pursuant to rights reserved upon the issuance thereof, or if any unissued shares are retained by the Company upon exercise of an Award in order to satisfy the exercise price for such Award or any withholding taxes due with respect to such Award, or pursuant to the payment of the purchase price of shares under Awards by delivery of other common stock of the Company, the shares subject to or reserved for such Award, or so retained or reacquired, may again be used for new Awards under the 1996 Equity Plan.

Administration. The 1996 Equity Plan provides that the grant of Awards and other determinations under the 1996 Equity Plan shall be made by (1) the Board or (2) a Committee designated by the Board (the Administrator) which, in case of grants of Awards to employees who are officers of the Company, is constituted in a manner to permit the grants and related transactions under the 1996 Equity Plan to be exempt from Section 16(b) of the Exchange Act in accordance with Rule 16b-3 of the Exchange Act and which, in the case of grants to covered employees, is intended to constitute performance-based compensation, is made up solely of two or more outside directors as such terms are defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). The Administrator has the authority to select employees, directors and consultants to whom Awards may be granted; to determine the number of shares to be covered by each Award; and to determine the terms and conditions of any Award granted under the 1996 Equity Plan.

Performance Based Compensation. Section 162(m) of the Code limits the annual deduction a public corporation may claim for compensation paid to the Company's Chief Executive Officer and to each of its three most highly compensated executive officers (other than the Chief Financial Officer) to \$1 million, except in limited circumstances. One such exception is for performance-based compensation, which is defined as compensation paid solely on account of the attainment of one or more performance goals, but only (1) if the goals are determined by a compensation committee of the Board comprised of two or more outside directors, (2) the performance goals are disclosed to stockholders and approved by a majority vote before the remuneration is paid, (3) before the remuneration is paid, the compensation committee certifies that the performance goals and any other material terms were in fact satisfied, and (4) setting limits on the number of Awards that any individual may receive. The 1996 Equity Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

The 1996 Equity Plan limits the number of shares with respect to which incentive stock options and non-qualified stock options may be granted in any one fiscal year of the Company to any one participant to 4,000,000 shares and limits the number of shares with respect to which restricted stock units and restricted stock may be granted in any fiscal year of the Company to any one participant to 2,000,000 shares.

Eligibility. Selected employees, directors, service providers, advisors and independent contractors of the Company and any parent or subsidiaries will be eligible to receive Awards under the 1996 Equity Plan. Awards may be granted to eligible persons residing in foreign jurisdictions under additional terms and conditions to accommodate local laws and to provide such eligible persons favorable treatment under local laws, provided that no such terms are inconsistent with the 1996 Equity Plan.

Duration. The 1996 Equity Plan will continue in effect until August 11, 2015, unless terminated earlier by the Board.

Corporate Transactions/Changes in Control/Subsidiary Dispositions. The Administrator shall have the authority, exercisable either in advance of any actual or anticipated or at the time of an actual corporate transaction, change in control or subsidiary disposition and exercisable at the time of the grant of an Award under the 1996 Equity Plan or any time while an Award remains outstanding, to provide for the full automatic vesting and exercisability of one or more outstanding unvested Awards under the 1996 Equity Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a corporate transaction, change in control or subsidiary disposition, on such terms and conditions as the Administrator may specify. The Administrator also shall have the authority to condition any such Award vesting and exercisability or release from such limitations upon the subsequent termination of the continuous status as an employee or service of the participant within a specified period following the effective date of the change in control or subsidiary disposition. The Administrator may provide that any Awards so vested or released from such limitations in connection with a change in control or subsidiary disposition, shall remain fully exercisable until the expiration or sooner termination of the Award. Effective upon the consummation of a corporate transaction, all outstanding Awards under the 1996 Equity Plan shall terminate unless assumed by the successor company or its parent.

Options. The 1996 Equity Plan provides that the purchase price of any stock option shall be at least 100% of the fair market value of the Company common stock at the time the option is granted. The Administrator may provide for the payment of the purchase price in cash, by delivery of other common stock of the Company having a market value equal to the purchase price of such shares, or by any other method, including by delivery of an exercise notice accompanied by a copy of irrevocable instructions to a broker to deliver promptly to the Company proceeds to pay the purchase price.

The Administrator may permit or require a participant to pay all or a portion of the federal, state and local taxes, including FICA and Medicare withholding tax, arising in connection with the exercise of an option, by having the Company withhold shares or by delivering shares received in connection with the option or previously acquired, having a fair market value approximating the amount to be withheld.

The maximum term of any option will be ten (10) years from the date it is granted, except that with respect to any participant who owns 10% of the voting power of all classes of the Company's outstanding capital stock, the term of an incentive stock option may not exceed five (5) years; provided, however, that the term of an option may be extended beyond its ten-year term if the issuance of shares of common stock upon exercise of such option would be prohibited by applicable securities laws at the time it would otherwise expire. Options are generally exercisable for a period of 90 days after termination or retirement, 365 days after termination due to disability or 547 days after termination due to death.

Restricted Stock Units. The Administrator is able to grant Awards of restricted stock units. Awards of restricted stock units vest in accordance with the terms and conditions established by the Administrator in its sole discretion. For example, the Administrator may set restrictions based on the achievement of specific performance goals or based upon continued service. There are no minimum vesting requirements for restricted stock units. Upon satisfying the applicable vesting criteria, a participant is entitled to the payout specified in the Award agreement. The Administrator may pay earned restricted stock units in cash, shares or a combination of both. Awards of restricted stock units may be issued either alone, in addition to, or in tandem with other Awards granted under the 1996 Equity Plan and/or cash awards made outside of the 1996 Equity Plan. The Administrator will determine the number of units granted pursuant to an Award of restricted stock units, but no participant will be granted more than 2,000,000 units during any fiscal year.

Restricted Stock. The Administrator is able to grant Awards of restricted stock. Awards of restricted stock are rights to acquire or purchase shares of Company common stock. Restricted stock vests in accordance with the terms and conditions established by the Administrator in its sole discretion. For example, the Administrator may set restrictions based on the achievement of specific performance goals or based upon continued service. There

are no minimum vesting requirements for Awards of restricted stock. Awards of restricted stock may be issued either alone, in addition to, or in tandem with other Awards granted under the 1996 Equity Plan and/or cash awards made outside of the 1996 Equity Plan. The Award agreement will generally grant the Company a right to repurchase or reacquire the shares upon the termination of the participant's service with the Company for any reason (including death or disability). The Committee will determine the number of shares granted pursuant to an Award of restricted stock, but no participant will be granted a restricted stock Award to purchase or acquire more than 2,000,000 shares of common stock during any fiscal year.

Performance Goals. As determined by the Administrator, the performance goals applicable to an Award may provide for a targeted level or levels of achievement using one or more of the following measures: cash flow; cash position; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings per Share; economic profit; economic value added; equity or stockholder's equity; free cash flow, free cash flow per Share and market share; net income; net profit; net sales; operating earnings; operating income; profit before tax; ratio of debt to debt plus equity; ratio of operating earnings to capital spending; return on net assets; sales growth; share price; or total return to stockholders. The performance goals may differ from participant to participant and from Award to Award and may be stated in absolute terms or relative to comparison companies or indices to be achieved during a period of time.

Amendments and Discontinuance. The 1996 Equity Plan is subject to amendment or termination by the Administrator without stockholder approval as deemed in the best interests of the Company. However, no such amendment shall, without the consent of the award holder, reduce the amount of any Award or adversely change the terms and conditions thereof.

The terms and conditions applicable to any Awards granted and outstanding may at any time be amended or modified in any lawful way or canceled by mutual agreement between the Administrator and the participant, so long as any amendment or modification does not increase the number of shares of Maxim common stock issuable under the 1996 Equity Plan and subject to the provisions regarding repricing described below.

Repricing Options. The Administrator does not have the authority to reprice any outstanding option. For these purposes, to reprice an outstanding option means to amend any outstanding option to reduce the exercise price.

Number of Awards Granted to Employees, Consultants, and Directors. The number of Awards that an employee, director or consultant may receive under the Plan is in the discretion of the Administrator and therefore cannot be determined in advance. To date, only stock options and restricted stock units have been granted under the 1996 Equity Plan. The following table sets forth (1) the aggregate number of shares subject to options granted under the 1996 Equity Plan during the fiscal year ended June 27, 2009, (2) the average per share exercise price of such options, and (3) the aggregate number of restricted stock units granted under the 1996 Equity Plan during the fiscal year ended June 27, 2009, where each unit represents a right to acquire one share of common stock.

Name of Individual or Group	Number of Options Granted	Per Share Exercise Price (\$)	Number of Restricted Stock Units Granted
Tunc Doluca	535,344	12.82	46,666
Bruce Kiddoo	256,178	12.82	4,000
Charles G. Rigg	147,138	12.82	39,320
Pirooz Parvarandeh	379,996	12.82	71,049
Vijay Ullal	401,014	12.82	83,145

All directors who are not executive officers, as a group	276,000	15.50	25,000
All employees who are not executive officers, as a group	4,240,659	13.12	10,256,274

Federal Income Tax Consequences. *Non-qualified Stock Options.* Under existing law and regulations, the grant of non-qualified stock options with an exercise price equal to the fair market value of the underlying stock on the date of grant will not result in income taxable to the participant. However, the exercise of such a non-qualified stock option results in taxable income to the holder and may be subject to withholding for federal income and employment tax purposes. The Company is entitled to an income tax deduction in the amount of the income recognized by the optionee, subject to possible limitations imposed by Section 162(m) of the Code and so long as the Company withholds the appropriate taxes with respect to such income (if required). At the time of the exercise of a non-qualified stock option, the amount so taxable and so deductible will be the difference between the fair market value of the shares purchased and the exercise price. Any gain or loss on the optionee's subsequent disposition of the shares of Maxim common stock will receive long or short-term capital gain or loss treatment, depending on whether the shares are held for more than one year following exercise. The Company does not receive a tax deduction for any such gain.

Incentive Stock Options. An optionee recognizes no income when an incentive stock option is granted or exercised. However, the difference between the fair market value of the shares on the date of exercise and the option price is classified as an item of adjustment in the year of exercise for purposes of the participant's alternative minimum tax.

If the participant does not dispose of the shares received on exercise of an incentive stock option prior to two years from the date of grant and one year from the date of exercise of the stock option, any gain realized by the holder on the disposition of the stock will be accorded long-term capital gain treatment, and no deduction will be allowed to the Company. If either holding period requirements is not satisfied, the participant will recognize ordinary income at the time of such disqualifying disposition equal to the lesser of (1) the gain realized on the disposition, or (2) the difference between the option price and the fair market value of the shares on the date of exercise. Any additional gain or loss on the disqualifying disposition not reflected above would be long-term or short-term capital gain, depending on whether the shares are held for more than one year following exercise. The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant, subject to possible limitations imposed by Section 162 of the Code.

Restricted Stock and Restricted Stock Units. A participant generally will not have taxable income at the time an Award of restricted stock and restricted stock units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (1) freely transferable or (2) no longer subject to substantial risk of forfeiture. However, the recipient of a restricted stock Award may elect to recognize income at the time he or she receives the Award of restricted stock in an amount equal to the fair market value of the shares underlying the Award (less any cash paid for the shares) on the date the Award is granted. The Company generally will be entitled to a tax deduction in connection with an Award under the 1996 Equity Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income, subject to possible limitations imposed by Section 162 of the Code.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the 1996 Equity Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, upon the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its three most highly compensated other executive officers other than the Chief Financial Officer. In general under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these executives is deductible only to the extent that it does not exceed \$1,000,000. The Company can, however, preserve the deductibility of certain compensation in excess of \$1,000,000 under the 1996 Equity Plan if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 1996 Equity Plan, setting limits on the number of Awards that any individual may receive, and, for Awards other than certain types of stock options, establishing performance criteria that must be met before the Award actually vests or is paid. The 1996 Equity Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with those Awards.

The foregoing discussion of the federal income tax aspects of Awards under the 1996 Equity Plan is based upon federal income tax laws in effect on the date of this Proxy Statement. The foregoing discussion is not a complete description of the federal income tax aspects of options under the 1996 Equity Plan. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable to any options. Participants in the 1996 Equity Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

PROPOSAL NO. 5

APPROVAL OF MAXIM'S EXECUTIVE BONUS PLAN

In October 2009, the Compensation Committee has approved the adoption of the Maxim Integrated Products, Inc. Executive Bonus Plan, an annual cash-based incentive plan, as an integral part of the compensation program for officers (the 2009 MEBP). The 2009 MEBP is being submitted to Maxim stockholders for their approval. Under the 2009 MEBP, if approved, payments of bonuses should constitute qualified performance-based compensation under the provisions of Section 162(m) of the Internal Revenue Code, as amended (the Code). Section 162(m) of the Code imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to the company's chief executive officer and any of the company's three other most highly compensated officers (excluding the chief financial officer) who are employed as of the end of the year. This limitation does not apply to compensation that meets the requirements under Section 162(m) for qualifying performance-based compensation (i.e., compensation paid only if the individual's performance meets pre-established objective goals based on performance criteria approved by stockholders). The 2009 MEBP is designed to ensure that executive compensation paid in accordance with the plan is fully deductible for federal income tax purposes.

Required Vote

Approval of the 2009 MEBP requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 2009 MEBP approved by the Compensation Committee and the purposes of the 2009 MEBP are set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 5.

Recommendation

Our board of directors recommends a vote FOR the approval of the 2009 MEBP.

The following summary of certain provisions of the 2009 MEBP is qualified in its entirety by reference to the 2009 MEBP, a copy of which is attached as Appendix C to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 2009 MEBP.

Summary of Material Features of the 2009 MEBP

The purpose of the 2009 MEBP is to motivate and reward superior short-term officer performance through the payment of cash award amounts based upon performance to pre-established metrics. Under the 2009 MEBP, each officer's incentive opportunity is based upon the level of achievement of Company and individual performance metrics established by the Compensation Committee. Maxim will use the 2009 MEBP to make a portion of each officer's target annual cash compensation at risk and subject to achievement of key short-term financial, stock price and performance metrics. Maxim currently has eighteen (18) officers that are eligible to participate in the plan.

The 2009 MEBP is administered by the Compensation Committee, which will be made up of at least two directors, each of whom is an outside director within the meaning of Section 162(m) of the Code. The officers eligible to participate in the 2009 MEBP will be selected to participate for a one fiscal year cycle or portion of a fiscal year cycle (each, a Performance Period), as determined by the Compensation Committee. In its discretion, the Compensation Committee may add officers to, or remove officers from, the 2009 MEBP at any time during a Performance Period or otherwise (except that no participant may be added after the 90th day following the beginning of a Performance Period or otherwise unless consistent with the requirements of Section 162(m) of the Code). Officers who are selected to participate in the 2009 MEBP will be paid a bonus (as defined below) based upon the achievement of performance objectives set by the Compensation Committee.

Performance metrics may be based on one or more financial, strategic and operational business criteria specified in Section 4 of the 2009 MEBP. The 2009 MEBP provides that such criteria may be determined with respect to the Company, or any subsidiary or any division or business unit thereof, alone or in combination, and may be on the basis of a comparison to results of a peer group or to market performance indicators or indices, and any such criteria will be determined in accordance with generally accepted accounting principles, consistently applied, unless otherwise specified by the Compensation Committee. The Compensation Committee has the option to make awards dependent on achievement of one or more different performance goals provided the goals, when established, are stated as alternatives to one another. Goals may change from year to year, as long as they are based on the performance criteria specified in the 2009 MEBP. This flexibility permits us to maintain alignment with the business strategy of the Company and respond to changing market conditions, while maintaining focus on financial measures.

Following the completion of a Performance Period, the Compensation Committee will review the performance of the participating officers against the established performance goals. Cash bonus awards are then paid after the Compensation Committee has determined the extent to which the performance goals have been achieved. The 2009 MEBP allows the Compensation Committee to reduce but not increase the amount of an award that is otherwise payable to a participant upon achievement of the performance goals. The 2009 MEBP specifies that payments will be in a lump-sum, and will be made no later than the date that is two and one-half months following the close of the calendar year in which such bonus was earned. The Code requires that the 2009 MEBP contain a limit on the amount any one officer may receive in order for bonuses to be tax deductible to the Company. The maximum bonus that can be paid to any officer under the 2009 MEBP is \$5 million.

In the event of a change-of-control of the Company, the payout of any award under the 2009 MEBP following such change-of-control will be consistent with the provisions of the applicable employment agreement or change-of-control employment agreement between the executive officer and the Company, if any, and to the extent that no applicable provision of any such agreement addresses such payment of awards, the Compensation Committee may (1) determine the extent to which the performance goals applicable to awards in effect on the date of the change-of-control have been met based on such audited or unaudited financial information then available as it deems necessary, and (2) cause to be paid to each participant partial or full awards based on the Committee's determination of the degree of attainment of the performance goals and the portion of the fiscal year that has elapsed prior to the change-of-control. Participants whose employment is terminated for any reason during the fiscal year (or prior to the date the Compensation Committee has determined the extent to which the performance goals have been achieved and reviews the performance of the officers) will not be entitled to receive an award under the 2009 MEBP for that fiscal year unless determined otherwise by the Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

Section 16(a) of the Exchange Act requires our directors and officers, and persons who own more than ten percent (10%) of a registered class of Maxim's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of Maxim. Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To the best of our knowledge, based solely on a review of the copies of such reports furnished to Maxim and written representations that no other reports were required, during the fiscal year ended June 27, 2009, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent (10%) beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Transactions

The Company sold approximately \$33 million in products to Flextronics International Ltd., a contract manufacturer, in the ordinary course of its business. William D. Watkins, a member of our board of directors, is also a member of the board of directors of Flextronics International Ltd.

The Company employs Robert Bergman, the son of James R. Bergman, a member of our board of directors. In fiscal year 2009, Robert Bergman received approximately \$172,000 in cash compensation and was granted options to purchase 7,640 shares of the Company's Common Stock at an exercise price of \$12.82 per share and awarded 5,844 restricted stock units. In addition, Mr. Bergman received a goodwill payment in the approximate amount of \$143,000 for options that expired as a result of reaching their 10-year term during the blackout period, approximately \$7,000 for the sale of underwater stock options as part of the Company's broad-based tender offer to repurchase underwater stock options, and approximately \$12,000 in the Company's restricted stock unit loan program.

Maxim has entered into indemnification agreements with its directors and certain of its officers. More specifically, we have separate written indemnification agreements with our current and former executive officers and directors. The indemnification agreements provide, among other things, that Maxim will indemnify each of its directors and officers, under the circumstances and to the extent provided therein, for expenses, damages, judgments, fines and settlements each may be required to pay in actions or proceedings to which he or she may be made a party by reason of his or her position or positions as a director, officer or other agent of Maxim, and otherwise to the fullest extent permitted under Delaware law and Maxim's bylaws.

Review, Approval or Ratification of Related Party Transactions

The Audit Committee Charter provides for the Audit Committee to review and approve all related party transactions for potential conflicts of interest on an ongoing basis (if such transactions are not approved by another independent body of the board of directors). Related party transactions include, for purposes of the Audit Committee review, without limitation, transactions involving Maxim and any director, executive officer, beneficial owner of more than 5% of Maxim common stock, any immediate family member of any such person, or any firm, corporation, partnership or other entity in which any such person is employed or any such person has a 5% or greater beneficial ownership interest. In determining whether to approve or ratify a transaction with a related party, the Audit Committee will take into account all relevant facts and circumstances it deems relevant, including, without limitation, the nature of the related party's interest in the transaction, the benefits to Maxim of the transaction, whether the transaction would impair the judgment of a director or executive officer to act in the best interests of Maxim and its stockholders, the potential impact of such transaction on a director's independence, and whether the transaction is on terms no less favorable than terms that may be available in a transaction with an unaffiliated third party under the same or similar circumstances.

Any member of the Audit Committee who is a related party with respect to a transaction under review may not participate in the deliberations or vote on the approval of the transaction. Maxim will disclose the terms of related person transactions in its filings with the SEC to the extent required.

The terms of the sale of products and the employment of the individual described above under the heading "Related Transactions" were not specifically approved by the Audit Committee because such terms (including compensation terms) were, and continue to be, consistent and commensurate with those of other similarly situated customers and employees of Maxim.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis provides a review of our executive compensation philosophy, policies and practices with respect to the following executive officers of Maxim: the Chief Executive Officer, the Chief Financial Officer, and the other three most highly compensated executive officers during fiscal year 2009 (the Named Executive Officers).

Executive Compensation Philosophy and Components

The objectives of our executive compensation program are as follows:

to attract, retain, motivate and reward the best and brightest executives who have the talent and experience required to achieve our goals;

to align the short-term and long-term interests and objectives of our executive officers with stockholders and customers;

to create a high-performance culture by linking total rewards to company performance, including performance relative to our peers;

to recognize executives for their contributions to our success by rewarding individual performance; and

ensure that executive compensation programs are easily understood by program participants.

We accomplish these objectives by providing our executives with compensation components that are specifically linked to either short-term or long-term corporate and executive performance. The principal components of our executive compensation are:

base salary;

cash performance bonuses;

stock options and restricted stock units; and

benefits.

Each of these components is intended to achieve one or more of our compensation objectives. The Compensation Committee relies on its judgment in determining the appropriate mix of cash and equity compensation for our officers. In general, in order to encourage a high-performance culture and to align the interests of our executive officers with those of our stockholders, the Compensation Committee makes a significant portion of each executive officer's compensation performance-based over time with cash performance bonuses and equity awards, while keeping base salaries below competitive levels. Our variable cash and equity programs are designed to reward recent performance with cash compensation and to motivate long-term performance and retention through equity awards. Both programs are also designed to reward our executives both for individual and overall corporate performance. Such a structure allows the Compensation Committee flexibility to reward

outstanding individual performance and to recognize the contributions of our executive

officers to the overall success of Maxim. However, with respect to the Chief Executive Officer, only overall corporate performance is taken into consideration in determining the portion of compensation based on performance metrics.

Governance of Executive Officer Compensation Program

Role and Members of the Compensation Committee

The members of our Compensation Committee are appointed by our board of directors. The Compensation Committee is responsible for determining executive officer compensation. As of the record date, the Committee was comprised of three members of the board of directors, Messrs. James R. Bergman, Robert E. Grady and A. R. Frank Wazzan, each of whom is an independent, non-employee director. Mr. Hagopian was a member of the Compensation Committee during fiscal year 2009, and Mr. Grady replaced Mr. Hagopian as a member of the Compensation Committee in October 2008. Since March 1, 2007, Dr. Wazzan has, and continues to, serve as Chairman of the Compensation Committee.

The primary purpose of the Compensation Committee is to:

review and approve corporate goals and objectives relevant to the compensation of Maxim's Chief Executive Officer (the CEO) and other officers, evaluate CEO performance, and determine CEO compensation based on this evaluation;

approve and oversee, in consultation with our Chief Executive Officer (the CEO) the total compensation package for our officers including their base salaries, bonus, equity-based compensation, severance benefits and change-in-control benefits (if any);

review the CEO's performance evaluation of all officers and approve compensation decisions;

review periodically and make recommendations to the board of directors regarding any equity or long-term compensation plans, and administer these plans; and

make recommendations to the board of directors with respect to compensation for members of the board of directors and its committees.

The Compensation Committee operates according to a charter that details its specific duties and responsibilities. The Compensation Committee periodically reviews the charter and recommends proposed changes to the board of directors for approval. The Compensation Committee Charter is available on our website in the Corporate Governance section at <http://www.maxim-ic.com/company/investor/governance>. The charter sets forth the membership requirements, authority and duties of the Compensation Committee, which shall consist of no fewer than two members, all of whom (1) meet the independence requirements of the NASDAQ Marketplace Rules, (2) are non-employee directors under the definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act, and (3) are outside directors for purposes of the regulations promulgated under Section 162(m) of the Internal Revenue Code. During fiscal year 2009, and currently, all members of the Compensation Committee met these criteria.

Process for Evaluating Executive Officer Performance and Compensation

The Compensation Committee generally holds at least two scheduled meetings during the year and holds additional meetings periodically to review and discuss executive compensation issues. In addition, certain members of the Compensation Committee generally communicate on an informal basis concerning Compensation Committee matters throughout the fiscal year. The Compensation Committee may also consider and take certain actions by unanimous written consent. In fiscal year 2009, the Compensation Committee held seven (7) meetings and acted by unanimous written consent five (5) times. In addition, the Equity Grant Sub-Committee of the Compensation Committee held nine (9) meetings during fiscal year 2009.

Our Corporate Secretary, along with other employees of Maxim, supports the Compensation Committee in its work. The Compensation Committee also has the authority to engage the services of outside advisors, experts and others for assistance.

Outside Compensation Consultant

In fiscal year 2008, the Compensation Committee engaged an independent, third party compensation consulting firm, Compensia, Inc., to advise the Compensation Committee and the board of directors on executive cash and equity compensation matters, including Maxim's new officer compensation plan for fiscal years 2008 and 2009. Compensia reports directly to the Compensation Committee, and the Compensation Committee has sole authority to hire, terminate and direct the work of Compensia.

Compensia was not consulted with respect to the compensation paid to Alan Hale, our former Interim Chief Financial Officer, who was appointed in January 2007 for the specific purpose of leading our efforts to complete the restatement of certain of Maxim's previously filed financial statements. Mr. Hale was not a participant in our Officer Compensation Plan for fiscal year 2009 and his compensation was determined independently of all other officers.

Role of Management in Executive Compensation Process

The Compensation Committee seeks input from our Chief Executive Officer and/or other senior executives, to obtain recommendations with respect to our compensation programs, practices and packages for executives and other employees. Our Chief Executive Officer's role in the compensation-setting process consists of (1) evaluating executive and employee performance; (2) assisting in the establishment of business performance targets and objectives; and (3) recommending salary levels and equity awards. While the Compensation Committee may discuss our CEO's compensation package with him, it meets in executive session in his absence to determine his compensation.

Executive Compensation Benchmark

In December 2007, based on the recommendations of Compensia, and in consultation with Maxim's Chief Executive Officer and Vice President of Finance, the Committee approved a compensation peer group to be used for benchmarking and for setting executive compensation for fiscal years 2008 and 2009. In determining the appropriate compensation peer group, the Compensation Committee considered companies within the semiconductor industry that have revenue, number of employees and operations similar to our corresponding components. Most of the companies in this peer group compete with us for executive talent. Periodically, the Compensation Committee will review and update the compensation peer group as appropriate.

The compensation peer group for fiscal years 2008 and 2009 are as follows:

Altera Corporation	Linear Technology Corporation
Analog Devices, Inc.	LSI Corporation
Atmel Corporation	Marvell Technology Group Ltd.
Broadcom Corporation	National Semiconductor Corporation
Cypress Semiconductor Corporation	NVIDIA Corporation
Fairchild Semiconductor	ON Semiconductor Corp.
International Rectifier Corporation	Xilinx, Inc.

The Compensation Committee also included Texas Instruments in the peer group for reference purposes only because Texas Instruments is a competitor and competes with us for executive talent.

Total compensation targets for our Named Executive Officers are at the 75th percentile for total compensation paid to similarly situated executives in the compensation peer group companies, as long as stringent performance metrics are satisfied. The targets for individual compensation components are as follows: 25th percentile for base salary, 75th percentile for total cash compensation and 75th percentile for equity awards (taking into consideration dilution constraints). We set our target compensation level higher than the median compensation level of executives in the compensation peer group because we believe that providing above average compensation, payable only upon the achievement of stringent performance metrics, will allow us to retain and attract talented and motivated executives in the highly competitive semiconductor industry. The benchmark data are one of many factors that the Compensation Committee considers in making compensation decisions. The Compensation Committee also considers company performance, the executive's level of responsibilities and individual performance, any special retention issues, and compensation relative to the other officers at Maxim when setting the compensation level of our officers.

Evaluation of Named Executive Officer Compensation

Base Salary

Base salaries are used to attract, motivate and retain highly qualified executives. Base salary is the primary fixed component of compensation in the executive compensation program and is determined by:

level of responsibility;

pay levels of similar positions in our peer group;

expertise and experience of the executive; and

competitive conditions in the industry.

Annual base salary increases, if any, are a reflection of:

the individual's performance for the preceding year;

the individual's pay level relative to similar positions in our peer group;

anticipated future contributions of the executives; and

competitive conditions in the industry.

For Named Executive Officers, base salaries are generally targeted at the 25th percentile of the base salaries paid to similarly situated executives in the compensation peer group companies.

Fiscal 2009 Base Salary Actions

The Compensation Committee, after a review of individual and overall company performance, as well as market practices for executive compensation, did not approve base salary increases for our Named Executive Officers for fiscal year 2009 from fiscal year 2008 base salary levels. Notwithstanding the foregoing, significantly all of Maxim's employees, including the Named Executive Officers, took a temporary 10% reduction in their annualized base salary during our third and fourth fiscal quarter of 2009. The table below sets forth each Named Executive Officer's base salary for fiscal year 2009, excluding the temporary 10% reduction in base salary during the third and fourth fiscal quarter of 2009, with the exception of Mr. Parvarandeh's whose 10% reduction in base salary is still in effect:

Named Executive

Officer	Title	Annualized 2009 Base Salary	% Increase from 2008
Tunc Doluca	President and Chief Executive Officer	\$ 500,000	0
Bruce Kiddoo	Senior Vice President and Chief Financial Officer	\$ 350,000	0
Alan Hale*	Former Interim Chief Financial Officer	\$ 300,000	0
Charles G. Rigg	Senior Vice President	\$ 300,000	0
Pirooz Parvarandeh	Group President and Chief Technical Officer	\$ 400,000	0
Vijay Ullal	Group President	\$ 400,000	0

* Mr. Hale served as Maxim's Interim Chief Financial Officer effective from January 31, 2007 to October 1, 2008 after fulfilling his commitment to assist Maxim in completing its financial restatement.

Other Cash Compensation; Goodwill Payments for Expiring Options

Starting on September 23, 2006 we suspended all stock option exercises as a result of our delay in filing periodic reports on Form 10-K and Form 10-Q with the SEC due to the previously announced Special Committee inquiry into certain of our past stock option grants and granting practices, as well as our need to restate certain historical financial statements of Maxim to record additional stock-based compensation expense following that inquiry. We continued to prohibit the exercise of stock options until September 30, 2008, the date on which we completed our financial restatement and became current in our reporting obligations with the SEC.

During the period in which the exercise of stock options was suspended, certain vested but unexercised stock options held by current and former employees expired as a result of reaching their maximum 10-year terms. To address this problem, Maxim implemented a program to provide cash payments to certain individuals who hold options that expired at the end of their 10-year terms during the period between September 23, 2006 and October 31, 2008 (the Suspension Period). In the absence of any action by Maxim, these individuals would have been deprived of all profit in these options even though they were vested and in-the-money during the period leading up to the expiration date. Maxim's board of directors determined that it would have been inequitable not to compensate these individuals for their expiring options, and it would have damaged employee morale and potentially given rise to legal claims. Please refer to Maxim's proxy statement for its 2008 annual meeting of stockholders for additional information regarding cash payments made by Maxim to its employees, including its Named Executive Officers, for stock options that expired during the Suspension Period. Under this program, we agreed to make a goodwill payment of approximately \$614,000 to Mr. Rigg (vesting over 9 months contingent upon continued employment) for 30,000 vested stock options having an exercise price of \$11.97, which were granted in December 1998 and expired in October 2008 as a result of reaching their maximum 10-year term. Mr. Rigg is a Named Executive Officer for fiscal year 2009 primarily as a result of this payment.

In January 2009, the Compensation Committee also authorized goodwill payments to non-officer employees holding stock options that were outstanding as of November 1, 2008 and that were due to expire as a result of reaching the end of their 10-year term during November 2008 through 2009. The goodwill payment was based on the amount the calculated value of the option exceeded the exercise price multiplied by the number of shares, less applicable tax withholding. For this purpose, the calculated value was equal to the price at which 70% of the daily close prices of Maxim's common stock fell below this price for trading days from August 7, 2006 through the expiration date of the option. If the total payment was less than \$5,000, then it would be made in cash in a single lump sum, and if the total payment was \$5,000 or more, then it would be made in the form of restricted stock units vesting over three quarters subject to the individual's continued employment at Maxim. Payment was contingent upon the option holder executing a release of all claims relating to the option for our benefit. In May 2009, the Compensation Committee extended these payments to officers, including certain Named Executive Officers (but expressly excluding our Chief Executive Officer) on the same terms and conditions that applied to other employees except that payments were made in the form of restricted stock units subject to vesting over six (6) quarters contingent upon continued employment instead of three (3) quarters.

The following table sets forth the estimated payments in the form of restricted stock units for the options discussed in the previous paragraph that were approved in fiscal year 2009 for our Named Executive Officers:

Option Holder Name	Option Grant Date	Option Expiration Date	Option Exercise Price	Number of Expired Options	Payment Amount before applicable tax withholding	Number of Restricted Stock Units Granted(a)
Charles G. Rigg	July 9, 1999	March 1, 2009	\$ 21.0625	33,000	\$ 299,888.00	23,320
Pirooz Parvarandeh	May 26, 1999	May 25, 2009	\$ 24.5938	104,000	\$ 539,364.80	37,715
Vijay Ullal	May 26, 1999	May 25, 2009	\$ 24.5938	130,000	\$ 674,206.00	47,145

- (a) The restricted stock units vest over six (6) quarters on August 15, 2009, November 15, 2009, February 15, 2010, May 15, 2010, August 15, 2010 and November 15, 2010, in each case subject to continued employment at Maxim. In the event a particular officer is terminated without cause, such officer will be

entitled to the remaining unvested goodwill payments within a reasonable period of time following such termination, subject to entering into a full release of claims against Maxim.

Cash Bonus

2008 and 2009 Compensation Plan

At the March 1, 2007 meeting of the board of directors, the Chief Executive Officer recommended to the board of directors and the Compensation Committee that a new compensation plan for Maxim's officers, including the Named Executive Officers, be adopted to replace the then existing Bonus Plan and offered suggestions on what the new compensation plan should encompass (the 2008 Bonus Plan). After receiving feedback from the board of directors, the Chief Executive Officer, together with the Compensation Committee Chairman, developed a proposed compensation plan for officers for fiscal years 2008 and 2009 that they presented to the board of directors and the Compensation Committee at a meeting held on May 24, 2007. After additional input and feedback was given by the Compensation Committee and incorporated into the proposed compensation plan, the Compensation Committee met on July 18, 2007 and approved a new compensation model in principle for officers, including the Named Executive Officers, for fiscal years 2008 and 2009. Additional refinements were made to the 2008 Bonus Plan during fiscal year 2008 and at the start of fiscal year 2009.

Cash Incentive Compensation under 2008 Bonus Plan

Under the 2008 Bonus Plan applicable for officers for fiscal year 2009, the aggregate annual target cash bonus pool is 1.2% of our non-GAAP operating profit before taxes (excluding stock-based compensation and non-recurring expenses) and the pool floor and maximum are 0.6% and 1.8%, respectively, of our non-GAAP operating profit before taxes (excluding stock-based compensation and non-recurring expenses). The actual, annual bonus pool for fiscal year 2009 was dependent upon the following three company-wide performance metrics: (1) the achievement of growth targets for non-GAAP operating profit before taxes (excluding stock-based compensation and non-recurring expenses), (2) our year-over-year stock price performance relative to the Philadelphia Semiconductor Index (SOX) during the last 20 trading days at the end of fiscal year 2009, and (3) the achievement of targets for return on invested capital (excluding cash and interest thereon). Each officer's share of the bonus pool is dependent upon his or her position points, which are calculated at the end of the fiscal year by taking into account the officer's level of responsibility and relative value of the officer's performance to Maxim as compared to the other executives for the fiscal year, and then scaled by their individual performance which is expressed as a percentage. Specifically, there were a total of 294 position points available for allocation to all officers in fiscal year 2009. Each participant's share of the bonus pool is determined by taking his or her total position points, as approved by the Compensation Committee at the end of the fiscal year, and dividing them by 294, as well as a determination of their individual performance which is measured as a percent and was in the range between 87% to 112% for each participant.

In fiscal year 2009, actual non-GAAP operating profit before taxes (excluding stock-based compensation) was approximately \$392 million as compared to \$769 million for fiscal year 2008, which was a 49.1% decrease. Our stock price performance was up 8% as compared to the SOX during the last 20 trading days at the end of fiscal year 2009. In fiscal year 2009, actual return on invested capital was 11.5% as compared to the target of 17.7%. Accordingly, the aggregate amount of the bonus pool under the 2008 Bonus Plan payable to all officers for fiscal year 2009, including the Named Executive Officers, was determined to be approximately \$2.8 million, or .715% of \$392 million, our non-GAAP operating profit before taxes (excluding stock-based compensation).

The Compensation Committee may award discretionary cash bonuses in addition to the amounts derived and paid under the 2008 Bonus Plan pool to retain talented executives, to reward them for exceptional performance and to compensate executives in situations where unforeseen circumstances prevent the achievement of milestones under the 2008 Bonus Plan. In fiscal year 2009, the Compensation Committee awarded an additional amount totaling approximately \$191,000 to the cash bonus pool payable to all officers. This additional bonus amount was designed to recognize the time commitment and efforts of our officers.

The Compensation Committee may award discretionary cash bonuses in addition to the amounts derived and paid under the 2008 Bonus Plan pool to retain talented executives, to reward them for exceptional performance and to compensate executives in situations where unforeseen circumstances prevent the achievement of milestones under the 2008 Bonus Plan.

As previously noted, Mr. Hale was not a participant in the 2008 Bonus Plan in fiscal year 2009 given his temporary assignment as the Interim Chief Financial Officer.

Total Bonus Payouts for Fiscal 2009 Performance

The Compensation Committee approved the bonus payments described in the table below for the Named Executive Officers for performance during fiscal year 2009, based on corporate and individual performance under the 2008 Bonus Plan.

Named Executive Officer*	Fiscal Year 2009 Bonus Paid
Tunc Doluca	\$ 321,429
Bruce Kiddoo	\$ 175,622
Pirooz Parvarandeh	\$ 244,022
Charles Rigg	\$ 111,612
Vijay Ullal	\$ 303,121

* Mr. Hale was awarded a bonus separate and apart from the bonuses paid to other Named Executive Officers under the 2008 Bonus Plan due to his temporary assignment as the Interim Chief Financial Officer. Mr. Hale's bonus is discussed in more detail below.

2009 Cash Compensation for Alan Hale

On October 2, 2008, the Compensation Committee approved a cash performance bonus totaling \$2,334,209 to Mr. Hale for his extraordinary services in successfully leading Maxim to the completion of its financial restatement project. This bonus covered the 20-month period during which Mr. Hale functioned as Maxim's Interim Chief Financial Officer and Principal Accounting Officer. On an annual basis, the bonus totaled \$1,400,525 excluding the \$394,615 bonus Mr. Hale was paid for his first five months of service in fiscal year 2007. In determining the amount of this performance bonus, the Compensation Committee first determined that Mr. Hale's targeted level of annual total compensation was \$1,375,000 based upon his duties and divided this amount (less his \$300,000 annual base salary) by 12 to determine a monthly bonus amount of \$89,583.33. The monthly bonus amount was then multiplied by 15 for a total of \$1,343,750 in order to cover his service period including 12 months in fiscal year 2008 and three months in fiscal year 2009. In addition, the Compensation Committee applied an incremental burden of 15% of Mr. Hale's target total compensation, which amount represents the additional sacrifice and time commitment, as estimated by the Chief Executive Officer and approved by the Compensation Committee, he was required to devote to the restatement project above and beyond a high level of commitment already required of him in his role as Interim Chief Financial Officer. This incremental burden amount ranged from \$206,250 (1x of the incremental burden amount) to \$412,500 (2x the incremental burden amount). The Compensation Committee exercised its discretion to award Mr. Hale \$400,000 for the incremental burden incurred by him in performing his duties, as well as an additional \$25,000 payment representing the burden and sacrifice incurred by Mr. Hale's family. As a final component of his cash performance bonus, the Compensation Committee awarded Mr. Hale \$565,459 to compensate Mr. Hale for not being able to participate in Maxim's restricted stock units loan program, which was made available to non-executive officer employees during the period in which shares could not be delivered upon the vesting of restricted stock units due to the restatement of certain prior financial statements. Under this program, Maxim offered loans secured by restricted stock units vesting during the period in which shares could not be delivered from September 23, 2006 to September 30, 2008.

Mr. Hale was not awarded any equity in connection with his service as our Interim Chief Financial Officer.

Equity Compensation

We believe equity compensation is an effective way to align the interests of our executive officers with those of our stockholders in order to achieve long-term stock price growth. In designing the equity compensation program, we take into account stockholder concerns about stock usage and dilution. Equity awards are granted by the Compensation Committee or its Equity Grant Sub-Committee, and the grant price of such awards are equal to the closing price of Maxim's common stock based on the date of grant.

Equity Compensation under 2008 Bonus Plan

The 2008 Bonus Plan also contains an equity compensation component that is comprised of mixture of stock options, restricted stock units and performance shares (restricted stock units that vest upon the attainment of milestones). Starting in fiscal year 2009, the aggregate target number of stock options to be awarded to all officers per year is 1,140,000 shares. The number of restricted stock units to be awarded to all officers is up to 200,000 per year, which will vest over four consecutive quarters contingent upon continued service starting in the second quarter of fiscal 2009. If an officer already has previously awarded restricted stock units vesting during these quarters, then the new award of restricted stock units is reduced by a corresponding number. The aggregate target number of performance shares to be awarded to all officers over a two-year measurement period (fiscal year 2008 and 2009) is 200,000 shares per each fiscal year, with a maximum of 400,000 shares per fiscal year. For business unit executives, vesting of performance shares are tied to business unit operating profit targets and operating margin targets. For non-business unit executives, vesting of performance shares is tied to (1) achievement of company growth targets for non-GAAP operating profit before taxes (excluding stock-based compensation), (2) Maxim's stock price performance relative to the Philadelphia Semiconductor Index (SOX), and (3) the achievement of targets for return on invested capital. Each officer's pro rata share of equity awards to be granted are based upon his or her respective position points.

Equity Awards for Fiscal Year 2009 Performance under 2008 Bonus Plan

Pursuant to the 2008 Bonus Plan, an aggregate award of 3,792,504 stock options was made on December 12, 2008 to all officers, including the Named Executive Officers. These options vest quarterly during the second-half of calendar year 2009 and quarterly during 2010, 2011 and 2012, in each case subject to continued employment on the applicable vest date. In addition, all officers, including the Named Executive Officers were granted an aggregate of 271,793 restricted stock units on September 2, 2008 (officers, other than the Named Executive Officers) and on December 12, 2008 (the Named Executive Officers) representing two (2) years of restricted stock unit awards. These restricted stock units vest over (x) eight quarters for officers, other than the Named Executive Officers, starting in November 2008 and ending in August 2010, and (y) seven quarter for the Named Executive Officers starting in February 2009 and ending in August 2010, in case subject to continued employment on the applicable vest date. With respect to performance shares, the requisite performance metrics were not satisfied over the two-year measurement period (fiscal years 2008 and 2009) and therefore no performance shares were granted.

Employee Stock Purchase Plan

Our stockholders approved the 2008 Employee Stock Purchase Plan at the 2008 annual meeting of stockholders pursuant to which employees and officers who meet certain eligibility qualifications are able to purchase Maxim's common stock at a discount of up to 15% from the market price. Employee contributions are made through payroll deductions.

Benefits and Perquisites

Maxim's philosophy regarding benefits for our employees, including executives, is that they should be competitive with the market in order to attract and retain a high quality workforce, meet the needs of our employees, encourage employee well-being, and provide protection from catastrophic events. We provide

medical, dental and vision insurance coverage to executives that are generally available to other full-time employees, including basic group life insurance and disability insurance. For all management employees, including our officers, we pay the premiums for executive life insurance, executive disability and umbrella liability insurance plans. We also offer a tax qualified 401(k) plan in which all U.S. based employees, including officers, are eligible to participate. All of our Named Executive Officers participated in our 401(k) plan during fiscal year 2009. Starting on January 1, 2008, employees were eligible to receive a matching contribution from Maxim equal to 100% of the before-tax contributions made by the employee up to 3% of total cash compensation. However, during fiscal year 2009, all 401(k) matching contribution from Maxim were suspended and as of October 1, 2009, they remain suspended. Under certain limited circumstances we have provided reimbursement of expenses for tax preparation for certain executives.

The Compensation Committee reviews the perquisites provided to executive officers as part of its overall review of executive compensation. The Compensation Committee has determined the type and amount paid in perquisites to be within the appropriate range of competitive compensation practices. Details about the named executive officer's perquisites, including fiscal year 2009 cost to Maxim, are shown in the Summary Compensation Table under the All Other Compensation column and the accompanying narrative.

Employment Agreements

Several years ago, we entered into at-will employment agreements with each of Messrs. Doluca, Parvarandeh and Ullal that contain substantially similar terms. The agreements do not grant the executive officers any right to be retained by us, and we may terminate the employment of each executive officer either with or without cause. In the event of termination of employment by Maxim with or without cause, all compensation and benefits, except benefits provided by law (e.g., COBRA health insurance continuation benefits) immediately cease to accrue. However, in the event of termination of employment by Maxim without cause, severance payments are to be made in accordance with our normal policy then in effect, if any, or as otherwise mutually agreed between Maxim and the executive officer.

These agreements provide that if the executive officer terminates his full-time employment with us and his written notice of termination provides that he is willing to provide certain consulting services to us, we will make health insurance coverage available to the executive officer and his family during the period of provision of such services (or willingness to provide services) by the executive officer. The terms of his service, unless otherwise agreed, will provide for part-time services (up to one day per month) and annual compensation equal to at least 5% of the executive officer's base salary at the time of termination provided services are rendered. Health insurance coverage means coverage similar to that under any group health plan we maintain for our employees.

During the ten-year period following the notice of termination, the former executive officer pays the same amount for health coverage as a similarly situated full-time employee is required to pay for coverage under our group health plan. After the ten-year period, the former executive officer pays us what the cost of the coverage would be if it were being provided pursuant to COBRA health insurance continuation benefits. In the event of the former executive officer's death while receiving health insurance coverage, the former executive officer's spouse is eligible for health insurance coverage until her death so long as she pays for the coverage in an amount equal to the cost for an employee with identical coverage. In the event the former executive officer becomes disabled while receiving health insurance coverage, he is deemed to have met his service obligations to us during the disability. Upon reaching age sixty-five (65), Medicare becomes the primary payer of medical expenses incurred by the former executive. All of such continued health insurance coverage terminates upon the occurrence of certain disqualifying events, including but not limited to, if the former executive officer competes with Maxim or becomes eligible for health insurance coverage elsewhere.

Under the Dallas Executives Retiree Medical Plan, which Maxim assumed in April 2001 as part of its acquisition of Dallas Semiconductor, Mr. Hale and his spouse are eligible to receive medical care benefits at no cost for the remainder of their lives. Maxim also assumed the obligations of Dallas Semiconductor under (1) a

split-dollar insurance agreement with Mr. Hale (the Split Dollar Agreement), and (2) an agreement that provides Mr. Hale with certain benefits following a change-of-control transaction (the Change-in-Control Agreement). In June 2009, Maxim and Mr. Hale mutually terminated the Split-Dollar Agreement and the Change-in-Control Agreement.

Post-Employment Obligations

The at-will employment agreements with Messrs. Doluca, Parvarandeh and Ullal provide that in the event of termination of employment by Maxim without cause, severance payments are to be made in accordance with our normal policy then in effect, if any, or as otherwise mutually agreed between Maxim and the individual. Maxim does not have any normal policy with respect to severance payments of former executives.

Reasonableness of Compensation

The Compensation Committee believes it is fulfilling our compensation objectives and in particular, rewarding executive officers in a manner that supports our strong pay-for-performance philosophy. Executive compensation is tied to our performance and is structured to ensure that there is an appropriate balance between our long-term and short-term performance, and also a balance between our operational performance and stockholder return. The Compensation Committee believes the average target pay position relative to market and pay mix are reasonable and appropriate.

Other Considerations

Tax Considerations

Section 162(m) of the Internal Revenue Code states that public companies cannot deduct compensation paid to certain of its top executive officers in excess of \$1 million per officer per year. We believe it is in our best interest, to the extent practical, to have executive officer compensation be fully deductible under Section 162(m). However, the Compensation Committee also retains the discretion, for competitive reasons, to provide compensation that may not be fully deductible. In a few instances, a portion of our annual bonus payments to certain of our executive officers does not currently qualify as deductible under Section 162(m). The Compensation Committee will continue to evaluate whether it is in Maxim's best interest to qualify future incentive awards under Section 162(m). Our 1996 Stock Incentive Plan has been structured with the intention that stock options and performance shares granted under the plan be qualified as performance-based compensation not subject to Section 162(m); however, improperly accounted for options and performance shares granted under this plan may not qualify as performance-based compensation.

Stock Ownership Guidelines

We do not currently have any stock ownership guidelines for its executive officers or members of its board of directors.

COMPENSATION COMMITTEE REPORT

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, our Compensation Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement and in our Annual Report on Form 10-K for the fiscal year ended June 27, 2009.

The Company accounted for the repurchase as a modification under SFAS 123(R) resulting in incremental compensation of \$1.1 million, including the amounts disclosed for the Named Executive Officers in the table above, which will be recognized over the payment period. See Modifications and Settlements under Note 6, Stock-Based Compensation of the Notes to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended June 27, 2009.

Upon our acquisition of Dallas Semiconductor, we assumed the option agreements then outstanding under Dallas Plans (the Assumed Options). Options governed by the terms of the Dallas Plans generally are nontransferable and expire no later than ten years from date of grant. Options generally are exercisable upon grant. Shares of common stock issuable and/or exercised under the Dallas Plans vest based upon years of service, generally four years. Upon termination of a participant's employment, we reserve the right to repurchase the unvested portion of the stock held by the employee, at the original option price. The Dallas Plans were duly approved by the stockholders of Dallas Semiconductor prior to its acquisition by Maxim. In addition, any shares or options reserved but not issued under the Dallas Plans as of the date of stockholder approval of the 1996 Equity Plan and any shares returned to such plans as a result of termination of options or repurchase of shares will increase the number of shares available for issuance under the 1996 Equity Plan.

There shall be reserved for issuance and purchase by employees under the Plan an aggregate of 6,000,000 Shares, subject to adjustment as provided in Section 12, any or all of which Shares may be granted under the Code Section 423(b) Component. Shares subject to the Plan may be Shares now or hereafter authorized but unissued, or Shares that were once issued and subsequently reacquired by the Company. If and to the extent that any right to purchase reserved Shares shall not be exercised by any employee for any reason or if such right to purchase shall terminate as provided herein, Shares that have not been so purchased hereunder shall again become available for the purposes of the Plan unless the Plan shall have been terminated, but such unpurchased Shares shall not be deemed to increase the aggregate number of Shares specified above to be reserved for purposes of the Plan (subject to adjustment as provided in Section 12).

3. Administration of the Plan.

The Plan shall be administered by the Committee appointed by the Board of Directors. The Board of Directors shall consider the rules of Rule 16b-3 promulgated under the Exchange Act in connection with any such appointment, if and to the extent that such appointments may have an effect thereunder. Each member of the Committee shall serve at the pleasure of the Board of Directors. The acts of a majority of the members present at any meeting of the Committee at which a quorum is present, or acts approved in writing by a majority of the entire Committee, shall be the acts of the Committee for purposes of the Plan. If and to the extent applicable, no member of the Committee may act as to matters under the Plan specifically relating to such member. Notwithstanding the foregoing, the Board of Directors may designate the Compensation Committee of the Board of Directors to act as the Committee hereunder.

The Committee may make such rules and regulations and establish such procedures and sub-plans for the operation and administration of the Plan as it deems appropriate, including relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures for jurisdictions outside of the United States. The Committee shall have authority to interpret the Plan, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law and shall take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof.

4. Eligible Employees.

Except as described below, all employees of the Company and its Designated Companies shall be eligible to participate in the Plan, provided that each of such employees does not own, for purposes of Section 423 of the Code, immediately after the right is granted, stock possessing 5% or more of the total combined voting power or value of all classes of capital stock of the Company or of a Subsidiary.

To the extent permitted under local law, the Committee may also exclude from participation in the Plan any or all of (i) a group of highly compensated employees designated by the Committee as being ineligible to

participate in the Plan as permitted by Section 423(b)(4)(D) of the Code, (ii) employees who have been employed by the Company or any Subsidiary for less than 2 years, (iii) employees whose customary employment is for not more than 5 months in any calendar year, and (iv) employees who customarily work 20 hours per week or less. The employment of an employee of a Subsidiary or an Affiliate which ceases to be a Subsidiary or an Affiliate as defined herein shall, automatically and without any further action, be deemed to have terminated (and such employee shall cease to be an Eligible Employee hereunder).

5. Election to Participate and Payroll Deductions/Contributions.

Each Eligible Employee may elect to participate in the Plan during the Enrollment Period immediately prior to the beginning of each Offer Period during a Plan Year. Each Eligible Employee may elect a payroll deduction of from 1% to 25% of Eligible Compensation from each paycheck, in increments of 1% (i.e., 1%, 2%, 3%, etc.), unless otherwise so provided by the Committee. Elections under this Section 5 are subject to the limits set forth in Section 6. All payroll deductions shall be credited, as promptly as practicable, to a Payroll Account in the name of the Participating Employee. The Committee, in its discretion, may decide that an Eligible Employee may contribute to the Plan by means other than payroll deductions. All funds held by the Company under the Plan shall not be segregated from other corporate funds (except that the Company may in its discretion establish separate bank or investment accounts in its own name) and may be used by the Company for any corporate purpose, unless otherwise required by local law.

Each Participating Employee may cancel his or her election to participate in the Plan by signing and delivering written notice to the Committee, on a form specified for such purpose by the Committee, at such times as may be established by the Committee. In such case, the entire balance in the Payroll Account of such former Participating Employee shall be repaid to such former Participating Employee as promptly as practicable in accordance with Section 9, without interest (unless required by local law). Upon such voluntary withdrawal during an Offer Period by a Participating Employee, such withdrawing Participating Employee may not be entitled to participate in the Plan again for such time as may be established by the Committee. Thereafter, such Eligible Employee is eligible to participate in subsequent Offer Periods under the Plan upon timely delivery of a new enrollment form.

Unless prohibited by any applicable laws, regulations or stock exchange rules, the Committee, in its discretion, may prescribe that, if the Fair Market Value of the Shares on a Purchase Date within an Offer Period then in progress is lower than the Fair Market Value of the Shares on the first business day of such Offer Period, then each Participating Employee in such Offer Period shall automatically be deemed (i) to have withdrawn from such Offer Period at the close of the Purchase Period ending on such Purchase Date, and (ii) to have enrolled in a new Offering Period commencing on the business day immediately following the last Saturday of May or November of each year, as applicable (or, if such date is not a trading day, the trading day immediately following such date, unless otherwise provided by the Committee).

Subject to the preceding paragraphs of this Section 5, if so provided by the Committee, an Eligible Employee who is a Participating Employee immediately prior to the beginning of an Offer Period will be deemed (i) to have elected to participate for such Offer Period and (ii) to have authorized the same percentage payroll deduction for such Offer Period in effect for such Eligible Employee as that in effect (without regard to Section 6) on the day before such Offer Period. The Committee may adopt the procedures set forth in the foregoing sentence for some but not all Offer Periods.

6. Limitation of Number of Shares That an Employee May Purchase.

No right to purchase Shares under the Plan shall provide an employee the right to purchase Common Stock under all employee stock purchase plans of the Company and its Subsidiaries which accrues at a rate which in the aggregate exceeds \$25,000 of the fair market value of such stock (determined under Section 423 of the Code at the time the right is granted) for each calendar year in which the right is outstanding at any time. Notwithstanding the foregoing, the maximum number of shares of Common Stock that an Eligible Employee may purchase during an Offer Period shall not exceed 1,600 shares.

7. Purchase Price.

The purchase price for each Share shall be the lesser of (i) 85% of the Fair Market Value of such Shares on the Offer Date and (ii) 85% of the Fair Market Value of such Shares on the Purchase Date.

8. Method of Purchase.

As of the Purchase Date, each Participating Employee shall be deemed, without any further action, to have purchased the number of whole Shares which the balance of his or her Payroll Account at that time will purchase, determined by dividing the balance in his or her Payroll Account not theretofore invested by the purchase price as determined in Section 7.

All Shares purchased as provided in the foregoing paragraph shall be initially maintained in separate Stock Accounts for the Participating Employees at a brokerage firm selected by, and pursuant to an arrangement with, the Company. The Company shall deliver the shares to the Stock Account as soon as reasonably practicable after the close of the applicable Purchase Date. A Participating Employee shall be free to undertake a disposition (as that term is defined in Section 424 of the Code) of the Shares in his or her Stock Account at any time, whether by sale, exchange, gift or other transfer of legal title, but, for Participating Employees in the Code Section 423(b) Component, in the absence of such a disposition of such Shares, unless otherwise provided by the Committee, the Shares must remain in the Participating Employee's Stock Account at the brokerage firm so selected until the holding period set forth in Section 423(a) of the Code has been satisfied. With respect to those Shares for which the Section 423(a) holding period has been satisfied or which are held by Participating Employees in the Non-Section 423(b) Component, the Participating Employee may, without limitation, move those Shares to another brokerage account of the Participating Employee's choosing or request that a stock certificate be issued and delivered to him or her.

If and to the extent provided by the Committee, for so long as such Shares are maintained in Stock Accounts, all dividends paid with respect to such Shares shall be credited to each Participating Employee's Stock Account, and will be automatically reinvested in whole Shares. The Committee may provide that transaction fees incurred with respect to dividend reinvestment may be paid by the Company.

Unless otherwise provided by the Committee, in no event shall fractional Shares be purchased hereunder, and any remaining cash in a Participating Employee's Payroll Account resulting from such failure to invest in fractional Shares shall remain in the Payroll Account for use in the next Offer Period; provided, however, that, if the Participating Employee is not an active Participating Employee for such next Offer Period, such remaining cash shall be returned to the Participating Employee as soon as practicable. Notwithstanding any other provision of the Plan, the Committee may permit the purchase of fractional Shares hereunder and establish rules and procedures relating thereto.

9. Termination of Participation or Employment.

The right to participate in the Plan shall terminate immediately when a Participating Employee ceases to be employed by the Company or a Designated Company for any reason (including death or disability) or a Participating Employee otherwise becomes ineligible. Participation also terminates immediately when the Participating Employee voluntarily cancels his or her election to participate in the Plan as provided in Section 5.

Notwithstanding any other provision of the Plan to the contrary, the Company shall distribute to such former Participating Employee (or, in the event of death, to his or her estate), the balance in his or her Payroll Account not theretofore invested, without interest (unless required by local law), any such distribution or payment to be made as soon as practicable. If applicable, fractional Shares will be sold on the open market and the Participating Employee will receive the net proceeds, if any, after all fees have been paid.

10. Rights as a Stockholder.

At the time funds from a Participating Employee's Payroll Account are used to purchase the Common Stock, he or she shall have all of the rights and privileges of a stockholder of the Company with respect to the Shares purchased under the Plan whether or not certificates representing such Shares have been issued.

11. Rights Not Transferable.

Rights granted under the Plan are not transferable by a Participating Employee other than by will or the laws of descent and distribution and are exercisable during his or her lifetime only by him or her.

12. Adjustment in Case of Changes Affecting Common Stock.

If (i) the Company shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or its Subsidiaries or a transaction similar thereto, (ii) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of the Company, or any distribution to holders of Common Stock other than cash dividends, shall occur or (iii) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the number or kind of shares, or both, which thereafter may be sold under the Plan, then the Committee may forthwith take any such action as in its judgment shall be necessary to preserve to the Participating Employees' rights substantially proportionate to the rights existing prior to such event, and to maintain the continuing availability of Shares under Section 2 and the last sentence of Section 6 (if Shares are otherwise then available) in a manner consistent with the intent hereof, including, without limitation, adjustments in (x) the number and kind of shares subject to the Plan, (y) the purchase price of such shares under the Plan, and (z) the number and kind of shares available under Section 2 and the last sentence of Section 6. To the extent that such action shall include an increase or decrease in the number of Shares (or units of other property then available) subject to the Plan, the number of Shares (or units) available under Section 2 and the last sentence of Section 6 above shall be increased or decreased, as the case may be, proportionately, as may be provided by Committee in its discretion.

Notwithstanding any other provision of the Plan, if the Common Stock ceases to be listed or traded, as applicable, on a national stock exchange or over-the-counter market (a Triggering Event), then, in the discretion of the Committee, (i) the balance in the Participating Employee's Payroll Account not theretofore invested may be refunded to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the Plan, (ii) an amount equal to the product of the Fair Market Value of a Share on the date of the Triggering Event multiplied by the number of Shares such Participating Employee would have been able to purchase with the balance of his or her Payroll Account on such Triggering Event if such Triggering Event were the Purchase Date may be paid to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the Plan, or (iii) the Plan may be continued without regard to the application of this sentence.

13. Amendment of the Plan.

The Board of Directors may at any time, or from time to time, amend the Plan in any respect; provided, however, that the Plan may not be amended in any way that would cause, if such amendment were not approved Company's shareholders, the Code Section 423(b) Component to fail to comply with

- (i) the requirements for employee stock purchase plans under Section 423 of the Code; or
 - (ii) any other requirement of applicable law or regulation;
- unless and until stockholder approval is obtained.

14. Termination of the Plan.

The Plan and all rights of employees hereunder shall terminate:

(i) on the date that Participating Employees become entitled to purchase a number of Shares greater than the number of reserved Shares remaining available for purchase; or

(ii) at any time, at the discretion of the Board of Directors.

In the event that the Plan terminates under circumstances described in (i) above, reserved Shares remaining as of the termination date shall be subject to Participating Employees on a pro rata basis. No termination of the Plan shall alter or impair any rights outstanding at the time of the such termination to purchase Shares pursuant to any offering of the right to purchase Shares hereunder.

15. Governmental and Other Regulations; Further Assurances.

The Plan, and the grant and exercise of the rights to purchase Shares hereunder, and the Company's obligation to sell and deliver Shares upon the exercise of rights to purchase Shares, shall be subject to all applicable federal, state and foreign laws, rules and regulations, and to such approvals by any regulatory or governmental agency as may be required. The Company shall not be required to issue or deliver any certificates for Shares prior to the completion of any registration or qualification of such Shares under, and the obtaining of any approval under or compliance with, any state or federal law, or any ruling or regulation of any government body which the Company shall, in its sole discretion, determine to be necessary or advisable. Certificates for Shares issued hereunder may be legended as the Committee may deem appropriate.

The Participating Employee shall take whatever additional actions and execute whatever additional documents the Committee may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participating Employee pursuant to the Plan.

16. Non-U.S. Subsidiaries.

Without amending the Plan, the Committee may allow for participation under the terms hereunder by Eligible Employees of non-U.S. Subsidiaries and Affiliates with such modifications of the terms and conditions otherwise specified hereunder as may in the judgment of the Committee be necessary or desirable to foster and promote achievement of the purposes hereof, and, in furtherance of such purposes, the Committee may make such amendments, procedures and the like and establish such sub-plans as may be necessary or advisable to comply with provisions of laws (including tax laws) in other countries in which such Subsidiaries and Affiliates operate or have employees.

17. Indemnification of Committee.

The Company shall indemnify and hold harmless the members of the Board of Directors of the Company and the members of the Committee from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act or omission to act in connection with the performance of such person's duties, responsibilities and obligations under the Plan if such person acts in good faith and in a manner that he or she reasonably believes to be in, or not opposed to, the best interests of the Company, to the maximum extent permitted by law.

18. Withholding; Disqualifying Dispositions.

Notwithstanding any other provision of the Plan, the Company or any Designated Company, as appropriate, shall have the authority and the right to deduct or withhold, or require a Participating Employee to remit to the Company or the Designated Company, an amount sufficient to satisfy U.S. federal, state, and local taxes and

taxes imposed by jurisdictions outside of the United States (including income tax, social insurance contributions, payment on account and any other taxes that may be due) required by law to be withheld with respect to any taxable event concerning a Participating Employee arising as a result of his or her participation in the Plan or to take such other action as may be necessary in the opinion of the Company or a Designated Company, as appropriate, to satisfy withholding obligations for the payment of taxes. No shares shall be delivered hereunder to any Participating Employee until the Participating Employee has made arrangements acceptable to the Company for the satisfaction of these tax obligations with respect to any taxable event concerning the Participating Employee's participation in the Plan.

If Shares acquired under the Plan are disposed of in a disposition that does not satisfy the holding period requirements of Section 423(a) of the Code, such Participating Employee in the Code Section 423(b) Plan who is employed by a Designated Company which is part of the Company's U.S. federal income tax return shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition.

19. Notices.

All notices or other communications by a Participating Employee to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

20. Severability.

If any particular provision of this Plan is found to be invalid or unenforceable, such provision shall not affect the other provisions of the Plan, but the Plan shall be construed in all respects as if such invalid provision had been omitted.

21. No Right to Continued Employment.

The Plan and any right to purchase Common Stock granted hereunder shall not confer upon any employee any right with respect to continued employment by the Company or any Subsidiary or Affiliate, nor shall they restrict or interfere in any way with the right of the Company or any Subsidiary or Affiliate by which an employee is employed to terminate his or her employment at any time.

22. Captions.

The use of captions in the Plan is for convenience. The captions are not intended to and do not provide substantive rights.

23. Effective Date of the Plan.

The Plan shall be effective as of the Effective Date, provided that the Plan is approved by stockholders prior thereto.

24. Code Section 409A.

The Code Section 423(b) Plan is exempt from the application of Section 409A of the Code. The Non-423(b) Component is intended to be exempt from Section 409A of the Code under the short-term deferral exception and any ambiguities shall be construed and interpreted in accordance with such intent. In the case of a Participating Employee who would otherwise be subject to Section 409A of the Code, to the extent an option to purchase Shares or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the option to purchase Shares shall be granted, paid, exercised, settled or deferred in a manner that will comply with Section 409A of the Code, including the final regulations and other guidance issued with respect thereto, except

as otherwise determined by the Board or Directors or the Committee. Notwithstanding the foregoing, the Company shall have no liability to a Participating Employee or any other party if the option to purchase Common Stock under the Plan that is intended to be exempt from or compliant with Section 409A of the Code is not so exempt or compliant or for any action taken by the Board of Director or the Committee with respect thereto.

25. Governing Law.

The provisions of the Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to its conflict of law rules.

(i) Where there exists a public market for the Common Stock, the Fair Market Value of a share of Common Stock shall be (A) the closing sale price of the Common Stock on the date of the determination (or, if no sales were reported on such date, on the last trading date on which sales were reported) on the stock exchange determined by the Administrator to be the primary market for the Common Stock or the Nasdaq National Market, whichever is applicable or (B) if the Common Stock is not traded on any such exchange or national market system, the closing price of a Share on the Nasdaq Small Cap Market or over-the-counter (Pink Over-The-Counter Markets Inc. Electronic Quotation Service), as applicable, on the date of the determination (or, if no such price was reported on that date, on the last date on which such price was reported), as reported in The Wall Street Journal or such other source as the Administrator deems reliable; or

3. Stock Subject to the Plan.

- (a) *Stock Subject to the Plan.* Subject to the provisions of Section 13 below, the maximum aggregate number of Shares which may be issued pursuant to this Plan is 106,100,000 Shares plus the number of

Shares or options returned to the Company's Incentive Stock Option Plan, 1987 Employee Stock Participation Plan, and 1987 Supplemental Stock Option Plan as a result of termination of options or repurchase of Shares issued under such plans, and (ii) such number of Shares which have been reserved but not issued under the Dallas Semiconductor Corporation 1987 Stock Option Plan (the *Dallas 1987 Plan*) as of the date of stockholder approval of this Plan, and any Shares returned to the Dallas 1987 Plan as a result of termination of options or repurchase of Shares issued under such plan, (iii) such number of Shares which have been reserved but not issued under the Dallas Semiconductor Corporation 1993 Officer and Director Stock Option Plan (the *Dallas 1993 Plan*) as of the date of stockholder approval of this Plan, and any Shares returned to the Dallas 1993 Plan as a result of termination of options or repurchase of Shares issued under such plan.

(b) *Full Value Awards.* Any Shares subject to Options will be counted against the numerical limits of this Section 3 as one Share for every Share subject thereto. Any Shares subject to Awards of Restricted Stock or Restricted Stock Units with a per share or unit purchase price lower than one hundred percent (100%) of Fair Market Value on the date of grant will be counted against the numerical limits of this Section 3 as two Shares for every one Share subject thereto. To the extent that a Share that was subject to an Award that counted as two Shares against the Plan reserve pursuant to the preceding sentence is recycled back into the Plan under the next paragraph of this Section 3, the Plan will be credited with two Shares.

(c) *Lapsed Awards.* If an Award expires or becomes unexercisable without having been exercised in full, or, with respect to Restricted Stock and Restricted Stock Units, is forfeited to or repurchased by the Company, the unpurchased Shares (or for Awards other than Options, the forfeited or repurchased Shares) which were subject thereto will become available for future grant or sale under the Plan (unless the Plan has terminated). Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not reduce the number of Shares available for issuance under the Plan. Notwithstanding the foregoing and, subject to adjustment provided in Section 13, the maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal the aggregate Share number stated in Section 3(a), plus, to the extent allowable under Section 422 of the Code, any Shares that become available for issuance under the Plan under this Section 3(b).

4. Administration of the Plan.

(a) Plan Administrator.

(i) *Administration with Respect to Directors and Officers.* With respect to grants of Awards to Directors or Employees who are also Officers or Directors, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws and to permit such grants and related transactions under the Plan to be exempt from Section 16(b) of the Exchange Act in accordance with Rule 16b-3. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board.

(ii) *Administration With Respect to Consultants and Other Employees.* With respect to grants of Awards to Employees or Consultants who are neither Directors nor Officers, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board. Subject to Applicable Laws, the Board may authorize one or more Officers to grant such Awards and may limit such authority by requiring that such Awards must be reported to and ratified by the Board or a Committee within six (6) months of the grant date, and if so ratified, shall be effective as of the grant date.

(iii) *Administration With Respect to Covered Employees.* Notwithstanding the foregoing, grants of Awards to any Covered Employee intended to qualify as Performance-Based Compensation shall be made only by a Committee (or subcommittee of a Committee) which is comprised solely of two or

more Directors eligible to serve on a committee making Awards qualifying as Performance-Based Compensation. In the case of such Awards granted to Covered Employees, references to the Administrator or to a Committee shall be deemed to be references to such Committee or subcommittee.

(iv) *Administration Errors*. In the event an Award is granted in a manner inconsistent with the provisions of this subsection (a), such Award shall be presumptively valid as of its grant date to the extent permitted by the Applicable Laws.

(b) *Powers of the Administrator*. Subject to Applicable Laws and the provisions of the Plan (including any other powers given to the Administrator hereunder), and except as otherwise provided by the Board, the Administrator shall have the authority, in its discretion:

(i) to select the Employees, Directors and Consultants to whom Awards may be granted from time to time hereunder;

(ii) to determine whether and to what extent Awards are granted hereunder;

(iii) to determine the number of Shares or the amount of other consideration to be covered by each Award granted hereunder;

(iv) to determine the Fair Market Value;

(v) to approve forms of Award Agreement for use under the Plan;

(vi) to determine the terms and conditions of any Award granted hereunder;

(vii) to modify or amend the terms of any outstanding Award granted under the Plan in any lawful way, provided that any amendment that would adversely affect the Grantee's rights under an outstanding Award shall not be made without the Grantee's written consent; provided, however, that any provision of the Plan to the contrary notwithstanding, the Administrator shall not have the authority to reprice any outstanding Option, it being understood that reprice shall mean to amend any outstanding Option to reduce the exercise price;

(viii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;

(ix) notwithstanding any provision of the Plan to the contrary, in order to facilitate compliance with the tax, securities, foreign exchange, probate or other applicable provisions of the laws in other countries in which the Company or its Affiliates operate or have key employees or non-employee directors, the Administrator, in its discretion, shall have the power and authority to (A) determine which (if any) Employees, Directors, and/or Consultants rendering services or employed outside the U.S. are eligible to participate in the Plan or to receive any type of Award hereunder; (B) determine which non-U.S.-based Affiliates or operations (*e.g.*, branches, representative offices) participate in the Plan or any type of Award hereunder; (C) modify the terms and conditions of any Awards made to such Employees, Directors, and/or Consultants, or with respect to such non-U.S.-based Affiliates or operations; and (D) establish sub-plans, modify methods of exercise, modify payment restrictions on sale or transfer of Shares and other terms and procedures to the extent deemed necessary or desirable by the Administrator to comply with Applicable Laws of the non-U.S. jurisdiction. The Committee shall not, however, have the power or authority to amend the Plan with respect to the maximum aggregate number of Shares that may be issued under the Plan as set forth in Section 3(a), increase the Award limits as set forth in Sections 6, 7 and 8; or lengthen the term of an Option set forth in Section 6(d); and

(x) to take such other action, not inconsistent with the terms of the Plan, as the Administrator deems appropriate.

(c) *Effect of Administrator's Decision*. All decisions, determinations and interpretations of the Administrator shall be conclusive and binding on all persons.

5. *Eligibility.* Non-Qualified Stock Options, Restricted Stock and Restricted Stock Units may be granted to Employees, Directors and Consultants. Incentive Stock Options may be granted only to Employees. An Employee, Director or Consultant who has been granted an Award may, if otherwise eligible, be granted additional Awards. Awards may be granted to such Employees, Directors and Consultants who are residing in foreign jurisdictions as the Administrator may determine from time to time.

6. *Terms and Conditions of Options.*

(a) *Designation of Option.* Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Non-Qualified Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares subject to Options designated as Incentive Stock Options are exercisable for the first time by a Grantee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such excess Options, to the extent of the Shares covered thereby in excess of the foregoing limitation, will be treated as Non-Qualified Stock Options. For the purposes of this Section 6(a), Incentive Stock Options will be taken into account in the order in which they were granted, and the Fair Market Value of the Shares will be determined as of the date the Option with respect to such Shares is granted.

(b) *Conditions of Option.* Subject to the terms of the Plan, the Administrator will determine the provisions, terms and conditions of each Option including, but not limited to, the Option vesting schedule, form of payment upon exercise of the Option and satisfaction of any performance criteria.

(c) *Individual Option Limit.* The maximum number of Shares with respect to which Options may be granted to any individual in any Fiscal Year shall be 4,000,000. The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization pursuant to Section 13. To the extent required by Section 162(m) of the Code or the regulations thereunder, in applying the foregoing limitation with respect to an individual, if any Option is canceled, the canceled Option shall continue to count against the maximum number of Shares with respect to which Options may be granted to the individual. For this purpose, the repricing of an Option shall be treated as the cancellation of the existing Option and the grant of a new Option.

(d) *Term of Option.* The Administrator will determine the term of each Option in its sole discretion, provided the term of an Option will not be more than ten (10) years from the date of grant except as provided for in subsection 6(f). Moreover, in the case of an Incentive Stock Option granted to a Grantee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option will be five (5) years from the date of grant thereof or such shorter term as may be provided in the Award Agreement.

(e) *Option Exercise Price, Consideration and Taxes.*

(i) *Exercise Price.* The exercise price for an Option shall be as follows:

(A) In the case of an Incentive Stock Option:

(1) granted to an Employee who, at the time of the grant of such Incentive Stock Option owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price will be not less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of grant.

(2) granted to any Employee other than an Employee described in the preceding paragraph, the per Share exercise price will be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(B) In the case of a Non-Qualified Stock Option, the per Share exercise price shall be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(C) Notwithstanding the foregoing, the Options may be granted with a per Share exercise price of less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code.

(ii) *Consideration.* Subject to Applicable Laws, the consideration to be paid for the Shares to be issued upon exercise of an Option including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). In addition to any other types of consideration the Administrator may determine, the Administrator is authorized to accept as consideration for Shares issued under the Plan the following:

(A) cash;

(B) check;

(C) surrender of Shares (including withholding of Shares otherwise deliverable upon exercise of the Option) which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised (but only to the extent that such exercise of the Option would not result in an accounting compensation charge with respect to the Shares used to pay the exercise price unless otherwise determined by the Administrator);

(D) delivery of a properly executed exercise notice together with such other documentation as the Administrator and the broker, if applicable, shall require to effect an exercise of the Option and delivery to the Company of the sale proceeds required to pay the exercise price; or

(E) any combination of the foregoing methods of payment.

(f) *Exercise of Option.*

(i) *Procedure for Exercise; Rights as a Stockholder.*

(A) Any Option granted hereunder will be exercisable at such times and under such conditions as determined by the Administrator under the terms of the Plan and specified in the Award Agreement.

(B) An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company or its designated agent (e.g., the exclusive, captive broker) in accordance with the terms of the Option, from the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company or its designated agent, or the appropriate exercise/sale transaction has been executed under subsection 6(e)(ii)(D) above. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Shares subject to an Option, notwithstanding the exercise of an Option. The Company shall issue (or cause to be issued) such stock certificate in uncertificated form promptly upon exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate in uncertificated form is issued, except as provided in the Award Agreement or Section 13, below.

To the extent that reporting of United States taxable income with respect to an Option exercise under subsections 6(e)(ii)(A)-(C) above is based on the fair market value of the underlying Shares on the date of exercise, the Company shall use the Fair Market Value on the day the Option is deemed exercised in accordance with this Section 6(f)(B), that is the closing sales price (see Section 2(u)) on the day the written notice of exercise and full payment for the Shares (i.e., cashier's check, money order, Shares (pursuant to subsection 6(e)(ii)(C) above) or readily available funds) are received by the Company or its designated agent. In the case of an exercise under subsection 6(e)(ii)(D) above, the United States taxable income will be calculated using the actual sales price of the underlying Shares subject to the Option.

(ii) *Exercise of Option Following Termination of Employment, Director or Consulting Relationship.*

(A) An Option may not be exercised after the termination date of such Option set forth in the Award Agreement and may be exercised following the termination of a Grantee's Continuous Status as an Employee, Director or Consultant only to the extent that the Grantee was entitled to exercise it at the date of such termination (but in no event later than the expiration of the term of such option as set forth in the Award Agreement). Options shall be exercisable for a period of ninety (90) days following termination generally, and for a period of five hundred forty-seven (547) days following termination due to death of the Grantee or three hundred sixty-five (365) days following termination due to the disability of the Grantee (or, in each case, such other period of time as is determined by the Administrator, which such determination in the case of an Incentive Stock Option shall be made at the time of grant of the Option). Unless otherwise provided by the Administrator, if on the date of termination the Grantee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If after termination the Grantee does not exercise his or her Option within the time specified by the Administrator, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(B) All Options shall terminate to the extent not exercised on the last day of the period specified in paragraph (A) above or the last day of the original term of the Option, whichever occurs first.

(C) Any Option designated as an Incentive Stock Option to the extent not exercised within the time permitted by law for the exercise of Incentive Stock Options following the termination of a Grantee's Continuous Status as an Employee, Director or Consultant shall convert automatically to a Non-Qualified Stock Option and thereafter shall be exercisable as such to the extent exercisable by its terms for the period specified in the Award Agreement.

(iii) *Exercise of Option Following Termination of Employment, Director or Consulting Relationship.* In the event of termination of a Grantee's Continuous Status as an Employee, Director or Consultant with the Company for any reason other than disability or death (but not in the event of a Grantee's change of status from Employee to Consultant or from Consultant to Employee), such Grantee may, but only within ninety (90) days after the date of such termination (but in no event later than the expiration date of the term of such Option as set forth in the Award Agreement except as otherwise provided for in subsection (vi) below), exercise his or her Option to the extent that the Grantee was entitled to exercise it at the date of such termination or to such other extent as may be determined by the Administrator. If the Grantee should die within ninety (90) days after the date of such termination, the Grantee's estate or the person who acquired the right to exercise the Option by bequest or inheritance may exercise the Option to the extent that the Grantee was entitled to exercise it at the date of such termination within five hundred forty-seven (547) days of the Grantee's date of death, but in no event later than the expiration date of the term of such Option as set forth in the Award Agreement except as otherwise provided for in subsection (vi) below). In the event of a Grantee's change of status from Employee to Consultant, an Employee's Incentive Stock Option shall convert automatically to a Non-Qualified Stock Option on the ninety-first (91st) day following such change of status. Unless otherwise provided by the Administrator, if on the date of termination the Grantee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. To the extent that Grantee is not entitled to exercise the Option at the date of termination, or if Grantee does not exercise such Option to the extent so entitled within the time specified herein, the Option will terminate.

(iv) *Disability of Grantee.* In the event of termination of a Grantee's Continuous Status as an Employee, Director or Consultant as a result of his or her disability, Grantee may, but only within three hundred sixty-five (365) days from the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Award Agreement except as otherwise

provided for in subsection (vi) below)), exercise the Option to the extent otherwise entitled to exercise it at the date of such termination; provided, however, that if such disability is not a disability as such term is defined in Section 22(e)(3) of the Code, in the case of an Incentive Stock Option such Incentive Stock Option shall automatically convert to a Non-Qualified Stock Option on the day three (3) months and one day following such termination. Unless otherwise provided by the Administrator, if on the date of termination the Grantee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. To the extent that Grantee is not entitled to exercise the Option at the date of termination, or if Grantee does not exercise such Option to the extent so entitled within the time specified herein, the Option will terminate.

(v) *Death of Grantee.* In the event of the death of a Grantee, the Option may be exercised at any time within five hundred forty-seven (547) days following the date of death (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement except as otherwise provided for in subsection (vi) below)), by the Grantee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Grantee was entitled to the Option at the date of death. If, at the time of death, the Grantee was not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert the Plan unless otherwise determined by the Administrator. If, after death, the Grantee's estate or a person who acquired the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate.

(vi) *Extension of Expiration Date of Options.* Notwithstanding anything to the contrary contained in the Plan or any Award Agreement, the Administrator, in its sole and absolute discretion, may extend the term of an Option beyond its expiration date (even if its expiration date is ten (10) years from the date of grant) if the issuance of Shares upon exercise of such Option at the time it would otherwise expire would be prohibited by Applicable Laws, provided that such extension shall not exceed thirty days (30) days from the date the issuance of Shares upon exercise of the Option would no longer be prohibited by Applicable Laws.

7. *Restricted Stock.*

(a) *Grant of Restricted Stock.* Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Employees, Directors or Consultants in such amounts as the Administrator, in its sole discretion, will determine.

(b) *Restricted Stock Agreement.* Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Administrator, in its sole discretion, will determine. Notwithstanding the foregoing, during any Fiscal Year no Grantee will receive more than an aggregate of 2,000,000 Shares of Restricted Stock. Unless the Administrator determines otherwise, Shares of Restricted Stock will be held by the Company as escrow agent until the restrictions on such Shares have lapsed.

(c) *Transferability.* Except as provided in this Section 7, Shares of Restricted Stock may not be sold, transferred, pledged, assigned or otherwise alienated, or hypothecated until the end of the applicable Period of Restriction.

(d) *Other Restrictions.* The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

(e) *Removal of Restrictions.* Except as otherwise provided in this Section 7, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day of the Period of Restriction. The restrictions will lapse at a rate determined by the Administrator; provided, however, that Shares of Restricted Stock will not vest more rapidly than one-third (1/3rd) of the total number Shares of Restricted Stock subject to an Award each year from the date of grant (or, if applicable, the date a Grantee begins providing services to the Company or any of its Affiliates), unless the Administrator determines that the Award is to vest upon the achievement of

performance criteria, provided the period for measuring such performance will cover at least twelve (12) months. After the grant of Restricted Stock, the Administrator, in its sole discretion, may reduce or waive any restrictions for such Restricted Stock.

(f) *Voting Rights.* During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(g) *Dividends and Other Distributions.* During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless otherwise provided by the Administrator. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

(h) *Return of Restricted Stock to Company.* On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Company and again will become available for grant under the Plan.

8. *Restricted Stock Units.*

(a) *Grant.* Restricted Stock Units may be granted at any time and from time to time as determined by the Administrator. Each Restricted Stock Unit grant will be evidenced by an Award Agreement that will specify such other terms and conditions as the Administrator, in its sole discretion, will determine, including all terms, conditions, and restrictions related to the grant, the number of Restricted Stock Units and the form of payout, which, subject to Section 8(d), may be left to the discretion of the Administrator. Notwithstanding the anything to the contrary in this subsection (a), during any Fiscal Year, no Grantee will receive more than an aggregate of 2,000,000 Restricted Stock Units.

(b) *Vesting Criteria and Other Terms.* The Administrator will set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Grantee. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion.

(c) *Earning Restricted Stock Units.* Upon meeting the applicable vesting criteria, the Grantee will be entitled to receive a payout as specified in the Award Agreement. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

(d) *Form and Timing of Payment.* Payment of earned Restricted Stock Units will be made as soon as practicable after the date(s) set forth in the Award Agreement. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in cash, Shares, or a combination thereof. Shares represented by Restricted Stock Units that are fully paid in cash again will be available for grant under the Plan.

(e) *Cancellation.* On the date set forth in the Award Agreement, all unearned Restricted Stock Units will be forfeited to the Company.

9. *Leaves of Absence.* Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three (3) months following the ninety-first (91st) day of such leave any Incentive Stock Option held by the Grantee will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Non-Qualified Stock Option.

10. *Transferability of Awards.* Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

11. *Performance Goals.* Awards of Restricted Stock and Restricted Stock Units may be made subject to the attainment of performance goals relating to one or more business criteria within the meaning of Section 162(m) of the Code and may provide for a targeted level or levels of achievement (*Performance Goals*) including cash flow; cash position; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings per Share; economic profit; economic value added; equity or stockholder's equity; free cash flow, free cash flow per Share, market share; net income; net profit; net sales; operating earnings; operating income; profit before tax; ratio of debt to debt plus equity; ratio of operating earnings to capital spending; return on net assets; sales growth; Share price; or total return to stockholders. The Performance Goals for a Grantee will be determined by the Administrator based on the Company's tactical and strategic business objectives, which may differ from Grantee to Grantee and from Award to Award. Prior to the Determination Date, the Administrator will determine whether to make any adjustments to the calculation of any Performance Goal with respect to any Grantee for any significant or extraordinary events affecting the Company and both before and after taking into account equity based compensation charges. In all other respects, Performance Goals will be calculated in accordance with the Company's financial statements, generally accepted accounting principles, or under a methodology established by the Administrator prior to the issuance of an Award.

12. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any Applicable Laws.

13. *Adjustments.* Subject to any required action by the stockholders of the Company, the number of Shares covered by each outstanding Award, and the number of Shares which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan, as well as the price per share of Common Stock covered by each such outstanding Award, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other similar event resulting in an increase or decrease in the number of issued shares of Common Stock. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number or price of Shares subject to an Award.

14. *Corporate Transactions/Changes in Control/Subsidiary Dispositions.*

(a) The Administrator shall have the authority, exercisable either in advance of any actual or anticipated Corporate Transaction, Change in Control or Subsidiary Disposition or at the time of an actual Corporate Transaction, Change in Control or Subsidiary Disposition and exercisable at the time of the grant of an Award under the Plan or any time while an Award remains outstanding, to provide for the full automatic vesting and exercisability of one or more outstanding unvested Awards under the Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a Corporate Transaction, Change in Control or Subsidiary Disposition, on such terms and conditions as the

Administrator may specify. The Administrator also shall have the authority to condition any such Award vesting and exercisability or release from such limitations upon the subsequent termination of the Continuous Status as an Employee or Consultant of the Grantee within a specified period following the effective date of the Change in Control or Subsidiary Disposition. The Administrator may provide that any Awards so vested or released from such limitations in connection with a Change in Control or Subsidiary Disposition, shall remain fully exercisable until the expiration or sooner termination of the Award. Effective upon the consummation of a Corporate Transaction, all outstanding Awards under the Plan shall terminate unless assumed by the successor company or its Parent.

(b) The portion of any Incentive Stock Option accelerated under this Section 14 in connection with a Corporate Transaction, Change in Control or Subsidiary Disposition shall remain exercisable as an Incentive Stock Option under the Code only to the extent the \$100,000 dollar limitation of Section 422(d) of the Code is not exceeded. To the extent such dollar limitation is exceeded, the accelerated excess portion of such Option shall be exercisable as a Non-Qualified Stock Option.

15. *Tax Withholding.*

(a) *Withholding Requirements.* Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Grantee to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes (including the Grantee's FICA obligation) required to be withheld with respect to such Award (or exercise thereof). The Company will have no obligation to permit exercise of an Award or to issue any Shares or cash pursuant to an Award, unless and until either the exercise of the Award or the issuance of Shares or cash pursuant thereto is accompanied by sufficient payment, as determined by the Company in its absolute discretion, to meet those withholding obligations on such exercise, issuance, lapse or disposition or other arrangements are made that are satisfactory to the Company in its absolute discretion to provide otherwise for such payment. The Company will have no liability to any Grantee or transferee for exercising the foregoing right not to permit exercise or issue or deliver Shares or cash.

(b) *Withholding Arrangements.* The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Grantee to satisfy such tax withholding obligation, in whole or in part (without limitation) by (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the amount required to be withheld, (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld, or (iv) selling a sufficient number of Shares otherwise deliverable to the Grantee through such means as the Administrator may determine in its sole discretion (whether through a broker or otherwise) equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Grantee with respect to the Award on the date that the amount of tax to be withheld is to be determined. The fair market value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

16. *Date of an Award.* The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination to grant such Award, or such other date as is determined by the Administrator. Notice of the grant determination will be given to each Service Provider to whom an Award is so granted within a reasonable time after the date of such grant.

17. *Term of Plan.* Subject to Section 20 of the Plan, the amendment and restatement of the Plan shall become effective upon its adoption by the Board on August 11, 2005. It shall thereafter continue in effect for a term of ten (10) years, unless terminated earlier under Section 18 of the Plan.

18. *Amendment, Suspension or Termination of the Plan.*

(a) The Administrator may at any time amend, suspend or terminate the Plan. To the extent required to comply with Applicable Laws, the Company shall obtain stockholder approval of any Plan amendment in such manner and to such a degree as required.

(b) No Award may be granted during any suspension of the Plan or after termination of the Plan.

(c) Any amendment, suspension or termination of the Plan shall not affect Awards already granted, and such Awards shall remain in full force and effect as if the Plan had not been amended, suspended or terminated, unless mutually agreed otherwise between the Grantee and the Administrator, which agreement must be in writing and signed by the Grantee and the Company.

19. *Reservation of Shares.*

(a) The Company, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20. *Stockholder Approval.* The Plan, as amended and restated on August 11, 2005, will be subject to approval by the stockholders of the Company within twelve (12) months after such date. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws.

21. *No Effect on Terms of Employment.* The Plan shall not confer upon any Grantee any right with respect to continuation of employment or consulting relationship with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate his or her employment or consulting relationship at any time, with or without cause.

MAXIM INTEGRATED PRODUCTS, INC.**EXECUTIVE ANNUAL BONUS PLAN**

1. **Purpose.** Maxim Integrated Products, Inc. (the **Company**) hereby establishes this Executive Annual Bonus Plan (the **Plan**) to motivate and reward officers of the Company (having a title of vice president and above) by providing for annual incentive bonuses if annual pre-established performance goals are achieved. The Plan is also intended to qualify as a performance-based compensation plan under Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**).

2. **Administration.** The Plan shall be administered by a committee (the **Committee**) comprised exclusively of members of the Board of Directors (the **Board**) who are outside directors within the meaning of Code Section 162(m) and Treasury Regulation 1.162-27(e)(3). The Committee shall have the authority, subject to the provisions herein, (a) to select employees to participate in the Plan; (b) to establish and administer the performance goals and the bonus opportunities applicable to each participant and certify whether the goals have been attained; (c) to construe and interpret the Plan and any agreement or instrument entered into under or in connection with the Plan; and (d) to make all other determinations that may be necessary or advisable for the administration of the Plan. Any determination by the Committee pursuant to the Plan shall be final, binding and conclusive on all employees and participants and anyone claiming under or through any of them.

3. **Eligibility.** Participation in the Plan will be limited to each employee of the Company that the Committee determines, in its discretion, is or may be a covered employee within the meaning of Code Section 162(m)(4) and Treasury Regulation 1.162-27(c)(2). The Committee, in its discretion, shall designate in writing those employees of the Company who shall be eligible to participate in the Plan (each, a **Covered Employee**) for any fiscal year or other accounting period selected by the Committee no later than the applicable deadline (the **Determination Date**) for the establishment of performance goals permitting the compensation payable to each such Covered Employee for such year hereunder to qualify as qualified performance-based compensation under Treasury Regulation 1.162-27(e). The Committee's designation of an employee's eligibility to participate in the Plan shall be conclusive for the period to which the designation applies whether or not such employee is deemed a covered employee (within the meaning of Code Section 162(m)) at the end of such period. Designation as a Covered Employee for any period shall not entitle an employee to participate in the Plan for any other period.

4. **Performance Goals.** A Covered Employee's bonus shall be determined based on the attainment of written performance goals established by the Committee as of the beginning of each of the Company's fiscal years or other accounting periods selected by the Committee (**Performance Period**) (i) while the outcome for the Performance Period is substantially uncertain and (ii) no more than ninety (90) days after the commencement of the Performance Period to which the performance goal relates or, if less than 90 days, the number of days which is equal to twenty-five percent (25%) of the relevant Performance Period. The performance goals established by the Committee need not be the same for all Covered Employees. Such performance goals shall be based on any of the following business criteria, either alone or in any combination, on either a consolidated or business unit or divisional level, and which shall include or exclude discontinued operations, acquisition expenses and restructuring expenses, as the Committee may determine: operating income growth, stock price performance (including, but not limited to, stock price performance relative to a particular peer group or index selected by the Committee), sales or revenue, earnings per share, measurable achievement in quality, operation and compliance initiatives, objectively determinable measure of non-financial operating and management performance objectives, net earnings (either before or after interest, taxes, depreciation and amortization), economic value-added (as determined by the Committee), sales or revenue, net income (either before or after taxes), operating earnings, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on net assets, return on stockholders' equity, return on assets, return on capital, stockholder returns, dividends and/or other distributions, return on sales, gross or net profit margin, productivity, expense,

margins, operating efficiency, customer satisfaction, measurable achievement in quality and compliance initiatives, working capital, debt, debt reduction, earnings per share, price per share of stock, market share, completion of acquisitions, business expansion, product diversification and new or expanded market penetration. The foregoing criteria shall have any reasonable definitions that the Committee may specify, which may include or exclude any or all of the following items, as the Committee may specify: extraordinary, unusual or non-recurring items; effects of changes in tax law, accounting principles or other such laws or provisions affecting reported results; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; impairment of tangible or intangible assets; litigation or claim judgments or settlements; non-operating items; acquisition expenses; and effects of assets sales or divestitures. Any such business criteria or combination of such criteria may apply to the Covered Employee's bonus opportunity in its entirety or to any designed portion or portions of the bonus opportunity, as the Committee may specify.

5. Bonus Opportunity. No later than the Determination Date for each year, the Committee shall establish, in writing, the method for computing the amount of compensation that will be payable under the Plan to each Covered Employee in the Plan if the performance goals established by the Committee for such year are attained in whole or in part. Such method shall be stated in terms of an objective formula that precludes discretion to increase the amount of the bonus that would otherwise be payable upon attainment of the performance goals and may be different for each Covered Employee. Notwithstanding anything to the contrary contained herein, the Committee may, however, exercise negative discretion (within the meaning of Treasury Regulation 1.162-27(e)(2)(iii)(A)) with respect to any bonus payable hereunder to reduce any amount that would otherwise be payable hereunder.

6. Maximum Bonus. The maximum amount of compensation that may be paid under the Plan to any Covered Employee for any year shall not exceed \$5,000,000.

7. Certification of Performance Goals; Payment of Bonus. As soon as practicable after the close of the Performance Period and prior to the payment of any bonus, the Committee shall review the Company's performance and certify in writing the extent to which the applicable performance goals have been achieved. Each bonus to the extent earned shall be paid in a single lump sum cash payment, less applicable withholding taxes, as soon as practicable following the Committee's certification described in the preceding sentence. Payments under this Plan are intended to qualify as short-term deferrals under Code Section 409A and shall be made no later than the date two and one-half (2 1/2) months following the close of the calendar year in which such bonus was earned; *provided, however*, that any payment that is delayed due to an unforeseeable event, as described in Treasury Regulation 1.409A-1(b)(4)(ii), shall be paid as soon as practicable. Except as otherwise determined by the Committee, in its sole discretion, the Company is not obligated to pay a Covered Employee a performance bonus in the event the Covered Employee is not employed at the end of the Performance Period or not employed on the date the Committee certifies that a performance goal has been achieved.

8. Funding. The Plan shall be unfunded. The Company shall not be required to segregate any assets to ensure payment of any bonus under the Plan.

9. Amendment or Termination. The Company may amend or terminate the Plan at any time or from time to time; *provided, however*, that no amendment shall cause any performance-based bonus payable under the Plan not to qualify under Code Section 162(m).

10. Shareholder Approval. Payment of any bonus under this Plan shall be contingent upon the affirmative vote of the shareholders of at least a majority of the votes cast (including abstentions to the extent counted under applicable state law) approving the Plan. Unless and until such shareholder approval is obtained, no bonus shall be paid pursuant to this Plan. To the extent necessary for purposes of Code Section 162(m), this Plan shall be resubmitted to shareholders for their reapproval with respect to bonuses payable for the taxable years of the Company commencing on and after 5th anniversary of initial shareholder approval.

11. **Effective Date.** The Plan shall be effective on the date that it is adopted by the compensation committee of the Board, contingent on approval of the Plan by the Company's shareholders as set forth in Section 10 above.

12. **Interpretation and Construction.** Any provision of this Plan to the contrary notwithstanding, (a) bonuses under this Plan are intended to qualify as qualified performance-based compensation under Treasury Regulation 1.162-27(e) and (b) any provision of the Plan that would prevent any bonus under the Plan from so qualifying shall be administered, interpreted and construed to carry out such intention and any provision that cannot be so administered, interpreted and construed shall to that extent be disregarded. No provision of the Plan, nor the selection of any Covered Employee to participate in the Plan, shall constitute an employment agreement or affect the duration of any Covered Employee's employment, which shall remain employment at will unless an employment agreement between the Company and the Covered Employee provides otherwise. All references in the Plan to sections of the Internal Revenue Code or to Treasury Regulations shall be interpreted to include any amendment or successor provisions thereto.

13. **Governing Law.** The terms of this Plan shall be governed by the laws of the State of California without giving effect to the conflict of law principles thereof.
