**ITEM 8.01. OTHER EVENTS.**

As previously disclosed, The Bank of New York Mellon (the **Bank**), a wholly-owned subsidiary of The Bank of New York Mellon Corporation (the **Registrant**), is being investigated by the Commodity Futures Trading Commission (the **CFTC** or the **Commission**) in connection with a loan to Sentinel Management Group, Inc. (**Sentinel**) by the Bank, which was secured by securities and cash in an account maintained at the Bank for Sentinel.

The Bank has received a notice from the Division of Enforcement (the **Division**) of the CFTC indicating that the Division is considering a recommendation to the Commission that it file a civil enforcement action against the Bank for possible violations of the Commodity Exchange Act and CFTC regulations. The notice provides the Bank an opportunity to provide a written submission responding to issues raised in the Division's proposed enforcement proceeding prior to any decision by the Commission on initiating an enforcement proceeding, and is neither a formal allegation nor a finding of wrongdoing. On December 2, 2009, the Bank was given access to a draft of the complaint which the Division would propose to file if the Commission were to pursue a civil enforcement action. The Bank intends to respond by explaining why it believes an enforcement action is unwarranted. If an enforcement action is commenced, the Bank intends to vigorously defend itself.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
