Item 1.01 Entry into a Material Definitive Agreement.

On August 12, 2010, NuStar Logistics, L.P. (NuStar Logistics), a wholly owned subsidiary of NuStar Energy L.P. (the Partnership), successfully completed the issuance and sale of \$450 million in aggregate principal amount of its 4.80% Senior Notes due 2020 (the Notes). The Notes are guaranteed on a full and unconditional basis by each of the Partnership and NuStar Pipeline Operating Partnership L.P. (NuPOP), also a wholly owned subsidiary of the Partnership. The Notes were registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a shelf registration statement on Form S-3 (Registration Nos. 333-166797, 333-166797-01 and 333-166797-02).

The Notes are governed by an Indenture dated as of July 15, 2002 (the Original Indenture), as amended and supplemented by the Third Supplemental Indenture, dated as of July 1, 2005 (the Third Supplemental Indenture), by and among NuStar Logistics, the Partnership, NuPOP and Wells Fargo Bank, National Association (as successor to The Bank of New York), as trustee (the Trustee) (the Base Indenture, as so amended and supplemented by the Third Supplemental Indenture, the Senior Indenture), as further amended and supplemented by the Fifth Supplemental Indenture dated as of August 12, 2010 (the Fifth Supplemental Indenture) by and among NuStar Logistics, the Partnership, NuPOP and the Trustee. The Senior Indenture, as amended and supplemented by the Fifth Supplemental Indenture, is referred to herein as the Indenture.

Interest on the Notes will accrue from August 12, 2010 and is payable semi-annually on March 1 and September 1 of each year, beginning March 1, 2011. The Notes will mature on September 1, 2020.

NuStar Logistics may, at its option, redeem all or part of the Notes at any time at a price equal to the greater of 100% of the principal amount of the Notes then outstanding or to be redeemed, or at a make-whole price, in each case plus accrued and unpaid interest. The Notes are NuStar Logistics senior unsecured obligations and rank effectively junior to all existing and future secured debt to the extent of the value of the collateral securing such debt. The Notes rank equally in right of payment with all of NuStar Logistics existing and future unsecured debt that is not by its terms subordinated to the Notes, and senior to any subordinated debt that NuStar Logistics may incur. The Notes and the guarantees of the Notes by the Partnership and NuPOP will effectively rank junior to all existing and future obligations of the subsidiaries of NuStar Logistics.

The Indenture contains covenants that will limit the ability of NuStar Logistics, and its subsidiaries, to, among other things, create liens or enter into sale-leaseback transactions. The Indenture does not restrict NuStar Logistics or its subsidiaries from incurring additional indebtedness, paying distributions on its equity interests or purchasing or redeeming its equity interests, nor does it require the maintenance of any financial ratios or specified levels of net worth or liquidity. Events of default under the Indenture include:

failure to pay interest on the Notes for 30 days;

failure to pay the principal of or any premium on the Notes when due;

failure to perform any other covenant or warranty in the Indenture (other than a term, covenant or warranty a default in whose performance or whose breach is specifically dealt with in the Indenture or which has expressly been included in the Indenture solely for the benefit of another series of securities) that continues for 60 days after written notice is given to NuStar Logistics by the Trustee or to NuStar Logistics and the Trustee by the holders of at least 25% in principal amount of the outstanding Notes, specifying such default and requiring it to be remedied and stating that such notice is a Notice of Default under the Indenture;

certain events of bankruptcy, insolvency or reorganization of NuStar Logistics; or

the failure to pay any indebtedness of NuStar Logistics for borrowed money in excess of \$50 million, whether at final maturity (after the expiration of any applicable grace periods) or upon acceleration and maturity thereof, if such indebtedness is not discharged, or such acceleration is not annulled, within 10 days after written notice is given to NuStar Logistics by the Trustee or to NuStar Logistics and the Trustee by the holders of at least 25% in principal amount of the outstanding Notes, specifying such default and requiring it to be remedied and stating that such notice is a Notice of Default under the Indenture.

If an event of default occurs and is continuing, the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes may declare the entire principal of, and accrued but unpaid interest, if any, on all the Notes to be due and payable immediately. If this happens, subject to certain conditions, the holders of a majority of the aggregate principal amount of the Notes can rescind the declaration. If an event of default relating to certain events of bankruptcy, insolvency or reorganization occurs, the entire principal amount of the Notes shall be due and payable immediately without further action or notice.

The description of the Indenture contained in this Current Report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the full text of the Original Indenture, the Third Supplemental Indenture and the Fifth Supplemental Indenture, incorporated by reference herein from Exhibits 4.1 and 4.2 and Exhibit 4.3, respectively.
