Item 8.01 Other Events.

On October 28, 2010, CIRCOR International, Inc. (CIRCOR) issued a press release announcing that the U.S. Bankruptcy Court for the District of Delaware entered an order on October 28, 2010 approving and confirming the amended pre-negotiated Chapter 11 reorganization plan (the Reorganization Plan) filed by its wholly owned subsidiary, Leslie Controls, Inc. (Leslie), on July 12, 2010. The Reorganization Plan is intended to permanently resolve Leslie's asbestos liability through the creation of a trust pursuant to Section 524(g) of the U.S. Bankruptcy Code. All current and future asbestos claims against Leslie would be channeled to the trust for review and payment, thus providing both Leslie and CIRCOR with permanent court protection from such claims.

Leslie is currently awaiting review and approval of the 524(g) trust aspects of the Reorganization Plan by the U.S. District Court for the District of Delaware. Upon entry of such a District Court order and absent a stay pending appeal, Leslie and CIRCOR would fund the trust once various closing conditions are satisfied and the plan becomes effective. Leslie's final emergence from bankruptcy and distributions from the trust to claimants would not occur until any appeals from the District Court's order are favorably resolved, although CIRCOR and Leslie believe that any such appeals would be without merit.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
