On November 16, 2010, the Board of Directors of Northern Trust Corporation (the Corporation) adopted amendments to the Corporation's Code of Business Conduct and Ethics (the Code). The amended Code supersedes the Code of Business Conduct and Ethics adopted by the Board of Directors of the Corporation on November 10, 2009. A copy of the Code, as amended, is filed as Exhibit 14.1 and incorporated herein by reference.

The adopted amendments revise the Code to: (a) expressly state that it does not alter the employment relationship and that a violation of the Code could be the basis for disciplinary action, including dismissal; (b) include provisions regarding safety in the workplace, including freedom from violence and illegal substances; (c) include an express prohibition on improper exercise of influence; (d) include provisions requiring maintenance of accurate books and records; (e) emphasize the reach of anti-bribery laws; (f) ensure the prohibition on retaliation is consistent with the whistleblower provisions in the Dodd-Frank Wall Street Reform and Consumer Protection Act; and (g) revise Section VIII on confidentiality in its entirety, including to make explicit that the restriction on the disclosure of confidential information extends to the use of social media.

The amendments took effect upon adoption by the Board of Directors.
