ABOUT THE ANNUAL MEETING

What is the purpose of the meeting?

The principal purposes of the Annual Meeting are to elect two directors to the company's board of directors and to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011. In addition, our management will report on our performance during 2010 and respond to questions from shareholders.

When were these materials mailed?

We began mailing this proxy statement on or about April 30, 2011.

Who is entitled to vote?

Shareholders of record at the close of business on the record date, April 15, 2011, are entitled to vote in person or by proxy at the Annual Meeting. In general, shareholders are entitled to one vote per share on each matter voted upon. In an election for directors, however, shareholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. The board of directors has determined that the board of directors should include three Class C directorships. However, the board of directors has not nominated anyone to replace director Krishna Persaud, who is not standing for re-election. Hence because two directors are to be elected at this Annual Meeting, each share will entitle the shareholder to two votes, one per director. Shareholders may not cumulate their votes. As of April 15, 2011 there were 6,061,802 common shares outstanding.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as **WITHHOLD AUTHORITY** and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting, but will not be counted for any other purpose. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions as to that proposal from the beneficial owner.

What is the difference between a shareholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. This Notice of Meeting and Proxy Statement has been provided directly to you by Homeowners Choice, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or Internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in street name), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the beneficial owner of the shares. This Notice of Meeting and Proxy Statement has been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope, or follow the instructions on the proxy card for voting by telephone or Internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

How do I vote?

By ballot at the meeting. If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, Limited Liability Company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Proposal 1), each share held by a shareholder of record will be entitled to two votes, one for each director to be elected. Your option with respect to each director will be to vote FOR the director or to abstain from voting. In the vote to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011 (Proposal 2), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN.

By proxy. If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or Internet, then your shares will be voted as you direct. In the election of directors (Proposal 1), your options with respect to each director are to direct a vote FOR or to WITHHOLD AUTHORITY. In the proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011 (Proposal 2), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

Can I vote by telephone or Internet?

Yes. If you follow the instructions on the proxy card for voting by telephone or Internet, your shares will be voted as you direct.

What does it mean if I receive more than one proxy card?

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or Internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

Can I change my vote or instruction?

Yes. You may follow the instructions on the proxy card to change your instructions any time before midnight the day before the meeting.

In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

If I submit a proxy card, how will my shares be voted?

Your shares will be voted as you instruct on the proxy card.

What happens if I submit a proxy card and do not give specific voting instructions?

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the board of directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, at their own discretion. As of the date this proxy statement went to print, we did not know of any other matter to be raised at the Annual Meeting.

If you are a beneficial shareholder and you sign and return your proxy card without indicating your instructions, then your broker or nominee will vote or not vote in accordance with the rules of the New York Stock Exchange (provided the broker or nominee is a member of the New York Stock Exchange). If a voting matter is designated by the New York Stock Exchange as routine, then your broker or nominee may vote or not vote at its discretion. If a voting matter is designated non-routine by the New York Stock Exchange, then your broker or nominee cannot vote without your instructions.

Which voting matters are considered routine or non-routine?

In general, uncontested matters and matters not involving a merger or consolidation or affecting substantially the rights or privileges of the stock are considered routine under the rules of the New York Stock Exchange. Accordingly, we expect the New York Stock Exchange will designate as routine the proposal to ratify the appointment Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011 (Proposal 2) and brokers and other nominees will be permitted to vote on that matter. On the other hand, the New York Stock Exchange views matters involving the election of directors to be non-routine. Accordingly, the election of directors (Proposal 1) will be designated by the Exchange as non-routine and brokers and other nominees will not be permitted to vote on that matter without instructions from the beneficial owner.

What happens if I do not submit a proxy card and do not vote by telephone or Internet?

If you are a shareholder of record and you neither designate a proxy nor attend the Annual Meeting, your shares will not be represented at the meeting. If you are the beneficial owner of shares held in the name of a member of the New York Stock Exchange, that member may vote in its discretion on matters deemed routine by the New York Stock Exchange. The member may not vote on matters considered non-routine.

What are the board's recommendations?

The board's recommendations are set forth elsewhere in this proxy statement (see pages 7 and 8). In summary, the board recommends votes

Ø FOR election of the following nominees for director positions:

Sanjay Madhu

Anthony Saravanos

Ø FOR ratification of the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011.

What vote is required to approve each item?

Election of directors. In the election of directors, the two highest recipients of FOR votes will be elected. A properly executed proxy card marked WITHHOLD AUTHORITY with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Ratification of appointment of independent registered public accounting firm. The proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011 will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Other matters. We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved if the number of votes favoring the matter exceeds the number of votes opposing the matter.

How will votes be counted?

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions. Although abstentions and broker non-votes are each included in the determination of the number of shares present, they are not counted on any matters brought before the meeting.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial shareholders and have agreed to reimburse those institutions for their out-of-pocket expenses.

RULES OF CONDUCT

To ensure fair, orderly and constructive meetings, the board of directors has adopted the following rules of conduct for shareholder meetings.

1. All attendees must register before entering the meeting room.
2. The meeting will follow the schedule set forth on the agenda.
3. Only shareholders of record as of the record date or their duly authorized representatives are entitled to vote or address the meeting.

7. Rude or disruptive behavior is prohibited.
8. The use of cameras, audio or video recording equipment, communications devices or similar equipment is prohibited.
9. Attendees who violate these rules may be removed.
10. The decisions of the presiding officer in interpreting and enforcing these rules of conduct will be final.

PROPOSAL NO. 1

Election of Directors

Two directors are to be elected at the Annual Meeting. In accordance with the company's articles of incorporation, the board of directors is divided into three classes. Each class consists of three directors, unless there is a vacancy. All directors within a class have the same three-year terms of office. The class terms expire at successive annual meetings so that each year a class of directors is elected. The current terms of director classes expire in 2011 (Class C directors), 2012 (Class A directors) and 2013 (Class B directors). Class C will have a vacancy because director Krishna Persaud will not stand for re-election at the 2011 Annual Meeting and no one has been nominated to succeed him. Each of the Class C directors elected at the 2011 Annual Meeting will be elected to serve a three-year term.

With the recommendation of the governance and nominating committee, the board of directors has nominated the following persons to stand for election as Class C directors at the 2011 Annual Meeting of Shareholders, with terms expiring in 2014:

Sanjay Madhu

Anthony Saravanos

Each of the nominees for election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the board of directors may select. The board of directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy **FOR** the election of Sanjay Madhu and Anthony Saravanos as Class C directors of Homeowners Choice, Inc. The nominees receiving the two highest **FOR** vote totals will be elected as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** ELECTION OF EACH OF THE NOMINEES AS DIRECTORS OF THE COMPANY **ITEM 1 ON YOUR PROXY CARD.**

PROPOSAL NO. 2

Ratification of Appointment of Independent Registered Public Accounting Firm

The company's audit committee has appointed Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2011. Hacker, Johnson & Smith P.A. has served in that capacity since the company's initial public offering in 2008. At the Annual Meeting, shareholders will be asked to ratify the audit committee's appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm. Regardless of the outcome of this vote, the audit committee will retain the sole authority to appoint the company's independent registered public accounting firm. If the appointment is not ratified, then the audit committee will reconsider its appointment. Even if the appointment is ratified, the audit committee may appoint a different independent registered public accounting firm for the company.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy **FOR** ratification of the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm. This proposal will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** RATIFICATION OF THE APPOINTMENT OF HACKER, JOHNSON & SMITH P.A. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ITEM 2 ON YOUR PROXY CARD.

OTHER BUSINESS

We do not expect any other matters to be brought before the meeting. However, if any other matters are presented, it is the intention of the persons named in the proxy to vote the proxy as recommended by the board of directors or, if no recommendation is given, at their own discretion using their best judgment.

In addition to contracting, Mr. Apostolou has been involved in the development and investment of many commercial projects and now owns more than 20 properties in the Tampa Bay area.

Mr. Apostolou brings considerable business, management and real estate experience to the board of directors. We expect Mr. Apostolou's business and management experience will enhance oversight of the company's business performance. Moreover, real estate experience has become increasingly important to the company as it makes and considers significant real estate investments. Mr. Apostolou also serves on our audit committee and our governance and nominating committee. His business experience gives him a fundamental understanding of financial statements and business operations. Arrangements as to Selection and Nomination of Directors

We are aware of no arrangements as to the selection and nomination of directors.

Independent Directors

Based upon recommendations of our governance and nominating committee, our board of directors has determined that former director Garth A. Vernon was and current directors Martin A. Traber, Harish M. Patel, Krishna Persaud, Anthony Saravanos and George Apostolou are independent directors as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. Under that rule, the board of directors determines whether a director has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In the case of Mr. Traber, the Committee considered his role as a partner of Foley & Lardner LLP, which provides legal services to the company, and determined that the fees received by the law firm from us amount to less than 1% of the firm's total revenue. The committee also considered Mr. Traber's personal financial substance, his other sources of income and his lack of dependence upon legal fees from the company. In the case of Mr. Persaud, the committee considered the purchase of certain shares of his stock by the company and determined the transaction was related solely to his investment in the company. As noted above, Mr. Persaud has chosen not to stand for re-election at the 2011 Annual Meeting.

Lease of Corporate Headquarters

On April 8, 2008, we entered into a lease with Xenia Management LLC, a company owned and operated by Gregory Politis, one of our directors. The lease is for our headquarters, 6,000 square feet of office space and 1,498 square feet of common area, in Clearwater, Florida. The lease commenced in July 2008 and requires us to make monthly lease payments of \$12,500, which includes \$2,500 for common area maintenance. The initial term of the lease will expire July 15, 2013. We, at our option, may renew the initial term of the lease for three additional periods of five years each by providing written notice of renewal at least six calendar months before the end of the initial five-year term. If we renew the lease, the monthly lease payments will increase by approximately 15% in each successive five-year renewal period.

Software License Agreement

We license our policy administration software from Scorpio Systems, Inc., a company owned and operated by Paresh Patel, the chairman of our board of directors. The license agreement was effective as of November 1, 2007. The license agreement is perpetual until terminated. The license agreement may be terminated by either party upon six months' written notice or by Scorpio Systems, Inc. upon thirty days' written notice to us within three months following the occurrence of a change in control of our company. Under the terms of the license agreement, Scorpio Systems, Inc. grants us an exclusive, perpetual, nontransferable, worldwide license to use the software in connection with policy administration services performed with regard to insurance policies issued by our company or any of our wholly-owned subsidiaries. In exchange for the license, we have agreed to pay to Scorpio Systems, Inc. a license fee of one dollar per policy generated as a new policy issued or a paid renewal policy. The license fees are to be paid quarterly. For 2010, the license fees totaled \$58,570. The amount to be paid under the license agreement will increase as the number of new policies and paid renewal policies increases.

Consulting Agreement

On June 1, 2007, we entered into a consulting agreement with Scorpio Systems, Inc., a company owned and operated by Paresh Patel, the chairman of our board of directors. The consulting agreement may be terminated by either party at any time upon fifteen days' written notice to the other party. Upon such a termination of the consulting agreement by us, Scorpio Systems, Inc. shall be entitled to receive any unpaid consulting fees owing to it up through and including the date of termination. We may terminate the consulting agreement immediately in the event that Mr. Patel no longer owns a controlling interest in Scorpio Systems, Inc., or in the event of Mr. Patel's death or incapacity.

Under the terms of the agreement, Scorpio Systems, Inc. provides us with business advice, information and consultation regarding the insurance industry. In consideration for these services, we pay a monthly fee of \$25,000 to Scorpio Systems, Inc. and reimburse Scorpio Systems, Inc. for its reasonable and customary business expenses incurred in the performance of its services. Pursuant to the agreement, Scorpio Systems, Inc. will not disclose confidential information related to our company, and Scorpio Systems, Inc. may not solicit customers for a period of one year after the agreement's termination. One of our directors, Martin A. Traber, is a partner at the law firm of Foley & Lardner LLP, and since our inception in 2007, the firm has provided legal representation to us on certain matters, including our 2008 initial public offering. During 2010, Foley & Lardner LLP billed us approximately \$266,000. Such amount includes fees billed in connection with our preferred stock offering and represents less than 1% of Foley's fee revenue. These services were provided on an arms-length basis, and paid for at fair market value. We believe that such services were performed on terms at least as favorable to us as those that would have been realized in transactions with unaffiliated entities or individuals.

Stock Repurchase

On January 20, 2010, the company repurchased from one of our directors, Krishna Persaud, 200,000 shares of the company's common stock at a price of \$7.00 per share for a total cost of \$1,400,000. In addition, on April 4, 2011, the company purchased 80,000 shares of the common stock from Mr. Persaud at a price of \$8.00 per share when the market price per share was approximately \$8.20. Such repurchases were not part of a publicly announced plan or program.

Policies for Approval or Ratification of Transactions with Related Persons

Our policy for approval or ratification of transactions with related persons is for those transactions to be reviewed and approved by the audit committee. That policy is set forth in the audit committee charter. Our practice is that such transactions are approved by a majority of disinterested directors. The policy sets forth no standards for approval. Directors apply their own individual judgment and discretion in deciding such matters.

COMMITTEES OF THE BOARD OF DIRECTORS

The board of directors has an audit committee, a compensation committee, and a governance and nominating committee.

Audit Committee

The company has a separately-designated standing audit committee established in accordance with the Securities and Exchange Act of 1934. The audit committee's responsibilities include the following:

assisting our board of directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices;

overseeing the work of our internal accounting and auditing processes;

discussing with management our processes to manage business and financial risk;

making appointment, compensation and retention decisions regarding and overseeing the independent auditor engaged to prepare or issue audit reports on our financial statements;

establishing and reviewing the adequacy of procedures for the receipt, retention and treatment of complaints received by our company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures; and

conducting an appropriate review and approval of all related party transactions for potential conflict of interest situations on an ongoing basis.

The audit committee is composed of three members: Anthony Saravanos, its chairman; Harish M. Patel and George Apostolou. During 2010, Krishna Persaud served as a member of the audit committee. As previously stated, Mr. Persaud has chosen not to stand for re-election to the board of directors. He has resigned from the company's audit committee. Garth A. Vernon served on the audit committee until his resignation from the board of directors on May 26, 2010. Since our common shares are listed on The NASDAQ Global Select Market, we are governed by its listing standards. Accordingly, each member of the audit committee is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC and meets the criteria for independence set forth in Rule 10A-3(b)(1) of the Securities and Exchange Commission. The board of directors has determined that Mr. Saravanos is an audit committee financial expert. The audit committee met formally four times during 2010 and otherwise acted by unanimous written consent. The board of directors has adopted a written audit committee charter. A current copy of the charter is available on our website www.hcpci.com. Click Investors and then Corporate Governance.

Compensation Committee

The compensation committee's responsibilities include the following:

reviewing and approving the compensation programs applicable to our executive officers;

recommending to the board and periodically reviewing policies for the administration of the executive compensation programs;

reviewing and approving the corporate goals and objectives relevant to the compensation of the executive officers, evaluating the performance of the executive officers in light of those goals, objectives and strategies, and setting the compensation level of the executive officers based on this evaluation;

reviewing on a periodic basis the operation of our executive compensation programs to determine whether they are properly coordinated and achieving their intended purposes;

administering and making awards under the company's 2007 Stock Option and Incentive Plan and monitoring and supervising the administration of any other benefit plans the company may have; and

reviewing and approving compensation to outside directors.

The compensation committee has the authority to determine the compensation of the chief executive officer and the non-employee directors, including the executive chairman. At least annually the compensation committee considers the results of the company's operations and its financial position and makes compensation determinations. The compensation committee has not engaged or relied on consultants, instead relying on the judgment and knowledge of its own members. It views the determination of such compensation to be a collaborative effort and accordingly it welcomes recommendations and advice from executive officers and other directors. The compensation committee is composed of two members: Martin A. Traber, chairman, and Gregory Politis, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. During 2010, Krishna Persaud also served on the compensation committee. As previously stated, Mr. Persaud has chosen not to stand for re-election to the board of directors. He has resigned from the compensation committee. The compensation committee met formally one time during 2010 and otherwise acted by unanimous written consent. The board of directors has adopted a formal compensation committee charter. A current copy of the charter is available on our website www.hcpci.com. Click Investors and then Corporate Governance.

Governance and Nominating Committee

The functions of governance and nominating committee include the following:

establishing criteria for selection of potential directors, taking into account all factors it considers appropriate;

ensuring that we make all appropriate disclosures regarding the process for nominating candidates for election to the board, including any process for shareholder nominations, the criteria established by the committee for candidates for nomination for election to the board and any other disclosures required by applicable laws, regulations or listing standards;

reporting regularly to the board (i) regarding meetings of the committee, (ii) with respect to such other matters as are relevant to the committee's discharge of its responsibilities and (iii) with respect to such recommendations as the committee may deem appropriate.

The governance and nominating committee is composed of three members: Martin A. Traber, Anthony Saravanos and George Apostolou, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. The governance and nominating committee held two meetings in 2010. The board of directors has adopted a written nominating committee charter. A current copy of the charter is available on our website www.hcpci.com. Click Investors and then Corporate Governance. Each of the proposed director nominees was recommended by the governance and nominating committee to the board of directors.

The governance and nominating committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the board of directors or management. In evaluating director candidates, the governance and nominating committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the company. The governance and nominating committee has not adopted a specific policy on diversity. However, in practice it has identified and recommended individuals of diverse ethnic, cultural and business backgrounds.

The governance and nominating committee will consider director candidates recommended by shareholders. If you wish to recommend one or more director candidates you should send your recommendations before November 1 of the year preceding the next annual meeting of shareholders to the Secretary of the Corporation, Andrew L. Graham, 2340 Drew Street, Suite 200, Clearwater, Florida 33765. Each recommendation should set forth the candidate's name, age, business address, business telephone number, residence address, principal occupation or employment and any other attributes or factors you wish the committee to consider, as well as your name, address and telephone number and the class and number of shares you hold. The committee may require the recommended candidate to furnish additional information. The secretary will forward recommendations of qualified candidates to the governance and nominating committee and those candidates will be given the same consideration as all other candidates.

A shareholder wishing to nominate an individual for election to the board of directors at the Annual Meeting of the Shareholders, rather than recommend a candidate to the governance and nominating committee, must comply with the advance notice requirements set forth in our bylaws. See Shareholder Proposals for Presentation at the 2011 Annual Meeting for further information.

Board of directors Leadership Structure

Our business and affairs are managed under the direction of the board of directors. Under our current leadership structure Paresh Patel serves as executive chairman of the board and Francis X. McCahill serves as chief executive officer. Mr. McCahill also serves as a director. Mr. Patel's role as executive chairman of the board includes leading the board in its annual evaluation of our chief executive officer (in conjunction with the recommendations of the compensation committee), providing continuous feedback on the direction and performance of the company, serving as chairman of regular meetings of the board of directors, setting the agenda of meetings of the board of directors (along with chief executive officer, Francis X. McCahill) and leading the board of directors in anticipating and responding to changes in our business. Mr. Patel plays a significant role also in formulating and executing the company's strategic plans, technology efforts and investment decisions. We believe board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes best use of their respective skills. The board of directors may determine to alter this leadership structure anytime based on then existing circumstances.

Board of directors Role in Risk Oversight

The board of directors plays a significant role in monitoring risks to the company. Where major risks are involved, the board of directors takes a direct role in approving those matters. For example, the board of directors annually approves the level and design of our reinsurance program. Reinsurance is insurance we buy from other insurance companies to cover hurricanes and other catastrophes. The board of directors also approves any strategic initiatives and any large or unusual investment or other such expenditure of the company's resources. The board of directors has established committees to assist in ensuring that material risks are identified and managed appropriately. Among them are the audit committee, the compensation committee, the investment committee and the governance and nominating committee. The board and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The audit committee is responsible for assisting our board of directors in its oversight of the quality and integrity of our accounting, auditing and reporting practices and discussing with management our processes to manage business and financial risk. The compensation committee considers risk in connection with its design of our compensation programs for our executives. The investment committee manages the company's normal investments. The governance and nominating committee regularly reviews the company's corporate governance structure and board committee assignments. Each committee regularly reports to the board of directors.
