**Item 1.01 Entry into a Material Definitive Agreement.**

On August 17, 2011, CoreLogic, Inc. (the Company) and Cognizant Technology Solutions U.S. Corporation (Cognizant) entered into a Master Professional Services Agreement (the MPSA). The entry into the MPSA was in connection with the closing of the previously announced sale of CoreLogic Global Services Private Limited (CoreLogic India) to an affiliate of Cognizant, as described in Item 7.01 below. Under the MPSA, Cognizant will provide a range of business process and information technology services to the Company, including those services provided by CoreLogic India to the Company prior to the sale of CoreLogic India. Cognizant is an existing provider of software development services to the Company.

The MPSA became effective on August 17, 2011. Concurrently with the execution of the MPSA, the Company and Cognizant entered into a supplement (Supplement) with an initial term of seven years, which sets forth certain services to be provided by Cognizant under the MPSA. The Company has the unilateral right to extend the term of this Supplement for up to three one-year periods under the same terms and conditions as set forth in the MPSA. The Company and Cognizant may enter into additional supplements under the MPSA to provide for additional services. The MPSA will remain effective until the second anniversary of the first date on which no supplement is in effect. The Company may terminate all or part of the services provided under the MPSA for certain for-cause events, as specified in the MPSA, including a material breach by Cognizant. The Company may also terminate all or part of the services provided under the MPSA for convenience upon six months prior written notice and subject to termination charges. Cognizant may terminate the MPSA for the Company's nonpayment of undisputed charges under the MPSA or upon the Company's bankruptcy. During the first five years of the MPSA, the Company is subject to a total minimum revenue commitment of approximately \$324 million, plus applicable inflation adjustments.

The foregoing description of the MPSA does not purport to be complete and is qualified in its entirety by reference to the MPSA, a copy of which the Company intends to file with its Quarterly Report on Form 10-Q for the quarter ending September 30, 2011, with portions omitted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment.

**Item 7.01. Regulation FD Disclosure.**
