**DEREGISTRATION OF SECURITIES**

Prior to March 30, 2001, Ceridian Corporation was a publicly traded company whose principal lines of business were the human resource service businesses, the Comdata business, which provided transaction processing and regulatory compliance services for the transportation industry, and the radio audience measurement business. On March 30, 2001, Arbitron Inc. s ( Arbitron ) predecessor, Ceridian Corporation, completed a spin-off of its lines of business other than its radio audience measurement business to a newly formed company named New Ceridian and changed its name from Ceridian Corporation to Arbitron Inc.

The purpose of this Post-Effective Amendment No. 1 to Form S-8, Registration Statement No. 333-66643 for the Ceridian Corporation Executive Investment Plan (the Plan ), is to deregister deferred obligations registered for issuance pursuant to the Plan. The Form S-8, which was filed with the Securities and Exchange Commission (the Commission ) on November 2, 1998, registered securities consisting of certain obligations of Ceridian Corporation to pay compensation deferred by, and discretionary credits awarded to, participants in the Plan. Under the terms of the Plan, officers, non-employee directors and a select group of management employees of Ceridian Corporation and participating affiliates were provided with the opportunity to defer all or a portion of their base salary, annual bonus and eligible long-term bonus. Amounts deferred under the Plan were credited to individual participant accounts and deemed invested in one or more funds selected by the participant. In connection with the spin-off discussed above, the Plan was terminated and thus no additional compensation can be deferred under the Plan. As a result, Arbitron hereby removes from registration any and all deferred obligations that were previously registered under Registration Statement No. 333-66643 and that were not previously deferred or otherwise credited to a participant s account as of the date hereof, and hereby files this Post-Effective Amendment No. 1 to effect such deregistration and to terminate Registration Statement No. 333-66643.

As there are no securities being registered in this amendment, and the sole purpose of the amendment is to deregister securities, the disclosure requirements under the Securities Act of 1933 and the requirement for exhibits under Regulation S-K are inapplicable to this filing.
