NOTES TO UNAUDITED PRO FORMA CONDENSED CONSOLIDATED

FINANCIAL STATEMENTS

The accompanying Unaudited Pro Forma Condensed Consolidated Financial Statements consist of the historical statements of continuing operations and balance sheet of InfoSpace, Inc. (the Company) and 2SS Holdings, Inc. (2SS Holdings) as of and for the year ended December 31, 2010 and as of and for the nine months ended September 30, 2011, with adjustments to reflect the acquisition of 2SS Holdings by the Company, as described herein:

1. Represents the historical results of continuing operations and financial position of the Company derived from the Company's Consolidated Financial Statements as previously reported in its Amendment No. 1 to its Annual Report on Form 10-K/A as of and for the year ended December 31, 2010, and its Report on Form 10-Q as of and for the period ended September 30, 2011.
2. Represents the historical operating results and financial position of 2SS Holdings derived from 2SS Holdings's historical unaudited consolidated financial statements of earnings for the nine months ended September 30, 2011 and 2010, its unaudited consolidated balance sheet as of September 30, 2011, its audited consolidated financial statements of earnings for the years ended April 30, 2011 and 2010, and the notes thereto, included in Exhibit 99.2 of this Form 8-K/A.
3. These adjustments are to conform the presentation of 2SS Holdings's statements of earnings in a manner consistent with the Company's presentation. 2SS Holdings has historically allocated certain common costs, such as occupancy, depreciation, information technology and other corporate expenses amongst the various categories presented in the statement of operations, and has included certain costs in categories that were not consistent with the Company's presentation; such as customer service expenses, research and development expenses, depreciation, and insurance expenses. These adjustments did not impact 2SS Holdings's previously reported net earnings. For all periods presented, 2SS Holdings's recorded product revenue that was less than 10% of consolidated pro forma revenues; hence, product revenue is not separately presented in the statements of continuing operations, but is combined with services revenue and presented as one amount.
4. The Company acquired all of the outstanding stock of 2SS Holdings's parent company in exchange for cash of \$287.5 million, plus estimated acquisition costs of \$1.3 million, and \$3.3 million of debt origination costs related to the \$105 million credit facility used to help fund the acquisition (of which \$100 million was drawn). The purchase price has been allocated on a preliminary basis to the identifiable tangible and intangible assets acquired and liabilities assumed. 2SS Holdings incurred expenses related to the H&R Block failed transaction process in the year ended December 31, 2010 and in the nine months ended September 30, 2011 of \$607,000 and \$6.4 million, respectively, which amounts are included in general and administrative expenses for this pro forma presentation. The identifiable tangible assets and liabilities assumed are based on their estimated fair values at January 31, 2012, as follows (amounts in thousands):

	Fair Value
Tangible assets acquired	\$ 21,476
Liabilities assumed	13,845
Identifiable net assets acquired	7,631
Fair value adjustments to intangible assets	
Customer relationships	101,400
Proprietary technology	29,800
Trade name	19,500
Fair value of intangible assets acquired	\$ 150,700
Acquisition price:	

Edgar Filing: INFOSPACE INC - Form 8-K/A

Cash paid	287,500
Less identifiable net assets assumed	(7,631)
Plus deferred tax liability related to definite-lived intangible assets	52,745
Less fair value of intangible assets acquired	(150,700)
Excess of purchase price over net assets acquired, allocated to goodwill	\$ 181,914

The Company's preliminary estimates of the economic lives of the acquired intangible assets are eight years for the customer relationships, four years for the proprietary technology, approximately three years for the personal property assets, and the trade name is estimated to have an indefinite-life. The Company plans to amortize the definite-lived intangible assets over their respective estimated lives. The pro forma adjustments include the amortization of the intangible assets over their respective useful lives, stock-based compensation expense for equity awards granted to 2SS Holdings's employees upon acquisition, estimated interest expense related to the credit facility used to help fund the acquisition. The purchase price in excess of the fair values of the net assets acquired and the identifiable intangible assets was allocated to goodwill. Goodwill and trademarks are considered intangible assets with indefinite lives and will be tested for impairment at least annually, with the Company's other indefinite lived assets.

For purposes of this pro forma information, the U.S. federal statutory tax rate of 35 percent has been used for all periods presented. This rate is an estimate and does not take into account any possible future tax events that may result for the ongoing combined company. Had the result of 2SS Holdings's operations been included in the Company's U.S. federal consolidated return for the periods presented, the Company would have been able to offset 2SS Holdings's U.S. taxable income against the Company's net operating loss carryforwards.
