ITEM 8.01. Other Events

UDR, Inc. (UDR or the Company) and its subsidiary United Dominion Realty, L.P. (the Operating Partnership) are re-issuing, in an updated format, their historical consolidated financial statements for the fiscal years ended December 31, 2011, 2010, and 2009, in connection with the requirements of generally accepted accounting principles (GAAP). GAAP provisions require, among other things, that the primary assets and liabilities and the results of operations of the Company s real properties which have been sold or are held for sale, be classified as discontinued operations and segregated in the Company s Consolidated Statements of Operations and Balance Sheets. In compliance with GAAP, the Company has presented the net operating results and the assets and liabilities of those properties sold or classified as held for sale through March 31, 2012, as discontinued operations for all periods presented. Under SEC requirements, the same reclassification of continuing and discontinued operations as prescribed by GAAP is required for all previously issued annual financial statements for each of the three years shown in the Company s last Annual Report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, even though those financial statements relate to periods prior to the date of the reclassification. This reclassification has no effect on the Company s reported stockholders equity, cash flows or net income available to common stockholders.

This Current Report on Form 8-K updates Items 6, 7, 8 and 15 (Exhibit 12), of the Company s Annual Report on Form 10-K for the year ended December 31, 2011 (the Form 10-K), to reflect the primary assets and liabilities and the results of operations of the Company s real properties which have been sold prior to March 31, 2012 or are held for sale at March 31, 2012, as discontinued operations. The updated financial information is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference. All other items of the Company s and the Operating Partnership s Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K except to the extent expressly provided above.
