The Company's Quarterly Report on Form 10-Q for the three month period ended March 31, 2012 (the Quarterly Report) cannot be filed within the prescribed time period. Under reverse acquisition accounting for the Acquisition, LE (the legal subsidiary) has been treated as the accounting parent (acquirer) and the Company (the legal parent) has been treated as the accounting subsidiary (acquiree). Due to the time and effort required on the part of the Company and its management to oversee: (i) the combination of LE's and the Company's business operations and (ii) the financial reporting of the Company, representing the combination of a public and private entity, the Company was unable to complete and file the Quarterly Report by the prescribed due date without unreasonable effort or expense.
