Q3 2012	June 30, 2012	July 20, 2012	\$ 0.07	PAID
Q4 2012	September 30, 2012	October 20, 2012	\$ 0.07	
Total for Full Year 2012			\$ 0.28	

FORWARD-LOOKING STATEMENTS AND FACTORS THAT COULD CAUSE OUR SHARE PRICE TO DECLINE

Certain statements included in this press release and the subsequent investor conference call, other than statements of historical fact, are forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology such as may, will, expect, intend, estimate, anticipate, plan, seek or believe. These forward-looking statements, which are subject to risks, uncertainties, and assumptions, may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations about future events. There are important factors that could cause our actual results, level of activity, performance, or achievements to differ materially from the results, level of activities, performance, or achievements expressed or implied by the forward-looking statements, including, but not limited to, a deterioration of the markets for the Company's customers' products and the global economy as a whole, which could negatively impact the Company's revenue and the ability of the Company's customers to confirm prior orders or pay for the Company's products; the sufficiency of the Company's cash position and other sources of liquidity to operate its business; the negative effects of increased competition pressure on the Company's revenues and margins; delay in the Company's ability to take possession of land for development of additional production facilities, continued inflation and appreciation of the Renminbi against the US dollar; rising labor costs in China and changes in the labor supply and labor relations our ability to win additional government business. In particular, you should consider the risks outlined under the heading "Risk Factors" in our most recent Annual Report on Form 20-F and in our Current Report filed from time to time on Form 6-K. Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance, or achievements. You should not rely upon forward-looking statements as predictions of future events. These forward-looking statements apply only as of the date of this press release and the subsequent investors conference call; as such, they should not be unduly relied upon as circumstances change. Except as required by law, we are not obligated, and we undertake no obligation, to release publicly any revisions to these forward-looking statements that might reflect events or circumstance occurring after the date of this release or those that might reflect the occurrence of unanticipated events.

ABOUT NAM TAI ELECTRONICS, INC.

We are an electronics manufacturing and design services provider to a select group of the world's leading OEMs of telecommunications, consumer electronic, medical and automotive products. Through our electronics manufacturing services operations, we manufacture electronic components and subassemblies, including LCD modules, FPC subassemblies and image-sensor modules and PCBAs. These components are used in numerous electronic products, including mobile phones, laptop computers, digital cameras, electronic toys, handheld video game devices, and entertainment devices. We also manufacture finished products, including mobile phone accessories, home entertainment products and educational products. We assist our OEM customers in the design and development of their products and furnish full turnkey manufacturing services that utilize advanced manufacturing processes and production technologies.

Nam Tai Electronics, Inc. is a corporation registered in the British Virgin Islands and listed on the New York Stock Exchange (Symbol NTE). All the Company's operations are located in the People's Republic of China.
