Item 1.01. Entry into a Material Definitive Agreement.*Senior Subordinated Notes Indenture and 6.500% Senior Subordinated Notes due 2020*

On October 2, 2012, Biomet, Inc. ("Biomet") issued \$800 million aggregate principal amount of 6.500% Senior Subordinated Notes due 2020 (the "Senior Subordinated Notes"), which mature on October 1, 2020, pursuant to an indenture, dated as of October 2, 2012, among Biomet, all of Biomet's existing wholly-owned domestic subsidiaries that guarantee Biomet's obligations under its senior secured credit facilities (the "Guarantors") and Wells Fargo Bank, National Association, as trustee (the "Senior Subordinated Notes Indenture"). The Senior Subordinated Notes Indenture provides that the Senior Subordinated Notes are the general unsecured senior subordinated obligations of Biomet, and such obligations are subordinated in right of payment to the prior payment in cash in full of all existing and future senior indebtedness of Biomet. In addition, the Senior Subordinated Notes are unconditionally guaranteed by each of the Guarantors on a general unsecured senior subordinated basis, and each such guarantee is subordinated in right of payment to all existing and future senior indebtedness of such Guarantor. Biomet used or will use, as applicable, the net proceeds from the sale of the Senior Subordinated Notes, together with the proceeds of the concurrent offering of Additional Senior Notes (as defined below), cash on hand and other sources, to purchase any and all of its 10% Senior Notes due 2017 (the "Existing 10% Senior Notes") and up to \$800 million aggregate principal amount of its 1 $\frac{1}{8}$ % Senior Subordinated Notes due 2017 (the "Existing Senior Subordinated Notes") and, together with the Existing 10% Senior Notes, the "Existing Notes") in the Tender Offer (as defined below), including related fees and expenses, to redeem any Existing 10% Senior Notes not accepted for purchase in the Tender Offer and to redeem any Existing Senior Subordinated Notes not accepted for purchase in the Tender Offer.

Biomet will pay interest on the Senior Subordinated Notes at a rate of 6.500% per annum, semi-annually in arrears on April 1 and October 1, commencing on April 1, 2013.

Biomet may redeem some or all of the Senior Subordinated Notes at any time on or after October 1, 2015, at the redemption prices set forth in the Senior Subordinated Notes Indenture plus accrued and unpaid interest, if any, to the redemption date. Biomet may redeem the Senior Subordinated Notes prior to October 1, 2015 at a price equal to 100% of the principal amount of the Senior Subordinated Notes redeemed plus accrued and unpaid interest, if any, to the redemption date, plus a "make-whole" premium. In addition, Biomet may redeem up to 40% of the aggregate principal amount of the Senior Subordinated Notes using net proceeds from certain equity offerings completed prior to October 1, 2015 at a redemption price of 106.500% of the aggregate principal amount, plus accrued and unpaid interest, if any, to the redemption date, subject to compliance with certain conditions.

The Senior Subordinated Notes Indenture contains covenants that limit Biomet's and its restricted subsidiaries' ability to, among other things: (i) incur additional indebtedness or issue certain preferred stock; (ii) pay dividends and make other restricted payments; (iii) make certain investments; (iv) sell assets; (v) create liens; (vi) merge or sell all or substantially all of its assets; (vii) enter into transactions with affiliates; and (viii) designate subsidiaries as unrestricted subsidiaries. These covenants are subject to a number of important limitations and exceptions, including during any period of time for which the Senior Subordinated Notes have received investment grade ratings from certain specified rating agencies and no default has occurred and is continuing. The Senior Subordinated Notes Indenture also provides for events of default, which, if any of them occurs, may permit or, in certain circumstances, require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Senior Subordinated Notes to be due and payable immediately.

Senior Subordinated Notes Registration Rights Agreement

On October 2, 2012, Biomet and the Guarantors entered into a registration rights agreement for the Senior Subordinated Notes (the "Senior Subordinated Notes Registration Rights Agreement") with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Goldman, Sachs & Co., Barclays Capital Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC, Wells Fargo Securities, LLC, HSBC Securities (USA) Inc., ING Financial Markets LLC, Natixis Securities Americas LLC, RBC Capital Markets, LLC, SMBC Nikko Capital Markets Limited and UBS Securities LLC that provides holders of the Senior Subordinated Notes certain rights relating to registration of the Senior Subordinated Notes under the Securities Act of 1933, as amended (the "Securities Act").

Pursuant to the Senior Subordinated Notes Registration Rights Agreement, Biomet and the Guarantors will file an exchange offer registration statement with respect to a registered offer (the Senior Subordinated Notes Exchange Offer) to exchange the Senior Subordinated Notes for substantially identical notes (the Senior Subordinated Exchange Notes) and use commercially reasonable efforts to cause the exchange offer registration statement to become effective under the Securities Act. Upon the exchange offer registration statement being declared effective, Biomet and the Guarantors will use their commercially reasonable efforts to consummate the Senior Subordinated Notes Exchange Offer on or prior to the 360th day after the original issue date of the Senior Subordinated Notes, which was October 2, 2012. Under certain circumstances, in lieu of the Senior Subordinated Notes Exchange Offer, Biomet and the Guarantors have agreed to file a shelf registration statement covering resales of the Senior Subordinated Notes. If and for so long as (i) Biomet and the Guarantors have not exchanged the Senior Subordinated Exchange Notes for all Senior Subordinated Notes validly tendered in accordance with the terms of the Senior Subordinated Notes Exchange Offer or a shelf registration statement has not been declared effective on or prior to the 360th day after the original issue date of the Senior Subordinated Notes, which was August 8, 2012, or (ii) if applicable, a shelf registration statement has not been declared effective or such shelf registration statement ceases to be effective at any time during the required period (subject to certain exceptions) (each such event in clauses (i) and (ii), the Senior Subordinated Notes Registration Default), the annual interest rate borne by the Senior Subordinated Notes will be increased by 0.25% per annum during the 90-day period immediately following such Senior Subordinated Notes Registration Default and will increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.00% per annum.

First Supplemental Indenture to the Senior Notes Indenture and Additional 6.500% Senior Notes due 2020

On October 2, 2012, Biomet issued \$825 million aggregate principal amount of 6.500% Senior Notes due 2020 (the Additional Senior Notes), at an issue price of 105.000% plus accrued interest from August 8, 2012. The Additional Senior Notes are a follow-on issue to Biomet's \$1.0 billion aggregate principal amount of 6.500% Senior Notes due 2020 issued on August 8, 2012 (the Initial Senior Notes and, together with the Additional Senior Notes, the Senior Notes), and form a single class of debt securities with the Initial Senior Notes.

The Additional Senior Notes, which mature on August 1, 2020, were issued pursuant to an indenture, dated as of August 8, 2012 (the Original Indenture), among Biomet, Guarantors and Wells Fargo Bank, National Association, as trustee, as supplemented by the first supplemental indenture, dated as of October 2, 2012 (the First Supplemental Indenture and, together with the Original Indenture, the Senior Notes Indenture). The Senior Notes Indenture provides that the Additional Senior Notes are the general unsecured senior obligations of Biomet, and are unconditionally guaranteed by each of the Guarantors on a general unsecured senior basis. Biomet used or will use, as applicable, the net proceeds from the sale of the Additional Senior Notes, together with the proceeds of the offering of Senior Subordinated Notes, cash on hand and other sources, to purchase any and all of its Existing 10% Senior Notes and up to \$800 million aggregate principal amount of its Existing Senior Subordinated Notes in the Tender Offer, including related fees and expenses, to redeem any Existing 10% Senior Notes not accepted for purchase in the Tender Offer and to redeem any Existing Senior Subordinated Notes not accepted for purchase in the Tender Offer.

The Senior Notes Indenture provides that the Additional Senior Notes have terms identical to the Initial Senior Notes, other than the issue date and offering price, and will be fungible with, and vote together with the Initial Senior Notes as a single class immediately upon issuance. As of the date hereof, the aggregate principal amount of the outstanding Senior Notes under the Senior Notes Indenture is \$1.825 billion.

Biomet will pay interest on the Additional Senior Notes at a rate of 6.500% per annum, semi-annually in arrears on February 1 and August 1, commencing on February 1, 2013.

Biomet may redeem some or all of the Additional Senior Notes at any time on or after August 1, 2015, at the redemption prices set forth in the Senior Notes Indenture plus accrued and unpaid interest, if any, to the redemption date. Biomet may redeem the Additional Senior Notes prior to August 1, 2015 at a price equal to 100% of the principal amount of the Additional Senior Notes redeemed plus accrued and unpaid interest, if any, to the redemption date, plus a make-whole premium. In addition, Biomet may redeem up to 35% of the aggregate principal amount of the Additional Senior Notes using net proceeds from certain equity offerings completed prior to August 1, 2015 at a redemption price of 106.500% of the aggregate principal amount, plus accrued and unpaid interest, if any, to the redemption date, subject to compliance with certain conditions.

The Senior Notes Indenture contains covenants that limit Biomet's and its restricted subsidiaries' ability to, among other things: (i) incur additional indebtedness or issue certain preferred stock; (ii) pay dividends and make other restricted payments; (iii) make certain investments; (iv) sell assets; (v) create liens; (vi) merge or sell all or substantially all of its assets; (vii) enter into transactions with affiliates; and (viii) designate subsidiaries as unrestricted subsidiaries. These covenants are subject to a number of important limitations and exceptions, including during any period of time for which the Additional Senior Notes have received investment grade ratings from certain specified rating agencies and no default has occurred and is continuing. The Senior Notes Indenture also provides for events of default, which, if any of them occurs, may permit or, in certain circumstances, require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Additional Senior Notes to be due and payable immediately.

Additional Senior Notes Registration Rights Agreement

On October 2, 2012, Biomet and the Guarantors entered into a registration rights agreement for the Additional Senior Notes (the "Additional Senior Notes Registration Rights Agreement") with Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC, Wells Fargo Securities, LLC, HSBC Securities (USA) Inc., ING Financial Markets LLC, Natixis Securities Americas LLC, RBC Capital Markets, LLC, SMBC Nikko Capital Markets Limited and UBS Securities LLC that provides holders of the Additional Senior Notes certain rights relating to registration of the Additional Senior Notes under the Securities Act.

Pursuant to the Additional Senior Notes Registration Rights Agreement, Biomet and the Guarantors will file an exchange offer registration statement with respect to a registered offer (the "Additional Senior Notes Exchange Offer") to exchange the Additional Senior Notes for substantially identical notes (the "Additional Senior Exchange Notes") and use commercially reasonable efforts to cause the exchange offer registration statement to become effective under the Securities Act. Upon the exchange offer registration statement being declared effective, Biomet and the Guarantors will use their commercially reasonable efforts to consummate the Additional Senior Notes Exchange Offer on or prior to the 360th day after the original issue date of the Initial Senior Notes, which was August 8, 2012. Under certain circumstances, in lieu of the Additional Senior Notes Exchange Offer, Biomet and the Guarantors have agreed to file a shelf registration statement covering resales of the Additional Senior Notes. If and for so long as (i) Biomet and the Guarantors have not exchanged the Additional Senior Exchange Notes for all Additional Senior Notes validly tendered in accordance with the terms of the Additional Senior Notes Exchange Offer or a shelf registration statement has not been declared effective on or prior to the 360th day after the original issue date of the Initial Senior Notes, which was August 8, 2012, or (ii) if applicable, a shelf registration statement has not been declared effective or such shelf registration statement ceases to be effective at any time during the required period (subject to certain exceptions) (each such event in clauses (i) and (ii), the "Additional Senior Notes Registration Default"), the annual interest rate borne by the Additional Senior Notes will be increased by 0.25% per annum during the 90-day period immediately following such Additional Senior Notes Registration Default and will increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.00% per annum.

ARTICLE II

THE NOTES

SECTION 2.01. Form and Dating: Terms.

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be issued initially in minimum denominations of \$1,000 and any integral multiple of \$1,000.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the Schedule of Exchanges of Interests in the Global Note attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the Schedule of Exchanges of Interests in the Global Note attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the Schedule of Exchanges of Interests in the Global Note attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

Following (i) the termination of the applicable Restricted Period, (ii) receipt by the Issuer of any certificate or other evidence in a form reasonably acceptable to it as required pursuant to Rule 903(b)(3)(ii)(B) and (iii) the receipt by the Trustee of an Officer's Certificate from the Issuer, the Trustee shall remove the Regulation S Temporary Global Note Legend from the Regulation S Temporary Global Note, following which temporary beneficial interests in the Regulation S Temporary Global Note shall automatically become beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures.

The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.14 hereof. The Notes shall not be redeemable, other than as provided in Article III hereof.

Additional Notes ranking pari passu with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes; provided that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 hereof. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture and in connection with such issuance, the Trustee shall receive an Opinion of Counsel stating that such Additional Notes, when authenticated and delivered by the Trustee and issued by the Issuer, will constitute valid and legally binding obligations of the Issuer, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors rights and to general equity principles.

(e) Euroclear and Clearstream Applicable Procedures. The provisions of the Operating Procedures of the Euroclear System and Terms and Conditions Governing Use of Euroclear and the General Terms and Conditions of Clearstream Banking and Customer Handbook of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Participants through Euroclear or Clearstream and this Indenture shall not govern such transfers.

SECTION 2.02. Execution and Authentication. At least one Officer of the Issuer shall execute the Notes on behalf of the Issuer by manual or facsimile signature.

If an Officer of the Issuer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuer's Order (an Authentication Order), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes or Exchange Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes or Exchange Notes issued or increased hereunder.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

SECTION 2.03. Registrar and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (Registrar) and (ii) an office or agency where Notes may be presented for payment (Paying Agent). The Registrar shall keep a register of the Notes (Note Register) and of their transfer and exchange. The registered Holder of a Note will be treated as the owner of the Note for all purposes. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term Registrar includes any co-registrar, and the term Paying Agent includes any additional paying agents. The Issuer initially appoints the Trustee as Paying Agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall, to the extent that it is capable, act as such. The Issuer or any of its domestic Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (DTC) to act as Depository with respect to the Global Notes representing the Notes.

The Issuer initially appoints the Trustee to act as the Registrar for the Notes.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary) shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Section 312(a) of the Trust Indenture Act. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders and the Issuer shall otherwise comply with Section 312(a) of the Trust Indenture Act.

SECTION 2.06. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to another nominee of the Depositary or to a successor thereto or a nominee of such successor thereto. A beneficial interest in a Global Note may not be exchanged for a Definitive Note of the same series unless (A) the Depositary (x) notifies the Issuer that it is unwilling or unable to continue as Depositary for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act, and, in either case, a successor Depositary is not appointed by the Issuer within 120 days, (B) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes (although Regulation S Temporary Global Notes at the Issuer's election pursuant to this clause may not be exchanged for Definitive Notes prior to (1) the expiration of the applicable Restricted Period and (2) the receipt by the Issuer of any certificate or other evidence in a form reasonably acceptable to it as required pursuant to Rule 903(b)(3)(ii)(B)) or (C) upon the request of a Holder if there shall have occurred and be continuing a Default or Event of Default with respect to the Notes. Upon the occurrence of any of the preceding events in clause (A), (B) or (C) above, Definitive Notes delivered in exchange for any Global Note of the same series or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary (in accordance with its customary procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note of the same series or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the preceding events in clause (A), (B) or (C) above and pursuant to Section 2.06(c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); provided, however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided that prior to the expiration of the applicable Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person other than pursuant to Rule 144A. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures

directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note of the same series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in subclause (1) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in a Regulation S Temporary Global Note prior to (A) the expiration of the applicable Restricted Period therefor and (B) the receipt by the Issuer of any certificate or other evidence in a form reasonably acceptable to it as required pursuant to Rule 903(b)(3)(ii)(B). Upon consummation of an Exchange Offer by the Issuer in accordance with Section 2.06(f) hereof, the requirements of this Section 2.06(b)(ii) shall be deemed to have been satisfied upon receipt by the Registrar of the instructions contained in the applicable Letter of Transmittal or in an Agent's Message delivered by the Holder of such beneficial interests in the Restricted Global Notes. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h) hereof.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) hereof and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; or

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(ii) hereof and:

(A) such exchange or transfer is effected pursuant to an Exchange Offer in accordance with the Registration Rights Agreement;

(B) such transfer is effected pursuant to a Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) such transfer is effected by a broker-dealer pursuant to an Exchange Offer Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar receives the following:

(1) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note of the same series, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note of the same series, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (B) or (D) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (D) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes.

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in clauses (A), (B) or (C) of Section 2.06(a) hereof and receipt by the Registrar of the following documentation:

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h) hereof, and the Issuer shall execute and the Trustee shall authenticate and mail to the Person designated in the instructions a Definitive Note in the applicable principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall mail such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.06(c)(i)(A) and (C) hereof, a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the applicable Restricted Period therefor and (B) the receipt by the Issuer of any certificate or other evidence in a form reasonably acceptable to it as required pursuant to Rule 903(b)(3)(ii)(B), except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only upon the occurrence of any of the events in clauses (A), (B) or (C) of Section 2.06(a) hereof and if:

(A) such exchange or transfer is effected pursuant to an Exchange Offer in accordance with the Registration Rights Agreement;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of this Section 2.06(d)(ii), the Trustee shall cancel the Restricted Definitive Note and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraph (ii)(B), (ii)(D) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e):

(i) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Exchange Offer. Upon the occurrence of an Exchange Offer in accordance with the Registration Rights Agreement, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate (i) one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of the beneficial interests in the Restricted Global Notes of the same series tendered for acceptance by Persons that certify in the applicable Letters of Transmittal or in an Agent's Message that (x) they are not broker-dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Issuer, and accepted for exchange in the applicable Exchange Offer and (ii) Unrestricted Definitive Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Notes of the same series tendered for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not broker-dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Issuer, and accepted for exchange in the applicable

Any Notes that remain outstanding after the consummation of the applicable Exchange Offer, and Exchange Notes issued in connection with such Exchange Offer, shall be treated as a single class of securities under this Indenture.

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(iii) The Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange a Note between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

(iv) Neither the Registrar nor the Issuer shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 4.02 hereof, the Issuer shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(viii) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02 hereof.

(ix) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(x) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

(xi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.07. Replacement Notes. If any mutilated Note is surrendered to the Trustee, the Registrar or the Issuer and the Trustee receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or a Guarantor or by any Affiliate of the Issuer or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer or a Guarantor or any Affiliate of the Issuer or a Guarantor.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of all surrendered Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of any such special record date. At least 15 days before any such special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuer in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

ARTICLE III

REDEMPTION

SECTION 3.01. Notices to Trustee. If the Issuer elects to redeem Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee, at least three Business Days before notice of redemption is required to be delivered to Holders pursuant to Section 3.03 hereof but not more than 60 days before the date of redemption (the Redemption Date), an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price and a form of redemption notice if the Trustee shall send such notice; provided that such Officer's Certificate may be withdrawn by the Issuer upon written notice to the Trustee prior to the date such notice of redemption is required to be delivered to Holders.

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed (a) if the Notes are listed on an exchange, in compliance with the requirements of such exchange or (b) on a pro rata basis to the extent practicable, or, if the pro rata basis is not practicable for any reason, by lot and in accordance with the procedures of DTC, Euroclear or Clearstream, as applicable. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$1,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. Subject to Section 3.09 hereof, the Issuer shall deliver electronically, mail or cause to be mailed by first-class mail notices of redemption at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI hereof. All redemptions or notices may, at the Issuer's option, be subject to one or more conditions precedent.

The notice shall identify the Notes to be redeemed and shall state:

- (a) the Redemption Date;
- (b) the redemption price;
- (c) if any Definitive Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes; and
- (i) any condition to such redemption.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; provided that the Issuer shall have delivered to the Trustee, at least three Business Days before notice of redemption is required to be delivered to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph and the form of notice to be sent; provided that such Officer's Certificate may be withdrawn by the Issuer upon written notice to the Trustee prior to the date such notice of redemption is required to be delivered to Holders.

If any Notes are listed on an exchange, and the rules of such exchange so require, the Issuer will notify the exchange of any such redemption and, if applicable, of the principal amount of any Notes outstanding following any partial redemption of Notes.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is delivered in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price (except if subject to one or more conditions precedent as provided for in Section 3.03). The notice, if delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05. Deposit of Redemption Price.

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuer complies with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Definitive Note that is redeemed in part, the Issuer shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; provided that each Note will be in a principal amount of \$1,000 and any integral multiple of \$1,000 in excess of \$1,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07. Optional Redemption.

(a) At any time prior to October 1, 2015, the Issuer may redeem all or a part of the Notes, upon notice in accordance with Section 3.03 hereof, at a redemption price equal to 100.0% of the principal amount of the Notes redeemed plus the Applicable Premium as of, plus accrued and unpaid interest, if any, to, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date.

(b) Until October 1, 2015, the Issuer may, at its option, redeem up to 40.0% of the aggregate principal amount of Notes issued under this Indenture at a redemption price equal to 106.500% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, the Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Issuer from one or more Equity Offerings; provided that (i) at least 50.0% of the sum

of the aggregate principal amount of the Notes issued under this Indenture remains outstanding immediately after the occurrence of each such redemption; and (ii) each such redemption occurs within 180 days of the date of closing of each such Equity Offering. Notice of any redemption upon any Equity Offering may be given prior to the redemption thereof. As set forth in Section 3.03, all redemptions or notices may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

(c) Except pursuant to clause (a) or (b) of this Section 3.07, the Notes will not be redeemable at the Issuer's option prior to October 1, 2015.

(d) On and after October 1, 2015, the Issuer may redeem the Notes, in whole or in part, upon notice in accordance with Section 3.03 hereof at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on October 1 of each of the years indicated below:

Year	Percentage
2015	103.250%
2016	101.625%
2017 and thereafter	100.000%

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

SECTION 3.08. Mandatory Redemption. The Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.10 hereof, the Issuer shall be required to commence an Asset Sale Offer, it shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the Offer Period). No later than five Business Days after the termination of the Offer Period (the Purchase Date), the Issuer shall apply all Excess Proceeds (the Offer Amount) to the purchase of Notes and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuer shall deliver electronically or send, by first-class mail, postage prepaid, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and holders of such Pari Passu Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;

(v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in an amount not less than \$1,000;

(vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled *Option of Holder to Elect Purchase* attached to the Note completed, or transfer by book-entry transfer, to the Issuer, the Depository, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least two Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by the holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and the Issuer shall select such Pari Passu Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness tendered (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in an amount not less than \$1,000 are purchased); and

(ix) that Holders whose certificated Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased.

(e) On or before the Purchase Date, the Issuer shall, to the extent lawful, (1) accept for payment, on a pro rata basis as described in clause (d)(viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee for cancellation the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuer, the Depository or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased. Any Note not so accepted shall be promptly delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to 11:00 a.m. (New York City time) on the purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

Other than as specifically provided in this Section 3.09 or Section 4.10 hereof, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 hereof, and references therein to redeem, redemption and similar words shall be deemed to refer to purchase, repurchase and similar words, as applicable.

ARTICLE IV

COVENANTS

SECTION 4.01. Payment of Notes. The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor, holds as of 11:00 a.m. (New York City time) on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay all applicable Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement and in Section 6.02 hereof.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. The Issuer shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) required under Section 2.03 hereof where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered, for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain such offices or agencies as required by Section 2.03 hereof for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03. Reports and Other Information.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC from and after the Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-Q by a non-accelerated filer) after the end of each of the first three fiscal quarters of each fiscal year, quarterly reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form;

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and

(4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

in each case, in a manner that complies in all material respects with the requirements specified in such form; provided that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to prospective purchasers of the Notes, in addition to providing such information to the Trustee and the Holders of the Notes, in each case within 15 days after the time the Issuer would be required to file such information with the SEC, if it were subject to Sections 13 or 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, for so long as any Notes are outstanding, the Issuer shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) of the Securities Act.

(b) In the event that any direct or indirect parent company of the Issuer becomes a guarantor of the Notes, the Issuer shall be permitted to satisfy its obligations under this Section 4.03 by furnishing reports of such parent; provided that the same is accompanied, to the extent material to investors in the Notes, by consolidating financial and other information that explains in reasonable detail the differences between the information in such reports relating to such parent, on the one hand, and the information relating to the Issuer and its consolidated Subsidiaries on a standalone basis, on the other hand.

(c) Notwithstanding the foregoing, the requirements of this Section 4.03 shall be deemed satisfied prior to the commencement of the Exchange Offer or the effectiveness of the Shelf Registration Statement by (1) the filing with the SEC of the Exchange Offer Registration Statement or Shelf Registration Statement (or any other similar registration statement), and any amendments thereto, with such financial information that satisfies Regulation S-X of the Securities Act, subject to exceptions consistent with the presentation of financial information in the Offering Circular, to the extent filed within the time specified above, or (2) posting on its website and providing to the Trustee within 15 days of the time periods after the Issuer would have been required to file annual and interim reports with the SEC, the financial information (including a Management's Discussion and Analysis of Financial Condition and Results of Operations section) that would be required to be included in such reports, subject to exceptions consistent with the presentation of financial information in the Offering Circular, to the extent filed within the times specified above.

(d) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations under this Section 4.03 for purposes of clause (3) of Section 6.01 hereof until 120 days after the date any report is due under this Section 4.03.

(e) The Issuer shall use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls to discuss operating results and related matters. The Issuer shall issue a press release which will provide the date and time of any such call and will direct Holders, prospective investors and securities analysts to contact the investor relations office of the Issuer to obtain access to the conference call.

SECTION 4.04. Compliance Certificate.

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Issuer and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer and

its Restricted Subsidiaries have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuer and its Restricted Subsidiaries have kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in Default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Issuer shall promptly (which shall be no more than five Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such event and what action the Issuer proposes to take with respect thereto.

SECTION 4.05. Taxes.

The Issuer shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate negotiations or proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

SECTION 4.06. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture and the Notes; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(I) declare or pay any dividend or make any payment or distribution on account of the Issuer's, or any of its Restricted Subsidiaries' Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation, other than:

(A) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or

(B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(IV) make any Restricted Investment

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a pro forma basis, the Issuer could incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof (the Fixed Charge Coverage Test); and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after September 25, 2007 (including Restricted Payments permitted by clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock pursuant to clause (b) thereof only), (6)(C), (9) and (14) of Section 4.07(b) hereof, but excluding all other Restricted Payments permitted by Section 4.07(b) hereof), is less than the sum of (without duplication):

(24) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition in a principal amount not to exceed \$100.0 million in the aggregate at any one time outstanding together with all other Indebtedness, Disqualified Stock and/or Preferred Stock issued under this clause (24) (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (24) shall cease to be deemed incurred or outstanding for purposes of this clause (24) but shall be deemed incurred for the purposes of Section 4.09(a) hereof from and after the first date on which such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock pursuant to Section 4.09(a) hereof without reliance on this clause (24)); and

(25) Indebtedness of the Issuer or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business.

(c) Restricted Subsidiaries of the Issuer that are not Guarantors may not incur Indebtedness or Disqualified Stock or Preferred Stock under Section 4.09(a) hereof or clause (12)(B), (14)(A) or (24) of Section 4.09(b) hereof if, after giving pro forma effect to such incurrence or issuance (including a pro forma application of the net proceeds therefrom), the aggregate amount of Indebtedness and Disqualified Stock and Preferred Stock of Restricted Subsidiaries that are not Guarantors incurred or issued pursuant to Section 4.09(a) hereof and clauses (12)(B), (14)(A) and (24) of Section 4.09(b) hereof, collectively, would exceed \$600.0 million.

(d) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (25) of Section 4.09(b) hereof or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion, will classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses or under Section 4.09(a) hereof; provided that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of Section 4.09(b) hereof; and

(2) at the time of incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) and Section 4.09(b) hereof.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

For purposes of determining compliance with any U.S. dollar-denominated or euro-denominated, as the case may be, restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent or euro-equivalent, as the case may be, principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in another currency, and such refinancing would cause the applicable U.S. dollar-denominated or euro-denominated, as the case may be, restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated or euro-denominated, as the case may be, restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 4.10. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, consummate directly or indirectly an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; provided that the amount of:

(A) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing;

(B) any securities, notes or other obligations or assets received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale; and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with

all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (x) \$300.0 million and (y) 3.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be Cash Equivalents for purposes of this provision and for no other purpose.

(b) Within 450 days after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(A) Obligations under Senior Indebtedness, and to correspondingly reduce commitments with respect thereto;

(B) Obligations under Senior Subordinated Indebtedness (and to correspondingly reduce commitments with respect thereto); provided that the Issuer shall equally and ratably reduce Obligations under the Notes by redeeming Notes as provided under Section 3.07 hereof or through open-market purchases (to the extent such purchases are at or above 100.0% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth in Section 3.09 and Section 4.10(d) hereof) to all Holders of Notes to purchase their Notes at 100.0% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Notes to be repurchased; or

(C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary;

(2) to make (a) an Investment in any one or more businesses, provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets, in each of (a), (b) and (c), used or useful in a Similar Business; or

(3) to make an Investment in (a) any one or more businesses, provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties or (c) acquisitions of other assets that, in each of (a), (b) and (c), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that, in the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an Acceptable Commitment) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a Second Commitment) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

(c) Any Net Proceeds from the Asset Sale that are not invested or applied as provided and within the time period set forth in Section 4.10(b) hereof will be deemed to constitute Excess Proceeds. When the aggregate amount of Excess Proceeds exceeds \$75.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any Indebtedness that is pari passu with the Notes (Pari Passu Indebtedness), to the holders of such Pari Passu Indebtedness (an Asset Sale Offer), to purchase the maximum aggregate principal amount

of the Notes and such Pari Passu Indebtedness that is in an amount equal to at least \$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100.0% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$75.0 million by delivering the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. The Issuer may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 450 days (or such longer period provided above) or with respect to Excess Proceeds of \$75.0 million or less.

To the extent that the aggregate amount of Notes and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of Notes or the Pari Passu Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes on a pro rata basis and the Issuer shall select such Pari Passu Indebtedness to be purchased on a pro rata basis (with adjustments as needed for selection of authorized minimum denominations) based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds that resulted in the Asset Sale Offer shall be reset to zero.

(d) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

SECTION 4.11. Transactions with Affiliates.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an Affiliate Transaction) involving aggregate payments or consideration in excess of \$25.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$50.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) The provisions of Section 4.11(a) hereof will not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by Section 4.07 hereof and the definition of Permitted Investments ;

- (3) the payment of management, consulting, monitoring, advisory and other fees and related expenses pursuant to the Management Fee Agreement (plus any unpaid management, consulting, monitoring, advisory and other fees and related expenses accrued in any prior year) and the termination fees pursuant to the Management Fee Agreement, or any amendment thereto so long as any such amendment is not disadvantageous in the good faith judgment of the board of directors of the Issuer to the Holders when taken as a whole, as compared to the Management Fee Agreement as in effect on the Issue Date;
- (4) the payment of reasonable and customary fees paid to, and indemnities provided for the benefit of, current or former employees, directors, officers, managers, distributors or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;
- (5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than with an unrelated Person on an arm's-length basis;
- (6) any agreement as in effect as of the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous in the good faith judgment of the board of directors of the Issuer to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);
- (7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; provided that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous in the good faith judgment of the board of directors of the Issuer to the Holders when taken as a whole;
- (8) the Transactions and the payment of all fees and expenses related to the Transactions, in each case as contemplated by the Offering Circular;
- (9) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services that are Affiliates, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;
- (10) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Permitted Holder or to any employee, director, officer, manager, distributor or consultant (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;
- (11) sales of accounts receivable, or participations therein, or Securitization Assets or related assets in connection with the ABL Facilities or any Qualified Securitization Facility;
- (12) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures which payments are approved by a majority of the board of directors of the Issuer in good faith;

(13) payments and Indebtedness and Disqualified Stock (and cancellation of any thereof) of the Issuer and its Restricted Subsidiaries and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, manager, distributor or consultant (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Issuer, any of its Subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement or any distributor equity plan or agreement; and any employment agreements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, officers, managers, distributors or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) that are, in each case, approved by the Issuer in good faith;

(14) investments by any of the Investors in securities of the Issuer or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Investors in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(15) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(16) payments by the Issuer (and any direct or indirect parent company thereof) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any such parent company) and its Subsidiaries; provided that in each case the amount of such payments in any fiscal year does not exceed the amount that the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amount received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity;

(17) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee, and any Affiliate of the Issuer, as lessor, which is approved by a majority of the disinterested members of the board of directors of the Issuer in good faith;

(18) intellectual property licenses in the ordinary course of business; and

(19) any transition services arrangements, supply arrangements and similar arrangements entered into in connection with or in contemplation of dispositions of assets or Equity Interests in any Restricted Subsidiary not otherwise prohibited by the terms of this Indenture that the Issuer determines in good faith are either fair to the Issuer or otherwise on customary terms for such type of arrangements in connection with similar transactions.

SECTION 4.12. Liens. The Issuer shall not, and shall not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures Obligations under any Indebtedness ranking pari passu with or subordinated to the Notes or any related Guarantee, on any asset or property of the Issuer or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured, except that the foregoing shall not apply to (A) Liens securing the Notes and the related Guarantees and (B) Liens securing Senior Indebtedness of the Issuer or any Guarantor.

SECTION 4.13. Company Existence. Subject to Article V hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its company existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational

documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Issuer and its Restricted Subsidiaries; provided that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of its Restricted Subsidiaries, if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under Section 3.07 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the Change of Control Offer) at a price in cash (the Change of Control Payment) equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer shall deliver notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the Note Register or otherwise in accordance with the Applicable Procedures with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is delivered (the Change of Control Payment Date);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes , with the form entitled Option of Holder to Elect Purchase on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes , provided that the paying agent receives, not later than the close of business on the expiration date of the Change of Control Offer, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$1,000 or any integral multiple of \$1,000 in excess of \$1,000;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law:

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(d) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to redeem, redemption and similar words shall be deemed to refer to purchase, repurchase and similar words, as applicable.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. The Issuer shall not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiaries guarantee other capital markets debt securities of the Issuer or any Guarantor), other than a Guarantor, a Foreign Subsidiary or a Securitization Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor:

(a) if the Notes or such Guarantor's Guarantee are subordinated in right of payment to such Indebtedness, the Guarantee under the supplemental indenture shall be subordinated to such Restricted Subsidiary's guarantee with respect to such Indebtedness substantially to the same extent as the Notes are subordinated to such Indebtedness; and

(b) if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(2) such Restricted Subsidiary waives and shall not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided that this covenant shall not be applicable to (i) any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary and (ii) guarantees of the ABL Facilities by the ABL Financing Entities or of any Qualified Securitization Facility by any Restricted Subsidiary.

SECTION 4.16. Limitation on Layering. The Issuer shall not, and shall not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinate in right of payment to any Senior Indebtedness of the Issuer or such other Guarantor, as the case may be, unless such Indebtedness is either:

- (a) equal in right of payment with the Notes or such Guarantor's Guarantee of the Notes, as the case may be; or
- (b) expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee of the Notes, as the case may be.

For the purposes of this Indenture, Indebtedness that is unsecured is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, and Senior Indebtedness is not deemed to be subordinated or junior to any other Senior Indebtedness merely because it has a priority with respect to the same collateral.

SECTION 4.17. Suspension of Covenants.

(a) During any period of time that (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a Covenant Suspension Event and the date thereof being referred to as the Suspension Date), then Section 4.07 hereof, Section 4.08 hereof, Section 4.09 hereof, Section 4.10 hereof, Section 4.11 hereof, Section 4.14 hereof, Section 4.15 hereof, Section 4.16 hereof and clause (4) of Section 5.01(a) hereof shall not be applicable to the Notes (collectively, the Suspended Covenants).

(b) During any period that the foregoing covenants have been suspended, the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the second sentence of the definition of Unrestricted Subsidiary.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the Reversion Date) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Section 4.17 as the Suspension Period. The Guarantees of the Guarantors will be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero.

(d) Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to the Notes; provided that (1) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 4.07 hereof had been in effect prior to, but not during, the Suspension Period; and (2) all Indebtedness incurred, or Disqualified Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (3) of Section 4.09(b) hereof.

(e) The Issuer shall deliver promptly to the Trustee an Officer's Certificates notifying it of any event set forth under this Section 4.17.

ARTICLE V

(a) The Issuer may not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made, is a Person organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the Successor Company); provided that in the case where the surviving Person is not a corporation, a co-obligor of the Notes is a corporation;

(2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under the Notes pursuant to supplemental indentures or other documents or instruments;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company or the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Test described in Section 4.09(a) hereof, or

(B) the Fixed Charge Coverage Ratio for the Issuer would be equal to or greater than the Fixed Charge Coverage Ratio for the Issuer immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (1)(B) of Section 5.01(c) hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture, the Notes and the Registration Rights Agreement; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture and an Opinion of Counsel that such supplemental indenture is the valid and binding obligation of the Issuer and the Guarantors and enforceable in accordance with its terms.

(b) The Successor Company will succeed to, and be substituted for the Issuer under this Indenture, the Guarantees and the Notes, as applicable. Notwithstanding clauses (3) and (4) of Section 5.01(a) hereof,

(1) any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer, and

(2) the Issuer may merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Issuer in the United States, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is, not increased thereby.

(c) Subject to Section 11.06 hereof, no Guarantor will, and the Issuer will not permit any such Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a Person organized or existing under the laws of the jurisdiction of organization of such Guarantor, as applicable, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person being herein called the Successor Person);

(B) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture and an Opinion of Counsel that such supplemental indentures are the valid and binding obligation of the Successor Person and enforceable in accordance with its terms; or

(2) the transaction is made in compliance with Section 4.10 hereof.

(d) Subject to Section 11.06 hereof, the Successor Person will succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (1) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (2) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (3) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor.

SECTION 5.02. Successor Person Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer or a Guarantor in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Issuer or such Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Issuer or such Guarantor, as applicable, shall refer instead to the Successor Person and not to the Issuer or such Guarantor, as applicable), and may exercise every right and power of the Issuer or such Guarantor, as applicable, under this Indenture with the same effect as if such successor Person had been named as the Issuer or a Guarantor, as applicable, herein; provided that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Issuer's assets that meets the requirements of Section 5.01 hereof.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default.

An Event of Default, wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes (whether or not prohibited by the subordination provisions of this Indenture);

(2) default for 30 days or more in the payment when due of interest or Additional Interest on or with respect to the Notes (whether or not prohibited by the subordination provisions of this Indenture);

(3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30.0% in principal amount of the then outstanding Notes to comply with any of its obligations, covenants or agreements (other than a default referred to in clause (1) or (2) above) contained in this Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed, by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$75.0 million or more at any one time outstanding;

(5) failure by the Issuer or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$75.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) the Issuer or any of its Subsidiaries that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Issuer or any of its Subsidiaries that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary), in a proceeding in which the Issuer or any such Subsidiary, that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary), is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any of its Subsidiaries that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary), or for all or substantially all of the property of the Issuer or any of its Subsidiaries that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary); or

(iii) orders the liquidation of the Issuer or any of its Subsidiaries that is a Significant Subsidiary (or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(8) the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary), as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

SECTION 6.02. Acceleration. If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 30.0% in principal amount of the then total outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately; provided that so long as any Indebtedness permitted to be incurred under this Indenture as part of the Senior Credit Facilities or Senior Notes shall be outstanding, no such acceleration shall be effective until the earlier of:

(1) acceleration of any such Indebtedness under the Senior Credit Facilities or Senior Notes, as the case may be; or

(2) five Business Days after the giving of written notice of such acceleration to the Issuer and the Representative with respect to the Senior Credit Facilities or Senior Notes, as the case may be.

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest shall be due and payable immediately. The Trustee shall have no obligation to accelerate the Notes if the Trustee in good faith determines that acceleration is not in the best interests of the Holders.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof, all outstanding Notes shall be due and payable immediately without further action or notice.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment of a court of competent jurisdiction and if all existing Events of Default (except nonpayment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder that has become due solely because of the acceleration) have been cured or waived.

In the event of any Event of Default specified in clause (4) of Section 6.01 hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or
- (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

Notwithstanding anything to the contrary in this Article VI, the sole remedy for any breach of the Issuer's obligation under Section 4.03 hereof (including pursuant to Trust Indenture Act Section 314(a)(1)) shall be the payment of liquidated damages, and the Holders will not have any right under this Article VI to accelerate the maturity of the Notes as a result of any such breach. If a breach of our obligation under Section 4.03 hereof (including pursuant to Trust Indenture Act Section 314(a)(1)) continues for 90 days after notice thereof is given in accordance with this Indenture, we will pay liquidated damages to all the Holders at a rate per annum equal to (i) 0.25% per annum of the principal amount of the Notes from the 90th day following such notice to but not including the 180th day following such notice (or such earlier date on which the Event of Default relating to the reporting obligations referred to in this paragraph shall have been cured or waived) and (ii) 0.50% per annum of the principal amount of the Notes from the 180th day following such notice to but not including the 365th day following such notice (or such earlier date on which the Event of Default relating to the reporting obligations referred to in this paragraph shall have been cured or waived). On such 365th day (or earlier, if the Event of Default relating to the reporting obligations referred to in this paragraph shall have been cured or waived prior to such 365th day), such Additional Interest will cease to accrue, and the Notes will be subject to acceleration as provided above if the Event of Default is continuing. The provisions of the Indenture described in this paragraph will not affect the rights of the Holders in the event of the occurrence of any other Event of Default.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder) (including in connection with an Asset Sale Offer or a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.06. Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 30.0% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;
- (3) Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any, determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former-positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall pay out the money in the following order:

(i) to the Trustee (including in its capacity as Paying Agent and Registrar), its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

(ii) to holders of Senior Indebtedness of the Issuer, and if such money or property has been collected from a Guarantor, to holders of Senior Indebtedness of such Guarantor, in each case to the extent required by Article X or Article XII hereof, as applicable;

(iii) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(iv) to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the willful misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) In the event the Issuer is required to pay Additional Interest, the Issuer will provide written notice to the Trustee of the Issuer's obligation to pay Additional Interest no later than 15 days prior to the next Interest Payment Date, which notice shall set forth the amount of the Additional Interest to be paid by the Issuer. The Trustee shall not at any time be under any duty or responsibility to any Holders to determine whether the Additional Interest is payable and the amount thereof.

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes, or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as the Trustee in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Reports by Trustee to Holders. Within 60 days after each May 15, beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

A copy of each report at the time of its mailing to the Holders shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Issuer shall promptly notify the Trustee when the Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity; failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of Trust Indenture Act Section 313(b)(2) to the extent applicable.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (A) the Trustee fails to comply with Section 7.10 hereof or Trust Indenture Act Section 310;
- (B) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (C) a custodian or public officer takes charge of the Trustee or its property; or
- (D) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Issuer. The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied (Legal Defeasance). For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be outstanding only for the purposes of Section 8.05 hereof, and to have satisfied all its other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (A) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (B) the Issuer's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (C) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and
- (D) this Section 8.02.

Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15 and 4.16 hereof and clauses (4) and (5) of Section 5.01(a), Sections 5.01(c) and 5.01(d) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (Covenant Defeasance), and the Notes shall thereafter be

deemed not outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to the Issuer and its Restricted Subsidiaries), 6.01(7) (solely with respect to the Issuer and its Restricted Subsidiaries) and 6.01(8) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purpose of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as the date of redemption (any such amount, the Applicable Premium Deficit) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(A) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(B) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would-have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit and such deposit is not prohibited by Article X or XII hereof;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Senior Notes, the Existing Subordinated Notes, the indentures pursuant to which the Senior Notes or the Existing Subordinated Notes, as the case may be, were issued or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.05. Deposited Money and Governmental Securities to Be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the Trustee) pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law. Money and Government Securities so held in trust are not subject to Article X or XII hereof.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04 hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium,

if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders. Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture and any Guarantee or Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes of such series in addition to or in place of certificated Notes;
- (3) to comply with Section 5.01 hereof;
- (4) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;
- (7) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (8) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (9) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;
- (10) to add a guarantor under this Indenture;
- (11) to conform the text of this Indenture, Guarantees or the Notes to any provision of the Description of Notes section of the Offering Circular to the extent that such provision in such Description of Notes section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee or Notes;

(12) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes; or

(13) to provide for the issuance of Additional Notes in accordance with this Indenture.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, neither an Opinion of Counsel nor an Officer's Certificate shall be required in connection with the addition of a guarantor under this Indenture (other than as required by Section 4.15 hereof) upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto.

SECTION 9.02. With Consent of Holders. Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof and Section 2.09 hereof shall determine which Notes are considered to be outstanding for the purposes of this Section 9.02.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Note (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof) to the extent that any such amendment or waiver does not have the effect of reducing the principal of or changing the fixed final maturity of any such Note or altering or waiving the provisions with respect to the redemption of such Notes ;

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all Holders;

(5) make any Note payable in money other than that stated therein;

(6) make any change to the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(7) make any change in these amendment and waiver provisions;

(8) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(9) make any change in the subordination provisions hereof that would adversely affect the Holders; or

(10) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Subsidiary in any manner adverse to the Holders of the Notes.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies in all material respects with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amendment, supplement or waiver until the board of directors of the Issuer approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive, upon request, and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 14.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03 hereof). Notwithstanding the foregoing, except as required by Section 4.15 hereof, neither an Opinion of Counsel nor an Officer's Certificate will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

SECTION 9.07. Payment for Consent. Neither the Issuer nor any of its Affiliates shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

ARTICLE X

SUBORDINATION OF NOTES

SECTION 10.01. Agreement To Subordinate. The Issuer agrees, and each Holder by accepting a Note agrees, that the payment of all Obligations owing in respect of the Notes is subordinated in right of payment, to the extent and in the manner provided in this Article X, to the prior payment in cash in full of all existing and future Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Notes shall in all respects rank pari passu in right of payment with all existing and future Senior Subordinated Indebtedness of the Issuer, and will be senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness shall rank senior to the Notes in accordance with the provisions set forth herein. All provisions of this Article X shall be subject to Section 10.12.

SECTION 10.02. Liquidation, Dissolution, Bankruptcy. Upon any payment or distribution of the assets of the Issuer to creditors upon a total or partial liquidation or dissolution of the Issuer or in a reorganization of, or similar proceeding relating to, the Issuer or its property:

- (1) the holders of Senior Indebtedness of the Issuer shall be entitled to receive payment in full in cash of such Senior Indebtedness before Holders shall be entitled to receive any payment;
- (2) until the Senior Indebtedness of the Issuer is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of this Indenture shall be made to holders of such Senior Indebtedness as their interests may appear, except that Holders may receive Permitted Junior Securities; and
- (3) if a distribution is made to Holders that, due to the subordination provisions of this Indenture, should not have been made to them, such Holders will be required to hold it in trust for the holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 10.03. Default on Senior Indebtedness of the Company or the Co-Issuer. The Issuer shall not pay principal of, premium, if any, or interest on the Notes (or pay any other Obligations relating to the Notes, including fees, costs, expenses, indemnities and rescission or damage claims) or make any deposit pursuant to Article VIII or Article XIII hereof and may not purchase, redeem or otherwise retire any Notes (collectively, pay the Notes) (except in the form of Permitted Junior Securities) if either of the following occurs (a Payment Default):

(1) any Obligation on any Designated Senior Indebtedness of the Issuer is not paid in full in cash when due (after giving effect to any applicable grace period); or

(2) any other default on Designated Senior Indebtedness of the Issuer occurs and the maturity of such Designated Senior Indebtedness is accelerated in accordance with its terms;

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Indebtedness has been discharged or paid in full in cash; provided, however, that the Issuer shall be entitled to pay the Notes without regard to the foregoing if the Issuer and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Indebtedness with respect to which the Payment Default has occurred and is continuing.

During the continuance of any default (other than a Payment Default) (a Non-Payment Default) with respect to any Designated Senior Indebtedness of the Issuer pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, the Issuer shall not pay the Notes (except in the form of Permitted Junior Securities) for a period (a Payment Blockage Period) commencing upon the receipt by the Trustee (with a copy to the Issuer) of written notice (a Blockage Notice) of such Non-Payment Default from the Representative of such Designated Senior Indebtedness specifying an election to effect a Payment Blockage Period and ending 179 days thereafter. The Payment Blockage Period shall end earlier if such Payment Blockage Period is terminated (i) by written notice to the Trustee and the Issuer from the Person or Persons who gave such Blockage Notice; (ii) because the default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or (iii) because such Designated Senior Indebtedness has been discharged or repaid in full in cash.

Notwithstanding the provisions described in the immediately preceding paragraph (but subject to the provisions contained in the first paragraph of this Section 10.03 and Section 10.02 hereof), unless the holders of such Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness shall have accelerated the maturity of such Designated Senior Indebtedness, the Issuer shall be entitled to resume paying the Notes after the end of such Payment Blockage Period. The Notes shall not be subject to more than one Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Indebtedness of the Issuer during such period; provided that if any Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Indebtedness of the Issuer (other than the holders of Indebtedness under the Senior Credit Facilities), a Representative of holders of Indebtedness under the Senior Credit Facilities may give another Blockage Notice within such period. However, in no event shall the total number of days during which any Payment Blockage Period or Periods on the Notes is in effect exceed 179 days in the aggregate during any consecutive 360-day period, and there must be at least 181 days during any consecutive 360-day period during which no Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no default that existed or was continuing on the date of delivery of any Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Blockage Notice unless such default shall have been waived for a period of not less than 90 days (it being acknowledged that any subsequent action, or any breach of any financial covenants during the period after the date of delivery of a Blockage Notice, that, in either case, would give rise to a Non-Payment Default pursuant to any provisions under which a Non-Payment Default previously existed or was continuing shall constitute a new Non-Payment Default for this purpose).

SECTION 10.04. Acceleration of Payment of Notes. If payment of the Notes is accelerated because of an Event of Default, the Issuer shall promptly notify the holders of the Designated Senior Indebtedness of the Issuer or the Representative of such Designated Senior Indebtedness of the acceleration; provided that any failure to give such notice shall have no effect whatsoever on the provisions of this Article X; provided, further, that so long as there shall remain outstanding Senior Indebtedness under the Senior Credit Facilities, a Blockage Notice with respect to

the Senior Credit Facilities may only be given by the respective Representative thereunder unless otherwise agreed to in writing by the respective requisite lenders named therein. If any Designated Senior Indebtedness is outstanding, neither the Issuer nor any Guarantors may pay the Notes until five Business Days after the Representatives of all the issues of Designated Senior Indebtedness receive notice of such acceleration and, thereafter, may pay the Notes only if this Indenture otherwise permits payment at that time.

SECTION 10.05. When Distribution Must Be Paid Over. If a distribution is made to Holders that, due to the subordination provisions of this Article X, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 10.06. Subrogation. After all Senior Indebtedness of the Issuer is paid in full and until the Notes are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to such Senior Indebtedness. A distribution made under this Article X to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 10.07. Relative Rights. This Article X defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on the Notes in accordance with their terms;
- (2) prevent the Trustee or any Holder from exercising its available remedies upon a Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive payments or distributions otherwise payable to Holders and such other rights of such holders of Senior Indebtedness as set forth herein; or
- (3) affect the relative rights of Holders and creditors of the Issuer other than their rights in relation to holders of Senior Indebtedness.

SECTION 10.08. Subordination May Not Be Impaired by Issuer. No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Notes shall be impaired by any act or failure to act by the Issuer or by their failure to comply with this Indenture.

SECTION 10.09. Rights of Trustee and Paying Agent. Notwithstanding Section 10.03 hereof, the Trustee or any Paying Agent may continue to make payments on the Notes and shall not be charged with knowledge of the existence of facts that would prohibit the making of any payments unless, not less than five Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article X. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer shall be entitled to give the notice; provided, however, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative shall be entitled to give the notice.

The Trustee in its individual or any other capacity shall be entitled to hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent shall be entitled to do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article X with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article VII shall deprive the Trustee of any of its rights as such holder. Nothing in this Article X shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07 hereof or any other Section of this Indenture.

SECTION 10.10. Distribution or Notice to Representative. Whenever any Person is to make a distribution or give a notice to holders of Senior Indebtedness of the Issuer, such Person shall be entitled to make such distribution or give such notice to their Representative (if any). Any such Representative shall provide its contact information to the Trustee.

SECTION 10.11. Article X Not To Prevent Events of Default or Limit Right To Accelerate. The failure to make a payment pursuant to the Notes by reason of any provision in this Article X shall not be construed as preventing the occurrence of a Default. Nothing in this Article X shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Notes.

SECTION 10.12. Trust Moneys Not Subordinated. Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust by the Trustee for the payment of principal of and interest on the Notes pursuant to Article VIII or Article XIII hereof shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article X, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer, provided that the subordination provisions of this Article X or Article XII hereof were not violated at the time the applicable amounts were deposited in trust pursuant to Article VIII or Article XIII hereof, as the case may be.

SECTION 10.13. Trustee Entitled To Rely. Upon any payment or distribution pursuant to this Article X, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 10.02 hereof are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article X. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article X, the Trustee shall be entitled to request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article X, and, if such evidence is not furnished, the Trustee shall be entitled to defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 hereof shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article X.

SECTION 10.14. Trustee To Effectuate Subordination. Each Holder by its acceptance of a Note agrees to be bound by this Article X and authorizes the Trustee, on its behalf, to take such action as may be necessary or appropriate to effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article X and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 10.15. Trustee Not Fiduciary for Holders of Senior Indebtedness of the Issuer. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article X or otherwise.

SECTION 10.16. Reliance by Holders of Senior Indebtedness of the Issuer on Subordination Provisions. Each Holder by accepting a Note acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness of the Issuer may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Trustee or the Holders and without impairing or releasing the subordination provided in this Article X or the obligations hereunder of the Holders to the holders of the Senior Indebtedness of the Issuer, do any one or more of the following:

- (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness of the Issuer, or otherwise amend or supplement in any manner Senior Indebtedness of the Issuer, or any instrument evidencing the same or any agreement under which Senior Indebtedness of the Issuer is outstanding;
- (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness of the Issuer;
- (3) release any Person liable in any manner for the payment or collection of Senior Indebtedness of the Issuer; and
- (4) exercise or refrain from exercising any rights against the Issuer and any other Person.

ARTICLE XI

GUARANTEES

SECTION 11.01. Guarantee. Subject to this Article XI, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally, guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full, all in accordance with the terms hereof and thereof, and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 11.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a voidable preference, fraudulent transfer or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Pursuant to the provisions of Article XII hereof, the Guarantee issued by any Guarantor shall be a general unsecured senior subordinated obligation of such Guarantor and shall be subordinated in right of payment to all existing and future Senior Indebtedness of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 11.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article XI, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 11.03. Execution and Delivery. To evidence its Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by its President or Treasurer, one of its Vice Presidents or one of its Assistant Vice Presidents.

Each Guarantor hereby agrees that its Guarantee set forth in Section 11.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article XI, to the extent applicable.

SECTION 11.04. Subrogation. Each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 11.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 11.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 11.06. Release of Guarantees. Each Guarantee by a Guarantor will provide by its terms that it shall be automatically and unconditionally released and discharged upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Guarantor, in each case if such sale, exchange or transfer is made in compliance with the applicable provisions of this Indenture and the Guarantor is released from its guarantee, if any, of, and all pledges and security, if any, granted in connection with, the Senior Credit Facilities;

(B) the release or discharge of the guarantee by such Guarantor of Indebtedness under the Senior Credit Facilities, or the release or discharge of such other guarantee that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) upon the dissolution of such Guarantor; provided that no Default or Event of Default has occurred and is continuing;

(D) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture; or

(E) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuer's obligations under this Indenture in accordance with the terms of this Indenture; and

(2) such Guarantor delivering to the Trustee an Officer's Certificate of such Guarantor and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

ARTICLE XII

SUBORDINATION OF GUARANTEES

SECTION 12.01. Agreement To Subordinate. Each Guarantor agrees, and each Holder by accepting a Note agrees, that the obligations of such Guarantor under its Guarantee are subordinated in right of payment, to the extent and in the manner provided in this Article XII, to the prior payment in cash in full of all existing and future Senior Indebtedness of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. A Guarantor's obligations under its Guarantee shall in all respects rank pari passu in right of payment with all existing and future Senior Subordinated Indebtedness of such Guarantor, and will be senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor; and only Indebtedness of such Guarantor that is Senior Indebtedness shall rank senior to the obligations of such Guarantor under its Guarantee in accordance with the provisions set forth herein. All provisions of this Article XII shall be subject to Section 12.12.

SECTION 12.02. Liquidation, Dissolution, Bankruptcy. Upon any payment or distribution of the assets of a Guarantor to creditors upon a total or partial liquidation or dissolution of such Guarantor or in a reorganization of, or similar proceeding relating to, such Guarantor or its property:

- (i) the holders of Senior Indebtedness of such Guarantor shall be entitled to receive payment in full in cash of such Senior Indebtedness before Holders shall be entitled to receive any payment;
- (ii) until the Senior Indebtedness of such Guarantor is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of this Indenture shall be made to holders of such Senior Indebtedness as their interests may appear, except that Holders may receive Permitted Junior Securities; and
- (iii) if a distribution is made to Holders that, due to the subordination provisions of this Indenture, should not have been made to them, such Holders will be required to hold it in trust for the holders of Senior Indebtedness of such Guarantor and pay it over to them as their interests may appear.

SECTION 12.03. Default on Senior Indebtedness of a Guarantor. A Guarantor shall not make any payment pursuant to its Guarantee (or pay any other Obligations relating to its Guarantee, including fees, costs, expenses, indemnities and rescission or damage claims) and may not purchase, redeem or otherwise retire any Notes (collectively, pay its Guarantee) (except in the form of Permitted Junior Securities) if either of the following occurs (a Guarantor Payment Default):

- (i) any Obligation on any Designated Senior Indebtedness of such Guarantor is not paid in full in cash when due (after giving effect to any applicable grace period); or
- (ii) any other default on Designated Senior Indebtedness of such Guarantor occurs and the maturity of such Designated Senior Indebtedness is accelerated in accordance with its terms;

unless, in either case, the Guarantor Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Indebtedness has been discharged or paid in full in cash; provided, however, that such Guarantor shall be entitled to pay its Guarantee without regard to the foregoing if such Guarantor and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Indebtedness with respect to which the Guarantor Payment Default has occurred and is continuing.

During the continuance of any default (other than a Guarantor Payment Default) (a Guarantor Non-Payment Default) with respect to any Designated Senior Indebtedness of a Guarantor pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, such Guarantor shall not pay its Guarantee (except in the form of Permitted Junior Securities) for a period (a Guarantee Payment Blockage Period) commencing upon the receipt by the Trustee (with a copy to such Guarantor and the Issuer) of written notice (a Guarantee Blockage Notice) of such Guarantor Non-Payment Default from the Representative of such Designated Senior Indebtedness specifying an election to effect a Guarantee Payment Blockage Period and ending 179 days thereafter. The Guarantee Payment Blockage Period shall end earlier if such Guarantee Payment Blockage Period is terminated (i) by written notice to the Trustee, the relevant Guarantor and the Issuer from the Person or Persons who gave such Guarantee Blockage Notice; (ii) because the default giving rise to such Guarantee Blockage Notice is cured, waived or otherwise no longer continuing; or (iii) because such Designated Senior Indebtedness has been discharged or repaid in full in cash.

Notwithstanding the provisions described in the immediately preceding paragraph (but subject to the provisions contained in the first sentence of this Section 12.03 and Section 12.02 hereof), unless the holders of such Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness shall have accelerated the maturity of such Designated Senior Indebtedness, the relevant Guarantor shall be entitled to resume paying its Guarantee after the end of such Guarantee Payment Blockage Period. Each Guarantee shall not be subject to more than one Guarantee Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Indebtedness of the relevant Guarantor during such period; provided that if any

Guarantee Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Indebtedness of such Guarantor (other than the holders of Indebtedness under the Senior Credit Facilities), a Representative of holders of Indebtedness under the Senior Credit Facilities may give another Guarantee Blockage Notice within such period. However, in no event shall the total number of days during which any Guarantee Payment Blockage Period or Periods on a Guarantee is in effect exceed 179 days in the aggregate during any consecutive 360-day period, and there must be at least 181 days during any consecutive 360-day period during which no Guarantee Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no default that existed or was continuing on the date of delivery of any Guarantee Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Guarantee Blockage Notice unless such default shall have been waived for a period of not less than 90 days (it being acknowledged that any subsequent action, or any breach of any financial covenants during the period after the date of delivery of a Guarantee Blockage Notice, that, in either case, would give rise to a Guarantor Non-Payment Default pursuant to any provisions under which a Guarantor Non-Payment Default previously existed or was continuing shall constitute a new Guarantor Non-Payment Default for this purpose).

SECTION 12.04. Acceleration of Payment of Notes. If payment of the Notes is accelerated because of an Event of Default, the Issuer or such Guarantor shall promptly notify the holders of the Designated Senior Indebtedness of such Guarantor or the Representative of such Designated Senior Indebtedness of the acceleration; provided that any failure to give such notice shall have no effect whatsoever on the provisions of this Article XII.

SECTION 12.05. When Distribution Must Be Paid Over. If a distribution is made to Holders that, due to the subordination provisions of this Article XII, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Indebtedness of the relevant Guarantor and pay it over to them as their interests may appear.

SECTION 12.06. Subrogation. After all Senior Indebtedness of a Guarantor is paid in full and until the Notes are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to such Senior Indebtedness. A distribution made under this Article XII to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the relevant Guarantor and Holders, a payment by such Guarantor on such Senior Indebtedness.

SECTION 12.07. Relative Rights. This Article XII defines the relative rights of Holders and holders of Senior Indebtedness of a Guarantor. Nothing in this Indenture shall:

- (i) impair, as between such Guarantor and Holders, the obligation of such Guarantor, which is absolute and unconditional, to make payments under its Guarantee in accordance with its terms;
- (ii) prevent the Trustee or any Holder from exercising its available remedies upon a default by such Guarantor under its obligations with respect to its Guarantee, subject to the rights of holders of Senior Indebtedness of such Guarantor to receive payments or distributions otherwise payable to Holders and such other rights of such holders of Senior Indebtedness as set forth herein; or
- (iii) affect the relative rights of Holders and creditors of such Guarantor other than their rights in relation to holders of Senior Indebtedness.

SECTION 12.08. Subordination May Not Be Impaired by a Guarantor. No right of any holder of Senior Indebtedness of a Guarantor to enforce the subordination of the obligations of such Guarantor under its Guarantee shall be impaired by any act or failure to act by such Guarantor or by its failure to comply with this Indenture.

SECTION 12.09. Rights of Trustee and Paying Agent. Notwithstanding Section 12.03 hereof, the Trustee or any Paying Agent may continue to make payments on the Notes and shall not be charged with knowledge of the existence of facts that would prohibit the making of any payments unless, not less than five Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article XII. Each Guarantor, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of such Guarantor shall be entitled to give the notice; provided, however, that, if an issue of Senior Indebtedness of such Guarantor has a Representative, only the Representative shall be entitled to give the notice.

The Trustee in its individual or any other capacity shall be entitled to hold Senior Indebtedness of any Guarantor with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent shall be entitled to do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article XII with respect to any Senior Indebtedness of any Guarantor which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article VII shall deprive the Trustee of any of its rights as such holder. Nothing in this Article XII shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07 hereof or any other Section of this Indenture.

SECTION 12.10. Distribution or Notice to Representative. Whenever any Person is to make a distribution or give a notice to holders of Senior Indebtedness of a Guarantor, such Person shall be entitled to make such distribution or give such notice given to their Representative (if any).

SECTION 12.11. Article XII Not To Prevent Events of Default or Limit Right To Demand Payment. The failure of a Guarantor to make a payment pursuant to its Guarantee by reason of any provision in this Article XII shall not be construed as preventing the occurrence of a default by such Guarantor under its Guarantee. Nothing in this Article XII shall have any effect on the right of the Holders or the Trustee to make a demand for payment on a Guarantor pursuant to Article XI hereof.

SECTION 12.12. Trust Moneys Not Subordinated. Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust by the Trustee for the payment of principal of and interest on the Notes pursuant to Article VIII or Article XIII hereof shall not be subordinated to the prior payment of any Senior Indebtedness of any Guarantor or subject to the restrictions set forth in this Article XII, and none of the Holders shall be obligated to pay over any such amount to such Guarantor or any holder of Senior Indebtedness of such Guarantor or any other creditor of such Guarantor; provided that the subordination provisions of Article X hereof or this Article XII were not violated at the time the applicable amounts were deposited in trust pursuant to Article VIII or Article XIII hereof, as the case may be.

SECTION 12.13. Trustee Entitled To Rely. Upon any payment or distribution pursuant to this Article XII, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 12.02 hereof are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives of Senior Indebtedness of a Guarantor for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Indebtedness and other Indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of a Guarantor to participate in any payment or distribution pursuant to this Article XII, the Trustee shall be entitled to request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article XII, and, if such evidence is not furnished, the Trustee shall be entitled to defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 hereof shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article XII.

SECTION 12.14. Trustee To Effectuate Subordination. Each Holder by its acceptance of a Note agrees to be bound by this Article XII and authorizes and expressly directs the Trustee, on its behalf, to take such action as may be necessary or appropriate to effectuate the subordination between the Holders and the holders of Senior Indebtedness of a Guarantor as provided in this Article XII and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 12.15. Trustee Not Fiduciary for Holders of Senior Indebtedness of Guarantors. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of any Guarantor and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or such Guarantor or any other Person, money or assets to which any holders of Senior Indebtedness of such Guarantor shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.16. Reliance by Holders of Senior Indebtedness of a Guarantor on Subordination Provisions. Each Holder by accepting a Note acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of a Guarantor, whether such Senior Indebtedness was created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness of any Guarantor may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Trustee or the Holders and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of the Holders to the holders of the Senior Indebtedness of such Guarantor, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness of such Guarantor, or otherwise amend or supplement in any manner Senior Indebtedness of such Guarantor, or any instrument evidencing the same or any agreement under which Senior Indebtedness of such Guarantor is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness of such Guarantor; (iii) release any Person liable in any manner for the payment or collection of Senior Indebtedness of such Guarantor; and (iv) exercise or refrain from exercising any rights against such Guarantor and any other Person.

ARTICLE XIII

SATISFACTION AND DISCHARGE

SECTION 13.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(B) no Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on

the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Senior Notes, Existing Subordinated Notes, the indentures pursuant to which the Senior Notes or Existing Subordinated Notes, as the case may be, were issued or any other material agreement or instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and the granting of Liens in connection therewith);

(C) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (2) of this Section 13.01, the provisions of Section 13.02 and Section 8.06 hereof shall survive.

SECTION 13.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 13.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as its own Paying Agent) as directed by the Issuer, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 13.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 13.01 hereof; provided that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

6.500% Senior Subordinated Notes due 2020

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. INTEREST. Biomet, Inc., an Indiana corporation (the Issuer), promises to pay interest on the principal amount of this Note at a rate per annum of 6.500% from October 2, 2012 until maturity and to pay the Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below or pursuant to Section 6.02 of the Indenture. The Issuer will pay interest on this Note semi-annually in arrears on April 1 and October 1 of each year or, if any such day is not a Business Day, on the next succeeding Business Day (each, an Interest Payment Date). The Issuer will make each interest payment to the Holder of record of this Note on the immediately preceding March 15 and September 15 (each, a Record Date). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including October 2, 2012; *provided* that the first Interest Payment Date shall be April 1, 2013. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuer will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Payment of interest may be made by check mailed to the Holders at their addresses set forth in the Note Register of Holders, provided that (a) all payments of principal, premium, if any, and interest on, Notes represented by Global Notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof and (b) all payments of principal, premium, if any, and interest with respect to certificated Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuer issued the Notes under a Senior Subordinated Notes Indenture, dated as of October 2, 2012 (the Indenture), among the Issuer, the Guarantors named therein and the Trustee. This Note is one of a duly authorized issue of notes of the Issuer designated as its 6.500% Senior Subordinated Notes due 2020. The Issuer shall be entitled to issue Additional Notes pursuant to Sections 2.01 and 4.09 of the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the Trust Indenture Act). The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) Except as described below under clauses 5(b), 5(c) and 5(d) hereof, the Notes will not be redeemable at the Issuer's option.

(b) At any time prior to October 1, 2015, the Issuer may redeem all or a part of the Notes at a redemption price equal to 100.0% of the principal amount of the Notes redeemed plus the Applicable Premium as of, plus accrued and unpaid interest, if any, to the date of redemption (the Redemption Date), subject to the rights of Holders of Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(c) Until October 1, 2015, the Issuer may, at its option, on one or more occasions redeem up to 40.0% of the aggregate principal amount of Notes at a redemption price equal to 106.500% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to the Redemption Date, subject to the right of Holders of Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, with the net cash proceeds received by the Issuer from one or more Equity Offerings; provided that at least 50.0% of the sum of the aggregate principal amount of the Notes issued under the Indenture remains outstanding immediately after the occurrence of each such redemption; provided, further, that each such redemption occurs within 180 days of the date of closing of each such Equity Offering. Notice of any redemption upon any Equity Offering may be given prior to the redemption thereof. All redemption or notices may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

(d) On and after October 1, 2015, the Issuer may redeem the Notes, in whole or in part at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date) if redeemed during the twelve-month period beginning on October 1 of each of the years indicated below:

Year	Percentage
2015	103.250%
2016	101.625%
2017 and thereafter	100.000%

(e) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

6. MANDATORY REDEMPTION. The Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. NOTICE OF REDEMPTION. Subject to Section 3.03 of the Indenture, notice of redemption will be delivered electronically or mailed by first-class mail at least 30 days but not more than 60 days before the redemption date (except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with Article VIII or Article XIII of the Indenture) to each Holder whose Notes are to be redeemed at its registered address. No Notes of less than \$1,000 can be redeemed in part, except that if all the Notes of a Holder are to be redeemed, the entire amount of Notes held by such Holder shall be redeemed. On and after the Redemption Date, interest ceases to accrue on this Note or portions thereof called for redemption.

8. OFFERS TO REPURCHASE. Upon the occurrence of a Change of Control, the Issuer shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture. In connection with certain Asset Sales, the Issuer shall make an Asset Sale Offer as and when provided in accordance with Sections 3.09 and 4.10 of the Indenture.

9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$1,000 and any integral multiple of \$1,000 in excess of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

10. SUBORDINATION. The Notes and the Guarantees are subordinated to Senior Indebtedness of the Issuer and the Guarantors on the terms and subject to the conditions set forth in the Indenture. To the extent provided in the Indenture, Senior Indebtedness must be paid before the Notes and Guarantees may be paid. The Issuer agrees, and each Holder by accepting a Note agrees, to the subordination provisions contained in the Indenture and authorizes the Trustee to give them effect and appoints the Trustee as attorney in fact for such purpose

11. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

12. AMENDMENT, SUPPLEMENT AND WAIVER. The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

13. DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 30.0% in principal amount of the then outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or and its consequences under the Indenture, except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within five Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuer proposes to take with respect thereto.

14. AUTHENTICATION. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

15. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement, including the right to receive Additional Interest (as defined in the Registration Rights Agreement or as set forth in Section 6.02 of the Indenture).

16. GOVERNING LAW. THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES.

17. CUSIP AND ISIN NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers, in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

[FORM OF SUPPLEMENTAL INDENTURE

TO BE DELIVERED BY SUBSEQUENT GUARANTORS]

Supplemental Indenture (this Supplemental Indenture), dated as of _____, among _____ (the Guaranteeing Subsidiary), a subsidiary of Biomet, Inc., an Indiana corporation (the Issuer), and Wells Fargo Bank, National Association, as trustee (the Trustee).

WITNESSETH

WHEREAS, each of the Issuer and the Guarantors (as defined in the Indenture referred to below) has heretofore executed and delivered to the Trustee a Senior Subordinated Notes Indenture (the Indenture), dated as of October 2, 2012, providing for the issuance of an unlimited aggregate principal amount of 6.500% Senior Subordinated Notes due 2020 (the Notes);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the Guarantee); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors named in the Indenture (including pursuant to any supplemental indentures), to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee thereunder shall be promptly paid in full, all in accordance with the terms thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer or any other Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The Guaranting Subsidiary hereby waives: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by full payment of the obligations contained in the Notes, the Indenture and this Supplemental Indenture. The Guaranting Subsidiary accepts all obligations applicable to a Guarantor under the Indenture, including Article XI and XII of the Indenture (which is deemed incorporated in this Supplemental Indenture and applicable to this Guarantee). The Guaranting Subsidiary acknowledges that by executing this Supplemental Indenture, it will become a Guarantor under the Indenture and subject to all the terms and conditions applicable to Guarantors contained therein.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranting Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranting Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranting Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranting Subsidiary for the purpose of this Guarantee.

(h) The Guaranting Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 11.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy Law or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article XI of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guarantor under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time

payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a voidable preference, fraudulent transfer or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) The obligations of the Guaranteeing Subsidiary under this Guarantee are subordinated in right of payment, to the extent and in the manner provided in Article XII of the Indenture to the prior payment in full of all existing and future Senior Indebtedness of the Guaranteeing Subsidiary.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not a Guaranteeing Subsidiary is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(B) the Successor Person, if other than such Guaranteeing Subsidiary, expressly assumes all the obligations of the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture, and an Opinion of Counsel that such supplemental indentures are the valid and binding obligation of the Successor Person and enforceable in accordance with its terms; or

(ii) the transaction is made in compliance with Section 4.10 of the Indenture;

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guaranting Subsidiary under the Indenture and the Guaranting Subsidiary's Guarantee. Notwithstanding the foregoing, such Guaranting Subsidiary may (1) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (2) merge with an Affiliate of the Issuer solely for the purpose of reincorporating such Guaranting Subsidiary in the United States, any state thereof, the District of Columbia or any territory thereof or (3) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guaranting Subsidiary.

Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. 2. Exchange Offer

(a) Unless the Exchange Offer would violate applicable law or any applicable interpretation of the staff of the SEC or would not be permitted by the staff of the SEC, the Issuer shall use its commercially reasonable efforts to cause to be filed with the SEC a Registration Statement (the Exchange Offer Registration Statement) on an appropriate registration form with respect to a registered offer (the Exchange Offer) to exchange any and all of the Registrable Securities for a like aggregate principal amount of debt securities of the Issuer (the Exchange Notes), guaranteed by the Guarantors, to the extent applicable, on an unsecured senior basis (such guarantees, the New Guarantees and, together with the Exchange Notes, the Exchange Securities), having terms substantially identical in all material respects to the Notes, except that (i) the Exchange Notes shall contain no restrictive legend thereon and (ii) interest thereon shall accrue (A) from the later of (x) the last date on which interest was paid on such Notes or (y) if the Notes are surrendered for Exchange Notes on a date in a period that includes the record date for an interest payment date for an interest payment to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment or (B) if no such interest has been paid, from the Issue Date, and which are entitled to the benefits of the Indenture or a trust indenture which is identical in all material respects to the Indenture (other than such changes to the Indenture or any such identical trust indenture as are necessary to comply with the TIA) and which, in either case, has been qualified under the TIA. The Exchange Offer shall comply with all applicable tender offer rules and regulations under the Exchange Act and other applicable laws. The Issuer shall use its commercially

reasonable efforts to (w) prepare and file with the SEC the Exchange Offer Registration Statement with respect to the Exchange Offer; (x) cause the Exchange Offer Registration Statement to be declared effective under the Securities Act; (y) keep the Exchange Offer open for at least 20 Business Days (or longer if required by applicable law) after the date that notice of the Exchange Offer is mailed to Holders; and (z) consummate the Exchange Offer on or prior to the 360th day following the Issue Date; provided, however, that if such day would otherwise fall on a day that is not a Business Day, then such Exchange Offer must be consummated not later than the next succeeding Business Day.

Each Holder (including, without limitation, each Participating Broker-Dealer) that participates in the Exchange Offer, as a condition to participation in the Exchange Offer, will be required to represent to the Issuer in writing (which may be contained in the applicable letter of transmittal) that: (i) any Exchange Securities acquired in exchange for Registrable Securities tendered are being acquired in the ordinary course of business of the Person receiving such Exchange Securities, whether or not such recipient is such Holder itself; (ii) at the time of the commencement or consummation of the Exchange Offer neither such Holder nor, to the knowledge of such Holder, any other Person receiving Exchange Securities from such Holder has an arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act; (iii) neither the Holder nor, to the knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is an affiliate (as defined in Rule 405) of the Issuer or, if it is an affiliate of the Issuer, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable and will provide information to be included in any Shelf Registration Statement in accordance with Section 6 hereof in order to have their Securities included in such Shelf Registration Statement and benefit from the provisions regarding Additional Interest in Section 5 hereof; (iv) if such Holder is not a Broker-Dealer, neither such Holder nor, to the knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is engaging in or intends to engage in a distribution of the Exchange Securities; and (v) if such Holder is a Participating Broker-Dealer, such Holder has acquired the Registrable Securities for its own account in exchange for Securities that were acquired as a result of market-making activities or other trading activities and that it will comply with the applicable provisions of the Securities Act (including, but not limited to, the prospectus delivery requirements thereunder).

Upon consummation of the Exchange Offer in accordance with this Section 2, the provisions of this Agreement shall continue to apply, mutatis mutandis, solely with respect to Registrable Securities that are Private Exchange Notes (and the related guarantees), Exchange Securities as to which Section 2(c)(v) is applicable and Exchange Securities held by the Participating Broker-Dealers, and the Issuer shall have no further obligation to register Registrable Securities (other than Private Exchange Notes (and the related guarantees) and Exchange Securities as to which clause 2(c)(v) hereof applies) pursuant to Section 3 hereof.

No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement.

(b) The Issuer shall include within the Prospectus contained in the Exchange Offer Registration Statement a section entitled Plan of Distribution, reasonably acceptable to the Initial Purchasers, which shall contain a summary statement of the positions taken or policies made by the staff of the SEC with respect to the potential underwriter status of any Broker-Dealer that is the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of Exchange Notes received by such Broker-Dealer in the Exchange Offer (a Participating Broker-Dealer), whether such positions or policies have been publicly disseminated by the staff of the SEC or such positions or policies represent the prevailing views of the staff of the SEC. Such Plan of Distribution section shall also expressly permit, to the extent permitted by applicable policies and regulations of the SEC, the use of the Prospectus by all Persons

subject to the prospectus delivery requirements of the Securities Act; including, to the extent permitted by applicable policies and regulations of the SEC, all Participating Broker-Dealers, and include a statement describing the means by which Participating Broker-Dealers may resell the Exchange Securities in compliance with the Securities Act.

The Issuer shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the Prospectus contained therein in order to permit such Prospectus to be lawfully delivered by all Persons subject to the prospectus delivery requirements of the Securities Act for such period of time as is necessary to comply with applicable law in connection with any resale of the Exchange Securities; provided, however, that such period shall not be required to exceed 90 days or such longer period, if extended pursuant to the last paragraph of Section 6 hereof (the Applicable Period).

If, prior to consummation of the Exchange Offer, the Initial Purchasers hold any Notes acquired by them that have the status of an unsold allotment in the initial distribution, the Issuer, upon the request of the Initial Purchasers, shall simultaneously with the delivery of the Exchange Notes issue and deliver to the Initial Purchasers, in exchange (the Private Exchange) for such Notes held by any such Holder, a like principal amount of notes (the Private Exchange Notes) of the Issuer, guaranteed by the Guarantors, to the extent applicable, on an unsecured senior basis, having terms substantially identical in all material respects to the Exchange Notes except for the placement of a restrictive legend on such Private Exchange Notes. The Private Exchange Notes shall be issued pursuant to the same indenture as the related Exchange Notes and bear the same CUSIP number as the Exchange Notes if permitted by the CUSIP Service Bureau.

In connection with the Exchange Offer, the Issuer shall:

- (1) mail, or cause to be mailed, to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (2) use its commercially reasonable efforts to keep the Exchange Offer open for not less than 20 Business Days after the date on which notice of the Exchange Offer is mailed to Holders (or longer if required by applicable law);
- (3) utilize the services of a depository for the Exchange Offer with an address in the Borough of Manhattan, The City of New York or in Wilmington, Delaware;
- (4) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer remains open; and
- (5) otherwise comply in all material respects with all laws, rules and regulations applicable to the Exchange Offer.

As soon as reasonably practicable after the close of the Exchange Offer and any Private Exchange, the Issuer shall:

- (1) accept for exchange all Registrable Securities validly tendered and not validly withdrawn pursuant to the Exchange Offer and any Private Exchange;
- (2) deliver to the Trustee for cancellation all Registrable Securities so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each Holder of Notes, Exchange Notes or Private Exchange Notes (and related guarantees), as the case may be, equal in principal amount to the Notes of such Holder so accepted for exchange; provided that, in the case of any Notes held in global form by a depository, authentication and delivery to such depository of one or more replacement Notes in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the SEC; (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuer to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuer; and (iii) all governmental approvals shall have been obtained, which approvals the Issuer deems necessary for the consummation of the Exchange Offer or Private Exchange. If the Issuer determines in its reasonable judgment that any of the foregoing conditions is not satisfied, the Issuer may (a) refuse to accept any Registrable Securities and return all tendered Registrable Securities to the tendering Holders, (b) extend the Exchange Offer and retain all Registrable Securities tendered before the expiration of the Exchange Offer, subject, however, to the rights of Holders to withdraw those Registrable Securities, or (c) waive the unsatisfied conditions with respect to the Exchange Offer and accept all properly tendered Registrable Securities that have not been withdrawn.

The Exchange Securities and the Private Exchange Notes (and related guarantees) shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture, with such changes as are necessary to comply with any requirements of the SEC to effect or maintain the qualification thereof under the TIA, and which, in either case, has been qualified under the TIA or is exempt from such qualification and shall provide that the Exchange Securities shall not be subject to the transfer restrictions set forth in the relevant Indenture. The Indenture or such identical indenture shall provide that the Notes and the related Exchange Notes and Private Exchange Notes issued in exchange therefor shall vote and consent together on all matters as one class and that none of the Notes or the related Exchange Notes and Private Exchange Notes will have the right to vote or consent as a separate class on any matter.

(c) If, (i) because of any change in law or in currently prevailing interpretations of the staff of the SEC, the Issuer is not permitted to effect the Exchange Offer, (ii) the Exchange Offer is not consummated within 360 days of the Issue Date; provided, however, that if such day would otherwise fall on a day that is not a Business Day, then such Exchange Offer must be consummated not later than the next succeeding Business Day, (iii) any Holder of Private Exchange Notes so reasonably requests in writing to the Issuer at any time after the consummation of the Exchange Offer, (iv) because of any change in law or in currently prevailing interpretation of the staff of the SEC, a Holder is not permitted to participate in the Exchange Offer, or (v) in the case of any Holder that participates in the Exchange Offer, such Holder does not receive Exchange Securities on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Issuer within the meaning of the Securities Act) and so notifies the Issuer within 30 days after such Holder first becomes aware of such restrictions, in the case of each of clauses (i) to and including (v) of this sentence, then the Issuer shall promptly deliver to the Trustee (for delivery to the Holders) written notice thereof (the Shelf Notice) and, in lieu of (or in the case of the preceding clauses (iii) and (v), in addition to) effecting registration of the Exchange Securities, shall file a Shelf Registration Statement pursuant to Section 3 hereof.

3. Shelf Registration

If at any time a Shelf Notice is delivered as contemplated by Section 2(c) hereof, then:

(a) Shelf Registration. The Issuer shall as reasonably promptly as practicable file with the SEC a Registration Statement covering all of the Registrable Securities for an offering to be made on a continuous basis pursuant to Rule 415 (the Shelf Registration and such Registration Statement, the Initial Shelf Registration Statement). The Initial Shelf Registration Statement shall be on Form S-3 or another appropriate form permitting registration of such Registrable Securities for resale by Holders in the manner or manners designated by them (including, without limitation, one or more underwritten offerings). The Issuer shall not permit any securities other than the Registrable Securities to be included in the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement (as defined below).

The Issuer shall use its commercially reasonable efforts to cause the Shelf Registration Statement to be declared effective under the Securities Act and to keep the Initial Shelf Registration Statement continuously effective under the Securities Act until the earliest of (i) the date that is two years from the Issue Date, or (ii) such shorter period ending when all Registrable Securities covered by the Initial Shelf Registration Statement have been sold in the manner set forth and as contemplated in the Initial Shelf Registration Statement or, if applicable, a Subsequent Shelf Registration Statement (the Effectiveness Period); provided, however, that the Effectiveness Period in respect of the Initial Shelf Registration Statement shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein. Notwithstanding anything to the contrary in this Agreement, at any time, the Issuer may delay the filing of any Initial Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of 45 consecutive days or more than three (3) times during any calendar year (each, a Shelf Suspension Period), if the Board of Directors of the Issuer determines reasonably and in good faith that the filing of any such Initial Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Board of Directors of the Issuer, would be detrimental to the Issuer if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law; provided, however, that the Effectiveness Period shall be extended for the number of days of any such Shelf Suspension Period exercised by the Issuer.

In the event that the Issuer is required to file an Initial Shelf Registration Statement solely as a result of the matters referred to in clause 2(c)(ii) hereof, but the Exchange Offer is subsequently completed prior to the sale of all Registrable Securities eligible to be sold under such Initial Shelf Registration Statement, upon consummation of the Exchange Offer the Issuer will no longer be required to file, have declared effective or continue the effectiveness of the Initial Shelf Registration Statement pursuant to such clause 2(c)(ii) (without prejudice to its obligations under clause 2(c)(i), (iii), (iv) or (v) hereof).

(b) Withdrawal of Stop Orders; Subsequent Shelf Registrations. If the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement ceases to be effective for any reason at any time during the Effectiveness Period (other than because of the sale of all of the Securities registered thereunder), the Issuer shall use its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall within 30 days of such cessation of effectiveness amend such Shelf Registration Statement in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional Shelf Registration Statement pursuant to Rule 415 covering all of the Registrable Securities covered by and not sold under the Initial Shelf Registration Statement (each, a Subsequent Shelf Registration Statement) or an earlier Subsequent Shelf Registration Statement. If a Subsequent Shelf Registration Statement is filed, the Issuer shall use its

commercially reasonable efforts to cause the Subsequent Shelf Registration Statement to be declared effective under the Securities Act as soon as reasonably practicable after such filing and to keep such Subsequent Shelf Registration Statement continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement was previously continuously effective. As used herein the term Shelf Registration Statement means the Initial Shelf Registration Statement and any Subsequent Shelf Registration Statement.

(c) Supplements and Amendments. The Issuer shall promptly supplement and amend the Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration, if required by the Securities Act, or if reasonably requested by the Holders of a majority in aggregate principal amount of the Registrable Securities (or their counsel) covered by the applicable Shelf Registration Statement with respect to the information included therein with respect to one or more of such Holders, or, if reasonably requested by any underwriter of such Registrable Securities, with respect to the information included therein with respect to such underwriter.

4. Market-Making

(a) For the sole benefit of Goldman, Sachs & Co. (in such capacity, the Market-Maker) or any of its affiliates (as defined in the rules and regulations of the SEC), so long as (x) any of the Registrable Securities are outstanding and (y) it would be necessary under applicable laws, rules and regulations, in the reasonable opinion of the Market-Maker, for the Market-Maker or any of its affiliates to deliver a prospectus in connection with market-making activities with respect to the Registrable Securities and the Market-Maker or such affiliate proposes to make a market in the Registrable Securities or Exchange Securities as part of its business in the ordinary course, the following provisions shall apply for the sole benefit of the Market-Maker:

(i) The Issuer shall file under the Securities Act one or more registration statements, in a form approved by the Market-Maker (each such filing, a Market-Making Registration, and each such registration statement, a Market-Making Registration Statement). The Issuer agrees to use its commercially reasonable efforts to cause a Market-Making Registration Statement with respect to the Exchange Securities (and, upon reasonable request by the Market-Maker, the Issuer will use commercially reasonable efforts to have such Market-Making Registration Statement also cover the Securities) to be declared effective on or prior to (i) the date the Exchange Offer is completed pursuant to Section 2(a) above or (ii) the date the Initial Shelf Registration Statement becomes or is declared effective pursuant to Section 3 above, and, in each case, to keep such Market-Making Registration Statement continuously effective for so long as the Market-Maker may be required to deliver a prospectus in connection with transactions in the Registrable Securities or the Exchange Securities, as the case may be. In the event that the Market-Maker holds Registrable Securities or Exchange Securities at the time the Exchange Offer is to be conducted under Section 2(a) above, the Issuer agrees that the applicable Market-Making Registration shall provide for the resale by the Market-Maker of such Registrable Securities or Exchange Securities, as the case may be, and shall use its commercially reasonable efforts to keep the Market-Making Registration Statement continuously effective for so long as the Market-Maker may be required to deliver a prospectus in connection with the sale of such Registrable Securities or Exchange Securities, as the case may be. The Issuer further agrees to supplement or make amendments to each Market-Making Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuer for the applicable Market-Making Registration Statement, and the Issuer agrees to furnish to the Market-Maker copies of any such supplement or amendment prior to its being used or promptly following its filing with the SEC.

(ii) Notwithstanding the foregoing, the Issuer may suspend the offering and sale under a Market-Making Registration Statement for a period or periods the Board of Directors of the Issuer reasonably determines to be advisable for valid business reasons, but in any event not in excess of 45 consecutive days or more than three (3) times during any calendar year during which such Market-Making Registration Statement is required to be effective and usable hereunder (measured from the time such Market-Making Registration Statement becomes effective to successive anniversaries thereof) if (A) (i) the Board of Directors of the Issuer determines in good faith that such action is in the best interests of the Issuer or (ii) such Market-Making Registration Statement, prospectus or amendment or supplement thereto contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and (B) the Issuer notifies the Market-Maker within five days before the effectiveness of such suspension.

(iii) The Issuer shall notify the Market-Maker (A) when any post-effective amendment to a Market-Making Registration Statement or any amendment or supplement to the related prospectus has been filed, and, with respect to any post-effective amendment, when the same has become effective; (B) of any request by the SEC for any post-effective amendment to a Market-Making Registration Statement, any supplement or amendment to the related prospectus or for additional information; (C) the issuance by the SEC of any stop order suspending the effectiveness of a Market-Making Registration Statement or the initiation of any proceedings for that purpose; (D) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Registrable Securities or Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceedings for such purpose; and (E) of the happening of any event that makes any statement made in a Market-Making Registration Statement, the related prospectus or any amendment or supplement thereto untrue or that requires the making of any changes in a Market-Making Registration Statement, such prospectus or any amendment or supplement thereto, in order to make the statements therein not misleading.

(iv) If any event contemplated by Section 4(a)(iii)(B), (D) and (E) occurs during the period for which the Issuer is required to maintain an effective Market-Making Registration Statement, the Issuer shall use its commercially reasonable efforts to promptly prepare and file with the SEC a post-effective amendment to the applicable Market-Making Registration Statement or an amendment or supplement to the related prospectus or file any other required document so that the prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(v) In the event of the issuance of any stop order suspending the effectiveness of a Market-Making Registration Statement or of any order suspending the qualification of the Registrable Securities or Exchange Securities for sale in any jurisdiction, the Issuer shall use its commercially reasonable efforts to obtain its withdrawal.

(vi) The Issuer shall furnish to the Market-Maker at least one conformed copy of each Market-Making Registration Statement and any post-effective amendment thereto and, if not available on EDGAR, electronic copies of the related prospectus and any amendment or supplement thereto.

(vii) The Issuer shall consent to the use of the prospectus contained in a Market-Making Registration Statement or any amendment or supplement thereto by the Market-Maker in connection with its market-making activities.

(viii) Notwithstanding the foregoing provisions of this Section 4, the Issuer may for valid business reasons, including without limitation, a potential acquisition, divestiture of assets or other material corporate transaction, issue a notice that a Market-Making Registration Statement is no longer effective or the prospectus included therein is no longer usable for offers and sales of Registrable Securities or Exchange Securities (or Securities, if applicable) and may issue any notice suspending use of such Market-Making Registration Statement required under applicable securities laws to be issued for so long as valid business reasons exist and the Issuer shall not be obligated to amend or supplement such Market-Making Registration Statement or the prospectus included therein until it reasonably deems appropriate. The Market-Maker agrees that upon receipt of any notice from the Issuer pursuant to this Section 4(a)(viii), it will discontinue use of each Market-Making Registration Statement until receipt of copies of the supplemented or amended prospectus relating thereto until advised in writing by the Issuer that the use of a Market-Making Registration Statement may be resumed.

(b) In connection with a Market-Making Registration Statement, the Issuer shall (i) make reasonably available for inspection by a representative of, and counsel acting for, the Market-Maker all relevant financial and other records, pertinent corporate documents and properties of the Issuer and its subsidiaries and (ii) use its reasonable best efforts to have its officers, directors, employees, accountants and counsel supply all relevant information reasonably requested by such representative or counsel or the Market-Maker.

(c) Prior to the effective date of a Market-Making Registration Statement, the Issuer will use its commercially reasonable efforts to register or qualify such Registrable Securities or Exchange Securities (or Securities, if applicable), as applicable, for offer and sale under the securities or blue sky laws of such jurisdictions as the Market-Maker reasonably requests in writing and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by such Market-Making Registration Statement; provided that neither the Issuer nor any Guarantor will be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or to taxation in any such jurisdiction where it is not then so subject.

(d) The Issuer represents that each Market-Making Registration Statement, any post-effective amendments thereto, any amendments or supplements to the related prospectus and any documents filed by them under the Exchange Act will, when they become effective or are filed with the SEC, as the case may be, conform in all respects to the requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC thereunder and will not, as of the effective date of such Market-Making Registration Statement or post-effective amendments and as of the filing date of amendments or supplements to such prospectus or filings under the Exchange Act, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under which they were made not misleading; provided that no representation or warranty is made as to information contained in or omitted from a Market-Making Registration Statement or the related prospectus in reliance upon and in conformity with written information furnished to the Issuer by the Market-Maker specifically for inclusion therein, which information the parties hereto agree will be limited to the statements concerning the market making activities of the Market-Maker to be set forth on the cover page and in the Plan of Distribution section of the prospectus.

(e) The Issuer and the Guarantors, on the one hand, and the Market-Maker, on the other hand, hereby agree to indemnify each other, and, if applicable, contribute to the other, in accordance with Section 8 of this Agreement.

(f) The Issuer will comply with the provisions of this Section 4 at its own expense.

(g) The agreements contained in this Section 4 and the representations, warranties and agreements contained in this Agreement shall survive all offers and sales of the Securities, Registrable Securities or Exchange Securities, as the case may be, and shall remain in full force and effect, regardless of any termination or cancellation of agreements outside this Section 4 of this Agreement or any investigation made by or on behalf of any indemnified party.

For purposes of this Section 4, any reference to the terms amend, amendment or supplement with respect to the applicable Market-Making Registration Statement or the prospectus contained therein shall be deemed to refer to and include the filing under the Exchange Act of any document deemed to be incorporated therein by reference.

5. Additional Interest

(a) The Issuer and the Initial Purchasers agree that the Holders will suffer damages if the Issuer fails to fulfill its obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Issuer agrees to pay, as liquidated damages, additional interest on the Notes (Additional Interest) if (A) the Issuer has not exchanged Exchange Notes for all Notes validly tendered in accordance with the terms of the Exchange Offer or a Shelf Registration Statement has not been declared effective on or prior to the 360th day after the Issue Date or (B) if applicable, a Shelf Registration Statement has been declared effective and such Shelf Registration ceases to be effective at any time during the Effectiveness Period (other than because of the sale of all of the Securities registered thereunder) (the events described in clauses (A) and (B) of this Section 5(a), Registration Defaults), then Additional Interest shall accrue on the principal amount of the Notes at a rate of 0.25% per annum (which rate will be increased by an additional 0.25% per annum for each subsequent 90-day period that such Additional Interest continues to accrue, provided that the rate at which such Additional Interest accrues may in no event exceed 1.00% per annum) (such Additional Interest to be calculated by the Issuer) commencing on (x) the 361st day after the Issue Date, in the case of clause (A) of this Section 5(a), or (y) the day such Shelf Registration Statement ceases to be effective, in the case of clause (B) of this Section 5(a); provided, however, that upon the exchange of the Exchange Notes for all Notes tendered (in the case of clause (A) of this Section 5(a)), or upon the effectiveness of the applicable Shelf Registration Statement which had ceased to remain effective (in the case of clause (B) of this Section 5(a)), Additional Interest on such Notes as a result of such clause (or the relevant sub-clause thereof), as the case may be, shall cease to accrue.

(b) The parties hereto agree that the liquidated damages provided for in Section 5(a) hereof constitute a reasonable estimate of the damages that will be suffered by the Holders by reason of the failure of the Issuer to comply with its obligations under Section 2 or Section 3 hereof.

(c) The Issuer shall notify the Trustee within one Business Day after each and every date on which a Registration Default occurs. Any amounts of Additional Interest due pursuant to Section 5(a) will be payable semiannually on each April 1 and October 1 to the holders of record on the March 15 and September 15 immediately preceding such dates (whether or not a Business Day), commencing with the first such date occurring after any such Additional Interest commences to accrue. The amount of Additional Interest will be determined by the Issuer by multiplying the applicable Additional Interest rate by the principal amount of the Registrable Securities, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360 day year comprised of twelve 30 day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

6. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuer shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Issuer hereunder the Issuer shall:

(a) Prepare and file with the SEC, a Registration Statement or Registration Statements as prescribed by Section 2 or 3 hereof, and use its commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period relating thereto from whom the Issuer has received prior written notice that it will be a Participating Broker-Dealer in the Exchange Offer, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Issuer shall furnish to and afford the Holders of the Registrable Securities covered by such Registration Statement (with respect to a Registration Statement filed pursuant to Section 3 hereof) or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed. The Issuer shall not file any Registration Statement or Prospectus or any amendments or supplements thereto if the Holders of a majority in aggregate principal amount of the Registrable Securities covered by such Registration Statement, their counsel, or the managing underwriters, if any, shall reasonably object on a timely basis.

(b) Prepare and file with the SEC such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period, the Applicable Period or until consummation of the Exchange Offer, as the case may be; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424; and comply with the provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so amended or supplemented and with respect to the subsequent resale of any securities being sold by any Participating Broker-Dealer covered by any such Prospectus. The Issuer shall be deemed not to have used its commercially reasonable efforts to keep a Registration Statement effective if it voluntarily takes any action that would result in selling Holders of the Registrable Securities covered thereby or Participating Broker-Dealers seeking to sell Exchange Securities not being able to sell such Registrable Securities or such Exchange Securities during that period unless such action is required by applicable law or permitted by this Agreement.

(c) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period relating thereto from whom the Issuer has received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, notify the selling Holders of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and the managing underwriters, if any,

as promptly as possible and, if requested by any such Person, confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Issuer, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if, at any time when a prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Securities or resales of Exchange Securities by Participating Broker-Dealers, the representations and warranties of the Issuer contained in any agreement (including any underwriting agreement) contemplated by Section 6(n) hereof cease to be true and correct in all material respects, (iv) of the receipt by the Issuer of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Securities or the Exchange Securities to be sold by any Participating Broker-Dealer for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Issuer's determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) Use its commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Securities or the Exchange Securities to be sold by any Participating Broker-Dealer, for sale in any jurisdiction, and, if any such order is issued, use its commercially reasonable efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If a Shelf Registration Statement is filed pursuant to Section 3 and if requested during the Effectiveness Period by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Securities being sold in connection with an underwritten offering or any Participating Broker-Dealer, (i) as promptly as practicable incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders, any Participating Broker-Dealer or counsel for any of them reasonably request to be included therein, (ii) make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Issuer has received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment, and (iii) supplement or make amendments to such Registration Statement.

(f) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, furnish to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof) and to each such Participating

Broker-Dealer who so requests (with respect to any such Registration Statement) and to their respective counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and each managing underwriter, if any, at the sole expense of the Issuer, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and all exhibits.

(g) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, deliver to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their respective counsel (in the case of counsel for the Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered), and the underwriters, if any, at the sole expense of the Issuer, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request; and, subject to the last paragraph of this Section 6, the Issuer hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers, if any, in connection with the offering and sale of the Registrable Securities covered by, or the sale by Participating Broker-Dealers of the Exchange Securities pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Securities or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, use its commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and their respective counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Securities held by Participating Broker-Dealers or Registrable Securities are offered other than through an underwritten offering, the Issuer agrees to cause its counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 6(h), keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of the Exchange Securities held by Participating Broker-Dealers or the Registrable Securities covered by the applicable Registration Statement; provided, however, that the Issuer shall not be required to (A) qualify generally to do business in any jurisdiction where it is not then so required to be qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject, (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject, or (D) make any change to its certificate of incorporation or by-laws.

(i) If a Shelf Registration Statement is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Securities and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The

Depository Trust Company; and enable such Registrable Securities to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or Holders may request in a reasonable period of time prior to sales of such Registrable Securities pursuant to such Shelf Registration Statement.

(j) Use its commercially reasonable efforts to cause the Registrable Securities covered by the Registration Statement to be registered with or approved by such other U.S. governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Securities, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Issuer will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, upon the occurrence of any event contemplated by paragraph 6(c)(v) or 6(c)(vi) hereof, as promptly as reasonably practicable prepare and (subject to Section 6(a) hereof) file with the SEC, at the sole expense of the Issuer, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder (with respect to a Registration Statement filed pursuant to Section 3 hereof) or to the purchasers of the Exchange Securities to whom such Prospectus will be delivered by a Participating Broker-Dealer (with respect to any such Registration Statement), any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(l) Use its commercially reasonable efforts to cause the Registrable Securities covered by a Registration Statement or the Exchange Securities, as the case may be, to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Registrable Securities covered by such Registration Statement or the Exchange Securities, as the case may be, or the managing underwriter or underwriters, if any.

(m) Prior to the effective date of the first Registration Statement relating to the Registrable Securities, (i) provide the Trustee with certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Registrable Securities.

(n) In connection with any underwritten offering of Registrable Securities pursuant to a Shelf Registration, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Securities, and take all such other actions as are reasonably requested by the managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Securities and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuer (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Securities, and confirm the same in writing if and when requested; (ii) obtain the written opinions of counsel to the Issuer, and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in

opinions reasonably requested in underwritten offerings; (iii) obtain cold comfort letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent registered public accountants of the Issuer (and, if necessary, any other independent registered public accountants of the Issuer, or of any business acquired by the Issuer, for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in cold comfort letters in connection with underwritten offerings of debt securities similar to the Registrable Securities; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures to be agreed to among the Issuer and the managing underwriter or underwriters. The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(o) If a Shelf Registration Statement is filed pursuant to Section 3 hereof, make reasonably available for inspection by any Initial Purchaser, any Holder of such Registrable Securities being sold (with respect to a Registration Statement filed pursuant to Section 3 hereof) and any underwriter, if any, participating in any such disposition of Registrable Securities (any such Initial Purchaser, Holder or underwriter, an Inspector and, collectively, the Inspectors), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Issuer and subsidiaries of the Issuer (collectively, the Records), as shall be reasonably necessary to enable an Inspector to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Issuer and any of its subsidiaries to supply all relevant information (Information) reasonably requested by any such Inspector in connection with such due diligence responsibilities; provided, however, that the foregoing inspection and information gathering shall be coordinated on behalf of the Initial Purchasers by you and, on behalf of the other parties, by one counsel designated by the Holders of a majority in aggregate principal amount of the Registrable Securities covered by such Registration Statement. Each Inspector shall agree in writing that it will keep the Records and Information confidential, to use the Information only for due diligence purposes, to abstain from using the Information as the basis for any market transactions in securities of the Issuer and that it will not disclose any of the Records or Information that the Issuer determines, in good faith, to be confidential and notifies such Inspector in writing are confidential unless (i) the disclosure of such Records or Information is necessary to avoid or correct a material misstatement or omission in such Registration Statement or Prospectus, (ii) the release of such Records or Information is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such Records or Information is necessary or advisable, in the opinion of counsel for any Inspector, in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement, the Indenture or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records or Information has been made generally available to the public other than by an Inspector or an affiliate (as defined in Rule 405) thereof; provided, however, that prior notice shall be provided as soon as practicable to the Issuer of the potential disclosure of any information by such Inspector pursuant to clauses (i) or (ii) of this sentence to permit the Issuer to obtain a protective order (or waive the provisions of this paragraph (o)) and that such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector.

(p) Provide an indenture trustee for the Registrable Securities or the Exchange Securities, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof, as the case may be, to be qualified under the TIA not later than the effective date of the first Registration Statement relating to the Registrable Securities; and in connection therewith, cooperate with the trustee under any such indenture and the Holders of the Registrable Securities, to effect such changes (if

any) to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use its commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable such indenture to be so qualified in a timely manner.

(q) Comply with all applicable rules and regulations of the SEC and make generally available to the Issuer's securityholders with regard to any applicable Registration Statement, a consolidated earnings statement satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Securities are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Issuer, after the effective date of a Registration Statement, which statements shall cover said 12-month periods; provided that this requirement shall be deemed satisfied by the Issuer complying with Section 4.03 of the Indenture.

(r) Upon consummation of the Exchange Offer or a Private Exchange, if requested by a Holder, obtain an opinion of counsel to the Issuer, in a form customary for underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Securities participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Securities or Private Exchange Notes (and the related guarantees), as the case may be, and the Indenture constitute legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, subject to customary exceptions and qualifications. If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Securities by Holders to the Issuer (or to such other Person as directed by the Issuer), in exchange for the Exchange Securities or the Private Exchange Notes (and the related guarantees), as the case may be, the Issuer shall mark, or cause to be marked, on such Registrable Securities that such Registrable Securities are being cancelled in exchange for the Exchange Securities or the Private Exchange Notes (and the related guarantees), as the case may be; in no event shall such Registrable Securities be marked as paid or otherwise satisfied.

(s) Use commercially reasonable efforts to cooperate with each seller of Registrable Securities covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc. (the FINRA).

(t) Use its commercially reasonable efforts to take all other steps reasonably necessary to effect the registration of the Exchange Securities and/or Registrable Securities covered by a Registration Statement contemplated hereby.

The Issuer may require each seller of Registrable Securities as to which any registration is being effected to furnish to the Issuer such information regarding such seller and the distribution of such Registrable Securities as the Issuer may, from time to time, reasonably request. The Issuer may exclude from such registration the Registrable Securities of any seller so long as such seller fails to furnish such information within a reasonable time after receiving such request and the failure to include any such seller shall not be deemed to be a default hereunder. Each seller as to which any Shelf Registration is being effected agrees to furnish promptly to the Issuer all information required to be disclosed in order to make the information previously furnished to the Issuer by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Issuer, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the

holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuer, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Securities and each Participating Broker-Dealer agrees by its acquisition of such Registrable Securities or Exchange Securities to be sold by such Participating Broker-Dealer, as the case may be, that, upon actual receipt of any notice from the Issuer of the happening of any event of the kind described in Section 6(c)(ii), 6(c)(iv), 6(c)(v), or 6(c)(vi) hereof, such Holder will forthwith discontinue disposition of such Registrable Securities covered by such Registration Statement or Prospectus or Exchange Securities to be sold by such Holder or Participating Broker-Dealer, as the case may be, until such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(k) hereof, or until it is advised in writing (the Advice) by the Issuer that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto. In the event that the Issuer shall give any such notice, each of the Applicable Period and the Effectiveness Period shall be extended by the number of days during such periods from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement or Exchange Securities to be sold by such Participating Broker-Dealer, as the case may be, shall have received (x) the copies of the supplemented or amended Prospectus contemplated by Section 6(k) hereof or (y) the Advice.

7. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuer shall be borne by the Issuer, whether or not the Exchange Offer Registration Statement or any Shelf Registration Statement is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with FINRA in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Securities or Exchange Securities and determination of the eligibility of the Registrable Securities or Exchange Securities for investment under the laws of such jurisdictions (x) where the Holders of Registrable Securities are located, in the case of the Exchange Securities, or (y) as provided in Section 6(h) hereof, in the case of Registrable Securities or Exchange Securities to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Securities or Exchange Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, by the Holders of a majority in aggregate principal amount of the Registrable Securities included in any Registration Statement or in respect of Registrable Securities or Exchange Securities to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuer and, in the case of a Shelf Registration, reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Securities (exclusive of any counsel retained pursuant to Section 8 hereof), (v) fees and disbursements of all independent registered public accountants referred to in Section 6(n)(iii) hereof (including, without limitation, the expenses of any cold comfort letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuer desires such insurance, (vii) fees and expenses of all other Persons retained by the Issuer, (viii) internal expenses of the Issuer (including, without limitation, all salaries and expenses of officers and employees of the Issuer performing legal or accounting duties), (ix) the expense of any annual audit, (x) any fees and expenses incurred in

connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable and (xi) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Notwithstanding the foregoing or anything to the contrary in this Agreement, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Securities sold by or on behalf of it.

8. Indemnification and Contribution

(a) The Issuer and the Guarantors jointly and severally agree, to indemnify and hold harmless each Holder of Registrable Securities, the Market-Maker and each Participating Broker-Dealer selling Exchange Securities during the Applicable Period, and each Person, if any, who controls such Person or its affiliates within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, a Participant) against any losses, claims, damages or liabilities to which any Participant may become subject under the Securities Act, the Exchange Act or otherwise, insofar as any such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon:

(i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or issuer free writing prospectus (as defined in Rule 405) (an Issuer FWP); or

(ii) the omission or alleged omission to state, in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any Issuer FWP or any other document or any amendment or supplement thereto, a material fact required to be stated therein or necessary to make the statements therein not misleading,

except, in each case, insofar as such losses, claims, damages or liabilities are arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented) in reliance upon and in conformity with any information relating to any Participant furnished to the Issuer by or on behalf of such Participant specifically for use therein;

and agree (subject to the limitations set forth in the proviso to this sentence) to reimburse, as incurred, the Participant for any reasonable legal or other expenses incurred by the Participant in connection with investigating, defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action. The indemnity provided for in this Section 8 will be in addition to any liability that the Issuer may otherwise have to any Participant. The Issuer and the Guarantors shall not be liable under this Section 8 to any Participant regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to in writing by the Issuer and the Guarantors, which consent shall not be unreasonably withheld.

(b) Each Participant, severally and not jointly, agrees to indemnify and hold harmless the Issuer, the Guarantors, their respective directors (or equivalent), their respective officers and each Person, if any, who controls the Issuer within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which the Issuer, the Guarantors or any such director, officer or controlling Person may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement or Market-Making Registration Statement, any amendment or supplement thereto, or the omission or the alleged omission to state therein a material fact necessary to make the statements contained therein not misleading, or (ii) any untrue statement or alleged untrue statement of any material fact contained in any Prospectus, any amendment or supplement thereto, or any preliminary prospectus or Issuer FWP, or the omission or the alleged omission to state therein a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning such Participant, furnished to the Issuer by or on behalf of such Participant, specifically for use therein; and subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any reasonable legal or other expenses incurred by the Issuer, the Guarantors or any such director, officer or controlling person in connection with investigating or defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action in respect thereof. The indemnity provided for in this Section 8 will be in addition to any liability that the Participants may otherwise have to the indemnified parties. The Participants shall not be liable under this Section 8 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to in writing by the Participants, which consent shall not be unreasonably withheld.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 8, such indemnified party will, if its claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party (i) will not relieve it from any liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 8 for any

legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) in any one action or separate but substantially similar actions in the same jurisdiction arising out of the same general allegations or circumstances, designated by Participants who sold a majority in interest of the Registrable Securities and Exchange Securities sold by all such Participants in the case of paragraph (a) of this Section 8 or the Issuer in the case of paragraph (b) of this Section 8, representing the indemnified parties under such paragraph (a) or paragraph (b), as the case may be, who are parties to such action or actions) or (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party. All fees and expenses reimbursed pursuant to this paragraph (c) shall be reimbursed as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnified party waived in writing its rights under this Section 8, in which case the indemnified party may effect such a settlement without such consent. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party, or indemnity could have been sought hereunder by any indemnified party, unless such settlement (A) includes an unconditional written release of the indemnified party, in form and substance reasonably satisfactory to the indemnified party, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In circumstances in which the indemnity agreement provided for in the preceding paragraphs of this Section 8 is unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) (other than by virtue of the failure of an indemnified party to notify the indemnifying party of its right to indemnification pursuant to paragraph (a) or paragraph (b) of this Section 8, where such failure materially prejudices the indemnifying party (through the forfeiture of substantial rights or defenses)), each indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Securities or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof). The relative benefits received by the Issuer on the one hand and such Participant on the other shall be deemed to be in the same proportion as the total proceeds from the offering (before deducting expenses) of the Securities received by the Issuer bear to the total net profit received by such Participant in connection with the sale of the Securities. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer on the one hand, or the Participants on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission, and any other equitable considerations appropriate in the circumstances. The parties agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this paragraph (d). Notwithstanding any other provision of this paragraph (d), no Participant shall be obligated to make

contributions hereunder that in the aggregate exceed the total net profit received by such Participant in connection with the sale of the Securities, less the aggregate amount of any damages that such Participant has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact, and no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls a Participant within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Participants, and each director of the Issuer and the Guarantors, each officer of the Issuer and the Guarantors and each Person, if any, who controls the Issuer and the Guarantors within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Issuer. Obligations of the Initial Purchasers hereunder are several and not joint.

9. Rule 144A

The Issuer covenants and agrees that it will use commercially reasonable efforts to file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Issuer is not required to file such reports, the Issuer will, upon the request of any Holder of Registrable Securities, make available such information necessary to permit sales pursuant to Rule 144A. The Issuer further covenants and agrees, for so long as any Registrable Securities remain outstanding that it will take such further action as any Holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144A, unless the Issuer is then subject to Section 13 or 15(d) of the Exchange Act and reports filed thereunder satisfy the information requirements of Rule 144A then in effect.

10. Underwritten Registrations

The Issuer shall not be required to assist in an underwritten offering unless requested by the Holders of a majority in aggregate principal amount of the Registrable Securities. If any of the Registrable Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Securities included in such offering and shall be reasonably acceptable to the Issuer.

No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

11. Miscellaneous

(a) No Inconsistent Agreements. The Issuer has not as of the date hereof, and the Issuer shall not, after the date of this Agreement, enter into any agreement with respect to any of its securities that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Issuer's other issued and outstanding securities under any such agreements.

(b) Adjustments Affecting Registrable Securities. The Issuer shall not, directly or indirectly, take any action with respect to the Registrable Securities as a class that would adversely affect the ability of the Holders of Registrable Securities to include such Registrable Securities in a registration undertaken pursuant to this Agreement.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, otherwise than with the prior written consent of (I) the Issuer, and (II) (A) the Holders of not less than a majority in aggregate principal amount of the then outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent and (B) in circumstances that would adversely affect the Participating Broker-Dealers, the Participating Broker-Dealers holding not less than a majority in aggregate principal amount of the Exchange Securities held by all Participating Broker-Dealers. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Securities whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect, impair, limit or compromise the rights of other Holders of Registrable Securities may be given by Holders of at least a majority in aggregate principal amount of the Registrable Securities being sold pursuant to such Registration Statement.

as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(j) Notes Held by the Issuer or Its Affiliates. Whenever the consent or approval of Holders of a specified percentage of principal amount of Registrable Securities is required hereunder, Registrable Securities held by the Issuer or its affiliates (as such term is defined in Rule 405) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(k) Third-Party Beneficiaries. Holders of Registrable Securities and Participating Broker-Dealers are intended third-party beneficiaries of this Agreement, and this Agreement may be enforced by such Persons.

(l) Entire Agreement. This Agreement, together with the Purchase Agreement and the Indenture, is intended by the parties as a final and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and therein and any and all prior oral or written agreements, representations, or warranties, contracts, understandings, correspondence, conversations and memoranda between the Holders on the one hand and the Issuer on the other, or between or among any agents, representatives, parents, subsidiaries, affiliates, predecessors in interest or successors in interest with respect to the subject matter hereof and thereof are merged herein and replaced hereby.

(ii) interest thereon shall accrue (A) from the later of (x) the last date on which interest was paid on such Notes or (y) if the Notes are surrendered for Exchange Notes on a date in a period that includes the record date for an interest payment date for an interest payment to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment or (B) if no such interest has been paid, from the Issue Date, and which are entitled to the benefits of the Indenture or a trust indenture which is identical in all material respects to the Indenture (other than such changes to the Indenture or any such identical trust indenture as are necessary to comply with the TIA) and which, in either case, has been qualified under the TIA. The Exchange Offer shall comply with all applicable tender offer rules and regulations under the Exchange Act and other applicable laws. The Issuer shall use its commercially reasonable efforts to (w) prepare and file with the SEC the Exchange Offer Registration Statement with respect to the Exchange Offer; (x) cause the Exchange Offer Registration Statement to be declared effective under the Securities Act; (y) keep the Exchange Offer open for at least 20 Business Days (or longer if required by applicable law) after the date that notice of the Exchange Offer is mailed to Holders; and (z) consummate the Exchange Offer on or prior to the 360th day following the Issue Date; provided, however, that if such day would otherwise fall on a day that is not a Business Day, then such Exchange Offer must be consummated not later than the next succeeding Business Day.

Upon consummation of the Exchange Offer in accordance with this Section 2, the provisions of this Agreement shall continue to apply, mutatis mutandis, solely with respect to Registrable Securities that are Private Exchange Notes (and the related guarantees), Exchange Securities as to which Section 2(c)(v) is applicable and Exchange Securities held by the Participating Broker-Dealers, and the Issuer shall have no further obligation to register Registrable Securities (other than Private Exchange Notes (and the related guarantees) and Exchange Securities as to which clause 2(c)(v) hereof applies) pursuant to Section 3 hereof.

No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement.

(b) The Issuer shall include within the Prospectus contained in the Exchange Offer Registration Statement a section entitled "Plan of Distribution," reasonably acceptable to the Initial Purchasers, which shall contain a summary statement of the positions taken or policies made by the staff of the SEC with respect to the potential "underwriter" status of any Broker-Dealer that is the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act) of Exchange Notes received by such Broker-Dealer in the Exchange Offer (a "Participating Broker-Dealer"), whether such positions or policies have been publicly disseminated by the staff of the SEC or such positions or policies represent the prevailing views of the staff of the SEC. Such "Plan of Distribution" section shall also expressly permit, to the extent permitted by applicable policies and regulations of the SEC, the use of the Prospectus by all Persons subject to the prospectus delivery requirements of the Securities Act; including, to the extent permitted by applicable policies and regulations of the SEC, all Participating Broker-Dealers, and include a statement describing the means by which Participating Broker-Dealers may resell the Exchange Securities in compliance with the Securities Act.

The Issuer shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the Prospectus contained therein in order to permit such Prospectus to be lawfully delivered by all Persons subject to the prospectus delivery requirements of the Securities Act for such period of time as is necessary to comply with applicable law in connection with any resale of the Exchange Securities; provided, however, that such period shall not be required to exceed 90 days or such longer period, if extended pursuant to the last paragraph of Section 6 hereof (the "Applicable Period").

If, prior to consummation of the Exchange Offer, the Initial Purchasers hold any Notes acquired by them that have the status of an unsold allotment in the initial distribution, the Issuer, upon the request of the Initial Purchasers, shall simultaneously with the delivery of the Exchange Notes issue and deliver to the Initial Purchasers, in exchange (the "Private Exchange") for such Notes held by any such Holder, a like principal amount of notes (the "Private Exchange Notes") of the Issuer, guaranteed by the Guarantors, to the extent applicable, on an unsecured senior basis, having terms substantially identical in all material respects to the Exchange Notes except for the placement of a restrictive legend on such Private Exchange Notes. The Private Exchange Notes shall be issued pursuant to the same indenture as the related Exchange Notes and bear the same CUSIP number as the Exchange Notes if permitted by the CUSIP Service Bureau.

In connection with the Exchange Offer, the Issuer shall:

- (1) mail, or cause to be mailed, to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (2) use its commercially reasonable efforts to keep the Exchange Offer open for not less than 20 Business Days after the date on which notice of the Exchange Offer is mailed to Holders (or longer if required by applicable law);
- (3) utilize the services of a depository for the Exchange Offer with an address in the Borough of Manhattan, The City of New York or in Wilmington, Delaware;
- (4) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer remains open; and
- (5) otherwise comply in all material respects with all laws, rules and regulations applicable to the Exchange Offer.

As soon as reasonably practicable after the close of the Exchange Offer and any Private Exchange, the Issuer shall:

- (1) accept for exchange all Registrable Securities validly tendered and not validly withdrawn pursuant to the Exchange Offer and any Private Exchange;
- (2) deliver to the Trustee for cancellation all Registrable Securities so accepted for exchange; and
- (3) cause the Trustee to authenticate and deliver promptly to each Holder of Notes, Exchange Notes or Private Exchange Notes (and related guarantees), as the case may be, equal in principal amount to the Notes of such Holder so accepted for exchange; provided that, in the case of any Notes held in global form by a depository, authentication and delivery to such depository of one or more replacement Notes in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the SEC; (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuer to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuer; and (iii) all governmental approvals shall have been obtained, which approvals the Issuer deems necessary for the consummation of the Exchange Offer or Private Exchange. If the Issuer determines in its reasonable judgment that any of the foregoing conditions is not satisfied, the Issuer may (a) refuse to accept any Registrable Securities and return all tendered Registrable Securities to the tendering Holders, (b) extend the Exchange Offer and retain all Registrable Securities tendered before the expiration of the Exchange Offer, subject, however, to the rights of Holders to withdraw those Registrable Securities, or (c) waive the unsatisfied conditions with respect to the Exchange Offer and accept all properly tendered Registrable Securities that have not been withdrawn.

The Exchange Securities and the Private Exchange Notes (and related guarantees) shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture, with such changes as are necessary to comply with any requirements of the SEC to effect or maintain the qualification thereof under the TIA, and which, in either case, has been qualified under the TIA or is exempt from such qualification and shall provide that the Exchange Securities shall not be subject to the transfer restrictions set forth in the relevant Indenture. The Indenture or such identical indenture shall provide that the Notes and the related Exchange Notes and Private Exchange Notes issued in exchange therefor shall vote and consent together on all matters as one class and that none of the Notes or the related Exchange Notes and Private Exchange Notes will have the right to vote or consent as a separate class on any matter.

(c) If, (i) because of any change in law or in currently prevailing interpretations of the staff of the SEC, the Issuer is not permitted to effect the Exchange Offer, (ii) the Exchange Offer is not consummated within 360 days of the Issue Date; provided, however, that if such day would otherwise fall on a day that is not a Business Day, then such Exchange Offer must be consummated not later than the next succeeding Business Day, (iii) any Holder of Private Exchange Notes so reasonably requests in writing to the Issuer at any time after the consummation of the Exchange Offer, (iv) because of any change in law or in currently prevailing interpretation of the staff of the SEC, a Holder is not permitted to participate in the Exchange Offer, or (v) in the case of any Holder that participates in the Exchange Offer,

such Holder does not receive Exchange Securities on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Issuer within the meaning of the Securities Act) and so notifies the Issuer within 30 days after such Holder first becomes aware of such restrictions, in the case of each of clauses (i) to and including (v) of this sentence, then the Issuer shall promptly deliver to the Trustee (for delivery to the Holders) written notice thereof (the Shelf Notice) and, in lieu of (or in the case of the preceding clauses (iii) and (v), in addition to) effecting registration of the Exchange Securities, shall file a Shelf Registration Statement pursuant to Section 3 hereof.

3. Shelf Registration

If at any time a Shelf Notice is delivered as contemplated by Section 2(c) hereof, then:

(a) Shelf Registration. The Issuer shall as reasonably promptly as practicable file with the SEC a Registration Statement covering all of the Registrable Securities for an offering to be made on a continuous basis pursuant to Rule 415 (the Shelf Registration and such Registration Statement, the Initial Shelf Registration Statement). The Initial Shelf Registration Statement shall be on Form S-3 or another appropriate form permitting registration of such Registrable Securities for resale by Holders in the manner or manners designated by them (including, without limitation, one or more underwritten offerings). The Issuer shall not permit any securities other than the Registrable Securities to be included in the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement (as defined below).

The Issuer shall use its commercially reasonable efforts to cause the Shelf Registration Statement to be declared effective under the Securities Act and to keep the Initial Shelf Registration Statement continuously effective under the Securities Act until the earliest of (i) the date that is two years from the Issue Date, or (ii) such shorter period ending when all Registrable Securities covered by the Initial Shelf Registration Statement have been sold in the manner set forth and as contemplated in the Initial Shelf Registration Statement or, if applicable, a Subsequent Shelf Registration Statement (the Effectiveness Period); provided, however, that the Effectiveness Period in respect of the Initial Shelf Registration Statement shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein. Notwithstanding anything to the contrary in this Agreement, at any time, the Issuer may delay the filing of any Initial Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of 45 consecutive days or more than three (3) times during any calendar year (each, a Shelf Suspension Period), if the Board of Directors of the Issuer determines reasonably and in good faith that the filing of any such Initial Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Board of Directors of the Issuer, would be detrimental to the Issuer if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law; provided, however, that the Effectiveness Period shall be extended for the number of days of any such Shelf Suspension Period exercised by the Issuer.

In the event that the Issuer is required to file an Initial Shelf Registration Statement solely as a result of the matters referred to in clause 2(c)(ii) hereof, but the Exchange Offer is subsequently completed prior to the sale of all Registrable Securities eligible to be sold under such Initial Shelf Registration Statement, upon consummation of the Exchange Offer the Issuer will no longer be required to file, have declared effective or continue the effectiveness of the Initial Shelf Registration Statement pursuant to such clause 2(c)(ii) (without prejudice to its obligations under clause 2(c)(i), (iii), (iv) or (v) hereof).

(b) Withdrawal of Stop Orders; Subsequent Shelf Registrations. If the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement ceases to be effective for any reason at any time during the Effectiveness Period (other than because of the sale of all of the Securities registered thereunder), the Issuer shall use its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall within 30 days of such cessation of effectiveness amend such Shelf Registration Statement in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional Shelf Registration Statement pursuant to Rule 415 covering all of the Registrable Securities covered by and not sold under the Initial Shelf Registration Statement (each, a Subsequent Shelf Registration Statement) or an earlier Subsequent Shelf Registration Statement. If a Subsequent Shelf Registration Statement is filed, the Issuer shall use its commercially reasonable efforts to cause the Subsequent Shelf Registration Statement to be declared effective under the Securities Act as soon as reasonably practicable after such filing and to keep such Subsequent Shelf Registration Statement continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement was previously continuously effective. As used herein the term Shelf Registration Statement means the Initial Shelf Registration Statement and any Subsequent Shelf Registration Statement.

(c) Supplements and Amendments. The Issuer shall promptly supplement and amend the Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration, if required by the Securities Act, or if reasonably requested by the Holders of a majority in aggregate principal amount of the Registrable Securities (or their counsel) covered by the applicable Shelf Registration Statement with respect to the information included therein with respect to one or more of such Holders, or, if reasonably requested by any underwriter of such Registrable Securities, with respect to the information included therein with respect to such underwriter.

4. Market-Making

(a) For the sole benefit of Goldman, Sachs & Co. (in such capacity, the Market-Maker) or any of its affiliates (as defined in the rules and regulations of the SEC), so long as (x) any of the Registrable Securities are outstanding and (y) it would be necessary under applicable laws, rules and regulations, in the reasonable opinion of the Market-Maker, for the Market-Maker or any of its affiliates to deliver a prospectus in connection with market-making activities with respect to the Registrable Securities and the Market-Maker or such affiliate proposes to make a market in the Registrable Securities or Exchange Securities as part of its business in the ordinary course, the following provisions shall apply for the sole benefit of the Market-Maker:

(i) The Issuer shall file under the Securities Act one or more registration statements, in a form approved by the Market-Maker (each such filing, a Market-Making Registration, and each such registration statement, a Market-Making Registration Statement). The Issuer agrees to use its commercially reasonable efforts to cause a Market-Making Registration Statement with respect to the Exchange Securities (and, upon reasonable request by the Market-Maker, the Issuer will use commercially reasonable efforts to have such Market-Making Registration Statement also cover the Securities) to be declared effective on or prior to (i) the date the Exchange Offer is completed pursuant to Section 2(a) above or (ii) the date the Initial Shelf Registration Statement becomes or is declared effective pursuant to Section 3 above, and, in each case, to keep such Market-Making Registration Statement continuously effective for so long as the Market-Maker may be required to deliver a prospectus in connection with transactions in the Registrable Securities or the Exchange Securities, as the case may be. In the event that the Market-Maker holds Registrable Securities or Exchange Securities at the time the Exchange Offer is to be conducted under Section 2(a) above, the Issuer agrees that the applicable Market-Making Registration shall

provide for the resale by the Market-Maker of such Registrable Securities or Exchange Securities, as the case may be, and shall use its commercially reasonable efforts to keep the Market-Making Registration Statement continuously effective for so long as the Market-Maker may be required to deliver a prospectus in connection with the sale of such Registrable Securities or Exchange Securities, as the case may be. The Issuer further agrees to supplement or make amendments to each Market-Making Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuer for the applicable Market-Making Registration Statement, and the Issuer agrees to furnish to the Market-Maker copies of any such supplement or amendment prior to its being used or promptly following its filing with the SEC.

(ii) Notwithstanding the foregoing, the Issuer may suspend the offering and sale under a Market-Making Registration Statement for a period or periods the Board of Directors of the Issuer reasonably determines to be advisable for valid business reasons, but in any event not in excess of 45 consecutive days or more than three (3) times during any calendar year during which such Market-Making Registration Statement is required to be effective and usable hereunder (measured from the time such Market-Making Registration Statement becomes effective to successive anniversaries thereof) if (A) (i) the Board of Directors of the Issuer determines in good faith that such action is in the best interests of the Issuer or (ii) such Market-Making Registration Statement, prospectus or amendment or supplement thereto contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and (B) the Issuer notifies the Market-Maker within five days before the effectiveness of such suspension.

(iii) The Issuer shall notify the Market-Maker (A) when any post-effective amendment to a Market-Making Registration Statement or any amendment or supplement to the related prospectus has been filed, and, with respect to any post-effective amendment, when the same has become effective; (B) of any request by the SEC for any post-effective amendment to a Market-Making Registration Statement, any supplement or amendment to the related prospectus or for additional information; (C) the issuance by the SEC of any stop order suspending the effectiveness of a Market-Making Registration Statement or the initiation of any proceedings for that purpose; (D) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Registrable Securities or Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceedings for such purpose; and (E) of the happening of any event that makes any statement made in a Market-Making Registration Statement, the related prospectus or any amendment or supplement thereto untrue or that requires the making of any changes in a Market-Making Registration Statement, such prospectus or any amendment or supplement thereto, in order to make the statements therein not misleading.

(iv) If any event contemplated by Section 4(a)(iii)(B), (D) and (E) occurs during the period for which the Issuer is required to maintain an effective Market-Making Registration Statement, the Issuer shall use its commercially reasonable efforts to promptly prepare and file with the SEC a post-effective amendment to the applicable Market-Making Registration Statement or an amendment or supplement to the related prospectus or file any other required document so that the prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(v) In the event of the issuance of any stop order suspending the effectiveness of a Market-Making Registration Statement or of any order suspending the qualification of the Registrable Securities or Exchange Securities for sale in any jurisdiction, the Issuer shall use its commercially reasonable efforts to obtain its withdrawal.

(vi) The Issuer shall furnish to the Market-Maker at least one conformed copy of each Market-Making Registration Statement and any post-effective amendment thereto and, if not available on EDGAR, electronic copies of the related prospectus and any amendment or supplement thereto.

(vii) The Issuer shall consent to the use of the prospectus contained in a Market-Making Registration Statement or any amendment or supplement thereto by the Market-Maker in connection with its market-making activities.

(viii) Notwithstanding the foregoing provisions of this Section 4, the Issuer may for valid business reasons, including without limitation, a potential acquisition, divestiture of assets or other material corporate transaction, issue a notice that a Market-Making Registration Statement is no longer effective or the prospectus included therein is no longer usable for offers and sales of Registrable Securities or Exchange Securities (or Securities, if applicable) and may issue any notice suspending use of such Market-Making Registration Statement required under applicable securities laws to be issued for so long as valid business reasons exist and the Issuer shall not be obligated to amend or supplement such Market-Making Registration Statement or the prospectus included therein until it reasonably deems appropriate. The Market-Maker agrees that upon receipt of any notice from the Issuer pursuant to this Section 4(a)(viii), it will discontinue use of each Market-Making Registration Statement until receipt of copies of the supplemented or amended prospectus relating thereto until advised in writing by the Issuer that the use of a Market-Making Registration Statement may be resumed.

(b) In connection with a Market-Making Registration Statement, the Issuer shall (i) make reasonably available for inspection by a representative of, and counsel acting for, the Market-Maker all relevant financial and other records, pertinent corporate documents and properties of the Issuer and its subsidiaries and (ii) use its reasonable best efforts to have its officers, directors, employees, accountants and counsel supply all relevant information reasonably requested by such representative or counsel or the Market-Maker.

(c) Prior to the effective date of a Market-Making Registration Statement, the Issuer will use its commercially reasonable efforts to register or qualify such Registrable Securities or Exchange Securities (or Securities, if applicable), as applicable, for offer and sale under the securities or blue sky laws of such jurisdictions as the Market-Maker reasonably requests in writing and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by such Market-Making Registration Statement; provided that neither the Issuer nor any Guarantor will be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or to taxation in any such jurisdiction where it is not then so subject.

(d) The Issuer represents that each Market-Making Registration Statement, any post-effective amendments thereto, any amendments or supplements to the related prospectus and any documents filed by them under the Exchange Act will, when they become effective or are filed with the SEC, as the case may be, conform in all respects to the requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC thereunder and will not, as of the effective date of such Market-Making Registration Statement or post-effective amendments and as of the filing date of amendments or supplements to such prospectus or filings under the Exchange Act, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under which they were made not misleading; provided that no representation or warranty is made as to information contained in or omitted from a Market-Making Registration Statement or the related prospectus in reliance upon and in conformity with written information

furnished to the Issuer by the Market-Maker specifically for inclusion therein, which information the parties hereto agree will be limited to the statements concerning the market making activities of the Market-Maker to be set forth on the cover page and in the Plan of Distribution section of the prospectus.

(e) The Issuer and the Guarantors, on the one hand, and the Market-Maker, on the other hand, hereby agree to indemnify each other, and, if applicable, contribute to the other, in accordance with Section 8 of this Agreement.

(f) The Issuer will comply with the provisions of this Section 4 at its own expense.

(g) The agreements contained in this Section 4 and the representations, warranties and agreements contained in this Agreement shall survive all offers and sales of the Securities, Registrable Securities or Exchange Securities, as the case may be, and shall remain in full force and effect, regardless of any termination or cancellation of agreements outside this Section 4 of this Agreement or any investigation made by or on behalf of any indemnified party.

For purposes of this Section 4, any reference to the terms amend, amendment or supplement with respect to the applicable Market-Making Registration Statement or the prospectus contained therein shall be deemed to refer to and include the filing under the Exchange Act of any document deemed to be incorporated therein by reference.

5. Additional Interest

(a) The Issuer and the Initial Purchasers agree that the Holders will suffer damages if the Issuer fails to fulfill its obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Issuer agrees to pay, as liquidated damages, additional interest on the Notes (Additional Interest) if (A) the Issuer has not exchanged Exchange Notes for all Notes validly tendered in accordance with the terms of the Exchange Offer or a Shelf Registration Statement has not been declared effective on or prior to the 360th day after the Issue Date or (B) if applicable, a Shelf Registration Statement has been declared effective and such Shelf Registration ceases to be effective at any time during the Effectiveness Period (other than because of the sale of all of the Securities registered thereunder) (the events described in clauses (A) and (B) of this Section 5(a), Registration Defaults), then Additional Interest shall accrue on the principal amount of the Notes at a rate of 0.25% per annum (which rate will be increased by an additional 0.25% per annum for each subsequent 90-day period that such Additional Interest continues to accrue, provided that the rate at which such Additional Interest accrues may in no event exceed 1.00% per annum) (such Additional Interest to be calculated by the Issuer) commencing on (x) the 361st day after the Issue Date, in the case of clause (A) of this Section 5(a), or (y) the day such Shelf Registration Statement ceases to be effective, in the case of clause (B) of this Section 5(a); provided, however, that upon the exchange of the Exchange Notes for all Notes tendered (in the case of clause (A) of this Section 5(a)), or upon the effectiveness of the applicable Shelf Registration Statement which had ceased to remain effective (in the case of clause (B) of this Section 5(a)), Additional Interest on such Notes as a result of such clause (or the relevant sub-clause thereof), as the case may be, shall cease to accrue.

(b) The parties hereto agree that the liquidated damages provided for in Section 5(a) hereof constitute a reasonable estimate of the damages that will be suffered by the Holders by reason of the failure of the Issuer to comply with its obligations under Section 2 or Section 3 hereof.

(c) The Issuer shall notify the Trustee within one Business Day after each and every date on which a Registration Default occurs. Any amounts of Additional Interest due pursuant to Section 5(a) will be payable semiannually on each February 1 and August 1 to the holders of record on the

January 15 and July 15 immediately preceding such dates (whether or not a Business Day), commencing with the first such date occurring after any such Additional Interest commences to accrue. The amount of Additional Interest will be determined by the Issuer by multiplying the applicable Additional Interest rate by the principal amount of the Registrable Securities, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360 day year comprised of twelve 30 day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

6. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuer shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Issuer hereunder the Issuer shall:

(a) Prepare and file with the SEC, a Registration Statement or Registration Statements as prescribed by Section 2 or 3 hereof, and use its commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period relating thereto from whom the Issuer has received prior written notice that it will be a Participating Broker-Dealer in the Exchange Offer, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Issuer shall furnish to and afford the Holders of the Registrable Securities covered by such Registration Statement (with respect to a Registration Statement filed pursuant to Section 3 hereof) or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed. The Issuer shall not file any Registration Statement or Prospectus or any amendments or supplements thereto if the Holders of a majority in aggregate principal amount of the Registrable Securities covered by such Registration Statement, their counsel, or the managing underwriters, if any, shall reasonably object on a timely basis.

(b) Prepare and file with the SEC such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period, the Applicable Period or until consummation of the Exchange Offer, as the case may be; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424; and comply with the provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so amended or supplemented and with respect to the subsequent resale of any securities being sold by any Participating Broker-Dealer covered by any such Prospectus. The Issuer shall be deemed not to have used its commercially reasonable efforts to keep a Registration Statement effective if it voluntarily takes any action that would result in selling Holders of the Registrable Securities covered thereby or Participating Broker-Dealers seeking to sell Exchange Securities not being able to sell such Registrable Securities or such Exchange Securities during that period unless such action is required by applicable law or permitted by this Agreement.

(c) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period relating thereto from whom the Issuer has received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, notify the selling Holders of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and the managing underwriters, if any, as promptly as possible and, if requested by any such Person, confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Issuer, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if, at any time when a prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Securities or resales of Exchange Securities by Participating Broker-Dealers, the representations and warranties of the Issuer contained in any agreement (including any underwriting agreement) contemplated by Section 6(n) hereof cease to be true and correct in all material respects, (iv) of the receipt by the Issuer of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Securities or the Exchange Securities to be sold by any Participating Broker-Dealer for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Issuer's determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) Use its commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Securities or the Exchange Securities to be sold by any Participating Broker-Dealer, for sale in any jurisdiction, and, if any such order is issued, use its commercially reasonable efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If a Shelf Registration Statement is filed pursuant to Section 3 and if requested during the Effectiveness Period by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Securities being sold in connection with an underwritten offering or any Participating Broker-Dealer, (i) as promptly as practicable incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders, any Participating Broker-Dealer or counsel for any of them reasonably request to be included therein, (ii) make all required filings of such prospectus supplement or such

post-effective amendment as soon as practicable after the Issuer has received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment, and (iii) supplement or make amendments to such Registration Statement.

(f) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, furnish to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof) and to each such Participating Broker-Dealer who so requests (with respect to any such Registration Statement) and to their respective counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) and each managing underwriter, if any, at the sole expense of the Issuer, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and all exhibits.

(g) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, deliver to each selling Holder of Registrable Securities (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their respective counsel (in the case of counsel for the Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered), and the underwriters, if any, at the sole expense of the Issuer, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request; and, subject to the last paragraph of this Section 6, the Issuer hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers, if any, in connection with the offering and sale of the Registrable Securities covered by, or the sale by Participating Broker-Dealers of the Exchange Securities pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Securities or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, use its commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Securities or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and their respective counsel (in the case of counsel for Holders, such counsel shall be selected by a majority in aggregate principal amount of the Registrable Securities covered) in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Securities held by Participating Broker-Dealers or Registrable Securities are offered other than through an underwritten offering, the Issuer agrees to cause its counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 6(h), keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of the Exchange Securities held by Participating Broker-Dealers or the Registrable Securities covered by the applicable Registration Statement; provided, however, that the Issuer shall not be required to (A) qualify

generally to do business in any jurisdiction where it is not then so required to be qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject, (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject, or (D) make any change to its certificate of incorporation or by-laws.

(i) If a Shelf Registration Statement is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Securities and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The Depository Trust Company; and enable such Registrable Securities to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or Holders may request in a reasonable period of time prior to sales of such Registrable Securities pursuant to such Shelf Registration Statement.

(j) Use its commercially reasonable efforts to cause the Registrable Securities covered by the Registration Statement to be registered with or approved by such other U.S. governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Securities, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Issuer will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Securities during the Applicable Period, upon the occurrence of any event contemplated by paragraph 6(c)(v) or 6(c)(vi) hereof, as promptly as reasonably practicable prepare and (subject to Section 6(a) hereof) file with the SEC, at the sole expense of the Issuer, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder (with respect to a Registration Statement filed pursuant to Section 3 hereof) or to the purchasers of the Exchange Securities to whom such Prospectus will be delivered by a Participating Broker-Dealer (with respect to any such Registration Statement), any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(l) Use its commercially reasonable efforts to cause the Registrable Securities covered by a Registration Statement or the Exchange Securities, as the case may be, to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Registrable Securities covered by such Registration Statement or the Exchange Securities, as the case may be, or the managing underwriter or underwriters, if any.

(m) Prior to the effective date of the first Registration Statement relating to the Registrable Securities, (i) provide the Trustee with certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Registrable Securities.

(n) In connection with any underwritten offering of Registrable Securities pursuant to a Shelf Registration, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Securities, and take all such other actions as are reasonably requested by the

managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Securities and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuer (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Securities, and confirm the same in writing if and when requested; (ii) obtain the written opinions of counsel to the Issuer, and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions reasonably requested in underwritten offerings; (iii) obtain cold comfort letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent registered public accountants of the Issuer (and, if necessary, any other independent registered public accountants of the Issuer, or of any business acquired by the Issuer, for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in cold comfort letters in connection with underwritten offerings of debt securities similar to the Registrable Securities; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures to be agreed to among the Issuer and the managing underwriter or underwriters. The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(o) If a Shelf Registration Statement is filed pursuant to Section 3 hereof, make reasonably available for inspection by any Initial Purchaser, any Holder of such Registrable Securities being sold (with respect to a Registration Statement filed pursuant to Section 3 hereof) and any underwriter, if any, participating in any such disposition of Registrable Securities (any such Initial Purchaser, Holder or underwriter, an Inspector and, collectively, the Inspectors), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Issuer and subsidiaries of the Issuer (collectively, the Records), as shall be reasonably necessary to enable an Inspector to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Issuer and any of its subsidiaries to supply all relevant information (Information) reasonably requested by any such Inspector in connection with such due diligence responsibilities; provided, however, that the foregoing inspection and information gathering shall be coordinated on behalf of the Initial Purchasers by you and, on behalf of the other parties, by one counsel designated by the Holders of a majority in aggregate principal amount of the Registrable Securities covered by such Registration Statement. Each Inspector shall agree in writing that it will keep the Records and Information confidential, to use the Information only for due diligence purposes, to abstain from using the Information as the basis for any market transactions in securities of the Issuer and that it will not disclose any of the Records or Information that the Issuer determines, in good faith, to be confidential and notifies such Inspector in writing are confidential unless (i) the disclosure of such Records or Information is necessary to avoid or correct a material misstatement or omission in such Registration Statement or Prospectus, (ii) the release of such Records or Information is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such Records or Information is necessary or advisable, in the opinion of counsel for any Inspector, in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement, the Indenture or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records or Information has been made generally available to the public other than by an Inspector or an affiliate (as defined in Rule 405) thereof; provided, however, that prior notice shall be provided as soon as practicable to the Issuer of the potential disclosure of any information by such Inspector pursuant to clauses (i) or (ii) of this sentence to permit the Issuer to obtain a protective order (or waive the provisions of this paragraph (o)) and that such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector.

(p) Provide an indenture trustee for the Registrable Securities or the Exchange Securities, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof, as the case may be, to be qualified under the TIA not later than the effective date of the first Registration Statement relating to the Registrable Securities; and in connection therewith, cooperate with the trustee under any such indenture and the Holders of the Registrable Securities, to effect such changes (if any) to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use its commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable such indenture to be so qualified in a timely manner.

(q) Comply with all applicable rules and regulations of the SEC and make generally available to the Issuer's securityholders with regard to any applicable Registration Statement, a consolidated earnings statement satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Securities are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Issuer, after the effective date of a Registration Statement, which statements shall cover said 12-month periods; provided that this requirement shall be deemed satisfied by the Issuer complying with Section 4.03 of the Indenture.

(r) Upon consummation of the Exchange Offer or a Private Exchange, if requested by a Holder, obtain an opinion of counsel to the Issuer, in a form customary for underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Securities participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Securities or Private Exchange Notes (and the related guarantees), as the case may be, and the Indenture constitute legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, subject to customary exceptions and qualifications. If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Securities by Holders to the Issuer (or to such other Person as directed by the Issuer), in exchange for the Exchange Securities or the Private Exchange Notes (and the related guarantees), as the case may be, the Issuer shall mark, or cause to be marked, on such Registrable Securities that such Registrable Securities are being cancelled in exchange for the Exchange Securities or the Private Exchange Notes (and the related guarantees), as the case may be; in no event shall such Registrable Securities be marked as paid or otherwise satisfied.

(s) Use commercially reasonable efforts to cooperate with each seller of Registrable Securities covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc. (the FINRA).

(t) Use its commercially reasonable efforts to take all other steps reasonably necessary to effect the registration of the Exchange Securities and/or Registrable Securities covered by a Registration Statement contemplated hereby.

The Issuer may require each seller of Registrable Securities as to which any registration is being effected to furnish to the Issuer such information regarding such seller and the distribution of such Registrable Securities as the Issuer may, from time to time, reasonably request. The Issuer may exclude

from such registration the Registrable Securities of any seller so long as such seller fails to furnish such information within a reasonable time after receiving such request and the failure to include any such seller shall not be deemed to be a default hereunder. Each seller as to which any Shelf Registration is being effected agrees to furnish promptly to the Issuer all information required to be disclosed in order to make the information previously furnished to the Issuer by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Issuer, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuer, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Securities and each Participating Broker-Dealer agrees by its acquisition of such Registrable Securities or Exchange Securities to be sold by such Participating Broker-Dealer, as the case may be, that, upon actual receipt of any notice from the Issuer of the happening of any event of the kind described in Section 6(c)(ii), 6(c)(iv), 6(c)(v), or 6(c)(vi) hereof, such Holder will forthwith discontinue disposition of such Registrable Securities covered by such Registration Statement or Prospectus or Exchange Securities to be sold by such Holder or Participating Broker-Dealer, as the case may be, until such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(k) hereof, or until it is advised in writing (the Advice) by the Issuer that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto. In the event that the Issuer shall give any such notice, each of the Applicable Period and the Effectiveness Period shall be extended by the number of days during such periods from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement or Exchange Securities to be sold by such Participating Broker-Dealer, as the case may be, shall have received (x) the copies of the supplemented or amended Prospectus contemplated by Section 6(k) hereof or (y) the Advice.

7. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuer shall be borne by the Issuer, whether or not the Exchange Offer Registration Statement or any Shelf Registration Statement is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with FINRA in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Securities or Exchange Securities and determination of the eligibility of the Registrable Securities or Exchange Securities for investment under the laws of such jurisdictions (x) where the Holders of Registrable Securities are located, in the case of the Exchange Securities, or (y) as provided in Section 6(h) hereof, in the case of Registrable Securities or Exchange Securities to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Securities or Exchange Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, by the Holders of a majority in aggregate principal amount of the Registrable Securities included in any Registration Statement or in respect of Registrable Securities or Exchange Securities to be sold by any Participating Broker-Dealer during the Applicable Period, as the case

may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuer and, in the case of a Shelf Registration, reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Securities (exclusive of any counsel retained pursuant to Section 8 hereof), (v) fees and disbursements of all independent registered public accountants referred to in Section 6(n)(iii) hereof (including, without limitation, the expenses of any cold comfort letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuer desires such insurance, (vii) fees and expenses of all other Persons retained by the Issuer, (viii) internal expenses of the Issuer (including, without limitation, all salaries and expenses of officers and employees of the Issuer performing legal or accounting duties), (ix) the expense of any annual audit, (x) any fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable and (xi) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Notwithstanding the foregoing or anything to the contrary in this Agreement, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Securities sold by or on behalf of it.

8. Indemnification and Contribution

(a) The Issuer and the Guarantors jointly and severally agree, to indemnify and hold harmless each Holder of Registrable Securities, the Market-Maker and each Participating Broker-Dealer selling Exchange Securities during the Applicable Period, and each Person, if any, who controls such Person or its affiliates within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, a Participant) against any losses, claims, damages or liabilities to which any Participant may become subject under the Securities Act, the Exchange Act or otherwise, insofar as any such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon:

(i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or issuer free writing prospectus (as defined in Rule 405) (an Issuer FWP); or

(ii) the omission or alleged omission to state, in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any Issuer FWP or any other document or any amendment or supplement thereto, a material fact required to be stated therein or necessary to make the statements therein not misleading,

except, in each case, insofar as such losses, claims, damages or liabilities are arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in any Registration Statement (or any amendment thereto), Market-Making Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented) in reliance upon and in conformity with any information relating to any Participant furnished to the Issuer by or on behalf of such Participant specifically for use therein;

and agree (subject to the limitations set forth in the proviso to this sentence) to reimburse, as incurred, the Participant for any reasonable legal or other expenses incurred by the Participant in connection with investigating, defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action. The indemnity provided for in this Section 8 will be in addition to any liability that the Issuer may otherwise have to any Participant. The Issuer and the Guarantors shall not be

liable under this Section 8 to any Participant regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to in writing by the Issuer and the Guarantors, which consent shall not be unreasonably withheld.

(b) Each Participant, severally and not jointly, agrees to indemnify and hold harmless the Issuer, the Guarantors, their respective directors (or equivalent), their respective officers and each Person, if any, who controls the Issuer within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which the Issuer, the Guarantors or any such director, officer or controlling Person may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement or Market-Making Registration Statement, any amendment or supplement thereto, or the omission or the alleged omission to state therein a material fact necessary to make the statements contained therein not misleading, or (ii) any untrue statement or alleged untrue statement of any material fact contained in any Prospectus, any amendment or supplement thereto, or any preliminary prospectus or Issuer FWP, or the omission or the alleged omission to state therein a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning such Participant, furnished to the Issuer by or on behalf of such Participant, specifically for use therein; and subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any reasonable legal or other expenses incurred by the Issuer, the Guarantors or any such director, officer or controlling person in connection with investigating or defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action in respect thereof. The indemnity provided for in this Section 8 will be in addition to any liability that the Participants may otherwise have to the indemnified parties. The Participants shall not be liable under this Section 8 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to in writing by the Participants, which consent shall not be unreasonably withheld.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 8, such indemnified party will, if its claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party (i) will not relieve it from any liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it and/or other indemnified parties that

are different from or additional to those available to the indemnifying party, or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) in any one action or separate but substantially similar actions in the same jurisdiction arising out of the same general allegations or circumstances, designated by Participants who sold a majority in interest of the Registrable Securities and Exchange Securities sold by all such Participants in the case of paragraph (a) of this Section 8 or the Issuer in the case of paragraph (b) of this Section 8, representing the indemnified parties under such paragraph (a) or paragraph (b), as the case may be, who are parties to such action or actions) or (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party. All fees and expenses reimbursed pursuant to this paragraph (c) shall be reimbursed as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnified party waived in writing its rights under this Section 8, in which case the indemnified party may effect such a settlement without such consent. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party, or indemnity could have been sought hereunder by any indemnified party, unless such settlement (A) includes an unconditional written release of the indemnified party, in form and substance reasonably satisfactory to the indemnified party, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In circumstances in which the indemnity agreement provided for in the preceding paragraphs of this Section 8 is unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) (other than by virtue of the failure of an indemnified party to notify the indemnifying party of its right to indemnification pursuant to paragraph (a) or paragraph (b) of this Section 8, where such failure materially prejudices the indemnifying party (through the forfeiture of substantial rights or defenses)), each indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Securities or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof). The relative benefits received by the Issuer on the one hand and such Participant on the other shall be deemed to be in the same proportion as the total proceeds from the offering (before deducting expenses) of the Securities received by the Issuer bear to the total net profit received by such Participant in connection with the sale of

the Securities. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer on the one hand, or the Participants on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission, and any other equitable considerations appropriate in the circumstances. The parties agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this paragraph (d). Notwithstanding any other provision of this paragraph (d), no Participant shall be obligated to make contributions hereunder that in the aggregate exceed the total net profit received by such Participant in connection with the sale of the Securities, less the aggregate amount of any damages that such Participant has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact, and no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls a Participant within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Participants, and each director of the Issuer and the Guarantors, each officer of the Issuer and the Guarantors and each Person, if any, who controls the Issuer and the Guarantors within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Issuer. Obligations of the Initial Purchasers hereunder are several and not joint.

9. Rule 144A

The Issuer covenants and agrees that it will use commercially reasonable efforts to file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Issuer is not required to file such reports, the Issuer will, upon the request of any Holder of Registrable Securities, make available such information necessary to permit sales pursuant to Rule 144A. The Issuer further covenants and agrees, for so long as any Registrable Securities remain outstanding that it will take such further action as any Holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144A, unless the Issuer is then subject to Section 13 or 15(d) of the Exchange Act and reports filed thereunder satisfy the information requirements of Rule 144A then in effect.

10. Underwritten Registrations

The Issuer shall not be required to assist in an underwritten offering unless requested by the Holders of a majority in aggregate principal amount of the Registrable Securities. If any of the Registrable Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Securities included in such offering and shall be reasonably acceptable to the Issuer.

No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

11. Miscellaneous

(a) No Inconsistent Agreements. **Biomet Completes \$825,000,000 Senior Notes Offering
and \$800,000,000 Senior Subordinated Notes Offering**

Warsaw, Ind., October 2, 2012 Biomet, Inc. today announced the completion of its previously announced offering of \$825 million aggregate principal amount of senior notes due 2020 (the Additional Senior Notes), at an issue price of 105.000% plus accrued interest from August 8, 2012 and of \$800 million aggregate principal amount of senior subordinated notes due 2020 (the Senior Subordinated Notes and, together with the Additional Senior Notes, the Notes) at an issue price of 100.000%. The Additional Senior Notes are a follow-on issue to the Company's \$1.0 billion aggregate principal amount of 6.500% senior notes due 2020 issued on August 8, 2012 (the Existing Senior Notes) and will form a single class of debt securities with the Existing Senior Notes.

The Notes were offered in private offerings to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act) and to non-U.S. persons in accordance with Regulation S of the Securities Act.

Biomet intends to use the net proceeds from the offerings of the Notes, together with cash on hand and other sources, to fund the company's tender offer for any and all of its outstanding 10% senior notes due 2017 (the 2017 Senior Notes) and up to \$800 million of its outstanding 11⁵/₈% senior subordinated notes due 2017 (the 2017 Senior Subordinated Notes and, together with the 2017 Senior Notes, the 2017 Notes). Biomet today called for redemption all outstanding 2017 Notes not accepted for purchase in the tender offer.

The Notes have not been registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States or to, or for the benefit of, U.S. persons absent registration under, or an applicable exemption from, the registration requirements of the Securities Act and applicable state securities laws. Biomet has agreed to file a registration statement with the U.S. Securities and Exchange Commission.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes or any other security and shall not constitute an offer, solicitation or sale in any jurisdiction in which, or to any persons to whom, such offering, solicitation or sale would be unlawful. Any offers of the Notes will be made only by means of a private offering circular.
