REASONS FOR THE APPROVAL OF THE 2013 RETENTION BONUS PLAN

On May 2, 2013, we acquired Evergreen Helicopters, Inc., or EHI, from Evergreen International Aviation, Inc., or EIA, pursuant to the Stock Purchase Agreement, dated March 18, 2013, as amended on May 1, 2013 by the First Amendment to Stock Purchase Agreement, by and among us, EIA, EHI, EAC Acquisition Corporation, a Delaware corporation and our wholly owned subsidiary, and Delford M. Smith, or the Stock Purchase Agreement. In connection with this transaction, EHI purchased nine aircraft from an affiliated entity of EIA. We refer to the acquisition and the purchase of the nine aircraft as the Evergreen Acquisition. The Plan was developed for the purpose of retaining mission critical personnel who will enable us to succeed in our ongoing integration efforts following the Evergreen Acquisition and to motivate such persons to continue contributing to our growth and profitability, including with respect to the integration of EHI and its subsidiaries.

The Plan will be administered by the Compensation Committee of our Board of Directors, or the Plan Administrator, which will have the discretionary authority to interpret and administer the Plan and to adopt rules and regulations to implement the Plan. The Plan Administrator has delegated to our chief executive officer, or the Executive Administrator, the day-to-day implementation and interpretation of the Plan, including the approval of individual payouts under the Plan to employees other than our executive management team. The Executive Administrator has the sole and absolute discretion to determine the level of achievement, the amount of any bonus awards and the timing of payment of any bonus awards to be paid hereunder (provided that any such determinations in respect of our executive management team shall be made by the Plan Administrator). Approval by the Plan Administrator or our Board of Directors shall be required for the approval of the Plan itself and any material amendments to the Plan, approval of the aggregate payout under the Plan, and approval of individual payouts under the Plan to our executive management team (including the timing or acceleration of any such payments).

Only full-time exempt employees are eligible to participate in the Plan. A former employee is not eligible to participate in the Plan if he or she resigns or is terminated for any reason at any time before a bonus is paid pursuant to the Plan. A person may be considered ineligible for the Plan at any time and for any reason at the Plan Administrator's or Executive Administrator's discretion regardless of whether he or she remains one of our employees.

The aggregate amount of bonus awards payable under the Plan shall not exceed \$2,000,000 (less our share of FICA taxes required to be withheld on the retention bonuses). No amounts awarded or accrued under the Plan will be funded, set aside or otherwise segregated prior to payment. The obligation to pay the bonuses awarded under the Plan will at all times be our unfunded and unsecured obligation. Generally, bonus awards under the Plan will be paid in equal quarterly installments over the year beginning in August 2013.

The Plan has been approved by the Plan Administrator and the holders of a majority of our outstanding voting capital stock as of the Record Date pursuant to the Written Consent.

INTERESTS OF CERTAIN PERSONS ON MATTERS TO BE ACTED UPON

Certain of our directors and officers, none of whom is a member of the Plan Administrator, are each entitled to bonus awards pursuant to the Plan, as determined by the Plan Administrator, in the amounts set forth opposite their names:

Udo Reider	\$ 160,000
Charles Ryan	\$ 120,000
H.E. Mac McClaren	\$ 80,000
Edward Rizzuti	\$ 80,000

OUR BUSINESS

Our Company

Erickson Air-Crane Incorporated is a leading global provider of aviation services to a mix of commercial and government customers. Erickson currently operates a diverse fleet of 85 rotary-wing and fixed wing aircraft, including 20 heavy-lift S-64 Aircranes, which we refer to as the Aircrane. This fleet supports a wide and worldwide variety of government and commercial customers, across a broad range of aerial services, including critical supply and logistics for deployed military forces, humanitarian relief, firefighting, timber harvesting, infrastructure construction, and crewing. We also maintain a vertical manufacturing capability for the Aircrane, related components, and other aftermarket support and maintenance, repair, and overhaul services for the Aircrane and other aircraft. Founded in 1971, Erickson Air-Crane is headquartered in Portland, Oregon and maintains facilities and operations in North America, South America, the Middle East, Africa and Asia-Pacific.

On May 2, 2013, we acquired EHI, from EIA. Pursuant to the Stock Purchase Agreement, we purchased from EIA 100% of the outstanding share capital of EHI for \$250.0 million, consisting of \$185.0 million in cash, \$17.5 million in our subordinated notes, and 4,008,439 shares of our Preferred Stock, valued at \$47.5 million (based on an agreed upon value of \$11.85 per share). Our Preferred Stock is convertible, at our option, into an equal number of shares of our common stock, subject to stockholder approval under NASDAQ marketplace rules. On July 22, 2013, by written consent of the holders of a majority of our outstanding voting capital stock as of June 24, 2013, our stockholders approved the issuance of 4,008,439 shares of our common stock upon conversion of 4,008,439 shares of the Preferred Stock, or the Conversion Approval. The Conversion Approval was approved by stockholders owning 5,602,970 shares of our common stock, or approximately 57.4% based on the 9,769,476 shares of our common stock outstanding as of close of business on June 24, 2013. We mailed or delivered an information statement with respect to the Conversion Approval, or the Conversion Information Statement, on or about July 23, 2013 to holders of record of our common stock as of the close of business on June 24, 2013. The Conversion Approval becomes effective on August 12, 2013, which is the date that is 20 calendar days after the date we first mailed or otherwise delivered the Conversion Information Statement to our stockholders.

In connection with the Evergreen Acquisition, EHI purchased nine aircraft from an affiliated entity of EIA for an aggregate purchase price of approximately \$13.0 million, of which \$9.0 million of the purchase price for the nine aircraft was paid at closing, with the balance payable by us in four quarterly installments of \$1.0 million each; however, we elected to pay this remaining amount within two business days of the closing of the Evergreen Acquisition and received a discount of \$50,000 from the aggregate purchase price for these nine aircraft. In addition, EIA issued us a last-out, first lien secured promissory note with a principal amount of \$6.15 million in connection with the estimated working capital deficit that EHI had on the date of closing as opposed to the level of working capital that EHI was required to have on the date of closing pursuant to the original terms of the Stock Purchase Agreement before the First Amendment.

EHI, based in McMinnville, Oregon, is a diversified global provider of air transport services for cargo and personnel to government and commercial customers. EHI has approximately 400 employees and offers a diverse mix of services, including passenger transport, cargo transport, medevac, disaster relief, firefighting, natural resource development, and recreation. EHI holds two Part 135 Aviation Operating Certificates and is certified and regulated by the Commercial Airlift Review Board, or CARB, in addition to holding several repair station certificates. These certifications enable EHI to carry commercial passengers as well as United States Department of Defense and State Department personnel on a for hire basis. EHI's 126 pilots have an average of more than 8,150 flight hours. A portion of the existing EHI fleet is not currently on contract, offering a significant revenue generating opportunity.

The completion of the Evergreen Acquisition provided us with an incremental fleet of 63 aircraft, consisting of 50 medium and light helicopters as well as 13 fixed-wing aircraft. This diverse fleet serves a wide range of customers, including significant passenger transport and airlift services for the United States Department of Defense and State Department. EHI's operations span the globe, including a presence in North America, the Middle East, Africa, and Asia.

We are headquartered at 5550 SW Macadam Avenue, Suite 200, Portland, Oregon 97239 and our phone number is (503) 505-5800. Our website address is www.ericksonaircrane.com. Air Amazonia Acquisition

On July 19, 2013, we entered into a quota purchase agreement, or the Quota Agreement, and an aircraft purchase agreement, or the Aircraft Agreement, and together with the Quota Agreement and all related agreements, the HRT Agreement, with Air Amazonia Serviços Aeronáuticos Ltda., or Air Amazonia, and HRT Participações em Petróleo S.A. and certain of its affiliates, or HRT. The transactions contemplated by the HRT Agreement are collectively referred to as the Air Amazonia Acquisition.

Pursuant to the Quota Agreement, we agreed to purchase all of the stock capital of Air Amazonia for a purchase price of \$6.0 million, subject to certain adjustments, plus certain additional amounts contingent on Air Amazonia's future revenues. Pursuant to the Aircraft Agreement, we agreed to purchase six rotary-wing aircraft of varying types and mission capabilities from HRT for a purchase price of \$17.0 million, plus an additional \$3.0 million payable upon the earlier of our obtaining a Part 135 air operator regulatory approval for Air Amazonia from the Brazilian National Civil Aviation Agency or twelve months from closing of the Air Amazonia Acquisition. At the closing of the Air Amazonia Acquisition, Air Amazonia would enter into a one-year aerial services agreement, with HRT to provide ongoing aerial services for expected annual revenues of at least \$29.0 million, which HRT may extend on an annual basis for up to four years. Upon the closing of the Air Amazonia Acquisition, we would have a one-year right of first refusal to purchase any or all of HRT's remaining seven aircraft. During the term of the aerial services agreement and the first two annual extensions, we would also have the right of first refusal on aerial services in Brazil from HRT and in the Solimoes region of Brazil from Rosneft Brasil E&P Ltda to support its onshore oil and gas operations, and HRT would not compete with business conducted by Air Amazonia.

The Air Amazonia Acquisition is subject to several conditions to closing, including delivery of Air Amazonia financial statements for the year ended December 31, 2012, approval of an aerial services agreement and a maintenance and other services agreement by certain third parties, transfer of various regulatory permits, the negotiation and execution of agreements regarding properties used in Air Amazonia's business, an appraisal of the stock capital of Air Amazonia by an independent expert, certain third party consents, satisfactory inspections of the acquired aircraft, the parties' agreement concerning transition services, completion of a reduction in force within Air Amazonia, corporate and shareholder approvals, and regulatory filings and registrations.
