for the

ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

General

This Proxy Statement is being furnished to the shareholders of Schmitt Industries, Inc., an Oregon corporation (the "Company" or "Schmitt"), as part of the solicitation of proxies by the Company's Board of Directors from holders of the outstanding shares of Schmitt common stock (the "Common Stock") for use at the Company's Annual Meeting of Shareholders to be held on October 4, 2013, at 3:00 p.m. local time, at the Company's offices located at 2765 N.W. Nicolai Street, Portland, Oregon 97210, and at any postponements or adjournments thereof (the "Annual Meeting"). This Proxy Statement and the enclosed proxy card are first being mailed to shareholders of Schmitt entitled to vote at the Annual Meeting on or about September 11, 2013.

Purpose of the Annual Meeting

The purpose of the meeting is to vote on the following matters:

1. **Election of Directors.** To elect two directors to serve a three-year term expiring in 2016;
2. **Approval of Executive Compensation.** To approve, on an advisory basis, the compensation of the Company's Named Executive Officers (as defined in the paragraph immediately preceding the Summary Compensation Table below);

Edgar Filing: SCHMITT INDUSTRIES INC - Form DEF 14A

As of the date of this Proxy Statement, the Company is not aware of any business to come before the meeting other than the items noted above.

Solicitation, Voting and Revocability of Proxies

The Board of Directors has fixed the close of business on August 19, 2013 as the record date for the determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Common Stock at the close of business on such date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the record date, there were approximately 80 beneficial holders of the 2,990,910 shares of Common Stock then outstanding. The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the outcome of any of the proposals to be voted upon.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. ***Executed but unmarked proxies will be voted (1) FOR the election of the one nominee to the Board of Directors, (2) FOR the approval of the compensation paid to the Company's Named Executive Officers, and (3) FOR a one-year frequency for future shareholder advisory votes on named executive officer compensation.*** The Board of Directors does not know of any matters other than those described in the Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by such proxy upon such matters as determined by a majority of the Board of Directors.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder's proxy. A shareholder may, however, revoke a proxy at any time prior to its exercise by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, Corporate Secretary, Schmitt Industries, Inc., 2765 N.W. Nicolai Street, Portland, Oregon 97210, or by attending the Annual Meeting and voting in person. However, a shareholder who attends the Annual Meeting need not revoke a previously executed proxy and vote in person unless such shareholder wishes to do so. All valid, unrevoked proxies will be voted at the Annual Meeting.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held on October 4, 2013: The notice of annual meeting of shareholders, this proxy statement, and our annual report on Form 10-K are available at www.schmitt-ind.com.

ELECTION OF DIRECTORS

At the Annual Meeting, two Directors will be elected for a three-year term expiring in 2016. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as Director of the person named below as nominee. The Board of Directors believes that the nominees will stand for election and will serve if elected as Director. However, if the person nominated by the Board of Directors fails to stand for election or is unable to accept election, the number of Directors constituting the Board of Directors may be reduced prior to the Annual Meeting or the proxies may be voted for the election of such other person as the Board of Directors may recommend.

Under the Company's Articles of Incorporation and Restated Bylaws, the Directors are divided into three classes. The term of office of only one class of Directors expires in each year, and their successors are elected for terms of three years and until their successors are elected and qualified. There is no cumulative voting for election of Directors.

CORPORATE GOVERNANCE AND RELATED MATTERS

Shareholder Communications with the Board of Directors

Any shareholder may contact the Board of Directors in writing by addressing the communication to the Board of Directors of Schmitt Industries, Inc., c/o Corporate Secretary, 2765 N.W. Nicolai Street, Portland, Oregon 97210.

Board Leadership Structure and Role in Risk Oversight

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board of Directors meetings and is available to address any questions or concerns raised by the Board of Directors on risk management and any other matters. The Chairman of the Board and independent members of the Board of Directors work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

The Board of Directors does not have a policy on whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate. The Board of Directors believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and the shareholders. Currently, the Company separates the roles of Chairman and Chief Executive Officer, with Mr. Case serving as the Chairman of the Board and Mr. Fitzhenry serving as Chief Executive Officer. The Board of Directors believes that this separation is appropriate as it allows the Chief Executive Officer to focus primarily on leading the day-to-day operations of the Company, while the Chairman can focus on leading the Board of Directors in its consideration of strategic issues and monitoring corporate governance and other shareholder issues.

The Board of Directors does not have a lead independent director.

Meetings

During Fiscal 2013, the Company's Board of Directors held four meetings. Each incumbent Director attended 75% or more of the aggregate of the total number of meetings held by the Board of Directors and the total number of meetings held by all committees of the Board on which he served during the period that he served. While the Company does not have a formal policy with regard to Directors' attendance at annual meetings, all members of the Company's Board of Directors attended the 2012 Annual Meeting of Shareholders.

Board of Director Committees

The Board of Directors has standing Audit, Compensation and Nominating Committees. The Audit, Compensation and Nominating Committees operate pursuant to written charters. The charters may be viewed online at www.schmitt-ind.com. Each committee may obtain advice and assistance from internal or external legal, accounting and other advisors. The members of the committees, each of whom has been determined to be independent as defined by applicable rules of the Securities and Exchange Commission (the SEC) and the NASDAQ Stock Market, are identified in the following table. Neither Mr. Case nor Mr. Fitzhenry is independent as defined by applicable SEC and NASDAQ Stock Market rules. Mr. Case serves as the Company's Chairman of the Board and Mr. Fitzhenry serves as its President and Chief Executive Officer.

Name	Audit	Compensation	Nominating
Maynard E. Brown	X	Chair	X
Michael J. Ellsworth	X	X	Chair
David M. Hudson	Chair	X	X

Audit Committee. The Audit Committee currently consists of Messrs. Brown, Ellsworth and Hudson. Mr. Hudson chairs the committee. The Board has determined all current members of the Audit Committee are independent under the rules of the SEC and the NASDAQ Stock Market, and each of them is able to read and understand fundamental financial statements. The Board has determined that Mr. Hudson qualifies as an audit committee financial expert as defined by the rules of the SEC and the NASDAQ Stock Market. The Audit Committee is responsible for, among other things, the engagement, compensation and oversight of the Company's independent certified public accountants, the review of the scope and results of the audit, and the review and evaluation of accounting procedures and internal controls within the Company. The Audit Committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com). The Audit Committee held five meetings in Fiscal 2013.

Compensation Committee. The Compensation Committee currently consists of Messrs. Brown, Ellsworth and Hudson. Mr. Brown chairs the committee. The Board has determined that all members of the Compensation Committee are independent under the rules of the SEC and the NASDAQ Stock Market. The Compensation Committee reviews executive compensation, establishes executive compensation levels, and administers the Company's stock option plans. The Compensation Committee held one meeting in Fiscal 2013. The Compensation Committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com).

Nominating Committee. The Nominating Committee currently consists of Messrs. Brown, Hudson and Ellsworth. Mr. Ellsworth chairs the committee. The Board has determined that all members of the Nominating Committee are independent under the rules of the SEC and the NASDAQ Stock Market. The Nominating Committee assists the Board in director selection, identifying and assessing each candidate based upon his or her background, skills and experience and in light of the needs of the Board of Directors at that time. The committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com). The Nominating Committee held two meetings in Fiscal 2013.

Director Qualifications

There are certain minimum qualifications for Board membership that director candidates should possess, including strong values and discipline, high ethical standards, a commitment to full participation on the Board and its committees, and relevant career experience. The Nominating Committee also evaluates candidates for Board membership based on individual skills, experience and demonstrated abilities that help meet the current needs of the Board, such as experience or expertise in some of the following areas: global business, science and technology, finance and/or economics, competitive positioning, corporate governance, public affairs, and experience as an executive officer. Other factors that are considered include independence of thought, meeting applicable director independence standards (where independence is desired) and absence of conflicts of interest. The Nominating Committee may modify the minimum qualifications and evaluation guidelines from time to time as it deems appropriate. The Nominating Committee does not have a formal policy with respect to diversity; however, the Board of Directors and the Nominating Committee believe that it is essential that Board members represent diverse viewpoints. In the context of the existing composition and needs of the Board and its committees, the Nominating Committee considers various factors, including, but not limited to, independence, age, diversity (which, in this context, means race, ethnicity and gender), integrity, skills, financial and other expertise, breadth of experience and knowledge about our business or industry.

Shareholder Nominations for Director and Related Procedures

The Nominating Committee will consider recommendations by shareholders of individuals to consider as candidates for election to the Board of Directors. Any such recommendations should be submitted to Schmitt Industries, Inc., c/o Corporate Secretary, 2765 N.W. Nicolai Street, Portland, Oregon 97210. Historically, the Company has not had a formal policy concerning shareholder recommendations to the Nominating Committee (or its predecessors) because it believes that the informal consideration process in place to date, based in part on the minimum criteria as described in Director Qualifications above, has been adequate given that the Company has never received any Director recommendations from shareholders. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Nominating Committee intends to periodically review whether a more formal policy should be adopted.

The Company's Restated Bylaws permit shareholders to make nominations for the election of directors, if such nominations are made pursuant to timely notice in writing to the Company's Secretary. To be timely, notice must be delivered to, or mailed to and received at, the principal executive offices of the Company not less than 60 days nor more than 90 days prior to the date of the meeting, provided that at least 60 days notice or prior public disclosure of the date of the meeting is given or made to shareholders. If less than 60 days notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be received by the Company not later than the close of business on the tenth business day following the date on which such notice of the meeting was mailed or such public disclosure was made. Public disclosure of the date of the Annual Meeting was made by the issuance of a press release on August 19, 2013. A shareholder's notice of nomination must also set forth certain information specified in Section 2.3.2 of the Company's Restated Bylaws concerning each person the shareholder proposes to nominate for election and the nominating shareholder.

Director Compensation

The Company's general philosophy towards Directors' compensation is that Directors should be paid fairly for the work, time and effort required to serve on the Board of Directors, and that Directors' compensation should be competitive relative to comparable companies. The Board of Directors believes that it is appropriate for all of the non-employee Directors to receive a monthly retainer, and for the Chairman and members of the Board committees to receive additional compensation on a per meeting basis for their services in those positions. A non-employee Director who does not serve on any committee may receive a monthly retainer that is greater than the monthly retainer for committee members in recognition of efforts made outside of committee and Board meetings.

Under a policy adopted by the Board of Directors, Messrs. Brown, Ellsworth and Hudson are paid a monthly retainer of \$500. Each non-employee Director is paid a \$1,500 fee for each Board meeting attended either in person or by phone. The chairman and members of the Audit Committee each receive a fee of \$3,500 and \$2,500 per quarter, respectively; the chairman and members of the Compensation Committee each receive a fee of \$1,000 for each meeting attended either in person or by phone; and the chairman and members of the Nominating Committee each receive a fee of \$500 for each meeting attended either in person or by phone. Non-employee Directors also receive either monthly compensation of \$500 or, at the non-employee Director's option, an annual award of nonstatutory options to purchase 5,000 shares of common stock pursuant to the Company's Stock Option Plan. As of May 31, 2013, all outside directors had elected monthly cash compensation. The payment of compensation to the non-employee Directors is recommended annually by the Compensation Committee to the Board approval and if cash compensation is approved, it is paid quarterly beginning on the date of the Company's annual meeting of shareholders. The Company also reimburses travel and lodging expenses incurred in connection with attending meetings of the Board and its committees.

Corporate Governance

As part of the Schmitt's Code of Ethics and Business Conduct, the Company has adopted a code of ethics that applies to all officers and employees, including the Company's principal executive, financial and accounting officers.

Schmitt maintains a Corporate Governance page on its website that includes key information about its corporate governance initiatives, including Schmitt's Code of Ethics and Business Conduct and charters for the Audit, Compensation and Nominating Committees of the Board of Directors. The Corporate Governance page can be found at www.schmitt-ind.com within the Investor Relations segment of the website.

Schmitt's policies and practices reflect corporate governance initiatives that are compliant with the listing requirements of the NASDAQ Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including: (1) a majority of the Board members are independent of Schmitt and its management; (2) all members of the Board committees—the Audit, Compensation and Nominating Committees—are independent; (3) Schmitt has a Code of Ethics and Business Conduct that is monitored by its Corporate Secretary, who acts as the Company's ethics officer; and (4) the charters of the Audit, Compensation and Nominating Committees of the Board clearly establish their respective roles and responsibilities.

MANAGEMENT

The executive officers of the Company are as follows:

Name	Age	Position
Wayne A. Case	73	Chairman of the Board of Directors
James A. Fitzhenry	58	President, Chief Executive Officer and Director
David W. Case	49	Vice President, Operations
Linda M. Case	68	Corporate Secretary

Information concerning the principal occupation of Wayne A. Case and James A. Fitzhenry is set forth under Board of Directors. Information concerning the principal occupation during the last five years of the executive officers of the Company who are not also Directors of the Company is set forth below.

David W. Case has been Vice President of Operations of the Company since 1996, and before then was Production Manager. He has been responsible for many of the design features of the SBS Dynamic Balance System. His duties include manufacturing, engineering and quality assurance. Mr. Case holds a B.S. degree in Economics from the University of Oregon. Mr. Case is the son of Wayne A. Case.

Linda M. Case has been Corporate Secretary of the Company since 1993 and before then was Office Manager. Ms. Case holds a B.A. degree in Sociology and Psychology from Linfield College. Ms. Case is married to Wayne A. Case.

Ms. Ferguson holds a B.S. degree in Business with an emphasis in accounting from the University of Oregon.

EXECUTIVE COMPENSATION

The Board of Directors has delegated the responsibility for fixing the compensation of the Named Executive Officers (as defined in the paragraph immediately preceding the Summary Compensation Table below) to the Compensation Committee. The Compensation Committee consists entirely of independent, non-employee Directors. No former employees of the Company serve on the Compensation Committee. The Compensation Committee approves all compensation and awards to executive officers, which include the Chief Executive Officer, Chief Financial Officer, President, Vice President for Operations and Corporate Secretary.

The Compensation Committee annually reviews the performance and compensation of the executive officers, or more often if necessary, and establishes their compensation. Wayne A. Case and/or James A. Fitzhenry may participate in certain discussions with the Compensation Committee and the Company's Board of Directors concerning executive officer compensation, but Mr. Case does not participate in the decisions with respect to his own, David W. Case's or Linda M. Case's compensation. Mr. Fitzhenry does not participate in decisions with respect to his own compensation.

The Compensation Committee has not prepared tally sheets for executive officers because the compensation structure for these executive officers has consisted primarily of base salary, cash bonuses, and stock options and has not included many of the hidden costs (such as retirement benefits, perquisites and deferred compensation

plans) that tally sheets are typically designed to reveal. Similarly, because of the overall size of the Company and the small number of executive officers, the Compensation Committee has not deemed it necessary to retain outside compensation consultants or conduct formal internal or external pay equity studies.

The key components of the Company's compensation program are base salary, personal performance bonuses and potential long-term compensation through stock options. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance and aligns executive officers' interests with those of shareholders. The Company generally does not adhere to rigid formulas or necessarily react to short-term changes in business performance in determining the amount and mix of compensation elements for our executives, although changes in business performance do affect individual performance bonus awards.

The Company's executive compensation programs are designed to attract, retain, motivate and appropriately reward its executive officers, as well as to align the interests of executive officers with those of shareholders of the Company. The objectives of the Company's compensation programs are to:

provide competitive compensation opportunities that attract and retain top executives;

inspire the executive team to achieve superior performance in order to deliver results above the Company's business plan and those of its peers; and

continue to align the interests of executives and shareholders through the use of long-term and short-term incentives, while effectively managing dilution.

Compensation levels should be sufficiently competitive to attract and retain the talent needed

The Company's overall compensation levels are designed to attract and retain the type of talent needed to enable the Company to achieve and maintain a leadership position in the businesses in which it competes.

Compensation should be related to performance

In general, the Company's compensation policy is designed to reward the achievement of individual and company objectives. The Company has followed a practice of linking executive compensation to individual levels of performance, as well as to the performance of the Company as a whole. Cash bonuses are tied to individual performance, as well as to the performance of the Company. In addition, the value of long-term incentive compensation (stock options) is tied to corporate performance over the long term.

Incentive compensation should strike a balance between short-term and long-term performance

The Company's compensation policy is designed to focus management on achieving strong short-term (annual) performance objectives as well as ensuring that the necessary steps are taken to achieve long-term success and profitability. To reward a balanced approach, the Company uses both short-term performance bonuses and long-term incentives in structuring the compensation of its executive officers.

Setting Executive Compensation

The Compensation Committee awarded Fiscal 2013 compensation to the Named Executive Officers based on its review and analysis of their positions, responsibilities and performance as well as their anticipated responsibilities and potential contributions to growth in shareholder value. In establishing the compensation of the Named Executive Officers, the Committee based the amounts primarily on the individual performance of each Named Executive Officer in recent periods, and each Named Executive Officer's level of responsibility for the Company's key objectives and potential for future responsibility and promotion. The Committee also

examined the outstanding stock options held by such executive officer for the purpose of considering the retention value of additional equity awards.

Because base compensation, annual cash bonuses, and equity awards are such basic elements of compensation within the Company's industry, as well as the high tech and software industries in general, and are generally expected by employees, the Committee believes that these components must be included in the Company's compensation mix in order for the Company to compete effectively for talented executives.

The Company has historically used stock options as an element of executive compensation for several reasons. First, stock options facilitate retention of executives. Stock options will provide a return to the executive only if he or she remains in the Company's employ. Second, stock options align executive compensation with the interests of the Company's shareholders and thereby focus executives on increasing value for the shareholders. Third, stock options are service based. Stock options will provide a return to executives only to the extent that the market price of the Company's common stock appreciates over the option term. Fourth, stock options create incentive for increases in shareholder value over a longer term. In determining the number of options to be granted to executives, the Committee takes into account the individual's position, scope of responsibility, ability to affect profits and shareholder value, the individual's historic and recent performance, and the estimated value of stock options at the time of grant.

The Company does not believe there are risks arising from its compensation policies and practices for employees that are reasonably likely to have a material adverse effect on it.

Employment Agreements

The Company does not have employment agreements, written or unwritten, with its Named Executive Officers.

Base Salary

The Fiscal 2013 base salary for each Named Executive Officer was set on the basis of personal performance, skill set and experience, position criticality, the salary levels in effect for comparable positions with other companies in the industry, and internal comparability considerations.

Benefits and Perquisites

Benefits are established based upon an assessment of competitive market factors and a determination of what is needed to attract and retain talent. The primary benefits received by the Company's Named Executive Officers are the same as for all other employees and include participation in the Company's health, dental and vision plans, 401(k) plan and the Company's disability and life insurance plans. Wayne A. Case is also provided with use of an automobile.

Annual Cash Performance Compensation

Our executives' performance is reviewed annually in October, and executives may receive annual cash bonuses, generally based upon the Compensation Committee's evaluation of individual performance and the Company's performance generally. These executives are responsible for establishing strategic direction or are responsible for major functional or operating units and have an impact on bottom-line results. During Fiscal 2013, no executive officer was paid a cash bonus.

Stock Options

In Fiscal 2013, Ms. Ferguson received 25,000 stock option grants in conjunction with her employment offer. No other Named Executive Officers received stock option grants in fiscal 2013.

The following table has been reviewed and approved by the Compensation Committee and sets forth amounts of cash and certain other compensation paid by the Company to Wayne A. Case, Chief Executive Officer; James A. Fitzhenry, President; Ann M. Ferguson, Chief Financial Officer and Treasurer; Jeffrey T Siegal, former Chief Financial Officer and Treasurer; and David W. Case, Vice President of Operations (the Named Executive Officers) during Fiscal 2013. No other executive officer was paid salary and bonus in excess of \$100,000 in Fiscal 2013.

STOCK OPTION PLANS AND OPTION GRANTS IN FISCAL 2013

The Board of Directors adopted the 2004 Stock Option Plan (2004 Plan) in August 2004 and the 1995 Stock Option Plan (1995 Plan) in December 1995, which plan was amended in August 1996 and restated in August 1998. An option granted under the 2004 Plan and/or 1995 Plan (the Plans) might be either an incentive stock option (ISO), or a nonstatutory stock option (NSO). ISOs may be granted only to employees and members of the Board of Directors of the Company and are subject to certain limitations, in addition to restrictions applicable to all stock options under the Plan. Options not meeting these limitations will be treated as NSOs. The purchase price of ISOs is fair market value on the date of grant; the purchase price of NSOs may vary from fair market value. Vesting is at the discretion of the Compensation Committee of the Board of Directors, but is generally 25% at grant date and 25% on each anniversary thereafter. The Company initially reserved 400,000 shares for issuance under the 1995 Plan and 300,000 shares for issuance under the 2004 Plan. The 1995 Plan expired in December

2005, and no additional options may be issued under the 1995 Plan, although expiration of the 1995 Plan did not affect the rights of persons who received stock grants under the 1995 Plan. Stock-based compensation recognized in the Company's Consolidated Financial Statements for the year ended May 31, 2013 includes compensation cost for stock-based awards granted prior to, but not fully vested as of, June 1, 2006.

ADVISORY VOTE ON THE APPROVAL OF EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act entitle the Company's shareholders to vote to approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement pursuant to the SEC's rules.

The Company's executive compensation programs are designed to (1) attract and retain executive officers, (2) reward the achievement of the Company's short-term and long-term performance goals, (3) establish an appropriate relationship between executive pay and short-term and long-term performance, and (4) align executive officers' interests with those of the Company's shareholders. Under these programs, the Company's executive officers are rewarded for the achievement of Company objectives and the realization of increased shareholder value. Please read the section herein entitled "Executive Compensation" for additional details about the Company's executive compensation, including information about the Fiscal 2013 compensation of the Company's Named Executive Officers.

The Compensation Committee continually reviews the compensation programs for the Company's executive officers to ensure they achieve the desired goals of aligning the Company's executive compensation structure with the interests of the Company's shareholders and current market practices.

The Company is asking shareholders to indicate their support for the Company's Named Executive Officer compensation as disclosed in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to express their views on the Company's executive compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Company asks its shareholders to vote "FOR" the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.

The say-on-pay vote is advisory, and therefore not binding on the Company. The Company's Board of Directors and Compensation Committee value the opinions of the Company's shareholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Company will consider the concerns of the shareholders and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote FOR the approval of the compensation paid to the Company's Named Executive Officers. If a quorum is present, a majority of the votes cast by shares entitled to vote is required to approve this proposal.

ADVISORY VOTE ON THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

In addition to the advisory approval of the Company's executive compensation program, the Company is also holding a non-binding advisory vote by shareholders on the frequency with which shareholders would have an opportunity to hold an advisory vote on the Company's executive compensation. The Company has included this proposal among the items to be considered at the Annual Meeting pursuant to the requirements of Section 14A of the Exchange Act. The Company is providing shareholders the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, the Company recommends that shareholders select a frequency of one year.

After careful consideration, the Board of Directors has determined that an advisory vote on executive compensation that occurs annually is the most appropriate alternative for the Company. In formulating its recommendation, the Board of Directors considered that an annual advisory vote on executive compensation will allow shareholders to provide it with their direct input on the Company's compensation philosophy, policies and practices as disclosed in the proxy statement every year.

The Company recognizes that shareholders may have different views as to the best approach for the Company, and therefore the Company and Board of Directors encourage shareholders to express their preferences as to the frequency of an advisory vote on the compensation of the Company's named executive officers.

This vote is advisory and not binding on the Company or the Board of Directors, but the Board of Directors and the Compensation Committee will take into account the outcome of the vote when making decisions about how often the Company conducts advisory votes on the compensation of our named executive officers.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board of Directors. The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency of the advisory vote on executive compensation that has been selected by shareholders. However, because this vote is advisory and not binding on the Board of Directors or the Company, the Board of Directors may decide that it is in the best interests of the Company's shareholders and the Company to hold an advisory vote on executive compensation more frequently than the option approved by shareholders, or less frequently if the shareholders approve either the two or three year option.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote FOR the approval a one-year frequency for future shareholder advisory votes on named executive officer compensation. If a quorum is present, a majority of the votes cast by shares entitled to vote is required to approve this proposal.

DATE FOR SUBMISSION OF SHAREHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, some shareholder proposals may be eligible for inclusion in the Company's 2014 Proxy Statement. Any such proposal must be received by the Company not later than June 2, 2014. Shareholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities law. The submission of a shareholder proposal does not guarantee that it will be included in the Company's Proxy Statement. Alternatively, under the Company's Restated Bylaws, a proposal or nomination that a shareholder does not seek to include in the Company's Proxy Statement pursuant to Rule 14a-8 may be delivered to the Secretary of the Company not less than 60 days nor more than 90 days prior to the date of an Annual Meeting, unless notice or public disclosure of the date of the Annual Meeting occurs less than 60 days prior to the date of such Annual Meeting, in which event, shareholders may deliver such notice not later than the 10th day following the day on which notice of the date of the Annual Meeting was mailed or public disclosure thereof was made. A shareholder's submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the shareholder's ownership of common stock of the Company. Proposals or nominations not meeting these requirements will not be entertained at the Annual Meeting. If the shareholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, the Company may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such proposal or nomination submitted by a shareholder.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors does not know of any other matters to be presented for action by the shareholders at the 2013 Annual Meeting. If, however, any other matters not now known are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote such proxy in accordance with the determination of a majority of the Board of Directors.

COST OF SOLICITATION

The cost of soliciting proxies will be borne by the Company. In addition to use of the mails, proxies may be solicited personally or by telephone by Directors, officers and employees of the Company, who will not be specially compensated for such activities. Also, the Company may retain and compensate an outside firm to assist in obtaining proxies from brokers and nominees of shareholders for the Annual Meeting. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph or messenger. The Company will also request persons, firms and companies holding shares in their names or in the name of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners. The Company will reimburse such persons for their reasonable expenses incurred in that connection.

A copy of the Company's Annual Report to Shareholders for Fiscal 2013 accompanies this Proxy Statement. The Company is required to file an Annual Report on Form 10-K for its fiscal year ended May 31, 2013 with the SEC. Shareholders may obtain, free of charge, a copy of the Form 10-K (without exhibits) by writing to Corporate Secretary, Schmitt Industries, Inc., 2765 N.W. Nicolai Street, Portland, Oregon 97210.
