**Item 8.01 Other Events.**

On January 9, 2014, Twenty-First Century Fox, Inc. (the Company) issued a press release announcing that its Board of Directors has authorized the Company to initiate the process to pursue the removal of the Company's full foreign listing on the Australian Securities Exchange (the ASX), subject to the approval of the holders of the Company's Class B Common Stock. The Company filed a preliminary proxy statement on January 9, 2014 with the U.S. Securities and Exchange Commission for a special meeting of the Company's stockholders, to be held in March or April 2014, to approve the Company's request to remove its listing from the ASX.

The ASX has provided in-principle advice to the Company indicating that it would be likely to remove the Company's listing from the ASX upon the Company's submission of a formal request, subject to the Company's compliance with certain conditions including that holders of CHESSE Depository Interests (CDIs) be sent certain information regarding the proposed delisting. On January 9, 2014, the Company publicly released the in-principle advice it received from the ASX.

If approved by the Company's stockholders and subsequently by the ASX, the delisting from the ASX would occur approximately one month after the special meeting. Following the removal of the Company's listing from the ASX, all of the Company's Class A and Class B Common Stock would be listed solely on the NASDAQ Global Select Market.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and a copy of the release announcing the in-principle advice provided by the ASX is attached hereto as Exhibit 99.2 to this Current Report on Form 8-K and each is incorporated by reference herein.
