2014 Forest Laboratories Inc.

Except for the historical information contained herein, this presentation contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Because these statements involve a number of risks and uncertainties, actual future results may differ

materially from those expressed or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to the difficulty of predicting FDA approvals, acceptance and demand for new pharmaceutical products, challenges relating to intellectual property protection, the impact of competitive products and pricing, the timely development and launch of new products and the risk factors listed from time to time in the Company's SEC reports, including the Company's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and any subsequent SEC filings. Forest assumes no obligation to update forward-looking statements contained in this presentation to reflect new information or future events or developments.

Neither Forest nor Furiex assumes any obligation to update forward-looking statements contained in

this release to reflect new information or future events or developments. Each of Forest and Furiex intends such forward-looking statements to be covered by the Safe Harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and is including this statement for purposes of complying with these Safe Harbor provisions. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies and expectations of each of Forest and Furiex, may be identified by use of the words believe, expect, intend, anticipate, project, or similar expressions. Investors should not rely on forward-looking statements because they are subject to a variety of risks, uncertainties and other factors that could cause actual results to differ materially from such forward-looking statements. All forward-looking statements in this document are qualified in their entirety by this cautionary statement.

Additional Information and Where to Find It

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval, nor shall there be any sale of securities in any

jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. In connection with the proposed acquisition of Furiex by Forest, Furiex will file a proxy statement with the SEC (the Furiex Proxy). Additionally, Furiex will file other relevant materials with the SEC in connection of the proposed acquisition. The Furiex Proxy and other materials that Furiex plans to file with the SEC will contain important information about Furiex, Forest, the proposed merger and related matters. The Furiex Proxy will be delivered to the security holders of Furiex. In connection with the proposed merger between Actavis, plc (Actavis) and Forest, Actavis has filed with the SEC a registration statement on Form S-4 that includes a preliminary joint proxy statement of Actavis and Forest that also constitutes a preliminary prospectus of Actavis (the Forest/Actavis Proxy and Prospectus).

| 5

The registration statement is not yet effective. The definitive Forest/Actavis Proxy and Prospectus will be delivered to security holders of Actavis and Forest. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE FURIEX PROXY, THE FOREST/ACTAVIS PROXY AND

PROSPECTUS AND OTHER RELEVANT DOCUMENTS FILED WITH THE SEC THAT HAVE BEEN OR WILL BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE, AS THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED ACQUISITION AND THE PARTIES THERETO THAT SECURITY HOLDERS SHOULD CONSIDER BEFORE MAKING A DECISION ABOUT THE MERGER. Security holders of Furiex may obtain free copies of the Furiex Proxy and other documents filed with the SEC by Forest or Furiex, without charge, from the SEC's website (<http://www.sec.gov>). In addition, investors and security holders of Furiex may obtain free copies of the documents Furiex files with the SEC by directing a written request to Furiex Pharmaceuticals, Inc., 3900 Paramount Parkway, Suite 150, Morrisville, NC 27560, Attention: Investor Relations. Copies of Furiex's filings with the SEC may also be obtained at the Investors section of Furiex's internet website at www.furiex.com. Investors and security holders of Actavis and Forest may obtain free copies of the Forest/Actavis Proxy and other documents filed with the SEC by Actavis and Forest, without charge, from the SEC's website (<http://www.sec.gov>). In addition, copies of the documents filed with the SEC by Actavis may be obtained free of charge on Actavis' internet website at www.actavis.com or by contacting Actavis Investor Relations Department at (862) 261-7488. Copies of the documents filed with the SEC by Forest may be obtained free of charge on Forest's internet website at www.frx.com or by contacting Forest's Investor Relations Department at (212) 224-6713.

Participants in the Solicitation

2014 Forest Laboratories Inc.

4/29/2014

| 6

Forest, Furiex and their directors and certain of their executive officers may be considered participants in the solicitation of proxies from the security holders of Furiex in connection with the

proposed transaction between Forest and Furiex. Information about those directors and executive officers of Furiex, including their ownership of Furiex securities, is set forth in the proxy statement for Furiex's 2014 Annual Meeting of Stockholders, which was filed with the SEC on April 11, 2014, as supplemented by other Furiex filings with the SEC. Information about the directors and executive officers of Forest is set forth in its proxy statement for its 2013 annual meeting of stockholders, which was filed with the SEC on July 8, 2013 and certain of its Current Reports on Form 8-K. Investors and security holders may obtain additional information regarding the direct and indirect interests of Furiex, Forest and their directors and executive officers in the proposed transaction by reading the applicable proxy statement and other public filings referred to above. Additional information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the Furiex Proxy and other relevant materials to be filed with the SEC when they become available.

| 7

Actavis, Forest, their respective directors and certain of their executive officers and employees may be considered participants in the solicitation of proxies in connection with the proposed transaction between Actavis and Forest. Information regarding the persons who may, under the rules of the

SEC, be deemed participants in the solicitation of the Actavis and Forest shareholders in connection with the proposed merger will be set forth in Forest/Actavis Proxy and Prospectus when it is filed with the SEC. Information about the directors and executive officers of Forest is set forth in its proxy statement for its 2013 annual meeting of stockholders, which was filed with the SEC on July 8, 2013 and certain of its Current Reports on Form 8-K. Information about the directors and executive officers of Actavis is set forth in Actavis proxy statement for its 2014 annual meeting of shareholders, which was filed with the SEC on March 28, 2014. Additional information regarding the participants in the proxy solicitations and a description of their direct and indirect interests, by security holdings or otherwise, are contained in the preliminary Forest/Actavis Proxy and Prospectus and will be contained in the definitive Forest/Actavis Proxy and Prospectus and other relevant materials to be filed with the SEC when they become available.

Furiex Acquisition Rationale

Builds a leading GI company within Forest by adding
Eluxadoline

Natural extension following Aptalis acquisition in January

Highly complementary to our anchor GI product Linzess

IBS-D Affects ~ 28 million in US and Europe

High degree of Physician overlap in IBS-D and IBS-C

New combined GI sales force in place

Brings a near-term filing opportunity into Forest's R&D

Expands Forest product offering geographically

Gives Forest another enduring growth driver with a long patent life

Furiex Transaction Overview

Acquisition of all outstanding shares of Furiex for ~\$1.1 B
\$95 per share

Transaction also includes Contingent Value Right (CVR) of up to \$30 per
Furiex share (~\$360 million in aggregate)

\$10 per share if eluxadoline is designated schedule IV drug

\$20 per share if eluxadoline is designated schedule V drug

\$30 per share if eluxadoline is NOT designated a scheduled drug

Upon completion of the Furiex acquisition, Forest expects to divest Furiex's royalties on alogliptin and Priligy to Royalty Pharma

\$415 million

\$315 million after tax
