**BRAZILIAN REAL STRATEGY FUND**

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF THE INFORMATION STATEMENT**

**September 24, 2014**

**The Information Statement is available at [www.wisdomtree.com](http://www.wisdomtree.com)**

This document is an Information Statement and is being furnished to shareholders of the Brazilian Real Strategy Fund (the Fund), a series of WisdomTree Trust (the Trust), in lieu of a proxy statement pursuant to the terms of an exemptive order issued by the Securities and Exchange Commission (the SEC). WisdomTree Asset Management, Inc. (the Adviser) serves as the investment adviser for the Fund. The exemptive order permits the Adviser and the Board of Trustees of the Trust (the Board) to employ unaffiliated sub-advisers, terminate sub-advisers, and modify sub-advisory agreements with unaffiliated sub-advisers without prior approval of the Fund's shareholders.

The Board reviews advisory and sub-advisory agreements annually or as otherwise required under applicable law. In addition, under the exemptive order, if the Adviser and the Board retain a new sub-adviser, the Trust is required to provide an Information Statement to shareholders of the affected portfolios of the Trust explaining the change.

This Information Statement is being mailed on or about September 24, 2014, to the shareholders of the Fund as of September 19, 2014. The Adviser will pay the expenses of preparing this Information Statement. Certain information on the share ownership of the Fund is set forth in Appendix A.

***WE ARE NOT ASKING YOU FOR A PROXY.***

***PLEASE DO NOT SEND US A PROXY.***

**Appointment of Western Asset Management Company, Western Asset Management Company Limited and Western Asset Management Company Pte. Ltd. in Singapore as Sub-Advisers to the Fund**

At a meeting of the Board held on June 12, 2013 (the Meeting), the trustees of the Trust (each a Trustee), including the Trustees who are not interested persons of the Trust (Independent Trustees), as defined in the Investment Company Act of 1940, as amended (the 1940 Act), unanimously approved the appointment of Western Asset Management Company (Western Asset Management), Western Asset Management Company Limited (Western Asset London) and Western Asset Management Company Pte. Ltd. in Singapore (Western Asset Singapore) (together, Western Asset) to serve as sub-advisers to the Fund. Western Asset replaced Mellon Capital Management Corporation (Mellon Capital) as the sub-adviser to the Fund.

No officers or Trustees of the Trust are officers, employees, directors, managers or members of Western Asset. In addition, since the beginning of the Trust's last fiscal year, no Trustee has had, directly or indirectly, any interest in Western Asset, any of its parents or subsidiaries or any subsidiaries of a parent of any such entities, and no Trustee has been a party to a material transaction or material proposed transaction to which Western Asset, any of its parents or subsidiaries or any subsidiaries of a parent of any such entities, was or is to be a party.

**Considerations by the Board of Trustees**

At the Meeting, the Board, including the Independent Trustees, considered the approval of the investment sub-advisory agreement (the Agreement) between the Adviser and Western Asset pursuant to which Western Asset will coordinate the investment and reinvestment of the Fund's assets. The Agreement replaced the prior amended and restated investment sub-advisory agreement between the Adviser and Mellon Capital, dated January 1, 2013, with respect to the Fund (the Mellon Agreement), which was terminated as of the close of business on June 26, 2014. The Board determined that the change in sub-adviser was in the best interests of Fund shareholders due to, among other matters, the factors set forth below.

In considering whether to approve the Agreement, the Board considered and discussed information and analysis provided by the Adviser. The Board was assisted in its review by independent legal counsel. In considering the approval of the Agreement, the Board considered all factors that it deemed to be relevant, including those discussed below. The Board did not identify any particular factor as controlling, and each Trustee may have attributed different weights to the various factors.

***Nature, Extent and Quality of Services to be Provided.*** The Board considered the nature, extent and quality of the services to be provided by Western Asset, recognizing Western Asset's operational capabilities and resources. The Board considered Western Asset's organization, history and reputation and the qualifications of its personnel, as well as its expertise in providing portfolio management services to other similar investment portfolios. The Board also considered the Adviser's favorable assessment of the nature and quality of the investment sub-advisory services expected to be provided to the Fund by Western Asset and the Adviser's recommendation to engage Western Asset.

***Investment Performance of Western Asset.*** Because Western Asset was a newly-appointed investment sub-adviser for the Fund, the Board could not consider Western Asset's investment performance in managing the Fund's portfolio as a factor in evaluating the Agreement during the Meeting. The Board discussed the portfolio management personnel and the investment strategies to be employed in management of the Fund's assets.

***Costs of Services to be Provided, Profitability and Economies of Scale.*** The Board considered the proposed fees to be paid under the Agreement, noting that the fees would be paid by the Adviser, and not the Fund, and thus would not impact the fees paid by the Fund. The Board concluded that the proposed fees payable to Western Asset by the Adviser were reasonable and appropriate. The Board recognized that, because Western Asset's fee would be paid by the Adviser, and not the Fund, an analysis of profitability and economies of scale was more appropriate in the context

of the Board's consideration of the investment advisory agreement between the Trust

and the Adviser. Accordingly, the Board did not consider Western Asset's profitability to be relevant to its deliberations with respect to approval of the Agreement. The Board considered potential benefits to Western Asset from acting as investment sub-adviser to the Fund.

**Conclusion.** After consideration of the factors discussed above, the Board, including a majority of the Independent Trustees, determined that the approval of the Agreement was in the best interests of the Fund and approved the Agreement for the Fund.

### **Information Concerning the Adviser**

The Adviser, located at 245 Park Avenue, 35<sup>th</sup> Floor, New York, New York 10167, serves as investment adviser to the Fund. The Adviser has served as the investment adviser for the Fund since its inception. The Adviser oversees Western Asset to ensure its compliance with the investment policies and guidelines of the Fund and monitors Western Asset's adherence to its investment style. The Adviser provides daily monitoring of Western Asset's buying and selling of Fund securities and regularly reviews Western Asset's performance. For the fiscal year ended August 31, 2013, the Fund paid the Adviser \$244,748 or 0.45% of the Fund's average annual net assets, for investment management services provided to the Fund. The terms of the Fund's investment advisory agreement with the Adviser are unaffected by the approval of the Agreement. Thus, if the Agreement had been in place during the fiscal year ended August 31, 2013, the Fund would have paid the Adviser the exact same amount in fees.

## Terms of the Sub-Advisory Agreement

The mandate for Western Asset to become sub-adviser to the Fund was added by way of Amendment effective June 27, 2014 to the existing Sub-Advisory Agreement with Western Asset dated December 5, 2012. The Agreement, as amended with respect to the Fund, will continue in effect for two years from its effective date, unless sooner terminated. The Agreement, as amended with respect to the Fund, will continue in force from year to year thereafter so long as it is specifically approved at least annually in the manner required by the 1940 Act.

The Agreement may be terminated, without payment of any penalty, (i) by a vote of a majority of the Board or by a vote of a majority of outstanding voting securities of the Fund, as defined by the 1940 Act, on not more than 60 days prior written notice to Western Asset; (ii) by the Adviser or Western Asset for cause on at least 60 days written notice to the other party; and (iii) by the Adviser or Western Asset on at least 120 days written notice to the other party prior to any annual renewal term.

The Agreement will automatically terminate, without the payment of any penalty, in the event of its assignment (as defined in the 1940 Act) or in the event that the investment advisory agreement between the Adviser and the Trust, with respect to the Fund, is assigned or terminated for any other reason.

Western Asset is entitled to an annual fee for its investment sub-advisory services to the Fund. All sub-advisory fees are paid by the Adviser and not the Fund. Because the Adviser pays Western Asset out of its own fees received from the Fund, there is no duplication of advisory fees paid. The Adviser receives an annual fee of 0.45% of the Fund's average daily net assets. ***There will be no increase in advisory fees to the Fund and its shareholders in connection with the appointment of Western Asset as sub-adviser to the Fund.***

The foregoing description of the Agreement is only a summary and is qualified in its entirety by reference to the text of the Agreement. A copy of the existing Sub-Advisory Agreement between the Adviser and Western Asset dated December 5, 2012 is on file with the SEC and available: (1) in person at the SEC's Public Reference Room in Washington, D.C. (upon payment of any applicable fees); (2) by mail (Public Reference Section, Securities and Exchange Commission, Washington, DC 20549-1520) or email (publicinfo@sec.gov) (upon payment of any applicable fees); or (3) on the EDGAR Database on the SEC's internet website ([www.sec.gov](http://www.sec.gov)). The amendment to the Agreement, with respect to the Fund, will also be filed with the SEC and be available, as described above, on or before the next filing of the Fund's registration statement.
