<b><u>Units Offering</u></b>

<b>Pricing Date:</b>	November 19, 2014.
<b>Settlement Date:</b>	November 25, 2014.
<b>Title of Securities:</b>	7.50% Tangible Equity Units (the <b>Units</b> ).
<b>Number of Units Offered:</b>	150,000 Units (or 172,500 Units if the underwriters of the Units Offering exercise their over-allotment option to purchase 22,500 additional Units in full).
<b>Stated Amount:</b>	Each Unit has a stated amount of \$1,000.

**Components of Each Unit:**

Each Unit is comprised of two parts:

a prepaid stock purchase contract (a **Purchase Contract**); and

one share of mandatory redeemable preferred stock (a share of **Mandatory Redeemable Preferred Stock**), which has an initial liquidation preference of \$201.58 per share of Mandatory Redeemable Preferred Stock and has a final preferred stock installment payment date of December 1, 2017.

**Fair Market Value of the Units:**

Kindred has determined that the fair market value of each Purchase Contract is \$798.42 and the fair market value of each share of Mandatory Redeemable Preferred Stock is \$201.58.

**Reference Price:**

\$19.75, which is the Common Stock Public Offering Price in the Common Stock Offering described above (subject to adjustment as described in the Units Preliminary Prospectus Supplement).

**Threshold Appreciation Price:**

\$1,000 *divided* by the Minimum Settlement Rate (rounded to the nearest \$0.0001), which initially is approximately \$23.21 and which represents an approximately 17.5% appreciation over the Reference Price.

**Minimum Settlement Rate:**

43.0918 shares of Common Stock per Purchase Contract (subject to adjustment as described in the Units Preliminary Prospectus Supplement).

**Maximum Settlement Rate:**

50.6329 shares of Common Stock per Purchase Contract (subject to adjustment as described in the Units Preliminary Prospectus Supplement).

**Settlement Rate:**

The following table illustrates the settlement rate per Purchase Contract and the value of Common Stock issuable upon settlement on the mandatory settlement date, determined using the applicable market value (each as defined in the Units Preliminary Prospectus Supplement) shown, subject to adjustment as described in the Units Preliminary Prospectus Supplement:

Applicable Market Value	Value of Common Stock	
	Delivered (Based on the Applicable Market Value	Thereof)
of Common Stock	Settlement Rate	
Less than the Reference Price	The Maximum Settlement Rate	Less than \$1,000
Greater than or equal to the Reference Price but less than or equal to the Threshold Appreciation Price	A number of shares of Common Stock equal to \$1,000, <i>divided</i> by the applicable market value	\$1,000
Greater than the Threshold Appreciation Price	The Minimum Settlement Rate	Greater than \$1,000

As a result, if, on the mandatory settlement date, the applicable market value is greater than the threshold appreciation price, a holder would receive only approximately 85% of the appreciation in market value of the shares of Common Stock that such holder would have received had such holder purchased \$1,000 worth of shares of Common Stock at the Common Stock Public Offering Price in the Common Stock Offering.

**Change to Units Preliminary Prospectus Supplement No Listing:**

Kindred will not apply to list the Units on NYSE or any other securities exchange or market. All reference in the Units Preliminary Prospectus Supplement to any application by Kindred to list the Units is deemed to be deleted.

The following table sets forth the fundamental change early settlement rate (as defined in the Units Preliminary Prospectus Supplement) per Purchase Contract for each stock price and effective date set forth below:

\$100.00	40.0382	41.0648	42.0699	43.0918

The exact stock price and effective date may not be set forth in the table above, in which case:

if the stock price is between two stock prices in the table or the effective date is between two effective dates in the table, the fundamental change early settlement rate will be determined by straight line interpolation between the fundamental change early settlement rates set forth for the higher and lower stock prices and the earlier and later effective dates based on a 365-day year, as applicable;

if the stock price is greater than \$100.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above), then the fundamental change early settlement rate will be the Minimum Settlement Rate; or

if the stock price is less than \$5.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above, the **Minimum Stock Price** ), the fundamental change early settlement rate will be determined as if the stock price equaled the Minimum Stock Price, and using straight line interpolation, as described in the first bullet of this paragraph, if the effective date is between two effective dates in the table.

The maximum number of shares of Common Stock deliverable under a Purchase Contract is 50.6329, subject to adjustment at the same time and in the same manner as the fixed settlement rates as set forth under Description of the Purchase Contracts Adjustments to the Fixed Settlement Rates in the Units Preliminary Prospectus Supplement.

**Merger Termination Redemption:**

With respect to a merger termination redemption for which the merger termination stock price is greater than the reference price (subject to adjustments as described in the Units Preliminary Prospectus Supplement), the merger redemption amount will be determined based on the merger redemption rate (as defined in the Units Preliminary Prospectus Supplement) per Purchase Contract set forth in the table below for each merger termination stock price set forth in the table below:

Merger Termination Stock Price	Merger Redemption Rate
\$19.75, which is equal to the Reference Price	41.7519 (the <b>Maximum Redemption Rate</b> )
\$21.00	41.4901
\$22.00	41.3094
\$23.21	41.1212
\$24.00	41.0146
\$25.20	40.8745
\$27.50	40.6682
\$30.00	40.5164
\$35.00	40.3600
\$40.00	40.3126 (the <b>Minimum Redemption Rate</b> )

The exact merger termination stock prices may not be set forth in the table above, in which case:

if the applicable merger termination stock price is between two merger termination stock prices in the table, the merger redemption rate will be determined by straight line interpolation between the merger redemption rates set forth for the higher and lower merger termination stock prices; or

if the merger termination stock price is greater than \$40.00 per share (subject to adjustment at the same time and in the same manner as the merger termination stock prices set forth in the table above), then the merger redemption rate will be the Minimum Redemption Rate.

If the merger termination stock price is less than or equal to the reference price (subject to adjustment at the same time and in the same manner as the merger termination stock prices set forth in the table above), the merger redemption amount will be an amount of cash equal to 104% of the allocated fair value of the Purchase Contract (\$798.42), which would be approximately \$830.36.

**Initial Liquidation Preference of Mandatory Redeemable Preferred Stock:**

\$201.58 per share of Mandatory Redeemable Preferred Stock  
\$30,237,000 in aggregate (or \$34,772,550 if the underwriters of the Units Offering exercise their over-allotment option to purchase 22,500 additional Units in full).

**Installment Payment Dates:**

March 1, June 1, September 1 and December 1 of each year, commencing on March 1, 2015, with a final installment payment date of December 1, 2017.

**Preferred Stock Installment Payments on the Mandatory Redeemable Preferred Stock:**

Kindred will make quarterly preferred stock installment payments of \$18.75 per share of Mandatory Redeemable Preferred Stock (except for the March 1, 2015 preferred stock installment payment, which will be \$20.00 per share of Mandatory Redeemable Preferred Stock) (equivalent to a 7.50% cash payment per year) in cash, shares of the Common Stock, or a combination thereof, at Kindred's election, to the extent that Kindred has funds lawfully available for such purpose with respect to any such payments in cash and, with respect to the dividend portion of such payment, such dividend is declared by Kindred's board of directors.

Dividends on the Mandatory Redeemable Preferred Stock will accumulate at a rate of 7.25% per annum on the outstanding liquidation preference (after giving effect to any prior reductions therein) of the Mandatory Redeemable Preferred Stock.

Each preferred stock installment payment will constitute a payment of dividends and a payment of consideration (the **Redemption Amount** ) for the partial reduction in the liquidation preference of the Mandatory Redeemable Preferred Stock, allocated as set forth in the following table:

Preferred Stock Installment Payment Date	Redemption Amount	Dividend Amount
March 1, 2015	\$ 16.10	\$ 3.90
June 1, 2015	\$ 15.39	\$ 3.36

June 1, 2017	\$ 17.77	\$ 0.98
September 1, 2017	\$ 18.09	\$ 0.66
December 1, 2017	\$ 18.42	\$ 0.33

**Redemption of Mandatory Redeemable Preferred Stock at the Option of the Holder:**

If Kindred elects to settle the Purchase Contracts early or in the event of a Merger Termination Redemption, holders of Mandatory Redeemable Preferred Stock (whether as components of Units or separate Mandatory Redeemable Preferred Stock) will have the right to require Kindred to redeem their Mandatory Redeemable Preferred Stock for cash, shares of Common Stock or a combination thereof, at Kindred's election at a redemption price per share of Mandatory Redeemable Preferred Stock equal to the liquidation preference per share of Mandatory Redeemable Preferred Stock as of the Redemption Date *plus* accumulated and unpaid dividends on such share to, but excluding, the redemption date.

**Units Public Offering Price:**
