**Item 1.01 Entry into a Definitive Material Agreement.**

On December 4, 2014, NewStar Financial, Inc. (the Company) completed its sale of \$200 million aggregate principal amount of subordinated notes (Notes) and warrants (Warrants) to purchase 9.5 million shares of the Company's common stock to three investment funds (the Investors) advised by Franklin Square Capital Partners and sub-advised by an affiliate of GSO Capital Partners LP (GSO) in a previously announced private placement transaction. The sale is the initial closing (the Initial Closing) contemplated by the investment agreement (the Investment Agreement), dated as of November 4, 2014, entered into between the Company and the Investors, which provides for the Investors to purchase from the Company \$300 million principal amount of Notes and Warrants to purchase 12 million shares of Company common stock. The sale of the remaining \$100 million principal amount of Notes to the Investors will occur at subsequent closings during the year following the date of the Initial Closing, in each case at the election of the Company and in tranches of at least \$25 million principal amount of Notes. The issuance of the remaining Warrants, as well as the removal of certain ownership restrictions contained in the Warrants issued at the Initial Closing, are subject to the approval of the Company's stockholders, which will be requested at a special meeting of stockholders. Except as described below, the terms of the Investment Agreement, the Notes, the Warrants and certain related documents are described in Section 1.01 of the Company's Current Report on Form 8-K, filed on November 10, 2014, and such information is incorporated herein by reference. At the Initial Closing, the Company and the Investors also entered into an Amendment No. 1 to the Investment Agreement (the Amendment), which amended certain provisions in the Investment Agreement and form of Warrant to provide, among other things, that the Notes will be sold to the Investors for a purchase price equal to 100% of their principal amount, to provide for a structuring fee to be paid by the Company to the Investors equal to 2% of the principal amount of the Notes sold and to make certain clarifying changes with respect to the ownership limitations contained in the Warrants. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

The Notes, the Warrants and any shares of the Company's common stock to be issued pursuant to the Warrants (the Warrant Shares) have not been registered under the Securities Act of 1933, as amended (the Securities Act), and have been or will be issued in reliance upon the exemption from registration provided by Section 4(a)(2) and Regulation D under the Securities Act. The Notes, Warrants and Warrant Shares cannot be sold by the Investors except pursuant to an exemption from registration or, in the case of the Warrants and Warrant Shares, if they are subsequently registered under the Securities Act.

The Company plans to call a special meeting of its stockholders with respect to the matters relating to the Warrants and in connection with that meeting, has filed a preliminary proxy statement with the Securities and Exchange Commission (SEC) and plans to file and mail a definitive proxy statement to its stockholders. The proxy statement will contain important information about the Company, the Investors, the Warrants and related matters.
