ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 8, 2014, Tenneco Inc. (Tenneco) completed a refinancing of its senior credit facility by entering into an amendment and restatement of that facility. The Fourth Amended and Restated Credit Agreement, dated as of December 8, 2014, among Tenneco, JPMorgan Chase Bank, N.A., as administrative agent, and the other lenders party thereto (the Amended and Restated Credit Facility) enhances Tenneco s financial flexibility by lowering annual interest expense and increasing the size and extending the term of its revolving credit facility and term loan facility. The Amended and Restated Credit Facility remains secured by substantially all of Tenneco s domestic assets and pledges of 65 percent of the stock of certain first-tier foreign subsidiaries, as well as guarantees by Tenneco s material domestic subsidiaries.

The Amended and Restated Credit Facility consists of a \$1.2 billion revolving credit facility and a \$300 million term loan A facility, which replace Tenneco s former \$850 million revolving credit facility and \$213 million term loan A facility. The revolving credit facility and the term loan A facility will each mature on December 8, 2019. The term loan A facility is payable in 20 consecutive quarterly installments, commencing March 31, 2015, with 5% being paid in each of the first two years, 7.5% in the third year, 10% in the fourth year and 72.5% in the final year. The proceeds of the term loan A facility will be used to refinance the loans outstanding under the prior senior credit facility, to pay fees and expenses relating to the refinancing transaction and for general corporate purposes.

Tenneco expects that its annual interest expense will be reduced by approximately \$4 million as a result of the Amended and Restated Credit Agreement.

Tenneco will pay LIBOR plus 1.75% on borrowings under the revolving credit facility and the term loan A facility. Tenneco previously paid LIBOR plus 2.50% on borrowings under the revolving credit facility and the term loan A facility. The interest rates payable under the Amended and Restated Credit Facility continue to be subject to change if Tenneco s consolidated net leverage ratio changes.

Combined annual interest savings related to the Amended and Restated Credit Facility and the refinancing of Tenneco s 7 3/4 percent Senior Notes due 2018 announced on December 2, 2014 are expected to be approximately \$9 million.

Tenneco expects to incur total fees and expenses of approximately \$8 million in connection with the amendment and restatement, which fees and expenses will be capitalized and amortized over the term of the credit facility. In addition, Tenneco expects to record approximately \$1 million in non-recurring pre-tax charges related to refinancing the senior credit facility in the fourth quarter of 2014, which when combined with the non-recurring pre-tax charges related to refinancing the 7 3/4 percent Senior Notes due 2018 announced on December 2, 2014, will result in Tenneco recording refinancing charges of \$13 million in the fourth quarter of 2014 for such transactions.

The Amended and Restated Credit Facility continues to include customary provisions that could require all amounts due thereunder to become due and payable, either automatically or at the option of the lenders, if Tenneco fails to comply with the terms of the Amended and Restated Credit Facility or if other customary events occur. The Amended and Restated Credit Facility does not contain any terms that could accelerate the payment of it or affect pricing under it as a result of a credit rating change.

Copies of the Amended and Restated Credit Facility and the related Amended and Restated Guarantee and Collateral Agreement are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The descriptions and provisions of the Amended and Restated Credit Facility set forth above are summaries only, are not necessarily complete and are qualified in their entirety by reference to the full and complete terms contained in the Amended and Restated Credit Facility, a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information under Item 1.01 is incorporated herein by reference.

On December 8, 2014, Tenneco Inc. issued a press release announcing the amendment and restatement of its senior credit facility. A copy of this press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
