Securities to be Registered		Offering Price Per Unit	Offering Price(2)

- (1) Represents the number of ordinary shares of Mylan N.V. (the Registrant) issuable to certain subsidiaries of Abbott Laboratories (Abbott) pursuant to the Amended and Restated Business Transfer Agreement dated as of November 4, 2014 (the Business Transfer Agreement), among the Registrant, Mylan Inc., Moon of PA, Inc. and Abbott. Pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act), the ordinary shares being registered hereunder include such indeterminate number of ordinary shares as may be issuable with respect to the ordinary shares being registered hereunder as a result of stock splits, stock dividends or similar transactions.
- (2) Estimated solely for the purpose of calculating the registration fee computed pursuant to Rule 457(f)(2) under the Securities Act. The Registrant estimates that the book value per share of the ordinary shares to be registered is equal to \$15.20, based on the total number of outstanding shares as of February 26, 2015. This estimates assumes that Mylan Inc. will be a wholly owned indirect subsidiary of the registrant and that the Registrant will acquire the non-U.S. developed markets specialty and branded generics business of Abbott (the Business) following the completion of the transactions contemplated by the Business Transfer Agreement. The aggregate book value of Mylan Inc. is \$3,406,300,000 and the aggregate book value of the Business is \$2,345,000,000, each as of September 30, 2014, the latest practicable date prior to the filing of this registration statement. The book value per share upon which the registration fee is calculated does not indicate any anticipated market value upon the issuance of the ordinary shares.

PROSPECTUS

MYLAN N.V.

110,000,000 Ordinary Shares

This prospectus relates solely to the resale of up to an aggregate of 110,000,000 of our ordinary shares by the selling shareholders identified in this prospectus. We are registering the offer and sale of the ordinary shares on behalf of the selling shareholders.

The ordinary shares offered under this prospectus were issued to the selling shareholders in a private placement in connection with our acquisition of the non-U.S. developed markets specialty and branded generics business (the Business) of Abbott Laboratories (Abbott), as described under the heading Mylan N.V. on page 1 of this prospectus.

The selling shareholders may offer the ordinary shares from time to time as they may determine through public or private transactions or through other means described under the heading Plan of Distribution of this prospectus at fixed or privately negotiated prices. The prices at which the selling shareholders may sell the ordinary shares may be determined by the prevailing market prices for the ordinary shares at the time of sale, may be different than such prevailing market prices, or may be determined through negotiated transactions with third parties. We will not receive any of the proceeds from the sale by the selling shareholders of any of the ordinary shares offered by this prospectus. We have agreed to pay all fees and expenses relating to registering the ordinary shares, except the fees and expenses of outside counsel, accountants, advisors, and other representatives for the selling shareholders incurred in connection with any registration or offering of our ordinary shares. The selling shareholders will pay any underwriting discounts, selling commissions, and/or similar charges incurred in connection with any sale of any ordinary shares.

Because all of the ordinary shares offered under this prospectus are being offered by the selling shareholders, we cannot currently determine the price or prices at which our ordinary shares may be sold under this prospectus.

We are considered the successor to Mylan Inc. for certain purposes under both the Securities Act of 1933, as amended (the Securities Act), and the Securities Exchange Act of 1934, as amended (the Exchange Act), including for purposes of our eligibility to file registration statements on Form S-3. See Mylan N.V. on page 1 of this prospectus.

Our ordinary shares are listed on the NASDAQ Global Select Market (NASDAQ) and trade under the symbol MYL.

Investing in our ordinary shares involves risks. You should carefully consider the information referred to under the heading Risk Factors on page 2 of this prospectus and under similar headings in any prospectus supplement, and in the other documents that are incorporated by reference into this prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

ABOUT THIS PROSPECTUS

This prospectus is a part of a resale registration statement on Form S-3 (the Registration Statement) that we filed with the U.S. Securities and Exchange Commission (the SEC) using a shelf registration process. Under this process, the selling shareholders may offer and sell an aggregate of up to 110,000,000 of our ordinary shares, from time to time, in one or more offerings, in any manner described under the heading Plan of Distribution in this prospectus.

In some cases, the selling shareholders will also be required to provide a prospectus supplement containing specific information about the terms on which they are offering and selling our ordinary shares. We may also add information to this prospectus or update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. You should read carefully this prospectus and any prospectus supplement, as well as any post-effective amendments to this Registration Statement, together with the additional information described under the headings Where You Can Find More Information and Incorporation of Certain Documents by Reference in this prospectus.

You should rely only on the information contained in or incorporated by reference into this prospectus and any accompanying prospectus supplement. Neither we nor the selling shareholders have authorized any other person to provide you with information that is different from, or in addition to, that contained in this prospectus and any accompanying prospectus supplement or any of the materials incorporated by reference into this prospectus and any accompanying prospectus supplement. Therefore, if anyone does give you information of this sort, you should not rely on it. You should assume that the information appearing in this prospectus and any prospectus supplement or in any documents incorporated by reference herein or therein is accurate only as of the date of the applicable document. Our business, financial condition, results of operations, and prospects may have changed since that date. Except as required by law, neither we nor the selling shareholders undertake any obligation to update any statements herein for revisions or changes after the date of this prospectus.

This prospectus and any accompanying prospectus supplement do not constitute an offer to sell, or a solicitation of an offer to buy, any securities in any jurisdiction in which or from any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction.

In this prospectus, except as otherwise indicated, New Mylan, we, our, and us refer to Mylan N.V., a public limited liability company (*naamloze vennootschap*) organized and existing under the laws of the Netherlands that was formerly named New Moon B.V., and its consolidated subsidiaries, and Mylan Inc. refers to Mylan Inc., a Pennsylvania corporation, and its consolidated subsidiaries. We are considered the successor to Mylan Inc. for certain purposes under both the Securities Act and the Exchange Act, including for purposes of our eligibility to file registration statements on Form S-3. See Mylan N.V. on page 1 of this prospectus.

Table of Contents**DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus and the documents incorporated by reference contain forward-looking statements. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements may include, without limitation, statements about the Transaction (as defined in Mylan N.V. on page 1 of this prospectus), benefits and synergies of the Transaction, future opportunities for us and products and any other statements regarding our future operations, anticipated business levels, future earnings, planned activities, anticipated growth, market opportunities, strategies, competition and other expectations and targets for future periods. These often may be identified by the use of words such as will, may, could, should, would, project, believe, anticipate, expect, plan, estimate, forecast, potential, intend, continue, target and variations of comparable words. Because forward-looking statements inherently involve risks and uncertainties, actual future results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to: the ability to meet expectations regarding the accounting and tax treatments of the Transaction; changes in relevant tax and other laws; the integration of the Business being more difficult, time-consuming, or costly than expected; operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers, clients, or suppliers) being greater than expected following the Transaction; the retention of certain key employees of the Business being difficult; the possibility that we may be unable to achieve expected synergies and operating efficiencies in connection with the Transaction within the expected time frames or at all and to successfully integrate the Business; expected or targeted future financial and operating performance and results; the capacity to bring new products to market, including but not limited to where we use our business judgment and decide to manufacture, market, and/or sell products, directly or through third parties, notwithstanding the fact that allegations of patent infringement(s) have not been finally resolved by the courts (i.e., an at-risk launch); success of clinical trials and our ability to execute on new product opportunities; the scope, timing, and outcome of any ongoing legal proceedings and the impact of any such proceedings on financial condition, results of operations and/or cash flows; the ability to protect intellectual property and preserve intellectual property rights; the effect of any changes in customer and supplier relationships and customer purchasing patterns; the ability to attract and retain key personnel; changes in third-party relationships; the impacts of competition; changes in the economic and financial conditions of our business; the inherent challenges, risks, and costs in identifying, acquiring, and integrating complementary or strategic acquisitions of other companies, products or assets and in achieving anticipated synergies; uncertainties and matters beyond the control of management; inherent uncertainties involved in the estimates and judgments used in the preparation of financial statements, and the providing of estimates of financial measures, in accordance with accounting principles generally accepted in the United States of America and related standards or on an adjusted basis; and the risks and uncertainties associated with our ordinary shares. For more detailed information on the risks and uncertainties associated with our business activities, see the risks described under the heading Risk Factors in Mylan Inc.'s Proxy Statement on Schedule 14A for the Special Meeting of Mylan Inc. Shareholders filed December 24, 2014 and our other filings with the SEC and the risks and uncertainties associated with the business activities of Mylan Inc. described in Mylan Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as updated by Mylan Inc.'s Current Report on Form 8-K filed on August 6, 2014, Mylan Inc.'s Quarterly Report on Form 10-Q for the period ended June 30, 2014, Mylan Inc.'s Quarterly Report on Form 10-Q for the period ended September 30, 2014 and Mylan Inc.'s other filings with the SEC. MYLAN N.V.

We are a leading global pharmaceutical company, which develops, licenses, manufactures, markets, and distributes generic, branded generic, and specialty pharmaceuticals. We offer one of the industry's broadest product portfolios, including approximately 1,400 marketed products, to customers in approximately 140 countries and territories. With the completion of the Transaction, we have expanded our global footprint to reach customers in approximately 145 countries and territories. We operate a global, high quality, vertically-integrated manufacturing platform, which includes approximately 40 manufacturing facilities around the world and one of the world's largest active pharmaceutical ingredient (API) operations. We also operate a strong research and development network that has consistently delivered a robust pipeline. Additionally, we have a specialty business that is focused on respiratory and allergy therapies.

On July 13, 2014, we entered into a definitive agreement with Abbott to acquire the Business in an all-stock transaction. On November 4, 2014, the Company and Abbott entered into and amended and restated the definitive agreement, in the form of the Business Transfer Agreement implementing the Transaction, as defined below. The Transaction closed on February 27, 2015 after receiving approval from Mylan Inc.'s shareholders on January 29, 2015. At closing, Abbott transferred the Business to New Mylan in exchange for 110,000,000 ordinary shares of New Mylan. Immediately following the transfer of the Business, Mylan Inc. merged with a wholly owned subsidiary of New Mylan (together with the transfer of the Business, the Transaction), with Mylan Inc. becoming a wholly owned indirect subsidiary of New Mylan. Mylan Inc.'s outstanding common stock was exchanged on a one to one basis for New Mylan ordinary shares. As a result of the Transaction, New Mylan's corporate seat is located in Amsterdam, the Netherlands, and its principal executive offices are located in Potters Bar, United Kingdom. New Mylan will also have global centers of excellence in the U.S., Europe and India.

The Business includes more than 100 specialty and branded generic pharmaceutical products in five major therapeutic areas and includes several patent protected, novel and/or hard-to-manufacture products. As a result of the acquisition, we have significantly expanded and strengthened our product portfolio in Europe, Japan, Canada, Australia and New Zealand.

As a result of the Transaction, Mylan Inc. shareholders own approximately 78% of New Mylan and Abbott's subsidiaries own approximately 22% of New Mylan. New Mylan, Abbott and certain of Abbott's subsidiaries, including the selling shareholders, entered into a shareholder agreement in connection with the Transaction. See Selling Shareholders' Shareholder Agreement.

We are considered the successor to Mylan Inc., and Mylan Inc. is our indirect wholly owned subsidiary. Mylan Inc.'s address is 1000 Mylan Boulevard, Canonsburg, Pennsylvania 15317, and its telephone number is (724) 514-1800. Additional information about Mylan Inc. is included in documents incorporated by reference into this prospectus. See Where You Can Find More Information in this prospectus.

RISK FACTORS

*In deciding whether to invest in our ordinary shares, you should consider carefully the following risk factors in addition to the other information contained in or incorporated by reference into this prospectus, including the matters addressed under the caption *Disclosure Regarding Forward-Looking Statements* in this prospectus, the risk factors incorporated by reference from Mylan Inc.'s Proxy Statement on Schedule 14A for the Special Meeting of Mylan Inc. Shareholders filed December 24, 2014, and our annual, quarterly, and other reports and documents we file with the SEC after the date of this prospectus and that are incorporated by reference herein or in the applicable prospectus supplement. **In addition to the risk factors below, you should also read and consider the risks related to the business of Mylan Inc. because these risks also apply to us.** These risks can be found in Mylan Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as updated by Mylan Inc.'s Current Report on Form 8-K filed on August 6, 2014, Mylan Inc.'s Quarterly Report on Form 10-Q for the period ended June 30, 2014, and Mylan Inc.'s Quarterly Report on Form 10-Q for the period ended September 30, 2014, which are incorporated by reference herein. See *Where You Can Find More Information* and *Incorporation of Certain Documents by Reference* in this prospectus.*

Risks Related to the Ordinary Shares

SALES OR HEDGING ARRANGEMENTS INVOLVING THE ORDINARY SHARES MAY NEGATIVELY AFFECT THE MARKET PRICE OF THE ORDINARY SHARES.

The ordinary shares issued to Abbott's subsidiaries in the Transaction are generally eligible for immediate resale. Abbott and its subsidiaries are also permitted to enter into certain hedging arrangements with respect to those ordinary shares. See *Selling Shareholders Shareholder Agreement* beginning on page 5 of this prospectus. The market price of the ordinary shares could decline as a result of sales or hedging arrangements involving a large number of the ordinary shares or the perception that these sales or hedging arrangements could occur. These sales or hedging arrangements, or the possibility that these sales or hedging arrangements may occur, also might make it more difficult for us to obtain additional capital by selling equity securities in the future at a time and at a price that we deem appropriate.

THE RIGHTS OF OUR SHAREHOLDERS AND RESPONSIBILITIES OF OUR EXECUTIVE AND NON-EXECUTIVE DIRECTORS ARE GOVERNED BY DUTCH LAW.

Our corporate affairs are governed by our articles of association (the *Articles*) and the laws governing public limited liability companies (*naamloze vennootschappen*) organized in the Netherlands. In the performance of its duties, our board of directors is required by Dutch law to act in the interest of the company and its affiliated business, and to consider the interests of the company, shareholders, employees, and other stakeholders with reasonableness and fairness. It is possible that some of these parties have or will have interests that are different from, or in addition to, interests of the holders of our ordinary shares.

ABBOTT'S SUBSIDIARIES THAT HOLD ORDINARY SHARES ARE COLLECTIVELY A SIGNIFICANT BENEFICIAL SHAREHOLDER OF OURS AND THE PRESENCE OF A SIGNIFICANT BENEFICIAL SHAREHOLDER MAY AFFECT THE ABILITY OF OUR OTHER SHAREHOLDERS TO EXERCISE INFLUENCE OVER US, ESPECIALLY IN LIGHT OF CERTAIN VOTING OBLIGATIONS UNDER OUR SHAREHOLDER AGREEMENT WITH ABBOTT AND ITS SUBSIDIARIES.

Immediately after the consummation of the Transaction, Abbott's subsidiaries collectively owned approximately 22% of our outstanding voting securities.

Edgar Filing: Mylan N.V. - Form S-3ASR

The shares owned by Abbott's subsidiaries are subject to the terms of the Shareholder Agreement, which requires the Abbott subsidiaries to vote in favor of the director nominees recommended by our board of directors and in accordance with the recommendation of our board of directors on all other matters, subject to certain exceptions

Table of Contents

for extraordinary transactions. See *Selling Shareholders Shareholder Agreement* beginning on page 5 of this prospectus. This voting agreement will be in force with respect to ordinary shares owned by Abbott's subsidiaries so long as they collectively beneficially own at least five percent of our then issued and outstanding ordinary shares. Abbott's subsidiaries that hold ordinary shares are collectively a significant beneficial shareholder of ours. Having a significant beneficial shareholder that is required in many instances to vote with the recommendation of our board of directors may make it more difficult for our other shareholders to exercise influence over most matters submitted to shareholders for approval, including the election of directors, issuances of securities for equity compensation plans, amendments to the Articles, and shareholder proposals submitted pursuant to Rule 14a-8 of the Exchange Act. Additionally, such Abbott subsidiaries are obligated, pursuant to the Shareholder Agreement, not to tender any ordinary shares in any tender or exchange offer that our board of directors recommends that the shareholders reject and, if our board of directors has recommended against a transaction, such Abbott subsidiaries are required to vote against such transaction, which may have the effect of making it more difficult for a third party to acquire, or discouraging a third party from seeking to acquire, a majority of our outstanding ordinary shares in a public takeover offer, or control of our board of directors through a proxy solicitation. See *Selling Shareholders Shareholder Agreement* beginning on page 5 of this prospectus.

WE MAY BE OR BECOME TAXABLE IN THE NETHERLANDS AND THIS MAY INCREASE THE AGGREGATE TAX BURDEN ON OUR SHAREHOLDERS.

We expect to be tax resident solely in the United Kingdom and have requested, but have not yet obtained, binding rulings from the tax authorities in the United Kingdom and in the Netherlands confirming this treatment. However, even if such rulings are granted, the applicable tax laws or interpretations thereof may change, or the assumptions on which such rulings were based may differ from the facts. As a consequence, we may be or become tax resident of the Netherlands. This may result in the imposition of withholding taxes on distributions to our shareholders, which withholding taxes may not be creditable, deductible, or otherwise refundable in a shareholder's country of tax residence.

PROVISIONS IN OUR GOVERNANCE ARRANGEMENTS OR THAT ARE OTHERWISE AVAILABLE UNDER DUTCH LAW COULD DISCOURAGE, DELAY, OR PREVENT A CHANGE IN CONTROL OF NEW MYLAN AND MAY AFFECT THE MARKET PRICE OF OUR ORDINARY SHARES.

Some provisions of our governance arrangements or that are otherwise available under Dutch law, such as the ability to grant to a foundation (*stichting*) (a Dutch foundation) a call option to acquire preferred shares to preserve our long-term value, may discourage, delay, or prevent a change in control of New Mylan, even if such a change in control is sought by our shareholders.

WE DO NOT ANTICIPATE PAYING DIVIDENDS FOR THE FORESEEABLE FUTURE, AND OUR SHAREHOLDERS MUST RELY ON INCREASES IN THE TRADING PRICE OF THE ORDINARY SHARES TO OBTAIN A RETURN ON THEIR INVESTMENT.

We do not anticipate paying dividends in the immediate future. We anticipate that we will retain all earnings, if any, to support our operations and to pursue additional transactions to deliver additional shareholder value. Any future determination as to the payment of dividends will, subject to Dutch law requirements, be at the sole discretion of our board of directors and will depend on our financial position, results of operations, capital requirements, and other factors our board of directors deems relevant. Holders of our ordinary shares must rely on increases in the trading price of their shares to obtain a return on their investment in the foreseeable future.

THE MARKET PRICE OF THE ORDINARY SHARES MAY BE VOLATILE, AND THE VALUE OF YOUR INVESTMENT COULD MATERIALLY DECLINE.

Investors who hold our ordinary shares may not be able to sell their shares at or above the price at which they purchased such shares. The share price of Mylan Inc. s common stock prior to the consummation of the

Table of Contents

Transaction has fluctuated materially from time to time, and we cannot predict the price of the ordinary shares. The risk factors described herein and in the documents incorporated by reference into this prospectus could cause the price of the ordinary shares to fluctuate materially. In addition, the stock market in general, including the market for generic and specialty pharmaceutical companies, has experienced price and volume fluctuations. These broad market and industry factors may materially harm the market price of the ordinary shares, regardless of our operating performance. In addition, the price of the ordinary shares may be affected by the valuations and recommendations of the analysts who cover us, and if our results do not meet the analysts' forecasts and expectations, the price of the ordinary shares could decline as a result of analysts lowering their valuations and recommendations or otherwise. In the past, following periods of volatility in the market, securities class-action litigation has often been instituted against other companies. Such litigation, if instituted against us, could result in substantial costs and diversion of management's attention and resources, which could have a material adverse effect on our business, financial condition, results of operations, cash flows, and/or share price. We also may undertake additional offerings of ordinary shares or of securities convertible into or exchangeable or exercisable for ordinary shares. The resulting increase in the number of the ordinary shares issued and outstanding and the possibility of sales of such ordinary shares or such securities convertible into or exchangeable or exercisable for ordinary shares after any such additional offerings may depress the future trading price of the ordinary shares. In addition, if additional offerings occur, the voting power of our then existing shareholders may be diluted.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of our ordinary shares by the selling shareholders. All proceeds from the sale of our ordinary shares pursuant to this prospectus will be for the accounts of the selling shareholders.

Table of Contents**SELLING SHAREHOLDERS**

The selling shareholders may from time to time offer and sell any or all of our ordinary shares set forth below pursuant to this prospectus. When we refer to selling shareholders in this prospectus, we mean each person listed in the table below and their permitted transferees under the Shareholder Agreement (as defined herein).

Each of the selling shareholders is a wholly-owned, indirect subsidiary of Abbott. The ordinary shares held by the selling shareholders were issued by us pursuant to an exemption from the registration requirements of the Securities Act in connection with our acquisition of the Business pursuant to the Business Transfer Agreement.

The following table sets forth, as of the date of this prospectus, the names of the selling shareholders for whom we are registering our ordinary shares for resale to the public and the number of ordinary shares that the selling shareholders may offer pursuant to this prospectus. We have filed with the SEC, under the Securities Act, the Registration Statement with respect to the resale of our ordinary shares from time to time by the selling shareholders, and this prospectus forms a part of the Registration Statement.

Assuming that the selling shareholders sell all of our ordinary shares beneficially owned by them that have been registered by us and do not acquire any additional shares, the selling shareholders will not own any ordinary shares. We cannot advise as to whether the selling shareholders will in fact sell any or all of such ordinary shares. In addition, the selling shareholders may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, the ordinary shares in transactions exempt from the registration requirements of the Securities Act after the date on which they provided the information set forth on the table below. The percentages of ordinary shares owned set forth below are based on the number of our ordinary shares issued and outstanding as of February 24, 2015.

Shareholder Agreement

As a condition to the consummation of the Transaction, we, Abbott and the selling shareholders entered into the Shareholder Agreement, dated as of February 27, 2015 (the Shareholder Agreement). The Shareholder Agreement sets forth certain terms and conditions concerning our ordinary shares owned by the selling shareholders, which represented approximately 22% of our outstanding voting securities immediately following the consummation of the Transaction. For the purposes of this summary, Abbott and its controlled affiliates (including those that are selling shareholders) are referred to collectively as Abbott.

Voting

So long as Abbott beneficially owns at least five percent of our ordinary shares, Abbott is required to vote each New Mylan voting security (i) in favor of all those persons nominated and recommended to serve as directors of our board of directors or any applicable committee thereof and (ii) with respect to any other action, proposal, or matter to be voted on by our shareholders (including through action by written consent), in accordance with the recommendation of our board of directors or any applicable committee thereof. However, Abbott is free to vote at its discretion in connection with any proposal submitted for a vote of our shareholders in respect of (a) the issuance of equity securities in connection with any merger, consolidation, or business combination of New Mylan, (b) any merger, consolidation, or business combination of New Mylan or (c) the sale of all or substantially all of our assets, except where such proposal has not been approved or recommended by our board of directors, in which event Abbott must vote against the proposal.

Standstill Restrictions

So long as Abbott beneficially owns any of our ordinary shares, it will not increase its ownership percentage in us beyond the greater of (i) its initial ownership percentage (as reduced to give effect to any subsequent transfers of our ordinary shares) and (ii) five percent. In addition, so long as Abbott beneficially owns five percent or more of our outstanding ordinary shares, Abbott will be subject to additional customary standstill restrictions (subject to customary exceptions), including with respect to: (i) acquiring any of our assets or businesses; (ii) conducting, funding, or otherwise becoming a participant in any tender offer involving our equity securities; (iii) acting in concert with others to seek to control or influence our board of directors or our shareholders; (iv) soliciting proxies with respect to or otherwise influencing the voting of our securities; (v) making any public announcement with respect to or proposing any extraordinary transaction involving us; (vi) calling any meeting of our shareholders, initiating any proposal for action of our shareholders or seeking to elect or remove from our board of directors any director; or (vii) depositing any of our voting securities in a voting trust. Abbott is also prohibited from knowingly advising, assisting, arranging or otherwise entering into discussions with any third party with respect to any of the actions prohibited by the standstill restrictions.

The standstill restriction on acquiring our securities does not apply to: (a) acquisitions resulting from a stock split, stock dividend, reorganization, recapitalization, combination, or other similar change approved or recommended by our board of directors; or (b) acquisitions made in connection with a transaction in which Abbott acquires a previously unaffiliated business entity that beneficially owns our equity securities so long as Abbott causes our equity securities to be divested within 120 days after consummation of such transaction such that Abbott's ownership percentage in us is below the ownership percentage set forth in the first sentence of the immediately preceding paragraph.

Transfer Restrictions

Abbott is subject to certain restrictions on its ability to transfer, or enter into a hedging agreement with respect to, our ordinary shares without our consent. Except for certain permitted transfers, Abbott may not transfer beneficial ownership of any of our ordinary shares to certain competitors of ours or to certain activist investors.

Table of Contents

Permitted transfers include transfers: (i) to subsidiaries of Abbott that have executed a joinder to the Shareholder Agreement; (ii) in response to a tender or exchange offer that has been approved or recommended by our board of directors; (iii) to us or our subsidiaries; (iv) effected through a public offering or a brokers' transaction; or (v) subject to certain restrictions, to a counterparty in connection with a hedging arrangement.

Offering Restrictions

During an initial restricted period of 90 days following the consummation of the Transaction (subject to extension in certain instances), we may not directly or indirectly issue, sell, grant, pledge, or otherwise encumber, or agree to issue, sell, grant, pledge, or otherwise encumber, any interest in any of our equity securities, whether through a public offering or private placement or otherwise, (a) in connection with any merger or consolidation with any third party or any acquisition of all or substantially all of the assets or equity securities of any third party or (b) in connection with any other transaction, including any primary offering of our equity securities by us, subject to limited ordinary course exceptions.

Registration Rights

Abbott has customary demand and piggyback registration rights. Abbott has the right to request that we file a registration statement with the SEC in order to register all or part of our ordinary shares that are beneficially owned by Abbott. Abbott is entitled to make no more than seven such requests, each of which must register securities with a minimum aggregate value of \$200,000,000. Abbott has exercised this request right by submitting a request that we file the Registration Statement to which this prospectus relates and that such Registration Statement register all of the ordinary shares that were received by Abbott's subsidiaries upon consummation of the Transaction. We have customary black-out rights for up to 90 days in any 12-month period, provided that we have only limited black-out rights during the 90-day restricted period following the consummation of the Transaction (subject to extension in certain instances).

So long as Abbott beneficially owns ten percent or more of our outstanding ordinary shares, Abbott will be subject to customary lock-up agreements for up to 90 days in the case of primary offerings by us of our equity securities, including ordinary shares, with a minimum aggregate value of \$500,000,000. However, the aggregate black-out and lock-up restrictions will not be applicable for more than a total of 180 days in any 12-month period. Abbott has customary piggyback registration rights, pursuant to which it may request that its ordinary shares be included in any offering of our securities that we initiate in our own right or on behalf of another shareholder, subject to certain restrictions.

Term/Termination

The Shareholder Agreement will terminate when Abbott no longer beneficially owns any of our ordinary shares issued to Abbott in connection with the Transaction.

Fees and Expenses; Indemnification

We have agreed to pay all fees and expenses relating to registering the ordinary shares, except the fees and expenses of outside counsel, accountants, advisors, and other representatives for the selling shareholders incurred in connection with any registration or offering of our ordinary shares. The selling shareholders will pay any underwriting discounts, selling commissions, and/or similar charges incurred in connection with any sale of any ordinary shares.

The Shareholder Agreement provides for indemnification of us and our directors and officers by the selling shareholders, and of the selling shareholders and their respective directors and officers by us, against certain liabilities.

The foregoing discussion of the Shareholder Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Shareholder Agreement, a copy of which is incorporated by reference into this prospectus.

PLAN OF DISTRIBUTION

We are registering the ordinary shares covered by this prospectus to permit the selling shareholders to sell our ordinary shares directly to purchasers or through underwriters, broker-dealers, or agents from time to time after the date of this prospectus. The aggregate proceeds to the selling shareholders from the sale of the ordinary shares will be the purchase price of the ordinary shares less any discount and commissions. Each selling shareholder reserves the right to accept and, together with its respective agents, to reject, any proposed purchases of shares to be made directly or through agents.

The selling shareholders and any underwriters, broker-dealers, or agents that participate in the sale of the ordinary shares or interests therein may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions, or profit they earn on any resale of those ordinary shares may be underwriting discounts and commissions under the Securities Act. The selling shareholders will pay any such underwriting discounts, selling commissions, and/or similar charges incurred in connection with any sale of any ordinary shares.

The selling shareholders and any of their permitted transferees under the Shareholder Agreement may, from time to time, sell any or all of their ordinary shares offered by this prospectus on any stock exchange, market, or trading facility on which the ordinary shares are traded or in private transactions. These sales may be at fixed, varying, or privately negotiated prices. Subject to the limitations set forth in the Shareholder Agreement, the selling shareholders may use any one or more of the following methods when selling the ordinary shares offered by this prospectus:

to underwriters or dealers for resale to the public or to institutional investors;

directly to institutional investors;

directly to a limited number of purchasers or to a single purchaser;

through agents to the public or to institutional investors;

through a combination of any of these methods of sale; or

any other method permitted pursuant to applicable law.

Subject to the limitations set forth in the Shareholder Agreement, in connection with these sales, the selling shareholders may enter into hedging transactions with underwriters, broker-dealers, or other financial institutions that may in turn engage in short sales of our ordinary shares in the course of hedging the positions they assume.

With respect to a particular offering of the ordinary shares held by the selling shareholders, to the extent required, an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the Registration Statement of which this prospectus is a part, will be prepared and will set forth the following information:

the specific ordinary shares to be offered and sold;

the offering terms, including the name or names of the selling shareholders and any underwriters, dealers, or agents;

the purchase price of the securities and the net proceeds to be received by the selling shareholders from the sale and other material terms of the offering;

any underwriting discounts or agency fees and other items constituting underwriters or agents compensation and any other offering expenses;

any public offering price;

any discounts or concessions allowed or reallocated or paid to dealers; and

any securities exchange on which the securities may be listed.

Table of Contents

If the selling shareholders use underwriters or dealers in the sale, the securities will be acquired by the underwriters or dealers for their own account and may be resold from time to time in one or more transactions, including:

privately negotiated transactions;

at a fixed public offering price or prices, which may be changed;

in at the market offerings within the meaning of Rule 415(a)(4) of the Securities Act;

at prices related to prevailing market prices; or

at negotiated prices.

Any public offering price and any discounts or concessions allowed or reallowed or paid to dealers may be changed from time to time.

If underwriters are used in the sale of any ordinary shares, the ordinary shares may be offered either to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Generally, the underwriters' obligations to purchase the ordinary shares will be subject to certain conditions precedent. The underwriters will be obligated to purchase all of the ordinary shares if they purchase any of the ordinary shares.

If indicated in an applicable prospectus supplement, the selling shareholders may sell the ordinary shares through agents from time to time. The applicable prospectus supplement will name any agent involved in the offer or sale of the ordinary shares and any commissions paid to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment. The selling shareholders may authorize underwriters, dealers, or agents to solicit offers by certain purchasers to purchase the ordinary shares at the public offering price set forth in the applicable prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The delayed delivery contracts will be subject only to those conditions set forth in the applicable prospectus supplement, and the applicable prospectus supplement will set forth any commissions paid for solicitation of these delayed delivery contracts.

Agents, underwriters and other third parties described above may be entitled to indemnification by the selling shareholders against certain civil liabilities under the Securities Act, or to contribution with respect to payments which the agents or underwriters may be required to make in respect thereof. Agents, underwriters, and such other third parties may be customers of, engage in transactions with, or perform services for the selling shareholders in the ordinary course of business.

To our knowledge, as of the date of this prospectus, there are no plans, arrangements, or understandings between the selling shareholders and any underwriter, broker-dealer, or agent regarding the sale of the ordinary shares by the selling shareholders.

Our ordinary shares are listed on NASDAQ under the symbol MYL. Any ordinary shares sold will be listed on NASDAQ upon official notice of issuance.

We have advised the selling shareholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of our ordinary shares in the market and to the activities of the selling shareholders and their affiliates. In addition, to the extent applicable, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

There can be no assurance that the selling shareholders will sell all or any of the ordinary shares offered by this prospectus. Moreover, some of the ordinary shares offered by this prospectus may be sold by the selling shareholders in private transactions or under Rule 144 under the Securities Act rather than pursuant to this prospectus.

The specific terms of the lock-up provisions in respect of any given offering will be described in the applicable prospectus supplement.

DESCRIPTION OF ORDINARY SHARES

*The following summary of the terms of our ordinary shares does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Dutch law and our articles of association, which we refer to as our Articles. A copy of our Articles has been filed with the SEC and is incorporated by reference as an exhibit to the Registration Statement of which this prospectus is a part. See *Where You Can Find More Information*.*

Share Capital

Authorized Share Capital

Our Articles authorize two classes of shares, ordinary shares and preferred shares, each with a nominal value of 0.01 per share. Our authorized share capital is 24,000,000, nominal value, and is divided into 1,200,000,000 ordinary shares, each with a nominal value of 0.01, and 1,200,000,000 preferred shares, each with a nominal value of 0.01.

Issued Share Capital

We have issued (i) 110,000,000 ordinary shares with a nominal value of 0.01 per share to Abbott's subsidiaries in connection with our acquisition of the Business and (ii) an additional 378,388,430 ordinary shares with a nominal value of 0.01 per share in connection with the Merger and certain other transactions contemplated by the Business Transfer Agreement. All our ordinary shares are fully paid up and non-assessable. We may issue preferred shares as described below.

Issuance of Shares

For a period of five years from closing of the Transaction, our board of directors (**Board**) may authorize the issuance of shares (including subscription rights thereto) up to our maximum authorized share capital. From and after the fifth anniversary of closing, the General Meeting of our shareholders (**General Meeting**) will have the power and authority upon a proposal duly made by our Board to so authorize the issuance of shares up to our maximum authorized share capital at the time of such issuance, provided that the General Meeting may delegate to and vest our Board with the power and authority to authorize, from time to time, the issuance of shares up to such maximum amount (but in any event not to exceed our authorized share capital at the time of such issuance) and for such period (but in any event not to exceed a period of five years) as the General Meeting may determine. Each such delegation by the General Meeting may be extended from time to time thereby, provided that no extension will result in such delegation exceeding five years, the maximum period permitted by the applicable provision of Dutch law. Unless otherwise expressly provided therein, any such delegation by the General Meeting to our Board of the power and authority to authorize the issuance of shares will be irrevocable.

The consideration for which any shares will be issued (including any subscriptions rights related thereto), as authorized by the General Meeting or our Board, as applicable, and the terms and conditions of such issuance of shares will be as set forth in the resolution of the General Meeting or our Board, as applicable, authorizing the issuance thereof.

Pre-emptive Rights

Our shareholders have a pre-emptive right with respect to the issuances of our ordinary shares in proportion to the aggregate amount of the ordinary shares held by such shareholder. Our shareholders have no pre-emptive right with respect to the issuances of our preferred shares. Also no pre-emptive right exists upon the issue of shares (i) against

payment other than in cash, (ii) to employees of us or our affiliates, or (iii) to a party exercising a previously acquired right to subscribe for shares.

For a period of five years from closing, our Board may restrict or exclude any pre-emptive rights with respect to any share issuance (including subscription rights thereto). From and after the fifth anniversary of closing, pre-

Table of Contents

emptive rights may be restricted or excluded with respect to any share issuance (including subscriptions rights thereto) for shares pursuant to a resolution of the General Meeting upon a proposal duly made by our Board, or pursuant to a resolution of our Board if the power and authority to restrict or exclude pre-emptive rights has been delegated to our Board by the General Meeting for such period (but in any event not to exceed five years) as the General Meeting may determine. Each such delegation by the General Meeting may be extended from time to time thereby, provided that no extension will result in such delegation exceeding five years, the maximum period permitted by the applicable provision of Dutch law.

Unless otherwise expressly provided therein, any such delegation by the General Meeting will be irrevocable.

A resolution of the General Meeting to restrict or exclude pre-emptive rights or to delegate to our Board the power and authority to restrict or exclude pre-emptive rights generally requires the approval of a majority of the votes cast at the General Meeting. If less than half of the issued share capital is represented at the meeting, the approval of at least two-thirds of the votes cast at the General Meeting is required.

Composition of Our Board

As of the consummation of the Transaction, our Board had 13 members. Our Articles require that our Board have at least one executive director and two non-executive directors. Our directors serve one-year terms and our entire Board is up for reelection at each annual General Meeting.

Election and Removal of Directors

Binding Nominations

Our directors are appointed by the General Meeting upon the binding nomination by our Board. The General Meeting may only overrule the binding nomination by a resolution adopted by at least a two-thirds majority of the votes cast, provided such majority represents more than half of the issued share capital. If the General Meeting overrules a binding nomination for director, our Board will promptly make a new nomination.

Removal

Directors may be suspended or removed by the General Meeting, with or without cause, at any time. Our Articles provide that a resolution of the General Meeting to suspend or remove a director pursuant to and in accordance with a proposal by our Board will be passed with an absolute majority of the votes cast. A resolution of the General Meeting to suspend or remove a director other than pursuant to and in accordance with a proposal by our Board will require a two-thirds majority of the votes cast, representing more than half of the issued share capital.

Vacancies

Our Articles provide that in the event of a vacancy, our Board continues to be validly constituted by the remaining directors, and our Board may elect a new director to temporarily fill such vacancy until the next General Meeting and the appointment by the General Meeting of a new director.

In the event all non-executive directors are absent or unable to act, then the executive directors will be authorized to temporarily entrust the tasks and duties of the non-executive directors to one or more other persons. In the event all directors are absent or unable to act, the most recent chairman of our Board and/or such persons that he or she appoints will be temporarily entrusted with the tasks and duties of the non-executive directors until the next General

Meeting at which new non-executive directors are appointed, and such persons will be authorized to temporarily entrust the tasks and duties of the executive directors to one or more other persons until the next General Meeting at which a new executive director or directors are appointed.

Transfer of Shares

If our ordinary shares are not admitted to trading on a regulated market in a European Economic Area state or comparable stock exchange in a non-European Economic Area state, the issuance and transfer of our ordinary shares will require a notarial deed, executed before a civil law notary officiating in a municipality in the Netherlands. Our ordinary shares are listed on NASDAQ (see Listing below) and, accordingly, the issuance or transfer of our ordinary shares does not require a notarial deed.

Any transfer of our preferred shares is restricted under our Articles and will require the approval of our Board.

Form of Shares

Our ordinary shares have been issued in registered form only. No share certificates will be issued for our ordinary shares, unless our Board in its discretion otherwise determines. A share register will be kept by or on behalf of us.

Repurchase of Our Shares

Under Dutch law, a company may not subscribe for newly issued shares in its own capital. Subject to certain provisions of Dutch law and our Articles, we are permitted to acquire fully paid up shares of our share capital for such consideration as our Board may determine, to the extent that (i) the shareholders' equity less the acquisition price is not less than the sum of the paid-up and called-up part of our capital and the reserves that we are required to maintain pursuant to Dutch law, (ii) the nominal value of the shares to be acquired in our capital, which we hold or hold in pledge or which are held by a subsidiary, does not exceed 50% of the issued capital, and (iii) the acquisition of such shares by our Board has been authorized by the General Meeting. Such authorization will be valid for a maximum of 18 months (subject to further authorizations) and the General Meeting has granted an 18 month authorization as of the closing date of the Transaction. The General Meeting will determine in the authorization the number and class of shares that may be acquired, how they may be acquired and the price range. Authorization is not required for the acquisition of our ordinary shares listed on NASDAQ for the purpose of transferring the shares to employees under our equity incentive plans.

Capital Reduction

At the proposal of our Board, the General Meeting will be permitted to resolve to reduce our issued capital by (i) cancellation of shares held by us, (ii) reducing the nominal value of a specific class of shares to be effected by an amendment of our Articles, or (iii) cancellation of all preferred shares. A reduction of the nominal value of shares of a specific class without repayment will be required to be effected proportionally among all shares of that specific class. A resolution that would result in the reduction of capital requires prior or simultaneous approval of the meeting of each group of holders of shares of the same class whose rights are prejudiced by the reduction. A resolution to reduce capital requires notice to our creditors who have the right to object to the reduction in capital under specified circumstances.

Dividends and Other Distributions

Under Dutch law, distributions may be distributed only to the extent the shareholders' equity exceeds the amount of the paid-up and called-up part of the issued share capital and the reserves that must be maintained under Dutch law or our Articles. Distributions may be made after adoption of the annual accounts by the General Meeting and only upon the recommendation and proposal of our Board.

The profits as they appear from the annual accounts will be distributed as follows:

First, if our preferred shares are outstanding, a dividend is distributed to our preferred shares in accordance with our Articles; and

Table of Contents

Second, our Board will determine which part of the profits remaining after such distribution on our preferred shares, if applicable, will be reserved.

Interim dividends may be declared as provided in our Articles and may be distributed to the extent that the shareholders' equity exceeds the amount of the paid-up and called-up part of the issued share capital and the required legal reserves as described above as apparent from interim financial statements prepared in accordance with Dutch law.

Annual Meeting of Our Shareholders

Our Articles provide that the annual General Meeting will be held within six months of the end of the financial year in Amsterdam, Rotterdam, The Hague, Bunschoten-Spakenburg, Haarlemmermeer (*Schiphol*), Schiermonnikoog, Groningen, or Leeuwarden. Annual General Meetings will be convened by our Board or the chairman of our Board (the Chairman) in the manner and with reference to the applicable provisions of Dutch law. The notice convening an annual General Meeting will contain the subjects to be dealt with by the General Meeting, the venue and time of the General Meeting, the procedures for participating and exercising voting rights in the General Meeting and the address of our website.

Dutch law provides that the record date for a General Meeting, if any, will be 28 days prior to the date of such General Meeting.

Special Meetings of Our Shareholders

Dutch law provides that one or more shareholders representing at least one-tenth of the issued share capital of a company may request the Dutch courts to order that a General Meeting be held and may, on their application, be authorized by the court to convene a General Meeting. The court will disallow the application if the applicants have not previously requested the board to convene a General Meeting and the board has taken the necessary steps so that the General Meeting could be held within six weeks after the request.

In addition, our Articles provide that special General Meetings will be held as often as the Chairman, or our Board, deems necessary.

Our Articles provide that a special General Meeting will be held in the manner and with reference to the applicable provisions of Dutch law. The notice convening a special General Meeting must contain the subjects to be dealt with by the General Meeting, the venue and time of the General Meeting, the procedures for participating and exercising voting rights in the General Meeting and the address of our website.

Dutch law provides that the record date for a General Meeting, if any, will be 28 days prior to the date of such General Meeting.

Advance Notice Procedures for a Shareholder Proposal

Our Articles provide that shareholder proposals can only be made by one or more of our shareholders representing at least three percent of our issued capital, must be submitted 60 calendar days before an annual or special General Meeting, and must otherwise comply with applicable law.

Voting Rights

Each of our ordinary shares and each of our preferred shares confers the right to cast one vote at the General Meeting. As a result, the number of votes that a shareholder may cast equals the number of shares such shareholder holds. Under Dutch law and our Articles shareholders do not have cumulative voting rights.

Table of Contents

Resolutions of the General Meeting are passed by an absolute majority of the votes cast, unless Dutch law or our Articles prescribe a larger majority. Under Dutch law or our Articles, the following matters require at least two-thirds of the votes cast at a meeting if less than half of the issued share capital is present or represented:

a resolution to reduce the issued share capital;

a resolution to restrict or exclude rights of pre-emption;

a resolution to designate our Board as authorized to restrict or exclude rights of pre-emption; or

a resolution to enter into a legal merger or a legal demerger.

Quorum

Our Articles provide that insofar as Dutch law or our Articles do not prescribe otherwise, resolutions of the General Meeting will be passed by an absolute majority of votes cast at a General Meeting at which at least one-third of the issued and outstanding share capital is present or represented. Under Dutch law and our Articles, there will be special majority and quorum requirements that apply in relation to certain specific resolutions.

Action by Written Consent

Under Dutch law, resolutions of shareholders outside a General Meeting are possible provided the articles of association expressly allow it and subject to certain other conditions. Our Articles permit our shareholders to take action by unanimous written consent.

Amendment of our Articles

Upon a proposal of our Board, the General Meeting generally will be authorized to resolve to amend our Articles by an absolute majority of votes cast at a General Meeting at which at least one-third of the issued and outstanding share capital is present or represented. However, resolutions of the General Meeting to amend certain enumerated provisions may only be adopted by the General Meeting with a majority of at least 75% of the votes cast, representing more than half of the issued share capital.

This special shareholder vote requirement applies to amendments to the provisions of our Articles that (i) require resolutions of the General Meeting be adopted only pursuant to and in accordance with a proposal by our Board in order to reduce issued share capital; issue ordinary shares or preferred shares; grant rights to subscribe for ordinary and preferred shares, restrict or waive pre-emptive rights with respect to any issuance of, or grant rights to subscribe for, ordinary and preferred shares; or delegate the power and authority to take the foregoing actions; (ii) approve any legal merger or demerger; liquidate or dissolve us; make a distribution from our profits or reserves; or request that our Board file a petition in bankruptcy with respect to us; (iii) provide that the directors are elected upon the binding nomination of our Board; (iv) provide for the suspension or removal of directors; (v) govern amendments to our Articles; (vi) establish the competent courts of the Amsterdam, the Netherlands as the sole and exclusive forum for actions brought against officers and directors; and (vii) require certain transactions between us and an interested person be approved by a majority of at least 75% of the votes cast, representing more than half of the issued share

capital, at the General Meeting.

Our Board may resolve to amend the rules of our Board (the Board Rules) by the affirmative vote of a majority of our Board.

Duties of Directors

Under Dutch law, the board of directors is collectively responsible for the general affairs of the company and executive directors are responsible for the daily management and operations of the company. Non-executive directors are responsible for providing advice to the board, for supervision of the performance of duties by the

Table of Contents

directors and general supervision of the business. Directors must act for the benefit of the company's corporate interests. Under Dutch law, the corporate interest extends to the interests of all corporate stakeholders, such as shareholders, creditors, employees, customers, and suppliers. Directors may not engage in self-dealing, take actions that are devoid of any business rationale, or violate a company's governing documents.

Limitations on Liability of Directors

Under Dutch law, directors of a Dutch public limited liability company (*naamloze vennootschap*) may not be held jointly and severally liable to the company for damages unless the director breaches his or her duties. Directors may be held liable to third parties for any actions that may give rise to a tort.

The tasks of the executive and non-executive directors in a one-tier board such as our Board may be allocated under or pursuant to our Articles or the Board Rules, provided that the General Meeting has stipulated whether a director is appointed as executive or as non-executive director and furthermore provided that the task to supervise the performance by the directors of their duties can only be performed by the non-executive directors. In addition, an executive director may not be appointed as the Chairman or delegated the task of establishing the remuneration of executive directors, or nominating directors for appointment. Tasks that have not been allocated fall within the power of the board as a whole.

Regardless of an allocation of tasks, all directors remain collectively responsible for the general affairs of the company. Therefore, certain important decisions of the board should be adopted by the board in its entirety. All directors are jointly and severally liable for failure of one or more co-directors. However, an individual director is exempted from liability if he proves that he cannot be held seriously culpable for the mismanagement or the improper supervision and that he has not been negligent in seeking to prevent the consequences of the mismanagement or the improper supervision. In this regard a director may refer to the allocation of tasks between the directors. In certain circumstances, directors may incur additional specific civil and criminal liabilities.

Indemnification of Directors and Officers

Without prejudice to any indemnity to which such person may be contractually or otherwise entitled and to the fullest extent permitted by applicable Dutch law, as the same exists or may be amended (but, in the case of such amendment, only to the extent that such amendment permits us to provide broader indemnification rights than such law permitted us to provide prior to such amendment), the Articles provide that we will indemnify any director or officer who was, is, or becomes in his or her capacity as director or officer a party or witness or is or becomes threatened to be made a party or witness to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, or administrative or any action, suit, or proceeding in order to obtain information, against any and all liabilities including all expenses (including attorneys' fees), judgments, fines, amounts paid in settlement, and other financial losses, actually and reasonably incurred by him in connection with such action, suit, or proceeding. As a Dutch company, our indemnification obligations to our directors and officers will be subject to and interpreted in accordance with Dutch law.

Under Dutch law, indemnification generally will not be available to any person in respect of any claim, issue, or matter as to which such person will have been adjudged in a final and non-appealable judgment by a Dutch or other court of competent jurisdiction to be liable for intentional recklessness or willful misconduct in the performance of his or her duty to us unless such court determines that such person is fairly and reasonably entitled to such indemnification despite the adjudication of such liability, or to the extent any related costs and losses have been insured and reimbursed to such person under any applicable insurance policy. Also, no indemnification will be made in respect of any claim brought by us and for which the person is adjudged in a final and non-appealable judgment to

be liable to us unless the court or we have determined that indemnification of some or all expenses incurred by the person is appropriate and permitted under applicable law.

Table of Contents

We also have entered into indemnification agreements with each of our directors and certain of its officers that provide them with substantially similar indemnification rights to those provided under the Articles.

The Articles also provide that we may maintain an insurance policy which insures directors and officers against certain liabilities which might be incurred in connection with the performance of their duties. We currently maintain such a policy. The description of indemnity herein is merely a summary of the provisions in the Articles and other indemnification agreements, and such description shall not limit or alter the provisions in the Articles or other indemnification agreements.

The Shareholder Agreement provides for indemnification of us and our directors and officers by Abbott and the selling shareholders, and of Abbott and the selling shareholders and their respective directors and officers by us, against certain liabilities.

Forum Selection

Unless we consent in writing to the selection of an alternative forum, the competent courts of Amsterdam, the Netherlands will be the sole and exclusive forum for any action asserting a claim for breach of a duty owed by any of our directors, officers, or other employees (including any of our former directors, former officers, or other former employees to the extent such claim arises from such director, officer, or other employee's breach of duty while serving as our director, officer, or employee) to us or our shareholders; any action asserting a claim arising pursuant to or otherwise based on any provision of Dutch law or our Articles; any action asserting a claim that is mandatorily subject to Dutch law; or to the extent permitted under Dutch law, any derivative action or proceeding brought on behalf of us, in each such case subject to such court having personal jurisdiction over the indispensable parties named as defendants therein.

Compensation of Directors

Dutch law requires that we have a policy governing the remuneration of directors adopted by the General Meeting upon the recommendation and proposal of our Board. The remuneration of each individual executive director will be determined by our Board with due observance of the remuneration policy. The executive directors may not participate in the deliberation and the decision-making process of our Board if it concerns the remuneration of an executive director. The remuneration of the individual non-executive directors will be determined by our Board with due observance of the remuneration policy.

Proposals concerning plans or arrangements in the form of shares or rights to subscribe for shares for directors will be submitted by our Board to the General Meeting. The proposal must include the maximum number of shares and/or options that may be granted to directors under the plan and which criteria apply to the granting of such shares or options or to the modification of these arrangements.

Anti-Takeover

Under Dutch law, various protective measures are permissible. Our governance arrangements include several provisions that may have the effect of delaying a potential takeover or making a takeover more difficult or less attractive, including:

the power of our Board to issue to a Dutch foundation (*stichting*) a call option to purchase our preferred shares that, if exercised, could delay a potential takeover or allow us to further discuss with a potential acquiror its future plans for us as well as to search for strategic alternatives; and

Table of Contents

requirements that certain matters, including the amendment of our Articles (see Approval of Certain Transactions description below), may only be brought to the General Meeting for a vote upon a proposal by our Board.

Approval of Certain Transactions

Under Dutch law, resolutions of a company's board of directors regarding a significant change in the identity or nature of the company or its business must be approved at a General Meeting. Such resolutions include in any event the transfer of the business or a substantial part thereof, entering into or terminating a long-lasting cooperation agreement with a third party, and the sale or purchase of a company or a stake in a company with a value of one-third of the assets of the company (according to the most recently adopted annual accounts plus the explanatory notes to that balance sheet).

Our Articles require that certain transactions between us and an interested person be approved by the a majority of at least 75% of the votes cast, representing more than half of the issued share capital, of the General Meeting. An interested person is defined by our Articles to mean any person who beneficially owns ten percent or more of our outstanding ordinary shares.

The transactions subject to this special vote requirement include (i) any legal merger to which we and an interested person are parties, (ii) any legal demerger to which we and an interested person are parties, (iii) any sale, lease, exchange, or other disposition of all or substantially all of our properties or assets to an interested person, (iv) the adoption of any plan or proposal for our liquidation or dissolution under which the rights of an interested person differ from those accorded to other holders of our ordinary shares, or (v) any transaction of a character described in (i), (ii), (iii), or (iv) involving an affiliate or associate of an interested person or an associate of any such affiliate. For purposes of this provision, (i) an affiliate of a person is another person that directly or indirectly controls, is controlled by, or is under common control with such person and (ii) an associate of a person is (a) any corporation or organization of which such person is an officer, partner, or beneficial owner of ten percent or more of any class of equity securities, (b) any trust or estate in which such person has a ten percent or greater beneficial interest or for which such person serves as a trustee or in a similar capacity, or (c) any relative or spouse of such person, or relative of such spouse, who has the same residence as such person.

This special shareholder vote requirement does not apply to any transaction which is (i) approved by the vote of a majority of our Board prior to the time the interested person connected with the transaction became an interested person or (ii) approved by our Board prior to the consummation by the vote of an absolute majority of the votes cast, whereby the majority of all executive and non-executive directors of our Board who were not interested persons, an affiliate, associate, or agent of such interested persons, or an associate or agent of any such affiliate voted in favor of the resolution.

Our Articles provide that the General Meeting may only adopt certain resolutions upon the recommendation and proposal of our Board. These resolutions concern, amongst other items, (i) any amendment to our Articles; (ii) any legal merger of us; (iii) any demerger; or (iv) any dissolution of us.

Squeeze-Out

Under Dutch law, a shareholder who for his own account contributes at least 95% of a company's issued share capital may initiate proceedings against the company's minority shareholders jointly for the transfer of their shares to the claimant. The proceedings are held before the Enterprise Chamber of the Amsterdam Court of Appeal (*Ondernemingskamer van het Gerechtshof Amsterdam*) (the Enterprise Chamber). The Enterprise Chamber may grant the claim for squeeze-out in relation to all minority shareholders and will determine the price to be paid for the shares,

if necessary after appointment of one or three experts who will offer an opinion to the Enterprise Chamber on the value to be paid for the shares of the minority shareholders. Once the order to transfer becomes final before the Enterprise Chamber, the person acquiring the shares must give written notice of the date

Table of Contents

and place of payment and the price to the holders of the shares to be acquired whose addresses are known to him. Unless the addresses of all of them are known to the acquiring person, such person is required to publish the same in a daily newspaper with a national circulation.

Dissolution/Liquidation

A resolution to dissolve our company may be proposed by our Board and adopted by an absolute majority of the votes cast, in a meeting in which at least one third of our issued share capital is present or represented.

If we are dissolved, our assets would be used for payment of debts. After payment of debts and the costs of liquidation, payments are first made to the holders of any outstanding preferred shares in accordance with the procedures set forth in our Articles and below, and the balance of our assets would be paid to the holders of our ordinary shares in proportion to the number of our ordinary shares they held.

If our preferred shares are outstanding at the time of a dissolution, prior to the distribution to the holders of our ordinary shares, an amount will be paid to the holders of our preferred shares equal to redemption amounts, increased by: (i) any deficit in the payment of dividend referred to in our Articles and (ii) an amount equal to the percentage referred to in our Articles on the compulsory amount paid on the preferred shares, calculated over the period starting on the first day after the last full financial year for which the company has adopted annual accounts prior to the liquidation and ending on and including the day of the payment on preferred shares referred to above, plus any accrued and unpaid dividends for prior periods, with due observance of the fact that any and all dividends and/or other distributions paid on the preferred shares relating to such periods will be deducted from the payment.

Listing

Our ordinary shares are listed on NASDAQ under the ticker symbol MYL.

Shareholder Agreement

As a condition to the consummation of the Transaction, we, Abbott and the selling shareholders entered into the Shareholder Agreement. The Shareholder Agreement sets forth certain terms and conditions concerning our ordinary shares owned by the selling shareholders, which represented approximately 22% of our outstanding voting securities immediately following the consummation of the Transaction. For a summary of the terms of the Shareholder Agreement, see [Selling Shareholders Shareholder Agreement](#) beginning on page 5 of this prospectus.

ENFORCEABILITY OF CIVIL LIABILITIES

WE ARE ORGANIZED AND EXISTING UNDER THE LAWS OF THE NETHERLANDS, AND, AS SUCH, THE RIGHTS OF HOLDERS OF THE ORDINARY SHARES AND THE CIVIL LIABILITY OF OUR DIRECTORS AND OFFICERS WILL BE GOVERNED IN CERTAIN RESPECTS BY THE LAWS OF THE NETHERLANDS AND OUR ARTICLES. IN ADDITION, A SUBSTANTIAL PORTION OF OUR ASSETS WILL BE LOCATED OUTSIDE OF THE UNITED STATES. UNDER OUR ARTICLES, UNLESS WE CONSENT IN WRITING TO THE SELECTION OF AN ALTERNATIVE FORUM, THE COMPETENT COURTS OF AMSTERDAM, THE NETHERLANDS WILL BE THE SOLE AND EXCLUSIVE FORUM FOR ANY ACTION ASSERTING A CLAIM FOR BREACH OF A DUTY OWED BY ANY OF OUR DIRECTORS, OFFICERS, OR OTHER EMPLOYEES (INCLUDING ANY OF OUR FORMER DIRECTORS, FORMER OFFICERS, OR OTHER FORMER EMPLOYEES TO THE EXTENT SUCH CLAIM ARISES FROM SUCH DIRECTOR, OFFICER, OR OTHER EMPLOYEE'S BREACH OF DUTY WHILE SERVING AS OUR DIRECTOR, OFFICER, OR EMPLOYEE) TO US OR OUR SHAREHOLDERS; ANY ACTION ASSERTING A CLAIM ARISING PURSUANT TO OR OTHERWISE BASED ON ANY PROVISION OF DUTCH LAW OR OUR ARTICLES; ANY ACTION ASSERTING A CLAIM THAT IS MANDATORILY SUBJECT TO DUTCH LAW; OR TO THE EXTENT PERMITTED UNDER DUTCH LAW, ANY DERIVATIVE ACTION OR PROCEEDING BROUGHT ON BEHALF OF US, IN EACH SUCH CASE SUBJECT TO SUCH COURT HAVING PERSONAL JURISDICTION OVER THE INDISPENSABLE PARTIES NAMED AS DEFENDANTS THEREIN.

AS A RESULT, IT MAY BE MORE DIFFICULT FOR HOLDERS OF THE ORDINARY SHARES TO SERVE PROCESS ON US OR OUR DIRECTORS AND OFFICERS IN THE UNITED STATES OR OBTAIN OR ENFORCE JUDGMENTS FROM U.S. COURTS AGAINST US OR OUR DIRECTORS AND OFFICERS BASED ON THE CIVIL LIABILITY PROVISIONS OF THE U.S. SECURITIES LAWS. THERE IS DOUBT AS TO WHETHER THE COURTS OF THE NETHERLANDS WOULD ENFORCE CERTAIN CIVIL LIABILITIES UNDER U.S. SECURITIES LAWS IN ORIGINAL ACTIONS OR ENFORCE CLAIMS FOR PUNITIVE DAMAGES. UNDER OUR ARTICLES, WE INDEMNIFY AND HOLD HARMLESS OUR DIRECTORS AND OFFICERS AGAINST ALL CLAIMS AND SUITS BROUGHT AGAINST THEM, SUBJECT TO LIMITED EXCEPTIONS.

Item 15. Indemnification of Directors and Officers

Registrant is a public limited liability company (*naamloze vennootschap*) organized and existing under the laws of the Netherlands.

Without prejudice to any indemnity to which such person may be contractually or otherwise entitled and to the fullest extent permitted by applicable Dutch law, as the same exists or may be amended (but, in the case of such amendment, only to the extent that such amendment permits the Registrant to provide broader indemnification rights than such law permitted the Registrant to provide prior to such amendment), the Registrant's articles of association (the Articles) provide that the Registrant will indemnify any director or officer who was, is, or becomes in his or her capacity as director or officer a party or witness or is or becomes threatened to be made a party or witness to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, or administrative or any action, suit, or proceeding in order to obtain information, against any and all liabilities including all expenses (including attorneys fees), judgments, fines, amounts paid in settlement, and other financial losses, actually and reasonably incurred by him or her in connection with such action, suit, or proceeding.

Under Dutch law, indemnification generally may not be available to any person in respect of any claim, issue, or matter as to which such person will have been adjudged in a final and non-appealable judgment by a Dutch or other court of competent jurisdiction to be liable for intentional recklessness or willful misconduct in the performance of his or her duty to the Registrant unless such court determines that such person is fairly and reasonably entitled to such indemnification despite the adjudication of such liability, or to the extent any related costs and losses have been insured and reimbursed to such person under any applicable insurance policy. Also, indemnification may not be available in respect of any claim brought by the Registrant and for which the person is adjudged in a final and non-appealable judgment to be liable to the Registrant unless the court or the Registrant shall have determined that

indemnification of some or all expenses incurred by such person is appropriate and permitted under applicable law.

II-1

Table of Contents

The Registrant also has entered into indemnification agreements with each of its directors and certain of its officers that provide them with substantially similar indemnification rights to those provided under the Registrant's Articles.

The Articles also provide that the Registrant may maintain an insurance policy which insures directors and officers against certain liabilities which might be incurred in connection with the performance of their duties. The Registrant currently maintains such a policy. The description of indemnity herein is merely a summary of the provisions in the Articles and other indemnification agreements, and such description shall not limit or alter the provisions in the Articles or other indemnification agreements.

The Shareholder Agreement dated as of February 27, 2015, among the Registrant, Abbott Laboratories and the Abbott subsidiaries party thereto, provides for indemnification of the Registrant and its directors and officers by Abbott and such subsidiaries, and of Abbott and such subsidiaries and their respective directors and officers by the Registrant, against certain liabilities.

Any underwriting agreement which may be filed as an exhibit to a post-effective amendment to this Registration Statement or incorporated herein by reference to documents to be filed with the SEC under the Exchange Act may provide for indemnification by the underwriters of us and our directors and officers and the selling shareholders, and by us and the selling shareholders of the underwritings, for certain liabilities arising under the Securities Act or otherwise in connection with any offering.

Item 16. Exhibits.

A list of exhibits filed herewith is contained in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

The agreements included or incorporated by reference as exhibits to this Registration Statement contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may have been qualified in such agreement by disclosures that were made to the other party in connection with the negotiation of the applicable agreement; (iii) may apply contract standards of materiality that are different from materiality under the applicable securities laws; and (iv) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

We acknowledge that, notwithstanding the inclusion of the foregoing cautionary statements, we are responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this Registration Statement not misleading.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar

II-2

value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that paragraphs (i), (ii), and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in this Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in this Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of this Registration Statement or made in a document incorporated or deemed incorporated by reference into this Registration Statement or prospectus that is part of this Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this Registration Statement or prospectus that was part of this Registration Statement or made in any such document immediately prior to such effective date.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director,

Table of Contents

officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
