Title: Company Secretary

Letter from the Chairman

This document is important and requires your immediate attention

If you are in any doubt about its contents or what action you should take, you should consult your Independent Financial Adviser. If you have sold or transferred all of your AstraZeneca ordinary shares you should send this document and the related documents to the purchaser or transferee or to the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or transferee.

Dear Shareholder

This letter is sent on behalf of the board of Directors (the Board) of AstraZeneca PLC (the Company) and is to be read in conjunction with various documents concerning your shareholding in the Company. These documents are:

1 A Shareholders' Circular incorporating the formal Notice of the Annual General Meeting of the Company to be held on Friday 24 April 2015 (AGM); and

2 A Proxy Form and Attendance Card for the AGM.

The meeting place for the AGM will be the Lancaster London Hotel, Lancaster Terrace, London W2 2TY and the AGM will commence at 2.30pm (BST).

The business to be conducted at the AGM is summarised below.

Items 1 – 4: Accounts, Dividend, Re-appointment of Auditor and Authority to agree the remuneration of the Auditor

The purpose of these resolutions is:

- > To receive the Company's Accounts and the Reports of the Directors and Auditor for the year ended 31 December 2014. This can be found in the Annual Report and Form 20-F Information 2014 (Annual Report), which is available on our website, www.astrazeneca.com, or by request from the Company.
- > To confirm the first interim dividend of US\$0.90 (53.1 pence, SEK 6.20) per ordinary share and to confirm, as the final dividend for 2014, the second interim dividend of US\$1.90 (125.0 pence, SEK 15.62) per ordinary share.
- > To reappoint KPMG LLP, London as Auditor of the Company.

> To authorise the Directors to agree the remuneration of the Auditor.

Item 5: Election or re-election of Directors

At the AGM, as usual and in accordance with the Company's Articles of Association, all of the Directors are retiring. The biographical details of each Director presenting himself or herself for election or re-election are set out in the Notice of AGM and Shareholders' Circular.

John Varley, senior independent Non-Executive Director and Dame Nancy Rothwell, Non-Executive Director, both intend to retire from the Board at the close of the AGM on 24 April 2015, each having served as a Board member for nine years, and will not present themselves for re-election. On behalf of the Board, I would like to pay tribute to their experience, wisdom, common sense and collegiality, as well as their leadership of the Remuneration Committee and the Science Committee respectively. I speak for all of my colleagues on the Board in saying that we will miss them and their contribution to our work; they go with our very best wishes for their future endeavours. With effect from the conclusion of the AGM and subject to re-election by shareholders, Rudy Markham will become senior independent Non-Executive Director, Graham Chipchase will become Chairman of the Remuneration Committee and a member of the Nomination and Governance Committee, Bruce Burlington will become Chairman of the Science Committee and a member of the Nomination and Governance Committee, and Geneviève Berger will oversee sustainability matters on behalf of the Board.

Dr Cornelia (Cori) Bargmann will be proposed to shareholders for election as a Non-Executive Director at the AGM. Cori will bring a wealth of experience in scientific research, fitting the needs of AstraZeneca's Board very well. On election, it is proposed that she will become a member of the

Science Committee. More information about her background and experience is set out in Resolution 5.

In making the proposals and Board Committee appointments described above, the Board considered and satisfied itself as to the availability and time commitment of the Directors concerned.

During 2014, the Board considered the independence of the current Non-Executive Directors under the UK Corporate Governance Code (the Code). As Chairman, I met the independence criteria prescribed in the Code upon my appointment. Under the Code, it is not considered appropriate to repeat this test after my appointment.

The Board concluded that, with the exception of Marcus Wallenberg, all the Non-Executive Directors presenting themselves for re-election are independent in character and judgement and that there are no relationships or circumstances likely to affect their character or judgement. During 2014, the Board also completed the annual evaluation of its performance and that of its Committees and individual Directors. The Board concluded that each Director continues to make effective and valuable contributions to the Board and to demonstrate commitment to the role. More information about these matters and how the Board operates can be found in the Corporate Governance Report in the Annual Report, which is available on our website, www.astrazeneca.com, or by request from the Company.

Item 6: Directors' Remuneration Report

The purpose of Resolution 6 is to receive and approve the annual statement of the Chairman of the Remuneration Committee (the Statement) and the Annual Report on Remuneration for the year ended 31 December 2014.

The Statement and the Annual Report on Remuneration can be found on pages 100 to 115 of the Annual Report, which is available on our website, www.astrazeneca.com, or by request from the Company.

The Board considers that appropriate executive remuneration plays a vital part in helping to achieve the Company's overall objectives and, accordingly, and in compliance with the legislation, shareholders will be invited to approve the Statement and the Annual Report on Remuneration. The Annual Report on Remuneration gives details of the remuneration paid to the Directors during the year ended 31 December 2014.

The vote on the Statement and the Annual Report on Remuneration is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that Resolution 6 is not passed.

The Company's Remuneration Policy was approved by ordinary resolution by shareholders at the Company's AGM in April 2014. It is intended that the policy shall remain in effect for a period of three years from 1 January 2015.

Item 7: Political donations

The purpose of Resolution 7, which is proposed as an ordinary resolution, is to authorise the Company and/or its subsidiaries to make limited political donations or incur limited political expenditure, within the meaning of such expressions as contained in the Companies Act 2006 (the Act), within the European Union. The purpose of this resolution is not to alter the Company's policy of not making such political donations or incurring such political expenditure. However, given the breadth of the relevant sections in the Act, it may be that some of the Company's activities could fall within the potentially wide definitions of political donations and political expenditure under the Act and, without the necessary authorisation, the Company's ability to communicate its views effectively to, for example, interest groups or lobbying organisations could be inhibited.

Accordingly, the Company believes that the authority contained in this resolution is necessary to allow it and its subsidiaries to fund activities in relation to which it is in the interests of shareholders that the Company should support. Such authority will enable the Company and its subsidiaries to be sure

that they do not, because of any uncertainty as to the bodies or the activities covered by the Act, unintentionally commit a technical breach of the relevant sections of the Act. Any donations or expenditure, which may be made or incurred under the authority of Resolution 7, will be disclosed in next year's Annual Report and Form 20-F Information.

Item 8: Allotment of new shares

The purpose of Resolution 8, which is proposed as an ordinary resolution, is to enable the Directors to exercise their power under the Company's Articles of Association to allot new shares in the capital of the Company. The Directors may only allot shares or grant rights to subscribe for, or convert any security into shares, if authorised to do so by shareholders.

As specified in the resolution, the Directors' authority will only be valid until the conclusion of the AGM in 2016 or the close of business on 24 July 2016, whichever is earlier. Other than the allotment of shares for the purposes of fulfilling the Company's obligations under certain of its share plans, the Directors have no present intention to exercise this authority. However, it is considered prudent to acquire the flexibility that this authority provides. The Company's Directors intend to seek renewal of this authority annually.

Paragraph (a)(i)(A) of Resolution 8 will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum nominal amount of US\$105,263,500. This amount represents 33.33% of the total ordinary share capital of the Company in issue at 28 February 2015 (being the last practicable date prior to publication of this Notice of AGM). Paragraph (a)(i)(B) of Resolution 8 authorises the Directors to allot, including the shares referred to in paragraph (a)(i)(A), further of the Company's unissued shares up to an aggregate nominal amount of US\$210,527,000 in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This amount represents 66.66% of the total ordinary share capital of the Company in issue at 28 February 2015.

At 28 February 2015, no shares in the Company were held as treasury shares.

For information, during 2014, the Directors used equivalent authorities, given to them by shareholders at previous AGMs, for the purposes of fulfilling the Company's obligations under its various share plans.

The number of new shares allotted during 2014, the percentage of the Company's share capital they represented at 31 December 2014 and the share plans in respect of which they were allotted are shown in the table below.

Share allotments during 2014

	No. of shares allotted	Percentage of issued share capital at 31 Dec 14
AstraZeneca Share Option Plan ¹	5,596,554	0.44
AstraZeneca Savings- Related Share Option Plan	288,825	0.02
AstraZeneca All-Employee Share Plan ²	87,872	0.01
Total allotted in 2014	5,973,251	0.47

¹ No further options are being granted under this plan.

² UK Share Incentive Plan approved by HM Revenue & Customs.

No other new shares in the Company were allotted during 2014.

Item 9: Pre-emption rights

The purpose of Resolution 9, which is proposed as a special resolution, is to grant authority to the Directors (subject to the passing of Resolution 8) to allot shares of the Company and to sell treasury shares for cash as if the pre-emption provisions of section 561 of the Act do not apply. Under section 561(1) of the Act, if the Directors wish to allot shares, or grant rights to subscribe for, or convert securities into shares, or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first be offered to existing shareholders pro rata to their holdings.

This provision is designed to prevent the holdings of existing shareholders being diluted against their wishes by the allotment of new shares. There may be occasions however, when the Directors need the flexibility to finance business

opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless shareholders have first waived their pre-emption rights. Resolution 9 asks shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity

Letter from the Chairman continued

securities, the authority contained in this resolution will be limited to the issue of shares for cash up to an aggregate nominal value of US\$15,791,104 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents no more than 5% of the total ordinary share capital of the Company in issue at 28 February 2015 (being the last practicable date prior to publication of this Notice of AGM). In accordance with the Pre-Emption Group's Statement of Principles, the Board confirms its intention that no more than 7.5% of the issued share capital (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three year period. This authority will expire at the conclusion of the AGM in 2016 or the close of business on 24 July 2016, whichever is earlier.

The Directors have no present intention of exercising this authority but are requesting this authority in order to give them the flexibility to use shares, if so required, in connection with the proper development of the business.

Item 10: Purchase of own shares by the Company

The purpose of Resolution 10, which is proposed as a special resolution, is to renew the authority granted at last year's AGM which expires on the date of the forthcoming AGM. The resolution authorises the Company to make market purchases of its own shares as permitted by the Act. The authority limits the total number of shares that could be purchased to a maximum of 126,328,833 (representing less than 10% of the issued share capital of the Company at 28 February 2015) and sets minimum and maximum prices.

No shares were repurchased during 2014 and the Board has no intention of repurchasing shares in 2015. The authority sought under Resolution 10 will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and would be likely to promote the success of the Company for the benefit of shareholders generally. The Directors' current intention is that, in such circumstances, any shares so repurchased would be cancelled.

The authority being sought under Resolution 10 would permit any shares so purchased either to be cancelled or held as treasury shares. In order to maximise its opportunities for access to the market, the Company may also consider using the same authority from shareholders to give irrevocable instructions to banks to enable any share repurchases to continue during the close periods ahead of the quarterly publication of its results. If this were done, appropriate and timely announcements to the stock exchanges would be made.

At 28 February 2015, the total number of shares under option that were outstanding under all of the Company's share option plans was 4,159,619 representing 0.33% of the Company's issued share capital at that date. This number of outstanding shares under option could potentially represent 0.41% of the issued capital of the Company, if the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (both existing and being sought).

This authority will only be valid until the conclusion of the AGM in 2016 or the close of business on 24 July 2016, whichever is earlier.

Item 11: Notice period for general meetings

The purpose of Resolution 11, which is proposed as a special resolution, is to reduce the notice period required for a general meeting of the Company (other than an AGM) to 14 clear days. Changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 (the Shareholders' Rights Regulations) increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice.

Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings (other than an AGM or a general meeting for the passing of a special resolution or a resolution appointing a person as a Director) on 14 clear days' notice without obtaining such shareholder

approval. In order to preserve this ability to call such general meetings on 14 clear days' notice (and to extend this ability to general meetings for the passing of a special resolution or a resolution appointing a Director), Resolution 11 seeks such approval. The flexibility offered by Resolution 11 will be used where, taking into account the circumstances, the Directors consider that it is merited by the business to be considered at the meeting and it is thought to be in the interests of shareholders as a whole. The Company undertakes to meet the requirements for electronic voting under the Shareholders' Rights Regulations before calling a general meeting on 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Item 12: New Articles of Association

The purpose of Resolution 12, which is proposed as a special resolution, is to adopt new Articles of Association of the Company (the New Articles) in place of the existing Articles of Association of the Company (the Current Articles).

The changes introduced by the New Articles that are likely to be of most interest to shareholders are summarised below. Other changes, which are of a minor, technical or clarifying nature, have not been noted. A copy of the Current Articles and the New Articles that reflect all of the proposed changes are available for inspection, as noted on page 11.

1. Publication of the annual report and summary financial statement

The Current Articles provide for the annual report and summary financial statement to be published in both English and Swedish. The requirement to publish such documents in Swedish is removed in the New Articles. This proposal will bring benefits and cost efficiencies to the Company through a reduction of the investment of resources required to produce Swedish translations of such documents (given the significantly lower demand for the Swedish translations compared with the English versions).

2. Electronic payment of dividends

The New Articles provide the Company with additional flexibility to prescribe the manner in which dividends are paid. Currently the Company pays dividends by electronic payment and cheque. The use of cheques has reduced in recent years and there has been significant focus on the development of new payment methods that could improve the security of payments to shareholders and reduce costs.

Although the Current Articles permit the payment of dividends by electronic means, the New Articles allow the directors to determine how dividends are paid to shareholders, including, if and when it is considered desirable to do so, to determine that payments may be made exclusively by inter-bank transfer or other electronic means into accounts nominated by shareholders. The Board has no immediate intention of exercising this power but may do so when it becomes accepted best practice.

Approximately 70% of the Company's registered shareholders have already provided their bank or building society account details to enable the Company to pay their dividends by bank transfer.

This offers a number of benefits:

- (i) dividends are credited to the shareholder's account on the payment date as cleared funds, which allows immediate access to the funds;
- (ii) it removes the risk of loss, fraud or theft of dividend payment cheques;
- (iii) it generates savings for the Company, which benefits all shareholders, because paying by direct credit is less expensive than using cheques and eliminates the cost of issuing replacement payments for those cheques that go missing; and
- (iv) it contributes to the Company's overall effort to reduce its impact on the environment.

3. Share warrants

A bill titled the Small Business, Enterprise and Employment Bill 2014-15 includes proposals from the Department for Business, Innovation & Skills to prohibit the creation of new bearer shares and require existing bearer shares to be converted to ordinary registered shares. In anticipation of the enactment of this Bill and the recent dematerialisation into CREST of the Company's existing bearer shares, the provisions in the Current Articles relating to share warrants are removed in the New Articles.

4. Revocation of proxies

As permitted by the Act, the New Articles increase the deadline for receipt by the Company of revocations of proxy appointments from three hours to 24 hours before the start of the relevant meeting to allow the Company additional

time to process such revocations.

5. Allotment of new shares

The Investment Association indicates that its members will regard as routine requests from companies for authorisation to allot new shares in an amount of up to one-third of the existing issued share capital (the first section 551 amount) and a further one-third of the existing issued share capital (the first section 551 amount together with the additional headroom of a further one-third of the existing issued share capital (the second section 551 amount)). The allotment of the further one-third of the existing issued share capital is to be subject to various provisos, such that it is applied to pre-emptive rights issues only. The New Articles reflect the ability of the Board to allot shares falling within this additional headroom, if such shareholder approval is obtained. Such shareholder approval currently is regularly sought by the Company at its AGM.

6. Strategic report and supplementary materials

As a result of a recent change to the Act, the Company is no longer required to prepare a summary financial statement. Instead, if a shareholder agrees not to receive the full annual

report and accounts, the Company may provide a copy of the strategic report together with certain supplementary material. The New Articles reflect these updated provisions of the Act. However, shareholders can always view the full annual report and accounts on the Company's website or request a hard copy from the Company's registrar, Equiniti Registrars.

The Directors consider all of the proposed resolutions to be in the best interests of the Company and shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the resolutions.

All resolutions will be put to a poll vote. This means that the votes of all shareholders, including the majority of our shareholders who cannot attend the meeting but who submit a Proxy Form, are counted.

You are requested to complete and return your Proxy Form as soon as possible. If you are a registered holder you may, if you wish, register the appointment of your proxy electronically either via the internet or, if you hold your shares through CREST, using the CREST electronic proxy appointment service. Please refer to the notes in the Notice of AGM from page 9 for details. The appointment of a proxy will not prevent you from also attending the AGM and, if you are a registered holder, voting in person. All shareholders or proxies attending the AGM are asked to bring the Attendance Card with them. If you wish to appoint a corporate representative to attend the AGM, please refer to the notes in the Notice of AGM from page 9 for details.

Yours faithfully,

Leif Johansson

Notes

Security at the AGM

We take the safety of our shareholders and the security of the AGM very seriously. As usual, we will implement a range of security measures at the AGM, based on a thorough assessment of potential risks. We kindly request that everybody entering the AGM meeting room allows their bag or briefcase to be searched. If you are happy to allow a search, you will be welcome to take your bag or briefcase into the meeting room with you. Otherwise, we will politely require you to leave it in the cloakroom for the duration of the meeting.

Entitlement to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only holders of ordinary shares entered in the register of members of the Company by 6.00pm (BST) on Wednesday 22 April 2015 (or their duly appointed proxies), or if this meeting is adjourned, in the register of members by 6.00pm (BST) two days prior to any adjourned meeting, are entitled to attend or vote at the AGM in respect of the number of ordinary shares registered in their name at that time. Changes to the entries in the register of members after 6.00pm (BST) on Wednesday 22 April 2015, or if this meeting is adjourned, in the register of members after 6.00pm (BST), two days prior to any adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the AGM.

A registered member of the Company may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of his rights to attend and to speak and vote at a meeting of the Company provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A member may only appoint a proxy by:

Notice of Annual General Meeting 2015

and Shareholders Circular continued

You may not use any electronic address provided in this Notice of AGM to communicate with the Company for any purposes other than those expressly stated.

Deadline for receipt of Proxy Form

To be effective, the Proxy Form (or electronic appointment of a proxy) must be received by the Company's registrar, Equiniti Registrars, not later than 2.30pm (BST) on 22 April 2015, or if this AGM is adjourned, not less than 48 hours before the time for holding such adjourned meeting. The appointment of a proxy will not prevent a shareholder from attending and voting in person at the meeting.

Appointment of proxies through Sharevote and Shareview websites

Shareholders who would prefer to register the appointment of their proxy electronically via the internet can do so through the Sharevote website, www.sharevote.co.uk, using their personal Authentication Reference Number (this is the series of numbers printed under the headings Voting ID, Task ID and Shareholder Reference Number on the Proxy Form). Alternatively, shareholders who have already registered with Equiniti Registrars' online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on the link to vote. Full details and instructions on these electronic proxy facilities are given on the respective websites.

Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies for the AGM, including any adjournment(s) thereof, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual on the Euroclear website, www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for

such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given for a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti Registrars (ID RA19) by the latest time for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which Equiniti Registrars is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the proxy through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided if two or more representatives purport to vote in respect of the same shares:

- > in other cases, the power is treated as not exercised.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

Members rights to ask questions

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Members resolutions and matters under sections 338 and 338A of the Companies Act 2006

Under sections 338 and 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective; (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 13 March 2015, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
