**Item 8.01. Other Events.**

On May 12, 2015, Anthem, Inc. (the Company) closed its sale of an aggregate of 25,000,000 Equity Units, initially consisting of corporate units (the Corporate Units), including the Corporate Units purchased pursuant to the option described below, for an aggregate stated amount of \$1.250 billion, as more fully described below, pursuant to an Underwriting Agreement, dated May 6, 2015 (the Underwriting Agreement), among the Company and Credit Suisse Securities (USA) LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters named in Exhibit A thereto (the Underwriters). The Company granted the Underwriters an option to purchase up to an additional 1,500,000 Corporate Units, for an aggregate stated amount of \$75 million, which option has been exercised in full. The Corporate Units have been registered under the Securities Act of 1933, as amended (the Act) pursuant to a registration statement on Form S-3 (File No. 333-200749) previously filed with the Securities and Exchange Commission under the Act.

The Company anticipates that it will receive net proceeds of approximately \$1,225.1 million from the sale of the Corporate Units after deducting underwriting discounts and its offering expenses. The Company intends to use the net proceeds for general corporate purposes, including, but not limited to, the repurchase of a portion of the Company's outstanding 2.750% Senior Convertible Debentures due 2042, which accrue interest at a rate of 2.750% per year and mature on October 15, 2042. As of May 6, 2015, the Company had agreed to repurchase approximately \$700.5 million aggregate principal amount of its 2.750% Senior Convertible Debentures due 2042.

The Indenture (defined below) does not prohibit or limit the incurrence of indebtedness and other liabilities by the Company or its subsidiaries.

Each Corporate Unit has a stated amount of \$50 and is comprised of (i) a purchase contract obligating the holder to purchase from the Company for a price in cash of \$50, on the purchase contract settlement date, or May 1, 2018, subject to earlier termination or settlement, a certain number of shares of the Company's common stock, par value \$0.01 per share (the Common Stock); and (ii) a 1/20, or 5%, undivided beneficial ownership interest in \$1,000 principal amount of the Company's 1.90% Remarketable Subordinated Notes due 2028 (the Notes). Holders of the Corporate Units will be entitled to receive quarterly contract adjustment payments at a rate of 3.35% per year of the stated amount of \$50 per Corporate Unit, subject to the Company's right to defer such payments.

The Notes are being issued pursuant to an Indenture, dated as of May 12, 2015 (the Base Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), as supplemented by the First Supplemental Indenture, dated as of May 12, 2015 (the Supplemental Indenture) and together with the Base Indenture, the Indenture), between the Company and the Trustee. The Corporate Units are being issued pursuant to a Purchase Contract and Pledge Agreement, dated as of May 12, 2015 (the Purchase Contract and Pledge Agreement), between the Company and The Bank of New York Mellon Trust Company, N.A., as purchase contract agent, collateral agent, custodial agent and securities intermediary. Under the terms of the Purchase Contract and Pledge Agreement, the Notes are being pledged as collateral to secure the holders' obligation to purchase the shares of Common Stock under the related purchase contracts that form a part of the Corporate Units. A holder of Corporate Units, at its option, may elect to create Treasury Units by substituting pledged U.S. Treasury securities for any pledged ownership interests in the Notes. The Notes will be remarketed, subject to certain terms and conditions, prior to the purchase contract settlement date pursuant to the terms of the Purchase Contract and Pledge Agreement and a remarketing agreement to be executed in the future.

Certain of the Underwriters and their affiliates have provided in the past to the Company and its affiliates and may provide from time to time in the future certain commercial banking, financial advisory, investment banking and other services for the Company and its affiliates in the ordinary course of their business, for which they have received and may continue to receive customary fees and commissions. In particular, certain affiliates of the Underwriters are participants in the Company's \$2.0 billion revolving credit facility.
