PROXY STATEMENT

FOR 2015 ANNUAL MEETING OF SHAREHOLDERS

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND PROCEDURAL MATTERS

Q: Why am I receiving these materials?

A: The Board of Directors of Fabrinet is providing these proxy materials to you in connection with the solicitation of proxies for use at Fabrinet's 2015 Annual Meeting of Shareholders (the Annual Meeting) to be held on Thursday, December 17, 2015, at 9:00 a.m., Pacific time, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth in this proxy statement.

The Annual Meeting will be held at the offices of Wilson Sonsini Goodrich & Rosati, Professional Corporation, located at 650 Page Mill Road, Palo Alto, California 94304.

As a shareholder, you are invited to attend the Annual Meeting and you are requested to vote on the proposals described in this proxy statement.

Q: Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the Securities and Exchange Commission (the SEC), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the Notice) to our shareholders of record and beneficial owners. We expect to mail the Notice on or about October 22, 2015.

All shareholders will be able to access the proxy materials on the website referred to in the Notice, or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy can be found in the Notice. In addition, shareholders may request the proxy materials be sent by mail or

email on an ongoing basis.

Q: How can I obtain electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

View the proxy materials for the Annual Meeting on the Internet; and

Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you, and will reduce the impact of our annual meetings on the environment.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a shareholder of record or a beneficial owner as of October 16, 2015 (the Record Date). You should bring photo identification for entrance to the Annual Meeting. The meeting will begin promptly at 9:00 a.m., Pacific time, and you should leave ample time for the check-in procedures. Shareholders may request directions to the offices of Wilson Sonsini Goodrich & Rosati by calling (650) 493-9300.

Table of Contents

Q: Who is entitled to vote at the Annual Meeting?

A: You may vote your Fabrinet ordinary shares if our records show that you owned your shares at the close of business on the Record Date. At the close of business on the Record Date, there were 35,777,782 ordinary shares outstanding and entitled to vote at the Annual Meeting. You may cast one vote for each ordinary share held by you as of the Record Date on all matters presented.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: *Shareholder of Record.* If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, you are considered the shareholder of record with respect to those shares, and we have sent the Notice directly to you. As a shareholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account or by a bank or nominee, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee (who is considered the shareholder of record with respect to those shares). As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares. Your broker, bank or nominee has enclosed or provided voting instructions for you to use in directing the broker, bank or nominee how to vote your shares. You are also invited to attend the Annual Meeting. However, because you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or nominee giving you the right to vote the shares at the Annual Meeting.

If you hold your shares through a broker and do not provide your broker with specific voting instructions, your broker will have the discretion to vote your shares only on routine matters. As a result:

Your broker will not have the authority to exercise discretion to vote your shares with respect to the election of directors and the advisory vote to approve the compensation paid to our named executive officers because the rules of The New York Stock Exchange (NYSE) treat those matters as non-routine; but

Your broker will have the authority to exercise discretion to vote your shares with respect to the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as Fabrinet's independent registered public accounting firm for Fabrinet's fiscal year ending June 24, 2016, because NYSE rules treat that matter as routine.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend you also submit your vote as described in the Notice and as**

described below, so your vote will be counted even if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a shareholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or nominee; please refer to the voting instructions provided to you by your broker, bank or nominee.

By Internet Shareholders of record with Internet access may submit proxies until 11:59 p.m., Eastern time, on December 16, 2015, by following the **Vote by Internet** instructions described in the Notice, or by following the instructions at www.proxyvote.com. Most Fabrinet shareholders who hold shares beneficially

Table of Contents

in street name may vote by accessing the website specified in the voting instructions provided by their brokers, trustees or nominees. If you are a beneficial owner, please check the voting instructions provided by your broker, trustee or nominee for information regarding Internet voting availability.

By telephone Depending on how your shares are held, you may be able to vote by telephone. If this option is available to you, you will have received information with the Notice or the voting instructions provided by your broker, bank or nominee explaining this procedure.

By mail Shareholders of record may request a paper proxy card from Fabrinet and indicate their vote by completing, signing and dating the card where indicated and by returning it in the prepaid envelope that will be included with the proxy card. Please follow the procedures outlined in the Notice to request a paper proxy card.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The presence of the holders of at least one-third of the total shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Such shareholders are counted as present at the meeting if (1) they are present in person at the Annual Meeting or (2) have properly submitted a proxy.

Abstentions and broker non-votes are counted as present and entitled to vote and are, therefore, included for the purposes of determining whether a quorum is present at the Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner, and the broker does not have, or declines to exercise, discretionary authority to vote those shares.

Q: What proposals will be voted on at the Annual Meeting?

A: The proposals scheduled to be voted on at the Annual Meeting are:

The election of one Class III director recommended by our Board of Directors to serve for a term of three years or until his successor has been duly elected and qualified;

An advisory vote to approve the compensation paid to our named executive officers; and

The ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 24, 2016.

Q: What is the voting requirement to approve each of the proposals and how are votes counted?

A: A plurality of the votes cast is required for the election of directors (Proposal One). You may vote **FOR** or **WITHHOLD** on the nominee for election as director. The nominee for director receiving the highest number of affirmative votes will be elected as a director. Abstentions and broker non-votes will not affect the outcome of the election.

The affirmative vote of a majority of the votes cast is required (1) to approve, on an advisory basis, the compensation paid to our named executive officers (Proposal Two), and (2) to ratify the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 24, 2016 (Proposal Three). You may vote **FOR**, **AGAINST** or **ABSTAIN** on these proposals. Abstentions have the same effect as votes cast against these proposals. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of voting results on these proposals.

All shares entitled to vote and represented by properly submitted proxies received prior to the Annual Meeting (and not revoked) will be voted at the Annual Meeting in accordance with the instructions indicated by such proxy. If no instructions are indicated on such proxy, the shares represented by that proxy will be voted as recommended by our Board of Directors.

Table of Contents

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote your shares:

FOR the nominee recommended by our Board of Directors for election as a Class III director (Proposal One);

FOR the approval, on an advisory basis, of the compensation paid to our named executive officers (Proposal Two); and

FOR the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 24, 2016 (Proposal Three).

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxy holders will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: Can I change my vote?

A: Subject to any rules your broker, bank or nominee may have, you may change your vote at any time before your proxy is voted at the Annual Meeting.

If you are the shareholder of record, you may change your vote (1) by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the voting methods described above (and until the applicable deadline for each method), (2) by providing a written notice of revocation to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568 prior to your shares being voted, or (3) by attending the Annual Meeting and voting in person. Attending the meeting will not cause your previously granted proxy to be revoked unless you specifically request this.

If you are the beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or nominee, or (2) by attending the Annual Meeting and voting in person if you first have obtained a legal proxy from your broker, bank or nominee giving you the right to vote your shares at the Annual Meeting.

Q:

What happens if I decide to attend the Annual Meeting but I have already voted or submitted a proxy card covering my shares?

A: Subject to any rules your broker, bank or nominee may have, you may attend the Annual Meeting and vote in person even if you have already voted or submitted a proxy card. Any previous votes that were submitted by you will be superseded by the vote you cast at the Annual Meeting. Please be aware that attendance at the Annual Meeting will not, by itself, revoke a proxy.

If a broker, bank or nominee beneficially holds your shares in street name and you wish to attend the Annual Meeting and vote in person, you must obtain a legal proxy from the broker, bank or nominee holding your shares that gives you the right to vote the shares.

Q: What should I do if I receive more than one set of voting materials?

A: If you received more than one Notice, voting instruction card or set of proxy materials, your shares are registered in more than one name or brokerage account. Please follow the instructions on each Notice or voting instruction card that you receive, to ensure that all of your shares are voted.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Fabrinet or to third

Table of Contents

parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to Fabrinet's management.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC within four business days after the Annual Meeting, which will also be available in the Investors Financials SEC Filings section of our website at www.fabrinet.com.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners for their reasonable expenses in forwarding solicitation material to such beneficial owners. Our directors, officers and employees also may solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated, but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including recommendations of director candidates, for consideration at future shareholder meetings.

For inclusion in Fabrinet's proxy materials Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of shareholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the proxy statement for our 2016 annual meeting of shareholders, shareholder proposals must be received by our Corporate Secretary no later than June 24, 2016, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act).

To be brought before an annual meeting In addition, our memorandum and articles of association establish an advance notice procedure for shareholders who wish to present certain matters before an annual meeting of shareholders.

Nominations for the election of directors only can be made (1) by or at the direction of our Board of Directors, or (2) by a shareholder who has delivered written notice to our Corporate Secretary within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the nominees and about the shareholder proposing such nominations.

Our memorandum and articles of association also provide that the only business that may be conducted at an annual meeting is business that is (1) properly brought before the meeting in accordance with our proxy materials with respect to such meeting, (2) properly brought before the meeting by or at the direction of our Board of Directors, or (3) properly brought before the meeting by a shareholder who has delivered written notice to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568 within the Notice Period (as defined below) and who is a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the matters to be brought before such meeting and about the shareholder proposing such matters.

Table of Contents

The Notice Period is defined as that period not less than 45 days nor more than 75 days prior to the one year anniversary of the date on which we first mailed our proxy materials or a notice of availability of proxy materials (whichever is earlier) to shareholders in connection with the preceding year's annual meeting of shareholders. As a result, the Notice Period for the 2016 annual meeting of shareholders will start on August 8, 2016 and end on September 7, 2016.

If a shareholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we need not present the proposal for vote at such meeting.

A copy of the full text of the provisions of our memorandum and articles of association discussed above may be obtained by writing to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568, or by accessing Fabrinet's filings on the SEC's website at www.sec.gov.

All notices of proposals by shareholders, whether or not included in our proxy materials, should be sent to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568.

Q: How may I obtain a separate set of proxy materials or the 2015 Annual Report?

A: If you share an address with another shareholder, each shareholder may not receive a separate copy of our proxy materials and 2015 Annual Report. Upon written request we will promptly send a separate copy of our proxy materials and 2015 Annual Report, without charge, to any shareholder at a shared address where a single copy of the documents was delivered. Shareholders may request additional copies of our proxy materials and 2015 Annual Report by contacting our investor relations at IR@fabrinet.com, or writing to Fabrinet, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568, Attention: Investor Relations. Shareholders who share an address and receive multiple copies of our proxy materials and 2015 Annual Report can also request to receive a single copy by following the instructions above.

Table of Contents

PROPOSAL ONE
ELECTION OF DIRECTORS

General

Our Board of Directors presently consists of six directors who are divided into three classes with overlapping three-year terms as follows:

Class I Directors	Class II Directors	Class III Directors
(Term Expires in 2016)	(Term Expires in 2017)	(Term Expires in 2015)
Dr. Homa Bahrami Rollance E. Olson	Thomas F. Kelly Dr. Frank H. Levinson	David T. Mitchell Virapan Pulges

Immediately prior to the Annual Meeting, our Board of Directors will consist of five directors, as Mr. Pulges is not standing for reelection at the Annual Meeting. Our amended and restated memorandum and articles of association provide that the number of our directors will be fixed from time to time by our Board of Directors, but may not consist of more than 15 directors. Upon expiration of the term of a class of directors, directors for that class will be elected for three-year terms at the annual meeting of shareholders in the year in which that term expires. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Nominee for Class III Director

One candidate has been nominated for election as a Class III director at the Annual Meeting for a three-year term expiring in 2018. Upon the recommendation of the Nominating & Corporate Governance Committee, our Board of Directors has nominated David T. Mitchell for reelection as a Class III director. Biographical information for Mr. Mitchell is set forth below.

Mr. Mitchell has consented to being named in this proxy statement and to serve as a director if elected, and we have no reason to believe he will be unavailable to serve. In the event Mr. Mitchell is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be proposed by the Nominating and Corporate Governance Committee and designated by the Board of Directors to fill the vacancy.

If you sign your proxy or voting instruction card or vote by telephone or over the Internet, but do not give instructions with respect to the election of directors, your shares will be voted for the one person recommended by our Board of Directors. If you wish to give specific instructions with respect to the election of directors, you may do so by indicating your instructions on your proxy or voting instruction card, or when you vote by telephone or over the Internet. If you do not give voting instructions to your broker, your broker will not vote your shares on this matter.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the reelection of David T. Mitchell to our Board of Directors.

PROPOSAL TWO

ADVISORY VOTE TO APPROVE COMPENSATION PAID TO NAMED EXECUTIVE OFFICERS

General

In accordance with SEC rules, we are providing our shareholders with the opportunity to vote to approve, on an advisory or non-binding basis, the compensation of our named executive officers (or Named Officers) as disclosed in this proxy statement in accordance with rules of the SEC. This proposal, commonly known as a say-on-pay proposal, gives our shareholders the opportunity to express their views on our Named Officers compensation as a whole. This vote is not intended to address any specific item of compensation or any specific Named Officer, but rather the overall compensation of all of our Named Officers and the compensation philosophy, policies and practices described in this proxy statement.

We urge shareholders to read the Executive Compensation section of this proxy statement, and in particular the information discussed under the heading Executive Compensation Compensation Discussion and Analysis , which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives. Approximately 74% of the votes cast on the say-on-pay proposal in 2014 were voted in favor of the proposal. While this advisory vote to approve executive compensation is non-binding, our Board of Directors and the Compensation Committee value the opinions of shareholders and, to the extent there is any significant vote against the Named Officer compensation as disclosed in this proxy statement, will consider those shareholders concerns and evaluate whether any actions are necessary to address those concerns.

Accordingly, pursuant to Section 14A of the Exchange Act, you are being asked to vote on the following resolution at the Annual Meeting:

RESOLVED, that Fabrinet s shareholders approve, on an advisory basis, the compensation of Fabrinet s named executive officers, as disclosed in Fabrinet s Proxy Statement for the 2015 Annual Meeting of Shareholders pursuant to the executive compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables, and related narrative disclosures.

Unless our Board of Directors modifies its policy on the frequency of holding say-on-pay advisory votes, the next say-on-pay advisory vote will occur at our 2016 annual meeting of shareholders.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the approval of the compensation paid to our Named Officers.

CORPORATE GOVERNANCE MATTERS

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines that establish the corporate governance policies our Board of Directors intends to follow in overseeing our business in accordance with its fiduciary duties. The Corporate Governance Guidelines are available in the Investors Governance section of our website at www.fabrinet.com.

Code of Business Conduct

We are committed to maintaining the highest standards of ethical conduct, with business practices and principles of behavior that support this commitment. Accordingly, our Board of Directors has adopted a Code of Business Conduct, which is applicable to all of our directors, officers (including our principal executive officer and senior financial and accounting officers) and employees. The Code of Business Conduct is available in the Investors Governance section of our website at www.fabrinet.com. We will disclose on our website any amendments to the Code of Business Conduct, as well as any waivers, required to be disclosed by SEC or NYSE rules.

Board Leadership Structure

Mr. Mitchell currently serves as chairman of our Board of Directors and as our chief executive officer. Our Corporate Governance Guidelines provide that our Board of Directors will fill the chairman and chief executive officer (CEO) positions based upon what it believes is in our best interests at any point in time. Currently, our Board of Directors does not require separation of the chairman and CEO positions. Our Board of Directors believes that as CEO, Mr. Mitchell is in the best position to direct the focus and attention of our Board of Directors to the areas most relevant for us and our shareholders, as Mr. Mitchell is the most familiar with our business, industry and strategic priorities. By combining the role of chairman and CEO, Mr. Mitchell is able to provide strong and valuable leadership for us both internally and externally.

In addition, our Corporate Governance Guidelines provide that if the CEO also is the chairman, our Board of Directors shall select, at its first regular meeting following each annual shareholder meeting, a lead independent director. Rollance Olson has served as our lead independent director since January 2011. The lead independent director's duties include coordinating the activities of the independent and other non-employee directors, coordinating the agenda for and moderating sessions of the independent and other non-employee directors, and facilitating communications among our entire Board of Directors.

Our independent directors meet in executive session at each regularly scheduled meeting of our Board of Directors, and at such other times as necessary or appropriate as determined by the independent directors. Our lead independent director presides at such executive sessions of our Board of Directors.

Risk Oversight

Our Board of Directors is responsible for the oversight of our enterprise risk management. Together with its committees, our Board of Directors ensures that any material risks relevant to us or our business are appropriately considered and addressed. Our management team is responsible for day-to-day risk management. Management's responsibilities include identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial and operating levels and the development of processes for mitigating these risks, and our Board of Directors, together with its committees, oversees management in its execution of these responsibilities. At periodic meetings of our Board of Directors and board committees, and in other meetings and discussions, our management reports to and

seeks guidance from our Board of Directors and its committees, as applicable, with respect to matters that could affect our business. In addition, our legal counsel provides reports

Table of Contents

of legal risks to the Audit Committee and to our Board of Directors. Similarly, our chief financial officer provides reports to the Audit Committee concerning financial, tax and audit related risks. In addition, the Audit Committee receives periodic reports from management on our compliance programs and efforts, investment policy and practices.

Our Board of Directors reviews the strategic, financial and operational risks inherent in our business through its consideration of the various matters presented to our Board of Directors or its committees by management for review or approval. Furthermore, each board committee regularly reviews and evaluates various aspects of enterprise risk as part of its specific functions and responsibilities delegated by our Board of Directors. The Audit Committee considers risk in connection with its oversight of our financial review and reporting processes and regulatory and corporate compliance matters. In addition, the Audit Committee is responsible for the oversight and review of certain risk management policies, including our insurance, investment and business continuity policies. The Compensation Committee considers risk in connection with its oversight of the design and administration of our compensation policies, plans and programs. The Nominating & Corporate Governance Committee considers risk in connection with its oversight of our governance structure, policies and processes, including conflicts of interest (other than related party transactions reviewed by the Audit Committee).

We believe that our Board of Directors' role is consistent with our leadership structure, with our CEO and management primarily responsible for enterprise risk management, and with our Board of Directors and its committees providing oversight of these efforts.

Shareholders and other interested parties who wish to communicate with our Board of Directors may do so by sending an email to board@fabrinet.com or a written communication addressed to Fabrinet, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, California 94568, Attention: Board of Directors. Our legal counsel reviews all incoming communications from shareholders and other interested parties (except for communications sent directly to the lead independent director, mass mailings, product complaints or inquiries, job inquiries, business solicitations and patently offensive or otherwise inappropriate material) and, as appropriate, routes such communications to the appropriate member(s) of our Board of Directors, or if none is specified, to the Chairman of the Board.

Attendance at Annual Meetings of Shareholders by our Board of Directors

Although we do not have a formal policy regarding attendance by members of our Board of Directors at our annual meeting of shareholders, we encourage, but do not require, directors to attend. All of our directors attended our 2014 annual meeting of shareholders.

Director Independence

Our ordinary shares are listed on the NYSE. Pursuant to the NYSE listing standards, independent directors must comprise a majority of our Board of Directors, and each member of our Audit, Compensation, and Nominating and Corporate Governance Committees must be independent. A director will only qualify as an independent director if, in the opinion of our Board of Directors, that director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit Committee members also must satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3, a member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, our Board of Directors, or any other Board committee: (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from us or any of our subsidiaries; or (2) be an affiliated person of us or any of our subsidiaries.

Table of Contents

Compensation Committee members must satisfy additional independence criteria set forth under the NYSE listing standards. In order for a member of the Compensation Committee to be considered independent, our Board of Directors must consider all factors specifically relevant to determining whether a director has a relationship to us that is material to that director's ability to be independent from management in connection with the duties of a Compensation Committee member, including, but not limited to: (1) the source of compensation of such director, including any consulting, advisory, or other compensatory fee paid by us to such director; and (2) whether such director is affiliated with us, any of our subsidiaries, or an affiliate of any of our subsidiaries.

Our Board of Directors has reviewed the independence of each director and determined that Dr. Bahrami, Mr. Kelly, Dr. Levinson, Mr. Olson and Mr. Pulges, representing five of our six directors, do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the applicable rules and regulations of the SEC and the NYSE listing standards. In making these determinations, our Board of Directors considered the current and prior relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant.

Board Meetings and Committees

During fiscal 2015, our Board of Directors held twelve meetings and also took certain actions by written consent. Each of our directors attended at least 75% of the meetings of our Board of Directors and the committees on which he or she served during fiscal 2015. The Audit Committee report is included in this proxy statement on page 14.

The Compensation Committee currently consists of Dr. Levinson (chairman) and Mr. Pulges, each of whom is independent under the NYSE listing standards and the rules and regulations of the SEC. In addition, our Board of

Director Qualifications

The Nominating & Corporate Governance Committee will evaluate and recommend candidates for membership on our Board of Directors consistent with any criteria established by the committee. The consideration of any candidate for director will be based on the committee's assessment of the individual's background, experience, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of our Board of Directors at that time. While the Nominating & Corporate Governance Committee has not established specific minimum qualifications or a formal diversity policy for director candidates, the committee believes that candidates and nominees should reflect a Board of Directors that is predominately independent and that is comprised of directors who (1) are of high integrity, (2) have broad, business-related knowledge and experience, (3) have qualifications that will increase overall board effectiveness, (4) have diverse backgrounds and perspectives, and (5) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

Identification and Evaluation of Director Nominees

The Nominating & Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. The committee assesses the appropriate size and composition of our Board of Directors, the needs of our Board of Directors and board committees and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Nominating & Corporate Governance Committee through shareholders, management, current members of our Board of Directors or search firms. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to our principal executive officer, principal financial officer, and the other individuals included in the Summary Compensation Table beginning on page 30. We refer to these individuals as our Named Officers in this proxy statement. For fiscal 2015, our Named Officers were:

David T. Mitchell, Chief Executive Officer and Chairman of the Board of Directors;

Dr. Harpal S. Gill, President and Chief Operating Officer of Fabrinet USA, Inc.; Executive Vice President, Operations of Fabrinet Co., Ltd.;

Toh-Seng Ng, Executive Vice President, Chief Financial Officer of Fabrinet USA, Inc.; and

John Marchetti, Executive Vice President, Chief Strategy Officer of Fabrinet USA, Inc.

In August 2015, Mr. Marchetti resigned as Executive Vice President, Chief Strategy Officer of Fabrinet USA, Inc., effective as of December 31, 2015.

Executive Compensation Program Objectives and Overview

Our executive compensation programs are intended to achieve three fundamental objectives: (1) attract, retain and motivate qualified executives; (2) hold executives accountable for performance; and (3) align executives' interests with the interests of our shareholders. In structuring and designing our executive compensation programs, we are guided by the following basic philosophies:

Competition. We should provide competitive compensation opportunities with respect to our industry so that we can attract, retain and motivate qualified executives.

Alignment with Shareholder Interests. A substantial portion of compensation should be contingent on our performance for our shareholders, to align the interests of executives with the interests of our shareholders and to hold the executives accountable for our performance.

As described in more detail below, the material elements of our executive compensation programs for our Named Officers include a base salary, short-term cash incentive awards and long-term equity incentive awards. In addition, our Named Officers may participate in our 401(k) plan and employee benefit programs on substantially the same terms as our other employees. Our Named Officers are also entitled to certain perquisites and personal benefits and, in some cases, are entitled to severance benefits upon certain terminations of their employment with us.

We believe that each element of our executive compensation program helps us to achieve one or more of our compensation objectives. Taken together, the compensation elements are intended to provide a total compensation package for each Named Officer that is competitive. The table below lists each material element of our executive compensation program and the compensation objective or objectives that it is designed to achieve.

Compensation Element	Compensation Objectives Designed to be Achieved
Base Salary	Attract, retain and motivate qualified executives.
Short-Term Cash Incentive Awards	Align executives' interests with those of share holders; Hold executives accountable for our performance; and Attract, retain and motivate qualified executives.
Long-Term Equity Incentive Awards	Align executives' interests with those of shareholders; Hold executives accountable for our performance; and Attract, retain and motivate qualified executives.
Perquisites and Personal Benefits	Attract, retain and motivate qualified executives.
Severance and Other Benefits Upon Termination of Employment	Attract, retain and motivate qualified executives.

Positive Compensation Practices

We monitor trends and developments in compensation practices to enhance the effectiveness of our compensation philosophy and have adopted the following practices:

we employ each of our executive officers at will ;

we have adopted a practice of granting long-term equity to our executive officers that is based, in part, on Fabrinet achieving a financial performance goal;

we maintain share ownership guidelines for our executive officers and directors;

our employees (including our executive officers) and directors are prohibited from margining our securities, short selling our securities or trading in derivative securities;

our equity incentive plan prohibits us from instituting any program to reprice or exchange equity awards for awards with a lower exercise price without shareholder approval;

our equity incentive plan prohibits us from recycling shares, which means that any shares subject to a grant are counted against the share limit in the plan and may not subsequently be re-granted, even if the shares are forfeited, expired or exchanged;

our equity incentive plan provides that all awards are subject to the award recipient's continued employment or other service with the Company and vest over a four-year period, unless otherwise set forth in the award agreement; and

we hold an annual shareholder advisory vote on executive compensation.

Role and Authority of the Compensation Committee

The Compensation Committee currently consists of Dr. Levinson (chairman) and Mr. Pulges, each of whom is independent within the meaning of NYSE rules. In addition, our Board of Directors has determined that Dr. Levinson and Mr. Pulges meet the requirements of the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code, as amended. No Compensation Committee member is a former or current officer or employee of Fabrinet or any of its subsidiaries. The Compensation Committee meets at least quarterly, and members of the Compensation Committee serve at the discretion of our Board of Directors.

The Compensation Committee is responsible for overseeing our compensation policies and goals and administering our equity compensation plans and executive incentive plan, including approving target and actual bonuses under our

executive incentive plan. Additionally, the Compensation Committee is responsible for reviewing and approving the compensation of our chief executive officer and other Named Officers. The Compensation Committee's role is detailed in its charter, which is available in the Investors Governance section of our website at www.fabrinet.com.

Pursuant to its charter, the Compensation Committee may delegate its authority to grant awards under the Company's incentive compensation or other equity-based plans, except with respect to awards to executive officers and directors. The Compensation Committee has delegated limited, non-exclusive authority to a committee consisting of our chief executive officer and chief financial officer (the Equity Award Committee) to grant equity awards under our 2010 Performance Incentive Plan with respect to consultants, new hires and promotions for employees below the level of vice president (and with respect to new hires, for employees who are not expected to shortly thereafter become a vice president or above). In any fiscal year, the Equity Award Committee may grant, in the aggregate, share options and share appreciation rights, restricted share units, restricted shares or other full-value awards covering no more than the number of shares that have been budgeted and approved by the Compensation Committee for such fiscal year. The Equity Award Committee did not take action during fiscal 2015, and the Compensation Committee did not approve a budget of equity awards for the Equity Award Committee for fiscal 2015. The Compensation Committee has not delegated any of its authority with respect to any component of the compensation of our Named Officers.

Role of the Independent Compensation Consultant

The Compensation Committee has the authority, in its sole discretion, to engage the services of outside consultants to assist it in making decisions regarding the establishment of our compensation programs and philosophy. The Compensation Committee also may obtain advice and assistance from internal or external legal, accounting or other advisors. For fiscal 2015, the Compensation Committee retained Compensia, Inc., a national compensation consulting firm, to provide independent compensation consulting services. At the request of the Compensation Committee, a representative of Compensia attends meetings of the Compensation Committee, either in person or by telephone.

Although Fabrinet pays Compensia's fees, Compensia reports directly to the Compensation Committee, and the Compensation Committee retains the authority to hire or fire Compensia and any other consultant or advisor. Compensia does not provide any services to us other than the services provided to the Compensation Committee. The Compensation Committee has assessed the independence of Compensia taking into account, among other things, the factors set forth in Exchange Act Rule 10C-1 and the listing standards of the New York Stock Exchange, and has concluded that no conflict of interest exists with respect to the work that Compensia performs for the Compensation Committee.

During fiscal 2015, Compensia provided the Compensation Committee with a blend of peer group proxy data and other market data, as discussed below, to assist the Compensation Committee in evaluating the competitiveness of our executive compensation and non-employee director compensation programs. Compensia also advised the Compensation Committee on general compensation trends in the industry among similarly situated companies.

Role of Executive Officers in Compensation Decisions

In carrying out its responsibilities, the Compensation Committee works with members of our management team, including our chief executive officer and our chief financial officer. Typically, our management team assists the Compensation Committee in the execution of its responsibilities by providing information on corporate and individual performance and management's perspective and recommendations on compensation matters.

Except with respect to his own compensation, our chief executive officer typically makes recommendations to the Compensation Committee regarding executive compensation matters. At the request of the Compensation Committee, our chief executive officer and our chief financial officer occasionally participate in meetings of the Compensation Committee, except with respect to discussions involving his own compensation. While the Compensation Committee solicits the recommendations and proposals of our chief executive officer with respect to executive compensation matters, these recommendations and proposals are only one factor in the Compensation Committee's decision-making process.

Consideration of Previous Say on Pay Advisory Votes

At our 2013 and 2014 annual meetings of shareholders, approximately 83% and 74%, respectively, of the votes cast in the advisory vote on executive compensation were voted in favor of the compensation of our named executive officers as disclosed in our 2013 and 2014 proxy statements, respectively. In response to the results of these say-on-pay advisory votes, the Compensation Committee decided to grant long-term equity awards to our executive officers that were based, in part, on Fabrinet achieving certain fiscal 2015 revenue targets.

Fiscal 2015 Peer Group and Other Market Data

To assist the Compensation Committee in evaluating whether our executive compensation practices for fiscal 2015 were competitive and consistent with the Compensation Committee's executive compensation

Table of Contents

program objectives, Compensia provided the Committee with compensation data (the Blended Market Data) consisting of an equal blend of (1) proxy statement data from our fiscal 2015 peer group, and (2) proprietary survey data from high-tech companies with annual revenues between \$500 million and \$1 billion. The Compensation Committee used the Blended Market Data to compare our Named Officers' base salary, target cash incentive opportunity, target total cash compensation, equity compensation and total direct compensation against the 25th, 50th and 75th percentiles of the same categories of compensation for executives holding positions comparable (where possible) to the positions of our Named Officers. However, the Compensation Committee does not benchmark or apply specific formulas to determine adjustments to our Named Officers' base salary, target cash incentive opportunity, target total cash compensation, equity compensation or total direct compensation.

The specific criteria for selection into our peer group are set annually by the Compensation Committee. When our peer group is reviewed each year, companies may be removed for failure to meet the selection criteria, or new companies may be added as necessary to ensure a significant sample size of companies. In selecting a peer group, the Compensation Committee considers companies that, in its view, compete with us for talent and have financial or other organizational metrics generally similar to ours. Accordingly, our peer group includes a blend of businesses classified as providing either optical electronic equipment or contract manufacturing services. The selection criteria for our fiscal 2015 peer group includes 12-month revenue, market capitalization, and headcount metrics. Compensia gathered data on the compensation practices of the companies in our fiscal 2015 group through publicly available information, where available.

Our peer group for fiscal 2015, as approved by the Compensation Committee, consisted of the following 17 companies:

Fiscal 2015 Peer Group		
Aeroflex Holding	Finisar Corporation	Multi-Fineline Electronix, Inc.
Ciena Corporation	GSI Group	NETGEAR, Inc.
Coherent, Inc.	Infinera Corporation	Newport Corporation
CTS Corporation	IPG Photonics Corporation	Rofin Sinar Technologies, Inc.
Daktronics Inc.	Methode Electronics, Inc.	TTM Technologies, Inc.
FEI Company	MTS Systems	
While part of our fiscal 2014 peer group, Tellabs, Inc. was removed from our fiscal 2015 peer group because Tellabs was acquired in December 2013.		

Executive Compensation Program Elements***Base Salaries***

We provide base salary to our executive officers and other employees to compensate them for services rendered on a day-to-day basis. Following the end of each fiscal year, the Compensation Committee typically reviews and determines whether to adjust executive base salaries on the basis of each executive officer's level of responsibility, qualifications, experience, past performance and expected future contributions. The Compensation Committee also considers whether executive base salaries are competitive as compared to salary practices gathered from the Blended

Market Data.

Table of Contents

In fiscal 2015, the Compensation Committee reviewed the salary component of the Blended Market Data provided by Compensia and considered each executive officer's past performance and expected future contributions, changes in each executive officer's responsibilities and organizational changes. As a result of its review, the Compensation Committee approved the following increases to base salaries for fiscal 2015.

Named Officer	Fiscal 2014 Annual Base Salary	Fiscal 2015 Annual Base Salary	% Change
Mr. Mitchell	\$ 650,000	\$ 700,000	7.7%
Dr. Gill	\$ 650,000	\$ 750,000	15.4%
Mr. Ng	\$ 425,000	\$ 500,000	17.6%
Mr. Marchetti	\$ 375,000	\$ 425,000	13.3%

Short-Term Cash Incentive Awards

In October 2014, the Compensation Committee approved an executive incentive plan for fiscal 2015 (the Fiscal 2015 Bonus Plan) that provided our Named Officers with the ability to receive cash incentive awards based (1) 20% on achievement of individual performance objectives, (2) 40% on Fabrinet's achievement of a fiscal 2015 revenue target of \$760 million, and (3) 40% on Fabrinet's achievement of a fiscal 2015 non-GAAP earnings per share target of \$1.67, with achievement of individual objectives and each financial target considered independently from the other. All of our Named Officers were eligible to participate in the Fiscal 2015 Bonus Plan, which provided for a target bonus amount expressed as a percentage of each Named Officer's base salary. The maximum bonus that each Named Officer could have received under the Fiscal 2015 Bonus Plan was two times his target bonus. Achievement of a maximum bonus payout would require significant skill and effort on the part of an executive officer and very high levels of corporate performance that the Compensation Committee believed were possible but unlikely to be achieved. By basing a substantial portion of our executive officers' total cash compensation on achievement of financial goals designed to drive shareholder value, the Fiscal 2015 Bonus Plan was intended to align their interests with the interests of our shareholders.

The Compensation Committee determined the target bonus amount for each Named Officer under the Fiscal 2015 Bonus Plan by considering the Blended Market Data provided by Compensia, evaluated against other criteria, including the Named Officer's functional responsibilities and ongoing duties. For fiscal 2015, the Compensation Committee approved increases to Mr. Mitchell's, Dr. Gill's, and Mr. Ng's target bonus amount as follows:

Named Officer	Fiscal 2014 Target Bonus (as a % of Base Salary)	Fiscal 2015 Target Bonus (as a % of Base Salary)	% Change
Mr. Mitchell	100%	120%	20%
Dr. Gill	80%	95%	18.8%
Mr. Ng	65%	70%	7.7%
Mr. Marchetti	65%	65%	

Under the Fiscal 2015 Bonus Plan, if we achieved 100% of a target financial metric, bonuses were payable to our Named Officers at 100% of target with respect to that financial metric component. If we achieved 90% of a target financial metric, bonuses were payable to our Named Officers at 50% of target with respect to that financial metric component. If we achieved 105% or more of a target financial metric, maximum bonuses were payable to our Named Officers at 200% of target with respect to that financial metric component. Achievement of the financial targets at

levels between 90% and 100% and between 100% and 105% would result in a bonus amount that is scaled in a linear fashion.

Based on our fiscal 2015 financial results, we achieved (1) approximately 102% of our revenue target, resulting in a bonus that was funded at approximately 135% with respect to that component, and (2) approximately 102% of our non-GAAP earnings per share target, resulting in a bonus that was funded at approximately 138% with respect to that component. In addition, the Compensation Committee determined that

Table of Contents

each of Mr. Mitchell, Dr. Gill, Mr. Ng and Mr. Marchetti achieved certain fiscal 2015 individual performance objectives and decided to fund each of their bonuses at 200%, 110%, 200% and 70%, respectively, with respect to that component. Accordingly, Mr. Mitchell, Dr. Gill, Mr. Ng and Mr. Marchetti each received a bonus under the Fiscal 2015 Bonus Plan ranging from approximately 123% to approximately 149% of their respective target bonus. Amounts earned under the Fiscal 2015 Bonus Plan were paid in fiscal 2016.

The following table describes the target, maximum and actual bonus amounts for each of our Named Officers under the Fiscal 2015 Bonus Plan.

Named Officer	Target Bonus		Maximum Bonus		Actual Bonus		Actual Bonus (as a % of Target Bonus)
	Target Bonus (\$)	(as a % of Base Salary)	Maximum Bonus (\$)	(as a % of Base Salary)	Actual Bonus (\$)	(as a % of Base Salary)	
Mr. Mitchell	840,000	120%	1,680,000	240%	1,251,600	179%	149%
Dr. Gill	712,500	95%	1,425,000	190%	933,375	124%	131%
Mr. Ng	350,000	70%	700,000	140%	521,500	104%	149%
Mr. Marchetti	276,250	65%	552,500	130%	339,788	80%	123%

Long-Term Equity Incentive Awards

Our equity incentive plan is a critical component of the compensation program that we believe incentivizes our executive officers and key employees to focus on building shareholder value through meeting long-term financial and strategic goals. We grant restricted share units (RSUs) to our executive officers and other employees under our 2010 Performance Incentive Plan. RSUs also function as a retention incentive for our executives as they vest annually over a four-year period after the date of grant. Beginning in fiscal 2015, the Compensation Committee adopted a practice of granting RSUs to our executive officers that is based, in part, on Fabrinet achieving a financial performance goal, as described below.

The Compensation Committee bases long-term equity incentive award grants to executives on a number of factors, including the Blended Market Data provided by Compensia, the executive's vested and unvested equity holdings, the executive's position and total compensation package, and the executive's contribution to the success of our financial performance.

During fiscal 2015, the Compensation Committee granted RSUs under our 2010 Performance Incentive Plan to each of our Named Officers, as set forth in the following table.

Named Officer	Grant Date	Vesting Commencement Date	RSUs (#)(1)	Grant Date Fair Value (\$)
Mr. Mitchell	10/19/2014	8/15/14	165,700	2,669,427
Dr. Gill	10/19/2014	8/15/14	91,000	1,466,010
Mr. Ng	10/19/2014	8/15/14	51,000	821,610
Mr. Marchetti	10/19/2014	8/15/14	49,800	802,278

(1) RSUs vest over a four-year period at a rate of 25% on each anniversary of the vesting commencement date. In October 2014, the Compensation Committee approved a performance share unit plan for fiscal 2015 (the Fiscal 2015 PSU Plan), which provided for the grant of RSUs based in part on Fabrinet s achievement of a fiscal 2015 revenue target of \$760 million. Under the Fiscal 2015 PSU Plan, the number of shares to be granted under each RSU award would be equal to (a) the dollar value of the executive s award (which could be increased based on our financial performance), divided by (b) the higher of (i) the fair market value per share of our ordinary shares on the grant date or (ii) \$10.00, with the quotient rounded down to the nearest whole share. If we did not achieve the fiscal 2015 revenue target, the Fiscal 2015 PSU Plan provided for a minimum dollar value of RSUs to be granted to each of our Named Officers. If we achieved the fiscal 2015 revenue target, two times the

Table of Contents

minimum dollar value of RSUs would be granted under the plan. If we achieved 105% or more of the fiscal 2015 revenue target, three times the minimum dollar value of RSUs would be granted under the plan. Achievement of the fiscal 2015 revenue target at levels between 100% and 105% would result in a dollar value of RSUs being granted based on linear interpolation.

Based on our fiscal 2015 financial results, we achieved approximately 102% of our revenue target, resulting in a dollar value of RSUs being awarded for each Named Officer at approximately 118% of the target dollar value of RSUs for such Named Officer. RSUs earned under the Fiscal 2015 PSU Plan were granted under our 2010 Performance Incentive Plan in fiscal 2016.

The following table sets forth the minimum, target, maximum and actual dollar value of RSUs for our Named Officers under the Fiscal 2015 PSU Plan.

Named Officer	Minimum Dollar	Target Dollar	Maximum Dollar	Actual Grant Date
	Value of RSUs (\$)	Value of RSUs (\$)	Value of RSUs (\$)	Fair Value of RSUs Awarded \$(1)
Mr. Mitchell	1,367,000	2,733,000	4,100,000	3,211,982
Dr. Gill	500,000	1,000,000	1,500,000	1,174,992
Mr. Ng	457,000	913,000	1,370,000	1,073,982
Mr. Marchetti	243,000	485,000	728,000	570,999

(1) RSUs vest over a four-year period at a rate of 25% on each anniversary of the grant date.

Perquisites and Personal Benefits

In addition to base salaries, we provide our Named Officers with certain perquisites and personal benefits. We believe that perquisites and personal benefits are a tax-advantaged way to provide our Named Officers with additional annual compensation that supplements their base salaries. We do not establish the value of each Named Officer's perquisites and personal benefits in a vacuum or as some form of compensation add on. Instead, we view the value of the perquisites as another component of annual compensation that is merely paid in a different form. When determining each Named Officer's base salary, we take the value of each Named Officer's perquisites and personal benefits into consideration.

We provide certain benefits and allowances to our international assignees, including our Named Officers, which include housing and transportation allowances, living and travel expense reimbursements and tax preparation services. Consistent with the policy we have adopted with respect to all U.S. citizens who are working on our behalf in Asia on an expatriate basis, we pay such employees a tax equalization payment that is intended to put the employee in the same position, from a tax-liability perspective, that he or she would be in if they were still located in the United States. Of our Named Officers, Mr. Mitchell, Dr. Gill and Mr. Ng receive a tax equalization payment because each qualifies for such benefit under the policy.

In addition, in October 2014, the Compensation Committee approved the payment of additional cash compensation to Dr. Gill and Mr. Ng in the amount of 20% of their respective then-current annual base salary, determined and payable bi-monthly, with a tax gross-up (the Foreign Service Premium Pay), to incentivize them to continue working for us in Thailand and ameliorate the resulting hardships to their families who are located in the United States. The Foreign

Service Premium Pay was deemed effective as of July 1, 2014, and will continue for as long as Dr. Gill and Mr. Ng are required to, and do, temporarily reside and work in Thailand. In January 2015, the Compensation Committee authorized the purchase of key man life insurance policies for each of Dr. Gill and Mr. Ng, which provides for \$3 million payable to the applicable Named Officer's elected beneficiaries and \$2 million payable to us. Beginning in fiscal 2016, Dr. Gill and Mr. Ng will also receive a family travel benefit that will provide each of their immediate family members a round-trip airline ticket to visit Thailand once per year at our expense.

Table of Contents

The perquisites and personal benefits paid to each Named Officer in fiscal 2015 are reported in the All Other Compensation column of the Summary Compensation Table below, and are further described in the footnotes to such table.

Severance and Other Benefits Upon Termination of Employment

We and certain of our subsidiaries have entered into employment agreements or offer letters with our Named Officers that provide for them to receive severance benefits following certain terminations of their employment with us or our subsidiaries, as applicable. These arrangements are consistent with our overall compensation objectives because we believe such arrangements are critical to achieve our business objective of management retention. We evaluate the level of severance benefits to provide a Named Officer on a case-by-case basis. To ensure that the severance and change of control arrangements continue to remain consistent with our compensation philosophy and current market practices, the Compensation Committee may periodically review these arrangements. Please see Potential Payments Upon Termination or Change in Control below, for a description of the severance benefits our Named Officers may be entitled to receive upon termination of their employment.

Share Ownership Guidelines

To further align the interests of our executive officers and members of our Board of Directors with those of our shareholders, we have adopted share ownership guidelines for our executive officers and directors, which provide for a minimum ownership level equal to:

chief executive officer 6x annual base salary;

other executive officers 2x annual base salary; and

directors 3x annual Board retainer.

Executive officers and directors are expected to meet these ownership levels within five years from August 2012 or, if appointed or elected after August 2012, within five years of their appointment as an executive officer or election to the Board of Directors. Shares counted towards the minimum ownership levels include all shares beneficially owned by the executive officer or director and any unvested restricted share units held by the executive officer or director. All of our current executive officers and directors currently exceed their respective share ownership guidelines.

Hedging Policy

We have an insider trading policy that prohibits, among other things, short sales, hedging of stock ownership positions, and transactions involving derivative securities relating to our ordinary shares.

Tax Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1 million per year on the U.S. corporate income tax deduction a publicly-held corporation may take for compensation paid to each of its covered employees (generally, the chief executive officer and the next three most highly compensated executive officers, other than the chief financial officer, as of the end of any fiscal year). In general, certain performance-based compensation approved by

shareholders is not subject to this \$1 million deduction limit. Prior to our initial public offering, our Board of Directors did not take the deductibility limit imposed by Section 162(m) into consideration in making compensation decisions. In the future, the Compensation Committee may adopt a policy that, where reasonably practicable, we will seek to qualify the compensation paid to Named Officers that are employees of our U.S.-based subsidiaries as performance-based compensation to participate in the exemption from the deductibility limitations of Section 162(m). However, the Compensation Committee may continue to authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

Compensation Recovery Policy

At this time, we have not implemented a policy regarding retroactive adjustments to any cash or equity-based incentive compensation paid to our executive officers and other employees where the payments were predicated upon the achievement of financial results that were subsequently the subject of a financial restatement.

Compensation and Risk Assessment

The Compensation Committee has assessed the risks associated with our compensation policies and practices for all employees and, based on its assessment, does not believe that such compensation policies and practices create risks that are reasonably likely to have a material adverse effect on us.

Compensation Committee Report

The Compensation Committee oversees Fabrinet's compensation policies, plans and benefit programs. The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors.
