Dear Stockholder:

The Annual Meeting of Stockholders of The Taiwan Fund, Inc. (the Fund) will be held at 11:00 a.m., Eastern Time on Tuesday, April 19, 2016, at the offices of Clifford Chance US LLP, 31 West 52<sup>nd</sup> Street, New York, New York 10019. A Notice and Proxy Statement regarding the Meeting, proxy card for your vote, and postage prepaid envelope in which to return your proxy card are enclosed.

At the Meeting you, as a stockholder of the Fund, will be asked by the Board to vote on the election of six directors.

The Board of Directors recommends that you vote FOR the election of the six directors proposed by the Board.

M. Christopher Canavan, Jr., a director of the Fund since 2003, has chosen not to stand for re-election. The Board of Directors thanks him for his years of service to the Fund and wishes him well in retirement. The Board of Directors is pleased to announce that it has nominated Ms. Shelley Rigger to replace Mr. Canavan as a director of the Fund. Ms. Rigger is the Brown Professor of East Asian Studies at Davidson College. She is a recognized expert in Taiwan and Chinese politics and has written several books and numerous articles related to Taiwanese and Chinese history and business. Ms. Rigger's nomination is a continuation of a process of turnover in Board membership in connection with the retirement, or anticipated retirement, of Board members. Through this process, the Board has sought: (i) to continue the practice, required by the Fund's bylaws, of nominating only persons with significant knowledge of and experience with Taiwan; (ii) to gradually increase the diversity of the Board; (iii) to rotate Board membership so as to add fresh outlooks and perspectives; and (iv) to accomplish these objectives while ensuring appropriate levels of stability and continuity. Ms. Rigger's nomination follows last year's election of Chih Cheung as a director. Mr. Cheung has significant experience in Taiwan, Mainland China and cross-Strait economic and business environments.

Moritz Sell, a stockholder of the Fund, has notified the Fund that at the Meeting he intends to propose a different slate of six candidates for nomination for election to the Company's Board of Directors and to propose an amendment to the provision in the Fund's bylaws that specifies the qualifications required of a nominee for election as a director. In a letter dated February 23, 2016, we informed Mr. Sell that his proposal to elect his nominees as directors is not eligible for consideration at the Meeting, because his notice of that proposal did not comply with the Fund's bylaws, and that none of the candidates nominated by him appear to meet the requirements for eligibility to be nominated as a director that are set forth in the Fund's bylaws. In the same letter, we advised Mr. Sell that our Board of Directors has determined to recommend that the Fund's stockholders vote against his bylaw amendment proposal. The Board of Directors believes that adoption of the bylaw amendment proposed by Mr. Sell could hinder the Fund's compliance with the federal securities laws relating to audit committee financial experts and that the bylaw amendment proposed by Mr. Sell is grammatically incomplete. The Board of Directors also believes that a dilution in director qualification standards that would result from his bylaw amendment would be inconsistent with the best interests of the Fund and its stockholders.

If Mr. Sell puts forth his proposal to amend the Fund's bylaws, the Board of Directors recommends that you vote AGAINST the proposed amendment.

You may receive proxy solicitation materials from Mr. Sell, including an opposition proxy statement and proxy card. We strongly urge you NOT to sign or return any proxy cards sent by Mr. Sell. Any votes cast with respect to his proposal to nominate directors in a separate proxy statement from Mr. Sell will not be counted at the Meeting. However, shares represented by proxies solicited by Mr. Sell will be counted as present for purposes of determining the existence of a quorum if Mr. Sell or another person authorized by Mr. Sell's proxy is present at the Meeting. If you have previously signed a proxy card from Mr. Sell, you can revoke the earlier proxy and vote for our nominees and on any other matter to be properly considered at the Meeting by signing, dating and returning the enclosed proxy card in the enclosed postage-paid envelope, or by authorizing your proxy electronically via the Internet using the Internet address on the proxy card or by telephone using the toll-free number on the proxy card.

Respectfully,

Joe O. Rogers

*Chairman*

**STOCKHOLDERS ARE STRONGLY URGED TO VOTE BY TELEPHONE, BY INTERNET OR BY SIGNING AND MAILING THE ENCLOSED WHITE PROXY CARD IN THE ENVELOPE PROVIDED FOR THAT PURPOSE TO ENSURE A QUORUM AT THE MEETING.**

- (1) To elect six directors to serve for the ensuing year;
- (2) If proposed at the Annual Meeting, to consider a stockholder proposal to amend the Fund's bylaws; and
- (3) To transact such other business as may properly come before the Meeting or any adjournments thereof.

The Board of Directors has fixed the close of business on February 26, 2016 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting or any adjournments thereof.

You are cordially invited to attend the Meeting. Stockholders who do not expect to attend the Meeting in person are requested to vote by telephone, by Internet or by completing, dating and signing the enclosed form of proxy and returning it promptly in the envelope provided for that purpose. The enclosed proxy is being solicited by the Board of Directors of the Fund.

Moritz Sell, a stockholder of the Fund, has notified the Fund that, at the Meeting, he intends to propose a different slate of six candidates for nomination for election to the Company's Board of Directors and to propose an amendment to the provision in the Fund's bylaws that specifies the qualifications required of a nominee for election as a director. In a letter dated February 23, 2016, we informed Mr. Sell that his proposal to nominate six candidates for election as directors is not eligible for consideration at the Meeting, because his notice of that proposal did not comply with the Fund's bylaws, and that none of the candidates nominated by him appear to meet the requirements for eligibility to be nominated as a director that are set forth in the Fund's bylaws. In the same letter, we advised Mr. Sell that our Board of Directors has determined to recommend that the Fund's stockholders vote against his bylaw amendment proposal. The Board of Directors believes that adoption of the bylaw amendment proposed by Mr. Sell could hinder the Fund's compliance with the federal securities laws relating to audit committee financial experts and that the bylaw amendment proposed by Mr. Sell is grammatically incomplete. The Board of Directors also believes that a dilution in director qualification standards that would result from his bylaw amendment would be inconsistent with the best interests of the Fund and its stockholders.

You may receive proxy solicitation materials from Mr. Sell, including an opposition proxy statement and proxy card. We strongly urge you NOT to sign or return any proxy cards sent by Mr. Sell. Any votes cast with respect to his proposal to nominate Directors in a separate proxy statement from Mr. Sell will not be counted at the Meeting. However, shares represented by proxies solicited by Mr. Sell will be counted as present for purposes of determining the existence of a quorum if Mr. Sell or another person authorized by Mr. Sell's proxy is present at the Meeting. If you have previously signed a proxy card from Mr. Sell, you can revoke the earlier proxy and vote for our nominees and on any other matter to be properly considered at the Meeting by signing, dating and returning the enclosed white proxy card in the enclosed postage-paid envelope, or by authorizing your proxy electronically via the Internet using the Internet address on the proxy card or by telephone using the toll-free number on the proxy card.

The presence in person or by proxy of stockholders entitled to cast one third of the votes entitled to be cast thereat constitutes a quorum at all meetings of the stockholders. For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1 will be treated as shares that are present for quorum purposes. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum but will have no effect on Proposal 1 and, if Proposal 2 is proposed, will have the effect of an Against vote on Proposal 2.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve are not received, holders of a majority of the stock present in person or by proxy have power to adjourn the meeting. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may set a subsequent record date and give notice of it to stockholders, in which case the meeting may be held not more than 120 days beyond the subsequent record date.

As of the record date, the Fund had outstanding 8,224,331 shares of common stock.

Management of the Fund knows of no item of business other than the item mentioned in Proposal 1 and, if proposed at the Annual Meeting, Proposal 2 of the Notice of Meeting that will be eligible to be presented for consideration at the Meeting. #### Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the laws of Maryland, the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is composed of six Independent Directors and one of the Independent Directors serves as Chairman of the Board.

Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are currently managed by JF International Management Inc. (the "Adviser") and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the fact that all of the Directors are not interested persons, and the nature of the Fund.

Mr. M. Christopher Canavan, Jr., currently a Director of the Fund, has chosen not to stand for re-election. The remaining existing Directors were selected to serve and continue, and Ms. Rigger was nominated to serve on the Board, based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and a demonstrated willingness to take an independent and questioning view of management. Each existing Director, other than Ms. Rigger, also has considerable familiarity with the Fund and State Street Bank and Trust Company (the "Administrator"), and its operations, as well as the special regulatory requirements governing registered investment companies and the special responsibilities of investment company directors, all as a result of his substantial prior service as a Director of the Fund and, in several cases, as a director of other investment companies. In addition to those qualifications, the following is a brief

summary of the specific experience, qualifications or skills that led to the conclusion that as of the date of this proxy statement, each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission ( SEC ), and do not constitute a holding out by the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof than the normal responsibility and liability of an investment company board member or board. As required by rules the SEC has adopted under the 1940 Act, the Fund's Independent Directors select and nominate all candidates for Independent Director positions.

She also holds a Ph.D. from Harvard University's Department of Government with fields of specialization in comparative politics, Chinese politics, American politics and government and political anthropology. Ms. Rigger has published several books and numerous articles related to Taiwanese and Chinese history and business.

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, three of the five then Directors attended the 2015 Annual Meeting of Stockholders.

The Board of Directors of the Fund held four regular meetings and two special meetings during the fiscal year ended August 31, 2015. For the fiscal year ended August 31, 2015, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he served.

**Audit Committee.** The Fund's Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. (NYSE) listing standards, as may be modified or supplemented) and not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Audit Committee Charter, which is posted on the Fund's website ([www.thetaiwanfund.com](http://www.thetaiwanfund.com)). The current members of the Audit Committee are Messrs. Canavan, Holland and Lo. The Audit Committee convened four times during the fiscal year ended August 31, 2015. The Fund's Board of Directors has designated Mr. Canavan, an independent director, as the audit committee financial expert. Effective April 19, 2016, the Fund's Board of Directors designated Mr. Cheung, an independent director, as the Fund's audit committee financial expert.

**Nominating Committee.** The Fund's Board of Directors has a Nominating Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. The Fund's Nominating Committee is composed of directors who are independent as independence is defined in the NYSE's listing standards, as may be modified or supplemented, and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Nominating Committee Charter, which is posted on the Fund's website ([www.thetaiwanfund.com](http://www.thetaiwanfund.com)). Currently, the Nominating Committee does not consider nominees recommended by the stockholders. The Nominating Committee believes that it is not necessary to have such a policy because the Board has had no difficulty identifying qualified candidates to serve as directors. The Nominating Committee evaluates a candidate's qualifications for Board membership and the

candidate's independence from the Fund's advisers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the NYSE and the SEC to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons designated as having financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The current members of the Nominating Committee are Messrs. Cheung, Kirby and Lo. The Nominating Committee convened four times during the fiscal year ended August 31, 2015.

**Valuation Committee.** The Fund's Board of Directors has a Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The current Directors who are members of the Valuation Committee are Messrs. Canavan, Holland and Rogers. The Valuation Committee met once during the fiscal year ended August 31, 2015.

**Share Repurchase Program Committee.** The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Rogers, Kirby and Cheung. The Share Repurchase Program Committee met four times during the fiscal year ended August 31, 2015.

#### **Risk Oversight**

The day-to-day operations of the Fund, including the management of risk, are performed by third party service providers, such as the Fund's Adviser and Administrator. The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Adviser or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others the Fund's Adviser, the Fund's Administrator, the Fund's chief compliance officer and its independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Adviser and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Advisory Agreement, the Board meets with the Adviser to review the services provided. Among other things, the Board regularly considers the Adviser's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a chief compliance officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Adviser, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

#### **Stockholder Communications**

Stockholders may send communications to the Fund's Board of Directors by addressing the communication directly to the Board (or individual Board members) and/or clearly indicating that the communication is for the Board (or individual Board members). The communication may be sent to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

The Fund believes that its officers and Directors have complied with all applicable filing requirements for the fiscal year ended August 31, 2015. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the Fund's Adviser and the officers and directors of such Adviser.

#### Required Vote

Election of the listed nominees for Director requires the affirmative vote of the holders of a majority of the shares of common stock of the Fund cast at the Meeting. Pursuant to the Fund's By-Laws, any Director who is nominated for re-election at the Meeting and is not re-elected at the Meeting will be deemed to have tendered to the Board of Directors his resignation as a Director, with such resignation to take effect 30 days after the date of the Meeting unless the Board of Directors unanimously decides to reject that Director's tender of resignation, in which case the Director will continue in office until his death, resignation or removal or until his successor shall have been elected and shall have been qualified.

Moritz Sell, a stockholder of the Fund, has notified the Fund that, at the Meeting, he intends to propose a different slate of six candidates for nomination for election to the Company's Board of Directors. We have informed Mr. Sell that his proposal to nominate six candidates for election as directors is not eligible for consideration at the Meeting, because his notice of that proposal did not comply with the Fund's bylaws and that none of the candidates nominated by him meet the requirements for eligibility to be nominated as a director that are set forth in the Fund's bylaws. The Fund believes that, because of the deficiencies in Mr. Sell's purported nomination of candidates for election as directors, any attempt to act at the Meeting on his proposal to elect those nominees will be legally ineffective.

**PROPOSAL 2 STOCKHOLDER PROPOSAL TO AMEND THE BYLAWS**

Moritz Sell has notified the Fund of his intention to submit a proposal at the Meeting to amend the bylaws of the Fund by replacing Section 3.12 of the bylaws in its entirety. The bylaw provision currently in effect and the bylaw amendment proposed by Mr. Sell are set out in Appendix A. The proposed amendment would change the provision in the bylaws setting forth qualifications for Directors of the Fund in four respects: 1) the proposed amendment would eliminate the requirement that a Director of the Fund have significant experience in business, investment, economic or political matters of Taiwan or Asia ( Relevant Experience and Regional Knowledge ); 2) the proposed amendment would not permit a Director who has served for more than ten years to be nominated for re-election; 3) the proposed amendment would alter the portion of the qualification bylaw regarding an audit committee financial expert ; and 4) the proposed amendment would remove a conflict of interest provision. For the reasons set out below, the Board of Directors believes that each of these four changes would be inconsistent with the best interests of the Fund and its stockholders. Accordingly, the Board of Directors urges you to vote AGAINST Mr. Sell's bylaw amendment proposal.

The Board of Directors believes that the dilution in director qualification standards that has been proposed by Mr. Sell would be inconsistent with the best interests of the Fund and its stockholders. The Board of Directors believes that the Relevant Experience and Regional Knowledge requirement that presently is contained in the Fund's bylaws has served the Fund well by maintaining a Board that is well attuned to the nuances of financial, economic and political matters in Taiwan. Elimination of this requirement could result in a Board with little or no experience in or knowledge of these matters. This would have been the case, for example, if the candidates that Mr. Sell attempted to nominate for election to the Board of Directors had been validly nominated and then were elected.

Similarly, the Board of Directors believes that it would be inconsistent with the best interests of the Fund and its stockholders to automatically bar a Director who has served for more than ten years from being nominated for re-election, as would be the case if the bylaw amendment proposed by Mr. Sell were adopted. Such a provision would cause the Fund to lose the continuity of institutional knowledge and experience provided by a longer-tenured Director. The Board of Directors accepts that rotation of the Fund's board composition over time can be appropriate, but that such rotation should be accomplished in a thoughtful, orderly, fact-based way instead of by means of inflexible, automatic disqualification provisions.

Eliminating the conflict of interest provision to the bylaws would permit persons who have significant interests that may not be consistent with the Fund's interests to serve on the Board. The Board of Directors believes this would not serve the interests of the Fund or its stockholders.

The Board of Directors believes that Mr. Sell's proposal to alter the portion of the qualification bylaw dealing with an audit committee financial expert could hinder the Fund's compliance with the federal securities laws by preventing the Fund's Board of Directors from exercising its discretion to determine which of its members is designated as an audit committee financial expert. In addition, the proposed amendment is grammatically incomplete. For these reasons, the Board does not believe it is appropriate for the Fund's bylaws to contain such a provision.

Approval of the proposed bylaw amendment requires approval of the holders of a majority of the shares present at the Meeting and eligible to vote.

Tait Weller also performs other professional audit and certain allowable non-audit services, including tax services, when the Fund engages it to do so. *Audit Fees.* For the fiscal years ended August 31, 2015 and August 31, 2014, Tait Weller billed the Fund aggregate fees of US\$52,500 and US\$52,000, respectively, for professional services rendered for the audit of the Fund's annual financial statements and review of financial statements included in the Fund's annual report to stockholders.

*Audit-Related Fees.* For the fiscal years ended August 31, 2015 and August 31, 2014, Tait Weller billed the Fund aggregate fees of US\$7,000 and US\$6,800, respectively, for assurances and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under the section Audit Fees above. Audit-Related Fees represent procedures applied to the semi-annual financial statement amounts (reading the semi-annual report and valuation and existence procedures on investments) as requested by the Fund's Audit Committee.

*Tax Fees.* For the fiscal years ended August 31, 2015 and August 31, 2014, Tait Weller billed the Fund aggregate fees of US\$13,200 and US\$13,200, respectively, for professional services rendered for tax compliance, tax advice, and tax planning. The nature of the services comprising the Tax Fees was the review of the Fund's income tax returns and tax distribution requirements.

*All Other Fees.* For the fiscal years ended August 31, 2015 and August 31, 2014, Tait Weller did not bill the Fund any fees for products and services other than those disclosed above.

The Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided to the Fund by the Fund's independent registered public accounting firm; provided, however, that the pre-approval requirement with respect to non-auditing services to the Fund may be waived consistent with the exceptions provided for in the Exchange Act. All of the audit and tax services described above for which Tait Weller billed the Fund fees for the fiscal years ended August 31, 2015 and August 31, 2014 were pre-approved by the Audit Committee. For the fiscal years ended August 31, 2015 and August 31, 2014, the Fund's Audit Committee did not waive the pre-approval requirement of any non-audit services to be provided to the Fund by Tait Weller.

Tait Weller did not bill any non-audit fees for services rendered to the Fund's then investment adviser, or any entity controlling, controlled by, or under the common control with the Adviser that provides ongoing services to the Fund, for the fiscal years ended August 31, 2015 and August 31, 2014.

#### **Audit Committee Report**

The Audit Committee has reviewed and discussed the Fund's audited financial statements for the fiscal year ended August 31, 2015 with management of the Fund and with Tait Weller, and has discussed with Tait Weller the matters required to be discussed by Public Company Accounting Oversight Board ( PCAOB ) Standard No. 16 (Communication with Audit Committees), as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter on auditor independence from Tait Weller required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence), as may be modified or supplemented, and has discussed with Tait Weller its independence. Based on the Audit Committee's review and discussions referred to in the two preceding sentences, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund for the fiscal year ended August 31, 2015 be included in its annual report to stockholders and the Fund's annual report filed with the SEC.
